AUSTRALIA DAY 2023

held at the BROCKLESBY RECREATION GROUND

Over 300 people attended and the day started with a hearty breakfast provided by Brocklesby Community. The MC Steve Bowen welcomed everyone and opened the proceedings with an Acknowledgment of Country.

The Australian flag was unfurled by representatives of Brocklesby Public School. Then Joy Shipard, Matthew Shipard, Arielle Shipard and Hannah Schilg performed Advance Australia Fair along with a collection of Australian songs.

And with the assistance of Ross and Helen Krause, 2022 Citizens of the year, Geoff Coombes also presented the following awards:

- Community Event of the Year – Culcairn Street Party
- Sports Person/Team of the year – Henty Pennant Golf Team
- Sports Volunteer/s of the Year – Henty Cricket Club Grants Committee
- **Young Citizen of the Year – Awarded to Aimee Riley from Jindera**
- Citizen of the Year – Joint winners Francis Field and Peter and Alison Campbell, all from Henty.

Aimee Riley

Following the presentation of awards Tony Quinn presented Geoff Coombes with a gift and Australia Day pin.

Guests were then invited to partake in a delightful morning tea provided by the Brocklesby Community and to inspect the display of cars provided by the Morgan Country Car Club and to also participate in a number of

activities including face painting, jumping castle and a sheep shearing display.

Some of the highlights were the wonderful addresses given by our Australia Day Ambassador, Geoff Coombes OAM, St Paul's Lutheran College captain's Matilda Phegan and Isabell McRae and Cr Tony Quinn, Mayor, Greater Hume Council. Geoff gave an insight into the work he is doing raising funds for cancer research.

Geoff Coombe then assisted with the School Citizen Awards and **Jindera students Anna Howard** – Jindera Public School, **Theirry Mahon** – St Johns Lutheran Primary School and **Clare Horsfall** – St Mary MacKillop College were recipients of the award.

Eight residents of Greater Hume became Australian citizens following an official Australian Citizenship Ceremony, including three **Jindera residents** Anlyn Talandron Sawyer, Janet Smith and Hoang Kim Thi Tran.

Cr Tony Quinn, congratulates new citizens - Anlyn Talandron Sawyer, Janet Smith and Hoang Kim Thi Tran.

Carers Support Group

If you care for someone...please reach out!

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

We meet on the second Tuesday each month at various venues.

Please contact **Vickie Priscina, Carers Carelink Co-ordinator** on **0428 406 060**.

Recent Activity

The Rural Care Link Carers Group met at the Northside Hotel for our Christmas Celebration. We arrived to a beautifully decorated table and ate a delicious Lunch, compliments of Rural Care Link Inc. All members enjoyed the day sharing Christmas wishes and companionship.

We are looking forward to planning outings and events for 2023.

Carers Group Christmas Lunch at Northside Hotel

Carers Plus Group—Workshop

The Rural Care Link (RCL) Carers Plus Group are excited to present the first of their community sessions for the year - “Dementia Hope and Help”. The session will be held in March with the date to be confirmed.

Leeny Mason, RCL President, who has worked in aged care and has a Bachelor of Dementia Care from the University of Tasmania, will be hosting this session.

She has signed up to be a ‘Dementia Host’, through Dementia Australia, which gives her an official capacity to deliver such workshops.

The session will be visual and interactive and supper will be served by the RCL committee to provide time to share between participants.

The focus will be on the unique nature of the disease for each person living with dementia and tips on communicating and maintaining relationships for carers, friends and community members. Leeny will also discuss ways to be a Dementia-friendly Community.

Jindera Op Shop

To all of our existing and new customers, a big warm welcome back to the shop in 2023. Thanks to all those who have already been in to see us. We’re looking forward to seeing you all on a regular basis throughout the year.

We have been blessed with an abundance of good quality donations since re-opening, and can offer our customers a wide variety of goods for sale.

Our Facebook page will continue to list any specialty items that are available, as well as any sales and other general information, so keep an eye out there as well.

We would also like to send out a big thank you to those who have donated goods since our return, and especially for NOT leaving donations over the closure period, when we had no staff to process them. It has been sincerely appreciated.

We are once again holding a half price book sale from 31st January until 11th February. Book lovers will be excited to see many new categories and authors have come in to stock.

