Enter THE PHANTOM ... Did You Know?

Local couple share their *Phantom* story

Many adults in the community may remember **The Phantom, The Ghost Who Walks**, a comic character created by Lee Falk way back in 1936. In 1938-1940, the first Australian Phantom comic was printed in the *Woman's Mirror* Phantom Comics. Frew Publications first printed The Phantom comic on 9th September 1948 and it is still being printed until this day. Over the years, The Phantom comic has been printed in nearly 70 countries.

The Phantom, unlike many other comic heroes, does not have any super-powers. He fights evil wherever he finds it with pure strength and wit and the myth that he is immortal.

The life sized Phantom Skull Throne

Over the years, Bradley has been collecting The Phantom comics and memorabilia. Through Bradley's interest in The Phantom, Bradley and Joyful have met many new people they now consider close and lifelong friends, been given the opportunity to display their collection in the Albury Library Museum and the Lavington Library, travelled internationally, have met many famous people and had the pleasure of addressing community and school groups about The Phantom.

The vinyl wrap on the RV

Bradley and Joyful's latest acquisition is a vinyl wrap of The Phantom which has been added to the rear of their motorhome. Keep an eye out for this beauty – it's well worth seeing!!

Bradley and Joyful's recent presentation to Hume Public School

Local residents, **Bradley and Joyful Peach** are well known for their connection with The Phantom.

Did you know they have a submarine in their back yard? Yes, it is the movie prop from the 1996 *The Phantom* movie starring Billy Zane, Catherine Zeta-Jones and Kristy Swanson.

Not only do they have a submarine, they also have a life sized Skull Throne which Joyful commissioned Charlie Williams from Wodonga to build for her as a Christmas gift to Bradley several years ago.

The submarine used in the 1996 The Phantom movie

Our local couple with Billy Zane

We provide a safety net of kindness, consideration and support through:-

Jindera Opportunity Shop | Jindera Newsletter | Referral and Emergency Contact Office

Carers Support Group | Schools Grants Programmes | Critical Family Aid

We also provide support and resources for various local events and organisations:-

The Jindera Garage Sale | Seniors Week | Anzac Day Services | Jindera Pioneer Museum

Rural Care Link Office

Hours

1.00pm to 5.00pm Monday to Thursday.

Safety Net—Help & Support

We can provide basic food, clothing, and other financial and emotional support for local people in need.

We can help them to connect with other services and give support to help them navigate today's challenging systems.

As an agency for Albury Wodonga Food Share, we can access their Community Pantry Vouchers, and we can connect the aged and disadvantaged with local RSPCA volunteer services to help take care of their pets.

Phone for an appointment on **02 6026 3001** or text **0475 594 073** to find out how we may be able to help. Messages responded to promptly.

The Jindera News

Contributions and advertisements should be negotiated with and forwarded to the Editorial team at jinderanews@ruralcarelink.org.au

Alternatively, contact the Rural Care Link Inc. office on **02 6026 3001** or **0475 594 073**.

Please Note: The editorial team reserves the right not to publish any article or to modify the presentation to suit the style of the publication.

Carers Support Group

If you care for someone....please reach out!

We invite anyone from the Hume Shire Community who is in a Caring Role to attend. If you know someone who you feel would benefit from attending, please pass this information on to them.

You may not identify as a Carer but if you are looking after someone who is aged or has an illness or disability this group is for you.

Please join us for support, information, a friendly chat and Morning Tea.

We meet on the second Tuesday each month in the Lutheran Church Hall, Adams Street, Jindera.

For any further info please contact **Vickie Priscina, Carers Co-ordinator** on **0428 406 060**.

Jindera Op Shop

Hours

10am to 4pm Tuesday to Friday, with lunch closure from 1pm to 1.45pm. Saturday open 10am to 1pm.

Bargains!!!

We had great success with our Bookweek Costume sales last month. We still have lots of children's costumes, so just ask our staff if you are after something in particular.

We still have a great assortment of shoes on our bargain table for \$2 a pair.

