AUSKICK IS THRIVING IN JINDERERA!

The noise of happy, active kids can again be heard coming from Jindera's Footy oval every Friday evening. Auskick is up and running again this year and the kids are loving it.

Auskick is a fun program for kids for 5 to 12 year old's. During weekly sessions, our kids not only practice footy skills but learn about cooperation, team work and gain self-confidence. It's not just the kids who get to participate. The parents and carers who are volunteering each week are benefiting from being actively involved.

Last year, Jindera Auskick, was recognised as the one of the fastest growing centres with the highest female participation in NSW. This year registrations have again increased from 120 to 140 Auskickers. Wow.... Where have all the kids come from? With thanks to our sponsors, Sancon Civil, Red Airconditioning, Redi2hire, Taylor Your Body and Sportspower we were able to purchase more playing jumpers and the equipment necessary to cater for so many kids.

We have five groups lead by our dedicated coaches to ensure that every child gets a go. With kids grouped by ability level, they practice their skills and finish the session by playing a mini AFL game. At the end of the night, lucky kids receive encouragement awards, then its sausage sizzle time before heading home.

Whenever possible during the home and away season, we organise fun games to play against other Hume League Auskick teams. Sometimes its first thing in the

morning or else they show off their skills at halftime of the senior's game, where they can play in front of a big crowd and cheer on the Bulldogs.

This year, planning is underway to organise a trip for our Auskickers to the MCG to watch an AFL match. Jindera Auskick is hosting a **Comedy Night/ Auction fundraiser** on the 9th of July at **Thurgoona Golf Club**.

The very funny Bev Killick is headlining, supported by all stars Evan Hocking and Jarryd Goundrey - 2 hours of comedy with auctions in between. Anyone over 18 can attend. Bookings are essential and can be made through Eventbrite. Search "Jindera Auskick" directly from the Eventbrite website or find the link from our Jindera Auskick Facebook page. If you and your friends would like to share a table of 8, message us via Facebook or by email: auskickjindera@gmail.com. We'd love you to get on board and support us. It will be a very entertaining night.

All money raised will subsidise the kids' trip.

It's very encouraging to see so many kids around Jindera wearing bulldogs footy jumpers. It shows great community support for footy in Jindera and promising years ahead.

FoodShare

Rural Care Link is now an agency for Albury Wodonga Regional FoodShare and can access their Community Pantry Vouchers, for people in need.

FoodShare's Community Pantry program was developed in response to the evolving impacts of COVID-19 to support people in the community experiencing financial hardship.

This program offers a choice between collecting a food hamper, which is packed by their volunteers, or visiting the FoodShare Shop, located in Wodonga, to individually select from their range of grocery items. These services are accessible by purchasing a FoodShare voucher, which provides excellent value for people in need.

Depending on availability, the shop and hampers contain food staples such as fresh fruit and vegetables, long life milk, fresh and frozen protein as well as non-perishable food such as cereal, muesli bars and canned food. Frozen prepared meals and some household items are also available as well as dog and cat food for pet owners.

Pet Owners

Thanks to the wonderful support of the Albury Volunteer Branch of RSPCA NSW, Rural Care Link is able to offer community pet owners in need with vital help for their pets.

RSPCA NSW believes that pets and people belong together and knows that pets bring incredible comfort and companionship, particularly during times of distress or hardship.

That's why they offer several Community Programs, providing support for elderly pet owners, as well as those experiencing domestic violence or homelessness.

The type of help available includes:-

Arranging temporary accommodation or foster care; Providing veterinary treatments; Providing transport for pets; Assisting with pet grooming; Providing safe emergency accommodation for pets; Offering veterinary services; Providing pets with access to flea and worming treatments; and supplying access to pet food and basic supplies.

If you are experiencing hardship, Rural Care Link will be here to help you and your family and your pets.

Carers Support Group

Last Month's Activities

Members of the Rural Care Link Carers Group took a surprise trip to Walla Walla in May.

Jindera Carers met up with a Henty Carer at the Thistle Café in Walla for a lovely Morning Tea, courtesy of Rural Care Link.

The chance to be out in our beautiful countryside was very much enjoyed. We looked in amazement at the artwork on the Water Tower in the township, browsed through the Walla Wares Shop while enjoying each other's company.