If you are looking for Curtains, we have a HUGE stock of all styles, colours and weights. They are currently selling for \$2 per drop.

Hours

10am to 4pm Tuesday to Friday, with lunch closure from 1pm to 1.45pm. Saturday open 10am to 1pm.

Don't forget....

No more plastic bags. We have Boomerang Bags for \$1 each. Also, we now have Eftpos.

Rural Care Link Inc. Committee

Volunteers of Rural Care Link met at the Jindera Hotel to celebrate Christmas and the end of the year.

Op Shop staff, along with our Newsletter Editor and Committee of Management members, who are all Volunteers, were represented. They all enjoyed a very festive atmosphere and a delicious two course meal, compliments of Rural Care Link Inc.

We look forward to all working together to develop Rural Care Link in 2023 and beyond.

If you would like to become a Volunteer we are always looking for extra help in the Op Shop as well as representation on our Committee of Management.

Please contact Rural Care Link Inc .

Volunteers Christmas Lunch Jindera Hotel

At Rural Care Link Inc., we pride ourselves on upholding our mission statement, which is to “provide a safety net of kindness, consideration and support to those in need within our local community”.

We currently offer our community much support each year, with the financial backing of our wonderfully successful little Op Shop, which provides the life blood of our organisation.

However, none of this could be a reality without the governance of our very small but dedicated Committee.

The Committee strives to recognise needs within our community and implement support, but we also strive to nurture what is healthy and positive in our community and support the continuity of that as well.

To be able to continue to recognise and deliver support in these areas, Rural Care Link Inc. is inviting interested people, who live in the Jindera and Greater Hume Council area, to join our very small team who currently are ONLY an Executive and two Ordinary Members strong.

We need new blood, new ideas, and new energy to take RCL into the future with a stronger presence in the social support space.

Please, if you are at all interested in becoming involved with this very worthwhile not-for-profit charity organisation, don't hesitate to make contact TODAY!

We especially reach out to any younger residents, who may have an interest in making a difference in the community in which they live.

Please contact one of the Rural Care Link Inc. current Committee.....

Cr. Jenny O'Neill

Happy New Year everyone!

It will be interesting to see what 2023 brings to the Greater Hume Council area.

- * Due to the **Morgan Country Car Club** holding their annual Swap Meet on the **last Sunday of March** the proposed new playground and addition to the toilet block near the Skate Park will only commence in April.
- * **Telstra** are still waiting for approval from Crown Lands to use a small amount of space on the ground before relocating the Telstra tower onto the Optus tower at the Rec. Reserve. If you are having issues with **Telstra** mobile service or **NBN** contact Telstra to put a **complaint** in.
- * Jindera received funding from the Stronger Country Communities grant program announced by Justin Clancy of \$210,000 for **solar street lighting** in **Pioneer Dr.**
- * It was very disappointing to know that visitors to Jindera using the primitive camping area at the **Jindera Recreation Reserve** were harassed by two different groups of teenagers between Christmas and New Year. Abusive language was used and rocks thrown at caravans in the early hours of the morning. This resulted in very negative comments being placed on the Wiki camping site telling people not to come to Jindera. Other incidents happened with a white ute being involved. **Police have been notified** and security cameras are operational.
- * Remember if you want to bring issues to the attention of Council use the **Customer Action Request** form on the **Greater Hume website**.

Jindera Village Post Office will relocate to our new premises *from 97 Urana St to 91 Urana St ...*
 ... this will occur on the weekend of the 10th 11th 12th of February.

We are **relocating the mail boxes** earlier on **28th January**.

So for a short period of time you will collect your mail from the new location but all other operations e.g. bill payments, parcel collection etc, will be at the old premises.

This will happen until the **13th of February**.

Sorry for the inconvenience for this short period of time.

All of us at the Jindera Post Office thank you for your patience.

Jindera postmaster, Pat Hayes, helps to relocate the mail boxes.

The new committee for the Multi-Purpose Hall (JMPH) is moving into the new year with a series of fundraisers planned, and more being planned, for this year. Please keep an eye out for upcoming activities to raise funds for the new hall.

At present funds amount to just over \$50,000, with the aim to raise at least \$100,000 to convince Council that the community needs this hall, and for the project to move forward.

