HOLBROOK FOOTBALL CLUB - JUNIOR PRESENTATIONS

The Holbrook Football Club would like to thank the committee, coaches, players and parents for the wonderful season. The Under 14's, under the watchful eye of Adam Preston, Richard Jenkyn and Simon Greenhill, ended up top of the table and were looking strong for finals. The Under 17's being lead by Travis Cox finished second on the ladder and also in a good position going forward. Thank you for your time and effort. Sunday saw the Club get together to celebrate these achievements and hand out our awards. They included:

HOLBROOK LANDCARE

Recruiting: Holbrook Landcare is seeking two enthusiastic and passionate people to join a skilled and dynamic team, working to make positive changes to landscapes and communities in our region. The positions are for Local Landcare Coordinator and Project Officer—NRM & Sustainable Agriculture. Contact the HLN office, or go to www.holbrooklandcare.org.au, for a copy of the Position Descriptions. Applications close 24 October 2021.

Dung Beetle Workshop (online):

28 October from 12.30pm-2pm.

In conjunction with Corowa Landcare, HLN will be hosting an online workshop to equip landholders with the skills and knowledge to identify & monitor their properties for dung beetles.

The workshop includes a presentation from Dr Russ Barrow from Charles Sturt University's Dung Beetle Ecosystem Engineers. Please email Phoebe Gulliver (phoebegulliver@holbrooklandcare.org.au) to register your interest.

An update on the **Bushfire Recovery projects** being carried out in the Upper Murray/Tumbarumba areas. These have been funded through the Aust. Govt Wildlife Recovery Community Grants.

- 450 paddock trees & guards have been distributed to impacted landholders to sure up links in our landscape.
- Over 2000 plants have been distributed for replanting shelterbelt links, stabilizing erosion and waterways.
- 44 landholders & 25 site visits and plans are underway for many fencing & reveg projects.
- Refuge area assessments are on track to be completed by the end of October.

There have been great reports of Gang Gangs and other birds reappearing, gliders sightings and plant recovery - got to love the resilience of Oz landscape and the people that live in it!

Holbrook Landcare AGM – 9am Thursday 11 November at the Holbrook Landcare office and via Zoom. If you are interested in joining the HLN Board then please contact the office for a Nomination Form.

LADY GAIL'S TALES

How do animals tell the time?

Poppett, the shop cat, presents herself every afternoon between 4.30-4.45pm, to come inside for the night. Well trained you may say. However it is she who has me trained to open the door for her on demand. The look I get if I am a bit slow! As of Sunday, we moved to Daylight Savings time. Yet she still rocked up at 4.45pm by the clock. How does she know?

On the subject of Daylight Saving, I've never been a fan. Over the winter months I could see the benefits. Summer, when the days get longer naturally anyway, I don't get it. Some say you garden after work. It's too hot, I'm too tired. I'd rather garden in the fresh of the morning before work. Garden, shower, breakfast, fresh to start a day's work.

LEST WE FORGET – DOUGLAS CARRINGTON

Trooper Douglas Carrington of Yarrara Station, near Holbrook, was born in 1883, the eldest of ten children born to Henry and Annie Carrington.

Heeding to the Empire's call to arms, Carrington enlisted in the Australian Light Horse in early 1915. Douglas wasn't the

first of the four Carrington sons to enlist. Gordon had joined up a few months after the declaration of war. Fred had attempted to enlist, however, was turned down due to being unable to meet medical requirements. John the fourth son, eager to join his brothers in the fight put his age up to nineteen and passed recruiters although he was only fifteen.

Having been posted to the 11th Light Horse Regiment, Douglas embarked for Egypt, arriving in July 1915. The regiment began training, leaving for Gallipoli a month later, staying on the peninsula until it returned to Egypt upon the evacuation.

Writing to his mother from Egypt, Douglas told of getting a bit of action. As the regiment got under fire a horse kicked him in the head, giving him a slight gash but nothing, he wrote to be too concerned about. Carrington explained with humour how he'd had a bag of bombs at the time and if they'd got the kick, he would've ended up on the casualty list.

