

THE JINDERA NEWS

FREE local Newsletter distributed by the first Saturday of each month (except January) published by:-

A Jindera based, not-for-profit charity organisation.

Jindera boasts another young speed demon!

Another young local lad, **Jed Fyffe**, has made his mark in the motorcycle racing world, with recent success in the USA.

Jed's family, Dad Mat, Mum Kim and 13 year old twin sisters, Madison and Charli have been Jindera residents for the past 8-9 years.

Jed started racing flat track with the Albury Wodonga Motorcycle Club when he was 7 years old. Earlier this year, at Easter Time, Jed competed in the Queensland Flat Track Titles at Proserpine, where he won the 85cc modified class.

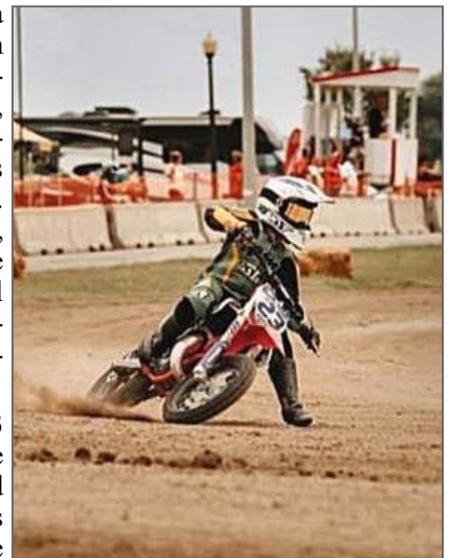

And now, at the ripe old age of 11, Jed has competed in the American Flat Track Grand Nationals, held 7-14th

July this year, in Du Quoin, Illinois, **winning a National Championship** in the 65cc modified class, and placing 2nd in the 65cc production class.

What an amazing achievement for he and his family.

Leading up to the USA trip, some of the parents and coaches who had been meeting up and travelling with their young competitors, started to discuss forming an Australian Team, whereby they would select a rider from each class, with a view to competing in America. Hence, after much discussion, fundraising and organisation, Team Aus Racing was born. Matt and Lisa Drane, from Forbes, were hugely instrumental in making this a reality, as were Jed's parents and others.

The Team spent 3 weeks in total in the US, where they hired a track for practices and attended a race meet in Ohio, prior to the Grand Nationals in Illinois. They had success with 2 other team riders, bringing home 4 titles, so I bet we'll be hearing more about this team in the future.

Jed spoke confidently and articulately to me about his racing and the trip to America. Interestingly, when I asked him what the best thing was about going to America, he said "*spending time with my Dad and my Pa, going out for dinner and lunch, going to a Water Park and going to a baseball game with Dad*". He told me that it was pretty much like it is in the movies!

Here is a young man who seems to have a great outlook on life, loads of talent, appreciates his opportunities, and cherishes his family. With a Father and Grandfather racing motorcycles before him, he seems to be in the best hands. I'm not sure that Jed's father, Mat, felt as flippant about the whole thing...."*happy*" and "*relieved*" were the words that he used.

I think we will be seeing a lot more of this young man in the spotlight, as he develops his talents and skills.

Well done Jed!

Jindera Auskick - Special Feature

We provide a safety net of kindness, consideration and support through:-

Jindera Opportunity Shop | Jindera Newsletter | Referral and Emergency Contact Office

Carers Support Group | Schools Grants Programmes | Critical Family Aid

We also provide support and resources for various local events and organisations:-

The Jindera Garage Sale | Seniors Week | Anzac Day Services | Jindera Pioneer Museum

Rural Care Link Office

Hours

1.00pm to 5.00pm Monday to Thursday.

Safety Net—Help & Support

We can provide basic food, clothing, and other financial and emotional support for local people in need.

We can help them to connect with other services and give support to help them navigate today's challenging systems.

As an agency for Albury Wodonga Food Share, we can access their Community Pantry Vouchers, and we can connect the aged and disadvantaged with local RSPCA volunteer services to help take care of their pets.

Phone for an appointment on **02 6026 3001** or text **0475 594 073** to find out how we may be able to help. Messages responded to promptly.

The Jindera News

Published monthly (except January) by Rural Care Link Inc. All profits from advertising and donations are used to support the activities of Rural Care Link Inc.

