August/September 2018

Larger than life sculpture to be unveiled

HENTY... "HOME OF THE HEADER"

On Wednesday, September, 12, 2018, a larger than life bronze sculpture of Headlie Taylor will be unveiled at 2:00pm, in Henty's Bicentennial Park on the Olympic Highway.

The unveiling will recognise the world renowned invention of a ground driven header which revolutionised grain harvesting, over 100 years ago in Henty.

The commissioned artist/sculptor, Paul Smits, will travel from Melbourne to witness his work unveiled in the presence of interested locals, family members, donors, councillors and visitors from across Australia.

Everyone is welcome to attend.

Former Member for Farmer and Nationals Leader, Tim Fischer AC, has accepted an invitation to be the guest speaker.

Several local organisations have willingly contributed to support the event, as well as, Murray Arts, Greater Hume Council, HMFD Committee, Bendigo Bank and both primary schools.

The Headlie Taylor Header Museum Committee gratefully acknowledges all support from interested community members and organisations who have contributed to the day's program.

ABC TV Landline Program crew will be attending as a follow up to

the 2014 centenary celebration story of the header's display at the Henty Show.

Headlie's story and the progress of the sculpture have been recorded by the Landline crew at the Melbourne studio and the foundry.

Family members, donors, interested machinery enthusiasts and visitors from across Australia will be in Henty to be part of the celebration.

The following day artist Paul Smits will demonstrate and explain the finer points of the sculpture process. This will be a free workshop for interested adults to be held in the Henty Lifestyle Centre from 9:00am, providing a rare opportunity for participants to experience the

sculpting process.

Save the date, be part of history on September 12 at 2:00 pm and join family members and interested visitors as Public Art, History, Agriculture and Engineering combine to celebrate the invention.

The Header Museum is a proud destination on Greater Hume Council's Tourist Trail.

Headlie Shipard Taylor (1883-1957).

Life doesn't stop at 90!

Bernice Davidson

Bernice is enjoying lessons in Botanic Art. Her teacher, who travels to Henty every six weeks, comes from Beechworth. Bernice is her oldest pupil. Pastels and charcoal have been other mediums Bernice has learnt with Gwen Bullock. Bernice began using oils as a medium many years ago.

Edna Wilson

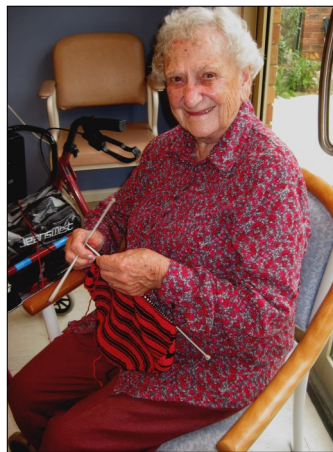

Edna continually raises money for the Cancer Centre. Here she is seen selling raffle tickets for her latest raffle. Previously her donations were for cancer research, but now money raised goes to the Albury-Wodonga Regional Cancer Centre. Edna can no longer take part in the Biggest Morning Teas because of the home-made nature of the cooking so she relies on raffles and donations, the next big one being Fathers' Day.

Esme Maloney

Esme is winding wool for the Myoora Knitwits. Every Thursday afternoon they get together to knit or crochet squares to make squares for Wraps with Love. The Knitwits have contributed over 500 rugs.

Anne Ogle

Anne is a knitter for Wrap with Love. There is always someone on hand to pick up a dropped stitch or two. At 96, Annie loves knitting and hopes to continue for many years.

Daisy Hinch

Daisy has gardened all her life, beginning at Urangeline on the banks of the Urangeline Creek. Just married at "Werrawe" she had one monkey apple tree in the garden. Next, a move to "Grubben" at Yerong Creek where she had a big area on the side of a hill with large boulders to work around. Then moving to Third Avenue where she held Open Garden days, many weddings and social occasions. It covered three house blocks.

Finally, a new start in Hayes Street from a lovely garden to winding down for easy care.

Milton Taylor

Milton rides his gopher each morning to buy his daily newspaper. An ideas man for many years, he is still thinking big. He would like to see, with each house and land package sold in the town, the establishment of a taxi service in the town circumference. For a few dollars, on two or three days a week, residents could hire a volunteer driver and taxi for half an hour duration to go to the newsagent or to Dale's for a few groceries or even for an hour hire to enjoy a coffee at the Bakery.

