RURAL CARE LINK FARWELLS VERNA AND TRISH

With her two year contract coming to a close with Rural Care Link, Verna Antonio has advised that she does not wish to seek a renewal. We wish her all the best for the future, thank her for her contribution and appreciate her commitment.

The Welfare Officer position will be filled by a Volunteer, Denise Osborne, who has extensive experience in community services and a wide knowledge of services available.

We also thank Tricia Emmett, our Admin Officer, who ceases her employment on 2nd February. Tricia will fill in as a volunteer periodically.

We thank Verna and Trish for their work with Rural Care Link and wish them both well for the future.

LOOKING FOR HELPERS

FAMILY & FRIENDS OF THE JINDERA HOSTEL

We are a small group who meet as friends of the staff & residents & to learn what things could be provided for the comfort & well being of the residents, -- the extra little luxuries!

In the past we have held Trivia Nights, Christmas & Easter Raffles &/or cake Stalls & Sausage Sizzles, to raise money for items such as a bird bath, outdoor seats, raised garden beds, (3), for growing vegetables, by the residents if they are able, (this caused a "tomato competition" between two gentlemen!), garden fountain & a 'bubble wall' feature for 'the quite room'.

We meet on the last Friday of the

months of February, May, August & November, in the small meeting room which was the Doctors Waiting Room, at 10.am. Kerry usually joins us & gives us an update of "comings, goings, & doings" of the complex.

At present the last few of us left standing are getting older ourselves. Several are not well, two are now residents, & one retired to Queensland, so it's a "life & death " situation for our little group. You would be very welcome to join us, & make a visit while you are at the Hostel

JINDERA VILLAGE ANTIQUES OPENS ITS DOORS

Located just a couple of doors from the Post Office, local resident Janelle Faust has opened an Antique store in Jindera. Janelle said she will be specialising in traditional and good quality antiques sourced from known and creditable suppliers. The store will be open from 10.00am to 4.00pm Tuesday to Sunday and Janelle invites everyone to drop in and have a browse, there will be no pressure to buy.

Janelle said when her website is fully functioning she will be offering on line purchases, in the mean time items can be found on eBay.

Check out the Jindera Village Antiques Facebook page at [jvantiques](https://www.facebook.com/jvantiques) or on eBay search for [jindera_village_antiques](https://www.ebay.com/search?_from_r=antiques)

An Exciting New Year at St John's!

The past month for myself, Sarah and our three girls has been an exciting adventure. We have been thoroughly enjoying the new location and making the most of the beautiful countryside and all it offers.

For any school, the transition to a new Principal can raise some questions for parents about its direction. So, I will briefly address some key areas that I believe are important for creating a healthy and positive school.

Parents at St John's will hear constantly from me is that 'Every decision I make will be for the benefit of our students.' I believe when the staff team are always placing students at the centre of our decisions, then our direction will always reflect best practise for the positive development of each child.

I am passionate about developing mental health for everyone within the school community. When a child has a positive mindset and the knowledge that they can fail, yet grow and develop from life's lessons, it is a strong platform for learning.

I also believe in setting clear and high expectations for how we demonstrate respect, work together, learn together and play together as members of the St John's community. 'Whatever comes out of our mouths is positive and lifts each other up.'

My role as Principal is to ensure St John's is a place where students are excited to come to school, where they feel safe and confident to take risks in their learning. My role is to ensure we are innovative, creative, providing outstanding levels of learning and instilling a strong work ethic in our students.

I am looking forward to the possibilities and the bright future that lays ahead for St John's Lutheran Primary School, Jindera.

Brad Moss
Principal

Little Saints @ St John's Lutheran School, Jindera

Small in size, mighty in potential!

Little Saints provides a supportive, safe and stimulating environment for your child to commence their educational journey. Little Saints is now a registered preschool offering a preschool day between the hours of 8:30– 4pm.

Little Saints is committed to providing a high quality early learning program. The program promotes opportunities for children to engage in learning experiences that focus on their interests, social and personal development and preparation for school.

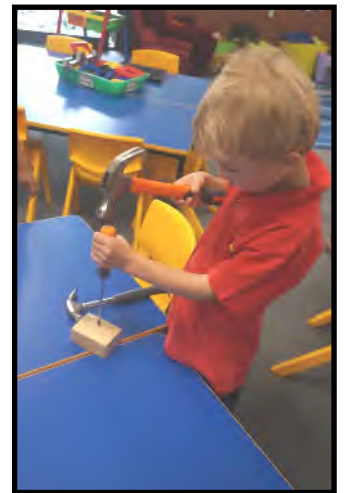

The dedicated, passionate teaching team, led by Miss Tori Ellis, strive to ensure Little Saints is an enriching, enjoyable and encouraging experience for all.

