Issue 437 22 June 2022

CAN SCOUTING RETURN TO HOLBROOK/CULCAIRN?

There has been an interest in getting Scouts up and running in the Holbrook and Culcairn area after an absence of 15 years from the community.

Over the last 12 months I have received many messages and emails from parents wishing to enrol their child in Scouting. It seemed that there is a real need for this activity in the community. This interest culminated in a community meeting on 23rd March 2022 in Holbrook. Unfortunately, no-one attended this meeting!

So, we have changed our focus and instead of trying to get a full Scout Group up and running with kids in all sections, we will look at providing a Joey Scout section and grow from there.

Joey Scouts are boys and girls in the 5-8 y.o. demographic. Of interest, there are 810 children in this age group in Greater Hume Shire, representing 7.9% of the total population.

Scouting is community service and citizenship, so we earn our money and give back to the community in the process.

Meeting Nights: This will be open to negotiation with the Leaders. Joeys usually meet for an hour anytime between 5.00pm and 6.30pm. **Meeting Place:** We have 2 choices of meeting places in Holbrook, perhaps one day we will get a real Scout Hall again.

Inclusivity: The Scout Program is designed for any child, irrespective of ability, or disability, to achieve to the best level they can, and they will be always recognised for that. Not everyone can be a sports person, but all are equal and included under Scouting.

The Next Steps: Get a list of kids who want to be Joeys. Get our Group Committee formed so we can get a bank account for a start! Get Leaders into training. Get 1st Holbrook Joey Scouts to their first meeting in September 2022.

Please do not hesitate to contact me. Ian Hall Group Leader E: gl.1stholbrook@gmail.com

HOLBROOK COMMUNITY GARDEN

Many of you will have noticed the work on the Community Garden that is now well and truly underway. A 'special' thank you to Greater Hume Shire Council for finding us such a wonderful and central location and also for the grant money that afforded the Community Garden to take shape—this grant money has purchased the shed, slab and garden soil.

The shed, together with the delivery and installation of the garden beds, has made a massive impact on the site. Community Gardens are for all members of the community, so we take this opportunity to welcome anyone who is interested.

The Community Garden meets on Mondays at the Community Garden (next to the Library) at 9am. We look forward to sharing the joy.

Looking for ways to cut costs on energy at home?

Look no further than the library. A Save Power Kit is now available to borrow. The kit contains a range of practical tools including a power monitor to work out how much power your appliances are using, an infrared thermometer to check for drafts and a thermometer to test heating and cooling as well as a stopwatch and compass. Did you know that by switching devices off at the wall, rather than having them on stand by, can save up to 10% of your energy bill? And to get the best deal from your energy provider, it is a good idea to phone them each year and check that they are providing you with their best deal. When your provider suggests a new deal, a key question to ask is, "If you offered me this deal on my last bill, what would I have paid?" This is a helpful way of determining that the new deal being offered is actually a better deal than your current plan.

PLANT PICK PLATE

Winter has arrived with a vengeance and it is too cold to undertake lengthy outside gardening tasks. I would rather plan changes and additions to my garden while comforted by the warmth of the fire, a warm cuppa and surrounded by piles of gardening literature. This has much more appeal. However, the colder months are ideal to plant out deciduous plants, either productive or ornamental into your garden. Roses spring into my mind. I recalled a garden I had cared for a while ago where the magnificent colours, shapes and the enticing fragrance of the old cultivar blooms delighted my senses every time I passed. I only wanted three to fill the space in the bed where my herbs were growing. These fragrant greens have been relocated close to my kitchen door, beside a slipper friendly path, for a quick pick when required.

This recollection, together with the information from the literature enabled me to compile a significant list with options should any be unavailable. Once arriving at the garden nursery, I was disappointed with the small selection available to me. Apparently, there is a shortage of potted and bare root roses due to the demand

from more people spending time in their gardens over the past several years.

Take what there is and be grateful, echoed in my mind. Admittedly, I am glad I did. The floribunda “Gold Bunny” is in flower with the most richly coloured yellow gold bloom ever. The hybrid tea “Blue Moon” promises to produce the softest mauve T bud perfect for a specimen vase and the hybrid tea “Candy Stripe” (on my list) has striking hot pink and white striped petals with extreme fragrance. Only three, but the anticipation of the promised colourful blooms will get me through our long dreary winter.

