Attraction of the month

Jindera Pioneer Museum

With the frosty weather still upon us, it's a great time to head indoors and explore the history and heritage within Greater Hume Shire's many museums.

The award winning Jindera Pioneer Museum is contained within a remarkable old store and home that belonged to the pioneering Wagner family.

The 'store' is stocked with authentic goods of the 19th century, while the living area at the rear is furnished in its original style.

Browse the grounds of the museum and see original buildings from Jindera's past and machinery that helped farm the district many years ago. The museum is open Tuesday to Sunday from 10am to 3pm.
