Safety Net—Help & Support

We can provide basic food, clothing, and other financial and emotional support for local people in need.

We can help them to connect with other services and give support to help them navigate today's challenging systems.

As an agency for Albury Wodonga Food Share, we can access their Community Pantry Vouchers, and we can connect the aged and disadvantaged with local RSPCA volunteer services to help take care of their pets.

Phone for an appointment on **02 6026 3001** or text **0475 594 073** to find out how we may be able to help. Messages responded to promptly.

Carers Support Group

If you care for someone....please reach out!

We invite anyone from the Hume Shire Community who is in a Caring Role to attend. If you know someone who you feel would benefit from attending, please pass this information on to them.

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

Please join us for support, information, a friendly chat and Morning Tea.

We meet on the second Tuesday each month at various venues.

Please contact **Vickie Priscina, Carers Carelink Co-ordinator** on **0428 406 060** if you would like any information on joining the Rural Care Link Carer Group.

Jindera Op Shop

Hours

10am to 4pm Tuesday to Friday, with lunch closure from 1pm to 1.45pm. Saturday open 10am to 1pm.

Christmas Closure

Our shop will be closing on Thursday 22nd December 2022 and will re-open on Wednesday 17th January 2023.

Clearance Sale

We will be holding a massive Christmas Clearance Sale from 6/12/22 until 21/12/22.

This is a \$3 bag sale on clothing — except priced items which will be half price. Books, Bric a Brac, shoes, etc—all half price.

This is a huge clearance to allow us to restock with new items.

Christmas Raffle

Don't forget to get your tickets in our Christmas Hamper Raffle (2 prizes).

Tickets are \$2 each or 3 for \$5, and it will be drawn on our last trading day, 21/12/22, to allow for pick up by the winners.

Don't Forget!

Boomerang Bags — \$1 each, AND we now have Eftpos available.

We wish all of our customers, contributors and helpers a very merry Christmas and Happy New Year!

Jindera Spring Fling Great Success!

Despite the rain, Spring Fling proceeded with a very successful morning and even a handful of stayers sheltering and enjoying the music right to the end!

Thanks to NSW Govt for funding the event under the banner of "Reconnecting Regional Communities", and Greater Hume Council for

distributing the funds to those organisations like ourselves, who submitted Expressions of Interest for our respective projects. Another great community offering from Jindera Rural Care Link.

RCL regrettfully advise that Jonathon Howard has resigned as the President.

We have appreciated and benefitted from his expertise and leadership in areas of policy and procedure, management of the office and support for our administrator, Sue-Ellen. The Op -Shop welcomed his supportive weekly visits and noted his role in improving signage within the shop.

Also, the Op-Shop will be forever grateful to Jonathon for leading the team of helpers in cleaning up after flooding of the shop and the erection of new shelving. His time and effort in compiling the 2022 Community Calendar resulted in entries from all the schools in the area with the calendar being an innovative success.

Thank you, Jonathon, for your dedication to Rural Care Link. We wish you well for the future.

JINDERA COMMUNITY FORUM

WHAT DO YOU WANT FOR JINDERA?

2022 - 2023

At the last meeting of the Jindera Community Forum, the following list of projects/requests was compiled in order to present to Greater Hume Council. These requirements were divided into short term and long term, and will give Council some direction in their budgeting, as well as in applying for grant monies. We would still welcome any ideas or thoughts that you may have, you are welcome to our forum meeting or you can speak to Kathy Anderson (N A Auto) or Pat Hayes (Post Office).

Short Term:

- Fenced dog park.
- Lighting for Village Green trees.
- More seating in Village Green.
- More seating in Pioneer Park (possibly under a covered area) facing play equipment.
- Improved seating and paths within the wetlands/recreation ground to facilitate family participation.
- Adult fitness equipment within the recreation ground.
- Bike/scooter path within the recreation ground.
- Green bins/compost bins.

