FORGOTTEN TRADES FESTIVAL at the Jindera Pioneer Museum

Ever wondered what life was like 100 or so years ago?

The opportunity arose to find out when the beautiful grounds of the Jindera Pioneer Museum came alive last Sunday February 26 with the Forgotten Trades Festival.

The event highlighted bygone ways of bygone days and visitors got to see old crafts such as basket weaving, felt craft, spinning, weaving, calligraphy, jewellery making, hand shearing, rope making and wood crafts to name a few.

Museum president Margie Wehner said the idea for a forgotten trades festival was born during Jindera's 150th celebrations and the museums 50th anniversary in 2018, with the second event held in conjunction with the opening of the Tim Fischer Working Machinery Shed in 2021. This will be the third festival held and the museum's first major fund-raiser to help raise capital for the new building project.

"The festival was an idea that came from members, and it seemed a good idea to champion any of the skills and trades of people from this early era of pioneering in this district," said Margie, a third generation local. "Many people have no idea how long it takes to do or make many items that were used in this era. "It is easy to forget in our fast-paced world where everything is so readily available that many items had to be made by hand or you had to just do without them."

One of the aims of the event was to provide visitors with the experience of seeing things made by hand or from scratch.

"We want people to appreciate the efforts that people had to make just to get by day by day and contemplate how difficult life often was for people back then. It was a slower form of living than we experience today because often many things took so long to make or build, you took your time or were more precise, so you went slower and steadier."

During the event, which was held between 12pm and 7pm, visitors were able to talk with operators and see demonstrations of many old skills. Old machinery was also in opera-

tion and the museum's butter maker, Dot, produced several batches of butter for visitors to taste or take home. "Many of these skills are also part of the heritage that we want to preserve and so the skills that go with that shouldn't be forgotten," said Margie.

"We often don't know when we will be without something, so it is important for us to be able to know how to do it or make it when we can't just buy it. "When you are making or creating something from scratch

you always know what goes into it - there is no concern for quality or additives, so the trades you will see are earth skills, pure and simple."

We are particularly grateful for the amazing hard work of the many volunteers who worked tirelessly throughout the day, and the fabulous support from those featuring Forgotten

Trades and hand crafted wares. The museum hosted over 1700 people in the afternoon with exhibitors were very pleased with the interest and enthusiasm shown by those visiting.

All who attended were entertained by great music from White Line, the Albury Ukulele group and a great piano accordion player.

Workshops were highlighted and visitors encouraged throughout the afternoon by

the wonderful Steve Bowen, who graciously supports the museum whenever asked.

As the museum's first major fund-raiser for its new building project we thank all the volunteers, exhibitors and all who attended to make the day so successful.

Thank-you very, very much.

Rural Care Link News

This month we'd like to bring everyone up to date with what RCL are doing out in the community.

Schools Grants

Last year we trialled offering our local Public Schools with funding to support disadvantaged primary school students. We allocated a dollar amount for each school, but left the specific support provided to the School's good judgement.

We envisaged that it might be in the form of healthy food, uniform support, learning materials, or excursion support.

We also left it to the Schools to identify the criteria for children 'in need' of such support.

Last year this was well received by many of the schools, so we are again making that offer of support this year.

Community Garage Sale

We will be once again holding the Jindera Community Garage Sale, on Sunday, 23rd April, starting at 8.00am.

Registrations will be open towards the end of March, to residents of Jindera township, and Jindera postal area.

Watch this space, and your letterbox, for registration details.

Carers Support Group

Jindera Rural Care Link Carer Group met for our first meeting of the year. Everyone had enjoyed a safe and pleasant Christmas break with their Families.

During our catch-up we planned some topics for our monthly get-togethers. These will include guest speakers, craft, photography as well as outings.

There are many ways to offer support to one another when in a caring role and incorporating interesting activities while we chat will provide for a fun and relaxing respite opportunity as well.

Please don't hesitate to call and enquire about the Carer Group. We happily welcome new members to join with us. Peer support from other carers can be very informative and meaningful as we have empathy for each other's situations.

The Carer Group meets on the second Tuesday of the Month, usually at 10am – 12 noon. In March though we are gathering at 11am to enjoy a Lunch in the Village Green at Jindera.