Little Saints is a special part of St John's. Students in Little Saints enjoy additional opportunities that being part of the school community brings. This includes 'big buddies', specialist Music, Japanese, Sport and Computer lessons and many other elements of school life.

Little Saints - a strong foundation for a bright future.

YEAR 5/6 LEARNING HUB AT ST JOHN'S

In 2019, the Year 5 and 6 students will all be working in a new and exciting workspace titled 'The Learning Hub.' They will have four teachers working together to promote the necessary skills for life-long learning.

The skills of the future encompass innovation, creativity and collaboration to name a few. The new agile learning space is designed to enhance these skills.

Each student will have a laptop that they can use to complete tasks and further develop their digital literacy skills.

The Learning Hub will use a Project Based Learning approach where students investigate real world problems and create their own solutions.

It is a very exciting time to be a part of St John's!

ANNUAL PRESENTATION DAY

Every student at Jindera Public School improves and achieves every year. Congratulations to our many award winners and we look forward to sharing your growth with the community

NEW BEGINNINGS

All our students find creativeness, strength and power through learning during their time at JPS. To our students and families who are taking the next step in their learning journey, we wish you well and can't wait to hear about your future achievements and successes.

JINDERA SWIMMING POOL

WHAT FANTASTIC START TO THE 2018-2019 SWIMMING SEASON WITH RECORD HIGH TEMPERATURES TO MAKE YOU WANT TO MAKE A

The Jindera Pool is now the proud owner of a DEFIBRILLATOR!!! Purchased with the proceeds of our fundraising activities of the past 3 years, you can feel even safer when visiting our beautiful facility..... knowing that there are not only fantastic life-guards, but that there is a life-saving device on hand if the event ever arises (and we hope it never will)! If you have the training to use an AED, please take the time to ask where it is stationed in case you ever need to assist to use it.

Also with our Committee Funds, we have purchased a new microphone and electronic connectivity for our modern devices. So – lots more great music while you swim!

WALLY WIPEOUT RETURNS on the 3rd of February and 10th of March – put in in your diary!

253 people attended the pool for Wally's last visit on the 30th December...fun was had by all!

A HUGE thankyou to Council who have **extended swimming hours** and provided an additional life-guard on the days of extreme heat that we have been experiencing of late.

Why not meet up with some friends and use our BBQ facilities to make a quick and easy meal.

Alana's aqua classes continue to be a hit on Tuesday and Thursday at 6pm. There were 23 one night!

Also, thanks to Council – we now have a functional **disabled, unisex and/or family change room – shower AND toilet.**

As yet, the NSW Stronger Community Grant funds have not come through (\$100,000), but over the next 7 months in readiness for the 2019-2020 swimming season, there will be some great improvements/upgrades to our facility. Looking forward to seeing you down at our pool.

Jindera Pioneer Museum

Welcome to 2019. Jindera is a very busy place lately with new establishments and activities, and we like to think of the museum as the heart of the town.

We encourage anyone who hasn't been into this fabulous establishment to call in and view the wonderful exhibits found in the historic shop setting, the three dwellings, two

galleries, post office and extensive machinery and grounds; you will be surprised if you haven't visited before.

The museum is also embarking on some extensive fundraising activities to complete a restoration project on the original shop and dwelling; the foundations, having first been constructed in 1874 are starting to literally 'let the side down', this being the north wall of the establishment. Works were completed on the south wall prior to the 150th celebration and now we need to raise funds to complete works to the northern wall. A range of events have begun and the year will see more evolve as we look to increase the use and visitation at the museum.

The museum held a second Lantern Tour in December, this time with a Christmas theme. The hot weather, even before Christmas, gave the event a very different atmosphere compared to that experienced for the 150th when the night was chilly. The tour was again well received and everyone enjoyed cooling off with some light refreshments before heading home.

Our first event for 2019, Words and Music, was held last Sunday evening with eight separate performers, including local band Whiteline, entertaining the crowd. Over 100 people attended the event, enjoying a diverse range of music and our story teller Sappa Sutherland. The museum is very grateful to these performers that gave of their time to support this event. The evening was regarded as a wonderful occasion that should be placed on the museum calendar as a regular event. Food and beverage was available so it was an ideal opportunity to relax and enjoy the ambience of the museum grounds and take in some great performances. Thank-you to all those who attended the evening,

bringing along family and friends to make it such a great success. And a very special thank-you to the volunteers who work behind the scenes to make these events happen.