Long Term:

- Multi-purpose hall/stadium – gymnasium, hall, kitchen and meeting rooms - use by youth, community groups, schools, senior citizens – also community events, art shows, private functions, conferences, etc.
- Recreation path – Jindera to Albury.
- NBN – cable to Jindera (catering for continued growth).
- Water park for all ages (near new playground).
- Walking/riding paths around Jindera to link the pockets of residential areas/estates (initially Jindera central > Drumwood Road > Pomegranate Estate > Jindera central).
- Pump track for children at recreation ground.
- Pool upgrade of canteen and change rooms, with increased shade.
- Converting Crown Lands into open space areas for recreation.
- Electric car charging station.

*Wishing you all a blessed
Christmas
and a
Happy New Year*

SWIMVAC 2023

Jindera Pool News

As above, Royal Life Saving are already taking bookings for the 2023 SwimVac program in January. These lessons are always very popular and places book out quickly, so if you have children aged 3 – 14 years of age, get online and book your place at the Jindera pool.

I just spoke to the lifeguard on duty and the temperature was 24 degrees when he opened today! With warm weather on its way, it won't be long until our solar and pool covers will achieve the ideal 26-28 degrees, and we can finally plunge into the 2022-23 swimming season (some braver than me have already been enjoying the water!).

TWO MOVIES over TWO NIGHTS: One for teens (and those who think they are still teens) and one for families with young children. **Friday 20th and Saturday 21st January!** Please leave any movie ideas at the kiosk (suggestion boxes) or post them on the pool's Facebook site.

HOT OFF THE PRESS: Wally Wipeout dates: **1st January and 5th February 2023**.... So why not plan to spend New Year's Day down at the Jindera Pool with some friends and a BBQ.

Unfortunately, aqua aerobics has not commenced as yet. Quote Allana, it has been a “*super cold start to the water aerobics season and has been postponed until summer decides on what to do*”.

Please watch Allana's Facebook site for when her group will commence or phone 0419 332 314, or phone Ruth on 60 263 806 or 0477 008 743.

Aqua Aerobics once again to be held

Tuesday and Thursday: 6.15pm – 7.00pm
with Allana Hayes

Wednesday and Friday: 3.00pm – 4.00pm
with Ruth Dunn

Kiosk: We welcome Lorraine and Narelle who will be running the kiosk this year. **Please note that there is no eftpos at the kiosk**, so please be prepared with cash.

JINDERA PUBLIC SCHOOL

A very busy term at Jindera Public School

It has certainly been a very busy term at Jindera Public School with many school and excursion events taking place and many still to come as we count down the weeks until Christmas.

Stage 3 Major Excursion – Borambola

After much planning and weather watching our Stage Three students were finally able to enjoy an overnight excursion to Borambola Sport and Recreation Centre Wagga. Students enjoyed a variety of outdoor education and challenge activities with many opportunities to develop independence and problem solving. Highlights of the excursion included archery, raft building, orienteering and, of course, the now infamous “Mud Run.” The Minute to Win It night show was also a great hit and the food was very well received. It was great to see our students outside school and they Upheld our school values brilliantly.

Stage 2 Excursion – Riverina Environmental Education Centre

Our Stage Two students enjoyed an excursion to The Riverina Environmental Education Centre earlier this term. Our school was used as a pilot school to trial a new geography map reading, geocaching, and field study program newly designed by the centre. On the day, the students were provided with maps, compasses and I-pads and were challenged with locating hidden clues that revealed their tasks at each location. The students used the I-pads to document their journey and new discoveries using photos and videos to record what they learnt. In addition, the students were treated to some experiences looking at historical maps and how the area has changed over time. The students had a fantastic time and we look forward to the partnership that this will lead to.

Eddie Woo Visit

Early last week, the school staff had an exciting visit from Mr. Eddie Woo. Eddie is a Sydney based secondary mathematics teacher who has become well known for his you-tube videos and passion for delivering high quality maths content for all to access. He spoke to staff at our weekly meeting before entertaining/ challenging us with some very interesting maths challenges, focusing on problem solving and working mathematically. He then conducted a workshop for our senior students, again challenging them to think about maths in new and exciting ways. We would like to thank Eddie and Sarah Warry to taking the time to coordinate this visit. Our staff and students really benefitted from both his approach and enthusiasm.

