How to hold the best garage sale ever!

Be Prepared

Preparation is everything when it comes to holding a garage sale, here are a few pointers to help make sure you've got all your bases covered.

The first step is deciding what's worth selling.

Anything that is irreparably damaged or dirty should probably just go straight to the Jindera Tip.

If you're a secret hoarder, an empty-nester or about to move house, this can be your chance for a fresh start and to declutter.

If you find it hard to part with some items:

- Get the help of a friend or family member to assist you with your decision making;
- General rule... "If you haven't used it in the last 12- 18 months, it is time to let it go".

Another essential element of preparation is making sure you have plenty of change, bags and even paper to wrap any fragile items in.

You do not have to worry about the marketing as this will be taken care of for you, with over 80 entrants last year, the Jindera Garage Sale is a huge event.

The event is advertised at starting at 8am, but be prepared and ready for the day as visitors start driving around town from 6am.

Do not display your goods until you are ready to start selling.

Price Setting

What price do you sell things for?

- Set low reasonable prices - Think! "What would I expect to pay for this second-hand item?"
- Put individual prices on all large items.
- Put up a price list of the same types of items, ie All books \$1.00, All toys in this box 50cents.

Be Prepared to Bargain

At the end of the day, you want to sell your wares, so a bird in the hand is worth 2 in the bush. Take the Money and Run! People go to garage sales for bargains, so accept the offer. Don't take lowish offers personally, people are just out to have fun.

What Sells

House hold items, bric-a-brac, soft furnishings, furniture, fridges and freezers, board games, gaming systems and video games, books, craft items, clothing, baby items, children's toys, bikes, plants, local produce, shed and garden items, building tools and equipment, cars, car parts, camper vans, caravans, boats, trailers, motor bikes, fishing gear, horse gear, camping gear, vintage wares & collectables, antiques....

Basically, whatever is in your home, garage, shed or garden, is all suitable for the garage sale.

Tips

- Don't hold items for people who say they are coming back – they usually don't and you may miss out on selling the item.
- Presentation, presentation, presentation!
- Place similar items together or display and sell as a group/set.
- Make sure items are clean.

*We hope that you have the
BEST GARAGE SALE EVER!*

AUSTRALIA DAY
IN GREATER HUME

Due to there not being an Australia Post street delivery system to any Jindera residents, we would like you to be aware that unless you have a PO Box at the Jindera Post Office we are unable to notify you that your Recycling bin was contaminated when emptied. Our drivers are putting a sticker on contaminated bins which should have a tick to say what the contamination was.

Normally there is a First, Second and Final Notice sent to the address each time contamination occurs.

Please be advised that if you receive a sticker on your bin, class it as a Notice and on the fourth

offence your bin could be removed for a period of two weeks. Then, once you have signed a pledge agreeing to comply with putting the correct items in your recycling bin it will be returned. If you continue to offend, your bin could be removed permanently.

Thank you

Thank you - thank you!

Brian and Colleen Lord and Pamela Mason cannot thank the community of Jindera enough for their amazing support over the last four years during some difficult times. We've been through cancer, Brian's aneurysms, near-death experiences, and most recently Brian's severe stroke.

However, this last period of being flooded and having to vacate our house just as we were hoping to bring Brian home from rehabilitation pushed us to the limit.

Had we not had the amazing support of so many friends and colleagues in Jindera and beyond, we don't know how we would have managed.

If you've recently moved to the Jindera area, know there are some truly wonderful people in this community who are there for you in a time of need.

Lastly, thank you to Jindera Rural Care Link and all its volunteers who never cease to amaze us with their generosity and understanding.

Many in our community have been affected by the floods, but we will get through this together. Don't forget to ask Rural Care Link if you need help.

Once again ...Thank You.

NSW RURAL FIRE SERVICE

NSW Bushfire Danger Period finished on the 31st of March

JINDERA BUSH FIRE BRIGADE

Captain Graham Yensch reminds us that the Bushfire Danger Period has finished. He said, *"that even outside of the bushfire danger period landowners still need to notify their neighbours, and the NSW RFS 24 hours prior of burning off"*.

You can do this online at the following website:

<https://www.rfs.nsw.gov.au/fire-information/BFDP/burn-notifications>

or point your smart phone camera at this QR Code to link you to the NSW RFS notification site:

**PLEASE USE
QR CODE
TO NOTIFY US
WHEN BURNING**

Graham asks that landholders maintain strong firebreaks and check the weather conditions before lighting any fires. The Bushfire Danger period may have finished but, we still have huge fuel loads around Jindera that are drying out quickly.

If you have any doubts about lighting a burn off, please check with the Brigade first or don't light the fire until the weather conditions will allow you to control the fire at all times.