From 6th to 10th September, we will be having our Final Winter Clearance Sale, so come in and fill a bag for \$4.

Then from 13th September, we will have new Summer stock available in store. Watch our

facebook page for details of up-coming Summer Sales.

Doing our bit for the planet!

We have decided to adopt a “No Plastic Bag” policy in our little shop, and have teamed up with Boomerang Bags Albury Wodonga, to provide customers with their wonderful, reusable cloth bags.

The fabric used to make these bags has been donated by businesses who had end of roll and/or discontinued stock on hand. That material would have normally ended up in Landfill. So by using these bags, we are helping the environment in two ways!

The Boomerang Bags can be purchased from us for \$1, and also make great gifts.

We are also offering a \$1 discount at point of sale, if you bring your own bag.

Get to know our Op Shop Staff

Pictured here this month are members of our regular Friday crew with our Op Shop Co-ordinators.

Why don't you call in and say high to these wonderful people and pick yourself up some bargains!

Plastic Planet!

Plastic, plastic, it's fantastic.
Everything is made of plastic.

Plastic flowers, plastic grass.
Plastic bricks and plastic glass.

Plastic that's as strong as metal.
Water boiled in plastic kettles.

Plastic islands in the sea
bob with plastic towns and trees.

Plastic dishes, plastic spoons.
Plastic cows jump plastic moons.

Plastic dogs do plastic poos,
scooped up in plastic bags (reused).

Plastic food in plastic wraps
bought with plastic swipes and taps.

Plastic screens show plastic styles.
Plastic friends swap plastic smiles.

Plastic raincoats, plastic rain.
Plastic in our hearts and brains.

Long after we've come and gone,
our plastic footprints will live on ...

Jindera Theatrical Society

This November the Jindera School of Arts hall will once again be taken back to the intriguing world of Agatha Christie, for six performances of her critically acclaimed play, *Spider's Web*. The play is being produced by the newly founded Jindera Theatrical Society, and the proceeds of the show will be directed towards the fundraising efforts for the new multipurpose community hall.

Jindera Theatrical Society is founded by Kieran Williams, Michael Green and Daniel Clark, who recently produced Saint Mary MacKillop College's production of Agatha Christie's *The Mousetrap*. This new society aims to foster a sense of community by providing quality, wholesome entertainment, using the skills, knowledge and talents of the local community. We hope *Spider's Web* will be the first production of many to come.

In addition to theatrical productions the society is also hoping to screen classic films once a month in the hall to further assist in the fundraising efforts. It'll be like Jindera's very own village cinema. (Watch this space!)

For further information about the society and future events, we can be reached at jinderatheatrical@gmail.com or find us on Facebook.

AROUND THE TOWN UPDATE

with
Cr. Jenny O'Neill

Shared Path between Jindera and Lavington

The working party consisting of councillors and engineering staff from both Greater Hume and Albury have met to discuss the way forward on this project. A grant has been applied for to finance a feasibility study and business study.

Adventure Playground

Tenders have been called for the new adventure playground to be situated near the skate park at the Jindera Rec Reserve based on concept plans drawn up a number of years ago with individual scope to add two extra items. When the tenders are back the different plans will be displayed for public comment. The tenders will then go before Council for a final decision.

Jindera CWA News

This year's CWA of NSW Awareness Week will be held from Sunday 4th September to Saturday 10th September 2022, and will highlight the critical need for improvements to maternity services and support in rural and regional NSW.

Access to and availability of maternity services in the bush has been a focus of the CWA of NSW since its inception 100 years ago, so in the CWA of NSW's centenary year it seems fitting we should highlight the ongoing issues in this critical health area,

and continue voicing the concerns and frustrations of rural and regional communities.

JINDERA CWA WILL BE HIGHLIGHTING AWARENESS WEEK AT THE JINDERA MUSEUM ON 9/10/11TH SEPTEMBER, WHEN WE WILL BE CELEBRATING 100 YEARS OF CWA IN NSW WITH DISPLAYS, SPINNING, COOKING DEMONSTRATIONS, ITEMS FOR SALE.