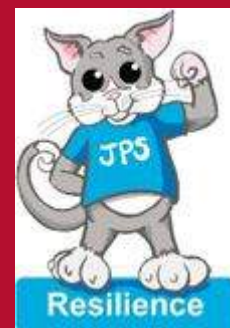

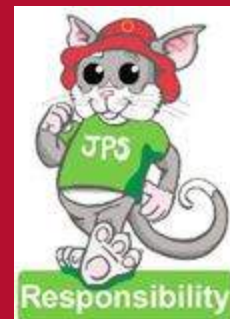

Woolworths Cricket Blast

With a small break in the rain, we were finally able to attend the annual Woolworths cricket blast, held at Culcairn last week. The school entered three junior and three senior teams who all played matches throughout the day. Everyone had a blast, and our junior red team were crowned champion team on the day.

Burrumbuttock's Squirrel Glider LAMP Project on target to double the Squirrel Glider Population

By Lou Bull - project officer for the Burrumbuttock Squirrel Glider LAMP project - Petaurus Education Group.

Image Janene Whitty Photography

In 2014, a population analysis of Squirrel Gliders around Burrumbuttock estimated that only 500 animals existed in the local area. If nothing was done to help this animal they would likely keep declining in numbers and disappear from the local area. To ensure Squirrel Gliders had a future, **threatened species** ecologists calculated that doubling the population to at least 1,000 would be required. From this baseline work the development of the Burrumbuttock Squirrel Glider Local Area Management Plan (LAMP) emerged.

Recent analysis of the work completed for the project revealed that this unique plan is on target to achieving the goal of doubling the population. It is a project that has involved local landholders, local community, local contractors, and local organisations.

Prior to any on ground work it was estimated that:

- There was 5023 ha of habitat that was considered suitable for Squirrel Gliders and this was made up of
- 115 individual patches averaged 43 ha in size

Since on ground works have been implemented:

- Suitable habitat has increased to 5399 ha and this is made up of
- 83 patches of 65 ha average in size (so larger connected patches)

This means that Squirrel Gliders will remain in the local area and thrive well into the future. A great outcome for all involved in the project. The strength in this project, it's achievements and ongoing commitment of those involved comes down to a love for seeing this enigmatic creature not only survive but thrive in the landscape.

2022 AFL National Inclusion Carnival

2022 AFL Toyota National Inclusion Carnival

This year's carnival was held at the Barossa Valley, South Australia.

Jack has represented NSW 7 times and 1 time Vic country. For the people that know Jack they know he loves footy and especially loves COLLINGWOOD winning. But for Jack it's not all about winning in this comp it's about meeting up with guys he has made friends with over the last 8 years not just on the NSW side but from all the states. It is truly a remarkable thing to watch as they all see each other give out high 5's and chat like it was only yesterday that they saw each other.

If you have ever been to the O/M grand final you may have seen Jack in action in front of the grand stand making sure everyone was entertained. After the game he likes nothing better than have a beer with a mate.

Jack was 4 when he was diagnosed with autism then at 10 we found out he has Fragile X syndrome. It has never stopped him from doing the things he loves.

Jindera Spring Fling! Jindera Spring Fling! Jindera Sp

Jindera Spring Fling a huge success ... well mostly!

The morning started out well, with a substantial crowd attending both the music stage and the market stalls.

The Kids Kraft Korner was well attended, Snichols Giant Lawn Games were a hit with children and parents alike, and people stood in long lines for Facepainting by Chelsea ??? And Monumental Ice Cream.

The rain that set in early afternoon, did send many people home, but that didn't stop the music or most of the stalls, and there were some stayers that enjoyed the entertainment to the very end, albeit huddled under any shelter they could find.

