## TIM FISCHER WORKING MACHINES SHED

On Sunday 21 March, the **Jindera Pioneer Museum** celebrated the official opening of the **Tim Fischer Working Machines Shed**. The shed, dedicated to Tim Fischer, has been a little while coming. Tim had been the Patron to the museum for many years and was always a strong advocate of endeavours in country areas; he was always willing when able, to visit and be part of the many occasions celebrated here at the museum over the many years. Tim left the museum a bequest which prompted a new focus for the museum and thus, this new shed.

The shed was erected in the first half of 2020 and it was hoped that it would be officially opened at the museum's birthday in October 2020 however with COVID and also that Judy (Tim's widow) wasn't able to join us this new date was arranged. In her speech the Museum President, Margie Wehner, welcomed Judy Brewer and thanked her for performing the official opening and Margie noted that she was sorry that Tim could not be with us to do this himself.

In her speech the Museum President, Margie Wehner, welcomed Judy Brewer and thanked her for performing the official opening and Margie noted that she was sorry that Tim could not be with us to do this himself.

Margie also welcomed, Tim's sisters Carol Coghill and Vicki Baudry, Vicki's husband Yves and friend, Marina Hennessy. Margie also mentioned guests including the local State member, Justin Clancy, the Museum Patron Greg Lappin, members of Greater Hume Council and former councillor Denise Knight. She also welcomed Colin Kane and Greg Blackie, Departmental managers with

our council, and Alice Glachan, David Thurley and Sue Harper from Albury City for joining us today.

Margie thanked Peter and Grace Moll, two people who have only just stepped down as active members after nearly 30 years as volunteers, Margie also thanked Kerry Pietsch, and his helpers for the thatching of the hay shed. Margie then invited Judy Brewer to declare the Tim Fischer Machinery Shed open.

**Easter eggs**, also called **Paschal eggs**, are eggs that are sometimes decorated. They are usually used as gifts on the occasion of Easter. As such, Easter eggs are common during the season of Eastertide (Easter season). The oldest tradition is to use dyed and painted chicken eggs, but a modern custom is to substitute chocolate eggs wrapped in coloured foil, hand-carved wooden eggs, or plastic eggs filled with confectionery such as chocolate. However, real eggs continue to be used in Central and Eastern European tradition.

Although eggs, in general, were a traditional symbol of fertility and rebirth, in Christianity, for the celebration of Eastertide, Easter eggs symbolize the empty tomb of Jesus, from which Jesus resurrected. In addition, one ancient tradition was the staining of Easter eggs with the colour red "in memory of the blood of Christ, shed at that time of his crucifixion."

This custom of the Easter egg, according to many sources, can be traced to early Christians of Mesopotamia, and from there it spread into Eastern Europe and Siberia through the Orthodox Churches, and later into Europe through the Catholic and Protestant Churches. Other sources maintain that the custom arose in western Europe during the Middle Ages as a result of the fact that Western Christians were prohibited from eating eggs during Lent, but were allowed to eat them when Easter arrived.

# FRIENDS in ACTION

I was recently asked by a person in Jindera what Friends in Action was about. This led me to believe that there may be others in our area that see our jottings each month & wonder what we're about. So hopefully this will assist, if anyone has more questions, I'm happy to oblige, or you may wish to join us on one of our outings.

Our group was formed in 1995, formally called Caritas, which is a part of Mothers' Union Australia. Caritas means 'Christian Love for others'. Over time the group became more diverse & took on a small change in direction. Our name was changed in 2014 to Friends in Action, a fundraising group for Food Bank at St Marks church in the parish of Northern Albury (of which St Paul's Jindera is a member) & other causes in our travels. The group's philosophy is still based on caring, friendship, companionship & hopefully making a difference in the community.

We meet on the second Wednesday of the month (within Jindera & surrounds), COVID-19 permitting & adhere to COVID rules.

Our group makes up a calendar at the start of the year to visit different places in our area & a little beyond, taking our friends to something they may not have seen or been to for a while & occasionally we invite interesting speakers to join our meetings. We show our friendship through our actions, by caring for each other.

We have no qualification for membership, it's about connecting with our community, a social event, relaxed, for fun & fellowship; to share as a welcoming caring group.

