'DON'T DROP THE BALL ON HEALTH' COMMUNITY GET-TOGETHER SUNDAY 18TH AUGUST

On Sunday 18th August at exactly 2pm, a crazy idea conceived over several cups of coffee came to fruition. 600 tennis balls were tossed from a helicopter onto a football field, a community was brought together to raise awareness of not dropping the ball on health and in the process, over \$60,000 was raised for charity. In excess of 500 people attended the community get-together held at The Holbrook Sporting Complex. There were delicious roast rolls from locally grown and butchered lamb and beef, fairy floss, giant games, lolly jar guessing, netball shooting and football kicking competitions.

The Fight MND Holbrook Big Freeze was certainly a spectacle, with liquid nitrogen adding to the theatrics of those heading down the slide into 1°C water, containing 400kgs of ice.

Then the much anticipated helicopter came in from the South West, did a couple of donuts around the oval and dropped every last ball before doing another lap or two and heading off into the distance, leaving the judges to discover the winners.

After which the auction kicked off and it did not disappoint, with so many generously donated quality auction items and keen bidders in the spirit of benefiting a worthy cause (or four).

The organising committee have been overwhelmed by the generosity and support received by the Holbrook and District Community and by the amount of money raised for their chosen charities Research4Riney, Albury Wodonga Regional Cancer Centre Trust Fund, Bowel Cancer Australia and FightMND.

There are so many people that made this day amazing and it would be impossible to name them all without missing someone. The Holbrook and District community should be extremely proud and give themselves a pat on the back for making this day such a success! From those who donated goods and services, to those who purchased balls and those bidding on auction items, to those who just turned up on the day and were a part of this stunning community get-together.

Ball Drop Prize Winners: First Prize, closest to the pin went to Kate Heijse, 2nd to Matt Ralph and 3rd to James Capell. Consolation prizes going to Tom Davies, Simone Russell, Cathy Jones, Charlie Papworth, Joanne Siedle, Cath Mann, Richard Locke, Richard Jenkyn, Antonia Grunow & Joan Parker.

Children's Book Week

As all parents sigh with relief till next year's scramble for Book Week costumes, Library staff are reflecting on a happily busy week. We had a school visit or story time every day last week and we hope that all the children who came to visit enjoyed their experience. Not one of the book week titles, but one of the favourites this week, was The Koala Who Could! This is a story about a little koala who was too scared to come down out of his tree but when forced to the ground is met with such love that he is no longer scared. The children learnt some new facts about koalas' secret powers and made a very cute koala hand puppet.

The library was also buzzing on Thursday morning with 44 parents, carers and children for a special Book Week story time. Dom read The Sloth Who Came to Stay and showed children the special bird with secret powers and a big shell where children could hear the sound of the sea. The children made a secret power mask.

INDOOR AIR RANGE IN HOLBROOK

Shooting sports offer the opportunity for people of all ages to enjoy a safe and exciting sport. My experience with target shooting dates back to 1986, when I won my first Australian Title. From there I went on to be part of the 1990 Commonwealth Games team. Having competed in 7 Commonwealth and 2 Olympic Games, I am still shooting competitively 35 years later.

Target shooting requires concentration and a steady hand. People of all ages from 12 years to 112 years old can enjoy the sport. There are categories of Paralympic Indoor Shooting for wheelchair shooters and those with a disability. Able bodied shooters compete alongside Paralympic shooters – the aim being that ALL of us are included in the sport. Men and women shoot the same matches, and shooters are graded into sections according to ability – a handicap system, similar to a golf handicap can be applied, to level the playing field.

Shooting has taken me around the world, from the World Championships in Moscow, the Olympic Games in Athens, competing in Cuba, Delhi, Manchester – all very exciting competitions.

I am looking forward to establishing an Indoor Air Range in Holbrook, so

that I may pass on my experience to local shooters, and hopefully see some of them aspire to international success. I am currently training towards the 2019 Oceania Shooting Championships, to be held in Sydney in November. These championships will decide on Olympic quota places for the Tokyo Olympic Games next year.

ANGLICAN NEWS

The waiting and secrecy is over. We have a new rector coming to the Anglican Church. His name is Stephen Davis and his wife Leeola will be accompanying him.

We will be welcoming him with a special service on 17th November, at a time to be advised, although it will probably be in the afternoon as our Bishop has an appointment in the morning.

Stephen is coming from Finley, which is in the diocese of Riverina, and we hope to have his bishop attending as well. The service (as with any of our church services) is open to anybody who wants to come.

Last Sunday was our last week of having Grant Bell over from Wagga to run our services and we farewelled him with a special morning tea and lunch. It was very cold in the church and with no power or lights to read the service and songs, we all trundled over to the rectory to boil the kettles on the gas stove and have a cuppa.

