Famous murder mystery *The Mousetrap* by Agatha Christie is dramatically bought to life in Jindera by students of Saint Mary MacKillop College

Article written by Kieran Williams, director of this production.

Over the weekend of the 17th and 18th of June, the Jindera School of Arts Hall came to life with a production of Agatha Christie's *The Mousetrap*. This murder mystery is the world's longest running play (performed multiple times per day in London since its debut in 1952).

The play's enduring success can be attributed to the complex and entertaining mix of characters, in addition to Christie's ability to keep the audience guessing as to which of them it is who 'dunnit'. In short, 8 strangers get snowed in at an English countryside guest house, only to learn that one of them is a murderer. The play is both entertaining and suspenseful and leaves you (or me anyway!) kicking yourself that you missed key pieces of evidence that might have enabled you to solve the mystery before the final reveal.

The Jindera Hall was the perfect location for our play. Its rich history and quaint features helped us to create the atmosphere we wanted for a holistic theatre experience. We suspended

extended the stage over the two sets of stairs, so as to include the two existing doors as part of our set. In addition to this, we decided to match the paint colour of our set with the interior of the hall, thereby creating a sense of unity and bringing the audience into the space. Over the long weekend prior to the show, we constructed our set, complete

with a fireplace, staircase, working wall scones and functional window with a view to the awful weather outside. It was a great feature of the show.

The cast was largely comprised of students from **Saint Mary MacKillop College**, with a few additional actors coming from the local community. The show was well received by the audiences and it was a great joy to witness the growth of each of the actors throughout the entire process, particularly in the culmination of the three fantastic performances we saw. They should all be very proud of their achievements.

We would like to thank the Jindera Museum for their generous support in lending us props and furniture, as well as Olivia Hanel, the president of the School of Arts Hall for allowing us to stage the play there and for kindly permitting us keep the set

in place – leaving the door open for a potential reprisal of the show down the track!

Special thanks must also go to Michael Green and Daniel Clark – our sound and lighting gurus, who helped lift the show to a professional standard. Between them, they were also instrumental in the construction and design of our set.

Lastly, we would like to thank all those who came to see the play.

Without an audience, it's not a show!

Get to know our Op Shop Staff

Rural Care Link's Op Shop is the lifeblood of the organisation. Op Shop sales generate the majority of the funds used to support our other projects. It is entirely run by Volunteers and all goods sold from the shop and on Facebook are donated by the local community.

Our Volunteer Staff are therefore very important to RCL and we want them to know how much they are appreciated. We will endeavour to show off all of our wonderful people over the coming months.

Here's part of the "Motely Crew" who work together on Wednesdays.

Apart from working hard, keeping stock moving, and creating displays, they have a lot of fun. There's always plenty of laughter on Wednesdays!

Bargains!!!

Our \$3 Bag Clothing Sale will continue through until 9th July, so still time to get a bag full of bargains!

Christmas In July sale continues until the end of July, so why not host a lovely winter gathering, with all the trimmings from our Christmas decorations and accessories tables.

We will be having a huge Sale of Bric a Brac later in July. Watch the facebook page for details.

Boots, boots and more boots!!! And Coats!!! Just the right time for coats! Come in and check them all out.

Other Rural Care Link Inc. Projects

Further to our recent AGM, the Committee met for a planning day on 29th May, to identify activities and initiatives for the coming year.

Our ongoing activities are of course the Op Shop, Jindera News, Carers Group and Client Assistance through the RCL office.

Further to these, some of the projects that have been flagged to be repeated this year are the Community Calendar, support to local Schools for disadvantaged kids, and the very popular Community Garage Sale.

An idea that has been tabled for consideration is the possibility of creating a Blue Tree.

The Blue Tree Project was founded by Kendall Whyte in 2019 and the Project's mission is to help spark difficult conversations and encourage people to speak up when battling mental health concerns.

The organisations motto is — by spreading the paint and spreading the message that "it's OK to not be OK", we will help break down the stigma that's still largely attached to mental health.

Take a look at the Website, and you will see that there are already 806 Blue Trees standing tall all around Australia and in the USA www.bluetreeproject.com.au

Other ideas tabled at the Planning day were to investigate providing handyman and garden maintenance support for people needing help in this area and also the possible establishment of a Jindera Men's Shed.

Of course these projects will only come to fruition with the support of community minded people, and RCL invites anyone who may have a particular interest in these activities, or would like to suggest other activities, to reach out to us via our office (contact numbers and business hours under previous heading) to initiate discussions.

The Kindness Boomerang

A helping Hand, A heartfelt smile,
The kindness you give comes back in a while.

Like a boomerang winging through the air,
The people you help send you love and care.

When you show kindness, it's very true:
Others show kindness back to you.

