And as well as the session, we have hundreds of beautiful picture books to choose from to borrow. Free, beautiful books that you can replenish each time you visit.

## HOLBROOK LIBRARY BOOK REVIEW

*Perestroika in PARIS* by Jane Smiley.

Jane Smiley has a thing about horses so it's no surprise that her latest novel, *Perestroika in Paris* is about a horse called Paras (short for *Perestroika*). Reading the blurb I was a little cynical about how I would enjoy this story but enjoy it I did. It's like a fairy tale for adults featuring a horse, a dog, a raven, two ducks and an eight year old boy.

One evening after her last race for the season she finds her stall opens and goes for a wander, taking groom's bag with her. She makes her curious way, following grass, through parks streets until she finds herself in the middle of the city in one of Paris's manicured parks. There she meets Frieda, the German shorthaired pointer and together they embark on an adventure which becomes entwined with the fate of a little boy and his elderly grandmother.

This story is a fable for adults about kindness and resourcefulness and is a refreshing read after a couple of very difficult years. *Ali @ Holbrook library*

## HOLBROOK SHEEP & WOOL FAIR

The 2022 HSWF again attracted a large number of secondary school students from throughout the Riverina and further afield. This year a group from Kandos High School made the 7½ hour trip for the first time and were extremely excited to be able to take out several of the major awards, including

winner & runner-up in the Group Final of the Merino Sheep Young Judges competition. Regular stud sheep exhibitors from Yass, Yarrowonga and Ararat also supported the event and it was most pleasing to see such a large number of entries in the Fleeces.

Thank you to all those involved with helping to set up, pack up, feed people and to keep things moving throughout the 2½ day event.

As usual, we commenced with Schools' Day, which consisted of workshops during the morning then moved into the Schools'

Interbreed competition where the sheep from each of the participating schools competed against each other, regardless of their breed.

We have received excellent feedback about the workshops, and their value as educational tools for the schools. The students were able to learn more about sheep health, working dogs, ringcraft with sheep and assessing Merino sheep and fleeces. Thank you to the people who gave up their time to present these workshops.

The second day was taken up with judging the fleeces and the sheep in their breed classes. Throughout the event students had the opportunity to compete in different judging competitions, with the Group Final for both Merino Sheep & Meat Sheep being held on the Friday morning. Winners of these competitions will represent the Riverina at the State Finals in Sydney next Easter.

## ST PATRICK'S SCHOOL

Greetings to the Holbrook Community

**Pray:** Thank you to Mr Carey for hosting our **Confirmation** Candidates and their parents on Tuesday evening. During the opening prayer we all poured water into a jar to symbolise our Baptismal promises and highlight that we were joining together for a common goal. If you know of any Catholic children who are of sacrament age please contact the school on 6036 2288 as a matter of importance.

**Live:** Friday 20<sup>th</sup> May was **National Walk Safely to School Day**. Once again our students gathered at the Service Centre and walked with teachers and parents. On return to school students were greeted with nice warm Bacon and Egg Rolls. This event supports us in promoting road safety for pedestrians.

Friday 27<sup>th</sup> May saw our second Kindergarten Conversations session. These sessions have been well received by prospective families with Kindergarten aged children for 2023. Our next session will be held on Friday 17<sup>th</sup> June, 9.30-10.30. Other times available on request.

**Learn:** Last week we hosted the **Scholastic Book Fair**. The Scholastic Book Fair provides children and families access to more books and allows the school to stock up on resources through the rewards earned from sales. Students thoroughly enjoyed the Book Fair last week especially the activities put together by Mrs McCarthy. Thank you to all who purchased books in support of our school.

**Save the Date:** Community Family Fun Day at the Woomargama Hotel **19<sup>th</sup> June 2022, 11.30am-3.00pm** hosted by St. Patrick's School, sponsored by Greater Hume Council and the Murrumbidgee Primary Health Network. The focus of this event is connecting the community. We look forward to

seeing you all there!

## Our Lady of Sorrows Parish News

**Confirmation Invitation for 6.30pm 18<sup>th</sup> June 2022:** To Members of Our Lady of Sorrows Parish Community, St Patrick's School Community and the wider Holbrook and District Community.

On Saturday 18<sup>th</sup> June from 6.30pm, the Most Reverend Bishop Mark Edwards, OMI will celebrate Confirmation Mass at Our Lady of Sorrows Catholic Church Holbrook.

Following mass we will enjoy a **'bring and share'** Soup and Casserole evening in the St Mary MacKillop Hall for those able to spend time together. **All are welcome.**

I ask you to pray for our Confirmation Candidates, Ryan, Jack, Isabelle and Ben as they prepare to be fully initiated into the Catholic Church and sealed with the Gift of the Holy Spirit.

## ANGLICAN NEWS

As the weather cools, there seems to be more reason to stay inside but it is important to still gather together as a community. At the Anglican Church, we do this every Sunday, sharing a time of worship as well as a time of fellowship with a morning tea provided by the congregation.

God wants us to love one another, and whether we are singing together or sharing a cup of tea, this time of fellowship is a highlight in many people's weeks. We always love visitors so please feel free to come to services at 9.30am, and then join us in the hall.

