## FORMATION OF JINDERA LIONS CLUB ONE STEP CLOSER

The potential formation of a Lions Club in Jindera is one step closer after a public meeting at the Hub on Wednesday 20th February. The meeting resolved to allow the Lavington Lions Club to advise the District Governor, Judy McKerrow, of the result of the public meeting. Judy will contact the Lions Clubs International administration regarding the decision of the meeting.

Once the appropriate paper work, proposing the formation of a Jindera Lions Club, arrives another public meeting will be called.

This meeting, in part, will deal with the business of Jindera, initially being sponsored by a local Lions Club.

This public meeting will also look at enrolling citi-

zens as paid up members. And once the number reaches 20 people or more an application is made to Lions Clubs International for the official charter which entitles Lions members to operate under licence within the community. Prior to receiving charter new members can operate under the charter of their sponsoring club.

A number of speakers, including Charlie Leaney from Lavington, Les Johnson from Corowa, Julie Williams from Wodonga and Ian Crane from Thurgoona, addressed the meeting and a number of ideas were considered, including, helping older citizens, community projects, a need for tradespeople to be involved, working with the youth.

**JINDERA RED CROSS**

The first Red Cross meeting of the year was held on Tuesday, February 5<sup>th</sup> at 1.30 pm. A letter of thanks was received regarding our

donation for fuel to the Burrumbuttock Hay Runners for their recent trip to Queensland with hay and other goods for farmers in drought devastated areas.

During the meeting several invitations were received to functions and plans were made for our Winter Blumes and Fashion display on Tuesday, April 30<sup>th</sup> at 10.30 am.

It was reported that our Honour Stamp for 2018-2019 = \$2051

the power of humanity

An Interesting item from Red Cross Head Office to all members stated that there was an unprecedented number of emergencies affecting Australian communities at the moment. During February, a number of businesses supported Red Cross Disaster and Recovery, including Coles, Commonwealth Bank, Dominos Store in Queensland, Suncorp, and David Jones. The donations raised through these partnerships will go towards the Red Cross Disaster Relief and Recovery work.

Jindera Red Cross Meetings are held on the FIRST TUESDAY of the month, at 1.30 pm at the School of Arts Hall. The next meeting will be on 5<sup>th</sup> March, 2019.

**Jindera Swimming Committee is on the hunt for new members.**

Anyone interested in a say in the goings on of the pool, please provide your name/ email to or lifeguards, or message us so we can notify you or our meetings.

**Jindera Men's Shed Night.** Second Monday of every month at 6.30pm at Bethlehem Lutheran Church Hall, Adams St, Jindera. Great BBQ dinner soft drinks, TimTams, tea and coffee, \$10 donation. Come and share a meal, learn about life and catch up for a chat. Everyman has a story. — All welcome —

**Great News for Brocklesby!**

The Rural Care Link Jindera OP shop is opening their **Brocklesby Branch** on Monday 4<sup>th</sup> March 2019.

Opening hours will be **every Monday from 10am to 4pm** at the Brocklesby Hall Meeting Room.

Come along for the opening specials, meet the volunteer staff, and join them for a cuppa.

**Stitch and Chat Craft Group**

This group meets on the first Wednesday afternoon of each month at 1.30pm at the Jindera Anglers Clubhouse.

All welcome, just bring whatever you are working on and come along for a chat and cuppa.

We usually finish at around 3.00pm.

Judy Gray on 0418 617 385 for further information.

## CWA NEWS

February 6th was the first Jindera CWA Meeting for 2019 and included our Land Cookery Day. Claire Oliver from Gerogery Branch judged the 8 cakes entered. Winners in each section were Virginia Morey, Judy Steer, Olivia Hanel and Narelle Tassell.

The overall winner was Virginia Morey with a steamed pudding. These winners will now compete in the Group Cookery/Handicraft day at Gerogery on 13th March.

Winners from this competition will then compete at the CWA of NSW State Conference which

will be held in Albury from 5th – 10th May, this year.

**Our next Meeting will be 6th March in the School of Arts Hall, Jindera at 10a.m.**

**New members welcome.**

Yours in CWA Friendship.

Bev. Blair.

Publicity Officer.