WE HOPE THE JINDERA COMMUNITY WILL SUPPORT US AT THE MUSEUM FOR THIS EVENT.

Yours in CWA Friendship.
Bev. Blair. - President.

TAKE A TRIP DOWN MEMORY LANE

The Country Women's Association celebrates 100 years in 2022. The Jindera branch of this long held organisation will bring its history to life at the Jindera Pioneer Museum over a three day weekend.

Experience a trip down memory lane when the local arm of the Country Women's Association (CWA) celebrates the organisation's 100-year anniversary at the Jindera Pioneer Museum on September 9, 10 and 11.

The museum grounds will come alive with a variety of games, crafts, workshops, talks and displays that reflect the bygone days of yesteryear.

Bring your children and grandchildren along for some good old fashion fun and an insight to what life was like without electronics and technology – sure to be an eye opener for many!

Friday September 9 will see an open day where school groups are welcome to come along and take part in the range of activities staged by the CWA ladies. The fun will continue into Saturday and Sunday where everyone is invited to enjoy and participate in all the events.

“We will have a Scottish Piper, a horse-shoeing demonstration, the spinning wheel will be singing and you can learn about old remedies and how herbs and spices were used back in the day,” said Treasurer Denice Murphy.

“There will also be a treasure hunt for children, cakes and slices for sale and history boards that show what the CWA is about and its history.”

On Saturday and Sunday, a sausage sizzle will be on offer as you peruse handicrafts and garden treasures and you can also enjoy a Devonshire tea in the museum's tea rooms as part of your outing.

Come dressed to suit the theme if you have historical garments and refinery and enjoy some authentic old-fashioned hospitality.

“This is another opportunity for the museum to showcase the magic of the old days and invite people to discover the area's rich pioneering spirit,” said museum president Margie Wehner.

“As well as all the CWA activities visitors will be able to experience the huge amount of artefacts and memorabilia we have on display here from the smallest of the 100 year old

medicine bottles to the largest of the original horse and dray carts used to transport the early pioneers here.

“Our museum is really an eye opener for people who venture through its front doors and we love that many people are surprised by how great it is.”

Oh for the good old days...

Term 3 so far at St Johns

Week 3 saw our junior school classes excitedly heading off for their daily intensive swimming lessons at Gould Swimming Academy. These lessons are an invaluable time for children to continue to develop their skills in swimming and learn more about water safety.

Mrs Kotzur finalised her busy athletics schedule this term when she and Mr Cunningham accompanied quite a few of our senior students to the RAS carnival at Alexandra Park. Our students competed wholeheartedly in the day and represented our school with pride. Some notable performances were our 10-year-old boys relay team coming second, Eve Barclay winning discus, and Levi Wilson and Madison Baker both coming runner up in their age groups. Congratulations to the whole team, and a special thank you to Mrs K for all of her work in organising this huge event.

Teachers have been busy preparing and delivering their entry events for Project Based Learning units this term. It has been fantastic to see and hear the children's excitement and engagement in these activities.

The Year 3/4 classes created a modern version of Noah's Ark and are now finding out more about endangered species in our area, while Kinder made their own indoor cubby houses (using sheets and blankets) to create a sense of belonging.

The Year 5/6 team were up bright and early on Wednesday morning in Week 4, travelling to Canberra for their excursion. Their itinerary included visits to the War memorial and Parliament House. It was also a wonderful opportunity to create new friendships with students from St Paul's Lutheran Primary School, Henty, who joined them on the camp.

Our Year 3/4 classes went on their Melbourne camp in Week 5, with students from St Paul's Lutheran Primary School, Henty. They had a ball at the Melbourne Zoo, Aquarium and Melbourne Museum.

**LEARNER PROFILE
OF A ST JOHN'S STUDENT**
*Our Learning Characteristics for a Collaborative,
Thriving and Inspiring Learning Community*

I AM CURIOUS

I can:

- ask deep questions to challenge my thinking and learning
- make meaningful connections between my learning and the real world
- take initiative to wonder, explore and investigate

This term we have been focusing on the “**I am curious**” portion of our learner profile. Each week at assembly some brave representatives from a different class share with the school about what is making them curious.

