## OPPORTUNITY TO TALK HEALTH IN HOLBROOK!

Murrumbidgee Primary Health Network (MPHN) is providing Holbrook an opportunity to share their stories about health in our region in an effort to learn more about what is working well, what can be improved and ideas to better support communities in addressing health needs.

MPHN will be visiting Holbrook, on Friday, 4 October between 10am and midday at The Ten Mile café on Albury Street as part of its annual Conversations on the Couch.

MPHN CEO Melissa Neal said Conversations on the Couch forms part of MPHN's yearly Health Needs Assessment.

"Each year we look at the various sources of information available to us about the health of our region including data and feedback from community, to help us identify any new or emerging needs for us to consider as we plan our activity for 2020 and beyond," Ms Neal said.

"We already know what data is telling us about the health needs of the Murrumbidgee and it's important for us to know and understand from locals what people are actually experiencing.

"This is the second year we are getting to our communities for Conversations on the Couch, which had some great in depth discussion with people about what is important to people about health, and how things could be improved

"I would certainly encourage people to come and visit us while we are in town and help contribute to planning for achieving the best health outcomes for all people across the Murrumbidgee," she said.

If you can't attend this face-to-face session of Conversations on the Couch, you can submit your

### PROBUS

Our numbers this meeting improved slightly which was good to see. The cold weather still taking its toll apparently. We really need some new members! If you would like to attend our meetings on the last Tuesday of the month, enjoy a short informal meeting, morning tea, fellowship and a chat followed by an interesting guest speaker please join us. You would be very welcome! President Cathy suggested all members try and bring a friend to the September meeting. A great idea!

Isobel Fealy told us of a lovely visit four of our members made to Corryong Probus to celebrate its birthday. A delicious lunch followed by great entertainment. Isobel took home some prizes as well as the honour of being judged the 'prettiest woman in the room'!

Ken Taylor told us a story about a very old negative he has from a photo of teacher graduates taken at the end of the war, and how by chance he recognised one of the men and contacted him, his negative was in demand!

With no guest speaker this month, one of our members, Paul Venables stepped in and entertained us with some stories of his childhood and experiences at Narrandera school Paul also told us of some of the exploits of his Tumut relatives. Thank you Paul. **Next meeting** Tuesday 24<sup>th</sup> September, 10:00am at the RS Club. Don't forget: Members bring a friend if you can. Everyone welcome!

## ART & GARDENS @ HOLBROOK

The Rotary Art Show and Open Gardens will showcase Holbrook and the wider community with a kaleidoscope of cultural activities and family entertainment.

Visitors from around the region are invited to enjoy Holbrook's gala occasion with friends and family at the weekend of October 12<sup>th</sup> and 13<sup>th</sup>. Experience what country artists are creating at the Rotary Art Show and enjoy the beauty of five open gardens in the countryside and town.

A start to the festivities will be the official opening of the Art Show on Friday 11<sup>th</sup> October at the Holbrook Hall, opening at 6.30pm. Catering on the night will include a selection of Pfeffer wines and a feast of fantastic finger food.

Family entertainment will include the markets, jumping castle and face painting on the Saturday at the Anglican Centre in Young Street; rides on the Miniature Railway around Ten Mile Creek; more than 250 works of art and photography at the Rotary Art Show in the Holbrook Hall; primary and secondary students' art from local and regional schools; five open gardens and free entry to the community garden.

Gardens open to the public include Jody and Rob Martin's 'North Billabong'; Pam and Neil Seymour's 'Braeside', Little Billabong; Heather and Phil Julian's 'Annandayle'; Michael Elvins and Ron Miller's Malabar Park; Chris and Troy Musgrave's 'The View' in Holbrook; and the Community Garden in Frampton Street.

