

The Friends of the Holbrook Submarine Museum and the Holbrook Submarine Museum are excited to announce the commencement of the first ever 'Submariners Challenge'.

This is an educational challenge open to all schools and school age students within the Greater Hume Region. Entries can be submitted as an individual, team or school. There are cash prizes to be won for the winners of each category and their school. There are three competition categories to choose from and the student/team must nominate which category they are entering. The categories are;

**Australia's Submarine History** - Write a story about the history of Australia's Submarines, you can include diagrams and pictures.

**Submarine Technology and Science** - Write a story about a piece of technology or an area of submarine science, you can include diagrams and pictures on the subject.

**Submariners and Submarine art**- Write a story about a submariner, you can include diagrams and drawings. It could include an interview with a submariner or a person connected with submariners.

Entries can be submitted at the Holbrook Submarine Museum or emailed to the Museum curator, [jepmurph@bigpond.com](mailto:jepmurph@bigpond.com) or online at [www.holbrooksubmarinemuseum.com.au](http://www.holbrooksubmarinemuseum.com.au). **Submissions close at 4pm Monday 27 September 2021** and the winner of the categories will be announced Friday 1 October 2021. For more information please visit [www.holbrooksubmarinemuseum.com.au](http://www.holbrooksubmarinemuseum.com.au), or phone the Holbrook Submarine Museum on 02 6036 2422.

## HOLBROOK LANDCARE

**Ian Geddes Bush Walk - upgrade to signage:** Over recent months Holbrook Landcare has been working with staff at Greater Hume Council to improve the signage at the Ian Geddes Bush Walk.

The old badly weathered timber sign at the end of Wilson Street has now been replaced, and fresh new signs have been installed at the end of Railway Parade to direct people towards the entry gates at both the eastern and western ends of the bush reserve. The next step will be to refresh the notice boards at each entrance.

At present the bush walk is closed to the public due to some flood and storm damage, however it is usually a popular place for people to enjoy a quiet walk.

## **HOLBROOK LIBRARY THE PLACE TO GO FOR NOT JUST YOUR LIBRARY BOOKS BUT ALSO GREATER HUME COUNCIL CUSTOMER SERVICE**

Having the Greater Hume Council Customer Service staff join the library staff at Holbrook Library has brought so many positives to our library. It has been a lot of fun welcoming new faces to our team. Staff are enjoying seeing more members of our community as they call in to pay their rates, register their pets.... or many other of life's jobs that revolve around Greater Hume Council.

Quite a few people have come in not quite sure if they have come to the right place, but yes they have! Holbrook Library is now the place you come to, to do all the jobs you would have previously done at the Holbrook Council Office in Young St.

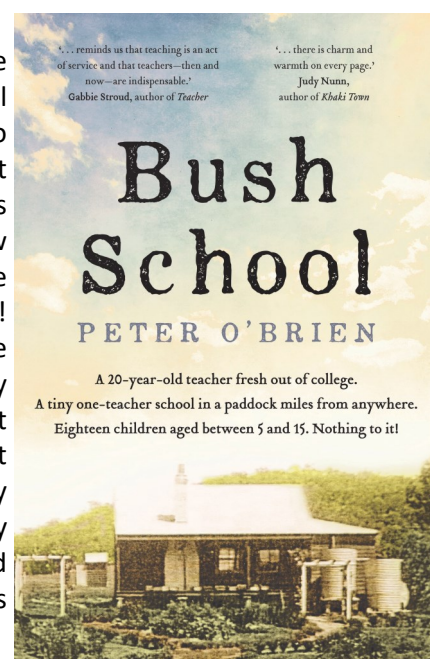

We have certainly noticed the phone rings a lot more! On this topic, whilst the number you call to speak to Customer Service is 02 6036 0100, if you want to call the library directly about specific library enquiries, you can simply call our extension number which is 02 6036 0173 (note that our old number 02 6036 3262 is still currently working but not for much longer, so now is a good time to put our new number in your contacts and start using.) Another major bonus for our library is that our opening hours now align with council customer service hours. So we are open Monday to Friday from 8.30am to 5pm. We get the Border Mail delivered every day so with our new hours, you could call in early each day and read the paper, sitting in a quiet sunny corner of the library.

With our new hours there is more flexibility for you. Things such as Story Time, which has always been at 11am (our previous opening time) could maybe start earlier if that suited more families. Maybe 9.30am start would suit after dropping school aged kids at school? We are open to suggestions so please let us know if an earlier start would mean that you could now join in with the Story Time group.