This Event, which was funded by the NSW Govt. Grant for "Reconnecting Regional Communities", and was distributed by Greater Hume Council, was run by Jindera Rural Care Link Inc.. They are a very small team, who can obviously deliver big things.

Rural Care Link Inc. has been helping people and running workshops, support groups, and events in the local area for many years. They continue to do this due to the success of their Op Shop, which is the lifeblood of the organisation, and is entirely run by volunteers.

Thanks to Sue-Ellen White, Rural Care Link's Information & Activities Support Officer, for her long hours organising this event and all the Volunteer Committee and other Members, who backed her and helped the day to be such a success.

We hope that all those who attended, enjoyed reconnecting with their neighbours and friends and spending family time and the music. Music always soothes the soul!

Jindera CWA News

December 2022

Members have had a busy time, catering for a successful tea and scone cafe at the Albury Show in late October over 3 days and hosting the Murray Group meeting at the School of Arts Hall last week.

President Chris McIntyre prepared a Latvian inspired meal (CWA Country of Study this year is Latvia) to serve to Murray Group members and also included a Christmas theme.

Our December break-up meeting will be a picnic on the Village Green, weather permitting. Meetings will resume in February, 2023.

**WE WISH EVERYONE A
JOYOUS AND SAFE CHRISTMAS
AND MANY BLESSINGS FOR 2023.**

Yours in CWA Friendship,
Bev. Blair

JINDERA

• PIONEER MUSEUM •

Christmas is definitely in the air at the Jindera Pioneer Museum with the popular **Christmas wreathmaking** event scheduled for **Sunday December 11.**

You can join our resident artist in a fun-filled wreath making workshop using Australian natives and other varieties picked fresh from local gardens. The wreaths are created to adorn your door or Christmas table and there are several sessions available on the day. (Go to www.trybooking.com/cehl to get your spot.) All tickets are \$30 and light refreshments will be served.

The museum hosted their annual members night on Sunday November 27 and it was a great opportunity for everyone to get together and talk all things history. The museum is always seeking new members and joining us is a chance for you to do something rewarding in your local community, meet new people and be a part of something special. We are actively seeking existing or new members to help out on the door for either a morning or afternoon shift. It's not an overly taxing role and you get to chat to the visitors that come through the doors. These are only four hour shifts and it's up to you to decide how often you do it.

We need you - please get in touch!!!

Something else to look forward to in the holiday season are the **Twilight Openings** which offer a lovely night out in the township. Mark your diary! These are planned to be held on **Friday January 13** and **Friday January 27, 6pm to 9pm.** Keep your eye on our Face-

book page for ticket details and posters will be up around town closer to the dates. The Twilight Openings are a relaxing way to spend an alfresco evening and explore the grounds and exhibits. There will be a bar available for drinks (no BYO), food options and musical entertainment.

Have you visited the museum? It's surprising how many people in the local area have not taken the time to come and have a look around. We are known as one of the best museums in the state so we challenge you not to enjoy it! Bring the kids and the grandkids – they'll love it too. One of our most common responses from visitors is that they *'had no idea it was so good!'*

Our President Margie is currently travelling overseas and having, of course, visited many museums she reports that Jindera's buildings and collection can rival many of the more publicised attractions both in Australia and around the world.

"Our museum possesses a quality many properties can only dream having and that is our authenticity and connection to our past in this village," she said.

"That we have the original buildings and many of the items used by local families at this time gives us a unique and special atmosphere that can't be recreated."

As we continue to move forward it is important that we find ways to ensure the longevity of the museum into the future. We need to be finding new ways to engage with our visitor and bring life to our exhibits. We need to continue to improve and expand our exhibitions and make the museum a place that people want to return to often, not just to be able to say, "I've been there", as if once in a lifetime is enough.

We'd like to wish a **Merry Christmas** to all and offer a huge thank you to all our volunteers in the museum and the tearoom who work very hard and put in a massive effort. This all makes the museum such a wonderful attribute to the local community and would not be possible without you.