**Entry** to the gardens will be \$5 per garden or \$25 for gardens and entry to the Art Show over two days.

**Lunch** will be available at 'North Billabong' on Saturday October 12 catered by the Adult Horse Riding Group and lunch will be catered for by the Holbrook Hospital Auxiliary at 'Malabar Park' on

*Kym Hulme and Jenni Wines planting and harvesting at the Community Garden.*

## 'The View' – Bardwell Street, Holbrook

A creative use of farming and shearing implements, wagon wheels and horseshoes give Troy and Chris Musgrave's garden a strong rustic appearance. Located close to the Ten Mile Creek, a highlight of the new section of the garden displays cast-iron shapes on the corrugated iron fence. An eclectic mix of bird baths and birdhouses, fishpond, rocks, the odd chandelier and candelabra are standouts among gardens of spring bulbs, Bearded and Dutch Irises, some 80 roses, and organic herbs.

Chris and Troy describe the front of the garden as a blend of natives and cottage garden shrubs and flowers – Crepe Myrtles, Bottlebrush, Wattles, Grevillia, Correas, Columbines, Love in the Mist, Salvias, Rosemary, Allspice, Borage and Comfrey to name a few. Flourishing Citrus and Fruit trees surround the raised vegetable gardens at the back of the property and their young trees include Japanese Elm, Maples, and Liquid Ambers.

Chris said the soil was heavy clay that she and Troy have built up with heaps of sheep, cow and chook manure and mulch.

## 'Malabar Park', 53 Malabar Road, Holbrook

'Malabar Park' is a work in progress on the banks of the Ten Mile Creek just east of Holbrook. Developed from a bare 12 acre paddock nearly 20 years ago, it now includes two orchards, a vegetable garden, chook yard, a dam with two islands plus large areas of natural bush with walking trails and pathways as well as many wombat holes.

Owners Michael Elvins and Ron Miller said the emphasis has been on growing plants requiring low water usage, sustainability with recognition of basis permaculture principles, nurturing native grasses and an interest in growing a wide variety of bush tucker and edible ornamentals. They welcome over 90 species of birds throughout the year, the occasional echidna and kangaroo and the wombats.

## NSW FIRIES FOCUS ON 'PROTECT AND CONNECT'

100 Cadet Rural Firefighters and Adult Firefighter will gather at the Holbrook Equine and Race course 12-13 OCTOBER 2019 weekend for the Rural Fire Service Association's (RFS) and Rural Fire Service "Protect and Connect" Cadet Championships. The championship is designed to test the secondary school cadets and junior members in their firefighting skills as used in the field.

Teams are coming from Wagga, Bega, Eden, Southern Highlands, Bowral, and Young to challenge our local cadets from Howlong, Thurgoona, Corowa, and Lavington. In all 13 teams some of which are secondary school based. All participants aged between 12-18 years will be tested in their leadership, practical skills and competency to the basic firefighter level.

The public are invited and encourage to attend and support these young members in their community service. Attendance is free and competition commences at 10.30 am Saturday 12th Oct 19 and finishes at 2 pm Sunday 13th Oct 19. Come along and support those young members who sometime in the future will protect you. The organising committee would like to thank the Holbrook businesses that support this years and previous year's championship.

## PINK UP YOUR TOWN EVENTS ANNOUNCED IN HOLBROOK

Local Pink Up Your Town Committee announces plans and activities to look out for in October.

in support of the McGrath Foundation. The Holbrook Pink Up Your Town Committee is proud to announce some of the exciting events community members can support throughout October.

October is Breast Cancer Awareness Month and Holbrook is taking part in the McGrath Foundation's Pink Up Your Town, an incredible initiative in which communities come together to 'pink up' to raise funds for McGrath Breast Care Nurses and create a visual show of support for local families experiencing breast cancer. "Holbrook is proud to be taking part in such a wonderful cause and it's brilliant to see the community coming together to show their support," said Tania Saunders, Holbrook Pink Up Your Town Committee Chair.

Confirmed initiatives include:

- A dinner at The Ten Mile on the 18th of October 2019
- A 100 Club at the Riverina Hotel on the 27th of October 2019
- Brunch at J & B's Gourmet Cafe on the 28th of October 2019

Tania Saunders said Pink Up Your Town was a cause close to her heart and it filled her with pride to see the community getting involved. "Holbrook is a wonderful place to live and supporting the McGrath Foundation's Pink Up Your Town is a beautiful reminder of how generous and enthusiastic our community members are," she said.