Return and Earn collection is now registered for the JMPH, so any cans, plastic drink bottles and glass drink bottles containing the 10c refund label will be gratefully received at NA Auto (94-96 Urana Street) from now on. A purpose-built collection cage will be in place in the next weeks in the NA Auto grounds, but in the meantime, donations can be dropped into the shop.

\$5,000 Winners of the **Multi-Purpose Community Hall Raffle** were:

- ★ **1st \$5,000 B McFarland**
- ★ **2nd \$500 H Wilton**
- ★ **3rd \$250 J Pettifer**

Congratulations to the Winners and *thank you* to everyone who purchased Tickets and everyone who helped sell Tickets to raise funds for the JMPH.

30th Celebration and Christmas Party!

Last year (2022) our Preschool celebrated its 30th Birthday at the current site of 151 Adams St Jindera. This milestone provided us with an opportunity to celebrate our Preschool and come together with our children, families, and community. This event was held at the Jindera Preschool on Friday 9th of December. We shared fun, laughter and Christmas cheer as the children explored the fire truck, jumping castles, face painting and old photos of our preschool changing over time. We would like to thank the Jindera Rural Fire Brigade for bringing their trucks for our children to learn from, puzzles, fireman hats and fire safety packages for our families. Your time and efforts were greatly valued, and we are proud to have you support our preschool community. A very special thank you for delivering SANTA to our preschool. This was such an exciting treat that we all enjoyed. The children continued to share excitement and revisit this event as they play, create and learn at Jindera Preschool.

Thank you to Megan Lyne for your amazing cakes. Everyone commented on how delicious they were. Your cakes made our celebration a PARTY! We are very lucky to have you and your family at Jindera Preschool.

A big thank you to Face Painting by Danielle Marinic for donating your talents, time and resources. Families and children were so proud to have you paint their face with your amazing designs! We are very fortunate

I would like to introduce myself as the new Director & Nominated Supervisor of Jindera Preschool.

2023 will be an exciting and busy year for us at Jindera Preschool as we reconnect with our community and rebuild relationships with our local families and community partners.

We have made some minor renovations to our preschool building and room and are making plans for greater structural change in future. As a team our Staff are dedicated to providing our community's preschoolers with quality early childhood education.

*I encourage families who are seeking information regarding preschool to contact us on **02 6026 3468** or email us at : **info@jinderapreschool.com.au***

Jindera Pool News

Once again, the Royal Life Saving **SWIMVAC** classes were well attended. It's great to see so many parents keen to encourage their children to build their water safety skills, and their confidence in and around the water. A huge shout out to our kiosk ladies for keeping up the supply of food.

This year, for the first time, we ran **TWO movies**, in an attempt to cater for not only our families with young children, but also our teens and adults. Both nights were well received (if not a little on the cool side). We showed "**Jaws**", a 1975 classic, which to my surprise did not spook our younger crowd! We even had a short appearance from Jaws himself (well his fin anyway) .. which didn't faze a soul!

And "**Up**" – an animated family classic!

Thanks to our 4 lifeguards who worked a late shift to enable these two events to occur.

And thanks also – to the Greater Hume Council for sponsoring the event, which made it possible for us to make a profit – all proceeds will go towards improving our pool facility!

Below: As the sun sets the anticipation builds!

Kiosk: Lorraine and Narelle are doing a fantastic job of running the kiosk this year. Please note that there is no eftpos at the kiosk, so please be prepared with **CASH**.

Please provide feedback to the committee (speak to us in person, or you can leave a message on the Jindera Pool Facebook page, or a note at the kiosk) as to whether you would like us to run this event(s) again next year, what time of the season would best suit you, and any suggestions for movies that might be suitable.

Wally Wipeout returns twice again - 5th February and the last day of the pool season – 12th March. Wally sprung a leak last time, and had to knock off a little early, but we have been assured that he has been repaired (gone to rehab!) and is keen to go again.... So why not plan to meet some friends down at the Jindera Pool and a enjoy a BBQ.

