OP SHOP News

Another month has gone, and now, with the cooler change, Autumn is just around the corner. As the shop still has some great summer clothes in stock, there will be a two-week-\$5.00-bag-sale, starting 2nd March 2021.

This will be a great opportunity to stock up on your summer wardrobe, as we all know, another bout of hot weather will be on the way before summer is over. If you are looking for women's medium length shorts, there is a good selection of all sizes, along with T-Shirts and skirts, so do come in and have a browse around.

We had a large donation of material and laces given to the shop from a lady who was a great seamstress but is now unable to continue her work. The Op shop will have this on sale at the Jindera Community Garage Sale, and if you are a sewer, this may be an opportunity to get a bargain, so ask the volunteers in the shop if you can have a look at what they have.

Speaking about the Garage Sale - the volunteers will be offering some great bargains on the day and have all manner of items for sale, including large pictures, china-ware, specialised books, and much more.

Another large donation of clothing and other items came down from the Gold Coast this month. These

items are now in the shop and have been very popular, along with all the other wonderful donations that have come in from the local community. The volunteers at the shop pride themselves on having good stock on the shelves, so please come in and have a look, as there is always something that could take your fancy.

The Op Shop Facebook page is very popular, and Judy and Michelle do a great job keeping this going, with lots of different items. One item that hasn't been out on sale yet is a "Stock Horse Saddle", which has only been used a couple of times. If riding is your interest, then keep a look out for the saddle when it goes on Facebook.

The Op Shop welcomed five new volunteers over the past month. This has been a great help to Rural Care Link, as it has given our long time volunteers some time off. So if anyone has a few hours to spare and feels they could help out as a volunteer, please contact the Op Shop co-ordinator.

The Op Shop supports so many people in the Jindera community and across the region. Food vouchers, donations, clothing and general support is offered to anyone in need, so call into the shop if you need help and someone will get back to you and have a chat.

THE JINDERA NEWS

NEEDS YOUR HELP

WE ARE LOOKING FOR A NEW COMMUNITY MINDED EDITOR

The current editor/coordinator will soon be stepping down from this volunteer position. This is a great opportunity for someone who has the Jindera community at heart and wants to further community spirit by informing people about what's happening in our neighbourhood.

Ideally you would have or be able to attain the following:

- familiar with desktop publishing software & the production of multi-page newsletters
- liaise with local clubs and community groups regarding news items
- liaise with customers by helping with and quoting for advertising space
- make decisions regarding the inclusion of ads, news items and photos for publication
- work with the volunteer assistant editor/compiler
- produce a monthly billing sheet for the Rural Care Link Treasurer

The Jindera News is published at the end of each month and the final production is printed by a local printer. There are 11 editions each year as there is no January edition.

This volunteer role of editor/coordinator works under the auspices of Rural Care Link and requires you to be a volunteer member of the Rural Care Link management committee.

Jindera Community Garage Sale

How it all began!!!

The Jindera Pioneer Museum coordinated the first Jindera community garage sale in 1999 with advice and help from the organisers of the Chiltern community garage sale committee. The Museum ran the garage sale for 3 years. St Mary's Church Jindera organised the event from 2002 to 2017 and in 2018 passed the coordination of the event over to Rural Care Link, Jindera.

The Jindera Community Garage Sale has been supported and sponsored by Ray White Real Estate Albury for 10 years. The Jindera Post Office has assisted and promoted this event each year by taking site bookings and providing information. In more recent years the event has been sponsored by the Jindera Bakery, Jindera IGA, The Fox and Brew, Fire and Ice Training and Next Level Café. This year sponsors also include Mitsch Design Studio and Conway's Printing.

Jindera residents and those from the surrounding district are invited to register their site to participate.

Over the past 22 years the garage sale has increased from 40 to 70 house sites making it the largest community garage sale in the Albury- Wodonga area also making it the biggest and best local recycling event in the area.

On Jindera Community Garage Sale day, it is wise for site participants to be organised as the first of the many visitors commence arriving in town before day-break. By mid-morning, the township is busy with cars and pedestrians, all attracted to the variety and amount of goods.

The Jindera community garage sale is held on the second Sunday after Easter and people are known to mark this event on their yearly calendars.

There is something special about Jindera's garages being open to the public and neighbours. It is a wonderful community networking event.

Maps will be available on the day from outside the op shop for \$2.

Jindera Community Gardening

Hello gardeners!

Is sad to find we have a lot of Fruit fly in this area

Those people who planted their Tomatoes early and harvested before New Year may have missed the Fruit fly.

