

HOLBROOK HAPPENINGS

Issue 443 14 September 2022

FISCHER COMMUNITY LEADERSHIP PROGRAM

For the past 8 weeks, the Fischer Leadership Program has been running between the Holbrook Library Complex & Henty Community Club Ltd.

The program was aimed to develop leadership skills to new and emerging people within the community.

This inaugural event hosted twenty participants from Greater Hume Shire and was funded by the Border Trust and Alpine Valleys.

It was named in honour of the late Australian politician Tim Fischer who was passionate about grass roots leadership.

Pictured: Jacqui Bramwell Alpine Valleys, Justin Clancy MP & course coordinator Mary Hoodless, presenting certificates of completion to Margot Pitzen, Camilla Plunkett, Tania Saunders & Camilla Webb

The Holbrook Library Complex

holbrooklibrary@greaterhume.nsw.gov.au Ph: 02 6036 0173 OPENING HOURS Mon-Fri: 8.30am-5.00pm

Farewell to our much loved librarian

After 19 years of helping our borrowers find the perfect book, Ali is soon to finish working at Holbrook Library. Her knowledge and love of books, along with her friendly personality will be so very missed.

To give our borrowers a chance to say goodbye, we invite you to a farewell morning tea for Ali on Wednesday 21 September 10am at the library.

Holbrook Library's doors will be open during the
Holbrook Community Garden

Grand Opening Day on Saturday 1 October between
11am and 2pm.

Call in to see the newly refurbished meeting rooms at
the Holbrook Library Complex.

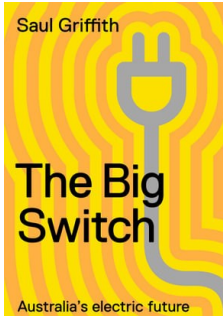

We would also like to encourage new borrowers to the
library as we have so many
brilliant books, both fiction and
non-fiction, to borrow. The first
30 people to become new
library members (and borrow
some books) on the day will be
given a free coffee voucher to
spend at J&Bs.

As part of the garden festivities, the library has
organized Sarah, from Halve Waste, to run a
composting workshop and answer any questions you
might have about what goes into your green or yellow
lidded bins. In addition, she will
talk about some 'tricky' waste
items to determine which bin
they belong in. Feel free to bring
in a piece of waste that you're
confused about. The workshop
will start at 12pm.

Book review The Big Switch by Saul Griffith I really enjoyed this book as it answered a lot of questions I have about using renewable energy to electrify everything. I chose this book to review as I think a lot of people would be interested in reading it, maybe for different reasons, but all would find answers. Griffith explains how Australia can make renewable energy in far higher quantities than our economy needs. We can also store renewable energy for tomorrow. We can make so much that we have enough in the dark cold times and an abundance in the warm, sunny times and a surplus to sell to other nations. His book is a blueprint - optimistic, yet feasible - on how Australia has the potential to be a renewable energy superpower because of our low population density combined with our hugeness - so few people per square kilometer and so much land. We can still have what we have now, using only half the energy. We can use renewable energy to create millions of jobs and a healthier environment. Griffith explains exactly what it would take to transform our infrastructure, update our grid and adapt our households. *Dom Heriot*

HOLBROOK LANDCARE NEWS

Squirrel gliders have moved into several of these new homes within a few weeks of their installation.

Nest material was found in some of the Habitech modular boxes and insulated wooden nest

boxes. Some of the in-tree-hollows are too high to monitor with a standard pole camera, we may need to use wildlife cameras instead to gauge usage.

We had a great turnout to our '**Soil Acidity and Salinity Workshop**' in Burrumbuttock last Thursday morning, run in partnership with West Hume Landcare. This was part of our Future Soils Project, supported by NSW DPI and funded through the National Landcare Program. There were some terrific discussions held and a particular interest in the lime and molybdenum relationship we are experiencing at our local trial site this year.

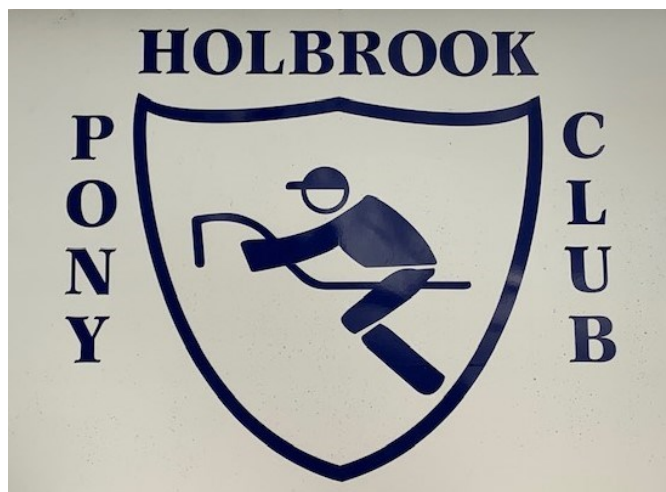

LADY GAIL'S TALES

Fire pits. Although they have been around for a while now, it is amazing how many city travellers are looking for old fire tools. In particular, hand-forged, unique pokers.

