SHIRE WIDE SHIRE BOUNDARY AND TOWN ENTRY SIGNS - BEING ROLLED OUT

Greater Hume Council is rolling out new Shire boundary and town entry signage for all towns and villages in the Greater Hume region. Having a consistent shire wide sign Council is wanting to create an awareness for the *Greater Hume* regional brand.

Over the next month entrance signs in Greater Hume will be progressively replaced by the new signs. The main photos show the new Jindera Town entry sign on Adams Street and Dights Forest Road and is the type of sign that will be used on secondary roads leading into town. These new signs are a welcome replacement to the existing town entry signs. It is understood that the new main entry signs will not display the population figures.

The insert is a recent photograph of an existing town entry sign showing the poor condition of the sign.

Rural Care Link - AGM 16th May

The Rural Care Link AGM was held on May 16th at the Lutheran Church with about twenty people attending.

The president's report contained information as to how the organisation has continued to emerge from the Covid 19 situation.

The community newsletter continues to go from strength to strength, the Op shop has undergone some refurbishment and has begun operating as normal, the carers group is also functioning well, and the office has started opening throughout the week.

Throughout the year Rural Care Link has supported a number of people in the community who have faced hardship, began offering counselling services again, raised money for cancer research, helped oversee the Jindera Garage sale, and been a key participant in Senior's week activities.

The President also thanked the many volunteers who run the Op shop and the outgoing committee members: Elaine Maling, Kathleen Carman, and Mark Ridgway for all their good work.

The following people were elected to the new committee:

Jonathon Howard (President), Doug Henderson (Vice President), Jenny O'Neill (Secretary), Michelle Grenness (Treasurer), Colleen Lord, Greg Finster, Karen Tolsher, Bjelkie Lansdown and Deb Devonport. Our first committee meeting will be in June

Op Shop

Did you know that we get comments all the time about how good our little Op Shop is?

Well, we do! And it is!

We get a large turnover of really good quality stock. We often get brand names and collectables.

And we are able to help people in need in our community with the profits that we make from our busy little shop.

But.....we NEED MORE VOLUNTEERS to help us to run this very worthwhile venture.

Please think about how fulfilling it would be to be able to help others in need in this way.

Also, think about meeting and working with other wonderful Volunteers as well.

Please contact us and give it a go. Men and Women of any age (over 16 years) will be warmly welcomed to join our fantastic team, which is well managed and supported by a great Committee.

OP SHOP News

Winter is here and the Jindera Op Shop is ready.

The Shop now has lots of clothing for men, including shirts, pants, (especially jeans), and great jackets for casual wear.

The shop also has a large range of women's clothing including lovely cardigans, jumpers, slacks, and much more.

Now, the volunteers haven't forgotten the children. There are rows of lovely baby's clothes and clothing for children of all ages - clothing that will give you lots of choices for dressing your little ones over this chilly time.

There are many more things in the shop to look at other than clothes. Blankets, sheets, doonas and covers, saucepans, crockery, etc., along with some beautiful ornaments that we all like admiring and buying.

The Shop has had lots of donations coming in, not only from the generous local community, but also from as far away as Queensland. A large donation of goods came from over the border which saw us receive a saddle, beautiful material, paintings, and much more. These extra donations have helped us make some extra dollars to put back into the community which has included food packs.

So winter can be a good time to browse and take time out to go shopping. The volunteers invite you into their little shop with open arms, and look forward to brightening your winter days by adding some sunshine.

THANK YOU

Thanks to everyone who supported the Rural Care Link cake stall held a few weeks ago for the Cancer Council Biggest morning Tea fundraiser.

This includes the cooks, those who bought the baked goodies or made a monetary donation.

An awesome sum of \$856.50 was raised for this worthy cause.

Jindera CWA News

Congratulations to our Secretary, Olivia Hanel and Murray Group President, Lyn Buck who presented the motion *“That the policy of CWA of NSW be to oppose large-scale solar plants on prime agricultural land to protect food and fibre productivity” at the CWA Conference in Bega in May. The motion was adopted and CWA – NSW will call on the State Government for stronger regulation around large scale Solar farms placement.*

Other issues passed at the Conference were Medical Research – Ovarian Cancer and our Country of Study for 21/22 Malaysia.

At the May meeting our guest was Group International Officer, Elaine Strong and Jindera International Officer, Chris McIntyre organised a luncheon to celebrate the previous Country of Study, Ecuador.

