NSW RFS

JINDERA BUSH FIRE BRIGADE

Electronic Display Boards are now fully operational!

Our wonderful Jindera Bush Fire Brigade Captain Graham Yensch *"thanks the community for all the support and donations you have made to the Brigade over past years to help with the purchase and instillation of our new electronic notice boards at the station"*.

After years of attempting to replace our old inadequate sandwich board sign we are extremely thrilled with our new bright modern signs.

Graham has advised the last part of our electronic display boards are now in place. The signs are showing the correct temperature now that all filters are in place. The brigade will be updating the information on the signs to keep everyone informed of changes as we move through the Bushfire Danger Period.

The signs can be remotely changed for important messages and our daily fire danger ratings. Recently we have advised

that permits to burn are available and during the recent heavy rain events we had worked with the SES to have sandbags available at the station.

NSW RFS Inspector Sandra Huer, our Southern Bor-

der Team District Manager congratulated the Brigade and the Jindera Community on the instillation of the electronic display boards and asks the community keeps an eye on the signs for important Bush Fire safety messages. Inspector Huer also said "with permits now available it is important that anyone applying for a permit understands the conditions of the permit and that they use the NSW RFS burn notification site to advise when they are burning".

Captain Graham Yensch also said he will keep us all on our toes with the continued use of Brazza's historic cryptic shorthand and the occasional incorrect spelling to check if one of our now retired schoolteachers is still reading the messages.

The signs can be actively changed through a live website; the Captain was talking to "Pup Anderson" about needing to get a new message up ... by the time the Captain turned around to look at the signs, Pup had changed the message and the colours on the sign, (if we let the Captain have a go at this it might have taken a few days at least).

Graham has asked the community to look at the signs constantly, if we have a larger fire in the area, he will have information updated as quickly as we can to keep everyone informed. He also said if you haven't downloaded the NSW RFS Fires Near Me app please do so and set up your watch area to stay informed about any fire in the area.

Thanks to our great community for your ongoing support of the Brigade - "Poppa Pomegranate".

Captain Graham Yensch installing the new Jindera Fire Brigade sign.

We provide a safety net of kindness, consideration and support through:-

Jindera Opportunity Shop | Jindera Newsletter | Referral and Emergency Contact Office

Carers Support Group | Schools Grants Programmes | Critical Family Aid

We also provide support and resources for various local events and organisations:-

The Jindera Garage Sale | Seniors Week | Anzac Day Services | Jindera Pioneer Museum

Rural Care Link Office

Hours

1.00pm to 5.00pm Monday to Thursday.

Assistance

We can provide basic food, clothing, equipment and other financial and emotional support should there be a genuine need.

Phone for appointment **02 6026 3001** or **0475 594 073**. Messages responded to promptly.

Counselling Services

For counselling enquiries, please contact the office on 02 6026 3001 or 0475 594 073 or email office@ruralcarelink.org.au and we will put you in touch with the wonderful girls, Michelle and Susan, from One Door Mental Health.

Jindera Op Shop

Hours

10am to 4pm Tuesday to Friday and 10am to 1pm Saturday. Closed for lunch from 1pm to 1.45pm weekdays.

Volunteers

Our Op Shop is only successful due to our wonderful volunteer staff. We definitely have some great teams working to keep everything running as smoothly as possible.

However, we are always looking for more helpers. So if you can spare any time at all and would like to make a difference in our community and spend time with some fantastic people, please call the Rural Care Link Inc. office on 02 6026 3001.

You will be warmly welcomed to join our team!

Bargains Galore!

Come on in and browse all the wonderful merchandise up for sale in store. We have had a consistent flow of wonderful donations and so stock is rotating constantly.

You never know when you will find that special bargain or hidden treasure.

Currently we are having a Mega Book Sale, with all titles going out at half price! If you don't see a title or Author that you are interested in, please ask our staff, as we may still have what you're looking for out the back.

With Albury Gold Cup coming up, we still have plenty of formal wear and a great variety of hats and fascinators, to create your unique race-day outfit.

SHOP in JINDERA

Rural Care Link was created to help those people in our local community in need and its often said “*A good education is the greatest gift you can give yourself or anyone else.*” So, with the return of students to school, the Rural Care Link Committee has turned its attention to the needs of disadvantaged school kids.

The Committee are using some of the money raised from people purchasing goods in the Op Shop to assist local children with school essentials, learning resources, books, uniforms, healthy food, and support for excursions.

