Inaugural Seniors Festival for Jindera 2021

Last month, in partnership with Greater Hume Shire Council, RCL ran an inaugural Seniors Week Festival here in Jindera. Thanks to the persistence of local resident, Peter White, GHS were persuaded to add Jindera to the list of communities within their Shire that were allocated funding and overall co-ordination of their programmes.

RCL managed the development of two separate days dedicated to Jindera residents aged 55+ yrs. The focus was on people getting out into the community to participate in various activities and have fun.

The first event was held in the tranquil gardens of the Jindera Pioneer Museum on Wednesday 14th April. The working machinery shed was open with working engines on display and some tinkering. Other activities included Chair Yoga, a Tai Chi display, Bocce, Croquet, Ukulele lessons, Creative Metal Work display and an old fashioned BBQ Lunch. The weather was perfect and smiling faces were testament to an enjoyable time.

The following week, we ran a Seniors Expo on the Tuesday at Jindera Community Hub. Activities started with Gentle Exercise in the library area lead by Colleen Lord OAM, and the day continued with a myriad of activities, including wood burning, card making, macramé, beading, beeswax wraps, wooden plane building and many other crafts, all of which can be accessed through local people and groups such as "Stitch & Chat".

There was a representative from Services NSW who was helping people with access to their services and vouchers. Rachel Proctor from The Flower Mill demonstrated flower arranging and Dr Brian Lord demonstrated how to pot up a Bonsai. Lucky door prizes were provided by Rachel, and by Jodie from Jo & Co., and a sumptuous lunch was enjoyed by all.

Over the two days we saw close to 100 people take part in these events, and RCL are already getting excited about what to include in next years Seniors Festival.

A big thank you must go to Peter White for getting this off the ground for Jindera, and the tireless efforts, as always, of our wonderful RCL Volunteers, and of course to Greater Hume Shire Council's Susan Kane and Betty Chaloner.

OP SHOP News

Once again we've had a month that has been very busy, especially with preparations for the Jindera Community Garage Sale. All the volunteers worked very hard selecting the very best items for the day for both inside and outside the shop.

The garage sale was a wonderful success for Rural Care Link as the items sold on the day were greatly appreciated by the buyers.

Once the day was over everyone was back in the shop sorting and trying to find places for the many donations that were dropped off.

This coming month of May, the staff at the shop is getting ready for winter so there will be a lot of reorganising going on within the shop as the summer clothes move out and the winter clothes come in.

All staff members are very excited to be able to display some lovely clothes, especially the winter jackets for both men and women. These are now on show on racks inside the shop with lots more to come.

To make room for the winter stock a **giant summer clearance** will be offered from the 27th of April for two weeks.

We will also have some goods on sale on our Face Book site, such as a two seater leather lounge in good condition, a stock saddle, and two club chairs, also in good condition.

The Op Shop volunteers look forward to seeing you soon!

OP SHOP - Summer Clearance SALE - \$3.00 bag

**From Tuesday 27th April, for two weeks only,
a \$3.00 bag sale will be offered on all summer stock
except for tagged clothes that will be on sale
at half price on single items.**

**Don't miss out on this sale as
it's the last summer sale of the season.**

**Lots of shorts, shirts, blouses, and
children's clothes will be on offer.**

"Providing a safety net of kindness, consideration, and support to those in need within our local community"

Wellbeing Support Service

Starting mid February

Life can create hurdles that we find hard to overcome. While dealing with adversity might be an inevitable part of life, difficulties or misfortunes don't have to be managed on your own. Sometimes, a little help can go a long way.

*Jindera Rural CareLink is working in partnership with Social Worker, **Bryony Cooke**, who is able to offer a guiding hand, a listening ear, a warm heart, and confidential counselling service to those in need. Bryony has expertise in many areas to do with a person's wellbeing and is able to provide support and guidance so that they can successfully move on with their life. Bryony has been involved with many areas of a community including currently being a volunteer for Coast Guard at Bonegilla.*

***Bookings can only be made by phoning Bryony on a Thursday
between 12 noon and 5 pm on 0400 654 916***

*As Bryony is an accredited Mental Health Social Worker this service is free
with a Mental Health Plan from your doctor*

ROAD CLOSURE – Jindera Street, Jindera

Greater Hume Council gives notice of the closure of a small section of Jindera Street between Pioneer Drive and Pech Avenue, Jindera.

