

HOLBROOK HAPPENINGS

Issue 388 3 June 2020

COUNCIL RECOGNISES EFFORTS OF ALL VOLUNTEERS – NATIONAL VOLUNTEER WEEK

National Volunteer Week is the annual celebration to acknowledge the generous contribution of volunteers. The theme for National Volunteer Week 2020 is “Changing Communities. Changing Lives”

This year’s theme is so pertinent to Greater Hume Council due to the impacts of drought, fires on ours and neighbouring communities and the lives and livelihoods of many of our residents and families. To be followed by the current COVID-19 situation change is unprecedented and it is now more important than ever to recognise and acknowledge the generous contribution and ongoing support of our many volunteers.

“Our communities have certainly been changed and many lives have been impacted, and in times like these our communities pull together and this year volunteering has played a major part,” said Mayor, Cr Heather Wilton. Holbrook and Culcairn SES, Holbrook-Walla Walla Meals on Wheels, Culcairn Red Cross, Henty Men’s Shed, Culcairn Uniting Church First Tuesday Club, Jindera Bushfire Brigade, Henty Lions Club and Jindera Pioneer Museum were identified as significant groups to be commended for the work that their many volunteers have done over a long time and particularly in recent times. Between these eight groups there are approximately 244 volunteers contributing their skills and experience to the Greater Hume communities. Combined, they have contributed more than 239 years of service to our communities with Henty Red Cross set to celebrate 85 years of service this year. “To all of our volunteers, Thank You,” said Mayor, Cr Heather Wilton.

GREATER HUME COUNCIL OFFICES ARE OPEN Greater Hume Council Offices at Culcairn, Henty, Holbrook and Jindera reopened Monday 25 May. General Manager Steven Pinnuck commented that the reopening of Council Offices is a stepped process to resume face to face access to Council services, following the reopening of playgrounds, skate parks and all public toilets on Friday 15 May. While Council Offices are open, Mr Pinnuck encouraged residents where possible to use electronic methods to communicate with Council by: phoning on 02 6036 0100 or 1300 653 538, sending an email to mail@greaterhume.nsw.gov.au, lodging a Customer Request via the Council website and payment of rates can be made by using the online payment system, payment by Visa or Mastercard by phoning [1300 730 839](tel:1300730839) or Bpay.

GREATER HUME PROMOTION OF COUNTRY LIVING

The Glass family, from Jayfield’s Nursery, will feature as a Greater Hume family business through the Country Change promotion into Sydney throughout June, encouraging people to relocate to Greater Hume.

Ph: 02 6036 3262

OPENING HOURS Tues—Fri:11.00-1.00pm 2.00-5.30pm **(closed Saturdays until further notice)**

The 2020 Simultaneous National Story Time book is *Whitney and Britney Chicken Divas* by Lucinda Gifford. Last Wednesday at 11am we were closed, so our audience watched this online but this week Ali, Leonie and Dom are feeling as happy as the main characters, Whitney, Britney and Dora von Dooze because.....

WE ARE OPEN

and can't wait to be reunited with all our borrowers!

With this good news, comes some limitations until more government restrictions are lifted but the main thing is our borrowers can come in and choose their books.

Limitations (for now) include;

- * We will not be opening on Saturdays (reviewed 30 June).
- * There will not be access to Public Access Computers.
- * All returns to be made via the returns chute.
- * Programs will not happen in libraries until the 4mtrs square rule is no longer enforced e.g. Story Time, Homework Club
- * Library staff will need to record your name and best contact details per NSW Government health requirements.
- * There will be a four person limit in the library.

Following Greater Hume Council Libraries on Facebook and Instagram is a great way to see what extra things we are doing during these restrictions.

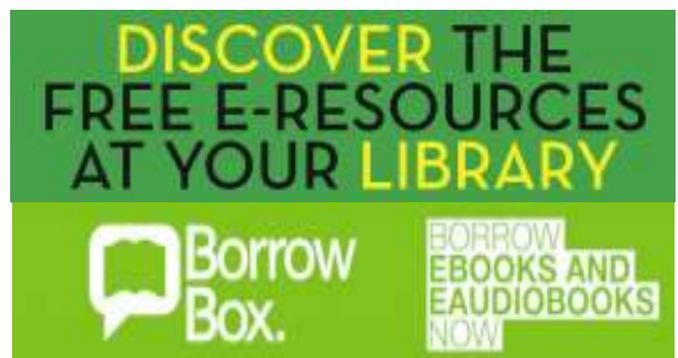

HOME LIBRARY SERVICE

This free service is available to our borrowers who live in town.

Books, magazines, DVDs and Audiobooks are available to be loaned and delivered to you. Please phone us on 0260363262 in order to borrow and arrange a time of delivery.

