

## HOLBROOK NETBALL CLUB JUNIOR PRESENTATION

The 2021 season while better than 2020, was still far from anything you would consider normal. Would we have loved to have played finals? absolutely, especially when every single junior player in the Holbrook Football Netball club qualified to play finals, it is a disappointing way to finish such a successful season. However, it is important to be grateful for what we have and have had. I would like to personally thank the Holbrook Netball Committee who tirelessly work behind the scenes getting the grants to fund the upgrades we so adore, to develop and adopt the policies and procedures to ensure everything is fair and just, to be on top of the ever changing COVID policies and making sure everyone is following the new and most up to date rules and regulations and all the other jobs that need to be done to ensure your children can turn up and participate in such an amazing game representing such an amazing club. Thank you Prue Pincott, Jess Barr Smith and Soph Hearn as my Exec and for the million text messages to discuss our best course of action each and every time a decision needed to be made, and the general committee Carla Black, Trudy Jenkyn, Vicki Wornes, Kelly Boers, Hope Mackinlay, Kayla Sharp and Dakota Bennet for all bringing your expertise, dedication and moral compass to the club to help guide the many individuals with whom we are lucky enough to lead through their netball journey.

I would also like to thank the coaches, managers, parents, umpires, strappers captains, canteen bosses and minions, our Under 17 girls for stepping up to fill in for our senior teams and smashing it every single week and the players for playing the game and choosing Holbrook Netball Club to be such a big part of your lives

# Library Complex

holbrooklibrary@greaterhume.nsw.gov.au

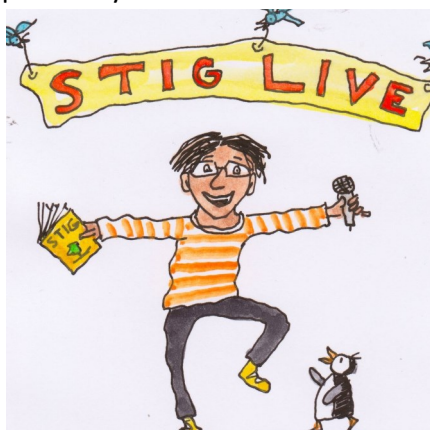

Ph: 02 6036 0173 **OPENING HOURS** Mon—Fri: 8.30am-5.00pm

We have a few interesting, amazing and entertaining things planned for Holbrook Library's social media, both Facebook and Instagram.

For all of you who have Facebook and Instagram, we encourage you to follow us to not only be in the know as to what's happening at the library but also for some great entertainment. Our latest venture is focused around the school holidays. So with the kids in mind, we have teamed up with Australia's most loved audio book narrator for young adults, Stig Wemyss. A few years ago Stig was our guest entertainer during Book Week and the kids LOVED him.

Stig has created some stand up comedy videos with themes such as Parents, School, Pets. We have the licence to his first one, titled Siblings. Guaranteed to be FUNNY. Stig performs his stand up comedy at The Rubber Chicken, Melbourne's comedy hub. We have the licence for two weeks. To watch please go to ghc\_libraries on Instagram or Holbrook Library Complex Facebook page. Don't forget to follow us and Like us whilst there! And let us know if you'd like to watch another Stig stand up comedy!

## Free event

At The  
Holbrook Library  
Thursday 21<sup>st</sup> October  
10.00am to 12.00pm

Learn to use Zoom & QR coding and assistance with technology. Get your own QR code card to use when visiting shops, cafes etc. Includes lunch. We will have a QR code lucky dip where the winner wins a meat tray. Bookings essential  
Phone: 02 6036 0173

## Bath Bombs

Make it at home while watching our online tutorial

Pick up your free Bath Bomb making pack from all Greater Hume Council/Library Offices

Available from:  
Friday 24,  
September from  
10:00am

The library gave away some soap making kits this school holidays. Hayden loved making her soaps and sent this photo to Holbrook Library to say thanks for giving her the soap pack. Thanks Hayden!

## NEWS FROM HOLBROOK HOSPITAL

Hello Holbrook Community,

I appreciate these times are challenging for everyone. While staff at the hospital are working hard to support the community and our residents we'd also like to thank you for doing your part to keep the community safe and well.