Sunday 27th January the museum hosted Valerie Volk, an award winning, much published writer of poetry, verse novels and short fiction. Her book "In Search of Anna", set in the

1890's in Jindera, is a novel based loosely around the family of the Welzel's Blacksmith. The meet the author and book signing was a popular literary event for Jindera.

On the 2nd February the museum will host Cinema and Song, another opportunity for guests to enjoy the grounds of the museum with the Sing Australia Choir and the screening of the documentary "The Song Keepers".

The 16th February will be the last of the Peter Kabalia workshops. Peter Kabalia is the consultant advising the museum on the works on the Blacksmith stables. He will present his workshop around traditional buildings and tools and identifying and dating historic artefacts. The workshop will commence at 9.30 am and bookings are essential if you wish to attend.

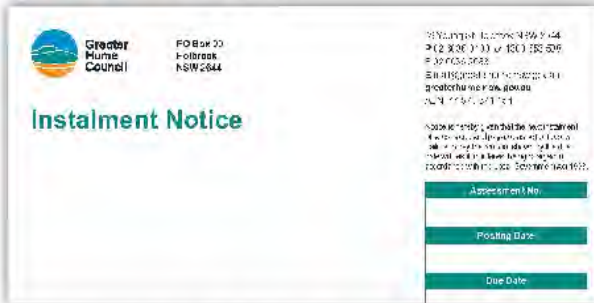

On the 2nd March come along to a behind-the-scenes sneak peak performance and artist/composer presentation of *Tonal Place*. This show is currently in development and the Murray Conservatorium want to invite you along for the journey, which includes performance followed by interactive discussion and audience feedback. The performance will be in the grounds of the museum and food and beverage will again be available.

Our last event for the summer season will be High Tea to be held in the shop dwelling and grounds of the museum on Sunday the 31st March. This will be a lavish affair and one not to be missed for sumptuous food and a day of lively conversation and fun.

Information or booking for all of our upcoming events can be found on the museum website www.jinderamuseum.com.au or follow us on Facebook – jinderapioneermuseum; or call in to the museum, open every day 10 am – 4 pm.

Rates Easypay

Make life easier with Rates Easypay!

Rates Easypay is a direct debit payment system where your rates payments are paid automatically when they are due or are paid in instalments on a regular basis.

You can arrange the payments in ways that suit you best. You have the choice of paying weekly, fortnightly, monthly or as they become due.

Once the Easypay plan has been set up, payments are deducted from your bank account when rates are due or on the plan you have chosen. This means that you don't need to worry about making payments on time.

To organise an Easypay Plan please contact Council's Revenue Team P 02 6036 0100.

Council has a budget submit your funding requests soon

During February, March & April, Council undergoes rigorous planning for the following financial year's budget, identifying projects and works for the next one to four year horizon and setting income and expenditure to manage the programs.

If you have suggestions or comments for priority projects please go to **Have Your Say** on Council's website, or write to Council PO Box 99 Holbrook NSW 2644.

The draft budget and delivery plan is publicly exhibited during April, before Council adopts the plan in June 2019.

Loans to Community Groups

Community groups and organisations can access financial assistance under Council's 'Loans to Community Groups Policy'.

To be eligible the project or facility must be approved by Council and be located on Council owned or controlled community land. Loans for major plant items and equipment will be considered where the plant or equipment is used in the maintenance and operations of the community facility.

Applications for loans up to \$50K will be considered, subject to the total loan liability owing by any one community group or organisation not exceeding \$50K at any one time.

The aggregate of all loans owing to Council must not exceed \$250K at any point in time. Interest rate is fixed (currently 3% per annum) for the duration of the loan with a term not exceeding 10 years.

Please contact Council's Accounting Officer, Camilla Webb for more info, P 02 6036 0100.

To read the policy visit greaterhume.nsw.gov.au

Use of Council plant for community projects

Council permits the use of Council owned plant being used on community projects out of hours at no cost, providing the community organisation negotiate with the regular Council operator to volunteer their time.

The prior approval of the Director Engineering or Manager Works is required.

Contact Council's Engineering Department, P 02 6036 0100.

Highlights from meeting held on 19 December:

Newly elected councillor, Cr Lea Parker, took the affirmation of office following the by-election held in November.

A presentation was made about the trial on-demand public transport service for Burrumbuttock, Jindera and Walla Walla (into Albury) starting in February 2019.

Subject to a commitment by service or sporting organisations, a Hard Waste Free Collection Day will take place on Sunday, 3 March. All transfer stations and landfills will be open and will provide free access. The initiative will be coordinated by Rotary Club of Holbrook and local football clubs.

