## HOLBROOK CITIZENS HONOURED

Heather Wilton, Russell Parker, and Royce Terlich were honoured with Paul Harris Fellows at the Rotary Club of Holbrook's changeover dinner on Thursday. This award named after Rotary's founder Paul Harris represents a contribution to the Rotary Foundation of Rotary International which makes it possible for Rotary to carry out its humanitarian projects throughout the world.

Heather Wilton's extraordinary service to Local Government began in 1987 as Councillor at Berrigan Shire Council and Mayor from 1990 to 1995. Elected to Holbrook Council in 1999, she was Mayor from this time until 2004.

Following the merging of Culcairn, Hume and Holbrook Shires, Heather was elected to the newly formed Greater Hume Council in 2008 where she was Mayor from 2012 – 2021. As Mayor, she served on the Grants Commission from 2000-2005, she was a member of the Murray Regional Development Board, the Softwoods Working Group and member of RAMROC.

Heather & Ian Wilton & Rick Bull.*

Russell Parker has had a long commitment to Holbrook and the community, and this year was named Holbrook Lions Citizen of the Year on Australia Day. He was involved in St Patrick's Primary School as President of the P&F, together with wife Lea and their four children who attended the school.

Sport has been a big focus for Russell who coached junior cricket and football at many levels. His lifetime of service to the Holbrook Football Club involved the position of Vice-President and

committee membership. He was also a member of the Hume League Junior Football Committee, coaching the underage teams.

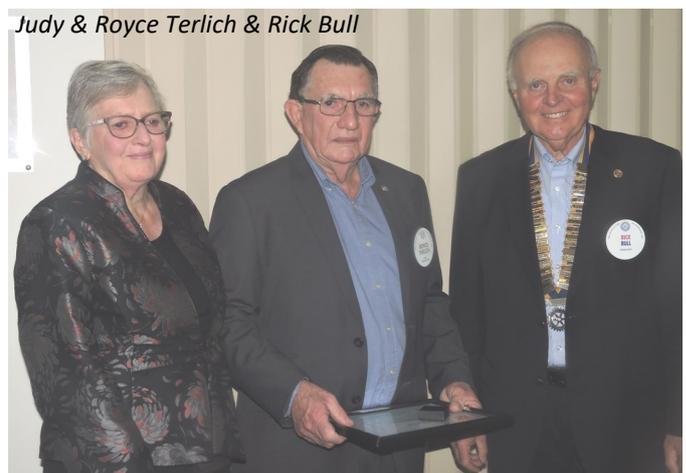

Russell's crowning glory – as Chairman of the Sporting Complex he was involved in fund raising for the new sportsground facility, negotiating with Greater Hume Council, builders, and seeing the project through to its official opening. Two of the big fund raisers included the "Buy-a-Brick" project and drop the ball day which raised \$70,000.

*Russell Parker & Rick Bull.*

Our third recipient, fellow Rotarian Royce Terlich joined the Holbrook Rotary Club in 2008. He was President during 2014-2015 and during this year, the Art Show and bridal gowns through the ages were two major events staged by the club. Airlie Trescowthick was the Rural Leadership participant and Leneen Marshall the Rotary Exchange Student to France in his presidential year.

Royce has served as Board member for many terms, serving as vocational director, community service director, bulletin editor and is always willing to serve in catering events and working bees.

## RECOGNITION IN THE MLHD AWARDS

Helen Minogue, a registered nurse from Holbrook Hospital, has been named as a finalist in the Keeping People Health Award at the 2022 MLHD Excellence Awards. The awards recognise the outstanding contribution of health professionals and volunteers from across the region.

More than 70 nominations were received across 12 award categories this year. The judging panels all had significant tasks to review the nominations and select the finalists and winners.

Helen's nomination included the following:

Being a Registered Nurse in a smaller community such as Holbrook, Helen empowers her colleagues to trust in their skills and knowledge, advocates for patients and responds promptly to their needs.

She is compassionate, kind and caring and encourages an environment of working together to meet the best outcomes for our patients. She provides safe, quality care to patients, is person centred and interested in their welfare and care.

Helen is dedicated to sharing her skills and providing compassionate care to patients and their families.

Members of the Holbrook Anglican Church are thankful that we have received a grant from Riverina Water to install reverse cycle air conditioners in our church.

This will make the church much more comfortable and the parish is extremely grateful for this community grant from Riverina Water.

In Richard Wurmbrand's Book *"The Oracles of God,"* he uses short reflections on how God can take our weaknesses and shortcomings to help us get through life and to understand that God can use our mistakes to bless us.

Richard tells the story of a man who entered a raffle with only 100 tickets available and, you could choose your number. The man was not good at maths and knew that God's blessed, holy and most perfect number is 7. The man thought, *"If I multiply 7 X 7, I will be doubly blessed"*, so he chose ticket number 48, and won the raffle.