When I tell them that we rarely get any, they are shocked. They think that because we are a country town, they should be everywhere. I explain that lots of country people are still using theirs. Why? Is often the question asked. My answer, "Some have wood heaters, some have an emotional attachment because Pop made it, some have fire pits. "That's what I want one for", they answer.

There may be an opening for a blacksmith hobbist. If so, long is better.

HOLBROOK PONY CLUB IS 60 THIS YEAR.

Holbrook Pony Club has been active for 60 years in 2022.

Started by local families in 1962 who recognised the benefits of citizenship, friendship and horsemanship to be gained from the Pony Club organisation.

Holbrook is one of the Zone 20 Pony Clubs that then fit into the State and National network of Pony Clubs.

Riders have the opportunity to advance from Club competitions to Zone, State and National level competitions if they wish or they can just enjoy the fun and friendship of monthly rally days, riding and learning with friends.

Holbrook Pony Club can proudly boast of starting riders that have enjoyed all levels of riding from Club rallies to Australian representatives including Olympic Games.

On October 29th & 30th 2022 Holbrook will host a two day camp at the Holbrook Equine Centre for riders from any Pony Club. Instructors will coach in cattle handling, polocrosse, driving, jumping and workouts.

On Saturday 29th October between 12 noon and 1 pm a celebration of Holbrook's 60th Anniversary will be held with a commemorative tree planting and cake cutting.

AN OPEN INVITATION IS EXTENDED to any Past or Present Members or interested friends to join us during this time at the Holbrook Equine Centre.

Join Holbrook Pony Club Facebook group for updates and events.

PROBUS

Our August meeting saw a pleasing number of members returning. There's still plenty of room for more and we would invite anyone who would like to come and 'try before they buy'!

Unfortunately our trip to the Commercial Club had to be cancelled because of illness to the performer. We will keep an eye out for future shows.

Our Guest Speaker, Heather Kovac gave a fascinating and often humorous account of her recent trip to Croatia for a family wedding. Heather traced her journey, telling of her many sights and experiences on the way. Thank you Heather.

Our next meeting is Tuesday 27th September at 11:00am at the RS Club

JAMMING@JINGELIC RETURNS FOR 2022

Local food, wine and music on display.

After 2 years of fire, flood, drought, border closures and pandemic, Jamming@Jingelic is excited to be back for 2022, supporting our amazing and resilient local community.

On Saturday 8th October 2022, the Jingelic Showgrounds will come alive with local food and drink vendors, as well as 5 amazing musical talents to entertain us between 12pm and 8pm.

"It's been a tough couple of years for the Upper Murray and we are pleased to be able to support our locals however we can, while also bringing visitors into the region. Jamming 2022 is set to be a fantastic event that we are proud to be bringing to you" Trevor Toholka, Jingelic Committee President. Enjoy the day and the tranquility of Jingelic, a scenic village nestled on the banks of the Murray River, offering idyllic spots for fishing, camping or paddling.

With 5 musical sets, 6 local food vendors, 5 local drink vendors, a garden art display and market plus a motorbike display, this is an event not to be missed. Only \$20 entry for those over the age of 16 and free camping.

Check out the Jingelic Hub Facebook page for all the information.

NEW SIGNAGE AT HOLBROOK HOSPITAL

Brett and Lisa (Rock DeSigns NSW) are located at The Rock in Southern NSW and specialise in designing custom made property signs, welcome signs, wall art, giftware, garden art, mailboxes etc. We also offer commercial CNC plasma, router and laser cutting and etching services. We take pride in creating custom farm/property signs. We work with you every step of the way during the design process to create the perfect design for you.

We were wanting to create some custom work for the Harry Jarvis Wing. This included a personalised name plaque for the front entry point of the Harry Jarvis Wing. A café plaque for a pop up coffee station and also the red mailbox so our residents who are not able to head down to the local post office can still have the experience of posting a letter or mail to their loved ones. Thank you so much for designing these for our site. Our residents and staff love them. If anyone is needing anything custom made please call Brett and Lisa at Rock DeSigns NSW for all your custom fabrication needs. Thank you for bringing our designs to life.