In February, Council will exhibit its new Fixed Development Consent Levy Contributions Plan. The levy applies to all developments unless it is an excluded development (which is listed within the plan).

Council endorsed a submission prepared in response to the Department of Primary Industries Important Agricultural Lands Draft Map for the Riverina Murray area. The submission can be viewed on Council's website under the News tab.

In response to diminishing volunteers, Council will vary the hours of operation of the Greater Hume Visitor Information Centre / Submarine Museum at Holbrook, on a three month trial starting January. The centre will open Tuesday to Sunday and public holiday Mondays.

Visitors, residents, the local economy and the environment will benefit with the installation of an NRMA Charging Station for electric vehicles in the Gallipoli Victoria Rest area, in Albury Street, Holbrook. The charging station will provide universal access for the most popular electric vehicles and will be powered by renewable energy. It is expected that the station will be operational early in 2019.

Culcairn is one of only five towns in NSW to be selected as a challenger for the 2019 Healthy Towns Challenge to improve community health, with initiatives funded by a \$15,000 grant. The challenge will run from February to August with the winning town to receive a further \$5,000.

Council appointed Haley Constructions to build new skateparks in Culcairn and Jindera.

Council has received funding of \$180,000 to undertake feasibility studies for works identified in the floodplain risk management plans prepared for Culcairn, Henty and Holbrook.

A report was submitted on over expenditure on Coppabella, Cummings and Alma Park Roads due to prevailing poor soil conditions.

Council set sale prices for the new residential estate recently completed in Walla Walla. Marketing of the allotments sized from 940 square metres (priced from \$56,500) will commence soon. Council is confident that strong sales enquiry will follow.

In response to the closure of child care services provided by Albury Wodonga Community College, Council staff have been very busy responding to a critical community need.

Council continues to negotiate with the Australian Government regarding Greater Hume Children Services undertaking a long day care model in Henty and Walla Walla, if a satisfactory funding model can be worked out. At present, it is envisaged that the model could operate for a period of two years with the aim that the Henty Preschool expand facilities and transition into long day care. In relation to child care services for Walla Walla, Council will continue to support the childhood hub building project with Council committing to the ongoing provision of long day care subject to funding and community need.

Council has agreed to offer incumbent, Steven Pin-nuck, a new two year General Manager's Contract of Employment (effective 1 July 2019 to 30 June 2021).

Next Council meeting will be held on 20 February at Holbrook.

Meeting agendas and minutes are available for viewing at any time on Council's website or in person at any Greater Hume Customer Service Centre.

PROPOSAL TO FORM A JINDERA LIONS CLUB

Lions Clubs International invite the residents of Jindera and surrounds to a **public meeting on Wednesday 20th February at 7.00pm at the Jindera Hub**, to discuss a proposal to establish a new Lions Club in Jindera.

The most important part of the meeting is to gauge the opinions and thoughts of local community citizen.

You will not be expected to commit to joining any proposed Lions Club at this meeting. All we are looking for is your personal thoughts and suggestions of the practicality of forming a local Lions Club.

We look forward to welcoming you on the 20th February at 7.00pm at the Jindera Hub.

Lions is a worldwide community service organisation with a proud century old record of involvement in local, region, state, national and international volunteer service.

JINDERA CWA BRANCH – TURNS 60.

Jindera CWA Branch members celebrated the Branch's 60th Birthday on 5th December, at the annual Christmas party.

The Branch was formed on 18th February, 1953 with 12 ladies attending the inaugural meeting. During the first year membership increased to 32.

In 1963 the branch changed it's name to "Jindera-Table Top" as more than half of the membership came from Table Top. Unfortunately the branch closed in 1973 due to low membership.

On 29th November, 1978, Mrs. J. Sawyer and Mrs. T. Moll convened a meeting and 17 ladies attended to officially reform a Jindera CWA Branch.

Jindera CWA members exhibit handicraft/cooking in local Agricultural Shows and have won many prizes. Members have also been successful in NSW State Competitions. In 1984 Mrs. E. Sawyer won "NSW Country Woman of the Year" and "Land Decade Award" in 1984 and Mrs. G. Klein won the "NSW Country Spinner" award in 1985.

Monies raised by Jindera Branch is used to help charities throughout the Murray District and also sent to CWA Head Office to support State charities. Jindera members have filled many multiple

Murray Group positions – the late Mrs.Moll and Mrs.Winnett were Murray Group President and Mrs. Olivia Hanel was Group President which included attending and representing Murray Group at CWA Head Office in Sydney.