Henty has most facilities for the elderly and a taxi service could be of great assistance for them.

We're having a party!

The Henty Community Financial Services (Bendigo Bank) in conjunction with Henty Community Development Committee (Greater Hume Council) will be holding a Street Party celebration on Friday November 9 later this year. The event will take place in the main street and is to celebrate the Bank's 20th Birthday as well as the Greater Hume Council's main street upgrade. Plans are continuing to develop and will include a town market day, Official Bank cake cutting ceremony, closure of the main street during the afternoon/evening, free children's rides (Jumping Castles-Bucking Bull etc). There will also be live

music, business pop up stalls, arts and craft market, poetry competitions and a possible fireworks display. The Bendigo Bank will be asking many of the organisations it has supported over the last 20 years to "get in and help" make this occasion special. Event organisers are still hopeful that the official opening of the New Fire Station will take place on the same day.

The event is being supported by Riverina Local Land Services, Riverina Water, Bendigo Bank Collaborative Marketing Group, Henty Branch Bendigo Bank, Rural Bank and Greater Hume Shire Council.

Inspiring talent

Members of the Henty Camera Club continue to show why the club is one of the oldest camera clubs in NSW. A recent in-house digital competition displayed images from members old and new. These were absolutely magic to view. Included in the images shown were amazing sunsets, moody buildings, detailed insects and Australian landscapes to take your breath away. The enthusiasm shown by our members and guests to expand on their experiences and share their knowledge ensures that the Henty Camera Club will continue to thrive far into the future. If you are interested in any subject of photography, you are wel-

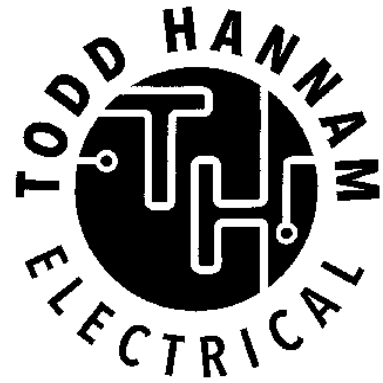

come to come along to enjoy good company, learn and practice various aspects of photography, enjoy field trips and display your work through slideshow presentations and in-house competitions. For the 2018 program please go to henty.nsw.au website and under Community click on Henty Camera Club. You will also find the program on the Henty Camera Club's Facebook page www.facebook.com/hentycameraclub/

Career Match

Career Match - What happens after school graduation and the doors of opportunity stretch before you? Do you want to learn how to write a great resume and discover careers that match your personality? Career Match is an online career and resume service free to members of the public libraries. If you are a member of any of the Riverina Regional Library branches, you'll need your membership number to access this service. (http://www.mcmlibrary.com.au/start_profile.htm)

Study Help from Riverina Regional Library

Try our Info Online at rrl.nsw.gov.au

On behalf of members, Riverina Regional Library subscribes to databases including encyclopedias, legal information and learning resources. Please note that we subscribe to two databases that limit access to in library use only, all other resources can be accessed remotely. Remote access: for access

at home you may be required to enter your membership number to login to these resources.

In library use: the public Internet computers at our branch libraries have unrestricted access to these services.

Are you interested in being part of a Youth Advisory Committee in the Greater Hume Council?

Are you aged between 12-25 years and would like to be part of a Youth Advisory Committee in the Greater Hume? Meetings are held the first Thursday of each month alternating at Culcairn and Henty Libraries.

The primary roles would be:

- To advocate for the needs of young people and provide a mechanism for their participation and involvement on community issues.
- To assist young people in developing skills in various areas.
- To assist in planning programs for youth as well as annual youth week events.

For more information contact Susan Kane, Library and Youth Services Development Officer Phone: 0417212069 or Email: skane@geaterhume.nsw.gov.au

FREE Home Library Delivery Service

If you're a person with a

disability or an older person who experiences challenges getting to and from your local Culcairn or Henty Library, then the home library service is here to help you borrow books or other items.

Once you have joined either the Culcairn or Henty Libraries or are already an existing member, contact a library staff member to discuss the types of books and/or other resources you wish to borrow. Staff will then deliver items directly to your home, free of charge. They will also collect items that need to be returned. Items available for public loan include:

- books, audio books
- CDs
- magazines
- DVDs

To help you choose items, the library catalogue is available online. www.rrl.nsw.gov.au

Your library membership card will also provide you with online access to a range of online resources and information including eBooks, eAudios, Freegal Music, and Zinio Magazines.