Some updates from the team at Holbrook Health Service:

- 1) This year we have had above average rainfall throughout winter that can result in increased grass growth and higher pollen counts during the Spring Thunderstorm Asthma danger period. The 2021 Spring Thunderstorm Asthma Danger Period has been identified as the 18<sup>th</sup> October until the 14<sup>th</sup> November.

### Our continuing message to the public is to:-

- See your Doctor for an Asthma /COPD Action Plan (or review of your current plan)
- Use preventer medication for all the weeks of Spring,
- Use a reliever (Blue Puffer) with a spacer if having breathing problems
- If your breathing does not improve, go to hospital immediately
- Call 000 for an Ambulance

For more information please visit: <https://asthma.org.au/about-asthma/triggers/thunderstorm-asthma/>

- 2) COVID alerts – We are currently on Amber Alert. Under these current conditions the following visitor restrictions apply:

### Visitors to Hospitals and RACF

- Facilities may allow limited visitor numbers
- Each patient is allowed two (2) visitors for a maximum of two (2) hours at a time
- Patients are not required to have designated visitors
- Visitors must don continuous surgical mask wearing on entry to a Health Care facility included Aged Care

Please note changes may occur at any time and we recommend contacting the Hospital prior to visiting if you need to travel to ensure you are not inconvenienced when you arrive by any changes to restrictions. We appreciate your understanding while we all navigate our way through this difficult time.

- 3) We would love to introduce Kayla Hill to the community. Kayla is our new Deputy at

Holbrook Health Service and began working with us a couple of months ago. Kayla was previously employed at Albury Wodonga Health where she was the In-Charge Registered Nurse of the Medical 2 Ward and also backfilled the Nurse Unit Manager for leave relief. Kayla is passionate about providing exceptional quality health care to the community and also brings with her solid leadership skills to support her team in the process. Kayla looks forward to meeting members of the community and working with the LHAC and Auxiliary to support the needs of the Holbrook Community.

- 4) We welcome your feedback to continue to improve our service. Please email Emily Heinjus (Facility Manager) [emily.heinjus@health.nsw.gov.au](mailto:emily.heinjus@health.nsw.gov.au) and Kayla Hill (Deputy) [kayla.hill@health.nsw.gov.au](mailto:kayla.hill@health.nsw.gov.au) with any of your thoughts or ideas of how we can best serve the community. With hopes that the focus can start to shift from COVID to other projects soon, we are keen to engage with the community and find out what it is the community really needs from the Health Service.

From the team here at the Holbrook Health Service we wish you good health.

Kind Regards

Emily Heinjus

(Facility Manager Holbrook Health Service)

## MEN'S SHED

Hi from the Men's Shed. Not a lot to report on this week although we are slowly progressing work at the new shed. The disabled toilet is almost complete, the plastering was finished on Monday so it's now just a matter of installing the fixtures and painting and tiling.

We have started work on the kitchen, which is second-hand and was donated, so it is a matter of making it fit into the space that we have set aside.

We also had a ten foot shipping container delivered on Tuesday which is going to be used as a lockup tool store, so things are still moving ahead. Meanwhile we are still operating out of the old shed on Wallace Street Wednesdays and Thursdays.

## HOLBROOK LANDCARE

**Are you planning to take advantage of the predicted wet summer by sowing a summer active pasture?**

Holbrook Landcare has just secured funding from MLA for five years to run producer demonstration sites across the region looking into the opportunity of sowing subtropical and other summer-active pastures.

This is to support producers already trialling pastures, those that want to try them and to increase knowledge and skills in the region to maximise the chances of success.

We'll be looking across the spectrum of activities, from pre-sowing weed management, to sowing, to grazing management and everything in between. We are planning to bring everyone along on the journey with us – farmers and agronomists, seed companies, and also have the backing of NSW DPI expertise.

If you would like to be involved in the project, either as a potential demonstration site or as an observer, please get in touch with the office.