When it was Year 2's turn we found out just what kind of curious beings they are! Eden shared that she was curious about how shapes form in clouds, and Ari wondered how high helium balloons can go.

It has been really great to have students share their thoughts with the whole school and we are looking forward to hearing from more of our students for the remainder of the term.

Little Saints Preschool

Phone: (02) 6026 3908

Email: littlesaints@stjls.nsw.edu.au

Address: 154 Adams St, Jindera NSW 2642

This term Little Saints have been extremely busy getting out and about in our community where possible.

We had a lovely visit to the Post Office, where we posted a letter with "Postman Pat", saw how the mail is sorted and then examined the process of the new Post Office being built.

We have also had exciting people visiting our classroom for the past fortnight, with a different parent each day coming in to share with us what they do for a job, as we explore *what we might what to be when we grow up*.

We have had a visit from a:

- ★ Solider
- ★ Hairdresser
- ★ Nurse
- ★ Teacher
- ★ Baker
- ★ Miner
- ★ Nail technician
- ★ Police

Jindera Recreation Reserve popular with *Travelling Campers*

By Vanessa Hayden

For Ron and Lorraine, the Jindera Recreation Reserve was the ideal location to spend a few days while catching up with friends and family in the area.

This was about the sixth time, in as many years, that they have camped at the reserve which is an ideal space for their 24 foot fifth wheeler – generally too big for anyone's front or back yard.

It's also perfect for their travelling companion, 14 year-old Millie. "It's a great location because it's nice and open which is great for the solar set up," said Ron.

"It's pretty peaceful too and very nice to have all this grass. There's generally no more than about three or four campers here at any one time.

Ron, pooch Millie and wife Lorraine (out shopping in Jindera) enjoyed a few days at the Jindera Recreation Reserve before heading home to Canberra.

"We have friends in Lavington and my brother lives in Albury so it's a very good location to base ourselves as it's such an easy run into town," said Ron.

Again, during their three day stay, Ron and Lorraine have shopped locally, enjoyed dinner at the Jindera pub and quite a few visits to the Jindera bakery "as we like a pie" and stocking up at the IGA.

Lorraine spends time in the township each day "contributing to the local economy" according to Ron. "She loves a good op shop and just enjoys shopping in general," he said.

Lorraine, who was actually out shopping when we caught up with Ron for a chat, wasn't able to defend her love of retail therapy and we can only hope that she found the gift shop in the post office and that Jo & Co Interiors was open while she was here!

Ron and Lorraine have been travelling for around 14 years and their home base is in Canberra. They use Wikki Camps as a guide to find fee free camping locations, which is where they first discovered the Jindera reserve.

"We've done about 4,000kms on this trip, we generally follow the music festivals, and we are getting ready to head back to Canberra shortly."

They'll go via Holbrook on the return leg, incidentally where Ron was born, to utilise the Greater Hume council dump point, before heading home.

"It would be really great to have a dump point somewhere here in Jindera," said Ron. "That's about the only thing that would make this location even better."

Greater
Hume
Council

COUNCIL NEWS AUGUST 2022

The meeting was recorded and available for viewing on Council's website <https://bit.ly/35uKFxX>

Business dealt with at the 20 July 2022 meeting included:

Council agreed to cease charging for replacement bins.

Council endorsed the following projects for submission to Round 5 of the Stronger Country Communities Fund:

- Wymah Recreation Reserve – Solar & Battery Project
- Ivor St / Hay St Henty Footpath Project
- Community Hall restorations – including Walla Walla Community Hall Floor
- Variable speed swimming pool pumps x 5
- Solar Street Lighting, Pioneer Drive, Jindera
- Culcairn Bike / Walking Path upgrade
- Holbrook Dog Off Leash Park

The Australia Day celebrations for 2023 will be held at Brocklesby and 2024 will be held at Wymah.

