## LION'S CLUB OF HOLBROOK CITIZEN OF THE YEAR 2022 - RUSSELL PARKER

Russell grew up in the Holbrook Shire area and still lives and works locally. He has raised his family in the Holbrook area which has led to a long commitment to involvement in the local community and beyond.

St Patrick's Primary School. Having had four children go through the school, this gave Russell over a decade of involvement and ample time to be President of the P&C, during which time he oversaw the state-building Project of the cola. Coached numerous sporting teams, maintain school grounds and, has been a major part of the Henty Field Days annual fundraising event.

Holbrook football club – Russell's involvement has spanned his lifetime, in more recent years as vice president of the club, a current committee member, represented the club on the Sporting complex committee and Hume League Junior football, has coached both Under14's & Under 17's along with Interleague, has won premierships along the way. But never losing focus of his role as mentor, coach, and father figure with the purpose of "raising good young men!" Not to mention being part of the sponsorship committee, starting most Saturdays helping in the canteen, then pulling the boots back on the umpire.

Having three sons, all cricket players, has given Russell the opportunity to be involved, coaching junior teams over the years, as well as dedicating every January for as long as he can remember to country week cricket. Along with many call-outs on the central fire brigade truck over the summer.

He is currently chairman of the Sporting complex committee, has been the figurehead and driving force of the building process for the development currently being erected at the grounds. Much time was spent liaising with the council and deliberating over contracts and building plans. He has been an integral part of the buy-a-Brick fundraising project, obtaining grant funding for new cricket nets, and was chairman for "Drop the ball Day", generating over \$70,000 for the whole project. As a community, we are soon to benefit from a state-of-the-art facility that the Holbrook community will have to enjoy for generations to come.

Russell's roles within the Holbrook community are many and varied. Russell epitomizes what volunteering is all about in a country community.

Congratulations to our "Citizen of the Year" Russell Parker.

## HOLBROOK SHOW SOCIETY

### REPRESENTATIVE

During 2021, the competition which had previously been known as The Land Sydney Royal Showgirl Competition had a change of title to become the Sydney Royal AgShows NSW Young Woman Competition.

Holbrook Show Society is proud to have Faith Pyers representing them in a couple of weeks time, at the Zone 7 Sydney Royal AgShows NSW Young Woman Final to be hosted by Ungarie Show Society.

Faith is a familiar face around Holbrook, particularly for the

## HOLBROOK PUBLIC SCHOOL

**Welcome:** Students returned to school last week along with some very well rested and excited teachers. It was wonderful to see students walk through the gates with smiles and enthusiasm for a great year ahead. Our week consisted of learning about ourselves, our teachers and our new cohort - for the primary classes.

**Thank you** to all the parents for their support and patience as we implement the ever changing COVID regulations that apply to our school. All of this keeps us safer, and helps keep our school running.

**Say Cheese!** Holbrook Public School Students were looking even more refined on Tuesday 8th February as we had our annual school photos taken. Thank you to the families for ensuring their children were in the correct school uniform.

**Kindergarten of 2022:** Holbrook Public School welcomed 15 new kinders. It is always great to sit back and watch kindergarten at the beginning of the year - so much to take and learn from them! They have adapted so well to their new environment and daily school life, so much is still unknown but the smiles on their faces tell a story of how comfortable they are here at HPS. All kinders are applauded for their efforts and well done to their teachers for helping the transition be so smooth.

**New Sports Facilities:** Our new cricket nets are being well-used and we are expecting our tennis net to arrive this week. The students are thoroughly enjoying this new addition to our playground that fosters physical activity, sportsmanship and collaboration.

**New School Fence:** Construction of our new school fence will begin in March which will see the entire perimeter of the school enclosed with a taller fence.

**Giving Tree Program:** At the end of last year our school community gathered Christmas gifts under our 'Giving Tree.' These gifts were then donated to the SS&A and St. David's Giving Tree Program which had 65 families requesting assistance for 196 children in their care and also six local service groups requesting assistance for 400 clients. The program had 583 presents donated and our school community donations were a big part of this. Thank you to all who sent presents in for us to donate on your behalf.

