

HOLBROOK HAPPENINGS

Issue 445 17 October 2022

OPENING OF COMMUNITY GARDEN

The Holbrook Community Gardens are now officially open. We had a fantastic opening day—thank you to everyone for coming and making it a great day, even the rain stayed away for the duration.

The team who created and pulled the event off, Kym Hulme, Nola Rogers, Jen Golenberg, Jen Kemp, Ken Hulme and myself, Jenni Wines, are, by far, the best team I have ever had the pleasure of working with. The Gardens have received grants, donations and labour from many generous donors, including: The Greater Hume Shire, the Federation for Regional and Rural Recovery, Murrumbidgee Public Health, Mark Lynch, McCarthy's Haulage, Garry Wailes, Jenny Kane, Jenni Papworth, David Winnett, Holbrook Stores, Doug Kemp, Holbrook Anglican Parish/Op Shop, Holbrook Show Society, Holbrook Newsagency, J&B's and many anonymous donors. Thank you all so very much.

On Opening Day we had almost 200 visitors who enjoyed the lunch provided by the Hospital Auxiliary; sausages—wonderfully cooked by Rotary—desserts and tea and coffee in the Holbrook Library. The Library supported the event by opening at the same time. Thank you to Dom Heriot in the Library for her assistance and work to enhance the event.

Most of the kids went home with a potted plant. Many adults went home with some plants to put in their gardens or a Community Gardens cookbook (full of recipes supplied by locals) to make some wonderful treats and goodies.

You can walk through the Gardens at any time or visit during our regular Monday morning session, starting from 9am. Our sessions are generally followed by lunch and everyone is always welcome.

Community Garden Calendar of Events:

Batlow Waratah Festival - Sunday 30th October 2022. Bus available with limited seating, free event includes lunch—please register at the Gardens.

Halve Waste - Monday 31st October 2022 at 10am (followed by a free light lunch).

Plant Sale - Saturday 5th November 2022. This is a combined event at the Op Shop.

Bunnings Garden Staff visit to Gardens - Wednesday 16th November 2022.

Community gardens are places of great joy and camaraderie open to everyone. We invite anyone who would like to be part of the Holbrook Community Gardens to visit the Gardens on Monday mornings from 9am - 12 noon. You will be warmly welcomed.

LITTLE BILLABONG CEMETERY CELEBRATING 150 YEARS

As some of the readers may be aware, the historic Little Billabong Cemetery, formerly known as Lunt's Vale, will be celebrating its 150th anniversary next year, as it was dedicated February 14th 1873.

The cemetery which now lies between the north and south bound lanes of the Hume Freeway is thought to have as many as 140 graves in 90 plots according to research done by J.H. Winston-Gregson and published in the Australian Historical Archaeology, 2, 1984 under the title of People in the Landscape: A Biography of Two Villages.

John & Joan Quinlan have passed onto me the research that they had done in the past pertaining to this cemetery. As no actual burial records are held for the Little Billabong Cemetery, and with some names and dates having been provided by the Quinlan's, it is a matter of sending for the relevant death certificate to confirm that they are in fact buried there and not Germanton/Holbrook.

If any readers have knowledge of names of deceased who are thought to be buried there, could you please contact me with the information. Having been heavily involved with a similar project for the Cookardina Cemetery in 2013, it is our intention to compile a booklet covering the history of this historic cemetery as a fitting tribute to those who were laid to rest there in unmarked graves.

With thanks Cheryl Crighton (nee Sone, formerly of Cookardina). My contact details are email: cherylcrighton@bigpond.com or by post to "Bringa" 187 Mooney Road, Gaeta, Qld, 4671

HOLBROOK SUBMARINE MUSEUM NEWS

A submarine museum tour is a good way to kill an hour or so on a rainy day. You can relive the Yellow Submarine from 2014 with a video and a section of wool panel from King Island.

Several exhibits have been refreshed and now there is a soundtrack of a torpedo attack running in the control room.

Progress on the HMAS AE2 exhibit has slowed mainly due to the New Year.