## Important Update!

### The closing of the “Family and Friends of the UPA Jindera Hostel”

On the 24<sup>th</sup> March, 2021, a meeting was held by a small group of dedicated volunteers who were the last remaining members of a group of “Friends of the Jindera UPA (United Protestant Association)”.

At this meeting the group discussed their circumstances and the prospects of being able to continue their charitable works for the UPA. A plea for expressions of interest, which they published in the Jindera Newsletter of April, 2020, was unable to attract any new volunteers.

They wrote about what the group had achieved through fund-raisers over the years to support the hostel, (like providing a bird bath, outdoor seating, raised garden beds, and a bubble wall), and stated that it was “a life or death” situation. Unfortunately, no new volunteers came forth, so the meeting on the 24<sup>th</sup>, had to decide the

best way to go. After much discussion, it was apparent to the group that with their age, and health problems, it was time to close the group down and pass on to the UPA any funds that were left in their kitty. This will take place in April or May.

Prior to this meeting they had asked Jindera Rural Care Link Inc., to support the Hostel, and Rural Care had willingly agreed to this suggestion should the hostel need other minor equipment.

It is always sad to see a group close down, but we would like to give these volunteers the recognition that they so justly deserve. They have provided some great items of equipment to the hostel which has helped make the hostel a place “more like home” for the residents. So, to this fantastic group of volunteers, we say a big “thank you for your service” as your contribution will always be remembered.

# OP SHOP News

March has really been a very busy month in the Op Shop with numerous sales including the \$5.00 bag. This \$5.00 sale always brings lots of people into the shop, and we still have lots of good clothes left in our summer range. The summer sandals have been reduced to \$2.00, and, on some days, we have a red hot bargain with **shoes around \$1.00**. At the moment we have a lot of doona covers, matching pillow cases, sheets of all sizes, and some good blankets. Our doona covers are of good quality and have been very popular. There are still some very good men's shorts, summer T shirts, and long sleeve shirts, with a few brand named men's suits, so, get ready for the next wedding or day at the races.

With the Garage Sale coming up on the 18<sup>th</sup> April, the Op Shop volunteers have been keeping aside some fantastic articles for this sale. We have the biggest selection of bric-a-brac, crockery, glasses, books, toys, etc., and lots of surprises. The Op Shop will have a table outside the shop with the specials and surprises, with the shop open to allow everyone to browse around inside for the clearance specials.

Early April after the garage sale, the winter stock will start coming into the shop. The change over from summer to winter is always exciting, as new clothes come into the shop with lots of new fashions.

We have great women's boots and shoes, with some very fashionable men's dress shoes too. The good old men's work boots will be back along with sports shoes and football boots.

The summer clothes in the children's section will soon see the winter selection arrive, which, this year, has some beautiful winter coats for children. We have had some very generous donations of children's clothes which are wonderful as often it is hard to find good second hand children's clothes in great condition.

The library has a great selection of books, and our volunteers keep this section of the shop well stocked. The donation of books from the community is fantastic and we thank all those who donate these wonderful books to us.

## Op Shop Bargains for those 55+ years – Seniors Festival for Jindera!

Now to the BIG news ..... On the 20<sup>th</sup> April, for one day, the Op Shop will be offering a **HALF-PRICE SALE** on all clothes to seniors, 55 years plus, in recognition of the Seniors Festival, which will be running in NSW over two weeks.

The Rural Care Link will be supporting the Greater Hume Shire, the Riverina Regional Library, and the NSW Government, by being part of the Festival being held at the Jindera Pioneer Museum on the 14<sup>th</sup> April, and at the Jindera Hume Council Building (the HUB) on the 20<sup>th</sup> April.

The museum will have their machinery shed open for everyone to see the machinery in action, as well as having a tinker. There will also be some other activities that people can join in with, such as Chair Yoga, Tai Chi, Ukulele lessons with Dr Brian Lord, Metal Working with Sharon Kotzur, Bocce with Colleen Lord, and much more includ-

ing a barbeque at lunch time.

On the 20<sup>th</sup>, at the Hub, there will be an Expo, with the program starting with Gentle Exercise, then Card Making with Judy Gray and the Stitch and Chat ladies, Craft with Lorraine Morgan, Flower Arranging with Rachel from the Flower Mill, Macramé with Carolyn Krevtzberger, Potting Bonsai with Dr Brian Lord, Bees Wax Rolling and Painting Planes with Susan Kane, and Wood Burning with Colleen Lord. A light lunch will be offered during the day with sandwiches and slices.