## ST PATRICK'S SCHOOL

This week at St Pat's

**Pray** Thank you to Father Terence for presiding over mass. Father Terence blessed our Year 6 school leaders and Miss Maroney our newest staff member. A big thank you also goes to Mr Carey for his organization of the mass in his role as Religious Education Coordinator.

Miss Dally, Miss Maroney and myself welcomed Paul Chigwiggin and Vince Powell from CEDWW to induct us further into the lighthouse project. This project sees a new pedagogical approach to Religious Education making it hands on and more relevant for our students.

**Live** It was wonderful to be able to begin the new school year in our new building. The building clearly articulates our identity as a Catholic School. Our signage brings St. Patrick's School alive to all who pass by our landscaped frontage.

**Learn** Our teachers took no time immersing our students into learning. Classroom routines were quickly set and lessons delivered. We also jumped right in with our intensive Swim Program which sees every child regardless of skill access to

tailored instruction. Thank you to Miss Maroney for her leadership in preparing the resources for our teachers to follow. We are also very fortunate to have 3 of our own accredited swim instructors!

We are blessed this year with our staffing allocation to maintain a ratio of 1 teacher per 5 students. This means each child is guaranteed a more personalised delivery of learning guided by our knowledgeable others. It also means that we have the ability to internally cover staff who are away through either illness or Professional Learning maintaining continuity of learning for all.

## PLANT PICK PLATE

This season I have adopted a more diligent routine of succession planting than in previous years, which involves quick growing vegetable plantings to fill small spaces within my garden. Whether slotted between rows of larger growing plants, under planted amongst higher vegetable bushes or filling the end of a row, this method is providing my kitchen with a continual supply of fresh produce throughout the season.

Implementing this system provides all gardeners the opportunity to plant different varieties of a vegetable as an experiment to ascertain their growing performance and ultimately their taste and versatility in the kitchen. More importantly, the delicate vegies are provided with protection from the hot sun and strong wind while moisture is retained in the soil, all of which encourage vigorous growth and delay the greens shooting to seed early and spoiling.

In my garden, I planted Asian greens amongst the block of tall sweet corn and they have thrived, as has the cos lettuce happily growing under the established climbing tomatoes. As vegies have matured and harvested, small plantings of the very versatile spring onion, beetroot, radish and carrots have been slotted in to extend the variety on my plate. These four are low feeders and therefore ideal as second plantings in a plot to follow a heavy feeding vegetable.

There is still time to add to your vegetable production with succession planting, however as the season is heading towards Autumn, give some plots a rest and prepare these beds in readiness for plantings of the heavy feeders, the large leafy greens - cabbage, broccoli, cauliflower and brussels sprout, by adding compost and manure or sowing green manure seeds.

## MEN'S RS CLUB BOWLS

The 3<sup>rd</sup> round of the Border Challenge on Sat 22<sup>nd</sup> January saw us hit in the bias with Covid so we only could field one side. We played Howlong with only one rink having a win, well done to the 'Wolfmans' side.

Round 5 grade 1/2 played against Culcairn in a very close game the Jones boy's rink had a win the Heather feather's and the 'Wolfmen's' rinks just going down.

In Grade 4 The Golden oldies rink had a good win, The Swan and the first-time skipper Waratah were a bit unlucky against Nth Albury.

Well done to both sides for competitive games.

Sunday 23<sup>rd</sup> Challenge Senior Pairs commenced with the Heather Feather and super sub Hamo getting through. Well done to the other sides that competed. With ideal weather and playing conditions, the presentation of the greens were outstanding well done to Rowan.

The 1<sup>st</sup> round of the Clubs B Grade singles commenced on the 6<sup>th</sup> February. Well done to all the first round winners

The 2<sup>nd</sup> and 3<sup>rd</sup> round matches of A grade singles have also been completed. We are now down to the quarter finals good luck to all.

The 1<sup>st</sup> & 2<sup>nd</sup> rounds of the **Business House Bowls** has rolled out, great to see 12 teams competing.

So, to even up the competition the coordinator Gavin Dux Lewis has split the sides into 2 divisions. The top 3 sides in Division 1 are The Ferrals 24½, Mighty Ducks 23 and The Gumboots also on 23. In Division 2 the top 3 sides are New Edition 35¼, Black Balls 35¼ and the Sheep Shaggers on 33. There is 2 weeks left and the competition is hotting up in both divisions.