We have been blessed and spoiled to have Grant, but now we have to step up and run the Sunday services ourselves. There will be no communion on these weeks and the services will be less formal.

HOLBROOK AIR PISTOL & AIR RIFLE CLUB

Would you like to be part of the Holbrook Air Pistol & Rifle Club? Indoor 10 metre target shooting, an Olympic and Commonwealth Games sport.

We are looking for people in the Holbrook area interested in forming a Club to shoot indoor 10 metre Air Rifle and Pistol.

THANK YOU TO REGIONAL BUSES AND TRANSPORT NSW

Being an 80 year old user of the new bus run to Albury or Wagga Wagga, I recommend that Holbrook and District people support our new service because it's the best thing since sliced bread!

We (some regular users of the bus run) are feeling so passionate about this service we wanted to spread the word.

So here are some of our reasons why we are so happy this service is here for us:

- This service has been needed for so long. Really helps me be independent. That dreaded feeling of having to rely on someone to take me to an appointment is no longer an issue due to this great service.
- Thanks to the government subsidies, it has very reasonable rates.
- Nice comfortable seats.
- Friday run has become fish day where we have a meal of freshly cooked fish before heading home.
- We are taken wherever we want to go individually and given time to do what we need.
- I get picked up at my front door and at the end of the day, returned home.
- The service is wonderful. The drivers are very obliging and very good drivers, young and alert.
- Book in before it's booked out as our numbers are increasing. I've booked for every Friday in advance.

For those needing transport to shops, social activities, medical appointments or to connect to major transport interchanges, Regional Buses On Demand can take you. These services are a partnership between Regional Buses and Transport for NSW.

Book a ride 24 hours prior to travel or up to one month in advance. Bookings are available from 7am till 5pm, Monday to Friday on 0448 353 281. For more information, please phone them.

MEN'S SHED

We have been busy at the shed this week preparing for the Market by the Sub and the Town Garage Sale. We will be doing our egg and bacon sandwiches.

We will also have some hand made items for sale, planter boxes chopping boards and a few other items. We are still looking for new members, you don't need any skills, but if you have any you could show us, our wood turning lathes are sitting idle most of the time. You are welcome to just come down for a chat and a brew, no obligation.

SCAM AWARENESS PRESENTATION & MORNING TEA

You're are invited to celebrate this year's Cuppa for a Cause. In conjunction with NSW Fair Trading, Holbrook Meals on Wheels is hosting a morning tea and SCAM AWARENESS presentation at 10.30am on Wednesday 28th August at the Holbrook Library.

Enjoy your favourite tea and some delicious goodies and at the same time learn what you can do to avoid being scammed. Bring along a small donation and help us in raising funds to purchase a foldable wheelchair for service use.

For over 60 years, Meals on Wheels across NSW have grown to become a driving force of care in the community. In the course of a year, over 4.5 million meals are delivered by more than 35,000 volunteers to about 10,500 recipients in both regional and metro areas of NSW. In Holbrook, Culcairn and Walla Walla we are now delivering over 10,000 meals per year and providing over 300 hours of direct assistance for social contact, outings, shopping and attending appointments

Established by Meals on Wheels NSW, Cuppa for a Cause was set up to raise funds for those in need whilst simultaneously bringing communities together. This year, we'd love you to support us in raising funds and donating to a truly worthy cause.

If you'd like to come along to our Cuppa for a Cause event, or if you simply want to donate, then please get in contact.

For catering purposes, please RSVP to 02 6036 3677.

You are very welcome to come along!

HOLBROOK LANDCARE

The past couple of weeks have been busy with the annual Beef Dinner, a day trip to Bungendore to visit Mulloon Creek Natural Farms, a visit from the Murray Arts group with their Pygmy Perch 360 display and several field days.

The planting of over 16000 native grasses and both understorey and ground storey shrubs has been completed as part of the Roads & Maritime Services Woodland Planting Offsets Program. As you travel along the Hume Freeway you can see some of these planting areas in the reserves, identifiable by the protective guards around the shrubs. As the plants grow, this work will help to provide shelter for small native animals and birds.

Planning is also well underway for the Holbrook Landcare display at the Henty Field Days, which are now less than a month away.

HOLBROOK STORES

Good morning to everyone this week. What an event the Ball Drop turned out to be on Sunday 18th. We were glad to donate 80 bags of ice in conjunction with our supplier partner, Smith's Ice, to contribute to the freezing of our local celebrities.

With Father's Day coming up, we have some great gift ideas in Mitre10 and in IGA as well. Look out for the Mitre10 catalogue, available in store NOW! We have some additional specials with our Makita power tool range, so see if there is something for Dad that he may need and grab a bargain. There are limited quantities of these items, so be quick and don't miss out.