Little Book Nook: Libraries & Businesses in the Henty Community increasing literacy

In today's society libraries play a key role in creating literate environments and promoting literacy by offering relevant and attractive reading material for all ages. They embrace the social responsibility to offer services that bridge social and economic barriers, and traditionally make a special effort to extend their services to everyone in the community.

Greater Hume Council libraries' aim is to encourage literacy in young children and of course encourage more residents to become

members of our libraries. One of the programs already launched in Culcairn and Henty is the placing of 'Book Nooks' in local businesses and community organisations.

The staff at the Henty and Culcairn Libraries would like to say a big thank you to all of the businesses and community organisations that have taken part in the Little Book Nook program so far. Everyone is making a big contribution to increasing literacy in our community

If you are interested in participating and have a small space where around 10 picture books and a small 'Book Nook' sign can be placed please contact your local Library 0206360100

Book Borrowing Extravaganza at the Henty Library

The Henty Library staff would like to thank all of the students and teachers from the Henty Public, St Paul's Lutheran School and Henty Preschool for taking part in the Henty Library Book Borrowing Extravaganza during Term 2.

Over 400 gold stars were given out to students during the term to put on their respective school charts. This means 400 library items were borrowed which means lots of books were read, DVD's watched and a significant increase in the library's statistics for the month.

Well Done EVERYONE!!

The Henty Library hopes to continue this program in Term 3.

facebook

This book saves lives!

The Emergency Medical Information Book - contains all of your information and medical records which are needed if or when an ambulance is called and you need to be transported to a hospital. When paramedics are

called, a typical scenario is that distraught family members may be unable to give correct details of the patient's condition, or the medication they may be on. The paramedics physically have to collect all the patients medication in the

house, try and obtain a medical history and take it to the hospital with the patient.

This small book contains patient contacts, service or carer provider information, medications and any medical condition, so a paramedic is able to treat and ready a patient for transport to a hospital.

Who should have one of these books?

All people, adults and children who take medications or have a medical condition should have a book, especially elderly people living on their own. Each book has a clear plastic sleeve which is placed on the fridge door once the book has been filled out by the owner (patient) together with their doctor.

This is a joint community project with Lions and Ro-

tary Clubs; an initiative maintained and distributed in your community by the Lions Club of Henty. More than 1,000,000 books have been distributed Australia-wide and a gold coin donation for a copy is appreciated. This little book continues to save lives, as it has for the past 18 years...it could well be yours!

They are available in Henty at the Henty Medical Centre, Henty Hospital and the Henty Library.

Fill one out and stick a booklet on your fridge!

You may wish to also have one in the glove box of your vehicle.

Gallery to join celebrations

A well attended meeting discussed several issues related to the Gallery at 12 Sladen Street. A steering committee directs Henty creative locals in the setup and management of the Gallery. Matters discussed included scheduled delivery of articles to be displayed as soon as possible, changing

window displays and flyers for advertising. A logo for the Gallery is the subject of a competition. There is a need for tapestry displays to cover the walls and an information book about local artists who display their creations.

On Wednesday September 12, the Gallery will be part

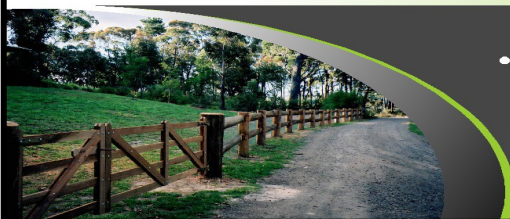

of the celebrations for the unveiling of the bronze sculpture of Headlie Taylor. Friday November 9 has been set aside for celebrating the official opening of the streetscape, the new Fire Station and the 20th anniversary of the opening of the Bendigo Bank. Sladen Street will be closed from 2.00pm till 9.00pm

and there will be stalls, all shops open, night-time activities, a sausage sizzle and lots of free entertainment for families.

P J's for treat day

Henty Public School Term 2 ended with a PBL Treat Day with staff and children coming to school very relaxed in their pyjamas. The weather was cold and wet so pyjamas were a great choice with all eligible children enjoying a disco in the afternoon. The other PBL Treat Day for Term 2 was a Crazy Hair and Movie Day. Students who consistently follow our Positive Behaviour for Learning values are eligible to attend these reward days.