Jonathon Howard, President of Rural Care Link, said, “We think if a family aren't able to make ends meet, then the kids may be missing out on things everyone else takes for granted.”

“**R**ural Care Link is your local charity, and while we might be well known for providing support to people when something unforeseen happens, there are others in the community who are trapped in the cycle of disadvantage. We are extending our 'safety-net' to support these families”.

“**A**nd there is really only one gift that keeps giving- and that's an education. This is especially true, given the long periods of disrupted learning over the past couple of years”.

Jonathon went on to say that all our children deserve the chance to learn and succeed in life. And while Rural Care Link can only provide a limited amount of funds, it wants to ensure that every child in our region has the basic building blocks to unlock their potential.

Rural Care Link has written to the Principals of **Brocklesby, Burrumbuttock, Gerogery, Jindera, St Johns, Mary McKillop, and Walbundrie** to offer them this opportunity. Many have welcomed the news and are looking forward to working with the Charity to ensure the money is allocated to support those local children most in need.

Respect

Relationships

A GREAT START TO 2022!

It was fantastic to greet our students, families and staff back to Jindera Public School for the commencement of another school year.

During the first week, we welcomed some new families, and of course our new Kindergarten group, who start their school lives with us this year. Miss Hueske and Mrs McQualter, our Kinder teachers this year have been really impressed by the way our new Kindergarten students have settled so quickly and are now comfortable in their new school setting.

The rest of the school have also settled in quickly to the exciting challenges of new classes, teachers and rooms, and we are well on the way to achieving some great new learning goals.

Responsibility

Resilience

SCHOOL LEADER INDUCTION

Earlier this term, we held a special, whole school assembly to formally induct our new school leaders and sports captains.

Our 2022 student leadership team will work alongside students and staff to help coordinate events and lead assemblies and special visits. The team, this year, are very excited about their upcoming role and we were able to formally recognise them during the induction assembly.

Due to COVID restrictions this year, we needed to break from our normal tradition of having parents present to pin the badges but our leaders were able to choose a representative from the school to present their badge. Messages of congratulations from the student's family were also read out during the assembly. We wish our new leadership group all the best as they commence their year.

SCHOOL SWIMMING TRIALS

Midway through the term, the school completed our annual swimming event. This year took a slightly different format with some limits to the number of races undertaken. Students wishing to compete in 50 and 100 metre races attended with smaller, but highly enthusiastic groups competing in most events. Despite the smaller numbers, the normal healthy levels of competition and school comradery were still highly evident and we would like to congratulate all those who took part on the day, and the group moving forward to compete at the Southern Riverina Carnival later in the term.

Jindera Pool News

Last day of season – Sunday 13th March –
The count-down begins.... 14..13... 12.....
1 - Wally!....

Pending the availability of a second lifeguard
(Lifeguards are like hen's teeth this time of the
year as they head off to uni) we will have Wally
Wipeout at the Jindera Pool for the last day of
the season – so come down and celebrate what
a great season we have had.

Floating Cinema – Moana – Feb 12

What a great night was had by all! The weather
was calm, and the water temperature kept the
floaters in the pool for the majority of the movie.
Thanks to all the helpers who set up and packed
up at the end of the night, to Jodi and her crew
for keeping the food and drinks up too us, and
most especially to Alisha and Ethan (our head
lifeguards) for working back late to let this event
be possible.

Thank you also to the Greater Hume Shire for the use of their equipment, covering the
copyright costs etc. Proceeds made go toward more equipment for the pool area.

Jindera Pool News cont...

Furniture and equipment purchased this year – 3 x lifebelts for aqua aerobics, and 12 x white plastic chairs to replace old (\$1,000).

Aerobics continues:

Tues and Thursday 6.15pm
with Allana – Mixed

Wed and Friday 4pm with
Ruth.

All welcome.

A huge thank you to Allana and
Ruth who kept us moving and
improving our fitness throughout
the season.

Our pool is ACCESSIBLE:

Paths from car park to
poolside.

Ramp into middle sized
pool.

Wet wheelchair.

2 x sets of steps

Hoist + wheelchair or slings

Toilet/ shower /changeroom

Pool Committee AGM Monday 7th March – 7.30pm

Come along to the pool meeting room for our annual AGM. You don't need to put your hand up for a position ... just come along and have a say as to how you would like to see our facility improved.