The section of road is closed due to a new roundabout being constructed at the intersection of Jindera Street and Pioneer Drive, Jindera.

It is envisaged that the time frame for the road closure will be 6 weeks, from **Monday, 26 April to Monday, 7 June 2021**.

Road diversions and detours will be in place during construction directing local traffic around Pech Avenue.

Residents fronting the Jindera Street works will have access to their properties during construction.

If you have any queries regarding the road closure please do not hesitate to contact Council's Manager Traffic & Infrastructure Michael Oliver Ph: (02) 6036 0100 or 0429 089 680

The largest senior's Festival in the Southern Hemisphere was held at Jindera on Wednesday 14 & 20 April 21 to celebrate the incredible seniors in the Greater Hume Council.

The extremely successful events held at the Jindera Pioneer Museum and the Jindera Community Hub enabled a number of exciting free programs to be delivered during these challenging times.

Seniors in Jindera were invited be out in the beautiful sunshine at the Jindera Pioneer Museum and inside at the Jindera Community Hub to enjoy a diverse range of experiences on offer. Both events inspired the seniors to be active, socialise and share their skills and wisdom, all while connecting with their community.

The events would not have been such a success without the support by the businesses and community in Jindera. A special thanks for all the hard work goes to Colleen Lord at the Rural Care Link and her wonderful team of volunteers, Margie Wernher and the team from the Jindera Pioneer Museum, stall holders who made the trip to the events and Peter White for instigating the days.

Without your support and promotion throughout the planning of both programs the events would not have run so successfully.

Lastly, thank you to all of the community members who attended the events and made the days so special.

Funding for the NSW Seniors Festival Celebrations were made by the Greater Hume Council and a successful NSW Government grant.

FAUKLANDS WAR VETERAN SPEAKS AT CWA MEETING

On the 7th May the Jindera Branch of the CWA welcomed retired British Naval officer Nick Little as he gave a presentation on his experiences in the Falklands conflict.

Nick's presentation related to his the personal experiences of the little known and unusual aspects of the 1982 Falklands Crisis; the minesweeping operations.

Nick now lives in Albury with his wife Helen Glachan, whom he met and married in England. In 2001 and after a 26 year Naval career Nick left the Royal Navy and he Helen and their two boys moved here to raise their family.

JINDERA SKATE PARK EVENT

The Greater Hume Council in conjunction with the Totem Collective held skateboard lessons at the Jindera Skate Park on Thursday the 22nd of April.

The Totem Collective is a Sydney-based business, however their roots began in rural New South Wales. It is this insight into city and country living that makes Totem such a unique team.

Totem's focus is developing self-esteem, personal identity and self-image through positive attitudes and activities — skateboarding is simply their vehicle for this message.

Jindera Saint John's primary school attended the event with 21 of their students. The day started with some basic skills sessions but progressed to more intermediate classes as the day went on.

The students were all very enthusiastic and engaged in the whole program learning many new tricks and tips whilst also learning some skate park etiquette.

A healthy morning tea and a BBQ lunch was provided for all participants.

Jindera Red Cross

News

The April meeting was held at the Jindera Museum.

Members were very excited to be able to celebrate the 100th Birthday of their oldest member, Edna Chugg, by signing a birthday card to recognise her day which was on the 9th April. Some beautiful flowers were also delivered to Edna to celebrate this great event.

On Anzac Day this year, the Red Cross laid a wreath at the Jindera Memorial Garden in remembrance to those who paid the ultimate sacrifice for our country. *Lest We Forget.*

Due to the COVID virus, the Jindera Red Cross has not been as active as usual, but all members are looking forward to getting back to normal very soon, with the next meeting being on

Tuesday, May 4th at 1.30 pm
at the Jindera Museum.