## PLANT PICK PLATE

Spring has arrived. The birds are chirping, bees buzzing and bugs are munching. Yes already. I discovered a plump green caterpillar on my beautiful broccoli head which is a timely reminder to check my leafy greens regularly and pick off these little creatures.

Spring signifies a wake up from the winter hibernation for all sorts of bugs and pests. Apparently a solution of soy sauce and water under a plastic pot or bucket with ground access will attract earwigs which then drown. The same system with beer will control snails and slugs but I prefer a gumboot garden walk for the latter. However the main pest on my radar is the Queensland fruit fly which could attack this seasons fruit on my trees as well as the tomatoes and capsicums. Although the latter are not planted yet and the trees are just budding into flower, the fruit fly will be emerging from the soil to start its life cycle.

Gardeners need to start control methods now using several methods. If you had fruit fly last year, paint an insecticide on the lower trunk of the tree for a month. The most popular method are baits that you hang in the trees to capture the fruit fly. Make your own using a milk bottle with lid. Cut small U shaped openings in the top third of the bottle on 3 sides, folding the flaps back and hang with by the handle.

There are many recipes but this is the one I am using this year. Dissolve ½ cup sugar and 1 tspn vegemite into 1 lt of hot water. Allow to cool before adding and mixing ½ tblsp Cloudy Ammonia (supermarket cleaning section), ½ tspn vanilla essence and 1 tspn dishwashing liquid. Quantity makes 3 – 5 traps, replace fortnightly.

In addition, after pollination, I will net my trees for additional protection and hopefully reap a bounty of fruit.

**Passionate gardener. June**

## IAN SCOBIE DIES IN HOLBROOK AT 95

Stalwart of the Holbrook community for 67 years, Ian Scobie has died in the Holbrook Hospital at the age of 95. Ian arrived in the area to help a mate fight the 1952 bushfire and stayed. He married his wife, Robin, in Yackandandah in 1954 and is survived by her plus his five sons Graham, Duncan, Jim, Rob and Stuart.

Ian was born in the Broken Hill area in 1923 where his grandfather had been the State Member from 1901 to 1917. The family of ten children moved to Hanwood during the Depression before Ian signed up for the Merchant Navy in World War 2. After the War he attended Hawkesbury Agricultural College then assisted his brother, Walter, to establish a farm at Wantabadgery.

That placed him in reasonable proximity to the huge bushfire of 1952 which burnt from Holbrook to the coast. His first work was at Kildrummie Stud on the edge of town and from there he worked on Table Top Station and Woomargama Station before buying his own farm at Little Billabong in the

1960's. From the very beginning Ian was involved in the local community with him joining the RSL in 1952, serving at President for 25 years, becoming a Life Member in 1992 and also serving as a Board Member of the Holbrook RSL Club for 15 years. He was also granted Life Membership of a number of other organisations such as Billabong High Parents and Citizens and the Far South Western District Council of Parents and Citizens. He was instrumental in the establishment of Billabong High School in Culcairn.

Ian also served three terms on the Holbrook Shire Council including Shire President in 1970 and 1971. He was also heavily involved in various health organisations including Southern Riverina Health Council, Greater Murray Area Health Service Advisory Board and the Holbrook Older Men New Ideas group. He was awarded a Paul Harris Fellowship from Rotary plus an OAM.

His funeral will be at the Uniting Church in Albury Street, Holbrook, at 2pm on Monday 16<sup>th</sup> September and all members of the community are invited to attend.

## ST PATRICKS SCHOOL

K/1/2 were so lucky last week to be able to go on an excursion to The Cube in Wodonga to see **Spot live on stage!** The children were so engaged trying to help Spot find all of his farm animals and singing along to new songs with Spot and his friends. After the show, we headed to Oddies Park on the causeway for a picnic lunch and a play in the incredible playground. We had so much fun on all the amazing equipment. Making secret hideouts, climbing the spider net, swinging as high as we could and taking turns on the massive flying fox. We were absolutely blessed to have great weather on the day as well as have Darren and Mrs Hulme there to join in on the fun. The day was action packed and we were all exhausted come home time.