Jindera CWA News

This month sad news of the passing of two members who have been much admired and held in high esteem during their membership of CWA.

DAWN HALL of Albury Branch and a former Rand member, represented her CWA branch on numerous occasions at Group and State. Dawn held every position in branch and took many roles as Murray Group President, Secretary and Treasurer. She was also the State Representative and State Vice President. Amongst all her CWA achievements she also volunteered on organizations within her hometown of Rand.

FREDA TURNER, a loyal member of Holbrook branch and Murray Group, died on 15th February, she held many positions in CWA and volunteering within her beloved town of Holbrook, a lady gifted with words reading the paper on the radio and teaching English to newcomers to our country.

At both funerals, CWA members formed a guard of honour. **VALE - DAWN AND FREDA.**

Two Jindera Branch members will be nominated to attend the 100 year CWA Conference at Sydney in May. Nominations are to be in by 7th March.

The March meeting will be a visit to the Albury Waste Management Centre organised by Agriculture and Environment Officer, Heather Collis.

Yours in CWA Friendship.

1800 171 866

8:30am-6pm (AEST) Monday - Friday

Some older people are vulnerable to COVID-19 but less connected to the Internet and in need of ways to access information for their circumstances. The Older Persons COVID-19 Support Line provides information and support.

Older Australians, their families, friends and carers can call 1800 171 866 (FREECALL) if they:

- would like to talk with someone about the COVID-19 restrictions and its impact on them
- are feeling lonely or are worried about a loved one
- are caring for someone and need some information or a listening ear
- need help or advice about changing the aged care services they are receiving
- need help to access new care services or essential supplies such as shopping
- are living with dementia or are concerned about a friend or family member living with Dementia
- would like to arrange a one-off or regular wellbeing check.

Principal: Brad Moss

A new start for 2022 and a further focus on our students.

This is our student learner profile - These are the skills we want our students to leave our school with.

LEARNER PROFILE OF A ST JOHN'S STUDENT

Our Learning Characteristics for a Collaborative, Thriving and Inspiring Learning Community

I HAVE EMPATHY

I can:

- understand and respect other perspectives and experiences
- adapt my behaviour to positively affect others
- show compassion and consider the needs of others

I AM COLLABORATIVE

I can:

- use active listening skills
- effectively communicate and inspire others to have a voice
- positively contribute ideas and encourage others

I AM CURIOUS

I can:

- ask deep questions to challenge my thinking and learning
- make meaningful connections between my learning and the real world
- take initiative to wonder, explore and investigate

I THINK DEEPLY, CRITICALLY AND CREATIVELY

I can:

- reflect on my thinking and learning
- set goals to drive growth in my learning
- create and consider a wide range of possibilities and solutions

I HAVE GRIT AND PERSEVERANCE

I can:

- use feedback to improve my thinking
- view mistakes as learning opportunities to grow and move closer to my goal
- be strong in my sense of self and appropriately respond to my emotions

Seeing these learner profile attributes and skills around St Johns Lutheran School.

I've been so enjoying seeing the students here at St Johns use the grounds and enjoy being together and playing hard. This verse has been in action over the past few weeks:

'Two are better than one, because they have a good return for their labour: If either of them falls down, one can help the other up.' Ecclesiastics 4 v 9 and 10.

Let me share some of the collaboration that has been going on and around the grounds at St Johns as linked to our student learner profile.

Team work galore!

We are so thankful to all the students and staff who moved, raked, shifted, wheelbarrowed, and spread the sofffall under the equipment so we can safely play.

Our learner profile talks about collaboration and this was evident over the number of days a range of different teams of students, staff and friends have been helping to get the equipment back in use! Thank you!

Other examples of collaboration are seen below with the Kinders and their buddies and the juniors designing, creating and collaborating during their lunch and recess play in the sand and base building. What a great time enjoying our amazing facilities.

Mrs Tervet - Deputy Principal.

JINDERA COMMUNITY FORUM

Next Meeting is at the Jindera School of Arts (Hall) on

***** **Tuesday, March 15, 2022** *****

***** **7:30pm** *****

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

The Jindera Community Forum held a special meeting on **February 15** with key discussions on the **recent flooding and resultant sewerage problems**. The meeting was held with Steve Pinnuch and Greg Blackie in attendance from Greater Hume Council.

