

NETBALL: Students from Year 7 to 11 were selected to represent the school at the AWSSNA netball carnival recently at JC King Park in Albury. Although many students carried some fatigue from their snow adventures the previous day, the three teams had a fun and successful day.

The Junior and Senior teams finished third in their age divisions, with special mention of the efforts of the Year 9 and 10 players who stepped up to fill positions in the senior team. The Intermediate team finished third in their pool, just missing out on finals.

Thank you to Emma Biar and Alyssa Lieschke who were our umpires for the day, and to Miss Jessica Kotzur and Mrs Alison Barrett for their expert coaching of the Senior and Junior teams.

Monday Night Netball also kicked off again this week. Both teams had some strong wins in their grading matches, with best on court going to Isabell McRae, Paige Carrigg and Dana Williams in the Blue team, and, Montanna Kerr, Molly Lansdown and Kealy Steeper for the Gold team.

SNOW EXCURSION: 34 students and 4 staff made an early start to head up to Falls Creek on Wednesday 1st August. We were blessed with beautiful blue skies when we rose above the clouds, and fresh snow to start our day. With at least one student experiencing snow for the first time and one of our biggest beginner/first timer snowboard/ski groups – we could not have asked for anything better!

Students demonstrated determination, perseverance, resilience and great support and encouragement of each other as they progressed throughout the day. Thank you to our more experienced skiers and snowboarders who assisted with getting everyone up the mountain for their lessons, and packing away at the end of the day, along with great tips and tricks to encourage and improve skills throughout the day.

A fantastic experience for all involved to participate in a different outdoor recreation opportunity, supporting the objectives of many of our PDHPE courses, an experience which may lead to a lifetime interest.

Thank you to all staff involved (Miss Flanigan, Mr Wellington and Mr Wheeler), our office staff who assisted with administration, the students who represented SPC positively and our bus driver Craig, from Dysons Buses who delivered us up the mountain and back home safely.

EISTEDDFOD: Congratulations to Leah Grady (right), Year 7 who gave excellent performances in the Speech and Drama section of the Albury Eisteddfod recently. Leah entered in 3 events and came home with three medals—bronze, silver and a gold!

St Paul's College Variety Show – 'Limelight' :Friday September 14. Come along and enjoy a multitude of talent the school has on offer. There will be students performing dance routines, skits and monologues and musicians enchanting you with their skills. Each act or routine is a chance for the students to have their time in the 'Limelight'. So, prepare for laughter and fun as our students perform in The St Paul's Variety Show.

We are having two public performances on Friday September 14. Matinee performance at 10:30am (doors open 10:15am)—gold coin donation Night performance 6:30pm (doors open 6:15pm)—Adults, Children & Students \$5.00

SHOOTING COMPETITION: Digby Anderson (left) and Will Kosch (right) competed in a shooting competition on the weekend. Will received first in the NSW State Skeet shoot off and Digby came a close second.

P & F TRIVIA NIGHT: Please note that the SPC Trivia Night organized by the P&F in the Dining Room on **Friday 24th of September will start at 7 pm**. Please contact Catherine at the College on 6029 2200 or admin@stpaulscollege.nsw.edu.au to book a table for 8-10 participants. Supper provided, BYO nibbles and drinks (alcohol permitted). Bring gold coins for raffle tickets and entry is \$5 per person. This is an over 18 years old event only.

Jill Kohlhagen inducted into the Hume League Football & Netball Hall of Fame

The Border Mail of Thursday, 26th July, 2018. By Beau Greenway

Above: One of the Hume league's most decorated footballers was among six inductees into the Hall of Fame last Wednesday 25th of July. Six-time Howlong best and fairest winner Terry O'Halloran was joined by Lockhart stalwart John Trevaskis, brothers Kelly and George Azzi and netball identities Noreen Norman and Jill Kohlhagen. Almost 200 people attended last night's ceremony at the Commercial Club.