Contributions and advertisements should be negotiated with and forwarded to the Editorial team at jinderanews@ruralcarelink.org.au

Alternatively, contact the Rural Care Link Inc. office on **02 6026 3001** or **0475 594 073**.

Please Note: The editorial team reserves the right not to publish any article or to modify the presentation to suit the style of the publication.

Carers Support Group

If you care for someone....please reach out!

We invite anyone from the Hume Shire Community who is in a Caring Role to attend. If you know someone who you feel would benefit from attending, please pass this information on to them.

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

Please join us for support, information, a friendly chat and Morning Tea.

We meet on the second Tuesday each month in the Lutheran Church Hall, Adams Street, Jindera.

For any further info please contact **Vickie Priscina, Carers Co-ordinator** on **0428 406 060**.

Jindera Op Shop

Hours

10am to 4pm Tuesday to Friday, with lunch closure from 1pm to 1.45pm. Saturday open 10am to 1pm.

Get to know our Op Shop Staff

Further to last month, we want to continue to showcase our wonderful volunteer Op Shop staff, who really are the lifeblood of Rural Care Link Inc. operations.

Pictured here are members of the current Thursday team, including our very newest Gentleman recruit.

The ladies pictured have been labelled "The Party Girls" as these wonderful ladies often celebrate each other's birthdays and other significant events

over their lunch break, with platters of lovely food and sometimes even some non-alcoholic bubbles!

Like the rest of our volunteers, they give their time freely and do a fantastic job sorting and selling donated stock to help fund other projects and assistance delivered by RCL within our community.

Bargains!!!

The first two weeks of August, we are having a bargain table out the front of the shop with all shoes on that table \$2. We are also having a book sale which includes some great autobiographies and popular Mills & Boon novels. And watch out for some surprise bargains towards the end of August, which will be announced on our Facebook page.

In store we have an abundance of Donna Cover Sets, Curtains—sheer & rubber backed, Wedding Dresses, Kids Dress Ups, Women's clothing, Cushions, and several Punch Bowl Sets.

So come on in and have a browse. Don't hesitate to talk to our staff if you are looking for something in particular. And for those of you on Facebook, keep an eye out for those surprise specials!

Acts of kindness and compassion

Research is showing that people who are kind and compassionate are more satisfied with their lives, have better physical and mental health, and have stronger relationships. Being kind and compassionate can help other people, and make you feel good too.

There are many ways to be kind and compassionate to someone who needs help. These can include:

- being sensitive and sympathetic
- creating a positive outlook and instilling hope
- recognising and validating positive changes
- helping them solve problems
- helping to reduce stress
- helping with practical things, like medicines and appointments

Research also shows that the happiness people get from giving to others creates a 'positive feedback loop'. The more you give, the more positive you feel. This, in turn, fuels greater happiness.

Heritage Week Dinners

at the Jindera Pioneer Museum

Back in the early days of the Museum (1970's?) a week was set aside by the NSW Government to celebrate things that had a connection to our history – it was called Heritage Week and many and varied activities were held across the state to celebrate that history. This festival continued for many years.

From those early days the Jindera Museum has held dinners to celebrate Heritage Week – originally it was every night for the seven nights of the week set aside for the festival. On some occasions there were plays and skits to accompany the dinner. There was always music. The events were sometimes taken over by a celebration, a wedding comes to mind, but birthdays and anniversary parties were also held especially to take advantage of this week and the great atmosphere the museum offers.

Heritage Week as such no longer exists in the states festivals, however, the National Trust now celebrates a Heritage Festival which runs for two months and events can be listed with the Trust as part of this festival.

The museum has decided to continue this past activity of dinners in the museum as it provides a wonderful opportunity to showcase the lifestyle depicted by this great facility. They are still referred to as Heritage Week Dinners and this year they were held on Friday 29th and Saturday 30th of July. These dinners are always enjoyed by all of those attending as they offer a step back into the celebration of food and family from a bygone era.

Guests get to sit at the large table in the main room of the residence at the museum. All of the antique silver is used and all attending to guests are dressed from the era.

Being able to be part of the museum itself provides a memorable experience for all attending. A five course dinner is served to guests and of course there was music.