For any information and details of times and venues please call me, Vickie Priscina, Carer Group Co Ordinator on **0428 406 060**.

Carers Plus Group—Workshop

As excited as we were to be presenting our upcoming "Dementia Hope and Help" workshop in March, unfortunately we will need to postpone this until mid to late May 2023.

With such a small Committee, and with our regular ongoing projects, we simply have our hands a bit too full at this time.

Watch this space for further details next month.

Assistance to those in need

We regularly have people approach us for support with food & clothing, accommodation support, or referral to other services such as counselling and home care.

We are an affiliate with Albury/Wodonga Foodshare and can access vouchers through our office. We also regularly provide food hampers, shopped for by our staff, for families with specific needs.

Our office staff has helped people apply for jobs or for rental properties and navigate healthcare and other social support services procedures.

Our Op Shop often provides clothing, bedding and other personal items, for people who find themselves in necessitous circumstances.

We stand strongly behind our mission statement, by providing a safety net of kindness, consideration and support to those in need within our local community.

Phone our office to find out how we may be able to help. Office Hours: 1.00pm to 5.00pm Monday to Thursday.

New main office phone number is **0475 594 073**.

The Jindera News

The Jindera News is Published monthly (except January) by Rural Care Link Inc. All profits from advertising and donations are used to support the

activities of Rural Care Link Inc.

Contributions and advertisements should be negotiated with and forwarded to the Editorial team at jinderanews@ruralcarelink.org.au

Please Note: The editorial team reserves the right not to publish any article or to modify the presentation to suit the style of the publication.

Donations

We have also made substantial donations to the Multi Purpose Hall Committee, and the School of Arts Hall Committee recently. Both, we feel, are important to the history, and to the progress of Jindera township and it's residents, and in addition to helping those in need, we feel it is important to nurture and support this aspect of our community as well.

Rural Care Link Inc. Committee

We will be featuring profiles of our Committee members over the coming months, and first cab off the rank is our Interim President, Leeny Mason.

Hi, my name is Leeny Mason.

I am currently the interim President of the Rural Care Link.

I am fortunate to live on a small farm at Glenellen with my husband, Greg, a retired chartered accountant, now farmer.

I have a grown-up family of six children and 6 grandchildren. My children

all attended Jindera Public School where I also taught scripture for 16 years.

I have been the coordinator of the annual Jindera Community Garage Sale for 21 years. I am involved in the wider community as a volunteer aqua exercise leader at the Walla Pool, a church organist and the catering supervisor for the annual Kairos prison ministry at Tumbarumba.

Professionally, I have recently completed a Bachelor of Dementia Care from the University of

Tasmania and am passionate about empowering people with dementia to improve their well-being. I now work independently in the home care sector.

The core business of the Rural Care Link is to run the Op Shop, publish the Jindera Newsletter, run a carers support group, provide an annual grant to local schools for students in need, organise the annual Jindera Community Garage Sale and assist people in necessitous circumstances (those in need in our community). We have in the past coordinated and run events in seniors week, the

recent Spring Fling, 2022 schools calendar and holiday programs for children.

I see the Rural Care Link as an organisation that will expand its reach into the community to better provide support to those in need and provide training, education and support in areas of health and wellbeing.

Please, if you are at all interested in becoming involved with this very worthwhile not-for-profit charity organisation, don't hesitate to make contact TODAY!

Welcome to Jindera Preschool 2023!

We have welcomed our 2023 Pre-schoolers to Jindera Pre-school with a freshly painted room and new room design.

Our staff have been very busy over the term break preparing our preschool for the new year, and an environment that welcomes our community and values the play and discoveries that we promote.

What a wonderful start to a fantastic year!

We welcome Families, Friends and Community Members to The Jindera Preschool 2023 AGM, held at the Jindera Preschool 21st March 7pm

Is your child aged between 3-5 years?

Are you looking for a placement in a Community Preschool?

Jindera Preschool has limited positions available for 2023

If you would like to enquire or enroll your child, please contact

Jindera Preschool

A big thank you to Brian from Wholesale Butchers for your generous support!

Jindera Preschool hosted our first fundraiser of 2023, at the Albury Bunnings Store Barbeque on Sunday 5th February. This was a fantastic opportunity for our broader community to meet our preschool and raise some much-needed funds.