This is the first time Jindera has celebrated the Seniors Festival, so don't miss out!

Make a booking today to be part of these great days.

**Wednesday 14th April 2021 at Jindera Pioneer Museum**

**Tuesday 20th April 2021 at Jindera Hume Council Building (the HUB)**

**Both days run from 11.00am until 3.00pm**

With lucky door prizes and a sample bag being available.

**Put the dates in the diary NOW and Book your place by ringing 02 6036 0100.**

For further details look out for the flyer in this months edition, or drop into the Jindera Museum or the Hume Shire Council building in Urana St.

# Alma Klein, local Jindera resident, celebrates 100 years!!!

strong into the next generations. She wrote weekly to her children while at boarding school in Melbourne and those letters were eagerly awaited, arriving on the same day every week over a 12 year period.

She devoured books, sewed (her childhood wish was to be a sewing teacher) and cooked (scones, kuchen and donuts live in memories).

**Alma Mary Klein**, born March 21, 1921 in Laidley Hospital - her farming family lived in Ropeley East, a locale near to Gatton in SE Queensland.

Her heritage is very strongly German and the Lutheran church featured strongly in her upbringing. Her memory spans her family having the first car in their district ('the Essex' - it had roll up blinds instead of windows, the landing of man on the moon, using an iPad to FaceTime during Covid Lockdowns ... and everything in between.

She is the 'middle' child of 7 in a close-knit family and her mother had difficulty imagining partners good enough for any of her daughters! A pen pal friendship with a young soldier serving in New Guinea seem innocuous enough so was allowed. A meeting on the railway platform in Toowoomba between the young soldier and his 'Rosebud' proved fatal to her mother's desire to keep her middle daughter home.

So ... Alma moved south with her 'rich southern grazier' (huh!) husband in 1949.

Her honeymoon was the 2 week bus trip from Ropeley to Jindera, taking in the Blue Mountains.

She settled in with her newly acquired extended family in Jindera and formed her own family unit with Albert Klein and their 2 sons and 2 daughters.

Life centred around the large Klein extended family, the farm and the local Lutheran Church and Lutheran school. During those decades she was a prolific letter writer, never missing a single week posting letters to her parents and siblings.

She maintains she never missed Queensland but sorely missed her family - the letters and parcels going back and forth over those years kept the family connection

Trips 'home' to Qld were rare but regular and lengthy (usually 6 weeks when kids prescribed schoolwork was completed in the first couple days leaving them to run barefoot all winter while she and Albert simply enjoyed family visits, gossips and card playing). Adventures over 1000s of kilometers of dirt road with tantalising treats waiting at the other end. Sacks of fresh peanuts, sweet potatoes and home smoked German Wurst (oh especially the Wurst) filled the car boot for the return to Jindera over those dirt roads

These visits increased in frequency and length until, in retirement, 3 months every winter was spent with Qld family!

Years were reassuringly peaceful with just enough drama to keep Alma and Albert on their toes.

Children left school, moved, married, un-married, grandchildren (9) arrived and suddenly great grandchildren followed (all 14 of them).

Alma never left Jindera, enjoying the close fellowship of the 12 Klein sisters-in-law, a friendship that exists to this day. Her memory has never lost those wonderful people.

The Queensland connections remains strong with multiple birthday greetings arriving from each of her sibling's families. She is their 'Auntie Al'.

Alma was absorbed into the community of Jindera Gardens hostel in 2008, making and remaking friends there over the following years. She has enjoyed the fellowship and is thankful for the unbelievable care and love that is extended to her by both staff and residents.

Her advice re making the century .....

... *'Keep breathing and eat chocolate'*.

# JINDERA RURAL FIRE BRIGADE

Hello neighbours.

We're coming to the end of the season and while there is plenty going on at the station keeping things in readiness, only a short report this time.

### A quiet month

During a coolish and sometimes damp March, Jindera and our neighbouring precincts were spared the serious bushfire events of previous years. Even so, the Brigade attended a house fire in the village and the house of a resident burning rubbish in his yard.

### Backyard Burns

A reminder for next year, that backyard household refuse burns of any kind are **not permitted** during the fire season. Earlier this month the Brigade was called out to visit a resident conducting an unauthorised burn so ... red faces all round. Thankfully, no great harm done this time but there is a reason for the restrictions and we all have a responsibility to follow the rules.