The key points from the meeting were as follows:

FLOODING:

- January 2022 saw a number of flooding incidents with 300-350mm of rain falling during the month.
- January 28/29 was the worst downpour with the levy heading into the Watson Street drain overflowing, resulting in the flooding of a series of houses, with further flooding down-stream.
- Jindera Street - in the long term a western channel will divert water away from the Watson Street drain, but it is dependent on grant monies. This work is being incorporated with the Jindera Lutheran Church 20 lot subdivision on the western side of Jindera Street with the drain planned to be behind the new lots.
- Adams Street/Jindera Street – in the short-term flooding is to be alleviated next year by a proposed drain down to the Watson Street drain.
- The majority of flood water came from the Singe Road area which then travelled along Bungowannah Road towards town.
- New Pioneer Drive/Urana Street Roundabout – works will incorporate improved drainage for that intersection.
- Glenholm Estate - flooding of levies occurred and Council will be reviewing the upkeep of the levies to alleviate further flooding.
- Huon Street North – Four Mile Creek requires clearing of dead trees and a general clean-up. Council is looking at exotic tree removal and it was suggested they review the movement of water from upstream.
- Dight Street West – it was suggested that Council clean out drains to reduce flooding in the interim prior to proposed kerb and guttering.
- Molkentin Road North – flooding and silting needs to be reviewed by Council.
- Mitchell and Goulburn Streets – flooding generally relating to Four Mile Creek and runoff – Council advised that they may need to look at lowering Mitchell to solve the problem.
- General consensus that Council needs to clean out more drains.
- G Blackie requested that residents formally report all problems in general to Council so they are aware of any issues.

For more information contact:
jinderacommunityforum@gmail.com

JINDERA COMMUNITY FORUM

February 15 meeting notes continued.....

SEWERAGE

- Goulburn Street - Stormwater infiltrating sewerage system resulting in actual sewerage flooding around the affected houses.
 - In 4-6 weeks a reflux valve will be fitted on the sewer main by Council near the pump station, and reflux valves offered to all houses affected by the flooding.
 - Manhole to be changed into temporary pump station pumping into rainwater tank as interim before planned sewer upgrade.
 - New pump station when sewer upgrade occurs.
- New improved impellers on pump stations in interim.
- Smoke testing of pipes in affected areas by Council will determine where pipes are running – especially Goulburn/Huon/Mitchell Streets
- Jindera sewer upgrade - muted to cost \$10m in 5 years time.
- Mitchell Street South – western laneway manhole to be raised due to flooding and effluent (other manholes may be considered).
- Development Applications – S Pinnuch outlined the process of development applications and stressed the value of nearby residents advising Council of concerns/perceived problems when receiving advise of land developments.

***** PLEASE NOTE VENUE FOR NEXT MEETING *****

Saturday 26th March - 8am at the IGA

CAKE STALL - PLANT STALL

The funds raised will help repair the damage done to the Community Gardens caused by the recent floods and continue to improve our local garden.

Thank you for your help!

Please contact
Eileen White on 0400 023 029
or Jenny O'Neill on 0438 263 417

Tell us what you think:

How welcoming is Greater Hume?

As part of a NSW Government program to work with local communities to attract migrants and refugees to resettle in regional NSW, Greater Hume residents are invited to provide feedback about welcoming newcomers to their local neighbourhoods.

Share your views via a confidential survey

- Are people in your local area willing to help newcomers?
- How does immigration shape Australian communities?

A confidential online survey is open now to residents.

The survey will take only a few minutes and can be completed on a smartphone, tablet or personal computer. Please use or copy the following link to complete the survey:

<https://welcomingaustralia.typeform.com/attitudes>

Research and community consultation led by Holbrook's Deborah Atkins

Deborah Atkins (pic below) has been appointed by Greater Hume Council to undertake research across our region.

In addition to the survey, Deborah will meet with residents, community group representatives, local businesses and other key stakeholders to get their input and views.

Deborah's work will seek to understand current community attitudes and preparedness to welcome newcomers, available services and employment opportunities, as well to understand the journey so far for the many newcomers who already live here.

Deborah will be located at Holbrook, where she lives, and will be working part time for approximately 12 weeks on this stage of the project. Deborah has extensive experience coordinating community research projects across Australia and has worked with many organisations including Universities, High Schools, Women's Health Centres, Youth programmes, Migrant services, Government and non-government organisations.