Thank you to all the parents, staff and committee for running this event and being the positive and friendly face of our preschool. The efforts were so well received we often had money donations without a sale.

We would like to give a special mention to Brian at Wholesale Butcher in Lavington for his support of the event and his donation of sausages. Not only did they help us raise money, but they were delicious and quickly sold out!!

The Preschool was able to raise **\$2080.80**. This money will be allocated to updating resources and furniture for our preschool.

JINDERA RURAL FIRE BRIGADE

NSW RURAL FIRE SERVICE

Annual Donation Request

I am sure the majority of landowners will have received correspondence from the Jindera Rural Fire Brigade this week for the **annual donation request**.

There has been an increase of over 200 landholders in the Jindera Brigade area over the last 5 years, which is indicative of recent subdivision and new housing activity. This increase places a greater demand on the brigade and the volunteers who keep it running. Approximately 25% of landholders respond to the Brigades request for a donation and this response is vital to keep the brigade functioning effectively and safely.

Your Donations Provide Our Equipment

The RFS pay for a baseline of **essential equipment**, such as tankers, radios, protective clothing, along with fuel and repairs.

The Jindera Brigade directly covers a lot of other expenditure that lifts its operational capability. In recent years that has included things like the following:

-  Additional hand-held radios
-  Pagers
-  Thermal Imaging camera
-  Station maintenance costs
-  Items of minor equipment
-  Food for the first stages of extended deployments
-  Improvements to the Station
-  Car park improvements

The **new station sign** is a highly visible example of the **community donations at work**, allowing the brigade to quickly and effectively get bush fire safety messages to the community.

First Responders

The Jindera Brigade is of course the first responder locally, the nearest assistance is an additional 15 minutes away. The early stages of any incident (whether it be fire, motor vehicle accident etc) are arguably the most critical, where early intervention can make a massive improvement to an outcome.

Become a RFS Member

As February has been unusually quiet this year with one grassfire and one motor vehicle accident, the captain has kept the members busy updating and maintaining the trucks and equipment.

We are always looking for new members so please **feel free to drop in** and have a chat if you see us at the station. We have many roles that you may be able to assist with that do not involve getting into a fire truck, and believe me, some of us do struggle.

Maintenance days for **March** are currently scheduled for **Saturday 11th and 25th** from **8.00am** to approx. 10.00am.

Fire Danger

Although the weather for the summer period has been mild, the additional rainfall has ensured a significant fuel load remains around the Jindera area that are drying out quickly and March is a traditionally dry month.

Please be sure to check the **Fire Danger Rating** for your area and know what they mean for you and your community, via <https://www.rfs.nsw.gov.au/fire-information/fdr-and-tobans>.

Many thanks for your ongoing support for your local fire brigade.

Jindera Pool News

Wally Wipeout returns on the last day of the pool season – 12th March, so why not plan to meet some friends down at the Jindera Pool, enjoy a BBQ, and have one final dip.

Jindera's new VILLAGE POST OFFICE

BEFORE

and

AFTER

Jindera's new Post Office opened the doors of its brand new, much bigger premises on 13th February.

The Post Office's owner/operators, Pat and Mary-Lynne Hayes bought the post office in 2015 and have become a staple of our local community village spirit. The new store means more stock, a greater line of post office products and a bigger range of giftware.

It wasn't long after taking over the business they realised it was growing rapidly. "We have doubled the amount of post office boxes since 2015 and our parcel service has really grown" said Pat. "This is mostly due to covid but also because on-line shopping has become such a big thing for people of all ages. We have grown alongside the community and as the town has expanded we have expanded our services as well.

Pat sees a bright future for rural post offices with the service picking up gaps in the market left by some of the bigger banks closing in surrounding towns. "We'd like to thank the local community for all their support and for being patient during the transition to the new building" said Mary-Lynne.

"We'd also like to thank all our family and friends who helped us with the move and the many many offers of help" said Pat, "it has humbled both Mary-Lynne and myself. Please come and visit when you can and again, thanks for all your congratulations and well wishes".

Swimming Carnival!

On Friday 24 February, St John's had their Swimming Carnival for senior primary students! The atmosphere was energetic and the children had a huge amount of fun, encouraging their teammates - even students on opposing teams!