Our meeting room was decorated in bright colours, our lunch was Ecuadorian inspired food, soup and fruits, and our dessert was a big surprise for birthday girls, Mary Fielder, Denice Murphy and Joy Southcombe. Members were asked to wear a panama hat, which originated in Ecuador, where it is still hand woven today by the local people.

Guest speaker, Helen Glachan, who had visited this country displayed embroidered clothing, buttons made from seeds, which were greatly prized before plastics were invented, and jewellery, made from local seeds and shells.

CWA church service will be held at St. Pauls church Jindera, on Sunday 30th May, at 10.30a.m. Luncheon to follow at the Jindera Museum.

Our next meeting will be held in the Community Centre, on June 2nd at 10a.m. New members most welcome!

Yours in CWA friendship.

Bev. Blair.

President.

FINAL WORDS

A farewell note from Greg Finster - Editor, Jindera News

After a combined involvement of eleven years this is my last edition of the Jindera News.

I have had a great time being involved with the production of Jindera's local newsletter and it would not be where it is today without the input from you, our loyal readers, and advertisers. Thankyou.

The Jindera News email address will remain as is, so apart from a change of editor you may not, initially, notice any other changes.

I'm confident that you will support the new production team in the same way that you have supported me in this role.

Every Child Is A Star!

Greater Hume
**Children
Services**

This month we celebrated National Family Day Care Week at the Jindera Hub. This is a special opportunity for us to celebrate everything that is wonderful about Family Day Care. It is a time for us to recognise the important role family day care educators and services play in the development and wellbeing of more than 107,000 children across Australia.

Each year we acknowledge the uniqueness of every child in our family day care services ... “every child is a star’ is a theme we use to remind us that every child is remarkable in their own individual way. This year we also wanted to highlight the importance of community. Our children decorated stars and placed them on our tree to symbolise a sense of belonging to their family day care community.

Family Day Care is a unique service, and we are extremely proud of the contribution each one of our educators makes every single day to the education and care of the children in their service. Small groups mean more opportunities to build strong relationships and make real connections with families.

This was a time to come together as a service, knowing that we are a part of something much bigger...a nation-wide community dedicated to providing children with the best possible opportunities to succeed, to shine brightly and be the star they are meant to be.

A SMEAR IN TIME for BOWEL CANCER

Bowel cancer is the second most common cancer world-wide after breast cancer and the second highest cause of cancer deaths in Australia after lung cancer.

Ninety percent (90%) of bowel cancers can be cured if detected early. Rotary Bowelscan kits can be picked up now at the Holbrook, Henty, Culcairn, Walla Walla, and **Jindera Pharmacies** during the months of May and June. The cost of \$20 covers pathology and communication letters.

The Rotary Bowelscan program is a screening program designed to detect traces of blood in bowel motions at the time of sampling, particularly blood not visible to the naked eye. Positive results require further examination to determine the actual cause which may or may not be cancer related. A further examination with your GP will determine this.

Annual screening is recommended especially for people over the age of 40 years plus and any age if there is a family history.

There have been some cases where a positive result occurred after a negative result the year before with a further examination revealing cancer requiring immediate intervention.

In Australia bowel cancer affects 1 in 18 males and 1 in 26 females.

Rotary Bowelscan has a return rate of 80 percent due largely to participants making the decision to participate, and 50 percent of participants are from the 50-74 age group.

The Rotary Club of Holbrook has organised Bowelscan kits to be distributed to pharmacies throughout Greater Hume Shire as a community service to our residents in the shire.

Becoming a Councillor

Councillors - ordinary people with an extraordinary passion for their community

On Saturday, 4 September 2021, Greater Hume Council will conduct councillor elections to elect nine councillors to serve for a three year term.

A constitutional referendum will also be held for electors to consider whether the Council area should continue to be divided into wards.

Why stand?

If you care about what happens in your community, want to improve services, make the roads safer or support local businesses, consider becoming a councillor.

By standing for council, you'll have opportunities to:

- help your community
- improve infrastructure
- improve planning and amenities
- build engaged communities.

Being a councillor provides an opportunity to represent your community's views on vital decisions that affect people's daily lives. It is also an opportunity to develop new skills and work with a diverse range of people.

Councillors serve their communities by listening to people in the local area and then representing those views on council.

What's it take?

To stand for council, you'll need:

- passion, commitment and time
- an interest in your community
- an interest in local government
- to be prepared to learn and be accountable
- being able to talk to people in your community and take account of different views when making decisions
- time management and organisational skills
- problem solving skills
- teamwork skills.