News from the NSW Red Cross Head Office

The 8th May is World Red Cross Day.

It's a day to give thanks to all members, volunteers, staff, and partners of Red Cross who act for humanity.

World Red Cross Day is held around the globe to recognise 8th May as the day the founder of Red Cross, Henry Dunant, was born.

This year the theme is "together we are unstoppable".

In 2020, one in every twelve people around the world received some form of help from the Red Cross or Red Crescent - from in-person psychosocial support, to seeking a social post with COVID information to help make sure that communities have the knowledge and means to protect themselves. This has been an amazing achievement.

Celebrate World Red Cross Day on the 8th May along with all the local members of the Red Cross.

Draft Jindera Residential Land Use Strategy

Council has prepared the draft Jindera Land Use Strategy that provides for the future residential growth and development of the Jindera Township for the next 20-30 years.

In accordance with the Greater Hume Community Participation Plan, the **Draft Jindera Land Use Strategy will be exhibited from the 17 April 2021 until 17 May 2021.**

Documentation can be inspected on Council's website Have Your Say page or during normal business hours at Council's customer service centre at 83 Urana Street, Jindera.

Submissions will be received until the close of business on 17 May 2021 and are to be in writing and addressed to the General Manager, Greater Hume Council, PO Box 99 Holbrook NSW 2642, or alternatively emailed to mail@greaterhume.nsw.gov.au.

It is advised that the exhibited Draft Jindera Land Use Strategy has been updated from the version that was presented to Council at its February Ordinary Meeting.

Should you require any further information in relation to this matter please contact Colin Kane, Director Environment and Planning on T: (02) 6044 8928 or email: ckane@greaterhume.nsw.gov.au.

Draft Jindera Residential Land Use Strategy

Greater Hume Council recently announced the development of a draft Jindera Residential Land Use Strategy which provides the strategic framework to guide future residential growth of Jindera. The strategy was funded by NSW Department of Planning, Industry and Environment.

Currently Jindera has approximately 12 years supply of residential zoned land based on a take-up rate of 30 dwellings per annum since 2015.

Photo @Lea_Bic Photography

Preparation of the strategy has been informed by stakeholder and community consultation including expressions of interest from landowners. From those engagements, the study area investigated by the strategy was set to the urban area of Jindera and surrounds bounded by Dunwandren Lane, Wehner Lane, Vine Drive, Hueske Road and including Kingston Hill and a road reserve.

The report considers the residential demand for vacant residential land. In the next 20 years, the strategy predicts that new dwellings will grow from 893 dwellings currently to 1,853 dwellings by 2041 to meet forecast population growth and household occupancy rates.

The strategy identifies proposed residential land supply for RU5 village zone which has a minimum lot size of 600m², R2 Low Density Residential zone that has a minimum lot size of either 2000m² or 4000m² and R5 Large Lot Residential which has a minimum lot size of 2ha. The number of proposed lots identified is 1,178 which represent 39 years of land supply based on the current uptake of 33.5 allotment per year. The strategy has identified further potential resi-

dential land which is marked as proposed zoning (future growth). The strategy also discusses the interaction of residential land with industrial land and the need for additional open space.

The draft strategy is now on formal public exhibition seeking feedback.

The final stage of the project involves refinements to the strategy in response to written submissions and then a further report to Council to adopt the final document.

You have until 17 May 2021 to make a submission.

Visit www.greaterhume.nsw.gov.au Have Your Say to view the document or view the document at Jindera Community Hub.

JINDERERA

• PIONEER MUSEUM •

The museum had a very successful Campfire Night on the 17th April with fabulous bush music provided by the Swag and Billy Bush Band. These great musicians hadn't played together since before the Covid pandemic erupted and they gave us a taste of what they have to offer. Seven players turned up for what they told us was a 'jam session' – they were all so eager to get back to it.

The food was great, with many willing and able camp oven cooks and a spit roast lamb. It was a cold night but with the fires, great food and music, and with a glass or two of wine, no-one seemed to notice. This will have to remain on the museum's program of events for future years.