Margie Wehner

NSW SINGLE-USE PLASTICS BAN

As of the 1st November 2022 a ban exists for the supply and ultimately the use of:

- single-use plastic cutlery, stirrers, straws, plates and bowls (except where designed or intended to have a spill-proof lid)
- expanded polystyrene (EPS) food service items (including EPS clamshells, cups, plates and bowls)
- single-use plastic cotton buds

This will have an impact on not only the community but also sporting organisations who cater at events and use single use plastics eg cutlery, plates, cups etc.

Please refer to the following NSW Government Plastics Ban website for more information - dpe.mysocialpinpoint.com.au/plastics-ban-nsw

Also banned will be certain rinse-off personal care products containing plastic microbeads.

If you are concerned about microbeads in products, look for the following commonly used ingredients:

- polyethylene (PE)
- polypropylene (PP)
- polyethylene terephthalate (PET)
- polymethyl methacrylate (PMMA)
- nylon (PA)

Greater Hume Children Services – Family Day Care have Relocated ...

Over the last few months **Greater Hume Children Services – Family Day Care** have been working with Albury City Council to transition 12 of their Family Day Care Educators over to our service. Albury City unfortunately deemed it necessary to close their service of 45 years.

During this time, we have also been working to negotiate a lease arrangement with Albury City for their purpose built Family Day Care building. We are pleased to announce that this agreement has been finalised.

The Family Day Care team have relocated from our current offices at 83 Urana St, Jindera to **1132 Burrows Road, Lavington**, just opposite Norris Park Estate.

The move was completed late November. We have absolutely loved working in and being a part of the Jindera community and we would like to thank you for always making us feel welcome and included. Our team of 6 are

all very excited to be moving to a bigger space that will allow our service to grow its capacity and service families across a larger area.

Our phone and email contact details will stay the same - **T: 1800 954 999 - E: mail@ghchildren.com.au**

Please feel free to pop in and say hi if you are passing by.

CONSIDER a REWARDING CAREER in NURSING or MIDWIFERY

Murrumbidgee Local Health District (MLHD) is encouraging people in the community to consider a career in nursing or midwifery, with support available through NSW Health cadetship and scholarship programs in 2023.

NSW Health Chief Nursing and Midwifery Officer Jacqui Cross said school leavers and people considering a career change should think about a rewarding career in nursing or midwifery. "Nurses and midwives make a significant contribution to the public health system by caring and advocating for patients to ensure they receive the best possible health outcomes," Ms Cross said. "We are committed to supporting our nursing and midwifery workforce through a range of cadetships and scholarship programs."

The [Enrolled Nurse Scholarships](#) offer a position in the Diploma of Nursing program, cover course fees and lead to employment as an enrolled nurse in a NSW Health facility, following standard recruitment and registration processes. The [Aboriginal Nursing and Midwifery Cadetship Program](#), and Aboriginal [Undergraduate](#) and [Postgraduate](#) Scholarships provide Aboriginal people the opportunity to receive financial and professional support during their university studies.

Christine Stephens, MLHD Director of Nursing and Midwifery said aspiring nurses and midwives can give back to their local community by choosing a career at NSW Health, with opportunities available in a variety of clinical settings. "Our nurses are provided with opportunities in a variety of clinical settings to ensure they gain a range of experience and consolidate skills and knowledge developed whilst at university," Ms Stephens said. "Previous graduates have loved the learning opportunities provided at our regional facilities, and the reward of working and living in a vibrant and close-knit local community".

Christine Stephens DDNOM

Applications for Enrolled Nurse Scholarships, the Aboriginal Nursing and Midwifery Cadetship and Aboriginal Scholarships **open on 9 January 2023.**

The NSW Government announced the largest workforce boost in the nation's history in the 2022-23 Budget with a \$4.5 billion investment over four years for 10,148 full-time equivalent (FTE) staff to hospitals and health services across NSW.