We're so proud of all the students' efforts, the St John's and Jindera Pool Staff who organised and assisted on the day, and the parents/families who helped out and cheered on the kids! We were very fortunate to have a large group of students from St Paul's College to assist us and build more connections between our two Lutheran schools.

Lastly, a **BIG shout out to the winning house – LUTHER!**

Attention

Future Kindergarten Student Families

Our 2023 School year is in full swing, the students are engaged in their learning, and we're really excited to be planning for 2024 and beyond!

We would like to extend an invite to any future kindergarten student families considering St John's for their child's education, to attend our 'Future Kindergarten Student Information Session' in a couple of weeks!

Find out about who we are as a School, our values, missions and learner profile, along with our enrolment process and more.

Contact details as shown:
please RSVP via the St John's Website

We look forward to seeing you there!

UPDATE

with
Cr. Jenny O'Neill

- The Traffic Committee, of which Greater Hume is a member, has recommended that a camera be placed near the Adams St roundabout to monitor traffic activity relating to the bus stop and traffic turning right into the service station. Further action may be taken to move the bus stop to the Village Green.
- A visitor camping at the **Rec. Reserve** made a promotional video about Jindera for free camping site users with the Museum being a feature. He travels around the small towns who have free camping sites and promotes them on You Tube. The Jindera clip will be available in ten weeks. The website is **OZ RV Travels**.
- Disappointing news again from Council staff who have reported continued vandalism and graffiti around the village especially with the public toilets. Please report any questionable behaviour that is seen to the police.

Light Up the Village Green

It has often been said by residents that there should be lighting in the trees in the Village Green.

Here is your chance to help make this a reality. The Jindera Community Forum with the help of Rural CareLink will do some fundraising to make this a reality.

Keep an eye out for money tins in some of our local businesses and a notice about a cake stalls and raffles.

The first **Cake Stall and Raffle** is on **Saturday 18th March** in front of the IGA from **8.00am**

Little Saints children began their year with their educators on the 1st of February. They have come in confidently and ready to learn.

Our learning environments have gone through some changes at the end of 2022, with the addition of George the dragon, he is a climbing experience for children to gain confidence in their physical ability. We have a new soft fall area and sandpit that the children have shown a great interest in playing in. Sand play is a great way for children to be constructive and explore their senses all in one.

We launched our PreLit learning program. PreLit is aimed at preventing young children from experiencing reading difficulties as they prepare for primary school! We're one of the first pre-schools in our area to provide this play-based literacy program and we're SO excited to bring this to our children this year! We have seen some impressive growth for the children and their learning in this program and we cannot wait to see how much further their learning can go.

Our Little Saints children participated in cooking experiences on Tuesday the 21st of February to explore the concepts of pancake day (Shrove Tuesday). Together they added the ingredients, mixed the batter, helped Miss Amy cook the pancakes and then sat down to enjoy them as a group.

Our first fundraiser for 2023 has been started with an Easter raffle.

We are currently taking donations for us to create 3 prizes that will be drawn within the last week of Term 1 - 2023.

Raffle tickets will be available at Little Saints Preschool for purchase.

Please feel free to reach out to us for more information.

JINDERA PUBLIC SCHOOL

Welcome Back:

We have hit the ground running at Jindera Public School with a very busy start to the school year. With the term already well underway, we have already hosted several events with more on the calendar between now and Easter. Here is a snapshot of the term to date.