The Museum will hold its AGM on Monday 11<sup>th</sup> March at the Jindera Hall. All interested parties are welcome to attend. The AGM will follow the regular monthly meeting which will commence at 7.30 pm. This meeting usually takes approximately 1 hour. Supper will be served at the conclusion of the meetings. Reports will be received from the Chair, publicity, treasury, maintenance and catering relating to the activities for the past year. Anyone interested in becoming a member of the museum is most welcome; pop down to the museum any day between 10 am and 4 pm and speak to another volunteer to see what wonderful things can be explored within the museum. We are always looking for new volunteers to assist with the many aspects of this extraordinary facility.

At the beginning of February the museum hosted the Sing Australia Choir and the movie The Song Keepers. The movie is the story of the aboriginal choir who took their 140 year legacy of ancient language, German sacred hymns and Baroque music back to Germany. This was an amazing evening with over 120 attending the museum for this event. The evening was balmy and ideal for music and cinema under the stars; we were then entertained by a light show from on high with lightening activity that fortunately brought Jindera no rain. It was a totally delightful evening and we thank all those attending for their support of the event.

This past month we have also hosted the acclaimed author Valerie Volk. Valerie has written, we believe, the first historical novel set in Jindera. Valerie is a descendant of a local family and travelled from South Australia to be present at the Walla Walla 150<sup>th</sup> Anniversary celebrations. A pre-release of her book, Searching for Anna, was accomplished to celebrate this occasion and the mu-

seum took the opportunity to conduct a book launch while Valerie was here. Valerie is an award winning, much publicised author of books and poetry and it was delightful to celebrate her book, based on a true storey and centred in Jindera.

The museum also conducted a workshop on the conservation of Heritage Buildings conducted by Peter Kabbala. This workshop completes the Office of Environment and Heritage grant process assigned to the museum for the restoration of the blacksmith stables. Participants travelled from many of the museum within the vicinity to attend along with local builders and museum members. All were pleased to have been involved in the workshop and were in awe of the transformation of the blacksmith stables which are now complete. Thank-you to Glenora Engineering for an exception job.

The museum will host the Murray Conservatorium's new production release, Tonal Place, on Saturday 2<sup>nd</sup> March. Tonal Place is a performance of music, dance and cinema and the audience will have an opportunity to provide feedback on the evening. This is the first time the Murray Conservatorium will have brought a production to the museum and we hope many of you will come along to enjoy this exceptional experience. Tickets are available via Trybooking.

Later in March, on Sunday the 31<sup>st</sup>, the museum will host a high tea commencing at 2.30 pm. Bookings have been coming in steadily, so don't leave this too late if you would like to attend. This will be a grand afternoon of fabulous food within the delightful surrounds of the museum. The cost also includes full access to the museum exhibits. Tickets are available via Trybooking and are limited.

Thank-you to all of our volunteers who make these events possible. The museum is a community owned and operated collection of fascinating memorabilia, within 2 acres of land, that relies on volunteers to make it successful.

## **JINDERERA COTTAGE CRAFT SHOP**

Some of our members have been very busy over the summer months so we have quite a few new items available in the shop.

Keep a look out for the shop being open on a Saturday morning (usually the first Saturday of the month), but remember we can open anytime by appointment.

Come in and see some of our lovely hand made jewellery and other items for sale.

Coming up - We will be holding a mother's day Raffle and Cake stall on Saturday 11 May outside the IGA.

Enquiries Eileen 0400 424 437 Annie 0409 309 387

# JINDERA WETLANDS UPDATE

## Look How they have grown!

Plant establishment in the Western border area of Jindera Wetlands has been excellent.

The bigger Acacia plants now stand at a height of around 2 metres.

Despite being planted during the dry spring of 2017, very little rainfall since and a recent devastating storm the once bare area is now covered with native plants.

Senior classes from each of Jindera's three primary schools planted the area in late Spring 2017.

Small but timely falls of rain during the warm, dry spring of 2017, plus some hand-watering, together with a good spread of mulch have all contributed to the good establishment.

The three photos show first the bare area in late winter 2017 prior to planting.

Then almost one year after planting, and thirdly in January this year following the wild mid-month storm.

Thanks to one of our members many slim, single-stemmed Acacia plants withstood the storm because they had been stabilised with stakes.

Establishment success under the 'woodland trees' was less successful, especially by Juncus reeds.

July 2018, almost one year after planting.

January 2019, 18 months after planting, and after the severe January storm.