### Permits to Burn

And remember, that while fire season is officially over, we still need to notify intent to burn ahead of time at [www.rfs.nsw.gov.au/notify](http://www.rfs.nsw.gov.au/notify).

### Nail-can Hill Hazard Reduction

Jindera Brigade members joined other brigades in a hazard reduction burn at Nail-can Hill earlier this month in a cohort which included most of the new members undertaking the basic bush fire-fighting training. Great job guys.

.... and **CONGRATULATIONS** to the nine new members who will have completed their training on Sunday 28 March. Well done and welcome.

### Fire Season ends 30 March.

By the time you read this the fire season will be officially over. There will be preparation work going on at the station during the off season, members will be on the streets completing truck driver training and .... before next season there will be a highly visible electronic sign providing community updates from the front of the station. ...

... but for now,

*Cheers*  
Nafa

## Jindera Football Oval *Renewal Complete*

The construction fence has been removed and the oval is looking very lush! A big thank you to Council for making this happen.

The players are really going to notice the difference with the drainage upgrade on those very wet winter days.

To help keep this oval in top condition there are some rules which need to be followed by both the football club and the general public.

The **MOST IMPORTANT** one for the community is **NO DOGS** allowed on the oval.

Signs will be erected around the fence line and the Rangers will be keeping an eye out for offenders.

- ★ Of course there are to be no vehicles allowed.
- ★ Any litter to be removed straight away.

The council will be responsible for maintenance and mowing for the first two years to ensure the surface achieves its maximum potential. It is the responsibility of all the local community to help protect this important asset.

**Any issues please report to the Council office. Ph: 1300653538**

# JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on  
**\*\*\*\*\* Tuesday, April 20, 2021 \*\*\*\*\***  
**\*\*\*\*\* 7:30pm \*\*\*\*\***

*Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.*

### Next Meeting—April 20

At the next meeting of the Forum on April 20, Greg Blackie of Greater Hume Council will be in attendance to speak to us about upcoming works to be carried out in Jindera.

If anyone has an issue regarding works that they would like to discuss, please advise Kathy Anderson on the Forum email address below, or by phoning 0407 357 082, by April 15.

**Residents are welcome to attend meetings and participate in discussions.**

### Seniors Week

As mentioned last month, there are activities planned for Seniors Week at Jindera, which are now locked in for **April 14 and 20.**

Please refer to the relevant information in this newsletter, for details on the activities. On April 14 there are activities planned for the Jindera Pioneer Museum venue, and on April 20 the activities are planned for the Community Hub. Please support these days, so that we can prove that the Jindera community is appreciative of programs for seniors, especially during the annual NSW Seniors Week.

### NBN in Jindera

At present the Forum have the opportunity to have a review of the NBN service available to Jindera. Andrew Cottrill from NBN Co has been in touch with the Forum, and has offered to attend a community meeting to discuss any problems residents may have with their NBN service. In particular we need to be looking to the future, as residential development in Jindera is ongoing and ever-increasing.

Could individuals and businesses (in particular) please contact the Forum via email, or phone Kathy Anderson on 0407 357 082, to advise of any problems you may be experiencing with your NBN service. The Forum needs to gauge whether a community meeting is required, or whether problems with the service can be discussed in a bi-monthly Forum meeting possibly in June or August.

## THANK YOU BEV AND MARGIE!

At the end of 2020 school year Beverley Kernaghan and Margaret Butler retired from our school. Bev had been an SLSO for 20 years and was presented with a service medal from the Department of Education. Margie had been an SLSO for 9 years.

We had a farewell dinner at the Jindera Hotel to celebrate this outstanding achievement by these two amazing women.

A huge thank you to them both for their dedication and commitment to supporting and caring for our students, our school and the wider community over many years. They will be greatly missed and we wish them well and the very best for their retirement.

## WHAT DO WE LOVE ABOUT JPS?

We surveyed the students about what they love most about JPS and here are some of the comments.

