**PROBUS** Our new President Cathy welcomed members and a visitor, Susan Walters. Our numbers were well down for a number of reasons. Here's hoping everyone will be back for the May meeting!

President Cathy also welcomed our new member, June Davis, and presented her with her badge and certificate. Stewart Macrae and Ian Scobie are both in ill health. We wish them a speedy recovery.

The new RS Club manager, Mr Chris Bale introduced himself and told us some of his vast experience in clubs around NSW. He hopes, moving forward, to make some changes and improvements to the club.

Our visitor, Susan Walters, then gave us an impromptu talk on cochlear implants. Susan herself, has one in each ear needed after a bout of meningococcal meningitis left her profoundly deaf. She was one of the first to have her first implant in Sydney 30 years ago. 21 years later Susan had her second. The difference in the technology is enormous. Susan is the niece of our member, Margaret Higgins and we thank her for her fascinating insight into this life changing invention by Australian Professor Graeme Clark. Next meeting Tuesday 28th May at the RS Club at 10:00am. New members are very welcome.

## HOLBROOK PUBLIC SCHOOL

Welcome back to Term 2. Everyone has returned ready to learn, and experience all the opportunities Holbrook Public has to offer.

Congratulations to all the students who did not miss a day, or partial day, of school for all of Term 1. A very impressive effort! They were presented with an attendance award, called 'Attendance Heroes' (Here Every day Ready On time). Well done to Year 1, who were the winning class last term, with 98.4% attendance.

Jay, who was diagnosed with melanoma at 32, stopped in at Holbrook Public as part of 'Jay's Longest Melanoma March'. The children were involved in an informative talk about the dangers of being in the sun unprotected, and the importance of looking after our skin. It was a very worthwhile, and useful session.

On Wednesday 8 May, our school hosted a performance about the RRRR's of rubbish reduction – recycling, reusing, rethinking and repurposing. It was an interactive presentation titled, 'The RRRR Pirate Island Escape'. The students thoroughly enjoyed being part of the show, and we look forward to thinking of other ways (we already collect bottles and cans) to help our environment. Thank you to the Riverina Eastern Regional Organisation of Councils, and the Hume Shire Council, for providing this very enjoyable presentation, free of charge to our kids.

Miss Lavis' class visited two farms this week, as part of the Creative Catchment Kids program. The Geddes', and the Pincott's, hosted the visit. Next week, the class will visit the Paton's property. The children are researching farm practices, and good environmental management, and will write and publish a book about their experiences. We appreciate Wirramina Environmental Centre and the Petaurus Environmental Group for funding this project.

This Friday, 10 May, Kinder displayed their singing style by presenting their first assembly. 'Five Little Speckled Frogs' was very entertaining, and very well received by an appreciative audience. The assembly was followed by an invitation to the 'Special Ladies' of the Kinder to Year 2 students, to a Mother's Day Picnic. Great fun for all concerned!

Lots is happening on the sporting front. The whole school participated in NRL Clinics run by Development Officers. This saw the development of new skills, and a developing interest in the sport.

The Cross Country is to be run next Friday, 17 May, at Bowna Waters Reserve. The date had to be changed from 10 May, due to inclement weather. Our Boccia team will represent our school on Friday May 17, at Wagga Wagga High School.

*Year 6 enjoying the NRL clinic*

More news and photos, once the games are completed. Lucy de Steiger and Annie Triggs are attending the Eastern Riverina Netball Trials, Izak Schirmer and Indi Paton are representing our school as Riverina representatives, at State. Busy, and talented kids!

All of us at Holbrook Public School would like to wish all the Mums, and 'Special Ladies', a very happy Mother's Day.

## HISTORY QUIZ

**Previous Quiz: Who am I?** I was born in Wagga Wagga 7 May 1914, the son of a sheep drover. I have well-known relations in Holbrook. I was given a nick-name after the famous Victorian horse trainer James Scobie [1860-1940] between 1929 to 1964 made 17 attempts to win the Melbourne Cup.