We have been making some changes in Mitre10 to open up the aisles and allow a better view into the sections. The garden area has been extended in preparation for spring and the range of seeds for flowers and vegetables is the best in the area, so why not drop in and select your favourites to grow at home. Until next time, happy shopping and don't forget, if we don't have it, please ask and we will try and find the product for you.

ST PATRICKS SCHOOL

We now over half way through Term 3 and it's been another busy two weeks!

Thursday 15th we celebrated the feast of the Assumption with a school mass. The **Resilience Project**, held on Tuesday 19th August, invited all parents to Billabong High School to a presentation. The Resilience Project has delivered programs to over 500 schools around the country and worked with many sporting teams. Key speaker Martin Heppell had all the parents entertained and shared some practical strategies to build resilience and happiness within our families.

We celebrated **Book Week** at school this week and it was fabulous to see all the student (and teachers!) dressed up to the theme 'Reading is My Secret Power'. A lot of effort was placed into the costumes and a big thanks to the parents and friend who attended the Book Week Parade in the hall.

We are organising a **Father's Day breakfast** on Friday 30th August at 7.30am hosted by all the staff and children of St Patrick's.

Our **Transition Program** will once again take place this year. With the support of funding from Catholic Education Diocese of Wagga Wagga, we have been able to extend our Program to 10 weeks, and for full days. This year the Program will run from 9.00am to 3.10pm starting on Friday 30th August. Enrolments for 2020 are now open for all classes K-6. Application packages are available from the school office.

Henty Machinery Field Days are fast approaching! As September 17th, 18th & 19th approaches St Patrick's School Council are in preparation for this years 'BIG' shed and are taking down names for those who are able to lend a hand. As St Patrick's School main fundraiser, it gives us an opportunity to raise funds that go directly towards resources and equipment that benefit the children at the school. Each year we have been blessed with the number of volunteers who assist and we ask for that continued support again this year, particularly as we are in the BIG shed, which requires a great number of volunteers. Please contact the school for further details or to put your name down - ph 6036 2288

HOLBROOK PUBLIC SCHOOL

It might have been cold and drizzling rain but that didn't stop the students and staff embracing the **Book Week** theme of 'Reading is my Secret Power'. A huge variety of costumes were proudly paraded in the school hall. Thank you to the parents and carers who supported the students by providing costumes and purchasing books from the book fair. The current Kindergarten and Year 5 students welcomed the pre-school children from the Early Learning Centre for a fun day of literacy-based activities and a teddy bears' picnic culminating in the book parade. Our amazing P&C committee cooked up a delicious BBQ that was enjoyed by all.

A huge thank you to all the parents who transported our chess team to Albury to compete in the **New South Wales Junior Chess League competition**. The 11 students displayed excellent manners and sportsmanship representing our school with pride. Although the students returned without any medals, all the team enjoyed the day and are excited about future events.

Our students in grades 3-6 attended the **Bernie O'Connor AFL/Netball Gala Day** at Yerong Creek. It was an enjoyable day and the students are to be commended on their determination, teamwork and efforts on the day. Thanks to all the parents who helped out on the day and supported the students.

During Education Week, we held an opening for our new ramps, which have been installed to make our school more inclusive. Work on the ramp to the Year 2 classroom will commence shortly.

At Holbrook Public School we are proud of our **community partnerships**. We would like to thank the following people for their support recently. The Glass family for donating plants and shrubs for replanting around our quiet covered outdoor area and the library. Sophie Hearn who recently pruned our roses. Also the Paton family who donated chemicals for Dallas Hawkins to spray our oval for cape weed.

Upcoming events: Kindergarten orientation Treasure Hunt on Monday, 9 September. Riverina Athletics Carnival Friday, 30 August. Trent Barrett Shield Friday, 13 September

BILLABONG HIGH SCHOOL

Free entry to Field Days!! Billabong P&C will once again be manning the Eastern Gate at the HMFJ from 17th - 19th September. This is a major fund-raiser for the P&C and all of the money raised goes back to supporting our kids. If you can help us out for a couple of hours this year please contact the school ASAP, you will receive free entry to the field days on the day you help out.

We have just approved the purchase of 75 lockers to be installed for student use. The school is considering whether we may acquire a locker for each student (400) in the near future. This would be in support of two other initiatives that we are currently considering. Ms Bowen is leading a small team to look at the increasing evidence that mobile phone use in schools is damaging for students, and whether we look at banning them from the classroom. If this is the case, lockers may enable students to lock their phones away during the day.