*"We like reading books together"* - Callum and Blake

*"I feel like our learning is important for our future"* - Georgia

*"I love the camps that we can go on, when COVID isn't around"* - Anna

*"The teachers are helpful"* - Danny

*"Everyone feels accepted, if anything happened to me I feel like I would have support to help me"* - Zoe

*"I love that there are so many different things to do at playtime"* - Lachlan

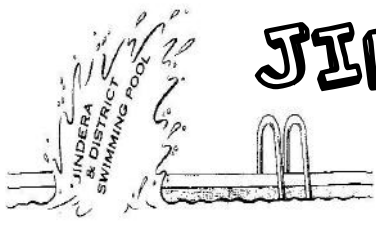

*"I like the opportunities we get to represent JPS"* - Amelie and Meadow

## ACTIVE CITIZENS—RIDE TO SCHOOL

At Jindera Public School we support our students to become active and safe citizens in the community. We celebrated Ride2School Day on 19th March and engaged in meaningful discussion about what are safe behaviour choices when coming to and from school. Students also explored why certain safety equipment is mandatory and the benefits of protective equipment for their body in the long term.

# JINDERA SWIMMING POOL

Sadly the 20/21 swimming season has come to an end after a successful number of months, even though the summer was unusually mild.

The season concluded on Sunday 14th March, with Wally Wipeout, which was well supported regardless of the cooler weather.

Many thanks to the lifeguards who did a great job once again, keeping everyone safe and the pools in good condition. Thanks to all who contributed in any way to the smooth running of the pool.

We look forward to next season and hopefully a hot summer to make the pool inviting to everyone.

• PIONEER MUSEUM •

The success of the Open Day can only be attributed to the amazing work put in by the museum volunteers to create and maintain such a fabulous site and atmosphere on the day. We were overwhelmed, especially given the weather we could have had, with the attendance on the day.

Thank-you to those of you who attended and were so interested in the trades that were there on the day. The traders were very pleased with the day and the working machines were thoroughly enjoyed by many. There was a wonderful spirit of community on the day with many families using it as an opportunity to get together. It was a great day and we were so blessed by the weather, which cleared for many hours, enabling all to enjoy the day much more.

It has been wonderful to see the hay shed return to its former glory and with its thatching replaced. This was a great feat firstly by Graham Chugg and his team from Modern Construction and then by Kerry Pietsch, Colin Cunningham and Terry who replaced the thatching.

The thatching took 2 full days to replace and was extremely hard work. The thatch is wrapped in chicken

wire to stop the birds demolishing it prematurely. The thatch is over 40cm thick and provides a very secure dry area beneath. Kerry advised me it would be unlikely that I would see this done again, as there is no-one interested in learning how to do this lost art, so it was great to capture it on camera throughout the two days.

The completed shed provided a great place for shelter from the initial rain on Sunday and a great talking point for the rest of the day.

Our next event will be the **Campfire Night** on Saturday 17<sup>th</sup> April; the bonfire will be lit and the spit will be turning and a collection of campfire dishes will be available.

We have secured a bush band for this event, so toe's will be tapping as well.

Seats for this are available through Try Booking or contact Kathy at NA Auto or on 0407 357 082. The bar will be open but there is NO BYO. Price is inclusive of food.

As we head into the colder months, although the NSW Covid Safe restrictions are easing, we are still required to adhere to the 2 sq metre safe distancing rule indoors.

This will restrict some of our activities such as our Heritage Dinners that we would normally hold in the residence. Things are easing, so we will see what the next few months bring before we make any commitments to indoor events before this.

We are excited that one of the towns long standing residents, Edna Chugg turns 100 on the 9<sup>th</sup> April. Edna has been involved in Red Cross and CWA and although now a resident at Delacourt in Albury, still thinks of herself as a Jindera girl.

We offer her our sincere congratulations on achieving this milestone.

## SWIMMING CARNIVAL

Our senior swimming carnival recently took place at Jindera Pool, and was a great success. It was an exciting day with great participation, incredible swimming, students striving for their personal bests and awesome team spirit.

We were blessed with a beautiful, sunny day and students had a fantastic time jumping into our first major sporting event for 2021.

It was also a time for student leadership, and it was pleasing to see our House Captains performing their roles so capably and with inspirational house colour costumes!

## WORKING BEE

We held our first Working Bee since Term 1 in 2020. It was great to have our school families back on school grounds again, and many came along to help with a few minor jobs that needed to be done on the day.

Thanks to the great teamwork, the school is looking in tip-top shape again and we finished the morning off with a sausage sizzle lunch.