The present Executive for 2019 – President Mrs. Margaret McMaster, Secretary Mrs. Olivia Hanel and Treasurer Mrs. Judy Steer.

THE FIRST MEETING FOR 2019 – WEDNESDAY – 6TH FEBRUARY AT 10A.M IN THE SCHOOL OF ARTS HALL, JINDERA. - NEW MEMBERS WELCOME.

Yours in CWA Friendship,
Bev. Blair – Publicity Officer.

YOUR LOCAL NEWS IS LOOKING FOR A COMMUNITY MINDED PERSON TO ASSIST WITH THE PRODUCTION OF THE JINDERA NEWS.

You would be working with the Jindera News Coordinator to produce eleven issues of the Jindera News a year in a manner that is consistent with the values of the Jindera Community.

A reliable internet connection and an email address with plenty of data is important.

There is a tight production deadline and this needs to be a strong consideration.

We aim to have the Jindera News printed and distributed by the first weekend of the month and the completed file must be at the printers no later than the Tuesday before the distribution date.

So if you are interested and have a flair for desk top publishing,

(Jindera News currently uses Microsoft Publisher but is looking for an alternative programme).

If you wish to find out more please contact the Jindera News Coordinator
at: jinderanews@ruralcarelink.org.au.

You will save stacks of money when you shop locally in Jindera.

We are a firm of Chartered Accountants who provide quality
Taxation, Accounting and Business Management Services.

Jindera Country Golf Club

HAPPY 2019

What a great start to 2019, there are all sorts of good things happening at Jindera Country Golf Club this year.

The course is looking great considering the weather we have had over the past year, however 2 nice wet thunderstorms have given the course a nice soaking to get the year underway, also thanks to a burst water main the dam has had a top up of water.

The entire course has been sprayed for paspalum and other noxious weeds and the front entry has been remodelled and is now known as Chaston place. Other earthwork is also moving forward on the 2nd and 4th holes.

2018 ended with the Annual elections with a strong energetic committee formed and life membership awarded to Grahame "snoopy" Schilg for years of dedicated work for the club.

Incoming President David "we can do that" Gray is a tireless worker who will lead by example and David will be assisted by vice president Stuart Millar, every green secretary extraordinaire Daryl Klein with treasurer Sandra Kilo keeping the money in order. The grounds committee is headed by Ken Garfeild, assisted by Dave Briggs and Graham Schilg is club captain with Aaron Melbourne and Craig McMillan assisting him.

JINDERA ANGLER'S CLUB Inc

December was a big month and a bit, starting off with the cod opening comp and Christmas Party on December 2nd, we had 50/60 people turn up for the weighin, enjoy a sumptuous Christmas gourmet lunch including prawns and finishing off with pavlova and all the trimmings.

The comp was very successful with lots of members fishing and many fish caught and released.

The catch and release best fish were Brian Shannon with 3 yellowbelly, the biggest 47.5cm plus a cod 56.5cm and Dale Broadfoot had a cod of 66.5cm.

Winner of the comp was Daryl Rixon with 3 nice cod, 71cm, 70cm, and a 56cm.

Other fish weighed in were Laz Peli with 5 redfin, biggest .65, Zol Peli 7 redfin and the biggest .70, Josh Donlan with 2 trout, the biggest .68

A group of club members fished the Dora area and their were many funny things that occurred on the expedition, a young member washing his truck by driving through the murray river, a broken prop, Now picture this, the highlight was when an unknown member (Graeme) was in a his beautifully constructed toilet attending to business, pants down when a brown snake decided to join him, in the constraints of a very small pop up toilet, picture this, snake head reared, Graeme pants down on the seat and they are looking at each other eye to eye, we believe the snake got the bigger fright, took off never to be seen again with Boof and Graeme in hot pursuit.

The moral of this story.....don't really know.....but crikey we had a good laugh about it.

Next event on the agenda was the release of 3000 murray cod fingerlings into the river at the 12 mile as part of our annual contribution to fish restocking, unfortunately NSW Fisheries \$ for \$ has stopped so the fish release was smaller than normal, the money raised from wood raffles, catering and members annual subscriptions allow us to continue to restock fish.

The members caped of a very active year with the catering for the Jindera Carols by Candlelight and whilst this was hard work it was a rewarding community activity as well as good fundraiser, thanks to all the members who assisted on the night.

Next fishing comp is an Open comp on 18,19 and 20th January, from 5pm Friday to the weighin at clubhouse on Sunday at 5pm.

Save the Date...SWAA Buckingham Comp is on at Narrandera, February, 8,9 and 10th, last year Jindera won this coveted trophy so lets get up there and win it again