**Answer:** Scobie Breasley, one of a successful group of jockeys to have ridden more than 2000 winners in England, the son of Sydney Thomas Breasley and Emily Maude [nee Newton]

**Quiz:** In June 1975 the Border Morning Mail referred to which Holbrook sporting team, as "The Holbrook Jinx"?

## ST PATRICK'S SCHOOL

Term 2 commenced with our school ANZAC service where we were joined by Mrs. Kim Turner and Mr. Roger Cooper from the Holbrook RSL sub branch.

We very much appreciated their time to share in commemorating our service men and women with St Patrick's School.

St Patrick's enjoyed a visit from Jay and his team who are participating in Jay's Longest March, in which they are walking 2000km in 50 days to raise money for melanoma research.

They updated students on the progress of the march and delivered a very important sun smart message along with sun smart bands to wear that serve as a reminder to apply sunscreen.

Matt Kean, Principal of Holy Spirit Lavington, was among the walkers who visited so that made it extra special. Students raised \$145 to donate to Jay's cause and thoroughly enjoyed the visit. They have continued to track progress of Jay's Longest March on the Where's Jay website.

St Patrick's School hosted the Diocese cross country carnival in Holbrook. We enjoyed the company of all competitors from the Wagga Diocese and made sure they were well fed.

Congratulations to Oscar, Eddie, Ty, Archie, Lachie, Hiku, Cruz, Ryan, Willa, Alana, Isla, Chloe, Neve, Annabelle and Oscar in representing our school.

Congratulations to Ty Mooney who finished in second place and will now compete at the MacKillop cross-country at Eastern Creek in June.

As a result of left overs from the catering on Tuesday all students enjoyed a free hot dog lunch.

Thank you to Holbrook RS Club and Holbrook Golf Club for allowing use of Holbrook Golf Course and also Greater Hume Shire Council staff for assistance preparing the Complex and also parents who assisted

in the kitchen.

Students have begun Bluearth sessions run by facilitators of the Bluearth Foundation.

Bluearth takes an approach to active living that goes beyond traditional sport and education models. The Foundation cares less about competition, and more about positive participation experiences that develop skills and motivation to embed lifelong healthy habits for Aussie kids.

This was very reflective at the first session with all students moving continuously and walking away with big smiles.

Students actively participated in an interactive show which had them discovering ways to re-cycle, re-use, re-think and re-purpose.

Following this event we can expect to see some very creative items made from what would usually end up in the rubbish bin.

Thank you to Greater Hume Shire Council for sponsoring this.

Excitement was in the air as students purchased a small gift for mum at a mother's day stall. Thank you to those who helped run the stall and assisted in wrapping the gifts. We trust that the gifts chosen were well received and all mums enjoyed a relaxing and enjoyable Mother's Day.

**SAVE THE DATE 17<sup>th</sup>, 18<sup>th</sup>, 19<sup>th</sup> September 2019.** With the colder weather upon us it's time for St Patrick's School to gather much needed volunteers for our major fundraiser of the year at the Henty Machinery Field Day.

This year we are in the 'BIG' shed so a cast of many is needed to assist us. This is a great opportunity to support our wonderful school and enjoy the fun and energetic atmosphere of the event. Anyone with an hour or a day to spare would be greatly appreciated.

*Students with Pirate Pete and his mate.*

## **HOLBROOK LOCAL HEALTH ADVISORY COMMITTEE SUMMARY OF LHAC MEETING**

Holbrook Local Health Advisory Committee (LHAC) met on Tuesday April 23rd to discuss important health issues for the town and community. The priority area for discussion continues to be the recruitment of a GP who is able to serve the needs of the Holbrook Hospital. There are some positive steps on the horizon so let's hope we eventually have a solution. In the meantime, despite not having a GP who is able to work in the Acute section of the hospital, the Emergency Department and Harry Jarvis Wing are functioning as per normal. On a very positive note, it was announced a few weeks ago that the Harry Jarvis Wing has been granted Commonwealth bed licenses for five additional beds. These relate to the new bedrooms built by the NSW State Government two(?) years ago. Other points discussed briefly at our meeting were; Recruitment of staff for both the acute portion of the hospital and to staff the additional beds in the Harry Jarvis Wing  
Finance has been made available to refurbish the Nurses accommodation which will make overnight stays more comfortable for our staff.  
Proposal to work with the Primary Schools on a Healthy Lifestyle session-including healthy eating and sleeping habits and addressing suitable access to 'screen time' and social media by children. Holbrook