Pets: the family members you get to choose.
Whatever you do in life, do it with enthusiasm.
Small minds focus on small matters.

ST PATRICK'S SCHOOL

Welcome to Term 4 at St. Patrick's School. It was lovely to welcome our students back for the final term of 2022.

Pray: This month we honour the Holy Mother Mary. The month of October was chosen to honour the Holy Mother, Mary, in thanksgiving for her protection that she gives the Church in answer to the praying of the rosary. This month we pray the rosary asking Mary for her guidance and love. Father Terence celebrated his birthday on 4th October. We wish Father Terence a very happy birthday and thank him for his ongoing service to the St. Patrick's School family.

Live: No time was wasted in resuming our Aladdin rehearsals. The students have embraced their roles, learning their lines, singing their songs and supporting each other. The production is a culmination of the Creative Arts Learning Area, incorporating Visual Arts, Music, Dance and Drama. Watch this space for more information as our Performance date gets closer!

Learn: This term we welcome Miss Ally Keogh to our school community as our K/1/2 teacher. Ally is a former student of St. Patrick's School. It is

always lovely to welcome back our former students in any capacity.

Our English Agreed Practice is now firmly embedded in every classroom and the teachers are reporting stronger engagement and improved results as a result. It is extremely important that we offer a consistent approach to the language we use and the learning experiences provided. Thank you to Mrs Scholz for leading this initiative in our school in line with CEDWW system priorities.

It is not too late to join our Transition to School Program commencing on 28th October. Our Transition to School program is designed for students who will begin their Kindergarten journey at St. Patrick's School in 2023. This immersive program aims to provide a taste of school life, provide a sense of belonging and encourages children to develop a strong sense of their own identity. Based on the outcomes of the Early Years Learning Framework our Transition to School sessions provides the most up to date developmentally appropriate program. For all your enrolment enquiries please contact the school on 6036 2288.

May God's Blessings be on you all.

MEAL ON WHEELS

Holbrook Meals on Wheels Service Inc. Annual General Meeting is being held on Friday 28th October at the Library meeting room. Why not come along and join us? Everyone is more than welcome to attend. The meeting will be followed by light lunch & refreshments. If you are planning on coming along please RSVP to 6036 3677 (just for catering numbers). If you wish to nominate for a position on our board you must be a financial member and have your nomination in to the secretary 7 days prior to the meeting.

We still have a couple of iPads available in our Social Inclusion project to clients of our service. The iPad is gifted to participants and includes 6 months of data and some assistance to learn to use the device. We are now **delivering meals** right across the Shire. If you know someone we may be able to assist please get them to give us a call. They will need a My Aged Care referral and we can assist with this also. Only 2 months until Christmas! We are planning to hold our **Annual Christmas Hamper Raffle** soon. If you can donate to the hampers please drop goods into our office at 114 Albury Street. We would be very grateful for any donations.

The ACT! Emergency Readiness programme is still available to clients. If you need help to prepare for an emergency contact us on 02 6036 3677 to arrange a visit from our staff. Don't forget our AGM, we would love to see you there.

LITTLE BILLABONG CWA

Our branch is busy preparing for a very special day on 5th November at the Little Billabong Hall. We are celebrating **50 years as a branch, 100 years of the CWA of NSW**, and after a Latvian themed lunch, the State International Officer, Mrs Jenny Chobdzyński will be telling us all about **Latvia, our country of study**. Mrs Ann Adams State VP, and Mrs Elaine Armstrong, former State President will also be attendance. Other branches in Murray and the Riverina Groups will be joining us on the day. We will begin with morning tea, followed by the history of Little Billabong branch, the CWA of NSW, then - our Latvian lunch and finishing with Latvia. Our tables will be decorated in different colours and there will be displays of old and new items for all to see. If you are a former member of the branch and you haven't received an invitation, please get in touch with me and I can tell you more.

This is the last event to be held by the Little Billabong branch. At our AGM on Sunday 16th October, we changed our name to the **Little Billabong-Holbrook Branch**, as the Holbrook Branch closed on 30th September, and the members have amalgamated with us. We wanted to keep the Holbrook name alive- so – hence our new name. We will continue to serve Holbrook and district into the future.