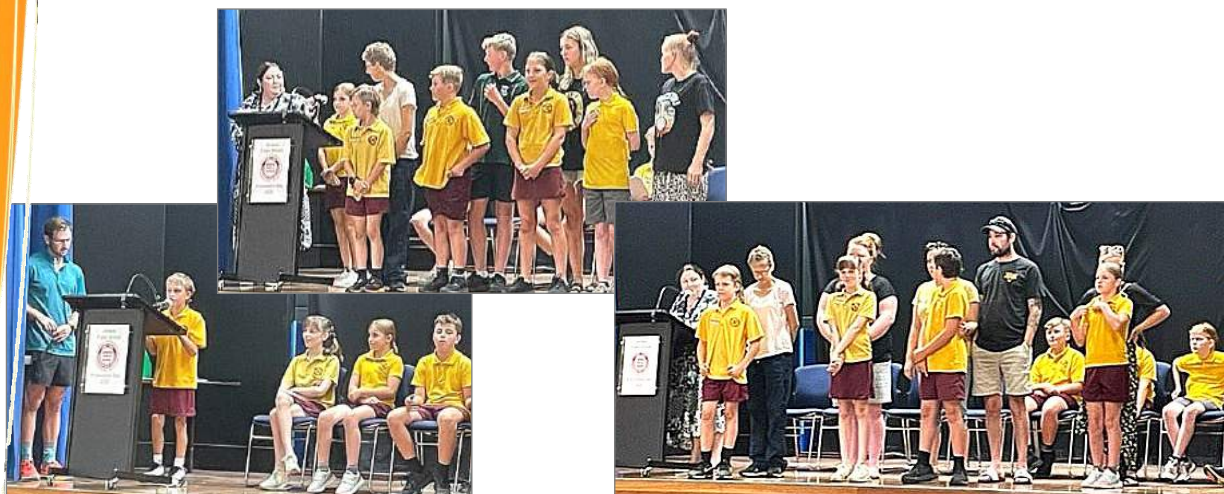

Welcome Kindergarten 2023:

We welcomed our newest Jindera Public School Kindergarten class at the start of the term, and it did not take long for our newest students to make themselves comfortable within the school. Day one drop off was a great opportunity for new, and existing families to meet each other and get to know their new teachers for 2023. Mrs McQualter and Mrs Joyce have been very excited by the smooth start to the year and the way the students have settled into routines and school life.

School Captain Induction:

Our first major assembly for the year provided us with the opportunity to welcome our 2023 school leaders and sports captains with our induction and badging ceremony. It was fantastic to see so many families attending the assembly to support their child/ren as they undertake their leadership role for the year. Our school leaders for this year had their first experience leading an assembly, a role that they will become familiar with as the year progresses.

Farewell Mrs East:

At the same major assembly, the school community had the opportunity to farewell Mrs Jo East. Jo has been a teacher at J.P.S for over 20 years and for many of those, was one of first teachers many students had the opportunity to learn from. Jo was acknowledged at our major assembly where she was presented with a medal of service and farewelled with a community afternoon tea. We wish her all the very best as she embraces her retirement.

JPS Swimming Carnival:

This year we were able to make a return to a regular swimming carnival format with a full schedule of events. The usually sizzling weather did not make a show this year, and instead we were treated to a glorious day and some very strongly contested events. As always, our students competed with a solid blend of competition and fun and many students demonstrated resilience as they undertook events that they may never had attempted in the past. Congratulations to our school team moving onto the Southern Riverina Carnival in a few days.

Peer Support 2023:

Our Stage 3 students have been very busy learning to be Peer Support Leaders and applying some of their social and cooperative skills to leading our peer support groups. This is a fantastic way for young people to build skills and work on communication and we look forward to them honing their skills as the program continues throughout the year. The first session was a great success with the leaders looking and sounding suspiciously similar to some of the teachers they have had over the years.

Southern Riverina AFL trials:

Congratulations to Harry Reid, Jack Delhunty, Blake Golin, Jack Golin, Lachlan Pearce and River Phegan. They will be participating in the Southern Riverina AFL trial held in Culcairn later this term. We wish them all the best.

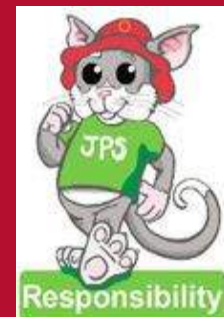

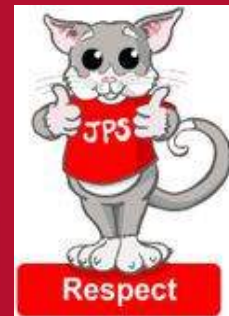

Hockey Clinic:

This week our student enjoyed a Hockey clinic run by Hockey ACT. Many skills were learnt and enjoyed by the students

Jindera CWA News

Murray Group has 8 CWA branches, which includes Jindera. It was reported at the last Murray Group meeting the urgent need for Electrocardiogram ECG machines at the Albury Hospital.

Albury Lions Club and the CWA Murray Group made a joint donation of \$7,500 to purchase the machine for the hospital.