Aqua Aerobics held-
Tuesday and Thursday: 6.15pm – 7.00pm
with Allana Hayes
Wednesday and Friday: 3.30pm – 4.30pm
with Ruth Dunn

Aqua Aerobics commenced in the New Year, with a great turn up to both groups. If unsure if a session is going ahead, please watch Allana’s Facebook site for when her group will commence, or phone Ruth on 60 263 806 or 0477 008 743. These classes are open to both men and women.

Join the committee! Are you interested in making a valuable contribution to ensuring our pool stays a great community facility, have input into future directions or assist with running events?

Join us on 6th March for our AGM & final meeting for the season - Pool Meeting room from 7.30pm. You don’t need to be an executive member; we have many *“friends of the Jindera pool”* who support when they are able.

Principal: Brad Moss

St John's Lutheran School had a busy end of 2022 with the farewell of our amazing 2022 Year 6 Graduates. Students and teachers went head-to-head in the minute to win it challenge, end of year class parties, sports and mini excursions – here's a snap shot!

Message from our Principal, Mr Brad Moss at the end of 2022:

Farewell to our amazing 2022 Year 6 graduates. You all finished the year so strongly, which is a testimony to your character and ability to positively approach life. Keep being that shining light and speaking life into others. A special farewell to all of our families who have the youngest child finishing at St John's at the end of 2022. Thank you for your support of our school and choosing St John's for your family. You will always be part of the St John's story.

Kids, you'll move mountains!

Minute to Win It

Class Parties, Sport & Excursions

Now it's 2023!

All the staff at St John's have been excitedly preparing for a wonderful 2023, with a great curriculum & Learner Profile! Each term we focus on one of our five learner characteristics which are: I have empathy, I am collaborative, I am curious, I think deeply, critically and creatively and I have grit and perseverance.

I AM COLLABORATIVE

I can:

- use active listening skills
- effectively communicate and inspire others to have a voice
- positively contribute ideas and encourage others

This term our whole school focus from our Student Learner Profile is "**I am Collaborative**". We will focus on this characteristic in our classroom throughout the term by looking at specific collaborative skills across the curriculum. Students from different classes will also share examples of how they have used this skill at assembly each week.

Thank you Jindera Christmas Carol organisers - we all had a wonderful time!

NURTURING YOU TO EXCEL

Our curriculum at St Paul's is unique, diverse and engaging. Our students have the opportunity to experience programs such as Equine, Agriculture, and Boarding.

"The care and positive nature of the school is genuine, giving us peace of mind as parents of high school kids." - Parent of St Paul's.

Jindera Community *Christmas Carols* 2022

What a beautiful summer evening on the night of the Jindera Christmas Carols held on 16th December. A capacity crowd attended showing great enthusiasm and participation in well known carols. Thanks to the amazing band and singers who led the singing, the local clergy and the community groups and singers who performed individual items.

The Carols Committee which consists of representatives from the four church groups in Jindera are very appreciative of the funding provided through Greater Hume Council by the NSW Govt. and Hume Bank. This enabled the candles to be handed out free and the cost of the sound and lighting covered.

Thanks to the Jindera Anglers' Club for providing the barbecue and drinks, the Jindera Fire brigade for supervision and the Schmidts for supplying a live Christmas tree. Unfortunately, baubles were taken off the tree and broken. A total of \$556 was collected in donations to support the local fire brigade.

JINDERA RURAL FIRE BRIGADE

As an update for those **residents new to the Jindera community**, the Jindera Rural Fire Brigade is run entirely by volunteers and relies on the Rural Fire Service (RFS) Fire Control Centre (FCC) in nearby Albury to provide logistic support.

Normally equipped with three firefighting appliances. These consist of two Category 1 Heavy Tankers & a smaller Category 2 Tanker that provide frontline firefighting and emergency response. These vehicles are further supported with a 4x4 personnel transport vehicle and a multi configuration trailer.

During winter we sent one of our tankers to get a mid-life make over. Thanks to the NSW rural fires service tanker refurbish program. This tanker is now up to date with the latest safety features including LED lights, crew protection halo and much more.

Local First Responders

The brigade is also the local first responders and has capability for **Motor Vehicle Accidents, Structural Fires** in addition to providing support in **flood and storms**. We now have a **designated sandbagging area** at the station to save residents having to go into Lavington for sandbags.

This facility has had a lot of use this year, especially when a literal waterfall went through the house of one of our members. Quick action by our brigade family saved a lot of angst and further water damage by mopping up the water quickly and sandbagging the house for further downpours.