We have had a busy year, so our special day will be a lovely way to end 2022. We hope to share some photos with you all afterwards.

PROBUS

It was lovely to see just about all our members present at our September meeting and no one on the sick list! After a short meeting, Ken Hulme and Jenny Wines gave us an interesting update on the Holbrook Community Garden which was having its Grand Opening on Saturday 1st October. Last year, after the garden could no longer be in St Patrick's School yard, the Council supplied a block near the Library. With the help of many willing community members, some grants, support from businesses, the garden is now complete with 6 permanent beds and a watering system. A terrific initiative! Anyone who can spare a little time on a Monday to help with weeding, planting etc it would be greatly appreciated! Members then enjoyed lunch and some fellowship time.

Our next meeting is Tuesday 25th October, 11:00am at the RS Club. Names for our Christmas party will be needed then.

HOLBROOK PUBLIC SCHOOL

Excursions: It is with great excitement that we plan and prepare for overnight excursions this term. Next week, students in Years 5 & 6 will be travelling to Canberra, and in Week 6, our Year 3/4 students will be travelling to Melbourne. Many of our students are embarking on their first school camp due to cancellations and restrictions over the past few years. School camp is one of the highlights of childhood – sharing a room, embracing new and challenging activities, sharing responsibilities with friends, and getting to know the teachers outside of the classroom. We look forward to writing about the adventures of Year 5 & 6 and Year 3 & 4 in the coming weeks! **School Cricket:** Mr Leitch and the Knockout Cricket team will be back in action next week as they continue in the State competition. Our team will be playing Lake Albert at Holbrook Public School on Monday, 17 October. Fingers crossed, our cricket pitch and oval will be playable next week! **State Athletics:** Good luck to Ollie Cardile and Alice Hearn, who will travel to Sydney next week to represent Riverina at the State Athletics carnival.

Interschool Equestrian Challenge: The Scots School Equestrian Interschool Challenge was postponed during the holidays due to continuous wet weather and in the interest of horse and rider safety. Sybil Triggs, Abby Pincott, Geordie Geddes, Jonty and Issy Ingle will get another chance to represent Holbrook Public School in December.

Drawing Competition: Some students in Kinder to Year 6 are preparing entries for a new drawing competition run by the Border Carriage Club. The competition is run in conjunction with the Battle of the Border event which is held at Mullengandra in December. Students are asked to draw a horse and carriage, using a medium of their choice. The competition has many sections according to age of entry and will be judged and awarded at the Battle of the Border Marketplace at 11:00a.m. on Sunday, 4 December. Good luck to our entries!!

Year 6 Science: Yr 6 hit the ground running in Science this term. Over the term students will be exploring reversible and irreversible changes to matter by using common, everyday substances and considering everyday observations. They will examine reversible changes of state and irreversible chemical changes with practical investigations and experiments. Our first

investigation was a huge success as they learnt about water vapour in the air changing state and becoming a liquid. They completed this simply by using ice, salt, food colouring and a jar.

HOLBROOK LANDCARE

Rural Economic Update: Thursday 20 October @ Library Complex. Come along and enjoy breakfast while learning more about what is happening in the global agriculture market, together with how global trends, commodity pricing and increased interest rates may impact your recovery from drought, Covid-19 and bushfires. Speakers include Holbrook Landcare Executive Officer, Dr Alison Southwell.

Frog & Bird ID Event: 9-11am Sunday 30 October (near Walla Walla) This is an opportunity to learn more about frogs and birds in the local area, with Guest Presenter Michelle Littlefair. Michelle is completing her PhD at ANU and collaborates with Sustainable Farms to study frogs in agricultural landscapes, and in particular how they use farm dams. RSVP to Rhonda Vile (0408 507 544 or Rhonda.ville@birdlife.org.au). This event is being organized by Birdlife Australia and directions are available on registration.