I'm one of the sad gardeners who was not earlier enough planting and now have to PULL out all my Tomatoes even my Capsicums while I was waiting for them to turn red.

Place your damaged Tomatoes and Capsicums in plastic bags and put in sun to kill Fruit fly

1...Any vegetables you have left in garden don't let them go to waste turn them into ...

Veggie Patties or Pasta Sauce

2...Prepare your beds for next crops with Blood and Bone or any Fertiliser and mix in well

3...Plant your Autumn crops

Gardening Survey

For those people who fill out the forms for a Garden Community you will be contacted soon for a get together.

In the meantime,

Cheers ... Happy Gardening!

Wellbeing Support Service

Starting mid February

Life can create hurdles that we find hard to overcome. While dealing with adversity might be an inevitable part of life, difficulties or misfortunes don't have to be managed on your own. Sometimes, a little help can go a long way.

*Jindera Rural CareLink is working in partnership with Social Worker, **Bryony Cooke**, who is able to offer a guiding hand, a listening ear, a warm heart, and confidential counselling service to those in need. Bryony has expertise in many areas to do with a person's wellbeing and is able to provide support and guidance so that they can successfully move on with their life. Bryony has been involved with many areas of a community including currently being a volunteer for Coast Guard at Bonegilla.*

***Bookings can only be made by phoning Bryony on a Thursday
between 12 noon and 5 pm on 0400 654 916***

*As Bryony is an accredited Mental Health Social Worker this service is free
with a Mental Health Plan from your doctor*

JINDERA RURAL FIRE BRIGADE

Greetings from a very content Jindera Brigade given the time of the year. It's hard to imagine a nicer summer than the one which we've had so far and we believe that we are on the cusp of a number of satisfying developments for the community.

More later but first, the Captain has just hosted a pleasant and mutually informative visit from our local Member.

Captain: Graham Yensch, Secretary of Jindera Community Forum; Kathy Anderson, Snr Brigade member and Chair Jindera Museum; Margie Wehner, Member for Farrer; Sussan Ley MP with unidentified and unqualified driver..... checking out the new hand held radios (courtesy of Farrer Electorate 2019/2020 Volunteer Grants Program).

Visit from the Member for Farrer: The Hon. Sussan Ley M.P.

Last year, we received an important discretionary grant from our local member for 6 new hand held radios to enhance communications between front line operators and their vehicle commanders. This has meant both greater efficiency and improved safety on the firegrounds.

So this week, Captain: Graham Yensch, hosted a visit from Sussan Ley for the formal presentation of the units and for an important catch-up on a range of other matters:

Rapid Growth of Jindera

Our local member showed both an interest and an understanding of the nature of our community and the Brigade's role within it.

A quick trip through the developments of small acreage blocks off Hueske Rd, and the suburban estates off Pioneer Drive provided an effective visual take on the extent and rapidity of growth in our community with resulting stresses that this places on the Brigade - and other infrastructure.

A community Role - the new sign

The Captain invited Kathy Anderson (in her role as Secretary of the Jindera Community Forum) and Margie Wehner (in a dual role as senior Brigade member and head of the Jindera Museum) to take part.

The importance to the community of the new electronic LED sign to be erected at Brigade Headquarters and the state of mobile phone black spots were discussed along with a number of other matters.

We greatly appreciate the time that a very busy Member (and Minister for the Environment) made for us. I think it's true to say that we all enjoyed the visit as well as coming away better informed.

Our local Member with actually qualified driver Margie appreciating 'One Bravo's' options.

NINE!!!! new members undergo basic bushfire training

We would like to thank and welcome the nine new members undertaking basic training at present and look forward to many years together.

This is a very satisfying development - almost showing a heightened community awareness after last year's horrendous season. A great contribution to regeneration in the Brigade.

New truck driver's in training

On the subject of satisfying developments, you can expect to see more trucks out and about in the coming months as Brent, "Gypsy" Mills and "Pup" Anderson all complete driver training.

Fire Permits

Permits to burn are now being issued for agriculture burns only. Apply at www.preventbushfires.com.au or contact the Captain on 0427263414 for further information.

The Sign!

So you've heard it all before?

Nope ... the Development Application for our new LED sign has now been approved and tenders are being taken.

There are also promising signs - pun recognised but not intended - that at the eleventh hour we may receive some contributions from other sources to ease some of the cost burden to the Brigade. We can only hope and will keep you informed.