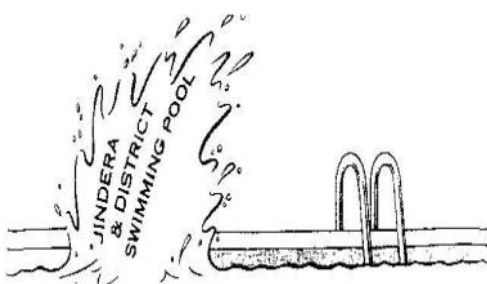

Spring 2017 the long, bare area in the back ground running parallel to the West boundary fence

They too have been hose-watered recently and the hope is that those that do survive will populate the area when they flower and produce seeds.

Jindera's senior Primary kids can be proud of their contribution to jindera's Wetland/Woodland area.

## JINDERA SWIMMING POOL

What an exciting month we've had at the Jindera Swimming Pool.

School Swimming Carnivals have been in full swing. These included Mary Mackillop, Jindera Public School, St John's Lutheran Primary and Table Top Public School.

Alisha ran training squads in preparation for these carnivals. Those that took up this wonderful opportunity have all placed very well in their carnivals.

Aqua saw numbers increase, especially during January with the extremely high temperatures. Morning lap swimming was also well attended but has now finished for the year.

Jindera Swimming Pool is now the proud owners of a defibrillator. This was paid for with money raised by the committee over the last couple of years. All staff and committee members have been trained in the use of the defibrillator. If you are interested in learning how to use this yourself, please let committee or pool staff know as we have

considered holding an open training session in the lead up to the next swimming season.

Money from the grant has now been released and the committee will commence organising installation of a new solar heating system for the pool water. Other projects include a safe Access for All lift, aqua wheelchair, more shade structures and upgrades for the canteen. Theresa has done another fantastic job of running the canteen this summer which has been greatly appreciated by all. A huge *Thankyou* from all to Theresa.

Wally Wipeout has already had two successful visits this year. The second visit was put on pause for a little while due to lightning but was able to resume shortly after

once the danger passed. Wally's last visit will be Sunday 10th March to celebrate our last day of the season.

Last year the Gateway Life Church in conjunction with Rural Care Link ran a youth night. It was such a success they ran one again on Friday 22<sup>nd</sup> February. What a wonderful opportunity for our youth: they get to hang out at the pool after hours, be entertained and fed and all for a gold coin donation. Proceeds of this event were donated to Rural Care Link.

On Saturday 23<sup>rd</sup> the committee was able to offer a very exciting event- "Finding Dory" was screened and viewers could float in the pool to watch the movie. We feel extremely blessed that this event was approved by Greater Hume Shire Council who also loaned us the equipment. We look forward to planning another one for next year, hopefully earlier in the season when the weather is warmer. This was

another great, local, affordable evening out for our young people and families.

Once again our life guards this year were Alisha, Zoe and the ever popular Will. Our lifeguards work long and sometimes extremely hot shifts and are to be admired for the job they do.

Thankyou to everyone who contributed to another fantastic season at Jindera Swimming Pool! It continues to be a safe and friendly environment for our community to come together and socialize or keep fit.

# GREATER HUME SHIRE'S YOUTH ADVISORY COMMITTEE

has reconvened for 2019, after a successful and productive 2018.

The next upcoming event for the committee is the Festival of Possibilities, thanks to a Heywire Grant. This will be hosted on April 12<sup>th</sup> at Henty Memorial Park from 4pm to 10pm. This festival is aimed at highlighting all the possibilities for work and excitement in the Greater Hume Shire communities.

This festival will incorporate live music from fantastic local bands, fresh food, guest speakers, artists and our own local heroes and we hope to see as many of our community's youth as possible in attendance to be able to get a visual on just what is possible in our communities. This event is also run in conjunction with our Youth Week celebrations so please, keep an eye on our upcoming articles to see what else we will be up to!

We have also been hard at work behind the scenes with the help of the Senior Festival Grant that we were successful in obtaining to work with the Greater Hume Museums in creating a documentary detailing the history of our five different founding towns. The Documentary 'The Hands That Shaped Our Community' will be launched at the Henty Library with a viewing on 25<sup>th</sup> of February, and will travel through the Shire throughout the year.

If anyone between the ages of 12 to 24 is interested in participating in this fantastic committee and assisting in organizing and hosting these fantastic events please get in touch with Emily Jones on 0458 228 007. It is an excellent opportunity to meet new people and make a difference in your own backyard! Meetings are held monthly.