A friend of the man said to him *"how did you work out which ticket to buy?"* The man told him he multiplied 7 X 7 and purchased the ticket that added up to the answer. *"But, his friend said, "7 X 7 = 49 and you purchased ticket number 48, how come you won with that number?"* The man who won the raffle replied, *"God knows I am not good at maths, so He blessed me even though I made a mistake."*

It is sobering to think that God can bless us when we get things wrong, even me, e.g., I am dyslexic and struggle with spelling and grammar, but I can do a lot of other things very well. We should never point our finger at other peoples' faults because when we do there are three fingers pointing back at ourselves. Jesus knows our faults, but He never points them out because that is the Devils job. Instead, Jesus encourages us to accept our faults and move on and do good things for ourselves, others, and Him.

Don't forget to have a look through the Op-Shop next to the Post Office as you may find a bargain, there is currently half price specials on ladies' jeans, pants and shoes.

Our Sunday Service is at 9:30am, and you are welcome to join us for morning tea at 10:30am whether you come to the service or not.

Best wishes from the Anglican Parish of Holbrook C/- Reverend Stephen Davis, 0429 845 525.

## CWA NEWS

The Little Billabong & Holbrook CWA Branches thank the people of Holbrook and district for your patronage at our stall at the end of April- 2 months ago! Sorry for our tardiness in our thanks. Our stall was very successful and as usual, our profits will be allocated into the local community in the coming months. One gentleman was surprised that the CWA was still going - he was told - 'yes, 100 years of continuous service in Australia- and hoping to be around for another 100 years!'

Thanks to the LB members, Heather Kovac, Bernadine Hall and Elaine Strong, along with Holbrook members, Rhonda Scott, Irene Lister and Susan Williams, our 100 year displays at Grandma's Closet and the Anglican Opp Shop were very well received - we appreciated the help of the two shops involved. There was so much given to the displays-we couldn't fit it all in! Thanks to Kate Locke of L.B. who painted our 100 year sign. Some of our items may be going into the Murray Group display in Albury in the near future.

We served drinks and the food was supplied by the Holbrook Bakery at the opening of the new building at the Sporting Complex a few weeks ago. We were delighted with the building- especially the kitchen!

Gail Geddes, our Ag & Environment Officer, has explained so much to us recently about the flora and fauna we are studying this year.

Our Country of Study until May next year is **Latvia** - is there anyone in town who has visited this country? If so, please get in touch with us as we would like to hold an International Day later on this year and, to have someone who has visited there be with us on the day would be very special.

During the winter months, we are meeting bi-monthly so our next meeting will be on **Sunday 21<sup>st</sup> August at the home of Margaret Geddes**. If you would like to come along, please get in touch with Margaret- or any of the ladies mentioned above.

*Elaine Strong, Publicity Officer.*

## PROBUS

**Our next meeting will be Tuesday 26<sup>th</sup> July at 11:00 am at the RS Club.**

Please pay any dues not yet paid. See you there and stay warm!!

## HOLBROOK LANDCARE

**A Community Survey on the Upper Billabong** to identify what the values and issues are in regard to waterways in our catchment is still open and everyone interested in our local waterways is encouraged to provide their input. There is a series of values and issues to rank, opportunity to put in anything we have missed and some questions.

Copies of the survey may be picked up, and dropped off, at the Holbrook Library or the Holbrook Landcare office (next to the bakery) or may be completed online.

We also have a limited number of coffee vouchers from the Holbrook Bakery to give away on the return of completed surveys.

The survey will be open until 16 July.

**Thank You to Holbrook Rotary.** At the recent Rotary Changeover Dinner, Dr Alison Southwell was presented with a cheque from Holbrook Rotary. This generous donation will be put to good use through some of the work being undertaken by Holbrook Landcare for the benefit of our local community.

## NEWS FROM THE NATIONAL MUSEUM OF AUSTRALIAN POTTERY

On 16<sup>th</sup> June we had a visit from 108 seven and eight year old students from Melrose Primary school in Wodonga.

Their visit, in three groups of 36 (thank goodness), were introduced to a variety of pottery pieces that many of their grandparents and great-grandparents would have used in and around their homes which were all made of clay. The children were then shown a short

video on how the raw clay was processed and turned on a potter's wheel into items such as biscuit barrels, cheese covers, ginger beer bottles, ant proof lidded jars, water filters, etc.

The students, considering their young age, asked intelligent questions and thoroughly enjoyed their visit. It was a learning experience for them and us.