Senseless Vandalism at the Pioneer Park Toilets

The male toilet was spray painted last weekend (19th or 20th June). Two internal walls were defaced and the toilet bowl also sprayed with the red paint. If anyone has information which will lead to the culprit/s who were responsible being identified it would be appreciated. There has been some feedback already.

Please contact the Jindera Hub or Greater Hume Council
Ph: (02) 6036 0100 . *Confidentiality guaranteed.*

Our community wants to remain the safe, friendly place it always has been taking pride in the appearance and maintenance of our public amenities. This park is very well used by visitors and locals alike so let's all take a stand on keeping it in good condition. On other occasions the playground equipment has been misused which is disappointing to younger members who go along to play.

How to recycle the uniform that we no longer wear at STJLS? This has been a part of the Project based learning completed in Year 1 and Year 2. This is a compiled version of their 'How to' guide below. Many more on our school website: <https://www.stjls.nsw.edu.au/> You don't send your child to St Johns? No problem.... This can be adopted for any old uniform you have from any local school ☺

How to recycle your old school uniform.....

Option 1:

RECYCLE THE UNIFORM AT SCHOOL!

If the uniform is damaged or old or has holes you can put it all in a box OR bag and put it in the pod near to Mrs Knight's desk at

school with a processing fee of \$5.

Or you can box it up (in a box no larger than 40x40x50 and no heavier than 22kg)

Both need a with a processing fee of \$5. Money goes to collection, transportation and reformation of the uniform.

Jindera CWA News

Members had a busy month, supporting the **Biggest Morning Tea Cake Stall** and also catering for a CWA Cake stall on Saturday 18th June, big thank you to all who supported us.

Congratulations to Lorraine Morgan, winning the raffle of a decorative pot plant made by Phillip Hanel.

Members attended Angel Flight guest speaker's visit at Albury CWA Branch, it was most interesting to learn that Angel Flight is a door to door service for passengers of all ages needing scheduled treatment in a larger centre at destinations where other forms of transport are physically and emotionally taxing or unaffordable.

Volunteer pilots in aircraft they own or rent, fly Angel Flight missions. They donate their flying skills and most of the expenses of each flight.

Angel Flight is a not for profit charity.

On Sunday, 26th June, several Jindera members joined Murray Group for the Annual CWA Church Service, celebrated at St Matthews Church this year.

Planning is now in progress to organise a Celebration Display of 100 years of CWA in NSW to be held by Jindera Branch at the Jindera Museum in September. President of the Jindera Museum, Mrs, Wehner attended our June meeting to discuss the arrangements.

Our next meeting will be **Wednesday, 6th July.**

JINDERA PUBLIC SCHOOL

Positive Behaviour for Learning (PBL) Acknowledgement Day

Jindera Public School values are the cornerstone of our school and student community and we are always looking for ways to acknowledge our students when they demonstrate these.

Respect, responsibility, resilience and relationships are the values that we base our PBL lessons on and the expectations that we hold for all students at our school.

After our latest PBL meeting, our school data demonstrated a very pleasing trend with a significant increase in our core values evident throughout the whole school.

Murray Conservatorium Visit

Earlier in the month, we were extremely fortunate to have a visit from Mr. Wayne Davies, Curriculum Music Educator with The Albury Murray Music Conservatorium.

During the visit Wayne worked with very class in the school, introducing them to musical concepts and providing opportunities to move, dance and respond in a variety of creative ways.

The children thoroughly enjoyed this experience and we are now working on planning an ongoing semester 2 program, offering weekly music experiences for all children at the school.

Public Speaking

This year, students from year's three to six have had the opportunity to engage in public speaking. The classes have planned, prepared, practiced and finally presented speeches based on two topics and finalists have just been selected to move onto the school public speaking final.

Two students will then be selected to participate in the Lion's Club Junior Public Speaking Competition to be held early in term 3. This is an excellent opportunity for our students and we have been very impressed with the high level of speeches presented thus far.

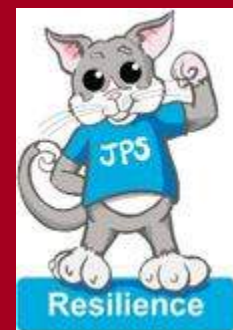

Auslan Visitor

The Dingoes had a visit from Alison, who has been deaf since birth, to teach us Auslan. Alison taught us the Auslan alphabet, numbers in Auslan and lots of different animal signs. Alison also gave us a booklet each to practice at home. The booklet includes songs, the alphabet, school related words and numbers. The students thoroughly enjoyed the experience and were able to appreciate the barriers Alison would face on a daily basis. We hope to have Alison visit again soon.