You need to be able to commit time to reading council business papers, attending meetings and representing council at some events. The time you need for this will vary across the year, but it may be 5 to 10 hours each week.

What you will need to know

If you're thinking about standing for council, you need to know about:

- responsibilities of councillors
- conduct and behaviour
- where to get help.

Candidate information sessions

Potential candidates for Greater Hume Council are invited to attend the information sessions at Albury.

In Person - 10 June 2021 at 6pm, Albury City administration building, 553 Kiewa Street Albury

Online - 13 July 2021 at 6.30pm (registered participants will be provided with a Zoom link)

To register:

<https://www.alburycity.nsw.gov.au/forms/candidate-information-sessions>

What support will you receive?

Once elected, you will receive council-based training and other support to help you understand and be successful in the role.

Greater Hume Council meets expenses and provide tools to help councillors carry out their role. Council also provides support to help councillors who have young family members, a disability or other special needs.

To recognise what councillors do for their community, they receive an annual fee from the council (paid monthly). The annual fee paid to a councillor is \$12,400 per annum. The fee is counted as income for tax purposes.

How do you stand for election?

To be eligible to stand for election you must:

- be at least 18 years of age and an Australian citizen
- live or own property in Greater Hume Council area
- be on the electoral roll
- not be disqualified from standing from office, e.g. if you have committed certain offences.

A proposal nominating you as a candidate then needs to be submitted by:

- at least two eligible people enrolled for the same ward or area you are being nominated for, or
- a registered officer of a registered political party.

You must complete some forms and officially lodge them between Monday, 26 July 2021 and 12 noon on 4 August 2021.

Information for Candidates

Candidates and groups must register with the NSW Electoral Commission (NSWEC) before accepting political donations or incurring expenditure for an election.

All candidates and groups must appoint an official agent at the time of registration and notify the NSWEC of the agent's appointment.

Registering for an election is a separate process from being nominated as a candidate for an election.

The Electoral Commission NSW provides advice about becoming a candidate and registering to vote in the election.

<https://www.elections.nsw.gov.au/Political-participants/Candidates-and-groups/Candidate-nominations-for-local-elections/Six-steps-to-being-a-candidate>

Plus you might want to have a talk to a past councillor of Greater Hume Council

If you are thinking of standing as a candidate, you might like to have a confidential talk to a retired councillor of Greater Hume Council.

The following councillors have agreed to support potential candidates who might have questions prior to deciding to stand.

Wellbeing Support Service

Life can create hurdles that we find hard to overcome. While dealing with adversity might be an inevitable part of life, difficulties or misfortunes don't have to be managed on your own. Sometimes, a little help can go a long way.

Jindera Rural CareLink is working in partnership with Social Worker, **Bryony Cooke**, who is able to offer a guiding hand, a listening ear, a warm heart, and confidential counselling service to those in need. Bryony has expertise in many areas to do with a person's wellbeing and is able to provide support and guidance so that they can successfully move on with their life. Bryony has been involved with many areas of a community including currently being a volunteer for Coast Guard at Bonegilla.

Bookings can only be made by phoning Bryony on a Thursday between 12 noon and 5 pm on 0400 654 916

Stronger Country Communities Fund Round 4 Funding Opportunities for Greater Hume

The NSW Government has announced a fourth round of Stronger Country Communities Fund (SCCF). Greater Hume Council has been advised the allocation will be \$813,249, funding applications must seek a minimum of \$50,000.

Round 4 of the SCCF is now open to all eligible applicants. The objectives of the fund are to boost the liveability of communities in regional areas by providing new or upgraded social and sporting infrastructure or community programs that have strong local support and to deliver enhanced infrastructure and programs that remove barriers to female participation in sport across regional NSW.

"I am excited about the funding opportunities our community and sporting groups will receive through the Round 4 allocation of NSW Government's Stronger Country Communities Fund and urge all groups and organisations to consider submitting an application", said Mayor Cr Heather Wilton.

Mayor, Cr Heather Wilton said, 'female participation in sport and community liveability are the focus for this round of SCCF funding, I urge all community and sporting organisations to consider projects or programs which would be of benefit to the Greater Hume community'.

Key Dates are: 1 May 2021 - Applications open

Friday 25 June 2021 at 12 pm - Applications close

28 June 2021 - 20 August 2021 - Assessment and approval process by NSW Government

From September 2021 - Announcement of successful projects by NSW Government

Information on the Stronger Country Communities Fund Round Four can be downloaded from either Greater Hume Council website, Grants and Funding (<https://bit.ly/3tAoAcq>).

