The German Display Wagon Rerun Story- by the Walla German Wagon Committee

Well, this Wagon got a new lease of life after spending listless time in its display shed.

Firstly we pushed it out of its comfort zone over towards the church (no horses) for a special photo and story that was printed in the October issue of "Outback Magazine".

The next important request by the Jindera 150 celebration committee was for the Walla Wagon to lead their street parade on Saturday, September 29th.

Our Walla Wagon committee gave the four-wheeler a 100,000km service & clean-up.

Our horse supplier/operator Julie Barber scheduled some training runs through Walla Walla to ensure a trouble-free operation for the horses and wagon. Then it was off to the Walbundrie show on Monday, October 1st.

Pastor Dan Mueller with the Wagon at the church.

The training runs through town were a great experience for the passengers, driver and the horses. There were good offers of special proteins for the hard-working horses.

Senior Citizens

On Tuesday 2nd of October, members and guests travelled to Yarrawonga to visit and lunch at Byramine Homestead on the Murray Valley Highway. Our first stop was the chocolate factory at Corowa where we enjoyed morning tea, scones with jam & cream, tea & coffee, then on to the homestead.

Byramine Cottage was built in 1842 by explorer Hamilton Hume for his widowed sister-in-law Elizabeth and her 9 children. The most unique aspect of the homestead design is the octagonal rooms enabling a clear view when under attack. A light lunch was enjoyed.

Our next stop was a visit to Rich Glen Olive Estate with lots of lovely things to look at and buy. Then it was on to home after a very enjoyable day. The next meeting is the 5th of November at 1.30pm at the Bowling Club. The guest speaker is Leeny Mason, the community exercise instructor. New members are welcome to join us for a great time together. -Dorothy Cremer.

Red Cross

There's been much discussion on the final arrangements for the Melbourne Cup luncheon to be held at the Bowling Club on Tuesday 6th November at 12 noon. There will be a raffle, lucky door prizes and a sweep. Love to see you there! RSVP 26th of October to Dorothy Cremer on 6029 2120 or Karen Ofak on 0419 699 159.

It was also decided to decorate a float for the 150th town anniversary. Ideas and help will be needed and appreciated. Memberships are now due. Our next meeting is 24th of October at the Baptist Church Hall at 2pm with the Zone representative attending. - Dorothy Cremer

Amazing National Assessment Program for Literacy and Numeracy (NAPLAN) results

This year's NAPLAN results are outstanding! Our staff and students have strived to achieve a school average for Year 3 in the **top two bands** for Reading, Spelling, Grammar & Punctuation, Writing and Numeracy. Our school average for Year 5 is also in the **top two bands** for Reading and Spelling and the top third band for Grammar & Punctuation, Writing and Numeracy which is the noticeable improvement we were working towards. Congratulations to our teachers and students. Our Director of Public Schools NSW is very proud of our remarkable results which are the direct result of the Literacy and Numeracy Programs we have running in the school in collaboration with the **Walbundrie Small Schools Network**. Proud member of the **Morgan Learning Community**.

Our outstanding NAPLAN achievers: (back) Lily Trimble, Petrea Ofak, Harry Feuerherdt, Alyssa Rilotta, Akira Noonan, and (front) Isaac Lieschke, Bill Phegan, Elka Torrens, Olivia Odewahn, and Grace Castello.

Artists wanted

We are calling for any local artists interested in volunteering their time to help our school create a community mural at the front of WWPS. We would like to have local artists work with students to create a mural showing our strong links to Gum Swamp and our natural environment. We will be working on Marine Ply and attaching this to the wall. For more information, please contact us on 6029 2253.

Little Learners

Those interested in starting Kindergarten at Walla Walla Public School in 2019 are invited to attend our 'Little Learners' program starting soon. The program will be run every Monday for six weeks, starting on 29th October. Interested parents or guardians can contact the school on 6029 2253 to arrange a tour of the school and have any questions answered.

Walbundrie Show

Four of our students recently did very well at the Walbundrie Show. Evie Torrens came 1st in the Junior Open Section, while Riley Glasgow, Emily Glasgow, and Adelaide Phegan were Highly Commended for their 'Lost in Space' pictures. Congratulations!

Marvellous Mathletics results

Three of our students, Evie Torrens, Bill Phegan, and Grace Castello, have recently been recognised for their excellent results in the popular Mathletics program. This program is designed for all learning styles and helps students feel confident and motivated to think critically, make learning choices, seek help when they need it and reflect on their learning by being able to visually track their progress. Congratulations Evie, Bill, and Grace!