## YEAR 5/6 PROJECT BASED LEARNING

*Learning about the impact of textiles on the environment, how they are made and what happens to them when they're no longer required.*

In our Year 5/6 PBL unit, we had some experts come in to talk with the students about the process of clothing design; how to use a sewing machine and other methods of joining materials together. Our enthusiastic fashion designers are preparing to create, design and launch a mini-collection.

Some of the themes are; summer, street-wear, sporting, adventure, beachy and formal season.

We can't wait for the showcase, when students will share their creative ideas and ethical fashion choices.

# Jindera CWA News

Murray Group Handicraft and Agriculture/Environment day was held at Gerogery on 16<sup>th</sup> March. Guest speaker, Penny Collis from Albury Halve Waste Transfer Station advised how to Reduce, Reuse and Recycle Waste.

Due to Covid the Land Cookery competition was cancelled this year.

Branch entries for Handicraft were judged and Jindera had two items selected to be entered in the State competition at the Conference at Bega in May. Congratulations to Helen Glachan (embroidered table runner) and Heather Collis (knitted baby shawl).

April will be a busy month for members, with catering for a function in Albury, a stall at the Jindera Garage Sale and Anzac Day, members have knitted more poppies to

# Local Business Opportunity... Doing What You Love

Becoming a Family Day Care Educator is a rewarding career opportunity. We recently asked one of our local Family Day Care Educators in Jindera to share her story with us.

Stephanie Williams has been an educator with Greater Hume Children Services for the past 3 years. Steph knew she wanted to work with children from an early age and left school to complete a traineeship in a Child Care Centre. After working in long day care for some time, she investigated other opportunities for work within the industry. She happened to drive past the Co-ordination Hub, here in Jindera, and popped in to ask a few questions. Within a short time she was operating her own Family Day Care Service.

Steph feels there are many benefits to working with children in her own home. Being able to work while

having her own baby in care certainly helped her to maintain a great work life balance. She has complete flexibility, being able to choose working days and hours that work for her own family.

The combination of managing her own income as well as the tax benefits of being a small business owner means she can provide an excellent income for her family.

Greater Hume  
Children  
Services

There are also the benefits of being able to attend school functions down the track to support all children's transition to school, as well as her own.

Steph really likes attending the playgroups provided by the Co-ordination Hub which offers her opportunities to network with other educators. She also feels supported by having the Co-ordination Hub in the same town.

A big bonus for Steph is being a part of the local community. By doing pick-ups at school and outings to parks, she is immersing the children and herself in the community they live in. This helps to make them all feel connected to the community. She is also providing a much needed, high quality child care service to local families.

## Author Ross Fitzell and his guide dog, Harry to visit Jindera Library

Jindera Library has an amazing opportunity to have a pair of incredible individuals who have recently put pen (or paw) to paper and produced a marvellous new book which readers in the Greater Hume Council might be interested in.

Ross Fitzell and his guide dog, Harry, have teamed up to produce 'Barking Mad', a unique memoir of Harry's career as a service dog. Ross and Harry will speak at both the Henty and Jindera Libraries about their incredible partnership and the story of life as a guide dog from the canine perspective.

**Thursday 29 April 21- Jindera 2.30pm**

Harry is a Cootamundra Celebrity. Guide Dog and companion, he is known around the District for his love of absolutely everyone. When not working, he is always ready with a tail wag and a big kiss (especially if there are pats involved).

Very few people, however, are aware that Harry is a raconteur extraordinaire with a quick wit, great sense of humour, and most importantly, a social conscience. He is also now a published author, with his first book offering a light-hearted look at life from the perspective of a working dog entrusted with the safety of a disabled human.

Of course, having no requirement for money, Harry has decided that all profits from the sale of his book will go straight to Guide Dogs NSW/ACT to help them keep up their great work (and to keep training prospective Guide Dogs for gainful employment in a post-COVID world!).

# JINDERA ANGLERS CLUB INC.

After the DG Comp at the end of February things have been quiet competition wise, however there is still a lot happening around the club.

Our next fishing comp is on the weekend of 26th, 27th and 28th March. It is to be an open comp with members able to fish anywhere within a 300km radius, fish must be freshwater only. **Note** – there will be plenty of doughnuts available at the weigh-in ... *just saying*.