## ROTARY'S CHANGING OF THE GUARD

Rotary International's new president Jennifer E Jones said "Imagine a world without polio, clean drinking water for everyone, every child learns to read; imagine kindness and hope, love, and peace. "Imagine," is a happy theme for Murray Jones as he becomes the Holbrook Rotary Club's President for the 2022-23 year.

Reflecting on the year ahead, Murray outlined some of our projects and fun activities including a Xmas in July, a dog run for Holbrook, painting parliament house (flagpole near submarine), and the rotunda at the Harry Jarvis Wing, raffle ticket sales at Henty Machinery Field Days, and dinner meetings for volunteers at Henty and Culcairn.

Much of what we do is thanks to earnings from catering and Murray thanked Craig Rowe and volunteers for their efforts. Upcoming catering events including HMCS Club Enduro at The Pines, the Hicks' Bull Sale, and the Bulls' Ram sales to round out 2022.

At the changeover dinner, Murray introduced new Board members and those holding positions:

including  
Foundation - Marg Geddes,  
Secretary - Rick Bull,  
Treasurer - Milt Golenberg,  
Assistant Treasurer - Jen Parer,  
Community Service Director - Scott Beattie,  
Catering - Craig Rowe, Youth Director - Belinda Izzard,  
Bulletin Editor and Publicity - Jenny Kane.

*Rotary Board members for 2022-23: Scott Beattie, Belinda Izzard, Milt Golenberg, Murray Jones, Rick Bull, Marg Geddes, and Craig Rowe, with Assistant Treasurer, Jen Parer.*

## HOLBROOK PUBLIC SCHOOL

**Thank you!** Our school was one of the 1054 Primary Schools and Early Learning Centres around Australia, who were successful in their 2022 Woolworths Junior Landcare Grant application. We received \$1000 towards our gardening project. Equipment to be purchased includes - a work bench for our green house, two light weight wheelbarrows, two compost carts, two bee hotels, children's gardening gloves and gardening tools. The whole school community really enjoy sampling the healthy produce from our amazing school garden!

**Riverina Cross Country:** Well done to all the students who competed at the Riverina Cross Country Carnival at Gundagai. Congratulations to Ollie Cardile, who came first and will represent Riverina in Sydney next term. Congratulations to Sophie Burey and Henry Beavis, who are reserves for the team.

**Primary Schools Chess Competition:** On June 15, sixteen students represented Holbrook at the Primary Schools Chess Competition at Thurgoona Public School. Each student played seven games throughout the day. Geordie Geddes, Jonty Ingle and Jye Livermore were undefeated. Well done boys! A special thank you to Tony Geddes for coaching our students leading up to the event and for his enthusiastic support on the day.

**Mortimer Shield:** On 17 June, twenty-five Year 5 and 6 students participated in the Mortimer Shield Gala Day in Wagga Wagga. All students can be immensely proud of their sportsmanship and efforts. Try scorers on the day were: Belle Lindsay, Abby Pincott, Mia Boers, Jess Frana (2), Sybil Triggs (2) and Alice Hearn (4). Ollie Cardile played fullback and scored four tries for the day. A big thank you to the boys from Culcairn Public and All Saints Tumbarumba, who played for the

Holbrook team. The supercoaches awards went to; Belle Lindsay, Sophia Henderson, Byron Flewin and Ollie Cardile.

**Recorder Cluster Rehearsal:** On June 8, nine students travelled to Turvey Park Public School, Wagga Wagga to have a recorder rehearsal with other schools in the area. Nine schools were involved, with approximately one hundred students there on the day. The students will be performing for the Festival of Instrumental Music at the Sydney Opera House at the end of August.

**Overseas visitors:** Recently, we had the pleasure of hosting Miles and Stanley, the cousins of Will and Fergus Glass. They are from Switzerland and have been travelling around Australia. Our students enjoyed showing the boys around our school and sharing what it is like to attend school in Australia. This experience also allowed our students to learn about school and life in another country. **Holidays:** *Wishing our school community a safe and relaxing break. Students return to school on Tuesday, 19 July.*

NTP's 3<sup>rd</sup> James Ross, 9<sup>th</sup> James Ross.

## ST PATRICK'S SCHOOL

**Pray:** As we enter school holidays we pray an end of term prayer.

We thank you Lord, for this term.

For the challenges, the successes, and the mistakes from which we have learnt.

Be with us as we spend our time with family and friends.

Give us strength and courage to do what is right; to be witnesses of our faith.

Help us to be a practical Christian these holidays, to appreciate what others do for us,

to give time and effort to help others,

to be peacemakers in our family.

Keep us safe in our activities;

give us good rest and good fun.

Bring us back refreshed and ready for a new term.

We thank you for our classmates, teachers, parents and a community that cares for us.

May we always be conscious of you in our lives.