Field Day—Managing Soil Acidity in Permanent Pastures: Friday 4 November (9am-12 noon) @ Rosewood. Topics covered will include the background & an update on the 3 local lime demonstration sites, effective ways of monitoring soil pH & assessing pastures, different approaches for effective acid soil management in pasture systems & the relationship between molybdenum & lime.

For more information contact Nick on 0488 155 101 or nickmcgrath@holbrooklandcare.org.au.

Holbrook Landcare AGM: 8.30am Thursday 3 November at the HLN office, 128 Albury St, Holbrook. Nominations are invited for the Board. If you are interested please contact the office on 6036 3181 or visit our website.

FROM THE ANGLICAN CHURCH

It is with a degree of sadness that I write this article in respect that I and Leola will be moving to Coolamon in early November. We purchased a house in Coolamon several years ago and we are looking forward to making it our home. This move is a precursor to my pending retirement which will take place next year. In November I start "Long Service Leave" and Bishop Mark has given me permission to leave Holbrook and move to Coolamon during this time. During my absence there will be a Locum Priest assisting the Parish.

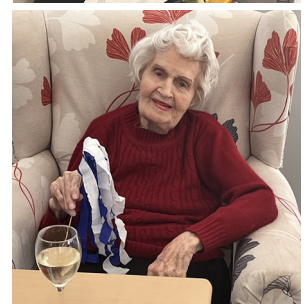

During my 30+ years in ministry we have lived in 3 towns and 3 cities, and I think the best thing that happened to us was discovering the "Riverina." I was at the "Parish of Finley, Tocumwal, and Jerilderie" for 8 years before coming to Holbrook 3 years ago. What makes the Riverina the best place? The Answer is - the people! I am a rural person and after 20 plus years of ministry in cities, it was, and is, refreshing to be back in the country.

I often say, "if I had known about Holbrook years ago, I would have possibly made it our forever home because we have enjoyed being here so much." What is so special about Holbrook? For us, it is the friendly caring community with the social grapevine that connects everyone, it is a true community with all its joys and sorrows. Also, it is not easy to build up friendships in ministry and we have had this happen here in Holbrook.

Sometime in the New Year the Parish will begin seeking a new Priest, and I pray that they will be loved and cared for by the Church and community as much as we have. We thank you for being a part of our life. We do not say goodbye but farewell as we will visit Holbrook regularly. Thank you and God bless you all. Best wishes from the Reverend Stephen Davis. 0429 845 525.

HOLBROOK HOSTEL NEWS

The residents at Holbrook Hostel enjoyed celebrating the AFL Finals this year cheering on their favourite teams.

HOLBROOK MOTORCYCLE CLUB RIDE DAY

This 2 Day Bike Ride adventure saw three awesome trails through the golf links of the Rosewood Golf Club. A nippers track for the 50cc bikes and absolute beginners, a phenomenal grass track and a testing EnduroX track for the adventurous were made available over the long weekend.

There were over 60 riders, with some travelling from as far away as Bega to participate in the family friendly event. The weather and track were perfect.

Overnight accommodation saw time to sit back and enjoy a cold drink, showers and evening meal. A raffle draw saw some great prizes given away. The child's helmet was won by Matt Lavis from Candelo who is very excited that his son will have his first helmet. His baby is not six months old.

Big thanks to our core of volunteers for running the day and a shout out to the Rosewood Golf Club for their ongoing support.

Motorbike riding is a popular activity, both on and off road, however there are strict rules in place about where you can ride them.

National Parks require all riders to be licensed and registered. People who are buying their kids a bike are looking for places they can ride. Riders here is one option you can take advantage of.

The 'Ride Park Days' hosted by the club are not just for racers, so long as you have the right riding gear and your bike complies, you can enter and enjoy a day on our motocross or enduro tracks. You don't have to have a competition licence, nor be a member of the club, all you must do is pre-enter, so why not drop by the club's Facebook page, and check out upcoming Ride Park Day dates and put them in your diary

PLANT PICK PLATE

For years I have looked for a solution to controlling the colonies of slaters in my garden. Their protective body armour keeps these bugs safe from most things. I have placed newspaper under upturned planting pots to attract the slaters and I have sprayed them with pyrethrum, however both methods have not delivered the desired result. I have also prayed that the magpies and plovers that visit my garden are eating the slaters but realistically a whole flock of birds would be need to descend on my garden to have any impact on these tiny robust creatures.

