School Holiday Activities

RCL ran a trial series of School Holiday programs for local kids in January. These activities were free to attend and were all well received, with good numbers turning up.

Wednesday 19th January was Archery Tag at the Village Green. This activity was facilitated by Jumping Beans from Wagga Wagga. The participants (and grandparents) all had loads of fun, although some of the younger ones fatigued early, due to the size and weight of the Bows.

Thursday 20th January

was Clay Modelling at the School of Arts Hall. Local Potter, Kerry Docker, Table Top Pots, delivered this workshop, and when asked “was Kerry a good teacher?”, the children all shouted a resounding YES!

Kerry showed the children how to make a pinch pot, which they then decorated in their own creative ways. They used air drying clay, so there was no need to fire the pots. Once they had

completed their pinch pots, they were given more clay and free scope. The kids all went home with a tray full of creative

masterpieces, which they could then paint at home once they have dried for a week.

Monday 24th January was Circus Skills at the School of Arts Hall, and Village Green. Due to

the number of registrations, we held a morning workshop for 5-9 year olds and an afternoon session for 10-15's. These workshops were facilitated by Circus McCabe, a husband and wife and family team, who will be touring regional areas again with classes and shows in March-April this year.

Jindera is on their tour schedule, so watch out for more news about that.

Patrick and Felicity McCabe, and family helpers, delivered fun and informative sessions, starting with discussions, warm ups and stretches.

All participants learned several skills that they hadn't tried before. They received instruction for acrobatic/balance poses with partners, headstands, handstands, tight rope, unicycle, rolla

bolla, spinning plates, diablo, stilts, and juggling. Participants displayed a variety of skill levels in different areas, and it was great to see them helping each other and challenging themselves.

Rural Care Link Inc., hopes to run more of these types of activities in the future. Thank you to all who helped make this happen. Now....back to school!

SHOP in JINDERA

Jindera OP Shop - back in business!

Jindera was hit by several storms in January. Indeed, the flooding and stormwater surges that occurred because of the intense rainfall had many locals upset. One area damaged in these storms was the Greater Hume community hub and Jindera OP shop.

The damage meant that, although the store was planned to re-open after the Christmas break, Rural Care Link had to extend the closedown so that repairs could be undertaken. It meant much of the shelving had to be replaced.

The charity took the opportunity to update the infrastructure and fittings. And the good news is: *Jindera Op Shop is now back in business.*

We invite you to take a look at our new, more open, shop.

You'll not only find new shelves in place, but the sections of the shop are now more clearly divided, and the items are more clearly labelled.

With the re-opening, we have items on sale: Formal and bridal wear is now half price.

And if you want to continue enjoying the summer, we've also got a great selection of DVDs.

For 'war buffs' we have Spencer Tracy in "Thirty Seconds over Tokyo". We also have "Memphis Belle" with Matthew Modine, Eric Stoltz, and Harry Connick Jr. as well as the classic "A bridge too far" with an all-star cast.

Alternatively, you could decide it's simply time to have a family night in. Why not grab some delicious Jindera Pizzas and watch "Pirates of the Caribbean", "Bridget Jones diary", "A night at the museum", or "Ten things I hate about you".

If movies are not your thing, our book section has Steve Waugh's autobiography, and some great outdoor cooking recipes: like Spanish BBQ prawns.

The money we receive from your purchases goes to help people in the district in need. So, please drop in.

We hope to see you soon.

Jindera STREET LIBRARY

How does it work?

People can simply reach in and take what interests them; when they are done, they can return them to the Street Library, or pass them on to friends.

If you take a book (or two) from the Library, you do not need to return that exact book. However, in order to keep the Street Library full of good choices for the whole community the next time you pass by the Street Library bring a few books to share.

Where is it?

The Street Library is located near the gate at **St. Paul's Anglican Church** Urana Street Jindera.

Jindera Pool Report

What an interesting season we have had this year!!! You don't need to go to the pool to get wet!!! Despite the weather, the 2 weeks of the **School Holiday swimming Program** was well attended... a great opportunity for our children to become water wise!

A huge thanks to Jodi and her merry team of helpers who kept the food up to the crowds over those 2 weeks!

We would also like to acknowledge support to the Jindera Swimming Pool ... well-being this year through a

- **\$3,000 donation** to purchase 2 more aluminium **park benches** to provide additional much needed seating for patrons!

Wally Wipeout – 6th February and 13th March

The new year has arrived and already nearly a month has passed. Time marches on despite the disruption to our lives the pandemic continues to bring. We must all find positive ways to live our lives in these different and often unexpected times.