**Spring Soil Testing:** Spring is here and now is the time to undertake your annual soil testing. HLN offers hassle-free soil testing for members. Simply contact the HLN office to register and collect your sample bags and soil sampling equipment.

After you return the samples and equipment we'll process and send the samples away to the lab and send you the results. Prices, registration forms and information on sampling is available on the Holbrook Landcare website.

We are now also offering other options for soil sampling, including assistance with incremental soil samples. Contact us for more information.

## WOOLPACK INN MUSEUM

It has been very quiet at the museum of late. As with all other businesses in town, we were closed for 4 weeks due to the lockdown and after re-opening the number of visitors remain greatly reduced.

On a brighter note we have recently received a lovely donation of a pair of silver cufflinks that were presented to Mary Prendergast on the occasion of her retirement from teaching at St Patrick's School in Holbrook. Mary taught at the school from 1872 to 1877 and in 1879 married John Purtell. Why not pay us a visit to check out Mary's cufflinks and the other exhibits at the museum.

It was with regret that we decided to postpone our 50<sup>th</sup> Birthday Open Day Celebration in November this year. Hopefully we will be able to hold this event in early 2022.

We have an urgent need for more volunteers to keep our doors open. If you can spare a half day a month to help us out it would be greatly appreciated. For further information call in and see Bert at the museum or phone Wendy on 0488 062 669.

## THE HOLBROOK PHARMACY

The Holbrook Pharmacy has a new range of Ashdene Insulated drink bottles and Ashdene reusable shopping bags.

We also have new stock arriving daily.

Hours of operation:

Mon-Fri 9-5pm (we close for lunch 1pm-1.30pm)  
& Sat 9am-12noon.

Phone: 02 6036 2055 Mobile: 0482 648 982

Fax: 02 6036 2360

Website: [www.holbrookpharmacy.com.au](http://www.holbrookpharmacy.com.au)

## ANGLICAN NEWS

The recent Covid Lock Down at Albury extended to many Holbrook folk in Holbrook who had been to Albury in the preceding week. The Lock Down impacted on me as I had been to Albury which meant I had to isolate and could not be at worship on Sunday 19th.

Chatting with a lot of our church members revealed that they had been to Albury and also had to go into Lockdown. With this information at hand the Parish Council decided to cancel worship on the 19<sup>th</sup>. The decision to cancel worship due to the Covid carried into Albury by someone made me angry because it should have not happened.

What do we do with anger? Saint Paul wrote in the book of Ephesians Chapter 4 verse 26: *"Be angry, but do not sin!"* Even Jesus got angry and drove the traders out of the temple because they were violating a Holy Place, but He did not sin. I, like Jesus, was angry with the Covid, but did not sin, what do you do with anger? It is no good keeping anger pent up inside because it can do one of two things, it can make you aggressive, or depressive.

Anger and frustration must be worked through and worked out of your system in a healthy way, e.g., physical activity, telling people how you feel and why, writing down what you feel, etc, are helpful. Appreciating the good things that we have also helps us focus on dealing with anger, e.g., think of those overseas who either, cannot get back to Australia, and those who cannot leave Australia to visit loved ones. We can also pray and thank God that you do not live in Afghanistan.

In spite of the Covid Virus we have a future, and we have to appreciate that *"every day we have is a gift from God, what we do with our day is a gift to God."* Do not waste your day being angry, instead do something good.

The 100th Anglican Flower Show has been downgraded due to Covid restrictions. This event will go ahead on November Saturday 6<sup>th</sup> beginning at 9am as a **"Mega Plant Stall and Sale"** at our Op Shop in Albury Street Holbrook.

We are blessed to be running this event in conjunction with the Holbrook Community Garden Committee. Morning Tea will be available and we will cut a special centenary

celebration cake at morning tea which has been made by Joan Rainbird. A Monster raffle draw for a quilt and other goods will take place during the day.

Best wishes from the Anglican Church at Holbrook and Woomargama.

Reverend Stephen Davis, 0429 845 525.