Debating and multicultural speaking began in Term 2 with both debating teams progressing to the next round. In the Multicultural Public Speaking Final, Mia Eddy was awarded runner up in the Year 3/4 division and Konnar Betts was awarded winner in the Year 5/6 division. Congratulations to these students.

Sharon Gardiner and Stephanie Bedgood from the Henty Community bank presenting Principal, Tina Roworth and the Year 6 students with a \$800 cheque.

During the term, the Year 6 students attended a Peer Support Camp aimed to enhance leadership and life skills.

Students took excursions to the Riverina Environmental Education Centre in Wagga where they enjoyed Traditional Culture Days. National Reconciliation Week was also celebrated, with David Dunn joining the students. David is an award winning, international selling artist. All classes participated in an art class with David and the end results were astounding.

Year 6 taking their turn in archery at the Peer Support Group Camp

David Dunn taking art classes with K/1 Blue class

NAIDOC Week was also celebrated in the last week of term where the children enjoyed many interesting and interactive activities. Come to see the stunning NAIDOC Week hand tree in

Harlan Candy enjoying Johnny cake making during Naidoc Week celebrations.

the office foyer. It looks amazing.

The sporting calendar has again been very full in Term 2 with athletics, cross-country, tennis, AFL and netball keeping the students busy. Congratulations to Angus White for progressing to state level in cross country, an amazing effort and to our Todd Woodbridge Tennis winners for making it on to the next round of competition.

The school had a few staff changes throughout the term. We welcome Daniel Cox as a School Learning Support Officer and Peta Bullock as School Administration Officer, both working two days a week. Caryn Batty has also joined as a pre-service social worker until the end of the year. Sarah Parker and Teneal Jones were farewelled and the school thanked them for their time and efforts.

A big thanks also went to the Henty Community Bendigo Bank for its donation of \$800 towards a wellbeing project for the school. A mental health forum for the school and community will take place next term. The school also received a \$155 donation from The Athletes Foot, Albury as a reward for families buying goods in the store.

Term 3 promises to be both busy and exciting, but one special date to put in your calendar is the gala matinee and evening show which will be held on Tuesday, September 11.

Wilfred Murrell, man of many talents-(part 2)

Wilfred Murrell competed in a number of road trials and won the first Ampol sponsored race. This was the first following the last of the "Redex Trials". Gelig-nite Jack Murray was one of the most well-known of the characters of racing and also competed in this race. Wilf's driving partner, Alan Taylor, recorded their adventures and there are rare copies of this book about. Through his Peugeot agency a special car was ordered, a Peugeot 403, to enter the Trial.

Six weeks prior to the start of the race Alan and Wilf worked on their car, stripping it down, making modifications that would see all weather conditions met.

Murrell and Taylor were declared winners of the Ampol Trial in SYDNEY – a 7,000 mile race with a loss of only 258 points. This race also recorded the death of two of the race participants. The death of two drivers Leslie Slaughter and William Mayes, of Sydney, marred the closing stages of the trial, which was described as "the toughest trial in the world." A crowd of 30,000 watched the 33 cars which completed the course arriving at Bondi Beach.

Time and again Hillston came up as the home base of the winners. The headlines in the '50s and '60s newspapers refer to - the bushies from the outback who did it again and won the event.

Wilf was responsible for many inventions, dozens literally, his water purifier was a typical example of the talent that he had.

He is most well-known for his water treatment plant. A method and apparatus for treating water con-

tained in a tank to remove contaminants by passing a current through a novel electrode arrangement characterised by vertically disposed electrode plates. Positive and negative half-length electrode pairs are arranged vertically with respect to one another. Such electrode pairs are used in conjunction with full length, active or passive vertical electrode plates which are each adjacent to a vertical pair. Preferably the electrodes and tank are made of aluminium. The apparatus may, for example, be operated from solar cells. The impurities rose with the bubbles creating a floc that could be drained from the top of the unit.

Wilf was also a good piano player, provided many of his friends with enjoyable evenings around his grand piano. This was valued greatly because this was in the days before TV and was the only form of entertainment available to country people.

Also known for his ability as a rifle and pistol shooter, Murrell won many events during his younger years and was always ready with advice and repairs for the younger ones. He was in the 1937 King's Shoot championships in Sydney which was quite an achievement. He would have been outright winner if it were not for a sudden illness which affected him on the very last day of the event.

He was also an expert photographer and a ham radio enthusiast with friends all over the world who regularly contacted him and provided the international information he needed to stimulate his mind.