At the museum we have seen an increase in visitors over the festive season and school holidays, which has been gratifying. The Tea Rooms were open each day between Christmas and New Year giving visitors to the township an opportunity for a home cooked treat, the lovely atmosphere of the Tea Room and a friendly welcome.

The rain of early January put a dampener on our first Twilight opening and this had to be cancelled or anyone wishing to attend would have had to bring gumboots. We hosted a smaller crowd for the second evening but all enjoyed the great music of White Line who have been creating new songs despite the lack of opportunities to play them.

The grant awarded to the museum from Liquor and Gaming for the erection of an all-abilities toilet structure at the museum has come through and we hope to commence this work shortly. This will be a very welcome addition to the museum complex as the present facilities do not cater for wheelchairs etc. Additional paths will be installed around the museum to enhance this development. We are very fortunate to have such a helpful group of people on staff at Greater Hume Council who have made the track

through the paper work associated with a new building, less arduous.

The Christmas Wreath Making workshops were again a great success with an additional workshop being held in the afternoon to cater for the larger numbers. All who attended had a wonderful time creating a masterpiece wreath for their door or that of a friend. The weather was beautiful on the day and the workshops created a lovely atmosphere in the gardens of the museum.

The Sunday **Working Machines** running days are progressing well with our next running day scheduled for Sunday **13th February**. The first of the museum's monthly meetings for 2022 will be held on the following **Monday, 14th February, at 7.30pm** in the Supper room of the Town Hall. The museum's Annual General Meeting is scheduled for **Monday 14th March at 7.30pm** also in the Town Hall, all visitors are welcome to attend and hear first hand the progress of the museum over the past 12 months. Subscriptions for membership are now due and members are reminded to vote at the AGM, they must be paid-up members of the society.

The museum hopes to host another Twilight opening on Saturday, February 26th. The evening will commence at 6pm. Come and enjoy the great music, food and beverage the museum has on offer at these nights. This is a lovely opportunity to catch up with friends and family and enjoy the relaxed and pleasant atmosphere at the museum.

JINDERA WETLAND MOMENTS

For over 50 years "World Wetlands Day" has been celebrated on 2 February. That date for 2022 will have passed by the time you read this. Nevertheless, as we have some Wetlands in Jindera the following informative article pays tribute to World Wetlands Day.

The article records a few **important moments** in the history of our **Wetlands**, specifically since the establishment of the group "**Friends of Jindera Wetlands**".

The idea to form a group to care for and develop Jindera Wetlands came to mind during 2012-13. Early in 2014 Greater Hume Shire gave permission to go ahead and soon after a small group with the name

Friends of Jindera Wetlands was formed. The following photos show some of the significant moments in Jindera's Wetland/woodland since then.

There are other ideas for the care and development of Jindera Wetlands. Of our current small membership, only two are physically active and are spending a lot of time maintaining the area.

If you would like to join us to help lighten the load of maintenance and to help facilitate other '*moments*' **please call me or 'send me a text'**!

A very big thank you to everyone who not only entered the December 'Count The Elves' competition at the Jindera Post Office -but also to the overwhelming appreciation expressed by both young and old (young at heart?) for the Christmas Lego window display. Lego fans travelled from Albury to view the display as well as one very keen fan from Yarrawonga!

And of course there's no competition without a winner ! **William Wood** of Jindera. His guess of 8 was the first correct entry drawn. Well done William!

A Squirrel Glider's seasonal menu plan.

By Lou Bull Squirrel Glider LAMP Project Officer

These gorgeous little critters that many of us are getting to know a bit better around Burrumbuttock, Walla Walla and surrounds have an interesting and varied diet depending on the time of year. I am often asked what it is they eat exactly. Unlike their larger and sometimes lesser welcomed cousins, fortunately Squirrel Gliders don't go for our precious fruit trees or fresh leaves on the Mulberry!

Squirrel Gliders do love carbs - usually in the form of sugar like sources such as nectar, pollen, wattle sap, honeydew and gum manna. If a Eucalypt is flowering, there is a fair chance Squirrel Gliders will be seeking it out and from late winter to early summer they will follow the flowers of various local tree species.

When there are few flowers another source of sugar are lerps. If you look closely at the leaves of Eucalypts, they can often have spots on them. If you rub this spot, you will discover that it is a casing or covering of an insect called a Psyllid. The psyllid sucks the sap from the leaves and then exudes (yep poo's) the sugary excess out which then forms a covering over the insect. Squirrel Gliders will spend a lot of time in the tops of the trees "gleaning" (not cleaning) or licking this sugary treat off the leaf.