Jill Kohlhagen started her journey in 1964 as a player at Walla in a playing career spanning 35 seasons.

She won A grade premierships with the Hoppers in 1965 and 1967 and B grade titles in 1965, 1976, 1978, 1981, 1991, 1993 and 1994.

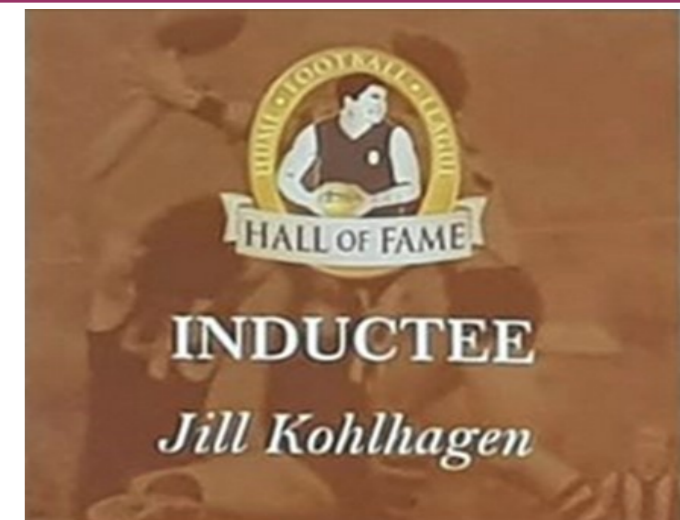

Jill Kohlhagen started playing in the Albury Netball Association's Monday night competition in 1985 and is still known to fill in today.

She took up umpiring as a teenager and 50 years later is still officiating two games most weekends.

Jill Kohlhagen served as secretary/treasurer of the Hume Netball Association for 10 years and was awarded life membership of Walla in 1989 and the association in 2001.

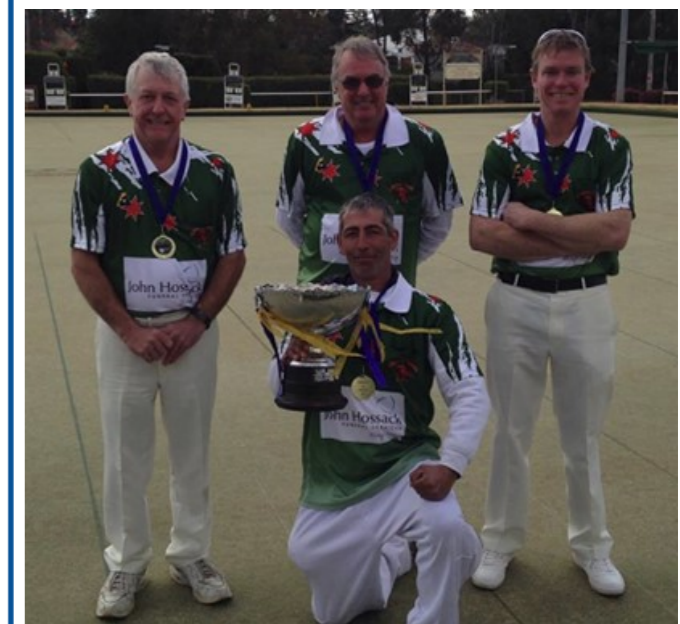

Her husband, Cec, was heavily involved in forming the Hume Trainers Association in the 1980s.

All 13 of Jill Kohlhagen's grandchildren are presently playing with the Rand-Walbundrie-Walla Giants or have played for Walla.

ChenoVet Animal Andrology Pty Ltd

Since it moved into the Lion's House, at 45 Commercial St, at the beginning of 2018 from Henty, residents must have been wondering about what ChenoVet is, and what it does. The steady arrival and despatch of liquid nitrogen shipper tanks by Keat's Freight at the premises could only add to the sense of mystery.