Jindera March meeting will include the Land Cookery Competition, winners will then compete at the Group Competition at Gerogery. Winning entries from there will go to the State Conference at Bathurst in May.

Our next meeting will be **5th April, 2023.**

New members most welcome.

Yours in CWA Friendship,
Bev. Blair – Publicity Officer.

VALE – MARY FIELDER OUR FLOWER GIRL

Mary attended the reformation of Jindera CWA in 1978 and joined in 1979.

A 44 year membership, she was awarded a Long Service Badge in 2007 and CWA Life Membership in July 2017.

Mary loved her garden and each meeting gave members hints on gardening, flower arranging and until last year made the CWA Anzac Day wreath for our branch.

The Margaret Jelbart Trophy for flower arrangement, awarded by Murray Group at the Annual General Meeting each year, she won countless times.

She will be sadly missed – 98 years young.
REST IN PEACE MARY.

Jindera locals celebrate Seniors Festival

On Monday 13 February 2023 about 20 Jindera community Senior Citizens had an enjoyable morning at the Jindera Hub.

This year's festival theme was "Celebrate Together" and Greater Hume Council encouraged older adults to feel relaxed and comfortable while out and about enjoying the variety of events and activities on offer during the festival. It was opened by Susan Kane from GHC Libraries.

Activities included origami, painting, games and puzzles. This was followed firstly, by Intereach, who talked about 'Navigating Age Care' and support for older people.

Secondly, Elaine from Hume Bank gave an informative talk about cyber security, how to avoid scams and be protected from cyber-attacks. The participants also enjoyed a delicious lunch which was supplied by the Jindera Bakery.

Jindera Community Garden

We are a social group who are creating a garden for EVERYONE to enjoy. Check our news on Facebook, and read *here* each month for updates. If anyone has ideas or suggestions, please let us know.

Phone or Message Eileen White—0400 023 290 or email jinderacommunitygarden@gmail.com.

Wanting some craft people to help please.

Jindera Community Garden will be having some craft days to help decorate some Jars, Tins and Labels for our Stalls ..

Can you help with this?

Perhaps a Sunday 3pm afternoon tea?

With demonstration on how we can do this ...

... other days could be Tuesday, Thursday or Friday

Message Eileen 0400 023 290

Would you love to join us in painting and decorating pots?

All you need is bring clean pots for yourself and one to donate to Jindera Community Garden Stall...

Bring any leftover

paints, small brush or spray cans,

Tape, Terracotta pots or Tin pots.

Anything you think looks suitable then we can plant.

Please let me know - Eileen 0400 023 290

Urgent ... Urgent ... Urgent

The Community Garden is in need of your help to make our Garden more attractive.

Working Bee - MARCH 19th 2.30 pm

We will be building our Garden Nook with Pallets and a seat.

We need your advice to help, it's not a big job as long as we know what we are doing.

Please don't leave this to one person for I'm sure we will all use this Garden down the track sometimes...

The pallets need to be taken out of the shed then the rest of the gear.

There is a little mud and dirt that has to be swept out.

If **10 people** have half an hour to help we will get it done - it's not a hard Job.

Please message me - Eileen 0400 023 290

In the meantime, wander down to the garden and pick herbs or vegs ...take a friend who may be interested.

Congratulations go to club legend Don Singleton who was bestowed with Life Membership of the club. Don is a tireless worker and supporter of the club, who also has the honour of two "Hole in Ones" – the first being the inaugural Hole in One at the club.

The Vets competition is now back in full swing every Wednesday at 8.30/9.00am. The Ladies will restart on Thursday 9th March.

The competition season proper will begin with our "Open Day" on Sunday 5th March. This is a 2 Ball Ambrose Mixed and Men's competition. It will be a "Shotgun Start", with tee time 9.00 for 9.30am Start. Cost is \$25.00PP and includes BBQ lunch and great prizes. Enquiries to "admin@jindergolfclub.com"

From then on, the season will be played according to the 2023 men's and ladies' calendars which is now available on our website.

The "9-Hole" Comp is still running in conjunction the normal 18-hole Sunday comp and provides a great opportunity for those looking for an entry level into competition golf. Ideal for juniors or for those looking to get a handicap.