Amen

**Live:** On Thursday evening I was honoured to receive a \$300 cheque from the Rotary Club of Holbrook to put towards student wellbeing.

Thank you to the Rotary Club for their ongoing support and commitment to the wellbeing of our youth.

**Learn:** The Year 4, 5 & 6 students are putting their money where their mouth is.

After writing some very persuasive letters asking for the canteen to be reopened, I have agreed for a limited time only! The students will have to raise money to buy stock, cost out the menu, take orders, prepare and serve their peers. They were very excited when I delivered the news but the shock certainly set in when they realised just how much work they have to do to get the canteen operational! More information will follow with order forms coming home early in Term 3. Thank you to Miss Maroney for supporting this project.

*May God's Blessings be with you always,  
Melanie Dusterhoft Mavrick*

## ROTARY IN ACTION

One of the highlights of Rick Bull's Rotary presidency was this year's staging of the Australia Day ceremony for Greater Hume Council at Holbrook. "It had been many years since the first ceremony held in our town and I'm sure we were all delighted to bring it back and assist in staging the event," he said. Rotarians, Lions and The Men's Shed worked together to cater for the large crowd in attendance.

Rotary organised a second special event on Australia Day — the bushfire photographic exhibition put together by Lorraine Hurston from Tumbarumba and exhibited in the shire hall.

Mental health was a vital focus with members taking part in the Active Farmers annual walk and run for farming community at Mangoplah and during Mental Health Month, a Lift the Lid silly hat dinner was held to raise funds for Rotary Health, and Dolly's Dream. They also supported "Are You Bugged Mate?"

A favourite program of Rick's was the Pride of Workmanship Awards which had three nominations from businesses and two from Not-for-Profit organisations. Nominees included Rita Bowler (Holbrook Happenings), Kylie Durant (Landcare), Shaun Hughes (Churchill Transport), Ken Hulme (Anglican Op Shop), Nick Pugh (Ten Mile Engineering).

One of the club's local health initiatives involved purchasing and installing a public defibrillator available 24 hours/seven at the southern service station and truck stop.

In conjunction with Council, Rotarians participated in the red bow Christmas decorations in the main street and independently installed a Christmas tree outside the Anglican Market Place.

Rick said, "Rotary exists for its fellowship and giving service to our community both here and beyond our shores, giving our time to help others is rewarding and very much needed."

Some of our fun-social activities organised by Murray to raise funds for mental health initiatives were the 4 Wheel Drive adventure in the Upper Murray and the Australia Day Poker motorbike and car run.

Local Rotarians have assisted and supported many local projects such as the school movie night and sporting ground, welfare for local schools, Holbrook Triathlon, Holbrook race day,

auctions, and clearing sales, through marshalling, selling tickets, and providing BBQs and refreshments.

*Planning a six months student exchange, Audrey Lieschke with Belinda Izzard and Rick Bull.*

**Why do we join Rotary?** Many Rotarians are attracted to the organisation due to its service to the local community, and wider global view of world peace and humanitarian projects involving disease prevention, health, mental health, education, crises accommodation, fresh water, and helping victims of war and natural disasters.

## PLANT PICK PLATE

Most of my winter gardening tasks have been completed. The fruit trees are pruned, the productive leafy greens have been fertilised and mulched and coverings over the frost sensitive plants have been installed. The perennial herbs and ornamentals are relatively dormant with not much growth in other parts of the garden, except the weeds which grow regardless of the season. But, I am not looking at them and instead going into the kitchen.

I have found the most delicious and economical recipe that is both quick to prepare and nutritious – 10 min prep, 20 min cooking time, serves 4.

### Indonesian Beef Curry

4 slices of steak thins, sliced 2cm wide  
1 large onion, chopped  
2 cm piece of fresh ginger, grated  
1 ½ tablespoon oil  
1 ½ tablespoon curry powder  
¾ cup coconut milk or cream  
½ cup water  
1 ½ tablespoon tomato paste or sauce  
¼ teaspoon turmeric powder

¼ long grain rice.

Parsley, coriander or spring onion to garnish.

Fry meat in half oil then set aside. In remaining oil fry onion, ginger and curry powder stirring for a few minutes. Return meat then season. Add water and tomato paste, bring to boil, simmer covered for 10 minutes.

Add coconut milk/cream, simmer (do not boil) uncovered 5 – 10 minutes. Meanwhile boil rice with turmeric until tender, drain. Serve.

Seasonal greens such as small florets of broccoli or cauliflower are a great side dish. The remainder of the can of coconut milk/cream can be portioned and frozen for next time and don't be put off by the cost per kilo of ginger, break off a piece. You are only buying a couple of centimetres. If you are not accustomed to turmeric, halve the quantity. I hope you find this warming and delicious.