The short answer is that ChenoVet performs laboratory and consultative services for the livestock breeding industries in the way of sperm assessment. This includes quality control for artificial breeding centres, and problem solving for fertility

problems in a range of species from cattle, to sheep, horses, dogs and pigs, especially male animals. ChenoVet also performs relevant research on aspects such as factors which affect fertility and testing new equipment.

The day-to-day running of the ChenoVet Laboratory falls on the shoulders of Dr Françoise McPherson. Françoise's accomplishments include a PhD in Animal Reproduction from the University of Queensland, as well as extensive experience with andrology laboratory procedures and livestock breeding in general.

Chenovet Animal Andrology was founded by Dr. Peter Chenoweth in 2011 as a private commercial enterprise. Peter has in excess of 30 years experience in animal andrology and has a PhD in Animal Reproduction as well as being a veterinarian who is

board certified by the American College of Theriogenology.

Our client base is Australia-wide as well as several from New Zealand with annual expansion. We also teach short courses in semen collection & handling as well as sperm assessment aimed at industry participants.

To send semen samples for analysis, it can be sent in fixative or frozen once it has been collected and extended. Chenovet has a website (www.chenovet.com.au) and a Facebook page (www.facebook.com/chenovet/).

We are always happy to discuss ways to improve animal fertility and genetics. Contact Françoise on 044 855 4302 and Peter on 0427 186 421.

Doctors' Hampers

On behalf of the Community Development Committee we were able to present hampers to our doctors to say "Thank you for being here!"

A big "Thank you" to all who made donations towards the hampers. On August 9th we were able to present a beautiful assortment of local produce, indicative of how we appreciate having them in town.

Recently the Community of Walla Walla presented the staff at Hume Medical Centre with a lovely hamper full of local produce and cards. Thank you for this lovely gesture, we have been welcomed in to the community and enjoy our time spent there. –Community Development Committee

“Thank you Walla Walla Community.

Dr Adebayo, Dr Wah, Tracey and all the staff at the Hume Medical centre would like to sincerely thank the Walla Walla Community. Your lovely gifts, support and generosity in welcoming us and for also being so patient when we experienced technical problems has been greatly appreciated. “ Anj-Practice Manager, Hume Medical Centre.

Billabong High School News

HSC Standard English On the last two days of Term 2, Standard English students visited Bondi for the performance of their HSC prescribed text *Away*. We set off early in the dark on Thursday morning to get to the performance at 2pm. The students thoroughly enjoyed the viewing of this play, with some never having seen a live performance before. It was an added bonus that the location was on Bondi Beach with students soaking up the sun and getting to see the Bondi lifesavers in the flesh. Before heading back on Friday morning, we visited the Australian Museum; students did a self-tour of the museum and we boarded the bus for home with a quick bus tour of Sydney on our way out provided by Ms Ferrara. A big thank you to Mr Eccleston and Ms Ferrara for accompanying us on this excursion, your knowledge and insights made the excursion much more valuable for the students.

Riverina Athletics

Riverina Athletics Friday 3rd August, 34 students along with Mrs Terlich attended the Riverina Athletics Carnival at Alexander Park in Albury. All students are to be commended for their sportsmanship and application throughout the very cold and windy day. Congratulations to the following students who placed either first or second in their event and qualified for the State Carnival in Sydney in early September: Claudia Grogan 1st: 100m & 200m, Lucy Way 1st: Shot Put, Nathan Wardius 2nd: High Jump and Lily Delahunty 2nd: Javelin.

Book Week

All are welcome to visit Walla Walla Public School on Wednesday, 29th August, for our special Book Week activities. Classrooms will be open from 11.30am, followed by a parade and assembly at 12pm. A free barbecue lunch will be on offer at 12.45pm, and a selection of books will be available for purchase. A Bluearth family activity at 2pm will finish the day's festivities. All welcome.