A very successful Seniors Week (ten days) was held in Jindera this year with the museum being the venue for the first event held in the shire. Participants were involved in chair yoga, Thai chi, various games, ukulele workshop and several other activities. It was great to see so many utilise the lovely garden area at the museum for this occasion and to see so many support Seniors week.

The museum has a new sign which you may notice as you head northward through Jindera. It is surprising the number of people who stop and say they can't find the museum or who stop thinking it is still the general store. The Tourist Information sign seems to help draw them in so that they can at least ask the question.

We have been fortunate in the last weeks to have the return of several small groups to the museum for visitation and often Devonshire Tea. This

seems to be a sign that people are becoming more willing to get back to moving about the state.

The Tea Rooms has been very busy over the last month and opening for the three days of Easter was very successful, providing another option for visitors to Jindera to stay a little longer. We all need to recognise the value of tourism to the town and district and find ways to get people to visit or stay longer when they come.

One of our concerns for the future is how we increase the numbers of people who want to visit the museum. We can continue to develop this wonderful place but we need to have the benefit of people coming to visit, to make it worthwhile. We have to continue to find ways to increase our visitation, to find other ways to make the complex appealing and we have to find ways to target the audience who want to come.

It is astounding the number of people in Jindera, in Albury and the surrounding area that have never been to visit the museum, and it is without doubt, one of the best around.

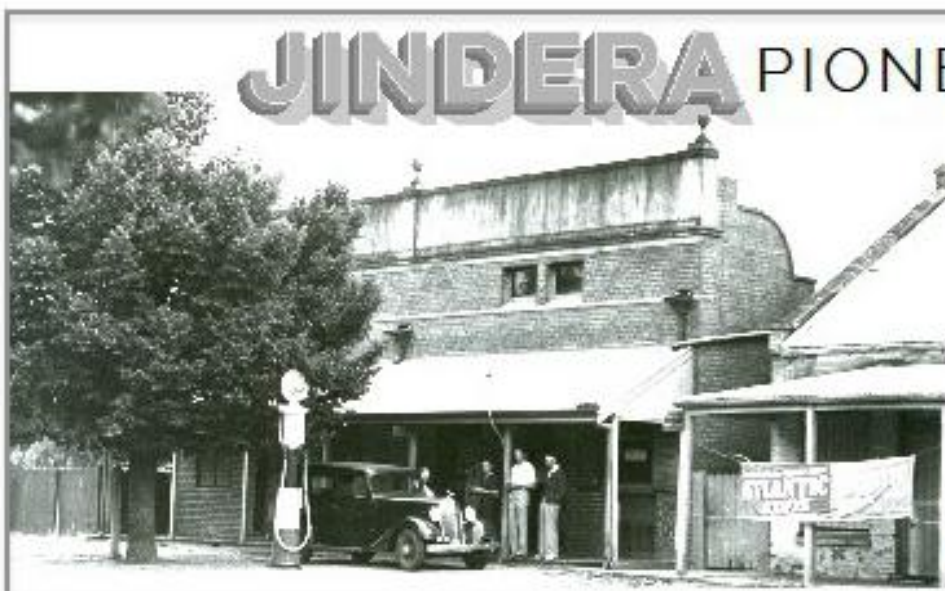

Over the coming year we hope to raise funds for a new complex that will be built in front of the present Cottage Crafts and will provide some much-needed space for several new developments at the museum.

We are commencing a fund-raising drive so that we can look to embark on this project. The preservation of our history although not bringing the same kudos as other fund-raising activities, is still a very important objective and one we hope to encourage you all to be generous towards.

Our senior students had a great day at the Jindera Skate Park recently, learning to Ollie, crab walk, tic tac and skateboard. The event was organised by The Greater Hume Shire Youth Services and run by The Totem Collecting Skateboarding School from Sydney.

AFL PAUL KELLY CUP

St John's entered two teams in this year's Paul Kelly Cup competition at Lavington Sports Grounds.

Both teams worked hard, showed great sportsmanship, and most importantly tried their absolute best.

Congratulations to the girls, who won all their games and have made it to the finals.