It is true that since Covid took hold, borrowing books at the library has been very quiet and we would love people to put down their tablets and visit us for some hands on entertainment. Membership is free, lending is for 1 month, there are no overdue fines plus we have lots of the new bestsellers waiting to be borrowed by YOU!....Thrillers, love stories, murder mystery, biographies, history, life stories, true crime, DVDs, audio books, children's books, books on gardening, cooking, health, sport, art, pets.....they're all free and come with a SMILE!

### **BOOK REVIEW Bush School by Peter O'Brien**

I had seen this book sitting face out on our non fiction shelves for some time. I assumed by the front cover that it was a historical book about small schools back in the late 1800s. Not something I was very interested in so I'm not sure why I picked it up and read the blurb on the back. It turns out I'm glad I did because I really enjoyed this book. Peter writes about his time as a teacher in a remote bush school in 1960 and 1961. It's funny how time creeps up on you, because being born in the mid sixties, this decade has never felt very far away for me but in reality it is now a long time ago! Whilst today we look back and can see there was a lot wrong with the good old days and modern improvements have made our lives very comfortable, this book is a gentle reminder of much that was good that many of us no longer make time to do. Whilst the book chronicles the first years of Peter's teaching career, it is really a coming of age story. Judy Nunn reviewed the book well when she wrote, "Bush school has many voices. There is the evocation of a by gone era; there is historical and social comment; there is a strong sense of humanity; and above all there is charm and warmth on every page. Dom Heriot Holbrook Library.

## MEN'S SHED

Hi from the Men's Shed. Work is continuing at the new shed with members building internal wall frames for the toilet, kitchen, and smoko room/library/ lounge area. Once the frames are complete the plumbers can work out where pipe work needs to be placed. Down at the old shed the other guys are cleaning out accumulated junk and rubbish, and working on projects of there own.

Our wood raffle, held on the 5<sup>th</sup> and 6<sup>th</sup>, was won by Elizabeth MacLean. Thanks everybody that supported us.

Our big raffle for the mower is still going well and it will be drawn on Fathers Day at the RS Club after the Sunday raffles are complete.

## Lady Gail & The Apple Cake Story

For years a friend would drop in regularly once a month with a plate of apple cakes. I really enjoyed them, as did Viv, Shirley, Joy, ...

Natalie & Ben just happened to call in for *Little Golden Books* on Apple Cake Day. They were hooked. Fresh, country full of apple with flavor & passionfruit icing. From then on, they would try to plan their trip around Apple Cake Day. Natalie & Ben purchased a table which "we could deliver when we went to a Gift Fair in Melbourne". Ben asked, "Any chance of bringing apple cakes as well?"

When we arrived, yes they were excited about the table, but more thrilled when I whipped out the Tupperware box containing apple cakes.

An apple cake, cuppa & a chinwag in the garden. The apple cakes arrive less regularly now, the oldies are older & grey but all remember the good old days of delicious apple cake.

## ANGLICAN NEWS

On Sunday the 22<sup>nd</sup> we will have Bishop Mark Short and his wife Monica as guest at our 9:30am Service in Holbrook. Bishop Mark is the head of the Anglican Church of the Diocese of Canberra & Goulburn which covers from below Wollongong, south to the VIC border, the west along the border to near Albury, then north to above Cootamundra, and then back to below Wollongong. This is a big area to cover and be responsible for and we are blessed to have them visit us.

I learned recently that one of the oldest Anglican Churches in Australia that has not been restored is at Morven, but it is not easy to find. I was a part of a discussion recently that centred on the topic, "What is the purpose of having churches in our community?" I remember studying early Australian Settlement and for a new Village or Town to be recognized it had to have several services available to the community.

There had to be in place, or within one day ride by horse the following; A General Store that sold clothing and provisions, a place of accommodation and refreshment for travellers (Hotel), A Police Officer and maybe a Court House, A communication centre now a Post Office, a Church, a Medical Service, and a public recreation area. We can begin to see that basic fabric of a community is still in place in Holbrook. There was one item left off the list for the criteria for establishing a designated village or town, and that is people, = US. It was assumed that there would be people there, and the main reason a community exists is to meet the needs of people, by people. The answer to the question above; "What is the purpose of having churches in our community?" Is; Holbrook, or "Germanton," would not have existed without having a Church in it!

In John's Gospel in Chapter 14 verse 6 Jesus said: *"I am the way, and the truth, and the life, no one comes to the Father but through Me."* Churches are important because they reveal the presence of Jesus in a community.

Best wishes from the Anglican Church at Holbrook and Woomargama.

C/- Rev Stephen Davis, 0429 845 525.