Enrolments for 2019

Our school is currently planning the Little Learner's Program for students entering Kinder in 2019. If you have a pre-school child or know someone who has, we encourage you to come and visit the school and discuss our programs that individualise learning to cater for every child's strengths. To book a tour or speak to the Principal, please call the school on 6029 2253.

Environmental initiatives

Our students have recently been considering the amount of rubbish generated at our school and are showing excellent leadership by helping our school improve its impact on the environment. Our K-2 students have been recording the type and quantity of rubbish thrown out each day. Students in years 5 and 6 have been working in conjunction with the P&C committee to move from individual sauce packets to a sauce bottle, replacing disposable cups with reusable cups, and replacing disposable straws with re-usable straws. The school will purchase new bins to help the students sort their rubbish into recycling, compost, waste, and REDcycle (soft plastics which will be recycled into products such as park benches). Our school also currently recycles all compostable waste through a worm farm system and utilises rainwater storage of 117,000 litres for the school's toilets and vegetable gardens.

Photo: Jack Foster, Emily Glasgow, and Kalara Butler demonstrate how to dispose of their rubbish in the right places.

Positive Behaviour for Learning

Our school's values are Caring, Co-operative, and Resilient. By implementing and encouraging these values, we aim to help our students become caring, co-operative, and resilient members of society. One of the ways we do this is through our Positive Behaviour for Learning program. Students who demonstrate our school's values are acknowledged through an individual and school-wide reward system – encouraging them to put the school values into action.

Australian dioramas

Miss Lawrence's years 3-6 class have recently been studying 'Significant Places in Australia' as part of geography. As part of their studies they produced some excellent dioramas which are now on display in the school office. Photo: Larissa Schilg's Great Barrier Reef diorama.

Operating weekly: Monday to Thursday

Mobile Childcare: 8:30am – 5:00pm

Preschool Program: Tuesday & Wednesday | 9:00am – 4:30pm

As of the 2nd July CEYC Walla Walla will be operating under the new Child Care Subsidy (CCS) which replaces the current Child Care Benefit and Child Care Rebate.

Families combined annual family income will determine the amount of child care hours and rebate they will receive. To find out more, and to estimate what your new subsidy might be, visit:

<https://www.education.gov.au/ChildCarePackage>

The estimator is easy to use and only takes a few minutes to complete.

We currently have vacancies in our Junior and Preschool program. If you would like more information about the new Child Care Subsidy or enrolment packages please come and visit us at the Walla Community Hall or contact our main office.

Please phone our office on: **(02) 6056 4399** or email at: admin@ceyc.com.au for further information, enrolment packages and bookings.

Walla Walla Walkabouts
 by Herb Simpfordorfer

The Walkabouts, they come and go,
 They help us learn a lot,
 The twenty that we've had so far
 Were good, I kid you not.

We've been to Kotzurs, Town Hall, Dawn,
 The dead place, churches too,
 Two shearing sheds and Mackies shop,
 That's naming just a few.

We go to Lehmann's place this month
 They'll show us their nice chooks.
 And as they strut around the farm,
 Will give us funny looks.

They also have some pigs, I've heard,
 That like to grunt and squeal.
 They dig big holes around the farm,
 While looking for a meal.

Young Amy spoke to me one day,
 With news for me and you.
 She smiled a lot and told me that
 A cuppa's coming too.

The Lookout one that comes up soon,
 Will be a fitness test.
 We'll climb the brand new ladders there,
 For some, a half way rest.

That Morgan crook who once was there,
 Would love to come, no doubt.
 He'd tell us lots of scary yarns,
 And wave his guns about.

We hope the sun will shine that day
 To make it nice for us.
 We'll all be learning lots of facts,
 From Ashley, Jan and Russ.

We hope to climb the Brae Springs hill
 Before the year is out.
 We must put on our climbing shoes,
 It will be hard no doubt.

Below: Reclining sow Black Pudding with chickens at Lehmann's farm.