A team at the school is exploring the idea of a restructure to the Billabong High School day, creating time every afternoon for students to participate in team, extra-curricular, sporting and interest group activities in a bid to strengthen physical and mental wellbeing for students. Under choice of a range of activities they could genuinely engage with each day, from school sports, to choir, yoga, dance, art, agriculture or robotics – just to name a few.

ART & GARDENS @ Holbrook

Plans for Holbrook's gala event Art & Gardens are well underway; incorporating art, photography, leatherwork, sculpture, garden art, natural landscapes and beautiful gardens. Organisers are expecting to attract visitors and friends to Holbrook from around the region from Friday 11th October, and the weekend of 12th-13th October. A special market will take place outside the Anglican Centre on Saturday 12th October and the Art Show will continue until Saturday 19th October. Holbrook Rotarians and Anglican Church members have joined forces to stage the two events knowing that people who enjoy art are also drawn to the beauty of gardens and the natural environment. The Rotary Art Show's grand opening will be on Friday October 11 starting at 6.30pm at the Holbrook Shire Hall in Albury Street. Art lovers will enjoy an offering of well over 300 works of art and photography, fantastic finger food, a selection of Pfeiffer wines and an exhibition of children's art from local and regional schools. Art committee president Jen Parer is excited to announce Holbrook's guest artist is Albury's Meg Sprouster. Meg has had solo exhibitions in Sydney and MAMA (Murray Art Museum Albury), participated in group exhibitions in Chiltern and Albury as well as exhibitions with TAFE, AWAS (Albury Wodonga Art Society) and Gigs Gallery.

This year, five gardens will open during the weekend with lunch provided by local charities. FOOTBALL Round 17 versus Billabong Crows: Seniors: Andrew Dess (Otway Bistro award) tore the match apart in the third term, slotting four goals in 13 minutes in a devastating burst. Dess was on fire, not even a Middle Pub fire extinguisher would've stopped him. Nick Cottrell (Riv Hotel mug) made the most of his promotion, he was swift to pounce on the loose ball, and used his disposals to his team's advantage. After the match, coach Matt Sharp was quick to heap praise on his younger players, notably Tom Heriot, first-gamer Bailey Churchill, and Ewan Mackinlay, they all used their endurance to create space on the big ground. Randal Taylor (Zambrero), Lachie Holmes, and Brendan Dess (3 goals) often pulled the trigger on Holbrook's attacking raids, while Coby Ross used his dash and evasiveness to great effect. Goal of the day honours went to Andrew Dear for his banana effort in the last term. **Reserves:** Billabong 8 14 62 Holbrook 8 4 52 Goals: Lachlan Joyce 3, Kade Stagg 2, Joshua Mcneill, Col Geddes, AJ Bender. Best: Nick Pugh (Riv Hotel mug), AJ Bender (Zambrero), Scott Tassell (Sportspower), Joshua Mcneill, Lachlan Joyce (Players' player), Daryl Tuffey. **Under 17's:** Holbrook 15 11 101 Billabong 1 3 9 Goals: Jack de Steiger 3, Jock Triggs 3, Fletcher Parker 2, Jack Keogh 2, Ben Parker 2, Jayden Hucker, Bailey Churchill, Oliver Whitley. Best: Jock Triggs (Riv Hotel meal), Jack de Steiger (Bakery), Ben Parker (Sportspower), Jack Keogh (Urban Graze), Matt Bender (Zambrero), Todd McNamara. **Under 14's:** Billabong 3 6 24 Holbrook 3 5 23 Goals: Charlie Wright 2, Flynn Scholes. Best: Delaney Emerson (Coach's award), Jed Davis (Urban Graze), Eli Pitt (Bakery), Tadhg Scholz (Newsagency), Georgia Wragge (NAB drink bottle), Archie Swan (Axel's Tuff Tackler). **Round 18 versus CDHBU: Seniors:** Forwards Ben Talarico (Zambrero), Andrew Dess, and Ewan Mackinlay all booted 4 goals, with Ewan also slotting 7 goals in the Under 17's clash. Will Holmes (Riv Hotel mug) missed the previous round through illness, but made up for it with a masterclass in the midfield, while Coby Ross continued on with his recent good form. THANK YOU!

Our sincere thanks to the Holbrook District Fundraising Committee for the incredible organisation and staging of the 'DON'T DROP THE BALL ON HEALTH' event held at the Sporting Complex on Sunday 18th August.

Also, thank you to the many organisations, individuals, families and business houses that volunteered their time and gave valuable donations on the day. Thank you to the wider community of Holbrook for supporting the day so generously.

Our family feels humbled that our late daughter's fund raising charity, 'Research4Riney' was included as one of the charities to benefit from this amazing event.

Such a fantastic day, raising health awareness and much needed funds for research programs. It was wonderful to see our small community of Holbrook come together and make the day a huge success.

Thank you everyone!