Events are held at the museum throughout the year. These are to help raise funds for the up-keep and on-going maintenance of the museum, which can be extensive. The museum is owned and operated by its members and has been operational for 54 years.

JINDERA MULTI-PURPOSE COMMUNITY HALL

On the 28th June a Meeting was called by the Jindera Community Forum after a request to re-establish and reinvigorate the multi-purpose hall committee to increase fundraising activities.

A Committee was re-established consisting of.

Committee members,

K Williams, D Clark, M Green, O Hanel, M Pettifer, J O'Neill, C McIntyre, J & P White and C Lord.

Chairman - P Hayes **Secretary** - K Anderson, **Treasurer** - M Greness.

With the state of the existing Hall deteriorating and the GHC not willing to spend any more money on the Hall (essential Maintenance). Only increases the need for a purpose-built community hall and with an ever-increasing population arriving in Jindera it has become very important to have a suitable meeting\ gathering place that reflex the vibrant nature of our community. This is a classic example of how infrastructure is needed to keep-up with the growing community.

At our second meeting last week we tabled several new and existing fundraising ideas from which we will set out a table of events in the next edition. Apart from having a fundraising aspect to these activities, we are trying to get community involvement in all our activities as well. We have a vibrant growing community with the best of both worlds. If you have any Fundraising Ideas, we would love to hear from you.

Contact: Kathy Anderson - Mobile 0407357082

Jindera CWA News

At our July meeting, Environment Officer, Heather Collis informed us of the varroa mite which is the biggest threat to honeybees in Australia. The mite is believed to have wiped out up to 90% of New Zealand's bee population since it breached the country's borders in 2000.

The parasite was first found in Newcastle area of NSW and has since spread to other areas. Honeybee hives affected by the varroa mite are destroyed to try and stop and eradicate the outbreak.

A ban on hive movements could have devastating consequences for almond and canola crops which depend on honeybees for pollination.

To follow updates on this outbreak, visit the Department of Primary Industry website. Rural Aid has launched a fundraising campaign to support beekeepers across Australia.

100 years of CWA in NSW

Over 3 days at the **Jindera Museum** to celebrate this event is being organised by Jindera CWA, the weekend of **9/10/11th of September**. Maryan Jenkins has made a ceramic birdbath, incorporating CWA emblem which will be installed in the Museum Gardens.

Murray Group Meeting – 4th August, 9.30 for 10am.

Four members of Jindera CWA will be attending at the Albury Half Waste Centre.

The next CWA meeting will be held in the School of Arts Hall on **Wednesday 3rd August**, at 10a.m.

Yours in CWA Friendship.
Bev. Blair - President.

Hume Bank - is here to stay!

Hume Bank has confirmed that their Jindera branch is here to stay with current operating hours.

Head of Community Impact & Partnerships at Hume Bank, Ben Foley said “We acknowledge that the reduction of our branch operating days from five to three could have inadvertently signalled that we were considering a permanent closure of our branch.

This was not our intention, and we should have been clearer.

“As our customers continue to change the way they do their banking, we need to change with them. Many customers want enhanced digital services and are using less cash, which means transactions in branches continue to decline. We are committed to finding sustainable ways to provide local branch banking that meets the requirements of your entire community, including local businesses. We will investigate options to increase availability of services outside of regular business hours” Mr. Foley said.

More information relating to Hume Bank’s Jindera branch commitment can be obtained in their local branch.

As the only bank with a branch operating in Jindera, Hume Bank encourages local residents and businesses to consider banking with them, to support their ongoing operations which supports our community.

MYER
CENTREPOINT

AROUND THE TOWN UPDATE

with
Cr. Jenny O’Neill

Pioneer Dr Roundabout Lighting

Council advise that street lighting is scheduled to be installed at the Pioneer Dr/ Urana St roundabout as part of the project. They are currently awaiting delivery of the infrastructure, which has been delayed due to the covid pandemic and associated supply chain issues.

Broken Glass at the Skatepark

Users of the skatepark were disappointed to find that glass bottles (Vodka Cruisers and others) had been smashed at the skatepark two weekends ago and left lying on the concrete and in the grass. This is a very popular spot for children of all ages (and adults) and it is not acceptable to have this sort of safety issue caused by thoughtless individuals.