Happy 78th Birthday to Marj Rayner recently. Congratulations!

Cake Stall

Thank you to all who came with slices and biscuits to add to our cake stall. It was so pleasing to see so many interested in raising money for this very worthwhile cause.

I am very pleased to tell you that \$550.00 (including donations) was raised. This money will go to help a local family struggling in dealing with cancer.

The next cake stall will be for the Red Cross on the 9th September 2 - 4 pm at the Town Hall.

Nola and I start again on 14th October and 11th November. Please keep these dates in your Diaries. - Dorothy Cremer

WALLA WALLA WAR MEMORIAL SWIMMING POOL NEWS

Last night (August 17th) the swimming pool committee had another successful catering event at the Walla Bowling club. The profits go to purchasing equipment for the swimming pool. Thank you very much Jan Watkins (organiser), Françoise McPherson, Kirsten Drew & Sue Trimble.

The swimming season is not far away. The pool will open again at the beginning of November. The committee is currently in negotiation with Greater Hume Shire in relation to opening hours for this next season. We will keep you posted as to developments.

We are in need of more community volunteers to help run the kiosk during the summer months. This is not an onerous task and may only require a couple of hours a week when your child is having a swim.

Three of last year's lifeguards have left the area for further study or employment and so anyone interested in becoming our lifeguard at our local pool would be more than welcome. An accredited course must be undertaken to qualify.

This is possible before the season starts. Please contact John Mullavey, Secretary 0260292359 or President Tim Paramore 0260292584 for further information. -Tim Paramore

PAINTING/SILO ART ON WALLA WALLA SILOS

At the Public Meeting, held by the Community Development Committee in February this year, one of the suggestions was to organise/investigate silo art on our silos. If this is to happen we need a group of interested residents to form a committee to investigate how we can make this happen and look at applying for grants. Please contact Daniel Nadebaum daniel@pjsheds.com.au or Leonie Carey barry.leonie@bigpond.com if you are interested in joining this committee.

To make this happen we need people power – Please volunteer.

Weeds Weeds at Walla Walla
by Herb Simpfendorfer

Sticky weed pests came up while I was looking the other way, or it may have been the weekend I was in Newcastle. That's the weed that sticks to your skin, when it gets about 15 cm high or higher. It is often found under bushes. It likes climbing up inside plants. There are usually a lot of these pests growing in a clump. Do not despair! It is nowhere near seeding yet. Spray, chip, or pull it out. It does not grow from roots. It is easy to kill, but it is persistent, because it has hundreds of seeds. If you had it last year, it will be there again this year, and next year too. While you are walking around with a sharp hoe, other weeds which spread out close to the ground, like **cape weed** and **thistles**, can be brought to the end of their days. Get rid of **stinging nettles** too.

RAND WALBUNDRIE WALLA

FOOTBALL NETBALL CLUB

With only 2 matches to go all Football and Netball teams are looking towards the finals.

Congratulations to Jayden Quinlivan on celebrating the achievement of playing 200 Club games. Well done Jayden!

Everyone enjoyed a great night on Saturday 11th August at the Walla Sportsground being entertained by Danny Phegan and his Longreach Country Western band. It was a fantastic night despite the bad weather.

The Giants have football and netball finals catering at Walbundrie on Sunday 9th September. This good fundraising event is always a huge day and we need the support of our Club Players and Supporters to help throughout the day.

The Junior Presentation Day will be held at Walbundrie Sporting Complex on Sunday 26th August for lunch. All families invited.

The Commercial Club will be the venue for the Senior Presentation Night on Friday 28th September. Friends all welcome.

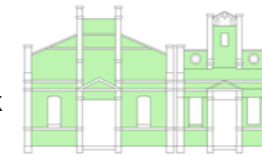

Thank you to everyone who has helped in many ways to make our Rand Walbundrie Walla Giants such a great Club to belong to.