Passionate Gardener, June.

PROBUS

Some members enjoyed a great little trip in May to the Commercial Club in Albury to see the Don Costa show. It was really great entertainment followed by a delicious lunch. Thank you President Cathy for organising our day out. Unfortunately our May meeting had to be cancelled due to the RS Club being in use for a funeral memorial.

Our next meeting will be Tuesday 28 June at 11:00 am at the RS Club. Please pay any dues not yet paid. See you there and stay warm!!

ST PATRICK'S SCHOOL

Pray: On Saturday we celebrated the Sacrament of Confirmation. Bishop Mark Edwards presided over mass to confirm the candidates. Mr Carey took the candidates on a journey discovering the symbols of confirmation. The candidates and their families reflected on: Water which symbolises our Baptismal Promises, Fire and Light to reflect the tongues of fire which landed on the Apostles at Pentecost and the light of Christ, Oil which represents strength, life and healing and Ruwah (wind) the Spirit of God.

Live: Congratulations to our students who competed at the Deanery Athletics Carnival at the Les O'Brien Athletics precinct on Tuesday 14th June. The students participated in a range of track and field events. The students were great ambassadors for our school and did themselves proud.

A huge thank you to the Greater Hume Shire Council and the Murrumbidgee Local Health District for funding our Community Family Fun Day. A huge shout out to Tim Nichols and Melissa Brown for all your leg work and for hosting the event at the Woomargama Hotel.

Our raffle raised a considerable amount of funds to go towards the installation of a refrigerated drink fountain for the students. Thank you also to our generous donors: Harvey Norman Albury, Coles West End Plaza, Woolworths Centrepont, Zone Laser Tag, Regent Cinemas, Intensity, Holbrook Pharmacy, Hello Maude, Holbrook Post Office, Holbrook News and Gifts, Holbrook Bakery, Holbrook Butchery, Woomargama Tavern, Alexandra Harrison Blow Dry & Beauty Collective, Vintage Belle and Co, IGA and Nord Bakery. We are so very grateful for the support of the above mentioned businesses and encourage you to get on board to support them!

Learn: It is that time of the year when the Teachers write student reports for Semester One. A great deal of time and effort goes into writing these documents to ensure they are a true reflection of a student's demonstrated ability. Report writing also allows us as a school community to celebrate the many wonderful achievements and milestones that each and every child in our care reaches and exceeds.

May God's Blessings be with you always,
Melanie Dusterhoft Mavrick

HOLBROOK PUBLIC SCHOOL

Director's visit: Mrs Jayne Gill, Director of Education - Albury, visited our school recently. She enjoyed speaking with staff and students and wandering around our amazing playground. Mrs Gill was full of compliments for the extra-curricular activities staff have coordinated for students and the high levels of engagement by students.

Riverina AFL: Sybil Triggs represented Riverina at AFL in Coffs Harbour in Week 5. Sybil's class had the opportunity to tune into the live stream back at school, to support and cheer her on. It must have worked as Sybil had a

great carnival and was selected for the NSW State team. Congratulations Sybil, this is an amazing achievement! **PSSA Cricket Knockout:** On May 24, our cricketers played Gundagai Public School. Holbrook bowled first with Isaac Matthewson taking the first wicket. Gundagai was bowled out for 49 in 23 overs with the wickets taken by Isaac Matthewson three, Jye Livermore two, one each to Ned Dodds, Chace Liddell, Will Finlay and Liam Matthewson, plus a run out to Will Finlay. In reply, Holbrook had to work hard, before finishing on 4/70 from twenty-five overs. Ollie Cardile continued his consistent form, top scoring with twenty-one, and was ably supported by Liam and Isaac Matthewson, who scored six runs each. Thank you to Mr Leitch, team coach and to the parents who came to support and umpire or score. The team now has a break over winter and look forward to taking on Lake Albert Public School towards the end of Term 3.