The Greater Hume Council is confident that stakeholders and the community will be supportive of Deborah as she goes about this work.

NSW Growing Regions of Welcome Pilot Program

This research is part of Multicultural NSW's Growing Regions of Welcome (NSW GROW) Pilot, a three-year program that works with local communities to attract migrants and refugees to resettle in regional NSW. The focus is on people living in western Sydney with the skills and aspirations to move to the Murray and Riverina regions for employment and lifestyle opportunities.

The overall aim is to provide migrants and refugees with the information and support they need to relocate to the regions, and support communities in the Murray and Riverina to welcome newcomers and help them to thrive in the long-term.

As part of NSW GROW, Welcoming Australia is coordinating the survey and supporting research in the Greater Hume region in collaboration with Greater Hume Council. The research will help our communities to better understand how ready they are to welcome people from migrant and refugee backgrounds.

Find out more

If you have any questions about NSW GROW's Welcoming Cities Project and consultations being undertaken in the Greater Hume region, please contact Deborah on (02) 6036 0100 or email datkins@greaterhume.nsw.gov.au

For more information about NSW GROW and how the program is rolling out in the Murray region, please contact Esiteli Nyirarukundo, the NSW GROW Murray Backbone Coordinator at enyirarukundo@redcross.org.au.

Happy Gardening Everyone!

Chinese Snake Beans

They are an unusual bean which are great to use in stir-fry's if you are looking for that crunchy bite. The snake bean flower is pretty.

HELP HELP

To make this Garden successful we need helpers please ...if everyone spends 10 mins per week it makes a difference.

At the moment it's left up to a few people.

Thanks, Teone for helping me to pull out all those tomato plants and put in large plastic bags ...for the tomatoes had fruit fly.

It's a shame no one wanted the tomatoes or offered to make Chutney or Tomato Jam for our next Stall.

JINDERA

• PIONEER MUSEUM •

This past weekend the museum celebrated the last days of Summer with our final **Twilight Opening** for this year. We had a full capacity gathering who enjoyed music by the duo "Killin' Time". For once, we were fortunate that the weather supported the night and we

had a balmy evening with no rain. Thank-you to all those that supported the nights over the last 2 months – it is great fun to see the museum utilised in this way out of its normal operating hours.

Our next event will be our **Spring High Tea** which will occur on Sunday 20th March at 2 pm. Tickets are available from Trybooking. This event is always popular and sells out quickly, so if you are interested, get your tickets early. Hopefully the weather will be conducive to again utilising our lovely garden space which has stayed in prime condition over this wet summer; the rain has been good in that respect.

The very popular **Campfire Night** featuring the Swag and Billy Bush Band will be held on 14th May. Apart from great music, the camp-oven cooking and spit roast lamb are highlights of the night. Tickets for this evening will be available in April.

The Jindera Museum is part of a collective of museums locally that have been successful with a grant for digitising part of their collection. This involves being able to participate in some workshops based around preservation of the collection as well as collections in general, such as first nation artifacts. Several members have taken the opportunity to attend these workshops, learn new things and get to meet some of the other members of local museums. In the coming weeks we will begin the digitisation and cataloguing process. As part of the grant 50 items of significance to the museum were selected to be the first to be entered onto the new cataloguing system eHive. Those items that were portable were taken off site to be photographed using specific equipment. This was quite a big task as items need to be packaged carefully for transport and removing them from their location in the museum is not always easy. A special thanks to our Curator, Chris Edgar for organising and assisting with this process. The information and photography relating to these items will then be available more widely for enthusiasts and experts to view or use in research.

As part of the above grant, we have also had a small film made that utilises a story from our shop owners past. This has been filmed in our little Huon Post Office. We hope to have it available to watch in the post office in the near future.

The museums Annual General Meeting will be held on Monday 14th March at 7.30pm at the Jindera Hall. All interested residents are invited to attend. Supper is served following the meeting, many attend just for that!! The museum is always looking for additional members for door duty, or to assist with functions or projects that the museum is undertaking. Please drop in to the museum or give me a call if you are interested in becoming a member.

The museum will again host Seniors Week in Jindera on Friday the 1st April. A variety of activities are planned for the day along with lunch and live music to sing-a-long to. See the flyer in this addition of the Jindera News.

Address: 154 Adams St, Jindera NSW 2642

Little Saints Preschool has had a fantastic start to 2022.