As one Carer responded afterwards... "The lovely day at Walla really lifted my spirits. I Didn't think I needed it but obviously did."

Peer Support and caring for yourself is so important when you are in a Caring Role.

If you care for someone....please reach out!

**The next Carer Group will meet on
Tuesday 14th June in the
Lutheran Church Hall, Adams St Jindera.**

The topic will be "Dealing with Stress" which is the first Module of The Carer Gateway - Carer Courses.

Over the next 6 weeks we will cover all six topics.

Time : 10am - 12 noon.

We invite anyone from the Hume Shire Community who is in a Caring Role to attend . If you know someone who you feel would benefit from attending, please pass this information on to them.

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

Please join us for support, information, a friendly chat and Morning Tea.

Hours

10am to 4pm Tuesday to Friday and 10am to 1pm Saturday. Closed for lunch from 1pm to 1.45pm weekdays.

Wanted

New Volunteers are always welcome, as we run a very busy little enterprise. If you can spare some time and would like to be involved in helping the local community and be part of a friendly and caring team of Op Shop Staff, then please call the Rural Care Link **Office on 02 6026 3001** and make an appointment to see our Op Shop Co-ordinator, Colleen Lord.

Bargains!!!

The first 2 weeks of June we will be having a 1/2 price **sale on shoes and Jeans**. We have some really good quality items in store, so come on in and grab some bargains!

The Children's Book sale has been a huge success with piles of books walking out the door!

We still have plenty of books in stock, so we will be continuing this sale into June—6 books for 50 cents or 1/2 marked price. Why not bring the kids down and let them choose from the wonderful titles we have available.

Leading up to July, we will be presenting a range of Christmas decorations and accessories. So if you are a family that likes to celebrate Christmas In July, then we will have all the trimmings for your home and table.

FREE Suicide prevention Workshop

Break the Stigma Around Mental Health, Suicide and Asking for Help

Would you know how to tell if someone you love was thinking of suicide?

In Australia we lose 9 lives to suicide each day. Studies show that between 80-85% of Australians will be touched by suicide at least once in their lifetime. Suicide is also the leading cause of death for individuals aged between 15 and 44 years of age. Does that shock you?

C. Jones Training is a business dedicated to breaking down the stigma around mental health, suicide and asking for help. Based in Holbrook NSW, our plan is to educate the greater community around suicide to ensure we have the tools to assist those we love who may be struggling.

Break the Stigma (Delivery of CALM Care) is a ½ day suicide awareness/prevention workshop that educates the community on how to respond to suicide risks in loved ones.

Participants learn;

- ◆ The facts and Myths around suicide
- ◆ How to spot when a person may be thinking of suicide
- ◆ How to ask about suicide
- ◆ And how to access services to assist the individual
- ◆ And so much more.

Upcoming workshops for Break the Stigma:

Culcairn - Saturday June 25th 2022 (25 Spots available)

Jindera - Saturday July 9th 2022 (25 spots available)

More dates coming to Greater Hume Shire towns soon

JINDERA PUBLIC SCHOOL

School Mini Athletics Carnival

We recently completed the school's mini athletics carnival for students to practice and compete in events leading up to our school athletics carnival held at Les O'Brien Sports Precinct later in the term. This annual event allows the school to select finalists for shot put, discus, long jump and high jump and, as expected, the students participated with high levels of enjoyment and competitive enthusiasm. With the weather holding out for the day, we were just able to complete our last events before the rain, once again, settled in.

Walk Safely to School Day

On Friday May 20, the students from Jindera Public School were given the opportunity to participate in the Walk Safely to School event. This day is organised to raise awareness and promote physical activity and to provide students and families with a starting point to increasing physical activity and promote healthy lifestyle choices. Thanks to our families, staff and bus companies for supporting this event and assisting to make the walk another success.

Do it for Dolly Day

Our school Student Representative Council met recently and decided to support Do it for Dolly Day. This is now an annual event, coordinated to help raise awareness, and dedicated to bringing the community together, spreading kindness and uniting in taking a stand against bullying. This year, our school wore blue to support this day and raise money to help support this very important cause.

School Athletics Carnival

Midway through term 2, the primary aged students from the school travelled to Les O'Brien Athletics Precinct to participate in the school's main athletics carnival. Students engaged in running and field events with many children pushing themselves to participate in most of the events. This day has also allowed us to select our school team to participate in the upcoming Southern Riverina Athletics Carnival to be held later in the year.