Once again let’s all be vigilant and keep our eyes out for any suspicious behaviour and report to the police or Council.

Jindera Public School

Yindyamarra Sculture Walk

To help celebrate NAIDOC week, the entire school participated in an excursion to West Albury and the Yindyamarra Sculture Walk.

During the walk, students stopped at each of the sculptures to discuss its relevance and ask questions about the artist and meaning of the sculptures.

We were extremely lucky to be accompanied by Kianna, a local Aboriginal Student Learning Support Officer, who was able to provide added information and was even able to explain her own sculpture, the goanna that is one of the features of the walk.

The students really enjoyed the walk and learnt an enormous amount about this local feature of Aboriginal culture.

Public Speaking

Early in the term, two students, Jaxon Rudd and Anna Howard represented the school at the Albury Lions Club Public Speaking Competition, held at Springdale Heights Public School. Both students spoke extremely well and were commended on their efforts. Anna was also challenged to write and present an impromptu speech on the day, a task that would challenge most adults. Well done to both students.

Riverina Softball Trials

Congratulations go to Chayse Wayenberg who, last week, represented the school at the Riverina Softball Trials in Wagga. Chayse plays weekend competition and was successful in being selected as reserve for the Riverina team. He was the only Year 5 student selected. Well done Chayse.

Sports Assembly

At the very end of Term Two, the school conducted our combined sports assembly. With the completion of our major carnivals, results and age champions were announced and individual achievements acknowledged. It was fantastic to see so many children represented during the award ceremony and we pass on our congratulations to them all.

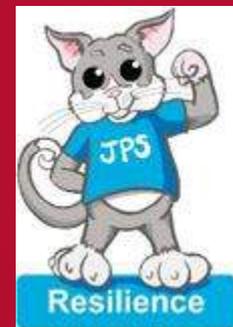

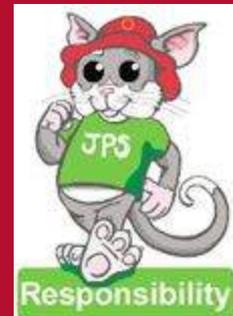

New additions to the playground.

Jindera Public School has had a few new inclusions to the playground with the addition of a new coloured hard-court surface and the installation of our fantastic coloured umbrellas. Our school grounds continue to provide a wonderful setting for our students and we know how much they have appreciated the addition of these features.

SNAPSHOTS

OF LEARNING AND FUN

Persevere
with sincerity.

JINDERA AUSKICKERS

WE'VE LOTS TO TELL YOU

The cold damp weather has not deterred our Auskickers. Most of them rock up to Auskick each Friday night ready to practice their kicking, dodging, tackling, hand passing and gossiping with their mates. Then it's time for the serious stuff, a fun game to show off their developing skills. Our parent helpers are really appreciated. We can't run the program without their help, whether it's admin, out on the field with the kids, helping to set or pack up or cook the BBQ. Our hotdog and superhero night was extra fun. The fun continues most Saturdays when kids are nagging the parents to bring to the fun games we have been able to organise for them against other Hume League Auskicker centres. Some of our kids just can't get enough footy!

AFL Auskicker of the Year

Huge congratulations goes to **Jindera Auskicker, Molly Ginnivan** for being selected as a nominee for the 2022 Auskicker of the Year. Molly gets to go to the 2022 Toyota AFL Grand Final where she will present a medal to a premiership player. She is hoping that Richmond brings home the flag as she and her mum and dad are big fans. Molly is 9 years old and has been a Jindera Auskicker since 2018. In May, Molly played in a half time game at the Swans vs Bombers game. In her interview with **Gil McLachlan**, Molly revealed that her favourite player is Dusty Martin, her favourite ice cream flavour is lemon and if she could choose a superpower, it would be to fly.

Carnival Fun

The fine, nearly warm weather on Saturday morning, July 2 was perfect for footy. Two teams of our 7+ year old Auskickers played at a fun carnival in Albury against Auskickers from other centres. Four games were play by each team in quick succession. Although both teams were

outsized, playing against kids averaging a year older and often a head taller, our Auskickers were not intimidated. They weren't afraid to get into the pack, shake off tackles and man up. As the games progressed, their skills improved, particularly their team work. Kicks hit their targets, more marks were taken and goals were scored. But the biggest triumph was the grins on the kid's faces and the confidence they gained.