Local Community Engagement

December, as usual was a busy month for community engagement beginning with the **Jindera Pre-school**. Santa was transported in style for a guest appearance at the annual Christmas party.

After presents were handed out and four decommissioned helmets donated for the dress-up chest, the kids were treated to an interactive display of lights and sirens as well as being able to operate the hoses with Anna and Kathleen. A good wetting down was enjoyed by all, including some unsuspecting parents, when Cameron activated the water curtain over the truck cabin.

Local Event Demonstrations

The brigade was also invited to attend the **Christmas carols** on the green as we were chosen to be the recipients of the **donations** for the evening. As usual, a great evening was had by all and the generous **amount of \$556.65 was raised** from the night. Some of the children took the opportunity to check out the workings of the fire truck attending. Thanks to Sean and Nikki for demonstrating the operation of the truck.

Local Yearly Santa Run

A **veerry** interesting Santa run this year. Two trucks decorated, lollies loaded and two Santa's with assorted helpers kitted up and ready to go. Wonderful timing for a grass fire call out to Stoney Park Road Burumbuttock, resulting in the *best response time in the history of the Jindera Bush Fire Brigade*. We had the distinction of being the only 'decorated trucks' in attendance and, apparently, there is still tinsel to be seen out at Urana Road.

Two hours later the **Santa run** went ahead leaving excited faces and appropriate sugar highs throughout the Jindera community. This must be the favorite event of the year for all brigade members.

Training - Fire Awareness - Local Fire Protection

Training is currently underway for a record number of female volunteers (four) for their Bush Firefighter accreditation. We are always **looking for new volunteers** to add to our diverse and awesome team in Jindera. Maintenance mornings are held at the fire shed in Urana Road every **second Saturday** (11th and 25th February) from **8am to approx. 10am** if anyone would like to pop in with enquiries.

Don't forget the **new fire rating** system is up and running. Be sure to keep an eye on the **electronic sign board**, prominently displayed out the front of the fire shed on Urana Road for up-to-date fire danger ratings and important information regarding **fire safety** at your property. Information regarding bushfire preparedness is available on the NSW Rural Fire Service website at www.rfs.nsw.gov.au.

Incidents attended this year already include a Haystack/Grass fire caused by lightning strike; Grass fire in North Albury caused by a train; Structure fire in Walla Walla and a Grass fire in Jindera.

The volunteers of the Jindera Bush Fire Brigade are here to raise awareness about fire safety and assist in protecting you and your property when required. As an integral part of the community, we appreciate your support.

JINDERERA

• PIONEER MUSEUM •

The new year has brought Brian and I back from cooler climates overseas and we can't help reflect on what great opportunities we have as a country here in Australia and in our village of Jindera.

We have seen some wonderful sights while away, many amazing landscapes and of course many museums. This has left us assured we should be very proud of the museum we have in our midst, some would say the backbone of the town, as it is an exceptional example of the preservation of part of our history and a wonderful way to bring history to the here and now.

Many museums are bland in feel, simple displays of old artifacts without any connections to their locality or the people that were in them. Our museum has the ability to connect people to this past time, through its layout, displays and the stories that are connected to the majority of these artifacts. Very few places we visited, have this ability.

While we were away, the museum again held the Wreath Making Workshops before Christmas. Full attendance as usual with beautiful creations being produced under the excellent tutorage of Alison and helpers. Having seen the amazing Christmas wreaths and entrance pieces created in Canada for the festive season, this workshop would be heralded for its creativity and festive functionality. It is events like this that really make the Christmas season come to life.

We continue to work towards fund raising and finding a way to build our new extension at the museum that will be able to cater for larger groups and provide more hands-on activity space. It will also increase our ability to support the community by providing space for activities and meetings as well as extend the capacity of the Craft Shop Group with displays and sales. The proposed plans are on display at the museum if anyone would like to call in to see them. We have a lot of money to raise for this project and as costs continue to rise, the sooner we can start the better.

Our **Twilight Opening** event for 2023 was held recently with again full capacity attendance. We were blessed with a beautiful cloudless sky and a delightfully calm and mild evening; a lovely change given our experiences of last summer. Music was provided by White

Line with food available and the bar open for the evening. Again a lovely night for those attending.