As we approach the second half of the term K/1/2 have started meeting with 3-6 in the hall on Thursday afternoons for practice for our **school production**. The students have really enjoyed working together in this time. We are so lucky to have the Transition program now up and running and look forward to working closely with our new friends on a Friday afternoon for lunch and sport.

Last Friday we started the day early with a **Father's Day Breakfast!** A big thanks to Mr Carey who cooked for all the dads and students. The breakfast had great attendance and a great way to start the day. We also welcomed our five transition students to the transition program. It didn't take students long to settle in to the hall with playdough, craft, train set, a story and tour around the school. All the students were given their own workbook to use throughout the ten-week program that will happen each Friday in term 3 and 4. It's not too late to enrol your child and transition enrolments can still be made at the school office.

**Henty Machinery Field Days** are fast approaching! As September 17<sup>th</sup>, 18<sup>th</sup> and 19<sup>th</sup> approaches St Patrick's School Council are in preparation for this years 'BIG' shed and are taking down names for those who are able to lend a hand. As St Patrick's School main fundraiser, it gives us an opportunity to raise funds that go directly towards resources and equipment that benefit the children at the school. Each year we have been blessed with the number of volunteers who assist each year and we ask for that continued support again this year, particularly as we are in the BIG shed, which requires a great number of volunteers.

Please contact the school for further details or to put your name down - phone 6036 2288

## BILLABONG HIGH SCHOOL

Congratulations to Sam Harrison who was selected in the NSW Combined High Schools **Lawn Bowls Team**. Sam was recently named best player on the Riverina team and will compete at Tweed Heads before the end of this Term.

**Stage 5 Textiles** The Culcairn Red Cross kindly donated knitting wool and needles for us to use in our textiles classes. We took this opportunity to learn how to knit and make useful items like scarves and blankets. We will be able to use the many bags of wool for future projects and assignments for class.

**School Captains for 2020** will be April Kennedy and Elisha Muller, while Vice Captains will be Thomas Newton and Sophie Galvin. Applicants addressed specific criteria in a written application, were subject to a student and staff vote, spoke to students at a whole-school assembly, and were interviewed by a panel.

On 28 August six junior SRC students attended a **Youth Leadership Conference** at CSU Wagga which was organised by REROC (Riverina Eastern Regional Organisation of Councils). It was a day full of activities and guest speakers focusing on improving communication, organisation, leadership and teamwork skills. Thanks to Emily Jones (GHSC Youth Officer) for her support on the day. A common theme throughout the day was that the position of a leader is not a right it is a privilege.

**Billabong High School iShop:** We are looking for donations of dresses, high heels, suits, men's shoes, shirts and ties that are ready to wear. Please deliver to Billabong High School's front office. For any questions please contact Kristie Preston for more information.

**Parma-for-a-Farmer:** Last week the SRC organised the Parma-for-a-Farmer fundraising lunch. With the help of Mrs Moses, 100 Parmi Burgers were cooked with proceeds being raised for Rural Aid. We raised over \$300 which will go to helping rural communities affected by drought. We would like to thank everybody who purchased lunch or made a donation and we hope to run a similar event in the future.

## HOLBROOK PUBLIC SCHOOL

Spring is in the air at Holbrook Public school. Our **gardening club**, run by Mrs Christel Pargeter, have been hard at work weeding and preparing garden beds for seedlings.

Last Thursday, 22 August, Miss Lavis' English group attended an **author talk by Jackie French**. The students were entertained by her stories of wombats and how she writes her books.

She promoted reading and encouraged the students to read as many books as they could. The day was enjoyed by all. A special thank you to Mrs Jones for accompanying the students.

Our Kindergarten students had their first **excursion** to the town **library**. The students enjoyed the story, 'The Koala Who Could', read to them by Ali Cowie. The students then made their own koala puppet to remember the day. They would like to thank the library for having them visit and look forward to return visits. Special thanks to Mrs Lansdale, Mrs Purcell and Archer for supporting the students on the day.