• PIONEER MUSEUM •

The somewhat dreary weather this month has prevented a lot of outdoor activity at the museum. However, the shed boys are busily constructed some hand pumps and devices that can be operated by visitors to add a 'hands-on' dimension to their visit. These will be rolled out, under supervision, on show days and for those busier times.

This month we have had several schools visit and although not the best weather, groups have enjoyed their time at the museum. Because of the large site, larger school groups are not overly restricted, but it will be wonderful when students are able to settle in to an undercover space which we will see with our new building.

Plans are underway for another Lost Trades Day early in 2023; we hope to make this a big day with many more activities and trades to showcase on the day. This will be a major fund-raiser event for the museum as we look to commence work on the new building.

The building will provide additional space for new activities and allow the Cottage Crafts to be open every day. A large undercover space will provide the museum with a weather proof area for large groups, school groups and somewhere that events can be held, despite the weather. This is a very exciting time as we look to the future development and expansion of the museum.

A new range of stickers has been created for the museum, particularly attractive to children. They are a stylised depiction of 5 items around the museum and one building. The set can be purchased for \$5.

The museum is also now an outlet for the locally roasted Barista's Choice Coffee. We will be serving this in our Tea Room from now so we can support also local business.

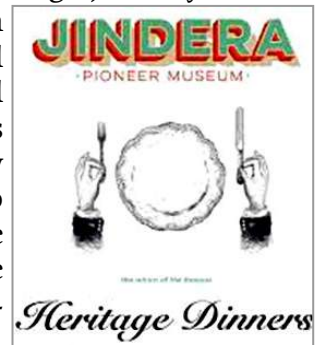

The museum intends to take a bus trip to Shepparton on **20th July** to view **MOVE** (Museum of Vehicle Evolution); this is not just a vehicle museum, it also houses the Leol Thompson Costume Collection and the Furphy and Farrer Collections.

We will also visit Cactus Country, Australia's largest cactus garden that has won several tourism awards recently.

Any local residents interested in joining us on this day trip, please give me a call - 0408 409842

We intend to host our **Heritage Dinners** again at the end of July (**Friday 29th and Saturday 30th**). These have very limited seats (30 per night) as they are held in the large room of the main house. These are a formal affair and your attendee's will dress to suit the occasion as will some of your fellow guests. Feel free to get into the spirit of a large old time dinner event. Tickets will be available the first week of July via Trybooking.

The museum is always in need of additional volunteers, particularly as so many of our retiree's head north to warmer weather. If you have a few spare hours a week, we would love to see you volunteer at the museum. There are lots of things to be involved in within the museum and your assistance will help us keep the museum open 7 days a week. Give me a call or pop in to the museum sometime.

Jindera Community Garden

Winter clean-up is important

How many times have we been caught out with the Winter Garden getting out of CONTROL and it looks messy in Spring ...weather it's the winter blues or thinking nothing much grows in cold climate.

Cleaning up our winter mess does save a lot of time for our early spring planting ... weather its pruning leaves or weeds.

There are many winter vegetables we can plant but its best to plant the vegetables you love and use first.

The cost of Vegetables are Increasing so it's time we start thinking like Grandma did ...

Plant ... Plant and Cook ...
... Cook more meals at home by using your vegetables as well as using them for cakes and biscuits ...search for recipes ... it's amazing how you can use them or freeze what you cook.

I'm sure winter lettuce will be one of your choices with is hard to find up north where the floods were. Don't waste anything that will cost you money... add your vegie scraps back to your garden it will improve your soil and think about your worms who will enjoy.

**Fixing the old and broken, designing

The wet and cold weather hasn't dampened the enthusiasm of golfers, with good numbers at all competitions braving the elements to date.

"Monthly Medal" winners to date include:

March – David Gray, **April** – Rhett Prescott,

May – Robin (Strop) Weldon, **June** – Greg Preston.

The **July** Monthly Medal and 4th round of the club championships will be held 3rd July.

AND ... don't forget, we are now running a "9 Hole" comp in conjunction with the normal 18 hole Sunday comp for those who only wish to play 9 holes – handicap is not required and scores will go towards getting a handicap. Tee times follow the usual Sunday comp.

Friday Chook Run is still running, although tee time is now 3.00/3.15 in order to beat the dark. You can also

play earlier in the week if you wish, just find a partner, play your round and place card and \$5.00 under the door.

In the meantime, current comps are as follows :-

- **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, Tee-Off Currently 3.00/3.15, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership

As mentioned previously, the number of social golfers using our course – and paying Green Fees - seems to be growing every week, which is great for the golf club and the community.

Season 2022 membership renewals have been sent out, with GST added to the cost of memberships this year, bringing the cost of adult memberships to \$110.00 (inclgd GST) and \$33.00 (inclgd GST) for juniors. Please support your community golf club and renew your membership via the payment details on the invoice.