The ladies have also invited the boys to have a game with them on Wednesday mornings. Please contact the Club for details.

A reminder also, that Club fours are coming up and will be played on the 10<sup>th</sup> March keep the date free for a great day. We need as many players as possible to make it a great event.

Hope those who have had the Covid Bug are feeling better, and you have had your 24 RAT tests, (if you can find any), and had your 15<sup>th</sup> booster shot.

Keep up your bias!

Happy bowling Kui.

## TENNIS

The teams in the Hume Tennis competition are playing good tennis at the right time of the season but need results to go their way in sections 2&3 to participate in finals in 3 weeks time. In **Sect 1** Holbrook maintain a two game buffer at the top of the ladder over Henty in 2<sup>nd</sup> spot followed by Bungowannah and Jindera in 4<sup>th</sup> spot. Over the coming weeks the team plays all the other potential finalists so the Brooker team should be ready when it's time to start "cracking the whip". **Sect 2** need to make up 2 games on the 4<sup>th</sup> placed Jindera and overtake Walla North Walla to have a chance of finals. The team play Bungo Goannas Jindera and Henty in the final weeks to finish the home and away part of the season. **Sect 3** have strung three wins on the trot to have a faint chance of the finals play and after defeating top teams recently the team must keep winning in the next weeks to have any hope.

On the social scene we have the **Annual Trivia Night** at the RS Club, in conjunction with the Cricket and Adult Riding Clubs on the evening of Saturday 19<sup>th</sup> February for a good family night out. The evening begins from 7.30pm with the auction of goods and services sure to raise much needed funds for the clubs, following the trivia questions.

All players should have their subs paid by now and the Wednesday evening hit-up is still on in

### HISTORY QUIZ

**Quiz:** The Geographical Names Act gives an insight into the early names of some of our creeks, for example what is the original name of Burkes Creek [near Mangoplak]?

**Previous Quiz:** According to the Holbrook Courier, 23 March 1988, Holbrook has a Sister City, or rather a Sister Village. Where was it?

**Answer:** According to Mr. J. Walton, of Wagga, the 'Sister Village' was in Suffolk, he said the Royal Naval School used to be based in Greenwich, was moved to Suffolk in 1933

## GOLF

**3 February Dad's Army 9 hole event:** Winner Mark Lowry, 2<sup>nd</sup> Jim Maskus, 3<sup>rd</sup> Lawrie Ryan. ntp 3<sup>rd</sup> Phil Spokes, 9<sup>th</sup> Mick Smith.

**10 February Dad's Army 9 hole event & Veterans 18 hole event,** today was played on the new par 54 course. Every hole being a par three, made for all players to have to think about their club selection. The naming of six random holes to be played as nearest the pins, changed the game to a different entity.

**Dad's Army 9 hole:** Winner Alan Buchanan, 2<sup>nd</sup> Jim Maskus, 3<sup>rd</sup> Phil Spokes. No naga when we have two or more sharing the lowest score.

**Veterans 18 hole:** Winner The old fella was too good again, Alan Buchanan, 2<sup>nd</sup> Jim Maskus. NTP 7<sup>th</sup> Alan Buchanan, 11<sup>th</sup> Mick Smith, 15<sup>th</sup> Gordon Webb. Playing this course proved very challenging, and a lot of fun was had by all.

**The Hills Pennant** at the moment has Corryong leading Holbrook by one game, going into the last two rounds. Holbrook this week play Batlow at Weleragang and then next week we play Corryong at Tumberumba

Roll Up, Roll Up, Roll Up. Hello to all in the Holbrook community.

Since my last entry into the "Happenings", our Women's Bowling Club team of Fours, and other bowling members and family and friends, participated in and enjoyed, Australia Day Celebrations at Ten Mile Creek Gardens. Our team of Fours as previously stated, was nominated for Sport Person / Team of the Year. "WHOOT WHOOT", I am very proud and absolutely delighted to say that our team were joint winners for this category. "Congratulations Ladies". Thank you to the Greater Hume Shire for this honour, it was wonderful to be recognised and we are very happy to receive it. Big Shout Out to the Rotary Club for a great Ozzie Brekky to go with it.