Another chance to share time together will be the Combined Churches lunch in late June. All of the churches will be holding an Outreach Soup Day, with a warming bowl of soup, a bread roll and slices. The event is on Friday, June 24, at midday, and will be held at the Anglican Parish Hall, Holbrook. It will be toasty warm in the hall thanks to the grant we received from the Greater Hume Shire Council, which allowed us to fit split systems which keep the venue toasty in winter and cool in summer.

Please join us on a Sunday for church, or at the combined lunches. It's an opportunity to share fellowship and friendship and the warmth of God's love during these chilly times.

## HOLBROOK PUBLIC SCHOOL

**New Playground Equipment:** With great excitement last week, we officially opened the new playground equipment with a whole school ceremony attended by P&C member Jamie Ingle. We had the opportunity to thank the sponsors of the playground equipment, the new sponsor sign is now being displayed in the school's front office. Also, we would like to thank Mr Fisher and Mr and Mrs Wedgwood for all their organisation and support in constructing the new playground equipment. The Holbrook Public School P&C would like to thank the following major sponsors of our playground appeal, Southern Australian International Livestock Services (SAILS), Former members, players, and committee of the HRLFC, Inglis Rural Property, Rotary Club of Holbrook, Rotary Club of Albury, Mrs Beth Turner, and Mrs Suzanne Ingle. **Professional Learning:** Mrs Henderson has a new role as Digital Classroom Officer, which is part of the government's Rural Gap Scheme. The staff have been undertaking surveys and creating a digital action plan to guide professional learning in technology for 2022. **Happy Harold Life Education:** On Friday, 13 May, the K-2 students were thrilled to welcome Healthy Harold back to school! They learnt about healthy food choices, personal safety, the importance of exercise and so much more. Even though Healthy Harold had important messages to share with the students, he still managed to be as cheeky as ever! **Netball:** On May, the girls played Finley Public School for Round 2 of the PSSA netball knockout. Congratulations to all players, who encouraged one another and showed great tenacity and determination. In the end Holbrook won 20–13, a hard-fought victory. **Police Visit for Walk Safely to School Day:** On Friday, 20 May, the students were excited to see the Highway Patrol police car parked in the carpark. They were able to sit in the front, look at the gadgets in a police car, and chat with Senior Constable Neumann. A couple of students could even put on the siren - once everyone else had their ears blocked!

## PLANT PICK PLATE

All plants require certain essential nutrient elements. Those not provided by nature must be applied by the gardener with the main three being (N) nitrogen (P) phosphorus and (K) potassium.

Store bought fertilisers display these elements as N-P-K in percentages, but what do they mean and which product do you choose?

**Nitrogen** is essential in forming green leaf pigment, chlorophyll. Leafy crops require (N) in a higher percentage than fruit crops. Excess (N) will reduce the yield of fruit and vegetable crops producing excess plant growth. This element is supplied in animal manure, green manure crops (legumes), blood and bone and purchased fertilisers.

**Phosphorus** is necessary for early plant growth. It promotes root development in seedlings and increases fruitfulness, flowers and seeds in productive and floral gardens. Superphosphate contains phosphorus and is readily available to plants whereas (P) present in blood and bone is slow release.

**Potassium** is essential for growth and development. Root vegetables in particular respond to (K) which provides increased quality and texture of the fruit and vegetable, strengthens the plant and also reduces disease. Available as Muriate of Potash, powdered or granular and also as Potash sulphate which is a water soluble mix providing (K) to your plants rapidly.

**Organic fertilisers** are animal manures, blood and bone, composted materials and green manure crops which are slow release and should be mixed into the soil months prior to planting. Side dressings of (P) are recommended throughout the growing season for productive, healthy plants.

**Artificial fertilisers** are manufactured from minerals or synthesised and are usually rapid release providing the plants with immediate nutrients. Complete fertiliser mixes fall into this category with the added benefit of near equal percentages of (N - P - K ) making application quick and easy without scratching your head deciding which fertiliser to use.

**Passionate Gardener, June.**

## National Volunteer Week brings opportunity to recognise local health advocates

National Volunteer Week celebrates and recognises the vital work of volunteers who are often changing their communities for the better. In the area of health, local communities are represented by volunteer health advocates as members of Local Health Advisory Committees (LHACs) to consider health needs, promote health literacy and wellbeing and provide a voice for planning and evaluation of health services.

During a recent forum facilitated by Murrumbidgee Primary Health Network (MPHN) and Murrumbidgee Local Health District (MLHD) held in Temora, LHACs representing communities from across the Murrumbidgee came together to connect and share their activities and experiences in health and discuss strategies to improve health and wellbeing outcomes.

“LHAC members are all volunteers and give their time and effort all year round to contribute to improving the health and wellbeing of their communities,” Mr Heap said. “MPHN works closely with the community to understand health needs and LHACs play an important role in this engagement.”

MLHD Executive Services Manager – Communications Setchen Brimson said the LHAC Forum is a vital opportunity for committee members to connect with each other, share ideas and discuss the experiences of their communities.

Temora LHAC member Wendy McCrone said volunteering to be part of the local health advisory committee is both rewarding and provides an opportunity to make a difference in the community. “We are all passionate community members who care deeply about improving health outcomes in our respective towns. LHAC members give up their time to listen to community and ensure there is a local voice at the table when developing new strategies and plans,” Ms McCrone said.

The second LHAC Forum for 2022 will be held in Finley on 26 and 27 September.
