

The use of metered portable standpipes is now unauthorised and strictly prohibited other than for the exclusive use of councils and fire brigade services (for fire-fighting purposes). Please Note: The fixed overhead standpipes will continue to operate at Walla and Walbundrie.

**Unauthorised access to Greater Hume Council (GHC) hydrants is subject to prosecution and Greater Hume Council will be policing mains in the service area.**

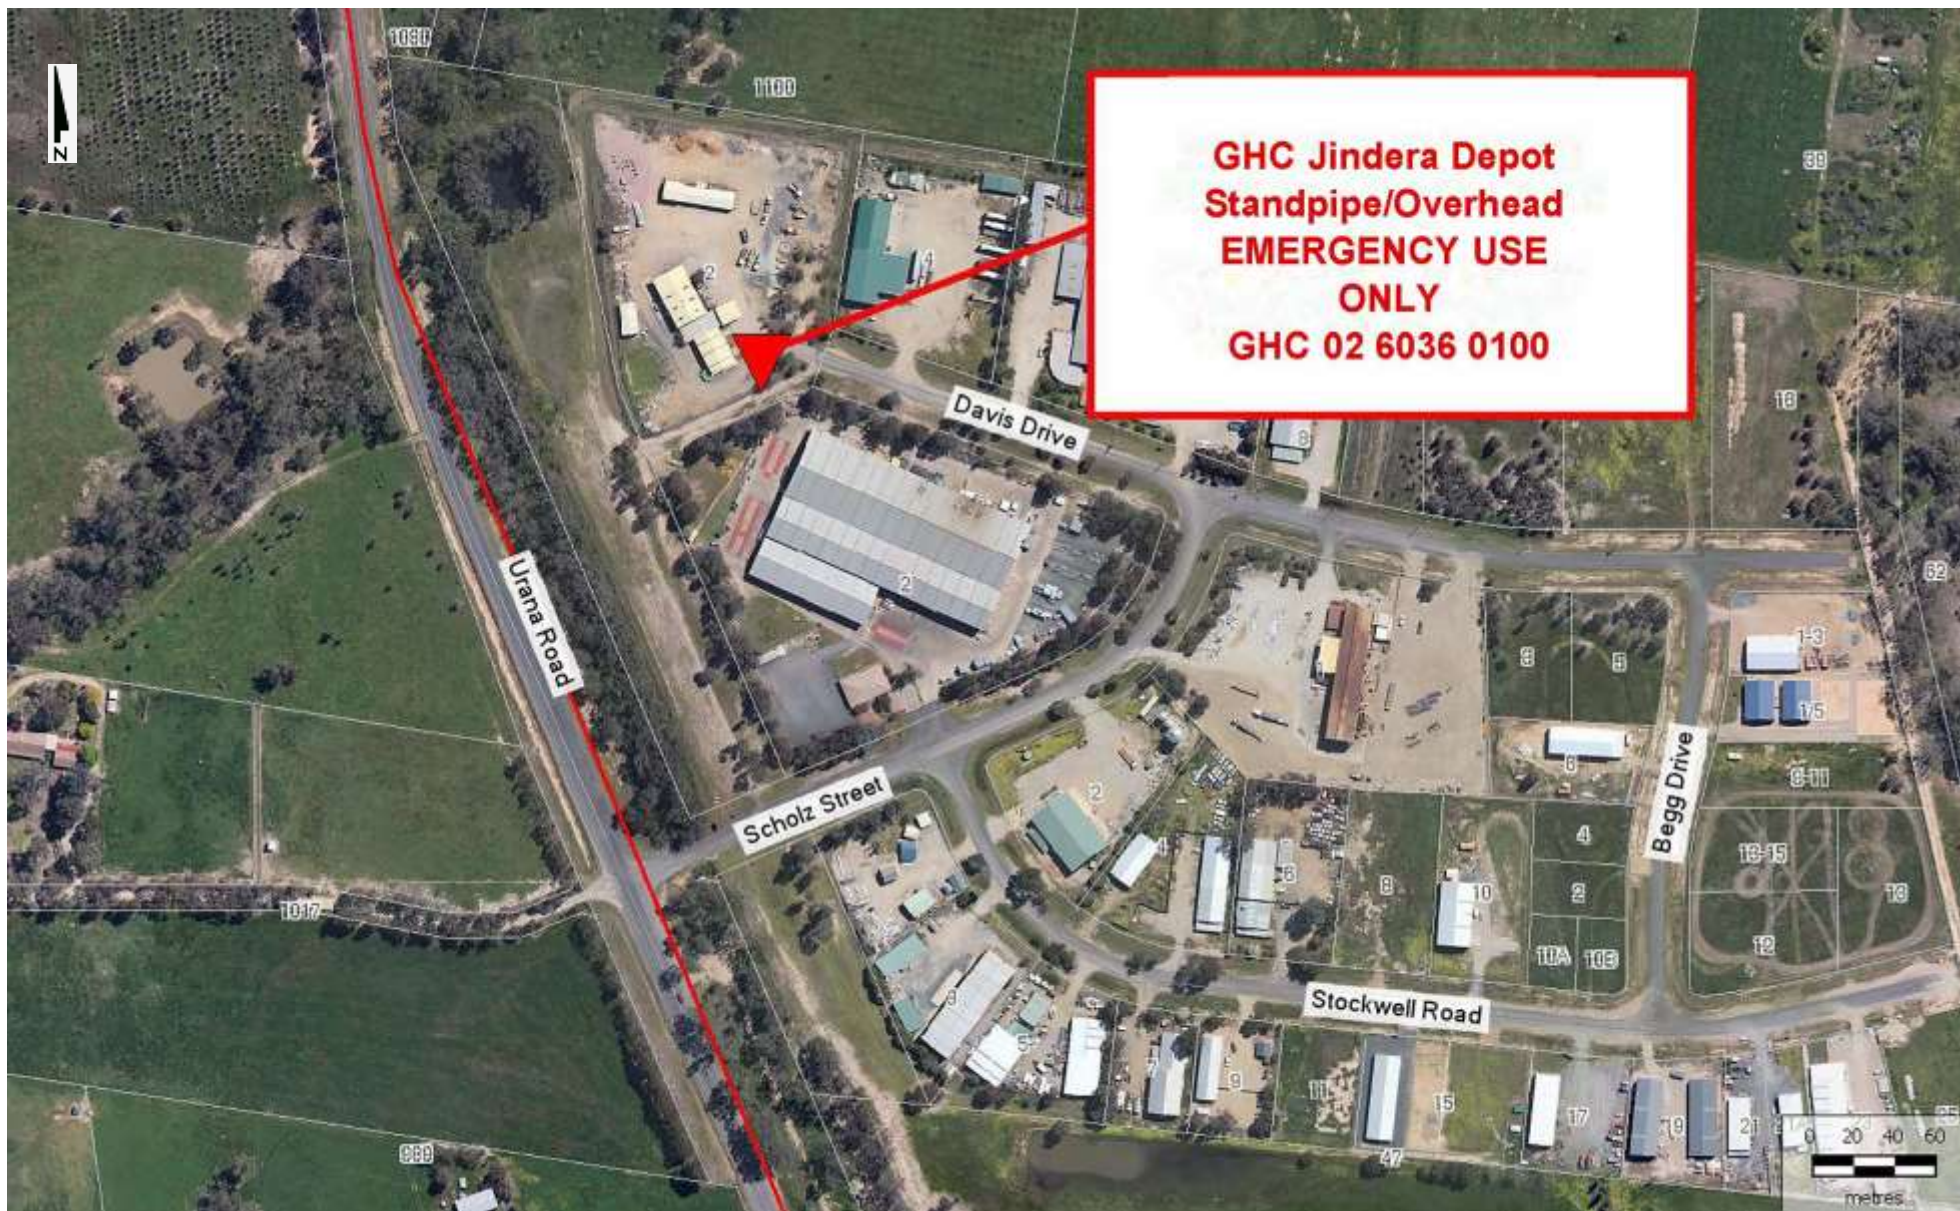

For enquiries regarding new applications for Water Filling Stations please contact GHC on 02 6036 0100.

\*\*All Fees and Charges are subject to change on the 30 June.