If this sugar source has been cleaned - sorry "gleaned" then there are records of Squirrel Gliders eating the sap exudate that "bleeds" from some trees and shrubs. We often include silver wattle in our plantings as this particular plant appears to be favoured for this sugary food source.

Should all sugar sources be off the menu then protein is another loved option. If you have a thing about spiders - well Squirrel Glider's would happily help you out. They love a good-sized juicy Huntsman Spider, will gracefully glide, and catch a big bardi grub moth and they will also happily chomp down on Christmas beetle's, cicada's, other summer beetles and caterpillars. All of these menu preferences just make us love Squirrel Gliders even more.

Behind every gorgeous, large eyed and gregarious critter lies an animal with a will to survive and thrive. Less recorded accounts of other protein sources exist for Squirrel Gliders but not frequently witnessed. This includes Squirrel Glider's eating bird's eggs and young from nests. A recent eyewitness account by a local landholder was relayed to me of a brave (or maybe brazen) Squirrel Glider attempting to knock off a juvenile Red Wattle bird. The Squirrel Glider was disturbed in the attempt and the young bird fell to the ground to live another day. Perhaps this season, when there is increased breeding of birds, insects and plants it is also the time for Squirrel Gliders to thrive as well and start using and expanding into the areas that we have been creating for them these last 20 years.

What a great Christmas party **Jindera Community Garden** had arranged at short notice. It was lovely down in the garden sharing a meal with all the helpers. Thanks everyone - it was a good get together.

BREAKING NEWS
30 JANUARY 2022

FLOODING in Community Garden

All our plans for our Mandala Garden have been washed away
Mud in our Shed - All our Straw Garden and beautiful compost was washed away - Small Tubs damaged with plants.

Where has all our garden gone

We will have to have a BIG Community Meeting with everyone giving us ideas with flooding gardens.

Please Please Please HELP

Look at our Community Garden Post on Facebook Groups

Crazy Season

What a crazy season we have been having, heaps of rain in a downpour which is causing flash flooding with moisture staying in the ground and having wet feet, especially if you hadn't mowed the lawn. Most people have been mowing twice a week because of how quickly the grass grows. The Mozzies have taken the fun out of gardening for everyone let's hope they disappear soon.

What can we do about these Mozzies - mow the lawn shorter - plant lemon scented shrubs, mint, basil, Chamomile and other herbs and plants that help that have a natural Aerogard.

There has been too much rain for some plants that's why they are dying ... like Lavender, Rosemary, natives and many other plants. Maybe a lemon scented shrub to replace might be a good idea?

BIG YEAR coming up for the Community Garden. LOTS of changes happening for the best - Why a change to the garden?

The garden isn't working as well as it should be, after 11 reliable workers with shovels have done all the hard work to set it up with tubs and planted so the community can enjoy the benefits ... not enough people putting their hand up to help with even though they wanted to see the garden happen.

Just little things make a big difference like:

1. Watering or weeding,
2. Bring lawn clippings, cardboard, papers down
3. Bring stakes for the tomatoes
4. Help with composting

Just 5 minutes helping - all this adds up to a well organised community garden.

As far as the community helping, the fund raising for the shed has been excellent. We have had great support from everyone around the Jindera community.

Special thanks to Cathy Gooley who has worked hard to collect heaps of gifts and vouchers so we are ready to roll with our fundraisers early this year.

It is impossible to thank everyone who has helped us in some way for there are so many. The up coming creative change to the garden this year will ONLY be successful if some of you lovely people can spent 5 minutes to make it successful

Review of Hume Bank Branch Operations – Jindera

Hume Bank

Since December 2020, Hume Bank has been trialing reduced trading days at their Jindera branch.

The decision to introduce the trial was in response to declining in-branch customer demand and our desire to maintain local services in a sustainable manner.

Hume Bank are currently seeking feedback from their local customers as to how they currently utilise the Jindera branch, how the altered hours during the trial have impacted upon their customers, and any ideas that they should take into consideration that better meet the needs of the community.

Customer feedback will be utilised to identify how they can continue to operate a local branch in a sustainable manner while also endeavouring to deliver upon local customer expectations.

To provide feedback, please complete the questionnaire online at:

www.humebank.com.au/online-forms/jindera-branch-feedback-survey

or collect a survey from the Hume Bank Jindera branch located in the HUB at 83 Urana Rd, Jindera .