Walla Walla and District Historical Society Wendish author visit—Dorothy Brinkmann

Guest speaker at the Walla Bowling Club on Thursday 8th November, at 7.30pm.

When people think of the original settlers of the town of Walla Walla, they generally consider them to be Germans. While they did come from the German states during the mid-nineteenth century, most of The Trek participants were actually Wendish people (these people are also known as Sorbs).

During the first week of November, Mrs Gertrud Mahling (Trudla Malinkowa is her Wendish name) will be visiting Walla as part of her tour of places of Wendish interest in Australia. Mrs Mahling is a leading researcher of Wendish heritage at the Sorbian Institute in Bautzen, Germany. She has written many books on Wendish heritage. One such book was "Shores of Hope" released in German in 1999 and in English in 2009. It traces Wendish emigration from Germany to many overseas countries in the 1800s.

Gertrud is the wife and mother of Lutheran pastors. Wendish is the first language in their home and her husband still conducts a monthly Wendish service in his Bautzen congregation. Mrs Mahling is also editor of the Wendish newspaper in Bautzen.

Her address to the historical society on November 8th will focus on Wendish heritage and current Wendish activities in Germany.

Cake Stall

The next one will be held on Sunday November 11th at 2-4pm. A cake or slice would be appreciated.

Money raised will go to breast cancer for pink ribbon month (October).

DJs Fine Fast Food

Dena & Janet took a day off to attend a food Expo with over 70 suppliers, so we are looking forward to bringing new and exciting things your way.

Also please call in and have a look at the relaxing courtyard upgrade - somewhere nice to sit back with friends and have a coffee or lunch. Pizza is served one evening Friday or Saturday night.

There is also a juke box in the dining room with some old-time songs of the 60s, 70s & 80s that makes it a

nice evening to dine in.

Also inside we are showing a display of some fantastic old Walla history, including a drum set belonging to Len Hoffman (Matt's grandfather) from the Walla Walla band back in the 50s.

They have been stored away for many years but now are so nice to share.

We hope you are enjoying our new spring menu!

150th ANNIVERSARY—PUBLIC MEETING

Thursday 1 November, 7:30pm to 8:30pm,
Walla Walla Bowling & Rec Club

The organising committee would like to invite the community to come along to a public meeting to hear about:

- what celebration events are planned for the January 2019 long weekend, and
- how you can volunteer to help with the running of various events

The January weekend of celebrations will have something for everyone and we trust that the community will get behind the various events to make our anniversary a huge success. We hope you're as excited as we are!

TREK RE-RUN HUGE SUCCESS

Ebenezer to Walla Walla (7-12 Oct)

What an event to kick off the celebrations! From 7 to 12 October, 93 trekkers made their way from South Australia to Walla Walla following the path of the original settlers. For many of the participants, doing the trek re-run was their way of honouring the dedication and foresight of those early settlers back in 1868.

We'll have a story and photos of the Trek Re-Run in the December Community Newsletter. If the success of this event is anything to go by, then next January is going to be out of this world.

CELEBRATION INFO

Keeping up to date...

Information about the upcoming celebrations can be found on the Anniversary Information Board next to the chemist in Commercial St.

HISTORICAL DISPLAY

Over the January weekend there will be a historical display in the town hall and we're looking for artifacts and items of interest. You can even set up your own display. Contact Tony Brinkmann on 0459 292 296 for more information.

SCARECROWS

We're looking to the community to create scarecrows to use as decorations at the sportsground for the January celebrations. Why not give it a go. Contact Michael Hueske on 0488 018 077 for more info.

PLAN TO ATTEND, TELL OTHERS

Make sure you've cleared your diary for the long weekend next January. There will be celebration events from Friday evening right through to Monday arvo and we hope you're planning to participate in the festivities. Don't forget to invite your relatives and friends.

The schedule of celebration events is listed on the top left portion of this page.

Walla North Walla Tennis Club

Ken Weeding

The Walla North Walla Tennis Club extends their sincere condolences to Diane and the Weeding family on the recent passing of Ken. Ken was awarded life membership of the Walla Walla Tennis Club in 1982. Ken was not only a good tennis player but contributed greatly to the development of the tennis club and the sportsground as well. In recent times, when we were digging trenches at the sportsground we were aware of the problem of hitting underground pipes. The common saying was "Ask Ken Weeding, he would know!"

Volunteers are vitally important in small country towns and Ken Weeding was a damn good one!