CIS NETBALL

The girls recently headed off to Wagga to represent St John's at the CIS Netball competition.

Well done to all the girls who participated on the day. It was perfect weather for netball and a great day of sport and team work.

Congratulations to Tully and Priya for qualifying to represent CIS NSW in the finals.

Calling for Expressions of Interest to Host Australia Day

Greater Hume Council is seeking expressions of interest from communities in Greater Hume to host Australia Day 2022.

Australia Day in Greater Hume is celebrated in a different community each year. Residents can take this opportunity to showcase their community to the rest of the shire.

Expressions of Interest close - Friday, 28 May 2021

For more information please contact Kerrie Wise, Tourism and Promotions Officer, 02 6036 0186, 0448 099 536 or kwise@greaterhume.nsw.gov.au.

Due to COVID-19 restrictions, Council currently permits 10 people to attend the public gallery. Meetings are recorded and available for viewing on Council's website <https://bit.ly/35uKFxX>

Council will continue to hold the monthly meetings at Holbrook Library Complex.

Business dealt with at the meeting included:

Council resolved to advise the developer of the proposed Glenellen Solar Farm that it accepts the Voluntary Planning Agreement offer, subject to public exhibition and consent to the development being granted by the Independent Planning Commission.

Council agreed to further amend the plan to allocate funds raised via the development consent levy which is applied to all development consents and place the new plan on public exhibition for comment.

Council granted approval for a two lot subdivision in Urana Street, Jindera.

Council formalised a policy which reflects a long standing practice of making plant and equipment available for community projects/events out of hours at no cost providing the community organisation negotiates with a regular Council operator to volunteer their time and is subject to sign off by senior management.

Council will call for expressions of interest for communities to host the 2022 Australia Day event.

Council resolved to place the 4 year Delivery Program and annual Operational Plan and Budget on public exhibition, commencing 26 April 2021. The 'business plan' guides the operation of the council and the expenditure of ratepayers and grant funding for the forthcoming year. A total expenditure budget of \$45,212,498 is projected with a General Fund surplus of \$10,218. Whilst some sectors have been impacted by COVID, because of falling revenue streams and increases in expenditure outside its control, the Council will increase rates by 2%. Council will continue to provide relief and support to ratepayers suffering hardship, due to bushfire or COVID impacts.

Council committed to transitioning the Culcairn Early Childhood Centre to Greater Hume Children Services effective 1 July 2021. Parents can be assured that ongoing services will be available and Council and CECC are working hard to ensure a smooth transition. Child care services at Culcairn include long day care, after school program and a preschool program. Hours will remain the same and Council will work with parents to ensure transfer of all current enrolments to meet the needs of families.

In relation to the report to reconsider closing a council road, Council resolved to defer the matter until the May meeting and to undertake a councillor inspection of the road, the subject of the road closure application.

Council will contribute \$25,000 towards a formal study of a proposed Jindera – Lavington Shared Path project.

An unnamed road at Lankeys Creek has been named King Parrot Lane, subject to no objections being received during public consultation.

Council has appointed Hutchinson Civil Pty Ltd to create the Walla Walla Swamp Shared Path at a cost of \$336,990 (excl. GST).

Council endorsed a modified organisational structure for the Engineering Department.

Meeting agendas and minutes are available for viewing at any time on Council's website.

Go to www.greaterhume.nsw.gov.au for all your Council information such as contact information, to lodge a customer request, news, events, development applications and forms, careers, waste and recycling, library and community services, works and projects, business and investment, grants, youth, Council meetings agendas and minutes, children services, water and waste water, pet registrations, your rates, have your say and so much more.

If you have friends and family visiting go to www.visitgreaterhume.com.au to be inspired and plan your day with lots of suggested tours and activities.

Cr Heather Wilton Mayor greaterhume.nsw.gov.au

Culcairn Early Learning Services to Continue

Greater Hume Council is committed to ensuring ongoing care and education services provided through the Culcairn Early Childhood Centre (CECC) and are working with CECC towards transitioning operations to Greater Hume Children Services.