HOLBROOK HOSPITAL PHOTOS AND MEMORABILIA WANTED

Wanted: photos and or memorabilia relating to the Holbrook hospitals over the years to be used for a history project. Any items can be left at the hospital front office. Please label whether the items can be kept or copied and returned. Pictured right are early excavations at the 'new' Holbrook Hospital.

NATIONAL MEALS ON WHEELS DAY CELEBRATION

This **Wednesday 14th September at 12.30pm** at the Holbrook Library meeting room. All current and past volunteers and clients or interested people are invited to attend.

If you haven't already, please give us a call to RSVP on 02 6036 3677.

National Meals on Wheels Day recognises the outstanding contribution of our wonderful volunteers, who ensure older Australians remain nourished and safe at home every day. We offer gratitude and thanks to all 14,000 volunteers in NSW, and the growing band of individuals and organisations that have come on board who continue to support us. Their efforts have made us stronger and more focussed than ever, and this annual celebration recognises their contribution to our service.

The past 2 years have been trying for everyone but everyday a happy, smiling volunteer arrives at our office ready to deliver a meal and say hello to others in the community. It shows great community spirit that people are freely stepping forward to give their time to help others. We are only able to provide a hot meals service in Holbrook 6 days a week thanks to volunteers! Not only do our volunteers provide meals deliveries, they provide a social support assistance by helping with shopping, paying bills or other needs, transport to appointments, gentle exercise sessions, outings and our Cooking with Friends group.

We have had many volunteers over the years who have provided many, many years of service. This year Holbrook volunteers being acknowledged on the NSW Meals on Wheels Volunteer Honour Roll are:

Mr Ken Hulme - 52 years

Mrs Sharyn Bartels-Waller – 27 years

Mrs Anne Keogh – 20 years

Congratulations to them and all our wonderful volunteers, past and present! You are the lifeblood of our organisation, and we could not provide such a wonderful service across the Greater Hume Area without you all!

MEN'S SHED

Hello from the Men's Shed.

We are still working towards moving in. Most of the insulation and lining is done, the wheelchair accessible hand basin and toilet are finally finished, and it's now just a matter of getting the certificates of completion and Council inspections.

The only other thing that needs addressing is vandalism at the old shed in Wallace Street. We had some old sash windows and some sheets of glass stored outside. Every pane of glass and all the sheets of glass were smashed, also the window above the front door was smashed. If anybody knows anything about this please let the police know.

Rod Peters

2022 COMMUNITY SURVEY NOW OPEN

ABOUT THIS SURVEY

The MLHD 2022 Community Survey gathers information from people across the Murrumbidgee region about their experience with and knowledge of services in hospitals and other healthcare facilities.

This is the perfect opportunity for you to provide feedback on how the health service can improve communication.

The survey is anonymous. Participation in the survey is voluntary and respondents cannot be identified from the information provided in this survey.

CLOSING DATE

This survey will open from 1 September 2022 and close on 30 November 2022.

PURPOSE

The 2022 MLHD Community Survey will:

- measure public awareness about services available locally
- identify gaps in the provision of information
- identify best communication channels to inform, consult and engage with specific communities

TAKE SURVEY NOW!

Go online:

<https://www.surveymonkey.com/r/MLHD-CS-2022>

ST PATRICK'S SCHOOL

Greetings to the Holbrook Community.

Last Thursday was R U OK? Day. R U OK? is a harm prevention charity that encourages people to stay connected and have conversations that can help others through difficult times in their lives. Don't forget to check in on your friends and family by asking R U OK? A conversation could change a life!

It is hard to believe we are drawing near to the end of Term 3. Our classrooms continue to be a hive of activity. Last week our students created gifts and cards to celebrate their Dads, Grandads and Father Figures.

The students are immersed in all things Aladdin for Creative Arts in preparation for our performance in Term 4. Props are being collated, songs sung and lines learned.

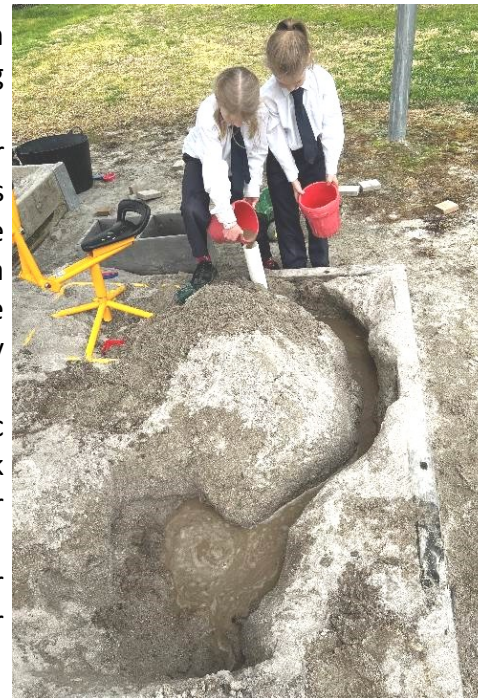

The learning at St. Patrick's isn't just confined to our classrooms. Our playgrounds are currently alive with engineers as students create dams, road networks and river systems in the sandpit. Over at the creek the senior boys have engineered a water transfer system to encourage the creek to flow beyond the dam wall. The cooperation, conversation and teamwork on display is great to witness.