Athletics: It was wonderful to see everyone participating, showing their sportsmanship and encouraging each other at the annual Athletics Carnival on May 27. A huge thank you must go to the parents who volunteered on the day, and the P&C who ensured everyone was suitably fed! Without the support of our parents, carers, grandparents, brothers and sisters, we could not run these events. We appreciate you! One record was broken this year, but three students broke it! Congratulations to Ollie Cardile (5.50.74), Will Glass (6.08.00) and Blake Robards (6.33.64), who all broke Klay Liddell's 2019 (6.42.10) record in the 1500m event. Ollie will now hold the record. **Congratulations to the Champions and Runners**

Up: Sub-Jnr Boys Champion (name withheld), R/Up Ethan Atherton, **Sub-Jnr Girls** Champion - Lucy Boers R/Up Maddie Burey, **Jnr Boys** Champions Jonty Ingle and Zayne Liddell R/Up Fergus Glass, **Jnr Girls** Champion Sophie Burey R/Up Hope Liddell, **11 Yr Boys** Champion Ollie Cardile R/Up Will Glass, **11 Yr Girls** Champion Ada Ryan R/Up Alexis Feltrin, **Snr Boys** Champion Jett Coates R/Up Jye Livermore and **Snr Girls** Champion Jess Frana R/Up Alice Hearn. **PSSA Netball Knockout:** On June 10, Holbrook Public School competed against Walbundrie Small Schools team in Round 3 of the PSSA netball knockout. Despite having a couple of players out, the team stepped up and showed what a force they can be. Holbrook P.S came away with a win 14 to 2. The team now advance to the quarter finals, where they will play against Lavington Public School. Go Holbrook Public! **Premier's Debating Competition:** The first debate took place online on June 9 against Thurgoona Public School. Our school's team, Charlotte Ingram, Jessica Frana, Ollie Cardile, Jasmine Purcell and Sophia Henderson argued the affirmative 'That schools should make their top students spend one afternoon a week helping a struggling classmate.' Congratulations to the Thurgoona team who won on the day. The Holbrook students have the adjudicator's constructive feedback to apply in their next debate preparation.

HOLBROOK SPORTING COMPLEX "BUY A BRICK" IS CLOSING SOON

Our fabulous new facility is OPEN and we have been enjoying it for a month now, however The Sporting Complex would still appreciate donations/brick sales to help us cover remaining costs.

Bricks will be available for purchase, at \$100 each, until the end of June and may be purchased in the names of families, individuals or even businesses. After this time we will be organizing the display on the donor wall, which will be near the entrance to the new building.

If you have been intending to become involved in this project, but haven't quite got around to it, then there is still time, but you'll need to be quick. If you can't remember whether you did actually purchase a brick, or want to check on the names, then send a quick email to holbrooksportingcomplex@gmail.com.

STOP PRESS.....
After many years of lobbying, we have just received confirmation from the Department of Health that we can now offer a TRANSPORT SERVICE for eligible clients.

Meals on Wheels
 Holbrook-Walla Walla

Transport is just that- transport to and from appointments, shopping etc. It does not involve any support assistance or someone coming with you to the doctor or shops. We were able to identify a gap in transport services for Holbrook and are looking forward to being able to assist more people soon. You will need to be registered with My Aged Care to access Transport with us – please give the office a call on 02 6036 3677 or My Aged Care directly on 1800 200 422.

Clients requiring support or assistance will continue to receive Social Support services.

HAVE YOU MET KEVIN? We recently received a grant from the Foundation For Rural & Regional Renewal (FRRR), which has helped us towards the long awaited purchase of a small commercial freezer van. Recently delivered, the van will make the trek around the shire, delivering to outlying clients at Culcairn, Cookardina, Walla Walla, Burrumbuttock, Gerogery, Jindera and all points in between! The Renault Kangoo has been quickly nicknamed “KEVIN”. Although compact, Kevin is more than capable of handling our busy Thursday delivery runs across the shire. Look out for Kevin, currently travelling incognito in plain clothes, soon to be sporting our logos and signwriting.

Tania is looking forward to commencing “Cooking with Friends”. Join her over 6 weeks to cook and share a nourishing meal with a small group of others. This program isn’t a cooking demonstration but a great way to bring people

together to socialise and cook simple recipes and then share the meal.