## GREATER HUME COUNCIL NEWS - SEPTEMBER

Council resolved to write to the NSW Government to withdraw the Environmental Planning and Assessment Amendment (Infrastructure Contributions) Bill 2021 from NSW Parliament. Additionally, Council will call on the NSW Government to undertake further consultation with the local government sector on any proposed reforms to the infrastructure contributions system. Council will also seek a meeting with Justin Clancy, Member for Albury, to discuss the likely impact the Bill will have on Council, our community and ratepayers.

Cr Doug Meyer OAM was voted as Deputy Mayor which was put to open vote at the Council meeting.

Council reaffirmed its delegates for various organisations / committees where Council is represented for the remainder of the Council term.

Council will enter into a Partnership Agreement with Service NSW for Business. Service NSW for Business provides free, personalised support to small business owners, to help them understand industry regulations, to guide them through transactions, and to access support.

The 2020-2021 Financial Statements were adopted as presented.

The Greater Hume Energy Savings Action Plan (ESAP) was adopted. The ESAP has identified that initiatives undertaken to date have resulted in a 48% reduction of net electricity usage.

Council agreed that the operation of the Greater Hume Disability Inclusion Action Plan 2017/2021 will be extended to the period 30 June 2022.

Council are currently reviewing the Community Strategic Plan. There are a number of opportunities for the community to contribute to the development of the plan. The Council website also advises other means to engage with us.

## MEALS ON WHEELS

As the Covid – 19 pandemic continues, we all need to stay at home as much as we can. Holbrook Meals on Wheels can help you to stay well-nourished and stay in your own home by ensuring that your meals make a positive contribution to your nutritional needs. We can support you to make informed menu choices to ensure you are getting a well-balanced meal, designed to nourish your body.

We can also help you with your shopping needs and transport to appointments. Although you must be registered with My Aged Care and have a referral it is very simple to arrange. Call 1800 200 422 or call us on 02 6036 3677 and we can help you.

Although our staff are working as usual, while Albury remains in lockdown our office door will be locked for general entry. You can still call in, just ring the bell and we will meet you at the door for screening prior to entry. We are trying to keep everyone safe, clients, volunteers and staff.

There is a great deal of scientific research that highlights the unique nutritional needs of older adults. Malnutrition can be a problem for older people living in the community for a range of reasons, including having a reduced appetite and/or illness. According to the National Meals Guidelines "It is estimated that 5-8% of older Australians living in the community are malnourished. An additional 35-39% are considered to be at high risk of malnutrition." Malnutrition can cause loss of muscle and loss of strength and mobility, increasing the risk of falls and fractures, also osteoporosis, slower wound healing, increasing the length of stays in hospital and, potentially, reducing an older person's ability to stay in their own home and contributing to premature death. It is much easier to prevent malnutrition than to treat it in older adults.

Having meals delivered should not be seen as a last resort. Meal services may be suggested to older people who are unwell and this service may only be needed in the short term until the person recovers and is able to prepare their own meals again. Alternatively, a meal service can also be provided to a person who requires ongoing assistance with meals to support functional independence and wellbeing. We are happy to discuss your needs.

The provision of a meal each day can be an enabler that can improve opportunities for increased participation in life's other roles, such as meeting friends or engaging in activities. Home delivered meals also have the added advantages of providing an opportunity for social interaction and the potential to monitor a person's health and well-being – they are 'More than Just a Meal'!

Don't forget our social support services – if you are feeling lonely or would just like someone to phone you on a regular basis to chat and check all is well, let us know. We will be happy to arrange a friendly volunteer to make a regular call to you.

If you would like more information on meals or other services we can provide, please call into the office or give us a call on 02 6036 3677 or you can call My Aged Care on 1800 200 422.

## HOLBROOK PUBLIC SCHOOL

It was wonderful to welcome our students back to school, if only for one week, after four weeks of stay-at-home orders which saw the high majority of students learning from home.

Many thanks to all parents and carers for the vital roles they undertake in our community, both at work, and through actively supporting their children to engage with the learning provided by the school throughout lockdown.

This was an enormous task, and extremely challenging at times, but it has been comforting to hear many positive stories of connection, learning and success throughout this period. Many parents expressed that they now understand their children as learners much better.