The weather has finally given us a reprieve with a couple of weeks (almost) of no rain and actual sunshine, which has made the grass grow and consequently a busy time on the mowers. Fortunately, we have a good crew of volunteers on the mowers attacking the fairways and "rough" resulting in the course looking the best it has in years. Thanks to all involved, in particular Bruce Hill who seems to have formed an emotional attachment to the new fairway mower

We have finally struck a major blow with the irrigation upgrade over the past 4 weeks – in particular, last Thursday, Friday, Saturday (24th, 25th, 26th) when we closed the course and installed all of the new irrigation pipe work and control valves.

Three weeks ago, we installed the power cable between the clubhouse and site of the new pump shed to be installed adjacent the 8th green which involved trenching and fitting off of the cable in the clubhouse – many thanks to Craig McMillan for his efforts.

Craig McMillan in a valve pit wiring valves

Last Thursday/Friday/Saturday was a huge few days where the 80mm PVC mainline, together with all 50mm PVC branch lines to greens and control valves was installed. We had up to a dozen members working at various times over the three days to completely install and back fill around 2000 meters of piping.

Thanks go out to all members involved, including a few local contractors in Pat Fuge (**Fuge Earthmoving**) for a great job trenching, Geoff Whiley and his mini excavator in digging holes for valve pits and Jordan Widdison (WidWeld) for welding support brackets to the bridge crossing the creek.

The next phase - (over next 2 weeks) involves installation of the new 220kl tank, pump and shed and then sprinklers to greens

The first **Junior Golf Coaching Clinic** was held last Sunday 20th with around 20 kids enjoying a good session of coaching conducted by Cameron Odewahn, followed by a delicious sausage sizzle. Many thanks to Lucy and Jack Kimpton for their great work in organising and running this program.

The "9-Hole" Comp is still running in conjunction the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors.

The Friday night "Chook Run" is now running on Daylight Savings times, with tee-offs between 4 and 5 pm. In the meantime, current comps are as follows: -

- **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, DST Tee-Off 4.00 to 5.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

The club has just purchased an electric golf cart for hire by members and visitors.
For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Cost of membership from December to end of March is now only \$50.00 Plus GST (\$55.00) – with all memberships for the 2023 season due by 31st March 2023.

JINDERA ANGLERS CLUB INC.

It has been a very busy fishing month so far with the club having a open fishing comp at the end of October with lots of member's out trying their luck.

Results: - digits co winners were Matty and Locky Kalina both had some good redfin and both had a redfin 28cm. No ladies weighed fish in.

Best fish went to Brian Shannon and Kevin Brown both had a yellowbelly 51 cm.

Lazslo Peli had the best bag of fish of 3180 narrowly beating Leif who had a great bag of 10 redfin 3000, Laz also had a ripper redfin of 410.

Trevor Brown had some yellowbelly and reddie, Johnno Kalina had some good redfin.

Doughnuts went to Brendan Kalina and Taryn who failed to attend the weigh-in.

On the weekend of 18, 19 and 20th November the club also had a closed fishing comp at Blowering and although the weather was a tad ordinary some nice fish were caught. Laz had some good redfin up to 37cm..... however the comp winner for best fish was Kerrie Lynch with a 40cm yella and Kerrie also won the best bag of fish with the yella and some nice redfin.

Kerrie in her acceptance speech thanked her *netman* and driver hubby Mark who went out of his way to not catch too many fish. Doughnuts were awarded to Mark Taylor, Mark Lynch, Kirsty Taylor and Harvey.

Upcoming fishing comp will be the cod opening comp to be held from **Friday 2nd December** from **5pm to Sunday 4th December** with the weigh-in to be held at the clubhouse.

The Anglers Club will hold its **Christmas Party** on **Sunday 18th December** at the Clubhouse from 12 noon, the afternoon will commence with a sumptuous meal and there will be heaps of raffles and treats for the family. Make sure you get along and all old - future members are most welcome.

Please phone or text **Shammie** on **0412068480** before December 9th to confirm bookings.