On the 19th April 1917, during the Second Battle of Gaza, Douglas was wounded and while he was being carried by his comrades, the party was caught by shell fire, resulting in the death of Douglas and two others who were carrying him.

Douglas Carrington is buried in Gaza War Cemetery, Palestine. He was said to be a soldier of great courage. A favourite among the men, always willing to lend a hand, a fine example of what it truly means to be Australian. Douglas' death was the first Carrington son lost to the war, but not the last.

ANGLICAN NEWS

The new N.S.W. Covid Regulations which go through to December 1, will be in place at the Anglican Op-Shop and our Worship services. The Covid Regulations require people to be able to produce proof of having had 2 Covid shots, or having had 1 shot and have an appointment for the next. If you do not have either of the above, we ask the Op-shop patrons and our worshipers to respect these rules and not attend our premises. These regulations will apply to our 100th Flower & Plant sale on 6th November.

The 100th Anglican Flower Show has been downgraded due to Covid restrictions. This event will go ahead on Saturday 6th November beginning at 9am as a "Mega Plant Stall and Sale" at our Op Shop in Albury Street Holbrook. A special Morning Tea will be available and we will cut a special centenary cake which has been made by Joan Rainbird. A 'Sunflower Quilt' and other items will be raffled on the day and tickets are on sale now.

I often wonder what the world have looked like a 100 years ago and what it was like to live back then? Trains were popular, horse drawn vehicles were being replaced by motorcars and motorcycles, electricity was becoming available,

PROBUS

How good was it to be able to hold our meeting on Tuesday 28th September after 3 months missed due to COVID? 17 of our members attended with some on the sick list and long time member, Arthur Liston passing away.

After a short meeting President Cath Jones introduced our Guest Speaker, Ms Melanie Dusterhoft-Mavrick, the Principal of St Patrick's Primary School. Melanie took us on a journey of her teaching career which began in Sydney until now in Holbrook. One school in particular was of great interest- a small indigenous school in WA. Ms Dusterhoft-Mavrick has introduced many new and innovative programs to the school's curriculum and is looking forward to the extensive renovations being completed. Thank you Melanie.

Our next meeting will be on Tuesday 26th October, 11:00am at the RS Club. Unfortunately there will be no lunch available at the club.

and community centres, towns and villages were developing. You had to do your washing by hand and there was no plumbed water, there were no screen doors, no refrigeration, etc. Would you choose to live back then or live now? Jesus said; *"No one puts their hand to the plough and looks backward,"* (Luke's Gospel chapter 9 verse 62). In other words, *"move forward with life, appreciate the past and learn from it, but do not desire to live there."*

One hundred years ago there were no vaccines and antibiotics, and if you got ill your chance of survival was 50/50. Today our chance of survival is about 90%+ thanks to medical science and God's grace. Our life span is now longer and the quality of our health is much better, therefore I do not have a desire to live back then. We all progress through life and have to make changes which usually work out for the good of all, and I support the Covid vaccination programme because, I am not fearful of dying, however, I am concerned that I may contract Covid-19 and pass it onto someone and they die from Covid.

With the new N.S.W. Covid -19 restriction in place I ask that we all work at being safe and keeping each other safe by respecting the rules and respecting each other, be you vaccinated or not. Keep moving forward. Best wishes from the Anglican Church at Holbrook and Woomargama.

Reverend Stephen Davis, 0429 845 525.

Our Annual General Meeting is being held on Wednesday 27th October, 10am at the Library meeting room. Why not come along and join us? Everyone is more than welcome to attend. The meeting will be followed by refreshments. If you are planning on coming along please RSVP to 6036 3677 (just for catering numbers).

Guest Speaker is Pam Mulholland who will talk to us about the Royal Commission into Aged Care and the resulting proposed Aged Care reforms. If you wish to nominate for a position on our board you must be a financial member and have your nomination in to the Secretary 7 days prior to the meeting. We will be conducting a Covid-safe meeting and observing rules in place on that date.