## RDA MURRAY WELCOMES NEW BOARD MEMBERS

RDA Murray is delighted to announce the appointment of eight new Board members. The new members are Ben Foley, Colin Elliott, Deanne Armstrong, Gerard Van Emmerik, James Smith, Lynnette O'Reilly, Murray Scholz and Oliver McNulty.

These new members join Chair Mary Hoodless, Deputy Chair Geoff Lowe, Treasurer Alexandra Anthony and Committee Members and Brian Millar on the RDA Murray Board.

RDA Murray Chair Mary Hoodless said: "Our new Board has a strong mix of business, industry, agriculture, health, finance, education and training, tourism, infrastructure and local government experience and a high level of skills in engagement, management and economic development."

"These new members add such valuable knowledge and perspectives to our strong foundation of returning Members and we are excited about the expertise that they bring to RDA Murray."

"I would like to thank our outgoing board members, Leigh Byron, Frank Zaknich and Andrew De Graff, for the time and expertise they brought to RDA Murray and the contribution they made to our region."

RDA Murray CEO Edwina Hayes said: "The new Board brings us a highly talented and fiercely regional mix of returning members and new faces. We are delighted to welcome their breadth of knowledge about their industries and communities and extend our welcome to their networks."

"COVID-19 has brought a host of new challenges and issues which have really impacted the Murray region. It's important to have a Board who can provide strong leadership, experience and connections to help guide us through this time. The new RDA Murray Board will bring new and innovative ideas to the table to support the development of a strong local economy and a skilled workforce for the future."

## 2000 A GRADE NETBALL PREMIERSHIP REUNION

Saturday the HNC celebrated the 21 year A Grade Premiership Reunion – low key as requested. I'd like to thank everyone for attending the day and tonight to celebrate the team who 20½ years ago did what all our current players can only dream about and that's to win a premiership.

We had 6 of the 8 players join us for a VIP lounge courtside for the senior games, followed by dinner at the RSL Club. These ladies were a force to be reckoned with in their day and formed a close-knit unit to overcome a powerful Osborne outfit to take out the cup. Many of the faces gathered were very familiar in life members Pam Jones and Carla Black, Coach Leeah Scholz, Committee member Vicki Wornes and we proudly welcome back sisters Cathy Moore and Sally Whitley to the club. We hope the day is filled with memories, laughter and good times. Unfortunately, Coach Leigh Fitzgerald and shooter Tiffany Watt were unable to attend.

Saturday was a time for reflection, a time for pride in individuals, a team, a club and moment in history. It was an opportunity to forget some of the complications and hurdles we all have in life at the moment and think about a time when team spirit, friendship and resilience was the key to success. It was an opportunity to get together and share memories and make new ones. It was an opportunity to inspire those girls who played senior netball this week. It was an opportunity to give back and continue their legacy at our wonderful club.

Each of the 8 players who made up this enviable team brought something unique and special to the team and most importantly these traits were embraced and harnessed by coach Leigh Fitzgerald. Her no fuss approach to the game was what took the team from losing against Osborne early in the 2000 season to be able to beat them the second time the teams met during the home and away season and then by the time that finals rolled around the teams was a well-oiled machine

and ready to stamp their authority over Osborne and the League and that is exactly what they did. AFLW All Australian, GWS Best and Fairest Player and ex-Holbrook Netballer Alyce Parker spoke to our senior players earlier this month. She spoke about what brings success. Her three keys to success were the importance of nutrition and training, mindset and team spirit/fun. Mindset she says is the ability to identify and distinguish between one's A game and their B game and the ability to shift deliberately back from one to the other when required. It is the ability to recognise it in your team mates and lift them back to their best version of themselves. I would argue that is not new to these 8 players and you can see from the photos the connection, communication and belief in their abilities that lead to their success. Alyce also spoke about Team Spirit and enjoyment and how a premiership won with friends is sweeter than a premiership won with simply team mates. Enjoying each other's company, their presence and support is key to success and again, this shines through the photos and just the fact that so many of these women still have a special bond and friendship after 21 years and are still strongly connected to our amazing club is testament to this. So you could say, this team was well before their time. They had what elite athletes are trying to emulate week in week out, what our current players strive for and what we can only hope to achieve in our future. Congratulations ladies.

## PLANT PICK PLATE

I have received my recently ordered vegetable and herb seeds. The punnets having been sown, the tray sitting on my table in bright light awaiting the emergence of the tiny green sprouts. I was delighted to also receive a complementary Companion Planting Guide. This beautifully illustrated A2 poster contains a wealth of information on both pest repellent and attractant plants to suit home gardeners.