At the end of the sessions, we hope participants will have some new skills, have met some new people and have new recipes to try out at home.

“Sconeversations” has been weekly for the past 3 months and sadly, is due to finish on 30th June.

We hope you all enjoyed our weekly catchups. We met some lovely new people, enjoyed learning new things from each other and just HAD FUN! We hope to be able to host another round of Sconeversations later in the year and look forward to catching up with everyone again.

Dot, Tania & Rhonda enjoying “Jubilee Sconeversations”

Good-bye but not farewell to Jenna, our office coordinator, as she takes a break for baby number 2, due very, very soon! Finishing last Friday, Jenna will be on Maternity Leave for 4-5 months. We wish Jenna and her family all the best for the upcoming arrival.

ADVANCED CARE PLANNING? A FORWARD APPROACH

Advance care planning is about person-centred care and is based on fundamental principles of self-determination, dignity and the avoidance of suffering. We believe that advance care planning should be incorporated into routine general practice. GPs develop ongoing and trusted relationships with their patients and are well positioned to initiate and promote Advance Care Planning (ACP).

Advanced care planning is the embodiment of person-centred healthcare and a response to the challenges that an ageing population and modern healthcare present. When a patient loses the ability to make decisions about their care (accounting for approximately one in four patients at the end of life), advanced care planning ensures that a patient's expressed wishes remain the focus of decisions made about their care. Advanced care planning has also been shown to both improve end of life care and patient and family satisfaction.

Although state and territory government laws vary on ACP and Advance Health Directives, Advance Health Directives in some form are legally binding documents in every state/territory of Australia.

ACP is a process that all patients, and especially those who are at risk of deterioration in health, can benefit from. Liaising with your local GP to touch base in regards to 'what advanced care planning is' and also starting the conversation.

It has been shown that health outcomes for people and their families improve when they are able to talk through their concerns, decisions, preferences and choices with health professionals.

Currently, in NSW, there is not one particular form a person must use to write down their wishes. This is because there is no advance care planning legislation in NSW. When choosing a form, people should think about how well it meets their needs and purpose.

The [Making an Advance Care Directive](#) package includes an Advance Care Directive form to complete and an Information Booklet to help people complete their Advance Care Directive.

RAIN

Holbrook Motorcycle Sports Club events have been disrupted by rain in the last month. Not only Holbrook, but Wagga, Young, and many other events along the east coast have been canceled, including the Dargle Round of AMCROSS..

The Ride Park Day that was to take place at Tarcutta was moved to The Pines Holbrook. The club would like to thank Col and Cassie Bickley for allowing us to use their property at such short notice.

People came from *Scrutineering of bikes at The Pines* as far away as Orange to take part in the ride.

Wangoola's MX had to be cancelled due to unfavourable weather conditions and lack of interest due to the weather. Wangoola MX Track looks amazing, though, as it looks the best it has ever looked. For the reinvented track, a huge thank you goes out to Clinton Ross, John Rapley the owner of Rapley Earthworks Wagga, and Brayden Winnel.

An Endurocross will be held at Rosewood Golf Club on 31st July, which will be Holbrook Club's next event. Keep an eye on the Facebook page for more information.

CRICKET

LADY GAIL'S TALES

Just last week a youngish Mum asked me, "Do you know of, or would you have a book called *The Rats of Nimb*? Or maybe it's called *Mrs Frisby and the Rats of Nimb*. I don't quite remember but I do know I read it and loved it in the early 1990's." I replied, "Well as it turns out my children loved the video. The movie was called *Mrs Frisby and the Rats of Nimb*. I do have two paperback copies at present. The catch is, for the life of me I can't think who wrote it."

Standing looking at a wall of books I thought, I'll ring Elizabeth, she may remember. No. She knew the book but not the author. "But I'll Google it and ring you back," she said.

In what seemed like no time at all Elizabeth rang with the answer—Robert O'Brien.

"Thank you", I said as I went straight to the O's, pulled out the 2 copies saying "Da-dah!" The customer was so excited and happy. It is lovely when such a simple thing can bring so much pleasure.