Our Click & Collect service is continuing. How it works: Contact library staff by phone, email or social media. Let us know the number of items you require and type/format of items you require. We will let you know when your items are ready for pick up.

HOLBROOK LANDCARE

Upcoming Webinars which may be of interest:

Efficient Soil Sampling (Tuesday 9 June 7.30pm): Join us live and interactive to discuss how to get the most out of your soil test results! Do you need to revise your soil testing program? Why soil sample? When, how and where should samples be taken? What can you do with the results that you get? These issues and more will be covered by Sue Briggs (CSBP) & Jason Condon (Graham Centre -NSW DPI & CSU) in live presentation.

Further discussion will include:

- Variability in the landscape and how information can be used to formulate a sampling strategy
- A demonstration of CSBP DecipherAg; a web-based platform that records and saves all your soil sampling sites and results in one location as a way to take the complexity out of sampling and data management. Contact the Holbrook Landcare office for a link to this online meeting.

Enhancing Farm Dams for Multiple Benefits (Thursday 4 June 12:30pm – 2pm): Join Sustainable Farms ecologists Dr Mason Crane and Eleanor Lang from the Australian National University and Local Land Services District Vet, Eve Hall, for a webinar to learn about:

- Results of Sustainable Farms pilot study into benefits & management of enhancing farm dams
- Water quality & its impact on productivity
- Healthy dams & biodiversity—creating habitat for the critters

The discussion will focus on how this applies to agricultural landscapes within North East Vic, South West Slopes, Central Tablelands & Murray-Riverina.

To register - please use the following link:

<https://www.eventbrite.com.au/x/farm-dam-enhancements-free-webinar-tickets-105337517350>

THANK YOU

I was walking my dog Sunday 3.30pm and as I was walking past J&B Cafe I noticed Jan hard at work mopping the floors. This got me thinking. The past few months has been so stressful with Covid running our day to day life. So much had to change to ensure the virus didn't hit our town. However the businesses in our town stayed open so we the community could survive. Each and everyone one of these businesses abided by the government guide lines to ensure our safety. While most of us stayed home to isolate and stay safe, these businesses and their staff put themselves at risk to stay open. I just want to say a huge thank you to each and every one of you. I can only imagine the extra pressure these businesses are enduring just so they can try to keep everything normal when there is nothing normal about Covid. Thank you Gayle Sullivan

PLANT PICK PLATE

Last December I wrote of my disappointment at not having the first of the season tomatoes in my garden ready to pick for Christmas. I attributed this to the cool spring/summer period and was unsure if I would get a tomato crop at all. The Mortgage Lifter and Tommy Toe varieties I had planted were healthy tall and leafy but the flowers had dropped.

Come January it was apparent my apprehension was ill founded with both varieties producing flowers for a second time then by February the four tomato plants were producing beautiful fruit. I was amazed and delighted at how resilient the plants were. The Tommy Toes were first providing us with round sweet bite sized fruit then the Mortgage with their trademark large juicy palm sized beauties which filled our sandwiches. The warm early autumn months quickly pushed the plants into full production and me into the kitchen cutting up and cooking the excess tomatoes to make Passata. I like my Passata spicy to compliment the richness of the tomatoes, a new recipe this year that it is absolutely delicious. In order to free up freezer space I bottled the Passata which will be added to pasta and hot pots, as a condiment sauce and to dilute with chicken stock for warming winter soups.

On reflection it is just as well I persisted and continued to nurture this crop as the tomatoes have provided us with mouthwatering produce for 5 months with the last of the green tomatoes ripening in the sun on my window sill and also preserving enough Passata to see us through until the next crop, hopefully. Passionate Gardener, June.

HOLBROOK PUBLIC SCHOOL

How exciting it has been to have all students back at Holbrook Public School! We were very pleased to see everyone back on Monday 25th May, to get back to some sense of normality. To welcome all the students back, the staff made pancakes and hot Milo, which all the children relished. They were able to sit down and eat their treat while they caught up with their friends, especially the ones they hadn't seen for a while.

Now, back to work!

A big thank you once again to all parents, for their support and commitment to helping in the education process. We appreciate the way you dedicated so much time to supporting your children, and the way that you kept them going on their work, even while you had your own work to do. We couldn't have done it without you!

Now that the autumn leaves are all dropping, the children have had a great time being creative, making forts, towns and houses in the school grounds. What a pity that they don't last forever!

ST. PATRICKS

This week we received news that Pope Francis has appointed Bishop Mark Edwards OMI as the sixth Bishop of Wagga Wagga. This is fantastic news for Catholic Education in the Wagga Wagga diocese. The Diocese has been without their own Bishop for quite some time, I know this new leadership will go a long way to cementing the vision and mission of our schools.