The **Riverina Athletics Carnival** was held on Friday, 30 August. The students competed at a high standard and we have some of our students heading to State level later in the year. Students will be recognised formally at school when the final results come in. We will keep you posted.

We celebrated our successful **Peer Support Program** on Thursday, 29 August in the school Hall. Parents were invited to listen to the peer support leaders introduce their team, call out a chant and present a poster about the special people in their group. It was a terrific way to celebrate resilience, cooperation and inclusiveness.

### Upcoming events:

*Trent Barrett Shield* Friday, 13 September,  
*Pre-school visit - Treasure Hunt* Monday, 9 Sept, *Whole School Performance, 'The Olympics come to Holbrook'* - Wednesday, 25 September: 1 pm and 7 pm and Thursday, 26 September: 7pm

## HOLBROOK LANDCARE

Next week is the **Henty Field Days** so come and visit us at the Landcare Shed.

With the start of Spring, it is **Fox Baiting** time again. Local Land Services will have baits available this week for collection. Contact the LLS Biosecurity Officer, Claire Hockley (0419 839 049) if you are interested. Regulations do apply for transport of the baits and only appropriately certified persons may collect them.

**TopFodder course:** Are you interested in learning more about making quality silage? Holbrook, Culcairn & West Hume Landcare Groups have organised John Piltz, NSW DPI Wagga, to hold an intensive one-day course at Walla on **Tuesday 24 September**.

This course is normally run over 3 days and it covers everything you may need to know about making hay and silage, including information from field tests and research trials.

Cost is \$50.00 which includes lunch and the TopFodder manual. Places are strictly limited so bookings are essential, before 20 Sept.

If you are interested in taking advantage of this special training opportunity then contact Ashley Paech on 0408 562 983 or [ajpaech@gmail.com](mailto:ajpaech@gmail.com).

## RIDERS RACE FOR WANABROOK GLORY

Holbrook's Wangoola MX track is one of the Riverina's most popular motocross tracks.

Its sweeping bends keep even the most skilled riders happy.

Over the weekend of 25<sup>th</sup> August the Riverina's top riders, as well as many from further afield, took on Wangoola in a bid to claim the coveted points in the Riverina Interclub Series.

The task was harder than ever this year with an increase in rider numbers and the Young club yet again being part of the series. "Numbers were up right across the board for the weekend," Holbrook Motocross President Mark Jones said. "Especially in the junior classes which were double that of the seniors."

The racing was fast and furious. The track developed a lot of ruts so rider fitness was very important.

We also had a visit from Shannon Leach and The Leach Racing team. Shannon gave all the spectators a show of his insane skills and his ability to drive his high-performance vehicle around the tight Holbrook MX track.

Thank you also to all the support towards our Derek Lewington Fundraisers. The money tin raised over \$400. The trail ride over \$8,000.

Next event for the club is a practice day on 22<sup>nd</sup> September.

### MEN'S SHED

Good day from the shed. It has been a fairly busy period at the shed, getting ready for Markets and the Town Garage Sale as we have had stuff stored in several places around town, and I must thank the guys that put in the hard yards during the previous week to get it all together while I was holidaying on the Gold Coast.

The storage problems that we have had in the past are now behind us with the delivery of our storage container. Overall we have raised some more money for our new shed and we thank our supporters for that.

Don't forget anybody is welcome to come down for a brew between 10.00 and 10.30 on Wednesday and

## HOLBROOK RS CLUB MEN'S BOWLS

With the arrival of spring, competition bowls has begun with club consistency first round matches being played on Sunday 8<sup>th</sup>. Names are still being taken for the handicap singles event. The full club programme can be viewed at the R S Club. Holbrook has entered a team in the Odewahn Shield. This event runs from 5<sup>th</sup> October until 16<sup>th</sup> November and is open to both male and female bowlers. You do not have to be a registered bowler to participate but uniform is required. If you are interested, please place your name on the list at the club.