We are currently working on our Emergency Readiness project, anyone interested in participating is welcome to give us a call. You do not have to be a service user or member. The project will work with you to ensure you have a plan in place in case of fire, bushfire, flooding and medical and other emergencies. Do you have

your plan ready? What is most important to you if you had to evacuate your home in a hurry? What will you take? Photos, legal documents, valuables, pets? What about clothing and footwear? Do you have a "Go bag" ready? Our staff will help you decide what is important to you, provide you with a "Go Box" to store the items you have identified as important and help you contact other services, such as Rural Fire service and Red Cross if you need further assistance.

Thanks to those service users who have returned our recent survey; if you indicated interest in the iPad support could you please let us know who you are? We currently have one iPad available for immediate support. We are applying for another round of funding to support more iPads for the project, which was such a success across the shire.

We are looking forward to our social activities returning as soon as the Public Health orders allow. We will keep everyone informed as soon as we get the go ahead.

Don't forget our AGM, we would love to see you there.

ST PATRICK'S SCHOOL

It is hard to believe we have returned for the final term of 2021. Planning is well under way for 2022 with staffing all but finalised. A new staffing model has allowed for the advertisement of another teacher to join our team.

Pray We continue to pray for the health and wellbeing of all in our school community. Whilst we can see light at the end of the tunnel with regards to opening our gates to our parent body and wider community it seems we have a way to go.

Live You do not have to enter our gates to witness all the changes taking place around the school grounds. Our perimeter fence is well on the way to completion. This fence increases our ability to ensure the safety of our students on our grounds. They can now utilise every inch of the grounds where previous boundaries were in place. The Nature Play area was a hive of activity yesterday as the students explored the loose parts, the creek system, and the mud kitchens.

Our Basketball Court is now complete with a bright blue coating and line marking for basketball, netball and volleyball. Huge thanks must go to CEDWW for providing this \$200 000 gift.

Room 2 and 3 students returned to a surprise! The storeroom between their classes has been replaced with a break away area with large glass slider doors either side which open up into a mega learning area. The front office is charging along, and Room 1 works have been increased to include upgrades to the ceiling, full height plastering and new lighting, heating and cooling. I feel very blessed to oversee the physical improvements to our school to ensure our students have the very best facilities available.

Learn The teachers wasted no time instilling classroom routines with the students immersed in their learning from the minute they entered the classrooms. Friday saw us finally enjoy our Science Week activities thanks to a grant from the Australian Science Teachers Association. After a few false starts it was great to bring Science to life. Photos will follow next edition!

May God's Blessing be with you all,
Melanie Dusterhoft Mavrick, Principal

HOLBROOK PUBLIC SCHOOL

This weather that has brought both sunshine and rain has seen our vegetable garden explode!

Students were intrigued to see what they could find in the garden upon returning to school and were astounded by how much our garden had grown over the holidays.

Students are enjoying celery straight from the garden and are keeping close watch on our carrot patch. It is great to see the ownership and care they show for this new learning space.

Earlier in the year, we had three art entries for **Westmead Children's Hospital — Operation Art Exhibition**. The artwork was to be part of an exhibition in Sydney, however, due to COVID restrictions it became a virtual exhibition instead. The 723 artworks exhibited were then judged and considered for the following — a travelling art exhibition to be donated to regional hospitals and healthcare services throughout NSW, including Bear Cottage in Manly, or be given to the NSW Office of the Children's Guardian to be exhibited in its offices for 12 months and later donated to regional hospitals. We recently got notification that Geordie Geddes' artwork will be donated to a regional hospital or healthcare service in NSW. Having watched Geordie create his masterpiece over a few weeks, there is no one more deserving. Well done, Geordie! Your masterpiece will brighten so many lives and be enjoyed by many who need uplifting.

This week, Ollie Cardile will be competing in the regional final of the **Multicultural Perspectives**

Public Speaking Competition. To get to this level, Ollie competed against his peer group at school which then led to him representing our school at the local final. An added difference for the final is that it will be conducted on Zoom due to the Level 3 restrictions schools in this area must comply with. Good luck, Ollie!