Face to Face Learning We are back... It is wonderful to have our full complement of students back in our classrooms. Our teachers have wasted no time engaging them into the routine of learning.

National Simultaneous Storytime What a hoot this year's story time provided. The K/1/2 students made Chicken Diva crowns and tiaras. They even made a very elaborate one for me! Thank you to the teachers for participating in NSS, 2020.

Transition Program Plans are underway for our 2020 Transition to School Programme. This programme is for all students from Holbrook and surrounds. This year the programme will be led by a trained Early Childhood Education Educator, guided by the Early Years Learning Framework. The programme will place the child firmly at the centre of all decision making.

In NSW Children can start Kindergarten at the beginning of the school year if they turn 5, on or before 31 July that year. If you know of students who fit into this category, please encourage them to explore the opportunity of attending our transition program obligation free! Transition packs will be available for distribution by the end of this term. Keep an eye out for more information or to ensure you do not miss out on this opportunity please call 6036 2288 to secure your Transition Pack.

Thank you

Thank you to those generous community members who saw our notices asking for various donations. We have received a large amount of donations and I cannot wait to get pictures out to you all when they are put to use. It is wonderful to be a part of such a generous community, so thank you.

ANGLICAN NEWS

There is not a lot happening at the Anglican Church, but plenty at the Op Shop.

With the changes allowed by the Government, we are now able to meet for worship in groups of ten people. We are doing this with appropriate social distancing and sanitisation processes. Rev. Stephen is holding a short service starting at 9.30. A service goes for about 20 minutes with a couple of hymns, a reading from the Scriptures, a message and communion. There is another service at 10.00, after cleaning and so on until everybody has "been to Church". We hope to see you there.

OP SHOP

Great news! The Anglican Op Shop furniture section is now open. Furniture sales are now done at the rear of the main shop. You can access it by coming in the front door of the main shop and walking through to the rear. We are still under Covid 19 restrictions, but don't let that stop you from being socially distant whilst you peruse the vast amount of goods on display. There are moves afoot to try to return to 5 day a week trading. This of course depends on our untiring volunteers and we are still a little nervous about the virus.

The expected new hours will be Monday to Friday from 10 AM till 3 PM. Saturday is pending at this stage.

We are now welcoming donations to both the main shop and the furniture section. There are some changes from the old shop, the main one being that we no longer pick up or deliver furniture. This is because we no longer have the manpower. We need you to bring your donations during opening hours and can only accept good quality goods after we inspect them. PLEASE DO NOT DROP FURNITURE OFF AFTER HOURS. There are many goods we cannot accept and these include children's cots, used mattresses, strollers and prams, car seats and knives.

If you purchase an item of furniture, you must pay for it straight away and you will be given a written receipt for it. If you need time to organise someone to pick it up, we will hold it for up to seven days unless we make a further arrangement. The person picking it up must bring the paid receipt and present it before we release the goods.

Thank you all for your generosity and patience while we went through the shift and we look forward to serving you as individuals and as the wider community.

May God's blessing be on you all.

Meals on Wheels Holbrook-Walla Walla

ARE YOU OVER 65?

Would you like access to quality, specially prepared, affordable meals? As a short term measure the Government has introduced Emergency processes to enable quick access to meals, social support and shopping services.

DURING THE COVID19 CRISIS AND UP UNTIL 31ST JULY, WE ARE ABLE TO ACCEPT NEW PEOPLE AGED OVER 65 TO OUR SERVICES SERVICE WITHOUT A REFERRAL or assessment.

We can support our clients who may need to self-isolate & protect clients with no-contact arrangements. We can arrange for our clients' meal delivery daily/ weekly and leave it at your home, with zero contact arrangements to ensure the safety of everyone.

If you would like a menu please give us a call & we can send one to you. Our healthy and nutritious meals have been especially prepared to meet the dietary needs of older people, containing higher protein levels and low salt content.

There are also a range of smaller meals, soups and desserts. You can even choose to have a wine each week if you like!

Shopping support is available either accompanied or unaccompanied locally or to larger centres if required. Assistance to attend appointments is also available.

Social distancing is being practiced and we are regularly cleaning and disinfecting our office and vehicles so that we all remain safe and well.

We are able to make regular friendly phone calls to chat with you and assist if we can. Please let us know if you would like to receive this service by calling us on 60363677.

HOT OFF THE PRESS: We will soon be launching a new project designed to help our service users stay connected with family and friends, learn new things and stay active and mentally stimulated through technology. Stay tuned for more information!

Our office is open and at this point we have a limit of TWO visitors at any time. We ask everyone to practice hand hygiene on entry and upon leaving our premises.

TRAVELLING TALES THROUGH HOLBROOK AT LADY GAIL'S BOOKSHOP & CURIOS

For years, a petite lady, we endearingly called the cat lady, and her husband, called in to my shop to swap Westerns.