Keep an eye on the display boards now that the Bushfire Danger Period is over Bazza's cryptic codes might be out again soon, anyone picked up any typos so far?

The Brigade is always on the look out for new members so drop-in and have a chat to us if you see us at the station, we have many roles that you can help us with if you don't want to get on a fire truck.

Thanks for your ongoing support of the Brigade "Poppa Pomegranate".

Jindera Village Green ... a treasure to appreciate!

What used to be a bare dirt area with a few straggly trees is now a jewel in Jindera's crown. A dedicated group of volunteers put many hours in helping establish this area with the help of Greater Hume Council.

Local school children planted shrubs along the back fence. Now the trees have grown beautifully providing a shady area for people to enjoy a picnic.

The barbecue area is very popular for groups to meet together including people from Albury. The toilet block is well used by locals and visitors alike.

The sound shell and stage have provided a great venue for the Christmas Carols and in the past the Friday night music event. Thanks again to Marion Van Dorssen for the amazing mural which was a highlight of the 150th Celebration.

Regular exercise classes take place in the area. The mounded area provides a bit more of a challenge to run up!

Thanks to Council for sealing the pathway with hot mix to make it easier for the elderly to walk and parents pushing prams and strollers. **This is not a bike track for older children!**

Unfortunately there are a few problems with this area. Council staff are continually having to repair breakages and clean out the toilets which have been vandalised. Rubbish is left around particularly along the back fence and on the stage.

This shows a clear lack of respect by some individuals for this valuable community facility which is there for all to enjoy. Council is considering different options to alleviate the problem, one of which is to install security cameras.

As community members it is up to all of us to keep an eye out for anyone who seems to be doing the wrong thing.

Please report any issues to the Council Hub or even the Police.

Jenny O'Neill
Concerned community member

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

JINDERA MULTI-PURPOSE HALL

It is time that the Jindera community supports the construction of a new multi-purpose hall to replace the old School of Arts.

At present the old hall is not being maintained to any large extent by Greater Hume Council and the community now needs to move forward with promoting the construction of a new facility.

A committee has been in existence for some years and we now need to boost that committee with residents who would like to fundraise and participate in improving the plans for the new hall, as well as promote the future use of the hall.

To date Council staff have worked extensively to plan for the new facility, but have not had the support of the majority of Greater Hume Councillors.

If anyone is interested in being part of the new committee could they please phone Kathy Anderson on 0407357082 or email as per below.

JINDERA PUBLIC SCHOOL

STUDENT REPRESENTATIVE COUNCIL BADGE CEREMONY.

Each year, at this time, classes elect two or three students to represent them in the Jindera Public School Student Representative Council. This is a highly sought after role within the school and it enables our students to have a voice on decisions made throughout the year. Following the class election process, parents and carers were invited to attend the SRC badge ceremony which took place under our COLA.

Students were involved in an induction ceremony, including the taking of an oath of office and then family members were invited to present the students with their badges. Students will now meet regularly to discuss community events, fundraisers and school activities and we look forward to their input into the decisions made this year. Thank you Mr. Madgwick for again coordinating our SRC activities this year.

SOUTHERN RIVERINA SWIMMING CARNIVAL

Following the school's swimming trials earlier in the term, we were able to send a team of swimmers to Albury to represent school in the Southern Riverina Carnival. Under cloudy skies, the team arrived at Nth Albury Swimming Centre to participate in a full schedule of events.

Thankfully, the skies cleared and the carnival was able to take place and our team enjoyed a full day of strong competition. As always, students from Jindera Public School represented the school while demonstrating strong sportspersonship and exhibiting our core values throughout the day. We would like to congratulate all of our students for their efforts and thank Mrs. Christensen and Barnes for accompanying the team.

Please enjoy a few photos of our wonderful students engaging in learning and fun. Our students are the core of our school and every day they are given a range of opportunities to learn, engage, cooperate, support one another and build the skills to become wonderful people. We are so proud of the people they are, and who they will become.

As you know our group has been meeting weekly now for over 14 months, which is amazing and something we should (as a town) be very proud of. And whilst I may have been the initiator of the group the regulars (for which there are approximately 15) continue to make the group what it is today.

The *purpose* of the group is to promote the physical and mental fitness in the 'blokes' of our town (and surrounds) through social connection and the bond of belonging regardless of age, ability or background.

Our *mission* is to achieve this by creating a fun and inclusive environment for 'blokes' to come together and promote positivity in men's health through regular physical activity and emotional connectivity.

Over the past 14 months we have maintained our weekly catch ups, meeting at the Jindera footy oval at 8am every Sunday to engage in some conversation, light hearted banter, laughs and of course a walk through the streets of Jindera taking in its sights and sounds.