We're Off to Melbourne, *Twice!*

Our Comedy Night Fund Raiser was very successful. Bev Killick and her sidekicks, Evan Hocking and Jarryd Goundrey had us in stitches all night long. We thank everyone who came along to support us, purchased raffle tickets and bid for the auctions items, particularly sponsors, Sancon Civil, Red Airconditioning, Redi2hire and Taylor Your Body whose generosity cannot be overlooked.

The buses are booked and the kids are excited. We are off to the MCG on 14 August to watch the Tigers Vs the Hawks. Thanks to our committee's fund raising efforts, our Auskickers and parents go for free and we are able to subsidise the cost for other family members.

Another exciting opportunity for our Auskickers came up recently. With little notice, Hume League Auskick Centres were asked if their Auskickers would like play at a couple of AFL games, filling in when another District pulled out. Saying no was not an option. Fifteen Jindera Auskickers will play at half time at the Kangaroos vs Swans game at the Marvel on the 7th August, just one week before our big trip. We just wished that we had more spots available to allow all of our enthusiastic Auskickers this opportunity!

Presentation Night is just around the corner

There is only a few more weeks of Auskick left, so planning is underway for our presentation night, our final session for this year. Following tradition, the kids will verse their parents in fun games. The Auskickers just love "killing it" against the adults. Other exciting things happen on presentation night, but we are keeping them under wraps for now!

See you at the footy!

JINDERERA

• PIONEER MUSEUM •

This last month the museum has been busy with holiday visitors, Sunday often being a busy day with many drawn to the wonderful offerings available in our Tea Room.

Our wonderful band of **Tea Room** ladies provide luscious soups, and other savoury fare along with a delicious variety of cakes and slices and their renowned scones. Over these colder months, the fire is always ablaze and the Tea Room provides a cosy hideout to catch up with friends and family, or just indulge in some lovely home cooked delights.

The Albury Historical Society held their AGM during July and I was asked to be the guest speaker at this event. It was a great opportunity to take the society on a brief walk through Jindera's history, how PC Wagner, the stores first proprietor, influenced the town and what led to the store becoming a museum. Given our growing archive of photographs, we are able to supplement this history with some pictorial gems that add so much to this unique story.

We celebrated our **Heritage dinners** in July (*see page 5*), held in the large vestibule of the main residence at the museum. This is a unique opportunity to be part of the wonderful collection we have at the museum as you

sit and dine in the original residence of the Wagner family, attended to by folk who seem to have stepped in from the past. The backdrop of the residence provides a nostalgic setting resembling a large family festive gathering.

Members took a bus trip during the month to Shepparton to visit the Museum of Vehicle Evolution (MOVE). With the increase in Covid several members who had planned to come along were unable to make the trip, but it was a great day, especially as we were chauffeured by Greg Finster who took charge of the bus. The bus unfortunately had a few issues but Greg was able to sort these out in time to get us home at a reasonable hour.

The museum is a new, very large facility, contributed to by the local and state governments, that houses several collections of vehicles, including a large and very unique selection of bicycles from the 1800's to early 1900's and a wonderful fashion collection from across the years. It was interesting to see these vast collections, how items were displayed and how the facility operates and is supported. A very informative and fun day was had by those attending.

August is a quieter month at the museum with no events planned but we will be hosting the local branch of the CWA in early September as they **celebrate 100 years** of the CWA in Australia. They have many interesting activities planned within the museum from the **9th to the 11th September**, so come along and celebrate this momentous occasion with them at the museum.

ATTRACTING MIGRANTS AND REFUGEES TO RELOCATE TO THE MURRAY REGION FOR LIFESTYLE AND EMPLOYMENT OPPORTUNITIES

Two Info Sessions for community and prospective employers within Greater Hume

◆ Tues 9 August at Henty Community Club @ 5.15pm to 7.00pm

◆ Tues 23 August at Holbrook Library @ 5.15pm to 7.00pm

All welcome

As part of a NSW Government pilot program to work with local communities to attract migrants and refugees to resettle in regional NSW, the Greater Hume community are invited to info sessions to learn more about this local project this month.