I would also like to sincerely thank our staff who have gone above and beyond to provide, and support, students in learning from home, whilst also at times being rostered on at school to support the children of essential workers. The school was able to provide over twenty families with a laptop loan, book donations, Food Share hampers and other forms of wellbeing support.

Our vegetable garden has certainly been enjoying the sunshine and spot of rain over the last few weeks! Students and teachers have been seen picking certain vegetables from the garden to add to their lunch. An invaluable addition to our school grounds!

Next year, a new permanent Assistant Principal position, four days per week, will begin at Holbrook Public School. The Assistant Principal, Curriculum and Instruction role will be an instructional leadership position designed to increase teacher capacity and student performance in the areas of literacy and numeracy. Applications for this position have now closed and we look forward to announcing the successful applicant and seeing the benefits this position can provide staff, students and the community.

## PLANT PICK PLATE

The recent continual rain has exposed a spongy, wet site in my garden. The water pools at the fence line then flows through my purpose dug drain and away from my productive garden. However, the soil is still soaked and has become sour and unproductive. My solution was to place a raised garden bed on this area, keeping the drain open. I recruited my garden helper with his marvellous construction skills then it was just a matter of obtaining friable soil as fill.

I arrived at the soil and gravel centre with a number of requirements. Loam is what I required! This is a soil that has a gritty texture, must bind together yet also crumble. There must also be an incorporation of compost materials and sand together with well matured manure (no smell).

I was directed to a soil pile which appeared suitable. I squeezed the soil then produced my pH Test Kit and took 2 samples for an accurate result. One from the outside of the heap then another further within.

Correct PH releases elements and micro elements into the soil to be taken up by the plants thereby encouraging healthy growth. The pH scale ranges from 1–14 with 7 neutral and optimum pH for productive plants. An Acid soil range is 1–4 which can be corrected with the application of Lime. An Alkaline soil range is 10–14 and will require the application of Sulphur to lower the pH. My tests indicated this loamy soil on the edge of Alkaline 9–10. I have added my home made compost and Sulphur, waiting a few days, then another test for pH prior to planting. The soil salesman looked at me curiously until I advised the soil was close to ideal. The raised garden is fantastic and I can't wait to plant.

**Passionate Gardener, June.**

### 1<sup>ST</sup> PFIZER VACCINE IN HOLBROOK

## LADIES' BOWLS

Roll Up , Roll Up , Roll Up. Hello to all from the ladies at Holbrook Bowls.

On Wednesday 15<sup>th</sup> September a very small group of our ladies met at the Club and had a bowl together, in what was a return to Social Bowls coming out of restrictions. It was a lovely day weather wise, and was even better just loosening up the old limbs and catching up for a good ole chin wag as well. Hopefully next week we have a few more ladies, back ready to get into the swing of things, and enjoy our wonderful sport again. In saying that, I don't have much news to report on, so I thought that I would like to introduce you all to some of our members by way of "Player Profile", or just to give a little bit of inside "goss" on who some of our members are.

I would like to start with our President: Marlene Thurling.

Marlene is a happily married, mother of two daughters, and has three grandchildren. She enjoys reading, and loves to get out into her garden as much as she can. Marlene also in her younger days, played other sports such as hockey and netball and, a few years back now, was drawn into lawn bowls by way of playing in a team of twilight bowls, which she thoroughly enjoyed. This led Marlene into joining the Holbrook Ladies Bowling Club in November 2007. Since that time she has participated in Social Bowls, all Club games, and has been successful in most events (team and or club singles).

Marlene has played in Pennant Bowls and has been part of a winning team in Grade 4 level in season 2016, also in Grade 2 Pennant in 2018. She has represented the Riverina District in

the Ruth Reiher Trophy and the Friendly Games, which are played against Central District. Marlene has played in District and Regional events being a valued team player, winning in the District Fours twice, once making it to the State

Finals. She has also been a valuable team player in all tournaments that she has been a part of, including the Odewahn Shield, giving her competitive best and being supportive to both Ladies and Mens bowls.