Six of our Year 6 students joined students at Holbrook Public School to sit the Commander Holbrook Scholarship. A huge thank you to Judy Ross and the Trustees for providing this opportunity for the children of Holbrook.

Transition to school begins in Term 4 for students eligible for Kindergarten in 2023. Please call into the office and pick up your transition to school enrolment pack.

May God's Blessings be with you always,

Melanie Dusterhoft Mavrick

HOLBROOK SUBMARINE MUSEUM NEWS

For the information of locals and visitors, several 3D QR Codes have been placed besides exhibits in the Submarine Park. By scanning these with a smart phone, a 2-minute audio will give you relevant information on the item. In addition, there are further QR codes printed on the notice board at the museum and at the Submarine Café. By scanning the code you will get a 5-minute audio conducted tour of the submarine related items in the park. In addition to English the audios are in 9 other languages to enable overseas visitors to follow. There are also around 25 printed QR codes in use, giving further information of the main items located inside the museum for self-guided tours.

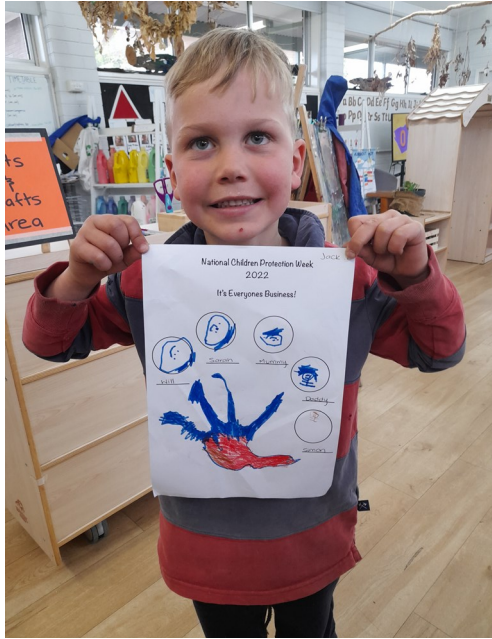

CHILD PROTECTION WEEK!

Child protection week took place from the 4th September to the 10th, with the theme 'Every child, in every community, needs a fair go'. GHCS Holbrook took the opportunity throughout the week to educate the children and families on what child protection looks like in our community.

The parents were offered some morning tea to take with them while they read a leaflet from the National Association for Prevention of Child abuse and Neglect (NAPCAN). The parents were very thankful for their sweet treats.

The educators encouraged the children to talk about what and who made them feel safe. The preschool children were also able to draw these important people in their lives. The service has also made a pledge to advocate for children's rights and for each child in the community to feel safe.

Holbrook Stores

past, present, future - serving the community

HOLBROOK PUBLIC SCHOOL

Peer Support Program: Our Peer Support Program is student-led and assists our school in achieving and maintaining a positive school culture. It empowers students to support each other and contribute positively to our school and community. It caters for student well-being and helps to develop a supportive learning environment. Congratulations to our Year 6 school leaders on running their first successful session last week. Year 6 had an intensive 2-day training course with Miss Lavis earlier in the term to help develop their peer support skills.

SASS Recognition Week: Last week we recognised our School Administrative and Support Staff (SASS) for the wonderful contribution they make to our school community. Our office runs extremely smoothly, our grounds are always well maintained and our students and teachers are always greatly supported by our Students Learning Support Officers. Without the wonderful support of our SASS staff our school would not function as well as it does. Teachers and students appreciate you all!!

Recorder: The recorder students had a fantastic time performing in Sydney on Wednesday 31st August. Students met up at the Town Hall at 12.30pm for a 3 hour rehearsal with all the other performers and then performed that night. There were 400 recorder players, and in the final song students were joined by 200 string players. 28 schools were represented between the recorder and string players. Congratulations to all students involved in this wonderful opportunity – Eddie Bull, Alexis Feltrin, Jessica Frana, Sophia Henderson, Jonty Ingle, Charlotte Ingram, Belle

Lindsay and Lacey McKillop. They should be very proud of all the effort and practice they have done throughout this year. A very big thank you to the parents for the support in getting students to and from Sydney and also the P & C for their contribution.

