PUBLIC HEALTH ALERT – COVID-19 UPDATE

17 new cases of COVID-19 were recorded in the Murrumbidgee Local Health District to 8pm last night.

14 cases are residents of the Albury LGA, four have been linked to previously known cases and 10 are under investigation.

Two cases are residents of the Greater Hume LGA. One is a household contact of a previously confirmed case and one is under investigation.

One case is a resident of the Federation LGA and is under investigation.

There has been a total of **132** cases and two deaths recorded in the MLHD since the start of the current outbreak. These include **72** in Albury LGA, 25 in Hilltops LGA, **12** in Edward River LGA, **11** in the Greater Hume LGA, four in Murray River LGA, **three** in Federation LGA two in Wagga Wagga LGA, two in Berrigan LGA and one in Griffith LGA.

VENUES OF CONCERN

The identification of exposure sites are now part of state-wide venue tracking processes.

We encourage residents to keep an eye on venues of concern via the NSW Health website: <https://www.health.nsw.gov.au/Infectious/covid-19/Pages/case-locations-and-alerts.aspx>

Information on requirements for close and casual contacts can be found here: <https://www.health.nsw.gov.au/Infectious/covid-19/Pages/isolation-guidelines.aspx>

SEWAGE DETECTIONS

MLHD confirms that fragments of the virus that causes COVID-19 have been detected in sewage in Jerilderie and Wagga Wagga and renews calls for the community to come forward for testing.

TESTING

There has been 945 COVID-19 tests completed in Albury and 453 in Jindera in the past 24 hours.

Residents in Albury, Edward River, Greater Hume and Federation LGA's are urged to limit their movements in and out of the community at this time and widespread COVID-19 testing is critical.

Anyone currently experiencing, or who has recently experienced even mild cold-like symptoms is asked to come forward immediately for testing. It's important that you isolate after your test until you get a result if you have symptoms.

Symptoms of COVID-19 include fever, sore throat, cough, headache, runny nose, shortness of breath, fatigue, muscle aches or pains, and a change in taste or smell.

Testing is currently available in the Border region as follows:

For testing locations go to www.mlhd.health.nsw.gov.au, or for help accessing a test call the Murrumbidgee COVID-19 Hotline 1800 831 099.

COVID-19 VACCINATION

As cases continue to grow in the Murrumbidgee LHD it is critical that residents come forward for vaccination. Vaccination is proven to prevent serious illness of COVID-19 and lower the risk of transmission.

COVID-19 Vaccination is available at more than 100 locations across the District including GP's, Pharmacies, Aboriginal Medical Services and MLHD clinics. Head to www.healthdirect.gov.au to find a clinic near you.