With our children enjoying the new water tanks. These tanks provide water to our sandpit and for our children to water our garden using the rainwater we can now harvest.

These tanks are a wonderful addition to our education program, creating meaningful teaching moments of the hydraulic cycle, sustainability, and the care our natural and native environments need.

We were also spoilt with the visit of some adorable Jack Russell puppies.

Another great teaching moment, on pet safety and care.

Little Saints offers a full play base school readiness program for children aged 3 – 5 years.

We currently have limited positions remaining for 2022, call today for a tour for either 2022 or 2023 applications - 02 6026 3908.

Watch This Space!

The meeting was recorded and available for viewing on Council's website <https://bit.ly/35uKFxX>

Business dealt with at the 16 February 2022 meeting included:

Council will write to Albury City Council seeking re-establishment of the Lavington to Jindera Shared Path Working Group and investigate funding opportunities to undertake a feasibility study.

It was resolved that Council will seek support from the Hon. Sussan Ley MP, Member for Farrer to coordinate a meeting with the Hon. Paul Fletcher MP, Minister for Communication in relation to the poor mobile phone service throughout the Greater Hume Council area.

Council endorsed the submission made to the exhibition of the Draft State Significant Agricultural Land Map.

Council granted an extension of the swimming season at the Holbrook Pool to 20 March 2022, due to the need for a closure to undertake an abnormal clean earlier in the swimming season. The pool will be available to competitive swimmers training for events until 31 March on the provision that a qualified lifeguard provides supervision on a volunteer basis.

Council approved the Development Application (DA10.2021.72.1) for a service station, signage, landscaping and associated infrastructure on land described as Lots 1, 2 and 3 in DP12560 at Railway Parade and Sladen Street East subject to 56 conditions.

Council endorsed the draft Code of Meeting Practice, which will be advertised on Council website for public comment for a 28 day period commencing Monday 21 February.

Council agreed to allocate the \$56,754 remaining from the Henty Town Improvement Reserve to the Henty Sportsground Function Room extensions and refurbishment project.

Council endorsed the draft Payment of Expenses and Provision of Facilities to the Mayor and Councillors Policy, which will be advertised on Council website for public comment for a 28 day period commencing Monday 21 February.

A proposal for a major drainage structure on

Jindera-Walla Walla Road, Walla Walla was accepted.

The construction of the culvert under the Jindera-Walla Walla Road will be included in Council's 2022/23 budget.

Council agreed to the sale of 3613m² on the corner of Pioneer Drive and Jindera St, Jindera to the Lutheran Church for \$230,000 (inc. GST). The proceeds from the sale will be allocated to the construction of the eastern side of Jindera St.

Council will include Ashley Lane, Culcairn as part of the next Road Strategy Review and will undertake works to minimize future flooding of access.

Business dealt with at the 2 February 2022 extraordinary meeting included:

The Local Roads and Community Infrastructure Program – Round 3 funds will include the following allocations, \$1.25M to the replacement of the Jindera Swimming Pool shell subject to a further report to Council on any possible treatments that may remedy the structural issues with the existing pool shell. Additionally the remainder of the available funds, \$1,038,350 will be allocated to the Balfour Street drainage project.

Council approved the recruitment of an additional town planning staff member and administration support for the Environment and Planning Department.

Meeting agendas and minutes are available for viewing at any time on Council's website.

Go to www.greaterhume.nsw.gov.au for all your Council information such as contact information, to lodge a customer request, news, events, development applications and forms, careers, waste and recycling, library and community services, works and projects, business and investment, grants, youth, Council meetings agendas and minutes, children services, water and waste water, pet registrations, your rates, have your say and so much more.

The 2022 season proper will begin on the 6th **March with our "Opening Day" which is a 2 Ball Ambrose** – So pencil this in on your calendar – Tee times will be from 8.30 am till 9.30 and will include a BBQ lunch.

Cost \$25.00 and plenty of great prizes.

To register email admin@jinderagolfclub.com or phone Craig McMillan 0418966207.

In the meantime, current comps are as follows :-

- **Sunday – Men's 18 holes**, Stableford (unless notified differently) Tee-off 8.30/9.00.
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00

- **Friday – Chook Run – 9 Holes**, Open to all, Tee-Off Currently 4.30/5.00, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership

As mentioned previously, the number of social golfers using our course – and paying Green Fees - seems to be growing every week, which is great for the golf club and the community.

Season 2022 membership renewals will be sent out from early March.