Congratulations!

Well done Danny Mitchell, who recently took part in the Southern Riverina Cross Country as part of the Jindera Public School team. Danny has been successful in reaching the next level and will soon take part in the Riverina Cross Country to be held in Gundagai later this term.

Eight members of Murray Group attended the 100 year CWA of NSW Conference at Randwick Racecourse in Sydney.

The Conference was opened by Honourable Margaret Beazley, Governor of New South Wales. Key-note speakers were Layne Beachley, seven times World Surfboard Champion and Commissioner Shane Fitzsimmons, Australian Fire Commissioner and Head of Resilience NSW.

The Randwick Racecourse venue was very adequate and fitting for the Conference, with all exhibits bring held under one roof.

Stephanie Stanhope, the outgoing State President, presented a donation for \$21,000 for research into Ovarian Cancer.

The new State positions are: President – Joy Beames. Secretary – Pam Wright, Treasurer – Sharon Buck. Vice Presidents – Ann Adams and Bronwyn Dunstan.

Congratulations to Albury Evening Branch receiving a Highly Commended Award for service in their area.

Well know Jindera local on the mend!

One of Jindera's senior citizen, Mrs. Mary Fielder who celebrated her 97th birthday in May, suffered a fall which badly damaged her hip.

She is now convalescing in Wodonga and is on the mend.

CWA members sent her some get well flowers and our very best wishes for a speedy recovery.

Year 5 and 6 leadership teams. We have groups of students who want to lead across our community. Some choose to lead students and some lead behind the scenes. Here is one such group getting meals prepared (with the help of an amazing parent) for those who require or are in need in our community. They are then distributed as and when.

These students prepared, cooked and baked some delicious meals. The collaboration that took place grew as they worked on their communication through the time together and they had to show grit and determination in peeling, stirring and not eating! We are proud of you and grateful you are showing empathy across our community.

Project based learning.

This is in full swing across K-6 giving authentic experiences to equip our students to problem solve into the future.

Across Year 1 and 2 they have continued exploring possible solutions to solve the problem of what to do with the old school uniform as part of our wider inquiry into how to take care of the environment and inspire others to help us. We have had the pleasure of welcoming some special visitors to our classroom over the past two weeks to talk about their ideas for the uniform. Thank you so much to all those who dropped in, emailed and sent letters with such fabulous ideas!

Year 1 and 2 had visits from Tracey who said the uniform could be made into bears, Carmel and Toni (Parents) who shared that our old (good quality like new) uniform can be used by other children in Vietnam. Now they will be working hard preparing to share their solutions with the school community, so watch this space!

The Kinders have been doing a History focus with the PBL called 'All About Me'.

They have been finding out all about themselves and their families. Looking at where they were born, where their families are from, where their name came from and the stories that special objects and photos can tell about a person. Pictures showing our first excursion down to the Jindera Pioneer Museum to look at other people's special objects and photos and saw what stories they tell about someone's life and about what the past was like. It was lots of fun!

Volunteering at STJLS and connecting with families.

It was fantastic to have our Kindergarten class lead our Mother's Day Chapel a few weeks ago. It was also so good to have families engaging and connected with our staff and classrooms. I strongly encourage parents or members of the community to volunteer to help out in our school whenever you are available. All volunteers require a Working with Children Check and to complete our Valuing Safe Communities online training module. Please contact the front office for further information.

Campfire Night at the Jindera Museum gets toes tapping and hands clapping!

The Jindera Pioneer Museum held another successful event in their Campfire Night which was held on the grounds last Saturday May 14.

The crowd were well entertained by the great music of the Swag and Bush Band and whirled and stomped around under the corrugated iron roof of the old carts and wagons shed at the rear of the attraction.

“The museum has held a campfire night for several years now, except in 2020 with Covid restrictions,” said museum president Margie Wehner.

“These sort of nights aren’t possible without all of our wonderful volunteers and the people behind the scenes and the success of this event is a credit to them.”

“In past years, patrons have been enthralled by a mighty bonfire as well as the great music and hearty camp-oven cooking and spit roast lamb, however this year, with all the rain, the bonfire wouldn’t light.”