Students coming back to school were very keen to share their **school holiday experiences**. One experience shared by all, was the recent earthquake. The earthquake has been a great stimulus for literacy this week with many classes completing reading comprehension activities based on earthquakes in Australia and learning a lot about how and why they occur. Classes have also been writing about their first-hand experience of this rare event.

Finally, I am excited to announce that our next scheduled **Kindergarten transition activity can commence on Friday, 15 October from 2:00 p.m. to 3:00 p.m.** Parents of new Kindergarten students are to drop off and pick up their children at the area adjacent to the Administration building.

HOLBROOK PONY CLUBBERS READY TO RIDE

Pony Clubbers everywhere have been sidelined by NSW Covid Community Sport Rulings but they are 'champing at the bit' to get together again.

Fingers are crossed that NSW will be open just in time for our 'Star Challenge' competition day on Sunday 31st October. Pony Clubs from the local and neighbouring Zones have been invited to attend and compete in 5 events; Led Handler, Riding, Sporting, Activity Course and Showjumping. We are keeping options open with a back up date set for November 14th.

Very generous sponsorship has been committed so far from HOLBROOK PADDOCK EGGS, DOLGWILI STOCK HORSE STUD and SYKES STABLES (Corowa) to provide fantastic prizes to the age group champions at the Star Challenge.

Looking further ahead to January 2022; Holbrook Pony Club has 15 riders entered to participate at the annual Zone 20 Pony Club Camp at Tumbarumba. It will be a fun 4 days camping at the beautiful, shady Tumbarumba Showgrounds with riders taking part in both group and private lessons in a great range of disciplines. The camp concludes with a spectacular street parade involving all riders in their club uniforms riding behind their club banners.

Between now and then we will get in Rallies and a Competition after a disrupted year.

Join Holbrook Pony Club on Facebook to keep up with notices and events

New riders are always welcome to come along and ride or just watch. Trial/day membership is available and Service NSW Kids Vouchers can be used for memberships.

TENNIS

With the upcoming Covid-19 changes to restrictions there is an Association meeting to be held during the week to discuss our hopeful commencement date.

At this stage Saturday 23 or 30 October are proposed as start dates for the competition, with players needing to have their second jab by this date to play. These restrictions may be reviewed in coming weeks with immunisation rates increasing and NSW Health updates occurring regularly.

The courts are available for singles play only.

The club has entered 3 teams for the pennant season with a Sect 1, Sect 2 and a Sect 3B.

There is also an idea to pay the season's subs and ball fees all up front to save the weekly handling of ball fees and subs – more later on this.

Any newcomers to the area who would like a regular Saturday match can contact Emma-Jane on 0429 687 051 or Stephen on 0428 362 143.

GREATER HUME CHILDREN SERVICES

Council's Children Centres and Family Day Care are OPEN

Greater Hume Children Services has continued to provide much needed child care services through its centre based services at Holbrook, Henty, Culcairn and Walla Walla in addition to the more than 60 Family Day Care educators based across the region from Batlow to Benalla.

It's been a challenging year with the impact of COVID-19 affecting all services with the many changes, cross border issues and requirements required in order to remain open, maintain services, in addition to managing health and safety risks to remain compliant.

The Culcairn Early Learning Centre successfully transitioned to Greater Hume Children Services in July and continues to provide a full range of child care.

A new van was purchased to provide additional mobile playgroup and other services across all of our delivery areas.

With skills shortages in the early childhood education sector, staff recruitment was a key action; pleasingly, Council has appointed new Centre Directors to all centre based services.

Greater Hume Children Services Manager, Fiona Pattinson said "Our focus continues to be on the children and families and being able to provide services. Our service staff and educators have been amazing and continue to step up and meet all of the challenges that have been thrown at us and I would like to acknowledge and thank all of them for the valuable work they do on a daily basis."

Demand for services remains strong with Family Day Care having a waiting list for the first time in a long time and the Holbrook centre operating close to capacity.

We still have vacancies available for families who need the service for work and who want to maintain routines and consistency for their children.

Additionally, there are work opportunities for new educators to work with the service particularly in the Family Day Care sector.

Contact the service on **1800 984 999** for more information.