Please complete and return by **Monday 28 February 2022**.

Hume Bank looks forward to receiving customer feedback and continuing to support the Jindera and surrounding community.

Another year and here we go again!!!

Hopefully everyone had a very merry Xmas and are looking forward to a new set of challenges in the new year.

Golf wise our course has never looked better with lush green fairways – in the middle of summer!! – This is unheard of and has occurred at the right time for our ground staff who have been busy laying new turf around the 1st, 6th, 8th and 9th greens. There is also plenty of on-going works including the regular spreading of sand around the greens which is to encourage the new turf – and native turf to spread.

However, with ideal growing conditions there is always the flip side which means constant mowing, trimming and whipper snipping etc.

Any members who are keen to help out will be most welcome and can contact us via email “admin@jindergolfclub.com”

The 2022 season proper will begin on the **6th March** with our “**Opening Day**” which is a 2 Ball Ambrose – more on this later.

In the meantime, current comps are as follows: -

- **Sunday** – Men’s 18 holes, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Wednesday** – VETS 9 Holes, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday** – Chook Run – 9 Holes, Open to all, Tee-Off Currently 4.30/5.00, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership

As mentioned previously, the number of social golfers using our course – and paying Green Fees - seems to be growing every week, which is great for the golf club and the community.

Season 2022 membership renewals will be sent out from early March.

GST will be added to the cost of memberships this year, bringing the cost of adult memberships to \$110.00 (inclgd. GST) and \$33.00 (inclgd GST) for juniors.

Please support your community golf club and renew your membership via the payment details on the invoice.

*Happy golfing

JINDERA ANGLERS CLUB INC.

Happy New Year Fishos!

What a month January has served up to us, record rain, the 9 mile creek in Jindera running a banker, Lake Hume 100% full with gates open, unbelievable start to the year.

Plenty of fish biting although you have to sift through the little redfin to get to the bigger fish, seems to be 1 big redfin for every 20 little ones.

Jindera Anglers conducted a successful sausage sizzle at Bunnings on Saturday, 20th November with all proceeds going to restocking Murray cod into the Murray River at the 12 mile reserve, thanks to Graeme, Donk, Wayne, Chris, Brian, Squeak, David and Laz.

Back to December and the club had a cod opening fishing comp on the 3rd, 4th and finishing on Sunday 5th December with the measure/weigh-in at the clubhouse. Plenty of fish caught, released, some prior to capture and a top weekends fishing was had.

Anglers fished various locations from the Upper Murray, Lake Hume right through to Conargo, the Midgets best fish went to Matty Kalina with a 99cm Murray Cod, brother Lochy snared a 50.5cm Yella.

Ladies best fish went to Kerrie Lynch with a 35.5cm Yella.

Men's biggest fish was won by Kevin Brown (the upper Murray strangler) with a 101cm Murray Cod, best bag of fish went to Brian Shannon narrowly beating Jason (stonker) Boyd by a mere 50mm.

Doughnut winners were Squeaky, Donk, Shane, Trevor, Mark and Indi.

The Annual Christmas Party and the Trophy Presentation for the 2020/2021 season was held on Sunday, 19th December, after a fantastic 3 course meal including prawns and finishing with pavlova and all trimmings.

Young BJ Birmingham celebrated his 21st birthday (several 21's plus a half) and also was presented with the clubman of the year for his outstanding efforts, donations and work around the club. You little ripper BJ....

Thanks to everyone who cooked, supplied salads, sweets, donated prizes and trophies this made the day the success that it was.

Annual Trophy winners, fisherman of the year Shane Bradbury, Lady fisher of the year Kylie Shannon and the doughnut winner for 2021 was shared between Squeaky Taylor and Daniel.

Upcoming Events...

.... February looks like being a very busy month!

The January 2022 open fishing comp was held on the weekend 28, 29 and 30 January with a good number of members attending the weigh-in, fishos tackled mainly the Hume Weir however some tackled the 12 mile and Lake Mulwala.

Winners were juniors Jackson Kilmartin best redfin 34cm, a bag of redfin 1400, Ladies Taryn with a 30cm redfin and a bag of 1120, Men's winner was Laszlo with a Yellow-belly 530cm, with a bag of redfin 3750, Wade had a nice Yella 480, Sham had a bag of redfin, with the biggest being 37cm.

Doughnuts went to Brett, Kevin, Harvey, Kirsty, Shane, Ricko with special mention to Shane and Leif who won the comp the week before with great bags of redfin (shame they were a little early for the main comp).