LHAC Chair Judy Wettenhall adds the Committee is always happy to hear of any issues relating to the health and wellbeing of our community. If you'd like to provide feedback to the LHAC, please contact Holbrook LHAC chair Judy Wettenhall on 0409 369 282 or email: [ijwetti@bigpond.com](mailto:ijwetti@bigpond.com)

We would also like to thank those who offered to man stalls on the day or provided items to sell or goods for the raffles.

Your assistance and contributions were greatly appreciated.

Thank you to the Community Gardens for your support providing plants and produce and manning the plant stall.

The Fete was a success due to all these wonderful people.

The lucky winners of our raffle were: 1st Betty Winzer  
2nd Annie Keogh  
3rd Alison Davies

## **BOOK REVIEW FROM THE LIBRARY**

### **The Lost Man by Jane Harper**

This is the third book in three years by Jane Harper, her first novel *The Dry* only being published in 2016.

Harper's third murder mystery is set in South west Queensland on a large cattle station where Cam Bright, one of three brothers is found dead at a remote landmark, the stockman's grave.

Assumed to be an accidental death by the local police, Nathan, the brother who discovers Cam's body, cannot make sense of Cam, successful and organised, abandoning his fully stocked land rover, to die alone in the extreme heat.

Nathan is the eldest of the Bright brothers and the one who has been ostracised by the local community for a mistake he made ten years before. He lives a solitary life, estranged from his wife and the relationship with his son

becoming weaker as Xander approaches adulthood. His property is in deep financial debt and he struggles to run the farm without the support of his neighbours in drought like conditions. He starts to look into Cam's death and uncovers uncomfortable truths about his seemingly popular brother, his deceased father and events in the past that his mother has kept quiet for many years.

This isn't so much a murder mystery as a family drama, but not in the sense of a soap opera, more intrigue than that! The writing is very atmospheric and descriptive and you can feel the sun's heat on your neck and the hot, red dirt under your feet while you follow the Bright family to the conclusion of this story.

We welcome a number of new fresh faces to the club as well as many old faithful who have returned for another season! Keep your eyes open for our Grant application, we may need your vote to help get us over the line.

**FOOTBALL** Round 4 versus Culcairn:

Holbrook put in one of its most disappointing performances in recent times when they fell prey to Culcairn by 52 points at Holbrook. The Brookers were blown out of the water early when the Lions chalked up 7 first-quarter goals, and were never in the hunt thereafter. Adding to Holbrook's woes, Brock Knights and Andrew Dear were forced off with injury, leaving their team with a one-man bench after half-time. The result could've been even worse, if not for the form of Andrew Dess (Riv Hotel mug). Dess took 13 marks, kicked 4 goals, and always looked determined on the lead. Defenders Andy Taylor (Otway Bistro award) and Dave Tassell both pursued the footy with vigour, with Tassell eventually going down with cramp. Tassell couldn't get the attention of the Holbrook bench, so it was a Culcairn boundary umpire who came to the rescue! Others to keep their reputations intact were Lachie Trethowan, Brendan Dess (Players' player), Lachie Holmes (Zambrero), and Sam Harris.

Seconds: Holbrook 11 6 72 Culcairn 8 6 54 Goals: Bailey Martin 4, Josh Pieper 3, Nick Cottrell 2, Nick Pugh, Kade Stagg. Best: Nick Pugh (Riv Hotel mug), Bailey Martin (Sportspower & equal Players' player), AJ Bender (Kezza's Kitchen & equal Players' player), Tim Walsh, Nick Cottrell (Zambrero).