The course varies each week but on average is between 3 and 6 kms taking about an hour, on completion we are fortunate enough with the tremendous support of the **Jindera footy club, Next Level Café and Jindera IGA** to share a coffee a chat and some delicious sweet treats supplied weekly by John & Linda Batchelor.

As the group has evolved we have embarked on some additional activities including a night away up on the Upper Murray which was a terrific opportunity to get to know each other a little more, the opportunity was as a

result of the connection brought about by our group and the event a such a success that we are looking to plan another one soon.

More recently we have looked to 'brand' our group and we will soon have the opportunity to show off our JBW logo on our new t-shirts, this again was achieved through the connection of members within our group and will go a long way to enhancing the bond of belonging and providing us with our own identity for others to recognise us, something that will assist us as we embark on our future fundraising efforts.

On the topic of fundraising we recently through the assistance of **Conway Printing** have begun selling Raffle Tickets in our 1st major fundraising effort. Tickets are selling fast with more than half of the 200 tickets already being sold, anyone chasing a ticket is encouraged to reach out to a member of the group or alternatively the **Next Level Café** have some available at the counter.

Tickets are \$10 each with 3 great prizes on offer

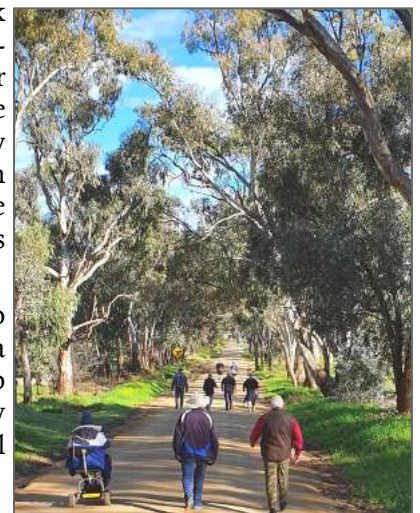

- ★ 1st Prize is \$500 worth of goods or services to a Jindera owned or operated business of their choice
- ★ 2nd prize is \$100 voucher to Jindera IGA
- ★ 3rd prize is \$50 voucher to Next Level Café

Raffle will be drawn the Sunday (at the walk) after the last ticket is sold, with winners notified via phone.

All proceeds made from this raffle will go directly to the Jindera Blokes Walk and will be used to continue to promote our mission and purpose with future plans to grow the opportunities within our town to promote positivity in men's health.

Lastly, a call out to the 'blokes' of Jindera and its surrounds to come down on a Sunday morning and see what all the fuss is about.

A round up of our term here at St John's Lutheran school.

Our focus this term has been student voice and student choice particularly through their learning, however also taking on leadership roles in choosing, organising and running clubs.

We have 10 clubs with over 25 student leaders from Kindergarten to Year 6 that have been started and now up and running throughout the school grounds from Lego to singing to a K-2 gym club as well as a relaxation, art, comic and dance clubs.

It's been a real pleasure watching students take ownership of what they want to take part in and work out the resources needed including the best space to have the club.

Our focus for our students from the learner profile within these clubs has been collaboration.

LEARNER PROFILE OF A ST JOHN'S STUDENT

*Our Learning Characteristics for a Collaborative,
Thriving and Inspiring Learning Community*

I AM COLLABORATIVE

I can:

- use active listening skills
- effectively communicate and inspire others to have a voice
- positively contribute ideas and encourage others

**We strive to work together both to improve our learning outcomes
but also to encourage others in our community.**

Pictures demonstrating collaboration in action.

Lego club which takes place in our onsite train.

Some Year 5 & 6 students linking their learning (building a new learning space) whilst collaborating!

Art club, comic club and tech club taking place in our library space.

Kinder to Year 2 Gymnastics club held outside.

Photos taken by a few of our Student leaders (Dom, Darcy, Matthew, Lucas and Noah.)

As identified in this newsletter, collaboration happens outside our school and we are always wanting to collaborate with our local community and be involved and you with us....so if you want to get in touch and have an idea where we can collaborate or be connected more in Jindera please send us an email admin@stjls.nsw.edu.au or give us a call: 02 60263220

• PIONEER MUSEUM •

The museum has had a very successful month with a wonderful attendance at our Autumn High Tea and the return of school groups. We have also had several smaller groups calling into the museum; the museum provides a great opportunity in these still hesitant time's having so much outside area and being the size it is, there is plenty of room for social distancing.

The High Tea was a great day with beautiful weather for us for a change. The full house of visitors commented enthusiastically on the great food and ambiance and the wonderfully relaxing afternoon and opportunity to catch up with friends. White Line provided lovely atmospheric background music for the delightful day.