In any event, there will be a new sign at Brigade headquarters before the next fire season to keep the community informed with real time emergency information and updates on fire matters.

And in the good times, when things are quiet on the fire front, the sign will be a general community asset. Let's all enjoy the rest of this benign summer.

Cheers
Nafa

Next Meeting is at the **Jindera Community Hub** (entry via rear carpark) on
******* Tuesday, April 20, 2021 *******
******* 7:30pm *******

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

Bushfire Awareness Training

At the recent Forum meeting held in February, it was discussed that we should look at bushfire awareness training for residents of Jindera. This is not intended to be training for volunteer firefighting, it is simply training for bushfire awareness that applies to living in the country and on acreage.

If anyone is interested in attending training, could you please email the Community Forum as below, or phone Kathy Anderson on 0407 357 082, with any details of preferred attendance days or evenings.

Seniors Week

Keep an eye out for information on Seniors Week for Jindera—gazetted for April 13-24.

Following a few years spent chasing Council, one of our members has succeeded in bringing a seniors event to Jindera, with the Jindera Pioneer Museum hosting the event.

Final details are yet to be finalised, but we would appreciate it if as many people as possible could support this initiative.

Hume Bank

Many of you will be aware that Hume Bank is now closed on Tuesdays and Thursdays—opening on Mondays, Wednesdays and Fridays. This change in service to the community began in the new year with no community consultation and in particular no advise to the business community who rely on the bank’s service. The Forum is encouraging everyone impacted by the closure to address their complaint to the Board of Directors at Hume Bank, either online or by writing to the bank. The link to the feedback page at Hume Bank is <https://www.humbank.com.au/online-forms/feedback>.

Jindera CWA News

Next year 2022, NSW CWA will be celebrating 100 years, no doubt there will be much discussion and decision making regarding celebrations for this event at the CWA Conference this year in Bega on 3rd to 6th May. Due to the Covid virus, only one representative and one observer from each branch is allowed to attend.

Olivia Hanel will represent Jindera Branch and present Jindera's Motion "That the policy of CWA of NSW be to oppose large-scale solar plants on prime agricultural land to protect food and fibre productivity". Delegates at the Conference will vote on this motion (for or against).

The CWA Catering Committee have put out a plea for volunteers to help at the Royal Easter Show to be held from 1st to 12th April. The CWA stall is famous for great scones and a cup of tea, funds raised are put back into the community.

Jindera members last month were busy catering for a function in Albury, our first fundraising since the Covid shutdown. We are planning to hold a stall at the Community Garage Sale on 18th April, outside the School of Arts Hall.

Our next meeting is 3rd March in the School of Arts Hall at 10am. New members welcome.

Yours in CWA Friendship.

Bev. Blair.

President.

ACTIVE AND RESPONSIBLE CITIZENS

At Jindera Public School, we give our students real responsibilities. We encourage and support our students to push themselves to learn more, work harder, and compete for the greater good. They seek the challenge and opportunity to grasp responsibility of self and stand up for others.

Congratulations to our student leaders for 2021: Charlotte, Isaac, Meadow and Zoe! Leading our sporting endeavours we have Brody, Olivia, Tom, Violet and Xavier!

HIGH EXPECTATIONS

Students have been learning to set individual challenging learning goals in collaboration with their classroom teacher.

This has been supporting students to build on a sense of ownership in their learning and empowering them to be independent learners.

EDUCATIONAL OPPORTUNITIES

Our students have participated in our local school swimming carnival. We had a number of students move to the next level to compete at the Southern Riverina Swimming Carnival.

Students also interacted with the *EnviroMentors* incursion that explored the concept of sustainability. Actions they can take in their daily lives at home and school to consume less and conserve resources for future generations.

Jindera Swimming Pool

The end of the 2020-2021 season is fast approaching. With the days shortening and the overnight temperatures starting to drop—just as you are pulling out the blankets, so are our lifeguards! Our NEW pool covers (purchased with NSW Stronger Communities Grant) have started to get rolled out in the evenings to keep the warmth out as well as complement our solar heating, by drawing out heat from the sun during the day (until pool opens) at 3pm. The temperature of the water has rarely dropped below 25 degrees.... So there's no excuse not to enjoy the last 2 weeks of the season and enjoy a swim and or BBQ at our fantastic facility.

Wally Wipeout

Sadly Wally sustained a puncture, and was out of action for our February date at the Jindera Pool.... HOWEVER he **WILL BE BACK** on the last day of the season.....