“Thankfully the rain for this event was only minimal throughout the day and on the night, so the spit still managed to cook and the camp-ovens produced fabulously tasty and aromatic food that was enjoyed by all attending.”

During the event at this world class museum, small campfires burnt in tubs around the site, many keeping the camp-ovens hot until eating time arrived.

Damper accompanied this great feast and billy tea was on hand for anyone interested although organisers can report most preferred a drink of a different colour and temperature!

“Everyone loved the music from this interesting collection of musicians and singers,” said Margie.

“Each year the band is pledged to consist of four players and each year eight have turned up, playing a wide variety of instruments throughout the night accompanied by good voices and harmonies.”

Those attending couldn’t help but tap and clap along and, when the music blew the nerves away, dancing was the flavour of night, surrounded by the magic of yesteryear with historic agricultural machinery the dusty backdrop.

“There was even some dance calling and intertwining of folk through old twists and moves and all agreed, in general, a very good time.”

The weather was mild for May, one bonus of the cloud cover from the wet days before, but this didn’t dampen the spirit of those attending this fun filled night in a beautiful location dedicated to Jindera’s early foundations.

JINDERERA

• PIONEER MUSEUM •

We have seen our first coach group return to visit the museum in over two years. This was a tour passing through the district on their way from Sydney to Melbourne, so we were pleased to be able to engage them during a stop-over in Jindera. We have also seen some larger school groups return this term, having only had small class groups from St Mary McKillop College in past months.

Although the recent nights have a distinct winter quality, we are still getting some gloriously warm autumn days and this has been very conducive for visitors to take their cuppa and Devonshire Tea into the museum garden on a Sunday.

The **Tea Room** seems to be the highlight of Jindera on a Sunday with many visitors stopping over on their way here or there or coming specifically to indulge in the great home cooked delights the Tea Room has to offer. Despite their being no espresso machine, the coffee is also pretty good.

Mother's Day was again a popular day for the Tea Rooms, with our largest number of people attending for lunch or just coffee and cake or Devonshire Tea. There was no rain and people could sit in the garden or on the veranda and watch the world go by.

A new seat is to be installed around the large oak tree behind the main residence and compacting and paving will enhance this area. A new garden bed has already been created and, in time, this will add some beauty to this new area.

The **Campfire Night** was the highlight of this month with our largest crowd at this event, all snug in the horse-drawn and agricultural machinery space, a perfect setting for a bush-band and camp-oven cooking. See the article featuring this event on page 16 of this Jindera News.

The All-abilities toilet is well on the way to completion, with internal fittings, power connections and outside concreting the last of the requirements to be completed. We should see this project operational by the end of this month.

Several larger maintenance jobs need attention and ways to bring the Glenellen school to the site are being considered.

There are always things to be done around the site; the buildings are old and the materials are often failing, there are also always new and different concepts for displays being considered and new items coming into the collection. The museum is an interesting and evolving environment to get involved in, come and join us.

Jindera Blokes Walk

Thank you to everyone that supported our 1st ever Jindera Blokes Walk (JBW) raffle in particular Cade, Renae & Heather from **Conway Printing** for donating the tickets.

Special thanks to both **Next Level Cafe** and **Jindera IGA** for their ongoing support of JBW. The draw was completed with JBW members Stax, John and Mick drawing the 3 lucky tickets from the 200 sold. All proceeds from this raffle go back into the JBW group and help with our mission to promote Physical and Mental fitness in local blokes through social connection.

The winners are -

3rd prize: Glen Campbell \$50 voucher Next Level Cafe
2nd prize: Archie Henderson \$100 voucher Jindera IGA

1st prize: Glen Campbell \$500 goods/services to a Jindera owned or operated business.

Congratulations to the winners. Following Glen's win he chose to treat himself to a couple of new tyres on his ute. It was a great feeling dropping into Jindera Tyre Service and handing over \$500 to Brad as a result of the Jindera Blokes Walk raffle and supporting local business in our great town .

Greater Hume Council appoints new General Manager for five year term

Evelyn Arnold

With the impending retirement of Council's long serving General Manager, Steven Pinnuck, following an extensive recruitment process Council has appointed Evelyn Arnold to the position for a five year term.

Mayor, Cr Tony Quinn said that whilst Greater Hume Council will be Evelyn's first appointment to a General Manager/CEO role, Evelyn has significant senior management experience in Local Government in Western Australia and most recently as Director Community and Corporate Services at the Shire of Southern Grampians in western Victoria.

