You will need a MyServiceNSW Account to add your proof of COVID-19 vaccination to the Service NSW app. Creating an account is easy and connects you online with NSW Government services, quickly and securely.

If you're unable to be vaccinated because of a medical contraindication (which means a person should not receive a certain medicine because it may be harmful to them), from 17 October you can add the COVID-19 digital certificate for your medical contraindication to the Service NSW app in the same way as proof of vaccination.

When you add your COVID-19 digital certificate to the Service NSW app, the certificate is only stored on your phone or mobile device and there are controls to ensure your privacy is protected.