The cat lady was so named because she always bought a little cat figurine or a cat painting or a book on cats each time she visited.

Her husband would swap his 90 pulp fiction Westerns and off they would go to visit her sister in Wagga.

One day, a different petite (though a little taller) lady came in with a bag of Westerns that was familiar to me. I must have had a puzzled look on my face. The lady said, "My sister Kay, asked me to return these books to you as her husband has passed away and she won't be coming this way any more. She does not drive."

Not knowing what to say, I said, "That must have been sudden". "It was" she says. "I didn't know your sister's name was Kay. We called her the cat lady." The sister says, "Kay said you would say that." She gave me a hug and told me that their stop in Holbrook was the best part of the drive from Melbourne to Wagga. The cat lady goes by train now.

CONGRATUALIONS ONCE AGAIN, ALYCE

Alyce Parker has capped off a magnificent season at GWS, taking home the 2020 Gabrielle Trainor Medal as club champion.

She was named winner during a live broadcast last Wednesday night featuring the club's entire AFLW team, coaches and special guests including AFL Commissioner Gabrielle Trainor, proudly presented by premier partner Harvey Norman.

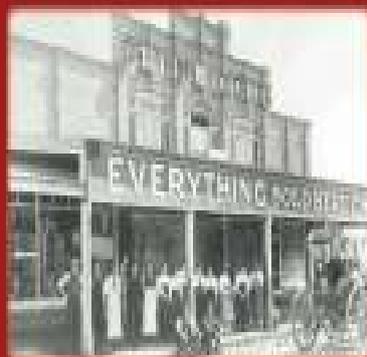

Alyce has had a remarkable second season in the AFLW competition, winning her first club champion award to go with All Australian honours and the rebel Young Leader award.

Coach Alan McConnell paid tribute to Alyce's season. "It's a brilliant achievement for Alyce to win this award. "Alyce is a brilliantly talented footballer but this club champion award is borne from hard work and dedication. She took an enormous amount of learning from her debut season and came back to the club knowing what it took to become an elite player. We're incredibly proud of her and the sky's the limit for what she can achieve. She's not only an outstanding footballer but a wonderful teammate and developing herself as a great leader."

A BIT OF HISTORY

Can you tell us about this photo? Time, Place, Names? Email holbrookctc@greaterhume.nsw.gov.au or phone us on 60363262 if you remember this little bit of history. At the Holbrook Library, we have a large collection of great photos showing people and places in Holbrook over the years. If you are going through your photos and find some that are of significance to our town we invite you to scan and email them to us to add to our collection or bring them in for us to scan.

Holbrook Early Learning Centre

Holbrook Early Learning Centre Inc. would like to thank the NSW Berejiklian Government for the Community Building

Partnership Grant

which we have just completed.

The significant Grant allowed us to replace all flooring throughout the centre, construct an undercover entrance, replace fencing, fresh paint both in and outside and landscaping in the playground including two new undercover areas. The children of Holbrook will benefit for years to come for which we are grateful.

Thank you to all staff, committee members and local trades involved in the project over the last two years.

MEN'S BOWLS

Well how good does it feel to be back on the green with bowls in our hands. Gavin has advised that we can have 4 per rink now but still limited to 10 bowlers overall. One of our octogenarians has asked me to mention that he would love to see both old/new bowlers attending especially with the current weather being so pleasant. Judging by some of the early signs from some of our bowlers, such as Smurf, Duck, "the Wantagong Warrior", and the Polocrosse man, they all look to be in good form. Surely no hall practicing during lockdown???? Just a reminder that we can bowl each Tuesday, Friday & Saturday at 1.30, & Sundays at 10.00 from now on not 9.30. With not much more to report that's it for this week and keep smiling and be positive. Wayno.

GOLF NEWS

Hello everybody, we are finally getting around to playing a spot of competition golf. Sunday (24th) was our first real attack of the course since the covid-19 pandemic shut everything down. Also Dads Army had their first run Thursday (21st). Now the women are getting their share of competition golf in as well, starting off on Wednesday 27th with the first round of their championships. With the weather being so conducive to getting outside and the course looking so good, how could you not get out and have a hit. Happy hitting everyone and stay covid safe.

PROPERTY APPRAISALS

Due to strong sales in the last six months, we at Nutrien Harcourts Holbrook are seeking local properties to list. We invite anyone within our local area to call for an appraisal. It is a no obligation free service. Appraisals are only intended as a guide to pricing and are estimated by knowledge of the local area and recent sale prices. To arrange an obligation free appraisal or just have a chat regarding your property please call Margot.

For local knowledge in the Holbrook and surrounding area, if buying or selling contact Landmark Harcourts for all your Residential, Rural and Commercial needs.