Our largest fundraising activity, the **Forgotten Trades Day**, will be held on **Sunday 26th February** from **12 noon to 7pm**. For one day only there will be an opportunity for people to witness some rarely seen skills in action with men and women at work showcasing their long-held craft. These can include, but are not limited to, shingle making, hand shearing, rope making, knife craft, cross-cut sawing, calligraphy, dry stone walling, embroidery, spinning, weaving, knitting and crochet, basket creation, felt making, harness restoration and furniture construction. This special **Forgotten Trades Festival** event will showcase a variety of skills and practices that many may not have seen for decades. The event comes to life within the two acres of the museum's fabulous gardens, grounds and exhibits.

Come and enjoy an enlightening day out and take advantage of a variety of food trucks, a bar serving a range of local wines and other refreshments and live entertainment. This event is sure to be an eye opener for old and young alike and a great opportunity to share with the family an insight into bygone days. Enjoy the delightful shaded grounds at your leisure and then stroll through the museum's many exhibits.

We look forward to seeing you at this event.

NSW health expands access to Japanese Encephalitis Vaccine

The change in eligibility criteria removes the need for people living in high-risk areas to spend at least four hours per day outdoors and clarifies other criteria to help people assess the free vaccine.

You are eligible if you:

- Regularly spend time outdoors placing you at risk of mosquito bites, OR
- Are experiencing homelessness OR
- Are living in conditions with limited mosquito protection (e.g. tents, caravans, dwellings with no insect screens) OR
- Are engaging in outdoor flood recovery (clean-up) efforts, including repeated professional or volunteer deployments

JE vaccine is available through local General Practitioners (GPs), Aboriginal health services and pharmacists.

Albury and Greater Hume Shire are LGAs of high JEV concern.

People who meet the above criteria should make an appointment with their GP, pharmacist or Aboriginal Medical Service and let them know it is for the Japanese encephalitis vaccine as they may require a few days' notice to order the vaccine.

More information can be found on the NSW Health website.

Australia Day:

Once again, a healthy crowd of 200 came out to celebrate Australia Day at the Jindera Pool. Council provided free entry.

The Pool Committee (volunteers) ran some activities: from thong throwing and dress up relays for the kids ... to the very popular bombing competition.

This year there were 47 entries in the bombing competition, which is growing in popularity each year.... We even have a defending champion!

Look who **Cathy Gooley** found - *wow!* You two look so great together same Expression - Eyes - Mouth.

Hope you invite Costa back here for another day.

Glad you were thinking of the Community Garden, Cathy, when you bumped into this interesting man.

Very scary to see these guys up high in the tree with a rope around them supporting their body, it's enough to make you giddy watching.

Finally ... we have the two trees chopped down.

It has been a long wait but now we can plan the layout of the garden without those trees.

Bird Watching

There was some bird watching happening in the garden amazing how these birds protect their young ones. It's going to be a good spot for bird watching especially when we get the shrubs and trees happening.

Garden Tubs

We had the Thurgoona Men Shed out to measure up some garden Tubs to fit around the shed and we will remove some of the small Tubs; trying to make things easier when watering and maintaining the vegetables.

Cheryl and I have been checking prices of Tubs at Wrenwood Gallery Farm Shop who have many Tubs to choose from, hopefully we will have some reasonable quotes.

Jindera Country Golf Club INC.

We trust that everyone had a safe and happy festive season and now it's back to business and the Jindera Golf Club 2023 golf season.

During the holidays we have been running the Sunday 9-18 hole Stableford comp. and the Friday afternoon "Chook Run", with both competitions being very well patronised.

The Vets and Ladies competitions have been in holiday recess, with the **Vets starting again (officially) on Wednesday 1st February, tee-off 8.30/9.00** and the **Ladies on Thursday 9th February.**

The competition season proper will begin with our **"Open Day" on Sunday 5th March.** This is a 2 Ball Ambrose Mixed and Men's competition starting from 9.00/9.30. Cost is \$25.00PP and includes BBQ lunch and great prizes.

From then on, the season will be played according to the 2023 men's and ladies calendars which are soon to be released.