"Parents can be assured that ongoing services will be available and Council and CECC are working hard to ensure a smooth transition," said Mayor, Cr Heather Wilton.

Child care services at Culcairn include long day care, after school program and a preschool program.

Hours will remain the same and Council will work with parents to ensure transfer of all current enrolments to meet the needs of families.

In recent times when childcare services within Greater Hume have no longer been able to operate under the traditional community led model, Council has responded to the call for help and to enable Greater Hume communities to continue to have access to critical children services.

"This is the fourth service that has approached Council to take control of operations. To ensure we can continue to provide ongoing quality services we ask our local families to continue to support these services," Mayor Wilton added.

For further information parents can call David Smith, Director Corporate and Community Services.

Jindera Community Gardening Update

Hello Happy Gardeners!

I have been speaking to several people over the last week and I have been getting a good feedback.

We are at the stage now where we are looking at Garden Planters and Tubs pricing list ..

Cheryl Ingrey and myself went out to the Wrenwood Farm on Riverina Highway Bungowannah and checked out the raised garden Tubs.

They are willing to give us 20% discount off the Tubs. It's worth taking a drive out there they have a little bit of everything.

Everyone is welcome to our little Garden chats. Please **MESSAGE Eileen on 0400 023 290** for inquiries.

I will keep in touch!

Hit hard by fruit fly this season?

Looking for possible solutions and what to do with stung fruit?

Lets talk about it!

Community Choices Program

2021 Information Sheet

Essential Energy's **Community Choices program** is open again, allowing people across rural, regional and remote NSW and parts of Southern Queensland to vote for grassroots causes that can do with some extra support.

A total of \$175,000 will be shared by eligible groups across [20 zones](#) in our network area, with funding of up to \$2,500 per successful group.

Eligible charities, registered not-for-profit groups and community groups can nominate themselves, or be nominated, from 12 April 2021. Full details are at essentialenergy.com.au/choices

How much money each nominated organisation receives is determined by how many community votes they receive via the online voting platform. The entire process can be completed online – from nominating to the community voting, which makes it an easily shareable and COVID-safe way to raise funds.

This year, Essential Energy has introduced an additional Small Communities category. Local groups within our footprint who are in towns with populations of less than 20,000 people can nominate for this additional category, boosting their opportunities for funding if they are relying on a smaller voting base than groups located in large communities.

Last year, more than 120 organisations shared in the total funding, which was used for everything from local Dragon Boat Clubs to Equestrian groups supporting kids and community outreach programs like Meals on Wheels and Legacy.

The program is a great way for communities to have direct input into who they would like to support with funding in their local areas.

Three of our Community Choices Champions from 2021

Wooloweyah Community

Residents in the small town of Wooloweyah - population 406 - can feel a little safer knowing their Community Choices Champion funding bought a lifesaving Automatic Public Access Defibrillator (AED) and training for locals. The AED will be kept at Hayman Park, and is available for anyone who might need it.

Eden Community Access Centre Inc

Used their funding to support their outreach program with a new printer. This helps them look after rural and remote locations like Wonboyn, Kiah and Towamba.

Wooloweyah Community

Eden Community Access Centre Inc

Byron Community Centre Pantry

Louise and the team have been busy delivering food to many locals experiencing hardship as a result of COVID-19. Since April, they've supported more than 1,000 families, seniors and stranded international students and most say that the pantry's deliveries are the difference between eating and going hungry. This shows the value of these community organisations like the Byron Community Pantry, and we were pleased to be able to lend a helping hand through our Community Choices program.

Byron Community Centre Pantry

JINDERA ANGLERS CLUB

April has been a hectic month for the angling club workers having run a wood raffle and catered for the recent garage sales as well as members running garage sales from the clubhouse.

Many thanks to our club members who cut wood, sold tickets and cooked and served the bacon and egg sanga's, hot chips, snags and hamburgers. *Ripper effort gang.*

Wood Raffle Winner *firstly thank you to everyone who purchased tickets, the club appreciates your support and this will enable your town fishing club to purchase \$2000 of Murray Cod fingerlings for release in the Murray River at the 12 mile reserve early next year.*

Bruce Klein draws out the winning ticket in the Jindera Anglers Club wood raffle.....the winner was "Charlie" from Holbrook

The winner was Charlie and his family from Holbrook, they were so excited as they have never won anything before and were over within the hour of being notified to collect their prize.....the wood really did go to a deserving family.