Wilfred Murrell was also a saw miller in Hillston and a garage proprietor in the premises presently occupied by the Hillston Rescue Squad and later in his life, a farmer on his property "Wilga Farm". He spent a few years in Sydney during the '70s when he engaged in contract management of buildings.

Wilf passed away at his home on "Wilga Farm," South Australia after a short illness in the early hours of Friday July 22, 1994.

He was in the company of his wife, daughter, granddaughter and his nurse at the time.

Wilfred Murrell and his wife Elsie are interred in Henty Cemetery.

Bike for Bibles

The Henty Branch of the Bible Society's 29th Annual Bike for Bibles Ride will be held on Sunday, August 12.

Mitch Hammond, Bible Society of Australia Church and Community Relations Representative, will be visiting Henty and providing information to various churches on the work of the Bible Society. The Bike Ride is at 2.00pm after a fellowship barbecue lunch at "Dosyvale", the home of Neil and Fiona Muller. Everyone is welcome at the barbecue.

For further information contact David Muller, Secretary, on 02 6929 3187.

Voices raised in unison

Recently Ken Jones (Dale's Supermarket's checkout chap) participated in the Rugby Male Choir of Wagga's concert. Held in the Sacred Heart Church at Koorinal, the choir sang to a packed house favourites such as "Something's Gotta Give", "The Rose" and "Halleluiah". The choir boasts 85 members, 60 of whom sang at this concert alongside their brothers from the New Zealand National Male Choir who performed a further eight songs.

A special guest appearance by the female members of the Murrumbidgee Magic delighted the crowd as they performed their first-prize items from the Hobart festival. This group of unaccompanied singers

belong to the Sweet Adeline Singers and includes Anne Maher and Sue Weston from Henty. The Rugby Male Choir is always on the lookout for more members in any voice range. No musical or singing experience is necessary. The choir sings musical pieces from traditional and modern compositions. Ask Ken for more details.

Knitting for the needy

The Henty Library held the Annual Knit - In on Tuesday July 17. Over twenty very enthusiastic knitters from Henty, Culcairn, Wagga Wagga and the surrounding area attended the event. It was a fun day with lots of knitting and chatting with great company. The completed squares and rugs are sent to the Wrap with Love Organisation and are then dis-

tributed to needy families throughout the world who are suffering from severe cold, or natural disaster.

Thank you to everyone who attended the knitting workshop your contribution to the Wrap with Love Organisation is truly appreciated.

Send-off for Irma

Volunteer Irma Macreadie has worked on gentle exercises with her classes for the past 18 years. Using Myoora Hostel and the Community Centre as her classrooms she challenges her "pupils" to bends, stretches, stepping out and

walking. Over the years Irma has exercised with over 100 women and just 6 men.

Irma was presented with a beautiful blue throw rug which can be used in the caravan or by the fire on a cold winter's night.

In thanking Irma for her dedication to the groups, many ladies spoke of the commitment and willingness to attend week after week, only taking time out for annual holidays and Field Day Week. Morning tea was an additional focus this week with a fond farewell and a big, big thank you to Irma.

Greater Hume Children Services

Greater Hume Children Services recently hosted a playgroup at Memorial Park, Henty to celebrate the launch of our new branding, and what a beautiful morning it was!

Henty is always a beautiful place to visit. The children had so much fun using materials available, getting the ropes to help them climb the trees, taking risks

and seeing how far they felt comfortable in climbing, collecting all the gum flowers, digging in the dirt, and just having fun exploring and investigating We will be back Henty; maybe next time at the common.

Would you like your child or children to receive care and early childhood education in a homely, safe environment in a small group.

where you will develop a partnership with the Educator?

We are currently recruiting Educators to join our team of Early Childhood Professionals and provide care in their home.

Farm brings home the bacon ... and eggs

President Jeannie Kenny welcomed several birthday and anniversary recipients to the June Probus meeting. Elwyn and Karen Kotzur were congratulated on their 65th wedding anniversary. Members were encouraged to attend the Red Cross Fish and Chip Night on June 22 and the Culcairn Choir Singalongs at Clarke's Fahey Crescent home.

Neil Parker's stimulating talk told of his great-grandparents travelling from South Plymouth to Adelaide in 1852. Being farmers and sewers (making clothes in the home) the family decided to migrate to Australia. Times were tough. After four years at Burra where mining provided good work they decided to work their way up the river to Woomargama. Neil's father then went to Henty and members heard of his many experiences on the farm. Later Neil spoke of his own time with Rotary.