Sunday the 14th March.

Let's see the season out with a *SPLASH!*

Pool Committee—seeking new members to be involved and contribute ideas to the improvement of OUR facility.

Contact Alison on alisonviedt@gmail.com to be put on the mailouts for when we start preparing for next season or just keep an eye on Facebook.

How quickly the months seem to be flying by – gone is the quiet, slow pace of lock-down, replaced with an almost frenetic need for movement and activity – it feels we have a need to catch up on all we missed during last year.

March brings the official opening of our Working Machines Shed, dedicated to Tim Fischer. The opening will be held on Sunday 21st March held in conjunction with an Open Day and Lost Trades. The official opening will be at 11am; many of the wonderful

collection of engines and machines will be operating though-out the day. Judy Brewer, Tim's wife, will be our official guest to open the shed on the day. Our own iconic Steve Bowen will officiate throughout the day, keeping everyone on their toes. This event was scheduled for October last year, to be celebrated in conjunction with the museum's birthday. We look forward to celebrating it this month, now with fewer restrictions.

During the day, visitors will be able to experience a wonderful array of activities that we rarely see. An interesting group of characters are graciously giving of their time to display and in some cases sell, their arts and crafts, for which we are most grateful. We have a dry-stone waller building a seat for the museum on the day; a group of hefty lads cross sawing a collection of timber to add to our yards; a wood turner, mosaic artist, basket-weavers, blacksmith, felter, a whip maker, a bobbin lace maker, weaver, spinners, knitters, jewellery maker and our own Anh Do (Caroline) creating a very

large landscape on the day. Food and drinks will be available for purchase on the day, no byo please. Entry is by gold coin donation.

On the day we will also launch our fund-raising drive for the new building we intend to construct. This new development will include interesting new hands-on spaces for the museum. We intend to incorporate a costume space where photographs can be taken and a shop space for a new collection of items available for sale related to the museum. The new area will also have a large undercover space particularly suited for school groups and this will be the starting point for the discovery walk around the museum. This is an exciting phase for the museum as we work towards these new possibilities.

During this last month, in preparation for the Open Day, the hay shed behind the Slab Hut has been given a new lease on life. It was resembling the Leaning Tower of Pisa, but now, sits straight and erect, thanks to the skilful endeavours of Modern Construction. A fabulous effort for which we are very grateful they could accomplish in time for the official opening. The new thatching, we hope will be in place soon, thanks to the Cunningham's and Pietsch's of Alma Park.

The Tea Room continues to operate each Sunday for delightful sweet creations and light lunches. This is a lovely way to catch up with friends and a delightful place to bring your visitors. If you combine it with a visit to the museum you can enjoy your refreshment in the lovely garden area of the museum.

Each Sunday 11 am – 4 pm.

CANE TOAD FOUND AT JINDERA

Murray Local Land Services is urging the community to be on the lookout for cane toads after a female toad was found at Jindera.

The deceased pest was reported to NSW Department of Primary Industries Invasive Species Biosecurity Unit late on Monday and confirmed as a cane toad.

The nature of the toad’s death meant that a post-mortem was unable to be performed to confirm whether it was either carrying or had just laid eggs.

Investigations are continuing to ascertain how the toad arrived in Jindera.

Murray Local Land Services Manager of Biosecurity and Emergency Services, Geoff Corboy, said the incident illustrated that it is possible for cane toads to make it as far south as the Murray region.

“The most likely explanation is that it was a stowaway on a truck delivering materials from north-east NSW or Queensland.

“If you’re coming from cane toad infested areas

such as Queensland or the Northern Territory, please check your luggage, vehicle or trailer to ensure you are not unwittingly carrying an unwanted passenger” he said.

The public has been asked to report any suspected cane toads, as the specimen could be a native frog. The amphibian should not be killed if it has not been positively identified as a cane toad.

A suspected cane toad should be immediately reported to NSW DPI Biosecurity through its helpline on 1800 680 244 or by completing the online form or emailing a photo of the face and details to invasive.species@dpi.nsw.gov.au.

More information on cane toads is available on the NSW DPI website.

Jindera Tennis Club

Wow what a season!!

There has certainly been plenty of action at Jindera Tennis Club this season with 120 members playing across 9 teams. We were lucky enough to welcome a lot of new players into the club at the start of the season ensuring a good mix of both new and familiar faces.

With a great playing environment there has been an abundance of new friendships made and many smiling faces can be seen getting around the club.