The focus for the three year pilot program is for people living in Western Sydney with the skills and aspirations to move to the region for employment and lifestyle opportunities. The overall aim is to provide migrants and refugees with the information and support they need to relocate to the region, and support Greater Hume communities to welcome newcomers and help them to thrive in the long-term.

Those that attend these consultation sessions will be updated on this pilot program by Murray GROW Taskforce members. Hear how your community can make a difference by being involved, as well as have any questions answered, and hear your feedback, to ensure that there is locally-led design and decision making occurring.

Co-Chair of the Murray Taskforce, Andrew Kotzur of Walla Walla said “the NSW GROW program becomes a win-win for communities in terms of increasing diversity and clearly for businesses, it’s an opportunity for prospective employers”. It’s no secret that there’s a shortage in the workforce, but it’s not without challenges, because housing is also very challenging at the moment. Individual communities can’t do this on their own, but working with Red Cross, Council, other support organisations together with the community and employers we are hoping to find solutions. I encourage any business or community member to attend one of these sessions, and hear about the potential benefits for the project within Greater Hume Council area” he added.

The NSW GROW Murray pilot program was formally launched in Walla Walla late June by the NSW Minister for Multiculturalism, the Hon Mark Coure.

To learn more about the NSW GROW pilot program <https://multicultural.nsw.gov.au/nsw-grow>
Or contact Esiteli Nyirarukundo, the NSW GROW Murray Backbone Coordinator at enyirarukundo@redcross.org.au

At the launch, Mayor Cr Tony Quinn, Deputy Mayor Cr Annette Schilg and Cr Ashley Lindner, with Esiteli Nyirarukundo, NSW GROW Murray Backbone Coordinator and Andrew Kotzur, Co-Chair NSW GROW Murray Taskforce.

The Congolese Women's dance group performed at the launch of NSW GROW Murray Newcomer Attraction Strategy at Walla Walla in June.

6 BEGG DRIVE, JINDERA

**Fixing the old and broken, designing
and manufacturing the new!**

The weather gods have been a little kinder this month with the a few sunny days helping us to enjoy the picturesque surrounds of the Jindera Golf Club.

“Monthly Medal” winners to date include – **July** – Men’s Peter Penny, Ladies Lucy Kimpton.

AND ... don’t forget, we are now running a “9 Hole” comp in conjunction with the normal 18 hole Sunday comp for those who only wish to play 9 holes – handicap is not required and scores will go towards getting a handicap. Tee times follow the usual Sunday comp.

Friday Chook Run is still running, although tee time is now 3.00/3.30 in order to beat the dark. You can also play earlier in the week if you wish, just find a partner, play your round and place card and \$5.00 under the door.

We ran a “KENO” 2 Ball Ambrose event on Sunday 18th July. “Keno” is a GolfNSW initiative which is a state wide competition where the winning pair in the Men’s, Ladies and mixed sections advance to a semi final held at Deniliquin on the 30th October. The winners on that day then play in the – Expenses paid - final at Bonville (near Coffs Harbour) on the 4/7th December. It was a great day, with 24 players braving the cold wet weather. The winning pair to

advance to Deniliquin was Simon Cossor and Robin (Strop) Weldon.

The ladies KENO event will be held on Thursday 4th August, with the mixed on Sunday 7th August.

All enquiries to our email or ladies captain Rawinia Smithenbecker – 0400835401.

Our annual Tournament will be held on **Saturday and Sunday, the 10th, 11th of September**. Saturday is Mens, Ladies and Mixed 2 Ball Ambrose, whilst Sunday is an MDGA sponsored mens scratch and handicap event. So mark this date on your calendar – it is always a great weekend.

The club has just purchased an electric golf cart for hire by members and visitors. For bookings, contact us via email. In the meantime, current comps are as follows: -

- **Sunday – Men’s 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, Tee-Off Currently 3.00/3.30, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership - As mentioned previously, the number of social golfers using our course – and paying Green Fees - seems to be growing every week, which is great for the golf club and the community.

Season 2022 membership renewals have been sent out, with GST added to the cost of memberships this year, bringing the cost of adult memberships to \$110.00 (inclgd GST) and \$33.00 (inclgd GST) for juniors.

Please support your community golf club and renew your membership via the payment details on the invoice.