Our ladies are back into the swing of things for a new season, our Social Bowls started on 19<sup>th</sup> January.

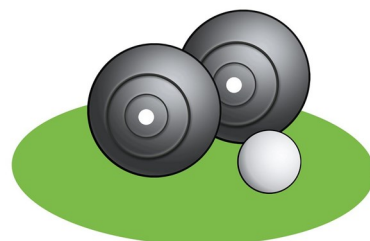

This year our Bowling Program has taken a change. All of our annual tournaments from District Clubs will be played early in the year, starting in February through to April / May. The first tournament will be played at Commercial Club on 10<sup>th</sup> February, good bowling to the ladies entered. On 17<sup>th</sup> February we will be sending two teams to North Albury to play in a Two Bowl Triples tournament as well.

Holbrook Ladies have also been invited to join the Men on a Saturday afternoon, in a competition that they are now playing in called The Border Club Challenge, which is basically a mixed format similar to Pennant, played against different Clubs in our District.

Holbrook Women's Bowls Club will be hosting Our Annual Tournament on the 24<sup>th</sup> February, starting at 9.30am. Anyone who would like to come to the Club and have a look would be most welcome, perhaps even be inspired to have a go at Lawn Bowls in the future.

## CRICKET

**29 January** Wet weather was the winner with B Grade being the only Holbrook Team to play after both U13's, U16's & A Grade games were washed out. Travelling to Walla, the Brookers were dismissed for 77, with Jacko Gibbs, veteran Lachie Trethowan & skipper Sam Joyce the only batter to make double figures. In reply, Walla chased the runs down for the loss of seven wickets, despite the great efforts of Jayden Hucker with 5/17, with Joyce & Ben Jones the other wicket takers.

The Cricket Albury Wodonga / Nth East Victoria Junior Country held its finals in all age groups, and the only Hume competition team playing was the U12's who played CAW Thunder. Unfortunately, the Hume side was beaten by the Thunder team. Congratulations to Oscar King, Eli Toll & Liam Matthewson who represented the Holbrook club in the Hume team – well done boys.

*Oscar King, Eli Toll & Liam Matthewson*

### 5 February

**U13's:** The Green team played Osbourne at Ten Mile No2. Batting first, the Brookers finished on 8/94, with Isaac Bennetts (21) the standout with the bat. In reply, Osbourne scored the winning runs in the last over, finishing 8/96. Eli Toll bowled well to take 2/8, while Dom Valena, Jye Livermore & Klay Liddell were other wicket takers.

The Gold team travelled to Henty & made 8/75, with Cooper Glass (14), George McCrohon (12) &

Charlie Mackinlay the best of the batters. Henty replied with 5/78, with the successful bowlers being Isaac Matthewson 2/11, Ryder McKillop 1/3 & Charlie Mackinlay 1/8.

**U16's** were the only team to have a win in this round of matches when they played Culcairn at the Sporting Complex. Culcairn were bowled out for 62, with Hamish Livermore, Ned Harrison, Nick Robards & Izak Schirmer the wicket takers. With the bat, Will Jenkyn with 26 runs lead the run chase for a Holbrook victory.

**B Grade** played host to Walbundrie at Ten Mile No2 & batting first the Brookers posted the competitive score of 9/154. Stylish veteran Seamus McKillop (52) & Hamish Casey (26 not out) lead the bat. Unfortunately, the Tigers chased the total down for the loss of seven wickets. Skipper Sam Joyce & Jayden O'Brien with two wickets apiece were the pick of the bowlers.

**A Grade** took on premiership favourites Walla at the Sporting Complex. Holbrook batted first after winning the toss, with Lewis Bowen who compiled a well-made half century & opener Charlie Harbison (10) the only batsmen to show some form with the bat, Brookers bowled out for 96. In reply, the Hoopers got the runs three wickets down. Ben Parker, Bowen & Jett Liddell were the wicket takers. Congratulations to youngster Will Jenkyn, who has had a great year in both U16's & B Grade, making his debut in A Grade against the Walla team.