Speaker of the day was Amy Lehmann, wife of

Tobias. She recounted many stories of their new country enterprise at Walla Walla. The Lehmanns lived on the Central Coast with an overabundance of sheds, old cars and mechanics. They then travelled extensively to countries newly free from communism before they began looking for suitable farms between Canberra and Albury. Walla Walla it was!

Amy worked several jobs, including a stint with Sussan Ley, while her husband continued to work in Sydney. Their decision to have a "chicken caravan" came from their early farm experience ... chickens. Their first batch of 450 came from June. The next batch was 1,200. Work was hard and time consuming as in the first 14 months they rolled every egg by hand using a hand-made light to inspect every one. When they bought a secondhand 1950s egg grader they were made.

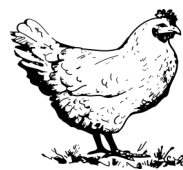

When a housewife buys an egg from the supermarket they are often weeks old. Amy's eggs are one to two days old; never more than a week. For cooking sponges you will know the difference as the white keeps like a ball in the hand. Older eggs are watery. Eggs sell

well in Sydney, farmers' markets and are available in the Culcairn Supermarket. The Lehmanns have recently ventured into pigs for Christmas hams and to make the combination of bacon and eggs.

Their new-born chicks are ordered two years in advance. The many government regulations make compliance very difficult. When Amy reaches 2,000 chickens it will then be time to make new decisions.

Dozens of questions were asked and Amy answered them all with knowledge and great expertise. This is a wonderful family enterprise, supported by one Grandma and two little helpers, not yet farm workers, but willing and helpful (at times).

Question of the week came from Allyn Maher regarding her 87th birthday – "Who was the white-bearded man who kissed me? I am so looking forward to the July 11 meeting!"

Save the date

Don't miss the opportunity to hear the Watoto Children's Choir perform at the Henty Community Club on September 26, 2018.

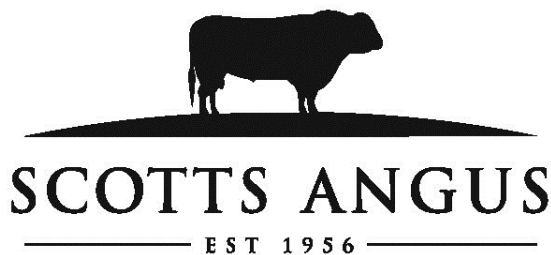

Watoto means "children" in Swahili language. The choir is made up of children who have lost one or both parents to the AIDS epidemic or to war. The choir has toured Asia, Australia, Brazil, Canada, China, Germany, Israel, The Netherlands, New Zealand, the United Kingdom, the United States and many other countries. The choir travels with a team of adults who look after the children. The organisation helps vulnerable women and children and has placed thousands of orphans.

Their performances are a blend of native African rhythms, contemporary gospel music and creative dance. They have released several albums including "*Mambo Sawa*" and "*Beautiful Africa*".

Their latest album "*Signs and Wonders*" features live music played throughout the concerts on most of the tours. The concert begins at 7.00pm. Admission is free. Enquiries: contact Bob or Kris Bowen on 0439881893.

Pride in a year of achievement

Henty Lions held their 41st Annual Changeover Dinner at the Doodle Cooma Arms recently, a fitting conclusion to a very busy and interesting year. Dignitaries included Lions zone chairman David McCormack and his wife, Phyllis, Greater Hume Councillor Doug Meyer, OAM and members of the Culcairn club. Incoming officers for the next 12 months were inducted by David McCormack and charged with the responsibility of serving their club to the best of their ability.

Julie Colley is the enduring president as John Ross takes on a different role as secretary, replacing Garry Small who has filled the position admirably for many years. Terri Taylor is the new treasurer.

President Julie's report outlined the various projects tackled by the members. Due to a welcome growth in membership, Henty club was able to conduct the biennial Town Garage Sale, begun by Rotary and continue with the newspaper recycling project, another Rotary initiative. A new Henty and District Telephone Directory was published in January.

With the support of Bendi-

go Financial Services and club fundraising, Henty Lions were once again able to sponsor deserving students from the local primary school to attend the Lions Licola Adventure Camp. A new community project instigated by the club is the purchase and distribution of the Emergency Medical Information Book to contain information and medical records needed in an emergency.