Council agreed to provide a \$1600 contribution to the Southern Sports Academy for the 2022/2023 year. The Southern Sports Academy assists local young athletes with high level and professional resources not readily available

to athletes in regional areas, aiming to eliminate the high cost of travel to seek these resources.

The General Manager has started providing a post-Council briefing, available via the link: <https://www.greaterhume.nsw.gov.au/Newsroom/Current-News/Council-News-with-the-General-Manager>

Meeting agendas and minutes are available for viewing at any time on Council's website.

Go to www.greaterhume.nsw.gov.au for all your Council information such as contact information, to lodge a customer request, news, events, development applications and forms, careers, waste and recycling, library and community services, works and projects, business and investment, grants, youth, Council meetings agendas and minutes, children services, water and waste water, pet registrations, your rates, have your say and so much more.

If you have friends and family visiting go to www.visitgreaterhume.com.au to be inspired and plan your day with lots of suggested tours and activities.

JINDERA PUBLIC SCHOOL

Education Week Celebrations

The theme for Education Week 2022 was “Creating Futures” and the children at Jindera Public School were encouraged to think about their own and the future of others as we celebrated the week at the beginning of August.

Initial planning needed to be changed with the weather stopping our gala day but the children continued to focus on the theme with artwork completed to demonstrate their dreams and aspirations. Some of the artwork was then selected to be displayed at Lavington Square, along with artwork from other local schools.

With several staff members being “children of the 80’S” [And some from the 70’s] we decided to hold our own 80’s themed sport day. Children and staff were invited to dress in their best retro gear and enjoy a day of activities ranging from aerobics 80’s style to games from more than a few decades ago.

We finished the day with a sausage sizzle and whole school aerobics session, complete with a fantastic 80’s soundtrack not lost on the many parents who attended.

Riverina Athletics Representatives.

Following the recent Southern Riverina Athletics Carnival, Jindera Public School has had four students selected to progress to the next level of competition later in the term. Congratulations and good luck to Adam Donogue, Heidi Golin, Matthew Kalina, Jack Delahunty who will shortly represent the school and district with hopes of progressing to the State Carnival in Sydney later this year.

Music Tuition.

This term we have been fortunate to have engaged the services of the Murray Conservatorium of Music who will attend the school each Monday to provide tuition to every class in the school. Concepts of beat, rhythm, dynamics, pitch and melody will be taught and practiced, and our first few lessons have been met with great enthusiasm. We continue to appreciate the relationship we have with the Murray Conservatorium and value the expertise they bring to our school.

NATIONAL TREE DAY at *JINDERA WETLANDS*

Early in August *The Friends of Jindera Wetlands* group were delighted to host **St John's Lutheran Primary School** observance of National Tree Day. The Official date for NTD was Sunday 31 July but the five-day school week and rainfall led to planting on Wednesday 3 August.

Between rain showers and with water and mud under-foot Pupils in Years 5 & 6, together with their teachers Fiona Schulz and Nigel Cunningham completed the task in under three hours.

To prepare for the Day a familiarisation visit was made on Thursday 30 June. A few weeks later everything was "ready to go"! Jack Healy and I had dug holes to make planting easier, Toni Terlich from Petaurus Education Group had sourced and delivered plants, everything was ready except the weather on the chosen day and the planting area was awash! So, planting day was put-off 'until next week'.

But even then, after intermittent and sometimes heavy showers it was doubtful we could proceed. But proceed we did, the pupils enjoyed getting wet and muddy! Perhaps some Mums did not appreciate having to wash socks and other clothing however! The day ended with student reps of the class '*environmental team*' planting three River Bottle Brush. These will grow to 2 m high, 'small trees', understory shrubs.

Of course, there was no need to use the buckets to 'water-in' the plants but they were very handy to add dry soil to soggy planting holes.

Special thanks to **Wattos Garden Supplies** for the generous donation of the dry composted soil.

St John's is grateful to the **Petaurus Education Group Inc.** for donating the plants, bamboo stakes and plastic plant guards, and for loaning us the hand-shovels and buckets.