For more information please contact Kerrie Wise, 02 6036 0186 at Council's Holbrook Office or email mail@greaterhume.nsw.gov.au.

YEAR 5/6 CAMP IN BALLARAT

Our Year 5/6 students had a blast at their camp in Ballarat recently. They went panning for gold and visited some interesting historical sights. Even though their trip was cut short due to COVID, they had a wonderful time together.

RAS CROSS COUNTRY

Some of our students qualified for the RAS Cross Country held at the Jindera Golf Course recently. They did an excellent job representing St John's and new PBs were achieved.

Congratulations to Levi, Maddison, Priya and Tully who were placed to compete in the CIS Cross Country in Sydney, coming up later in the term. Well done to all!

STAFF INVESTING IN THEIR LEARNING

St John's invests heavily in staff professional development that contributes to a collective understanding and commitment towards growth in our students.

Staff are committed to deepening their learning and understanding of excellence in education.

Recently, Ben Arber from AIS NSW visited and led staff through an assessment PD session using data collection to positively impact learning for students.

Jindera Country Golf Club INC.

The weather continues to be kind to us in terms of providing the ideal environment for growing grass, with the course in tiptop condition thanks to our dedicated and hardworking grounds committee.

Our trustee fairway mower however is not travelling all that well and ... has died. This has left us in a bit of a dilemma, having to scramble to raise funds for a replacement – a new Kubota 72” cut diesel mower has now been ordered, at a cost of around \$23,000.00 (*ouch! I hear you say*).

Fortunately, we have been successful in securing a grant of \$10,000.00 from “Golf NSW” and are also currently running a raffle to help cover the balance.

Tickets \$5.00 each - 1st prize \$500.00 IGA vouchers, 2nd \$250.00 butcher, 3rd \$100.00 vet clinic.

Draw late June, tickets are available at most businesses in Jindera, and all support is greatly appreciated.

Junior Golf

Jindera golf club hosted a round of the Golf NSW “Juniors On The Move” tournament on Sunday 16th May. This is a great initiative organised by Cade Webb of Golf NSW and the Murray Districts Golf Association (MDGA).

There were around 20 juniors from the district competing at various levels and a great day was had by all.

Congratulations to our own Bonnie McMillan for taking out the girls longest drive.

Cameron Odewahn (Accredited Coach) ran a coaching clinic for around 12 local kids leading up to the event and we are hopeful of providing more clinics further down the track.

Happy golfing ...

... get a friend or take the family along and enjoy the Jindera Golf Course

JINDERA ANGLERS CLUB Inc.

Last month's comp was an open comp with members fishing from Jindabyne, Lake Hume, the Murray, the Billabong and the Edwards River.

The winner of the biggest fish was evergreen Laz with a nice Murray cod 700, narrowly beating Wayne who had a 650 cod, best bag of fish went to Jason (stonker) Boyd with a great bag of redfin of 5970, biggest redfin went 40cm, best junior fisher was Aiden Shannon with a redfin 27cm just beating Josh Bradbury with a 26cm redfin.

Several fishers managed to achieve the ultimate goal of release prior to catch and took home the coveted donut award for the comp.

Squeaky and John looked great but won the coveted/dreaded donut award

Brent had a nice 40cm redfin, Shane 32cm redfin.

New improved Club bragmats are now available for sale from the club, these will be the weighmasters bible for weigh-ins/measure-ins.

Make sure your boat has one!!

Members are also advised that we have several motions to present at AGM for changes to Constitution. See noticeboard for the full details.

Motion 1.

Shane proposes that trout/salmon can be catch and release during comps, with a maximum of 5 trout per comp (compliant with fisheries current regulations)

Motion 2.

Wade proposes That senior members winning perpetual trophies don't receive small physical trophies at Annual Presentation (juniors remain the as is, all juniors/midgets receive personal trophies)

Motion 3.

Wade proposes SWAA Comps be set in clubs fishing calendar as bonus rounds and fishers receive attendance points plus points for fish caught and presented at these events.

Motion 4.

Brian proposed donuts be awarded for unsuccessful fishers in comps and if fishers that fail to attend weigh-in and have fished receive 2 donut points for donut of year award.

Next fishing comp will be an open comp held on the last weekend in June on 25th, 26th and 27th June commencing at 4pm with weigh-in at the clubhouse on Sunday at 4pm.

Next general meeting will be held on Friday, 11th June at 5.30pm.
