EMERGENCY DEPARTMENTS WITH COVID TESTING

If you are unable to attend one of the MLHD static testing clinics listed above, you may attend for COVID testing at your local Hospital during the allocated times below. Where a time has not been allocated, please contact the Facility.

Note: Staff will need to be available to meet and test you at a designated parking spot, and they will also need to wear the appropriate personal protective equipment while they undertake your COVID test. These precautions are necessary to ensure the safety of our staff and other patients in our care.