Once again, Henty Lions assisted by manning the barbecue at Carols in the Park and conducted the Lions Youth of the Year contest, with Nessa Liston successful this year. Pub Euchre, first Wednesday of each month at 7.30pm continues to prove popular. The club supported LHAC's Mental Health Forum at Billabong High School.

Henty Lions catered for a number of community functions and assisted with the CFS (Chronic Fatigue Syndrome) Concert to raise funds for research. Sales from Lions mints and Christmas cakes funded various worthy causes and there is an ongoing project to refurbish the Government Dam site and open it up as a recreation area.

Henty Lions meet on the 2nd and 4th Wednesdays at the Doodle Cooma Arms. Visitors will be made very welcome.

WINDOW CLEANING

Professional work guaranteed. Years of experience and now serving Henty, Culcairn, The Rock, Holbrook and Uranquinty.

Obligation free quotes and no travel costs

Work includes cleaning screens and sills

Will also clean solar panels now that the sun is shining maximise your savings. Also slow combustion heater flues need a clean for next year's cooler weather.

Members of Henty Local Health Advisory Committee (LHAC)

Mick Broughan

“Retired director of M S Davidson Co, stock and station agent, married with four children, lived in Henty for 42 years and my interest is in seeing Henty and community receive a fair and equitable health service”.

Daphne Hannam

Daphne is a retired Director of Nursing with over 40 years’ experience in many of the varied facets of health, both within cities and in the more remote areas. Her strengths include interpersonal interaction, networking with community support groups to opti-

mize health and improve the quality and self-sufficiency of all.

Susan Maher

Susan moved to Henty from Sydney with her family 14 years ago. She is an ex-Community Nurse and has always had an interest in the welfare of the local community and she enjoys serving the Henty community as a member of LHAC.

Fran Fifield

“Having worked in health and the community of Henty for many years, I want to promote and sustain the health services we have in Henty and to help

the community to access the services they need”.

Proposed Members

Mary Liston

“I have been a resident of Henty for 26 years, married with four children and a teacher at the local primary school. I have appreciated the range of medical services Henty has offered over the years and would like to ensure that those services are maintained and extended to include the various and diverse needs of our changing community”.

Brad Wettern

“I have lived in Henty all my life.

Owner of Family Company – KWT Bulk Transport. Was approached to join the LHAC Committee and I saw it as a way of doing my part to help ensure that the high level of health care we receive in Henty continues.”

Felicity Klemke

Happily married to local farmer, Dan and have four children aged 16 to 10.

Resident of the Henty Community for the past 16 years.

Currently employed at St Paul’s College, Walla Walla and Peregrines Function Centre, Table Top.

“I am a part of LHAC because I believe it’s important to invest in the future of health and welfare opportunities in our

great little town, especially in regards to resilience and the mental health of our younger generations.”

Emily Jones

“I have lived in Henty all my life and have recently gained full time employment here at the Greater

Hume Council. and see joining the LHAC Committee as a way of playing my part to ensure that everyone and especially the young people in our town know and can access the amazing health services available to them.”

The function of LHAC is to provide information and encourage supportive strategies to enable local people to make informed choices and be responsible for improving their own health and well-being.

20 years helping institute

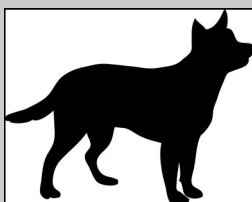

Peter Mac meets monthly to sew, knit, crochet, cut out, sort and fill. Everyone will be made most welcome and can enjoy plenty of chatting and a lovely lunch prepared by the Uniting Church ladies. This month we have been knitting head bands and coffee/tea cardboard cup covers in football team colours.

Pat Duke sent a bag full of lavender sachets along as she was unable to attend this time and lots of hand-crafts were brought in by

others – rugs, coat hangers, slippers, cot covers, shawls, scarves and beanie sets. The group has found a “deliverer” to take items to the Peter Mac Institute and will be most helpful for getting the craft to Melbourne. This is the group’s 20th year. During this time we have delivered dozens of boxes to the institute for which we always received a thank you for all the wonderful and varied crafts. Take a pat on the back ladies!

Picking up after your Dog in Public Places

Are you aware it is an offence under Council regulations not to immediately remove your dog’s faeces from a public place? You must pick up and appropriately dispose of all their dog droppings.