The club also presented a wreath at the Anzac Day Ceremony, thanks to our Vietnam vet BJ for presenting the wreath on our behalf.

Worker of the month was Laz, (tough call as so many did so much) cutting the grass, raking leaves, apprentice chip cooker and being the gofer at the garage sale, he may have even caught a couple of fish during the month. A huge thanks to Phil and Billy Wallace (braveheart) for restoring our wood heater to new condition.

Redfin every where, our members have had an incredible year catching redfin this year at Lake Hume, most anglers are only keeping fish over 27cm (around ½ pound in the old scale) and the fish are still biting at the time of writing. Best rig is jagger, icejig, jackal with a soft plastic 400mm up the line and casting out and retrieving.

How is the best way to fillet a redfin?

.... come along to our next weigh-in on **Sunday, 1st May at 5pm** and view our experts show you what they consider there best filleting method is.

Last fishing comp was held on the last weekend on March with a good attendance and lots of fish weighed in, all redfin, best fish went to Jason Boyd with a 38cm redfin.

Best bag of fish was also won by Boydy with an overall length of 6170, from Brent 6130, Sham 5680, Laz 5390, Wade 4870, Leif, Wayne, Dick, Trevor also weighed in fish.

The gang that chased cod didn't trouble the scorers.

Junior fisher Ben Bradbury caught some nice redfin out of comp with the biggest going 31cm.

Next Fishing Comp

is on the weekend of 30th April, 1st and 2nd May and the May comp will be held on the last weekend of May, this will be decided at our General Meeting on Friday, 14th May at 5.30pm.

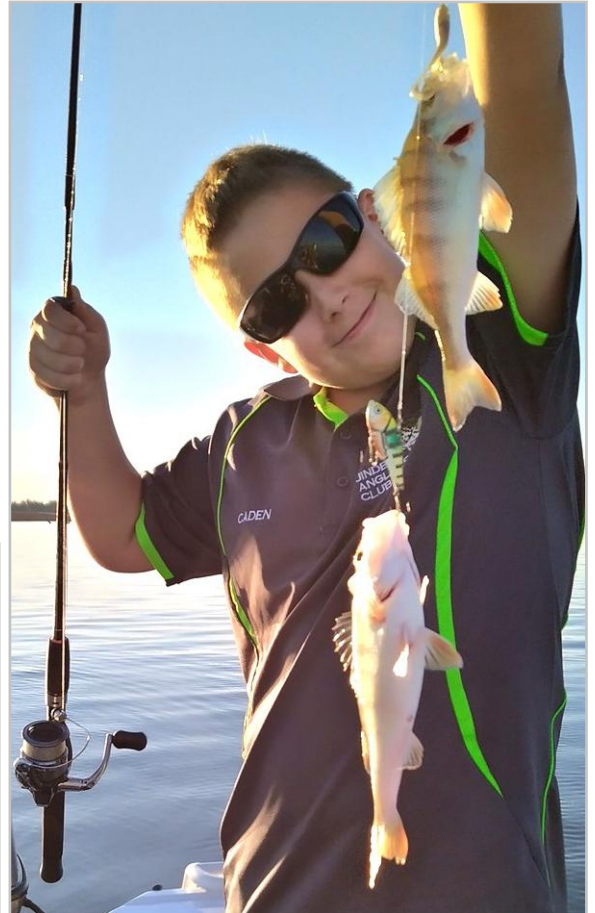

Tight lines!

Bugger ... unable to weigh-in

Caden Boyd with a nice double header of redfin

Dave and Bruce jaggung up a feed off the Bowna ramp

Good sized teddies are still biting brilliantly at the weir, even Ricko can get a good bag

Dick and Geoff snavelled some good teddies recently at Bowna