Under 17's: Holbrook 15 6 96 Culcairn 3 2 20 Goals: Jayden Hucker 5, Matt Bender 2, Fletcher Parker 2, Todd McNamara 2, Ewan Mackinlay 2, Bailey Churchill, Flynt Trimble. Best: Matt Bender (Zambrero), Braydon Eddy, Jayden Hucker (Riv Hotel meal), Ewan Mackinlay, Fletcher Parker (Bakery), Ben Parker, Harry Plunkett (Urban Graze), Bailey Churchill (Sportspower).

Under 14's: Culcairn 15 13 103 Holbrook 0 0 0 Best: Jed Davis (Coach's award), Max Davis (Urban Graze), Harrison Shea (Bakery), Georgia Wragge (Newsagency),

Hamish Livermore (NAB drink bottle), Jack Pitzen (Axel's Tuff Tackler).

Round 5 versus Osborne:

Taking on Osborne at Osborne is always a difficult assignment, doing so without Brock Knights, Sam Harris, Andy Taylor, and Dave Tassell increased the degree of difficulty. In the end, Holbrook were rolled by 34 points, but not before giving the Tigers a bit of a fright. Trailing by 29 at half-time, the Brookers narrowed the gap to 7 points by the last break, before faltering late. Josh Jones (Riv Hotel mug) always looked eager and optimistic in his midfield role, he also slotted a superb left-foot goal when Holbrook was on the charge. Josh combined well with Jake Way to win plenty of centre clearances, which was often on the back of Aaron Baker's crafty ruck-work. Luke Carman (Zambrero) and Duncan Trethowan (Otway Bistro) tried their hearts out in defence, with Duncan's aggressive tackling evident. Lachie Trethowan went full-bore into every contest, while Charlie Harbison did everything asked of him in his first senior match.

Reserves: Osborne 6 11 47 Holbrook 3 4 22 Goals: Tyler Lampe, Col Geddes, Bailey Martin.

Best: AJ Bender (Riv Hotel mug), Scott Tassell, Daryl Tuffey (Sportspower), Jimmy McNeil, Oliver Whitley (Zambrero), Tyler Lampe.

Under 17's: Osborne 4 11 35 Holbrook 0 2 2 Best: Fletcher Parker (Riv Hotel meal), Bailey Churchill (Urban Graze), Nicolas Keller (Zambrero), Todd McNamara (Bakery), Oliver Whitley (Sportspower), Hunter Galvin.

Under 14's: Osborne 13 3 81 Holbrook 1 1 7 Goal: Georgia Wragge. Best: Max Davis (Coach's award & Axel's Tuff Tackler), Jed Davis (Urban Graze), Harry Plunkett (Newsagency), Charlie Wright (NAB drink bottle), Taylan King (Bakery), Delaney Emerson

## MEN'S SHED

The guys at the shed have been busy, whilst I have been away on holiday, with markets and projects, repairing preloved furniture.

We would like to thank the ladies of Little Billabong CWA who generously gifted us their BBQ trailer, from which we will get a great amount of use. Thank you ladies, it is much appreciated.

We are still wanting new members. We have lost a couple in the last few months, Roy Willis who moved to Wagga, and shortly we will lose Roger Cooper who is moving back to the coast.

Unfortunately we have had to increase our membership fees to \$60.00 as our income was not as much as our outgoings. Hopefully this is only a temporary measure for the next couple of years, also as you know we are still raising funds for our new shed.

If you want to join us and are worried about the fees our treasurer will be happy to work out a payment plan. These fees cover our insurance for the building, ourselves, and public liability. They also pay our other bills such as power.

Anyone is welcome to drop in on Wednesday or Thursday, we are open from 8am till about 12 noon. Smoko is at 10 come in for a cuppa and a chat.