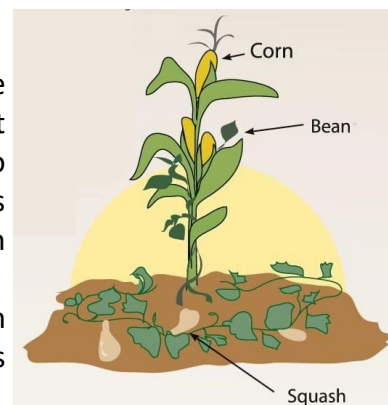

Scanning the list of flower companions where Marigolds and Nasturtium feature prominently, a whole range of herbs are also listed as companions to the vegetables and fruit in the garden.

It make sense to plant your herbs in amongst the vegetables or along borders to gain full advantage of repelling pests, while planting the insect decoy plant away from your precious crop. Interestingly, there is also a column on plants that are not friendly to others and need to be planted apart. Gardeners must avoid planting these side by side. The humble Potato and the popular Tomato, members of the Solanaceae family, feature here regularly. Avoid closeness to Apple, Asparagus and Berries. The Pear, Cherry and Melon are also not companions and neither are the Zucchini, Pumpkin, Turnip or Silverbeet friends with the Potato or Tomato.

So what is it about these two vegetables the restrict the growth of its neighbour and causes disquiet in the garden?

Apart from being hungry and absorbing the soil nutrients, the only other reason I could conclude was due to disease. Spotted wilt can infest these Solanaceae vegetables. The Aphids are attracted and subsequently spread the disease to other plants. As gardeners know Aphids are regular visitors to the garden and can create decimation en mass. Consequently, my Potato and Tomato plants will be planted in isolation with their only companion and friend, the Sweet Basil.

**Passionate Gardener, June.**

## ST. PATRICK'S SCHOOL

Greetings to the Holbrook Community

Last week we embraced the Olympics at St. Patrick's School. A huge thank you to Mrs Melbourne for her organisation of the event. It was fabulous to celebrate in Green and Gold our country's achievements in a fun if not slightly competitive way.

Stage 2 continued with the Olympic theme writing a poem to celebrate a local hero.

### A Local Hero

Add it up and have a chat

Amazing years..... 33

Definitely better than me!

The students began their interest based, multi age group projects for **STEM**. Students will study either chemistry, the environment, How things are made?, the Universe or Coding. This is in addition to their Science and Technologies lessons. I look forward to sharing their learning journey with you over the next 8 weeks.

This week I would like to start to introduce our staff to the wider Holbrook community.

### **Meet the Teacher:**

Miss Rhiannon Dally joined us at the beginning of the year. Miss Dally brings with her a wealth of

knowledge particularly in K/1/2 and is Reading Recovery trained. When asked what she enjoys most about St. Patrick's School she responded, *'I love the culture and the environment. The staff and students are awesome. The school is well resourced and the students have an abundance of opportunities to grow in their learning. No idea is impossible at St. Pats'.*

If you would like to know more about the opportunities we can provide your children at St. Patrick's School please call the office (6036 2288) to make an appointment to have a school tour. Transition to school packs are available from the school office.

May God's Blessing be with you all,

## BILLABONG HIGH SCHOOL

### School Improvement Plan Updates

**Improving Literacy and Numeracy Results:** We continue to tick the boxes on our improvement journey. The Learning Hub has extended its role and is now supporting students in Years 10,11 and 12 to successfully achieve the HSC minimum standard. Since the beginning of the year, over 150 students have worked with the Learning Hub tutors resulting in students receiving targeted support in literacy and numeracy.

**Improving HSC Results:** Year 12 students have continued to display maturity towards their studies and have worked consistently throughout the senior course. To further support our Year 12 students in the lead up to their HSC exams, we will conduct study sessions in the two weeks after the holidays. The Year 12 students can work in the senior study each day if they would like and their teachers will be available to assist them.

## HOLBROOK PUBLIC SCHOOL

**Transition to School** - Our Transition to school program began this week with our Kinder 2022 class coming to school for a Teddy Bears' Picnic and some craft activities. Our new students looked very much at home here at Holbrook Public and their Year 5 buddies were thrilled that orientation had finally begun. The next orientation session will be on Wednesday, 25 August, 12:15 – 1:30 p.m. which will coincide with our Book Week Celebrations. We are still taking enrolments for 2022 and look forward to welcoming you! Please phone our office for more information or a school tour.

**Southern Riverina Athletics** - Congratulations to the 34 students who competed at the Southern Riverina Athletics Carnival in Albury last week. It was wonderful to see our students supporting one another and showing great sportsmanship throughout the day. With many Holbrook placegetters, we came away with the handicap and overall trophies. The Riverina Athletics Carnival will be on Friday, 20 August.