Marlene plays an instrumental part IN organising and promoting our very own Marjorie Winnett Invitation Pairs Tournament each year, doing an incredible job each time, making this tournament a much anticipated event on our Annual Calendar. Marlene has been on Executive Committees for both District and Club levels, being a wonderful President of our Club, giving 6 out of 7 years service, working above and beyond, both publicly and behind the scenes over her time in these positions. All in all Marlene is a great club member.

It would be great to see some new faces around the greens, so if you would like to come along have a try at lawn bowls don't be shy ladies, I am sure you will enjoy yourself.

Holbrook RS Club at 6.00pm

**Seeking vet nurse to join the team**  
**Apply with resume to**  
**[caity@holbrookvetcentre.com.au](mailto:caity@holbrookvetcentre.com.au)**

#### FEATHERWEIGHT SPONGE BY HOPE

4 or 5 eggs (*I use 5 unless using a smaller tin. Eggs at room temp. at least 2-3 days old*),  $\frac{3}{4}$  cup castor sugar  $\frac{3}{4}$  cup wheaten corn flour, 1 rounded tablespoon custard powder,  $\frac{3}{4}$  teaspoon cream of tartar,  $\frac{1}{2}$  teaspoon carb soda. Sift all four dry ingredients together. Separate eggs – pinch of salt in the whites, vanilla in the yolks. Beat whites till they hold shape, gradually add castor sugar, beating briskly, lastly add egg yolk and beat for a couple of minutes. Reduce speed to slow on Mixmaster or fold in dry ingredients. (*I do it all in my old Mixmaster*) Prepare the tin by spraying with cooking spray, line the base with cooking paper and spray again. I think the secret to the cake is a deep tin. 2x sponge tins – 21cm across & 7cm deep

large tin – 29cm across & 8cm deep 4 egg mix tin – 23cm square & 8cm deep.

Pour mixture into tin, I tap mine on the floor or bench to reduce air bubbles, before placing in oven to cook for 25 – 26 minutes, check it is cooked before taking out of oven.

Oven Temperature: 175° F (old oven) or 250° C (modern oven)

Remove from oven when cooked onto grease proof paper to cool.

Slice cake with serrated knife when cool and fill with lemon filling & whipped cream. Ice with passionfruit icing or dust with icing sugar.

NB reduce quantity of corn flour and add a tablespoon cocoa to make chocolate sponge.

HAPPY BAKING - YOU CAN DO IT!!

### Emergency Readiness Project Worker Short Term casual contract

We are seeking an enthusiastic worker to assist older people to participate in an exciting new project.

Using the ACT! Emergency Toolkit, the project aims to support and empower older people in the Greater Hume Council area to discuss and plan for emergency events, such as bushfire. Funded via the NSW Government Bushfire Community Recovery and Resilience Fund, administered by Greater Hume Council, the project will commence in mid-October.

This position requires a self-starter, who has excellent communication skills, is well organized and has the necessary skills to plan and complete tasks within project deadlines. You must be empathetic and patient, able to communicate and connect with older people, some with diverse needs.

The majority of the project work will be conducted within the participants home environment and will involve multiple visits to the home over several weeks, therefore you must have the ability to work independently, as well as part of our team. As an inherent part of this role will be face to face with vulnerable peoples, you must be fully vaccinated against influenza and Covid-19.

You must have your own vehicle and a current driver's license, with a good driving record. You will be paid vehicle reimbursement when using your own vehicle for project purposes.

The successful applicant will be required to undergo a National Criminal Record Check and provide evidence of current Influenza and Covid-19 vaccination.

This contract position is for a period of 12 weeks and will be 15-20 hours per week. Salary and conditions are in accordance with the Social, Community, Home Care & Disability Services Industry Award 2010 (SCHADS Modern Award) in accordance with experience and qualifications.

Applicants must obtain an Information package and ensure they address the Essential and Desirable criteria set out in the Position Description.

The package is available to interested applicants by calling our office 02 6036 3677 or via email to:

[office@holbrookmealsonwheels.com.au](mailto:office@holbrookmealsonwheels.com.au)

Applications close on 12/10/2021