The Annual General Meeting was also well attended earlier in the month. We saw a return to office of all executive members; myself as President, Tamara Klein - Secretary, Martin Kalina - Vice-chair; Kath Anderson - Treasurer; Meg Osborne, Aimee Riley and Vanessa Hayden as additional members and Rebecca Moore in Publicity.

Sandra Schilg & Judy Carr were honoured with Life Membership for their outstanding contribution to the Tea Room at the museum. Sandra and Judy front up virtually every Sunday and many days in between with scones, luscious cakes and slices and present a very friendly place for people to visit and enjoy lunch or morning or afternoon tea.

They think of the Tea Room as their own and make it a warm and welcoming place to be on a Sunday. If you haven't been, come and take a step back into an era past and enjoy some wonderful food and old fashioned service.

The museum acknowledges the wonderful contribution of all of its volunteers, all who make it such a great place to visit. If you didn't see it, check out the Border Mail spread on the museum in Saturday 26th March paper.

The new all-abilities toilet has commenced, so we should see this completed in about 3 months. We have many older groups and disabled groups coming to the museum so these will be a great addition to the museum complex and long awaited.

The museum tea rooms will open from Saturday through to Monday over the Easter weekend in April. It is likely to be a busy time so if you are looking for a quieter place to enjoy close to home, come on in and visit.

The Museum is closed on Good Friday.

Getting Back to Business.... Reconnecting with our Family Day Care Educators

Like everyone Family Day Care has taken some hits over the last two years. Covid has impacted on all our educators and their families in some way. Not only have we cancelled regular events that would normally bring us together as a group but our staff have not been able to visit our educators as often as they would normally.

This month we were very excited to host our first playgroup for the year. It has been so long since we have been able to open our doors to our educators and their children.

Tuesday the 8th was also International women's day. What an incredibly appropriate time to gather our amazing educators and celebrate them as the capable, professional and resilient women that they are. Through very difficult times they all remained open and available for parents and their children.

Our playgroup was such a wonderful opportunity to reconnect with our Family Day Care Community and reestablish the strong connections we have as a team. The children were thrilled to be back together, enjoying each other's company and engaging in the beautiful play spaces on offer.

Family Day Care is a popular choice for families, offering small group, family like care that allows children to form strong relationships with other children and adults. Our playgroups provide the opportunity for the children to experience larger group settings, helping them build resilience and social skills.

We are looking for new Family Day Care Educators to fill the shortage we are experiencing across our entire sector. If you have a Certificate III or higher qualification in Early Childhood and thinking about a career change we would love to chat with you about what Greater Hume Children Services can offer you. Give our team a call! We will be able to answer all your questions and tell you exactly what is involved in setting up your own Family Day Care Service.

Our community of educators are highly skilled and dedicated to providing safe and supportive spaces for children to belong. We are so very proud of everything they do and we are very grateful that we were able to gather again as a group and reignite our own sense of belonging.

Parents please take note of where your children are at all times for we had an incident where young children tried to break into our Community Garden Shed last Friday around 1pm - Latch had to be replaced which takes someone's time to fix and our Community Garden money to buy...

Police were called and several neighbours are on watch plus Security Cameras are about.

Apparently, some people have been trying to get in touch with me but it was the wrong number:

JINDERA ANGLERS CLUB INC.

No News this month.....only good news is the fish will have had a chance to relax, get fat and hopefully get into a false sense of security.

This is not entirely true as the Murray River and Lake Mulwala are open to local fishing on the NSW side, Lake Hume is Closed as is all Victorian waters this is at time of writing.

To all our members, friends and family, keep safe and well, try to give your fishing buddies and club members a call, give your boat the service it needs and possibly have a look at the tackle box, reels and rods and do those little jobs we never seem to get to do.

Jindera Anglers have suspended all fishing competitions and club meetings till the Government relaxes its isolation policies.

May 1st, 2nd and 3rd Comp is **OFF**, we are hopeful normal fishing comps will resume sooner rather than later, the next comp would have been on May 1st, 2nd and 3rd at his stage that won't be happening.

The next scheduled comps are Open Comps scheduled for May 29th, 30th and 31st and June 19th, 20th and 21st.

If Virus Isolating conditions change all members will be advised by Facebook, email, messenger or we will phone.

Some members have fished locally in the river with Murray Cod still biting despite the very low water levels at the moment.

It was also reported that Anzac week there has been a huge hatching of bogong moths, bardy grub shells everywhere, this is really late in the year for grubs to be surfacing.

With no meetings being organized for members the executive will meet via phone conference in early May, members are invited to contribute by phone or text with any concerns/ ideas they would like to share or suggest.

Only 1 month to cray season, time to patch those holes and get the nets ready and get all the old knots out of the ropes I know your ropes have heaps of them.