Members have been fishing and the redfin are still biting at Lake Hume, pretty much all fishes targeting redfin are getting a feed, Sham, Donk or Laz will give you a good clue as where to go and best method.

Jason Boyd and family has been fishing the south coast, no stonker's unfortunately but quality family fishing times.

New brag-mats are being produced, so now is the time for any suggestions, millimeter measures will be added for more precise measuring and a suggestion by Squeaky to increase length of mat to 2 meters probably won't be necessary (sorry squeaky).

Remember you can weigh/measure large (trophy) fish in, out of comp for biggest fish of the year trophies. The angler of the year trophy is still up for grabs, there is little separating Boydy, Laz, Squeak, Trevor, Sham, Donk, Shane, Leif and watch out for Kirsty, the other 40 fishers will need to lift their game to be any sort of chance.

Club Champion of the month goes to BJ for his unbelievable work in cleaning the club's oven... looks like new. Ripper effort mate. Thanks also to Greater Hume Shire, Phil and Graham for moving our dangerous tree from behind the clubhouse.

## What else is happening ...

**Wood Raffle is on again**, huge load of quality firewood, tickets available from members, or from in front of the Jindera IGA on Saturday, 10th April, or at the clubhouse during the town garage sale. Only **\$2 or 3 for \$5**. Winner will be drawn on **Sunday 18th April**.

*OOP'SES* - Laz definitely don't stand on the back of your boat without a lifejacket, John put bubble wrap around your boat's windscreen or possibly a bumper bar, Graham be cautious towing bobcats.

**Jindera Garage Sale**, 18th April 2021, Jindera Anglers will be providing bacon and egg rolls, hot chips, snags in bread and hot and cold drinks for sale at the clubhouse.

There will also be a huge range of preloved treasures available for sale.

Everything from BBQ's, canoes, lures, sinkers everything fishing, camping, household goods, poultry..... all at unbelievable bargain prices.

**Next club meeting will be held at the Clubhouse on Friday, 9th April at 5.30pm.**

April fishing comp will be held commencing 30th April, from 4pm with the weigh-in at the clubhouse at 4pm Sunday. **NOTE – WEIGH-IN TIME IS 4PM**

## *Tight lines !!*

*Bruce Klein with a nice 60cm Murray cod*

*The big winners from DG Comp. .... Lucky we ordered extra doughnuts!*

*Young Bruce baiting up at the 12 mile comp*

*Cowboy finally got BJ into the boat, unbelievably both survived....just*

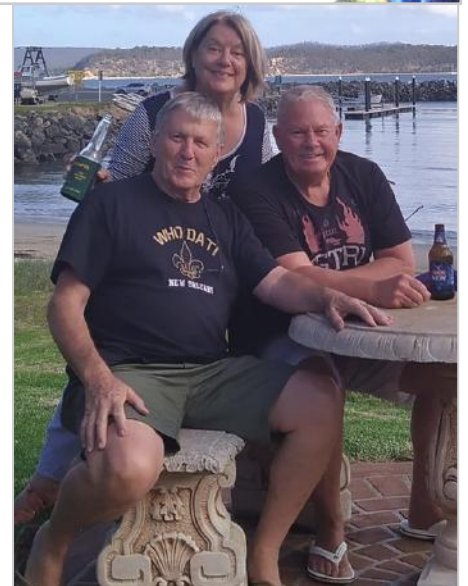

*Brendan caught a nice cod*

*Tabby races were a lot of fun*

*The children had a ball at the DG Comp*

## Memberships –

Membership renewal invoices are currently being sent out by email and post.

This is happening direct from our new accounting package, which will hopefully help to streamline the process.

Thanks go out to new treasurer Ros McMillan who has been working hard to implement this system.

Cost for memberships is \$100.00 adult and \$30.00 juniors.

Please support your community golf club and renew your membership via the payment details on invoice, post, or at the club on comp days.

There is a lot of volunteer time, effort ... and money required to provide the community with such a wonderful asset and all support is greatly appreciated.

If you are interested in playing comp – regardless of your ability – simply turn up on any comp day – **8.30 Wednesday morning Vets – Thursday Morning 8.30 ladies – 8.30 Sunday morning open club golf.** Or contact a committee person.

## Course Maintenance.

If you have a bit of spare time and would like to get involved in helping our dedicated grounds committee in the maintenance of our course, then please contact :