Riverina PSSA Athletics: Well done to Ollie Cardile and Alice Hearn who have earned themselves selection in the Riverina PSSA Athletics team to compete at the State Athletics championships in Sydney next term.

'It's a Mad World' Performance: All students thoroughly enjoyed a one man performance this week. Laughter from the hall was heard across the entire school. As Miss Morgan's English wrote earlier today, 'he captivated the audience with his ambitious stunts and hilarious jokes...' Per came to us from The Flying Fruit Fly Circus with a lot of experience in performance and circus. It was perfectly timed as HPS students currently prepare for their own performance in the coming week. An enjoyable experience for both students and staff!

Whole School Performance: Don't forget to get your tickets at the front office for the upcoming whole school production "A Night at the Movies." Rehearsals are well underway, and the excitement is starting to build.

Are you looking for some FREE mulch or fertilizer for your garden?

Head on down to the Holbrook Sporting Complex and help yourself to the horse manure or used oaten bedding straw which is in a pile down there.

Take as much as you would like, just leave the area tidy.

FROM THE ANGLICAN CHURCH

On Sunday 18th September, Bishop Mark Short and his wife Monica will be our guests in the Parish. Bishop Mark is the head of the Anglican Diocese of Canberra and Goulburn which reaches from the coast to Holbrook, and from Victoria to near West Wyalong. While here Bishop Mark will Confirm three people at the Sunday morning service at 9am.

Confirmation is where a person makes a personal commitment to be a Christian. It is called Confirmation because the same questions are asked of the people that were asked at their Baptism. The difference is these people will answer for themselves, whereas their Godparents and Parents answered the questions at their Baptisms.

The questions are basic but have a deep spiritual and personal commitment to them which are: *"Do you turn to Christ?" "Do you reject Satan and all that is evil?" "Do you repent of your sins?"* These questions are the basis of a Christian commitment, and when they are answered in front of people as witnesses, the answers have a spiritual and lasting commitment which we will have to answer for to God.

Making a public FAITH commitment is a powerful thing because we then must live into what we committed to. I once read that the word FAITH is spelt R.I.S.K., and Faith is the GLUE that holds humanity and God together. If people and nations had more faith in each other, and God, the world would automatically be a better place because, we do not want to hurt what we have faith in and love.

I pray that you have faith in God and people, and that the glue of love will hold us together, and even empower us to take risks that will make the world a better place. Making a commitment to faith and love is risky, but the rewards are out of this world.

Best wishes from the Anglican Parish of Holbrook
C/- Reverend Stephen Davis. 0429 845 525.

RANDOM FACT

Rubber bands will last much longer when they are refrigerated.

When a rubber band is placed in the fridge, it causes the polymers to relax. This keeps the band from breaking down as fast as it normally does.

RS CLUB BOWLS

All Bowlers please note our AGM will be conducted on the 18th September @ 12pm Men and Ladies to attend.

Events:

1st round of consistency has been completed.
The Wantagong Warrior (Steady) d Yours truly
Heather Feather Chris d the Mort Ross
Waratah Mulloy d the Easme
Scrote I Love Elders d Hibbo
Roscoe 'Breath of Spring' Smith d another

"Eagle Heights" 183 Vokins Creek Road , Holbrook

EOI

"EAGLE HEIGHTS" - MIXED GRAZING, SECURE RAINFALL & SCALE

Web ID: LPZ3524

Exciting opportunity to secure a mixed grazing property in the tightly held Little Billabong area 30km NW of Holbrook. 451.52 Hectares (1,115.71 Acres) in 4 freehold titles. Three contiguous parcels that are being sold as a whole. 299.62 Hectares for sale now and 151.9 Hectares offered with a 2 Year Lease & Purchase option. Property comprises of 2 Houses with the Main Homestead completed June 2019, 2 Sets of Steel Cattle Yards, Sheep Yards, 7 Bay Machinery Shed/Workshop with power & numerous other sheds, 2 x Equipped Bores - 1 x Solar, 1 x Electric. Frontage to Vokins Creek as well as numerous dams. Eagle Heights is a well-balanced property offering a mixture of country from improved creek flats to undulating native hills. The property is only offered for sale due to the vendors impending retirement. Eagle Heights offers substantial productivity upside with further scope to improve pastures and carrying capacity. Please contact Matthew Pitzen of Nutrien Harcourts Holbrook on 0428 362 030.

10 Bowler Street, Holbrook

\$425,000