Cr Quinn said that Evelyn beat a very strong field of applicants for the position and is the right person to take the Council forward and capitalise on the significant growth opportunities for the Greater Hume area.

We are delighted to be welcoming Evelyn to Greater Hume Council and are confident in her ability to deliver on Council's ambitious Council growth plans and community expectations."

Ms Arnold expressed her delight at having the privilege to lead Greater Hume Council in this next exciting chapter. "It is an honour to accept this appointment and I very much look forward to working with the organisation, the Councillors and the community".

Evelyn Arnold will take up residence in Holbrook in early July and commence with Greater Hume Council on Monday 11 July. Council's Director Corporate and Community Services, David Smith will Act as General Manager from 2 July 2022 until Evelyn Arnold's commencement.

You will save stacks of money when you shop locally in Jindera.

The 2022 season is well underway, together with the cooler weather, although we have been blessed so far with some beautiful sunny days for playing golf. We have played two rounds in the club championships so far, with the third scheduled for Sunday 5th June.

With winter “officially” arriving shortly, Sunday 5th June will see the Sunday comp tee time changing to 11:30/12:00 until September.

AND don't forget, we are now running a “9 Hole” comp in conjunction with the normal 18 hole Sunday comp for those who only wish to play 9 holes – handicap is not required and scores will go towards getting a handicap. Tee times follow the usual Sunday comp.

Friday Chook Run is still running, although with earlier tee-off of 3.00/4.00 pm. You can also play earlier in the week if you wish, just find a partner, play your round and place card and \$5.00 under the door.

In the meantime, current comps are as follows: -

- **Sunday** – Men's 18/9 holes, event according to calendar on website Tee-off 8.30/9.00. (11.00/12.00 from June)
- **Wednesday** – VETS 9 Holes, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday** – Chook Run – 9 Holes, Open to all, Tee-Off Currently 3.00/4.00, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership - As mentioned previously, the number of social golfers using our course – and paying Green Fees - seems to be growing every week, which is great for the golf club and the community.

Season 2022 membership renewals have been sent out, with GST added to the cost of memberships this year, bringing the cost of adult memberships to \$110.00 (inclgd GST) and \$33.00 (inclgd GST) for juniors.

Please support your community golf club and renew your membership via the payment details on the invoice.

*Happy golfing ...
... get a friend or take the family along
and enjoy the Jindera Golf Course!*

JINDERA ANGLERS CLUB INC.

IMPORTANT DATE CHANGE

This month's general meeting will be held this Friday, 3rd June at 5.30pm at the clubhouse (due to the long weekend on the following week)

Please note, any changes to club constitution or rules need to be submitted in writing and publicly displayed by the end of this week and presented at this general meeting.

The May fishing comp held on the last weekend of May is done and dusted, with the contenders for fisherman of the year targeting their missing species of fish or trying to upsize on previous fish caught. Anglers tackled the upper Murray, Lake Mulwala, the Hume Weir and also the dam at the recreation reserve.

The winner for the May Comp for biggest fish, was Brian Shannon with a nice 60cm cod (c & r) and Sham also won the best bag with the cod and a great bag of redfin 3790, Laszlo and Ricko had a bag of redfin 1800, (all caught at Laz's secret spot), Squeaky caught a 350mm cod in the upper Murray.

Saturday was also a reminder to check your safety gear as maritime were out and about doing safety checks, they are very thorough. They were impressed that the Jindera Anglers Club conducted the checking of inflatable life jackets.

Going into winter members should take the time to check your boat/trailer for wear and tear and give them a good maintenance check.

Murray Cray season is here again from June 1st to the end of August and with the Murray River water level slightly up craying should be good, 5 nets per person and make sure all nets are labelled correctly and observe

the 2 legal size crays per person. The size limit is 100mm and maximum 120mm from the eyes to start of the tail. It can take from 6 to 7 years for crays to reach maturity, so fish respectfully.

The Brown family have been touring up north and while Kevin got a nice 58 cm barra, Ashton brought home the chocolates with a ripper 95 cm barra and Indi was last seen in the jaws of a monster crocodile.....lucky it was a concrete replica.

The Jindera Anglers Club is holding a giant raffle to be drawn on Presentation Day on July 10th.