The "9-Hole" Comp is still running in conjunction with the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

The Friday night "Chook Run" is now running on Daylight Savings times, with tee-offs between 4 and 5 pm.

In the meantime, current comps are as follows: -

- **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, DST Tee-Off 4.00 to 5.00pm, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

The club has an electric golf cart for hire by members and visitors.
For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos. Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST)

AGM – Our Annual General Meeting will be held on **Monday 20th February starting 7.00pm.** All interested persons are welcome to attend and become involved in the running of our great club.

The irrigation upgrade has been in full swing throughout December and January. We now have a 220,000 litre tank and 7 greens fully irrigated with 7 to 8 sprinklers around each green covering around 20 meters.

We still have works in progress around the course, with a number of open trenches and piles of dirt whilst we endeavour to connect water to the tees – so please take care around the course.

Follow us on Facebook or our website at www.jinderaclub.com

LADIES –THURSDAY/SUNDAY
Xmas Break

JINDERA ANGLERS CLUB INC.

Seems like an eternity since the last newsletter and a lot of water has gone under the bridge (*and over the bridge*) since the December newsletter.

The clubhouse has been freshened up with artistic interior design director BJ doing a terrific job, much appreciated Barry, lawns look a treat too grounds man (Laz whipper snipper Peli).

The club also extends its sympathy to the family and friends of former club member Steve Pinner.

The fish are still biting in the Hume Weir and along the Murray River, there has been a huge explosion of European carp along the length of the Murray River and most oth-

Great to see.... heaps of dead European carp in South Australia

er rivers and dams, the black water fish kills also seems to have improved. Year 2023 will be an interesting year to monitor the carp problem and how the waterways recover from the floods. I have noticed in the river a lot more snags and very different fishing, mainly with trees down and the changed river current flow.

The Jindera Anglers were pleased to be able to cater for the **2022 Carols by Candlelight** and thanks go to all the volunteers who assisted on the evening.

The club's last fishing comp was the December cod opening weekend, The Lynch's cleaned up, Kerrie had the Ladies best fish, a nice 40cm yellowbelly, Mark Lynch had a cacking 42cm redfin and also won best bag with 10 redfin averaging 30cm, doughnut winners were Donk, Sham,

Laszlo, Tim, Aaron with double doughnuts to Alex, Ricko and Leifi.

The Anglers Christmas Party was a great success with beautiful food, a ripper raffle (especially if you were one of the winners!!!!)

Our next fishing comp will be an open fishing comp, commencing on **Friday, 27th January** from 5pm with the weigh-in at the clubhouse on Sunday, 28th January at 5pm.

The South West Anglers are having their **Annual General Meeting on Sunday, 5th February** commencing at 9.30am at Burrumbuttock.

The South West Anglers Buckingbong inter club **Summer Fishing Competition** will be held at Narrandera on the 10th, 11th and 12th February commencing at 12 noon Friday with the weigh-in on Sunday, 12th at 12 noon. There will be a free sausage sizzle Friday and Saturday nights and music and raffles on Saturday night.

Jindera have been very successful at this comp so let's get up there and bring home the trophy again.

SAVE THE DATE.....

The clubs biggest Annual event and is coming up again "**The Daryl Girling – DG COMP**" is on the last weekend of February, commencing at 5pm on **Friday, 24th** and finishing on Sunday, 26th February with the weigh-in at 12 noon.

This is a closed Comp held at the 12 mile reserve with full catering provided, massive Saturday Night Raffles and the legendary Yabby Races.

Next **General meeting** will be held on the **first** Friday of the month, **Friday, 3rd February**, at the clubhouse at 5.30, this is so all members can attend the SWAA Buckingbong Comp on 10th, 11th and 12th of February.

Tight lines and may all your snags be between bread.

Thanks Brendan great job at working bee, clubhouse looks great.

Wade with a nice Murray cod caught below Albury.

Tylar Herard with a ripper 125c Murray cod, thanks to pop Graham for netting him.

The Lynch's are still reeling in the fish

BJ has done a terrific job redecorating the clubrooms, including some historic fishing equipment.

Mark Lynch with a terrific Lake Hume redfin

Trevor Brown had a great day catching rainbow trout, fishing off the bank near Lake Eildon

A healthy trout cod caught at the 12 mile reserve.