The R S Club is fortunate to have been asked to host the annual match between the Albury and District and the Ovens and Murray. To take place on Sunday 13<sup>th</sup> October, this event involves about 100 players, both male and female and is a great opportunity to see the best bowlers on the border performing.

Don't forget social bowls on Tuesdays and Fridays commencing 1.30 pm and Sundays at 9.30 am (names in 15 minutes prior to start). You do not have to be a member of the bowling club, but an \$8.00 green fee is required each time you play.

## FOOTBALL Finals Week 1:

**Seniors:** Holbrook advanced to the second week of the finals after rolling Rand-Walbundrie-Walla by 23 points. The Brookers looked a motivated bunch as they entered the arena, and it showed as they raced to a 32-point lead by quarter time. Jake Way (best on ground) and Josh Jones (2 goals) both made triumphant returns from injury, they often worked in cahoots with Corey McCarthy, Randal Taylor, and Andrew Dess to give Holbrook ample clout in the midfield. Will Holmes (3 goals) was very dangerous when he ventured forward, while defenders Luke Carman, Sam Harris, and Brock Knights remained steadfast in their roles. **Reserves:** The Holbrook reserves season came to an end when they fell prey to the Billabong Crows. A poor first half saw the Brookers 35 points behind at the long break, but to their credit they showed great fighting spirit to get within 7 points in the last term. However the Crows rallied, kicking the final two goals to prevail by 19 points. Will Nichols and AJ Bender played their part in Holbrook's second-half charge, often taking advantage of Daryl Tuffey's toil in the ruck. Jeremy Lim reminded everyone of his rugby union background with his aggressive tackling, while Tim Walsh and Isaac Lampe also focused hard on suppressing their opponents. Lewis Bowen provided a highlight with a long-range goal from the boundary in the third quarter.

**Under 17s:** Ben Talarico's team began their finals series on a good note when they ran down Henty by 5 points. The Brookers looked a shot bird when trailing by 25 points in the third term, before two goals in two minutes to Will Canny (Riv Hotel meal) got them going. Canny was in stellar form in his rucking role, and was awarded best-on-ground honours. Holbrook could've been even further behind if not for the efforts of Fletcher Parker, Hamilton Black, and Jack Keogh (Sportspower 1), while Logan Wright (Bakery), Jack de Steiger, and the speedy Matt Bender (Sportspower 2) generally used the ball wisely. Braydon Eddy won a free kick in bizarre circumstances, his Henty opponent tackled him by the hair.

### Finals Week 2:

**Seniors:** The 2019 season is finished for Holbrook's seniors after they were trounced by their old foes Culcairn by 26 points. The Brookers led at three-quarter time by 8 points, but the Lions, through Dane Hallinan (best on ground) and Jye Shields, went up a gear late to prevail in an entertaining clash. Holbrook were best served by Josh Jones, his accurate disposals and enthusiasm around the stoppages was evident all match. Sam Harris and Luke Carman have been critical cogs in the Brookers' back six this year, again on Saturday they cleared the ball away from danger many times. Isaac Lampe did all he could to curtail Dennis Pedemont, while Nick Cottrell, Duncan Trethowan, and Randal Taylor tried hard to swing the momentum Holbrook's way. Andrew Dess slotted three goals, and goal-of-the-day honours went to Andrew Dear whose miracle goal in the last term narrowed the gap to 7 points.

**Under 17s:** Holbrook's Under 17s played their best football all season en route to a 67-point demolition of the Jindera Bulldogs. On the back of brilliant games from Jock Triggs, Will Canny (best on ground), and Matt Bender, the Brookers were always in control at the Urana Road Oval. Holbrook had too much height and class up forward with Jayden Hucker (3 goals) and Ben Parker (3 goals) prominent from the outset. Jindera had their chances in attack, too often though Braydon Eddy and Fletcher Parker would sabotage their efforts. Others to shine were Logan Wright, Todd McNamara, and Hamilton Black. This Saturday the Brookers will take on Brock-Burrum in the Preliminary Final at Walbundrie (11:00am).