With all the upgrades to the facilities over the last year or so including courts, fencing, lighting and more we have also seen an increasing demand for the courts at other times, which is fantastic to see them being utilized by the locals.

As the summer competition season draws to a close with finals starting early March, Jindera Tennis Club have been lucky enough to have 7 of their 9 teams make finals and we wish them the best of luck as they make their way through the finals. Based on this – if you played for Jindera Tennis Club you would have had a 78% chance of playing finals tennis – not bad hey!!

Jindera Tennis Club will be hosting the grand final again this year on March 20th which is a great day and we invite everyone to come along and support their local players.

Together with the Saturday tennis, residents have probably noticed the lights on every Wednesday night and a swarm of people getting down to the courts for a hit.

New players are always welcome, just turn up with your racquet at 7pm.

Whilst all this has not been possible without a great group of members, I think it is worth a shout out to the committee members and helpers. We would like to specially thank them for all their work around the club throughout the season.

Jindera Tennis Club is always open to new members of all ages, fitness and skill levels and would love to see you come along.

Happy Hitting!!

Jason Steinke

President – Jindera Tennis Club

View from the Golf Club 4th green, the beautiful “couch” turf surrounding the green was a special project completed last year by the grounds committee. Special efforts and thanks to Frank Shannon, Stuart Miller and Peter Chaston.

JINDERA ANGLERS CLUB INC.

What a huge month for our club with 7 members attending the South West Anglers Annual fishing comp at Buckingbong reserve on the Murrumbidgee River near Narrandera.

Jindera won the competition for most legal fish, Brian Shannon was the star winning best overall fish and best bag, Kirsty Taylor also caught a nice cod only with the expert assistance of net-man Mark, Wade, Dick, Brownie and Geoff also attended. Thanks, SWAA for a great weekend.

Congratulations also to Wade Morey who was elected onto the board of management for SWAA at there Annual General Meeting at Cobram. Well done to Chris Beale who was elected President, Terry Maloney who is secretary and Mel Strachan who is the treasurer.

Members of the Anglers Club are still recovering from their annual Daryl Girling Memorial Fishing Comp held at the 12 mile reserve on the Murray River between Albury and Howlong.

Fishing was tough with the only a handful of legal fish caught for the weekend, there were many undersize cod caught and released, many turtles, several carp as well as the many huge fish (stonkers) that managed to escape.

We were also graced with guest Anglers Russell Schmidt and Bruce Klein who travelled from Queensland to fish the comp and remember their great mate DG.

The major trophy was won by Kirsty Taylor with a nice 63cm Murray cod, the first lady to have her name on the coveted DG trophy, other winners were Bruce Klein 59cm cod, Benny Gesswein 59cm cod, Flynn O'Neil was the best junior fisher with a 60cm

cod or in old terms 2 size 10 men's thongs measured end to end. Steve Waller caught a 58cm cod and Kevin Brown released a 54cm cod.

As usual Saturday night was great with a huge feast, thanks to Rhonda, Nudge, Michelle, Phil and Nicki for the great salads and cooking, terrific meal was had by all and the watermelon and grapes finished off the meal beautifully.

After our gourmet meal we enjoyed the huge raffle, well done to our winners and then moved onto our Yabby Races, thanks Trev for the yabbies, congrats to the connections of the winning yabby (Schmits Pride) to the organizers Kerrie, Sham, Wade and Ben.

The weekend was made possible with the generous donations of prizes by **Elks Hunting and Fishing, Masons Tackle, Mark Taylor chookies, Brian Shannon, Shamdonk tours, Jindera Butchery and Jindera Pizza** for there special delivery of Pizza and garlic bread on Friday Night.

It was also worth noting Jindera Anglers Member John Waters was photographed with a large marlin at Eden during February??? Shane Bradbury was beaten up by a fish stealing seal at Bermagui.

Members are also asked to be super careful attaching boat trailers to cars, refer to Shamdonk link for instructions. All the best Graham and Ricko.

Next meeting is on **Friday, 13th March** and next comp will be decided at this meeting, probably on the weekend commencing 27th March.

Nicky and Gary cooking up a storm

Jindera Anglers club won the coveted SWAA most fish at the South West Angler's comp at Buckingbong recently, members Dick and Geoff photographed with the Trophy

Kirsty Taylor with a nice catch

Great job gang ... fundraising at Bunnings

Flynn O'Neill aged 11 caught and released this great 60cm cod at the DG Comp, no brag Matt just 2 size 10 thongs. He now has a brag mat. Well done buddy