## **SAY NO TO SOLAR PLANTS ON 1600 ACRES OF PRIME AGRICULTURAL LAND WITHIN 5 KMS OF JINDERA**

**PETITION AGAINST THE DEVELOPMENT OF SOLAR PLANTS WITHIN 5 KMS OF JINDERA ON HIGHLY PRODUCTIVE AGRICULTURAL LAND**

*We are a concerned group from Jindera and surrounds who are not against renewable energy but disagree with site selection of good agricultural land that is within 5 kms of the Jindera Village;*

Site selection for both the CWP (Glenellen) and Green Switch (Jindera) proposed solar plants, is based on accessibility to existing electrical infrastructure rather than the true suitability of the land;

The impact of solar plants on the productivity of the underlying farming land which would be converted into non-agricultural and for the life of project, typically 30 years; For example disturbances of soil microbiology as a result of lack of UV light as a result of solar panel installation;

The impacts to neighbouring agricultural land including sediment run-off, impacts from the ongoing removal of vegetation, biodiversity impacts and loss of natural habitats, pest control limitations, impact on ability to treat invasive weeds, suppress bushfires and radiant heat effects.

What a wonderful start 2019 has been. The school is looking a little different this year with the addition of: four new classrooms, science lab and administration office. We have also sealed our driveway and carpark. The students have all settled in well, and are enjoying the use of the new classrooms.

On Wednesday 20<sup>th</sup> of February our school participated in our annual swimming carnival, held at the Jindera Pool. We were lucky enough to have such wonderful weather on the day. The students gave it their best in the pool. Well done to both our sports teams for their encouragement they showed towards all our students.

We had 19 new kinder students start with us this year, they are enjoying spending time with new friends and are loving school. For the first few weeks of school the kinders have been learning some wonderful new skills and creating beautiful artworks.

This term the 3/4 Class are learning about Matter. The students described how items of food can change from one state to another. Butter, chocolate, jelly and ice cream were on the menu for students to show their understanding without salivating too much! The students are looking forward to testing out their hypothesis later in the term.

# JINDERA PUBLIC SCHOOL

## Jindera Country Golf Club

February has seen relatively good weather for golf with the cooler weather, unfortunately the severe storms have meant a

lot extra work for our grounds committee with fallen trees, leaves, foam from local building site, branches, broken bridges caused by tree limbs falling and lots of watering going on. Refurbished work on the front entry brickwork and cosmetic surgery on one of our volunteers hands.

A spectacular fireworks display was held, went off with a bang.

The ladies have been busy as well with the clubhouse looking nice and fresh and the gardens around the clubhouse have been revitalized as well and looking good.

Our junior golf coaching will now be held later in the year, we will give plenty of notice prior to the program.

### **OPENING DAY, \$7,500 prize for a hole in 1 on the 3rd**

bookings essential' text Craig on 0418 966 207 or Heather on 0429 120844

# JINDERA ANGLER'S CLUB Inc

February saw a very talented group of our clubs fishos represent us at the Annual SWAA interclub Comp at Buckingbong on the Murrumbidgee River near Narrandera.

Jindera was the defending champion club however reluctantly we surrendered the coveted trophy to Corowa this year. Corowa narrowly beat us by roughly 5 metres of legal fish, a good time was had by our crew who withstood rain, hail, gale force winds, Bryan Shannon was the best of our fishos with a c/r cod of 560mm, Tylar Herard fished hard and late for 20 near size cod but no keepers.

The members did get many undersized murray cod and trout cod (approx 100 between the 3 boats as well as silver perch and carp as well as 1 foot caught on a oargee 75mm lure, the foot was released only slightly damaged and lure lived to fight another day.

At the time of writing the Jindera Anglers are enjoying one of our signature fishing comps of the year at the 12 mile reserve on the Murray, this comp is in honour of past member Daryl Girling and the DG Comp is always well attended as well as being an extremely social time for all members.

The Saturday night raffle, yabby races will be a highlight and members will enjoy a complimentary gourmet meal, it is also expected that some of anglers will reveal to us just why they are the champion fishers and I am sure they will reveal there secrets to success. After all it is a full moon.

Our next general meeting will be held on Friday 8th March and we will need to consider the timetable for the next couple of fishing comps with a reschedule for our one day May comp as it falls on the Jindera Garage Sale day (5th May).

Next fishing comp will be an open comp on 15th, 16th and 17th March.

Part of the talented Jindera crew at Buckingbong

Jill and Russell Schmidt at the Jindera Hotel at their farewell before moving to Queensland

How many fishos can you fit under a 3mtr gazebo in a thunderstorm...