GST will be added to the cost of memberships this year, bringing the cost of adult memberships to \$110.00 (inclg GST) and \$33.00 (inclg GST) for juniors.

Please support your community golf club and renew your membership via the payment details on the invoice.

Happy golfing

... get a friend or take the family along and enjoy your Jindera Golf Course !

JINDERA ANGLERS CLUB INC.

Great to see some normality to life returning (well the new normal) with covid restrictions easing.

A lot happened in February, lots of dirty water after flooding, Hume Weir full and grass green, a very exceptional year, the redfin continue to bite, just need to sift through the little ones.

The South West Anglers held their Annual General Meeting at Walbundrie and whilst Covid has been a pain for the association they still continue to battle for more boat ramps, river access and anglers fishing rights, they need our support to retain our fishing and water access rights. Congrats to the committee and thanks for your hard work.

South West Anglers held there Annual Buckingbong fishing comp at Narrandera on the weekend prior to our DG Comp and by all reports it was very successful with record number of fish caught and Corowa regained the club champion Trophy from last year's winners Jindera.

The club held the Daryl Girling fishing comp at the 12 mile reserve on February 25th, 26th and 27th celebrating the contribution to fishing and to Jindera Anglers Club of DG.

It was a closed comp with full catering supplied by the club, very well run and organized, a pleasing sign for the future was the number of families that attended.

A sensational good meal commenced the night followed by a huge raffle, thanks to the sponsors, Ma-sons **Tackle, Elks** hunting and fishing, **Trevor Brown, Kerry Lynch, Happy Hens** and **Jindera IGA**.

As usual the highlight of the Saturday night festivities were the yabby races, congrates to Kirsty, Kerry and Johnno for running the event and Trevor (big yabby Watt) for supplying thoroughbred yabby's for the race. Race caller/auctioneer Kirsty did a ripper job and was the nights winner with her carefully prepared yabby.

The DG Trophy was won by Laszlo Peli with a nice cod of 64cm, narrowly beating Boydy and Jono Kalina, Laz also won the best bag for the weekend, midgets, juniors and ladies failed to trouble the scorers. Although many undersize Murray cod and trout cod were caught by the ladies and juniors and men. It was common for boats to catch and release up to 4 fish in a session or to have even have 2 fish in the boat at one time, the fish were very healthy and the river shrimp are plentiful.

Next general meeting will be held at the clubhouse on **Friday, 11th March at 5.30pm** where the next fishing comp will be decided, the likely date for the comp will be at the end of the month, March 25, 26 and 27, if you have an idea or different date get along to the meeting to have your say.

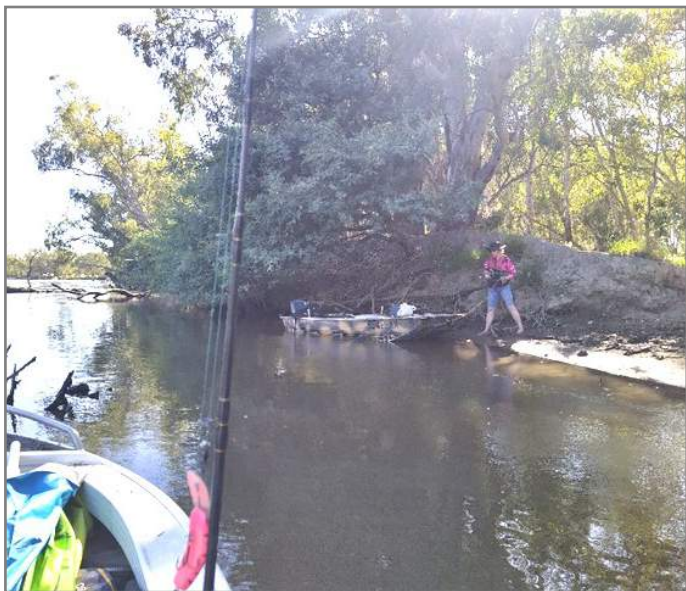

Tight lines and see you on the water!

Tom Lynch won the secret length with a cod 48.5cm

Some old bloke about to release a cod

Rhonda Watt dropping a line in off the bank

Caden Boyd snagged a nice little cod

Yabby races at DG comp

A great crowd of over 60 people attended the yabby races

Graeme, not happy with photographer disturbing his meal

What a mouth, another cod being released

Jindera