My answer I found in the Holbrook Community Garden Recipe Book. A contributor has suggested placing halved oranges amongst the garden beds and the slaters will be attracted by the sweet aroma. Each morning upturn and dispose the bugs harbouring underneath. I felt this was worth a try. We squeeze fresh citrus to drink daily so I could see no reason to waste whole oranges in the garden. The squeezed halves worked perfectly, attracting not only the slaters but also the slugs. Picking off the slugs and applying a short spray of fly spray on the cluster of slaters is significantly decreasing my pest problem, but this method is ongoing and requires dedication by the gardener. Domes of orange are scattered around my strawberry plants which I relocate each morning and replenish each couple of days with fresh citrus. The orange and grapefruit work best, but not lemon – sweet not sour.

There are many other gardening tips in the book from accomplished gardeners in addition to a comprehensive range of delightful heritage recipes passed down by generations of cooks for everyone to try.

Passionate Gardener, June.

Are you looking for some FREE mulch or fertilizer for your garden?

Head on down to the Holbrook Sporting Complex and help yourself to the horse manure or used bedding straw which is in a pile down there.

Take as much as you would like but please just leave the area tidy.

BASKETBALL

The Holbrook basketball winter competition has come to a conclusion with both Women's and Men's Grand Finals played on Monday 12th September. Congratulations to all players, officials and spectators that put on a great couple of games for the grand finals. A special congratulations to Hoppers who took out the Women's Grand Final over the BJs and the Stirrers who took out the Men's Grand Final over The Goodies!

Congratulations to the following players who received individual trophies:

MVP for the Women's Grand Final - Ava Wolter

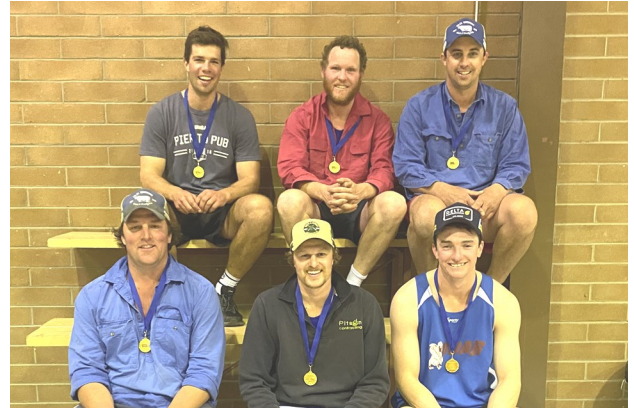

MVP for the Women's Season - Hannah Cossor

MVP for the Men's Grand Final - Russell Trethowan

MVP for the Men's Season - Jett Lidell

We are looking for team nominations for the Spring/Summer competition to kick off in a couple of weeks. If you have a team, or are interested to play (but don't have a full team) then get in contact via email and we can potentially place you in a team looking for more numbers.

For those wishing to register a team, please send in team name, team captain (name and contact phone number), team singlet colour and list of team players. All nominations on email please to shane@holbrookvetcentre.com.au

TENNIS

The new season got underway Saturday 8 October at various venues around the area with several matches being washed out. **Sect 1** were washed out at Henty, **Sect 2** played at Table Top and were beaten by 18 games and **Sect 3B** travelled to Brocklesby where the Brooker team had a good win after playing 3x3. On Saturday 15 October there will be 3 teams playing at home from 1.30pm Afternoon tea is back to normal with the home team to provide the goodies The Wednesday night **Social Hit up** from 5-5.30 will be getting popular with longer daylight. Any new players to the area are welcome to come along for this and anyone wanting to join Saturday pennant please contact Stephen Parker or Emma Jane Musgrave. Play starts at 1.30pm with afternoon tea back on after the Covid restrictions.