The Friday night "Chook Run" is now running on Daylight Savings times, with tee-offs between 4 and 5 pm.

In the meantime, current comps are as follows: -

- **Sunday – Men's 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)
- **Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00
- **Friday – Chook Run – 9 Holes**, Open to all, DST Tee-Off 4.00 to 5.00pm, can also be played throughout the week – Play your game, place cards – signed & verified by partner with \$5.00 in an envelope & slide under door.

The club has an electric golf cart for hire by members and visitors.

For bookings, contact us via email.

Membership – To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos. Annual memberships become due on 31st March and cost \$110.00 (inc. GST), Juniors \$33.00 (inc. GST)

The irrigation upgrade – Seven greens and all tees are now watered from the new irrigation system. The next phase is to integrate the 4th and 9th greens which are currently watered from town water.

LADIES – SUNDAY / THURSDAY
Xmas Break

JINDERA ANGLERS CLUB INC.

Been plenty going on with the club having a January fishing comp and the just completed Annual Daryl Girling Comp being held at the 12 mile reserve. The lands department owe Jindera Anglers a **huge thank you** for clearing 3 foot high grass around the rivers edge to make it possible to camp there, thanks to Graham Lyons with his tractor and slasher, Laz, sham and Dave for their work with wiper snippers and ride on mower.

January, the club held an open fishing comp with members fishing the weir, the river and Mulwala and some members fished all three, winner of the best fish was Brian Shannon with a 63 cm cod, best bag of fish went to Wade Morey with a nice bag of redfin and Leif also had a good bag of redfin just missed out on the chocolates. Doughnuts went to Kirsty, squeak, Aaron, Kyle, Clare, Tim, Taryn and Alex.

South West Anglers had their AGM in February and congratulations to all the new committee and we wish them a successful year, thanks for all your hard work and efforts, we do appreciate it.

South West Anglers also held their Buckingbong fishing comp in February near Narrandera and unfortunately Jindera weren't able to field a team.

The Annual DG Comp has just been completed at the 12 mile reserve on the Murray River with a big turnout and heaps of fish caught, approximately 40 legal size Murray cod (55 to 75cm) were caught with the majority released to fight another day. There would have been several hundred cod caught for the weekend, 1 turtle, several carp a shrimp net, 2 thongs ... one with a person still in it.

I personally think it was the best Murray cod fishing we have seen since the inception of the DG Comp, it was nearly impossible not to catch a cod if you tried hard enough, with several nice fish caught right at the boat ramp. Still some doughnuts were awarded (*I think some people enjoy doughnuts to much*) Dave, Brendan, Jono, Barb, Kylie. Chris, Nicky and Grochy.

On Saturday night after a beautiful meal (magnificent salads) the raffles went well with heaps of quality prizes, followed with the yabby races with Graham Lyons riding home the winner.

The winner of the best fish was Mark (the squeak) Taylor 70cm cod winning the DG Trophy narrowly from Graham Lyons who had a 69.85cm cod and Graham won the best bag of fish prize, narrowly.

Juniors winners were Matty and Lochie Kalina with a 56cm and a 35cm cod, both released.

Ladies winner was Jenny Groch with a 630 cod, narrowly from Kerry Lynch 600 cod, Naomi Lieschke 620, Kirsty Taylor 550 and Erin with 610 Murray cod.

Mens other Murray cod weighed in Wade 590, Laz 570, Sham 590, Cliff 580, Ricko 570, Tom Lynch 560, Will 560, Trev Lieschke 580, Trev B 560, Mark Lynch 560, Aaron 620, Zac Groch 600 and Dylan 570.

The club wishes to **thank all sponsors** in particular **Kim Girling, Jindera IGA, Elks, Codpro, the Happy Hen, Next Level Café** and all who donated prizes for the raffles.

Quick **word of warning** to all fishos fishing Lake Hume, the **virus** effecting redfin appears to be getting worse, be careful handling these fish and don't even think about eating them.

Next general meeting will be held on **Friday, 11th March** at the clubhouse commencing at 5.30.

Next fishing comp will be an **Open fishing Comp** commencing at **5pm on Friday 24th March** with the weigh-in to be held at the clubhouse at 5pm on Sunday, 26th March.

Tight lines.