**Debating** - Our debaters did an outstanding job to deliver succinct arguments in their fourth and final debate. The topic for the debate was 'That we should never keep scores in sports that involve primary kids' and Holbrook passionately argued the negative. Although coming away with a loss, our team should be extremely proud of their growth during this competition, as they have all keenly applied feedback after each debate and have flourished in their public speaking skills.

**Red Ball Tennis** - Our Year 3 and 4 students participated enthusiastically in the Todd Woodbridge Cup Schools Team Challenge held at Henty. They had a short lesson about the rules and then delved into a series of 6-minute matches for three rounds. Out of eight teams from Henty, Walla Walla and Culcairn, Holbrook Navy held 3<sup>rd</sup> place in the finals and Holbrook Gold held 5<sup>th</sup> place. The sportsmanship displayed was impressive, especially as the players needed to collaborate with their opponents to keep score. Numerous Holbrook students stood out for their ability to self-umpire, a skill focused on during students' Bluearth sessions.

## HOLBROOK PONY CLUB ACTIVITIES

Holbrook Pony Club has been having regular monthly rallies amongst other events. Scheduled for the 1<sup>st</sup> Sunday of the Month to fit with the Zone Pony Club calendar we did defer on Sunday 1<sup>st</sup> August to watch the Olympic Equestrian cross country. One of HPC's early members, Andrew Hoy, was riding and what a lesson he put on for the world to see!!

So – back to the present. We held a rally on Sunday 8<sup>th</sup> with new and existing members and practiced a variety of activities including sporting games, jumping and activity course.

Saturday 14<sup>th</sup> will see many members have lessons with the very successful eventing rider, Teegan Ashby from Howlong. The lessons will be both flatwork riding and jumping and all ages of riders are taking part.

Holbrook Pony Club is scheduled to host our annual Competition Day on Sunday 31<sup>st</sup> October. Riders from any Club are invited to attend our 'Star Challenge' and compete in 5 events; Led Handler, Riding, Sporting, Activity Course and Showjumping.

The next monthly Rally will be Sunday 5<sup>th</sup> September at the Holbrook Equine Centre. New riders are always welcome to come along and ride or just watch. Trial/day membership is available and Service NSW Kids Vouchers can be used for memberships.

Join Holbrook Pony Club on Facebook to keep up with notices and events.

## NEW SERVICES AT VECARE

We would like to welcome Lauren Barrett, a Registered Psychologist operating **Regenerative Psychology**. She would be providing Psychology services to the local community from the Vecare Health Rooms, every third Friday at 84 Commercial Street, Walla Walla, and other Fridays at 115 Albury Street, Holbrook along with an option of Telehealth.

Lauren approaches her work with clients with a warm and collaborative approach to assist them to reach their goals and achieve recovery. If you are going through a significant life change or experiencing symptoms of depression, anxiety, pain, trauma or another mental health condition, psychological treatment with Regenerative Psychology may be able to assist you. Lauren engages in evidence-based practice and an eclectic approach tailored to each individual's personal needs.

Regenerative Psychology provides services privately, under a GP Mental Health Care Plan, and through NSW Workers Compensation and CTP. Lauren can provide individual treatment and comprehensive psychological assessments and is currently accepting clients aged 16+.

**Douglass Hanly Moir Pathology (DHM)** is delighted to have opened a pathology collection centre within Vecare Health Medical Centre. Currently we are open 5 days a week from 8:30am to 12:30pm. This Centre establishes DHM's presence in the Holbrook community and marks our long-term commitment to provide the premium pathology service which it deserves. With our convenient opening hours and highly skilled and experienced staff, we are here for the long term. We can collect most tests locally that

previously you would have had to travel to Albury or Wagga (eg. 24-hour BP monitoring, Holter Monitoring, Genetic testing) plus almost all blood tests requested by your GP or specialist. We also accept all request forms.

If you have any questions regarding any tests, please feel free to talk to us at our collection centre within the medical centre or phone us on 9889 9389.

DHM's NATA-accredited laboratory is located at Calvary Hospital in Wagga Wagga. Most of the tests which your doctor may request are performed there, allowing a rapid turnaround time for results.

More specialized and complex testing is performed at our main laboratory in Sydney, where specialists in each branch of pathology are available for consultation by local doctors when necessary.

The close association of our regional laboratories with our main laboratory gives referring doctors the convenience and efficiency of local services, backed by the strength and resources of the largest private pathology facility in Australia.