Wattles and Happy Wanderers

The majestic Wattles with their iridescent yellow blossoms, eye-catching Grasses and pretty purple flowered Happy Wanderers shown here, are currently in full spring bloom at the Jindera Wetlands.

The 100 plants that St John's year 5/6 students have just planted will one day look as wonderful as these mature plants.

Take the kids, the dog or just stretch your legs and go for a walk over to the Jindera Wetlands to enjoy this lovely natural display.

Thanks to **Robert Done** and *The Friends of the Jindera Wetlands* for all the work you do with this local treasure.

St John's students contribute to National Tree Day

By Aylena, Julia, Lyla, Ella T (Environmental Team)

The year 5/6 students at St John's walked down to the Jindera Wetlands on Wednesday 3 August, to plant trees and shrubs for National Tree Planting Day. We had such a fun time planting.

In 2011 Father Bob (*Robert Done*) started a group called *Friends of Jindera Wetlands*. Only a few 'Friends' are able to help look after Jindera Wetland/woodland. Fr Bob was looking to 'fill in' an unplanted area and so our request to observe National Tree Day was very welcome.

We planted: 20 Kangaroo grass (*Themeda triandra*)
20 Basket grass (*Lomandra longifolia*)
60 Wallaby grass (*Poa labillardierei*)
3 River Bottle-brush (*Callistemon sieberi*)

We planted over **100 plants**, all of them native Australian plants. When we planted the grasses and shrubs, we put plastic guards around them to protect them so they can grow and not get destroyed.

Nerida, Father Bob's wife, made us some delicious morning tea. Thank you Nerida!

The finished job (above), St John's Lutheran Primary School Yrs. 5/6, National Tree Planting Day.

JINDERERA

• PIONEER MUSEUM •

As Spring arrives there is always fervent activity in the gardens at the museum. We will see a wonderful display of flowers for our **High Tea** on the **2nd October**, thanks to Mark. The lawns need regular mowing again as the days and the earth warms and many of our trees are starting to bud. It is a beautiful time in the museum grounds and many visitors comment on the lovely oasis the gardens provide.

The all abilities toilet is finally almost complete. We have extended the garden bed by the Tim Fischer Working Machines Shed and we will put down a ground cover until we can establish the path in this area. Some additional electrical work will be done as we look to light the slab hut and extend the lighting in the grounds.

The museum hosted the quarterly meeting of the local branch of the **Australian Museums and Galleries Association** (AMAGA) during August. This group is a collective of the museums in the area, both NSW and Victoria, paid and volunteer. This provides a great opportunity to hear what other museums are doing and to hear the struggles and highlights as we all look to attract visitors and emphasise our history and heritage. We were fortunate to have our digitisation expert Hayley, deliver a presentation on the process for the group.

This was a great opportunity for our local museums that were fortunate enough to be part of this grant opportunity, to show museums from other areas what this had involved. Hayley's work with us is now complete and we will continue to build on our electronic catalogue with several interested volunteers.

The menfolk who meet regularly each Wednesday at the Tim Fischer Working Machines Shed erected our second windmill this past month. It does not have a stand so

the workings and brandings are more visible to visitors. It is a highlight of our outdoor machinery area. Some additional work on displays is being undertaken in the painting gallery and a new display of early washing machines has been created in the attic of the shop, thanks to our Curator, Chris.

On the **9th, 10th and 11th of September** we are to host the local branch of the **CWA** as they celebrate **100 years of the CWA in Australia**. This will be a very exciting time as the ladies from the CWA depict many facets of life in the past over these three days.

Friday will be a great day for our school children to visit to participate in various activities and see how everyday life was managed in days gone by; quite an eye opener for many we think.

On **Saturday 10th September** a large group of **Vintage and Veteran cars** will visit the town as they tour this area. This will be a great day to visit the museum and take in both the CWA event and the wonderful array of cars that will be on display in the town.

Our **Spring High Tea** will be celebrated in the museum grounds on **Sunday 2nd October** commencing at **2 pm**. Tickets will be available via Trybooking from the **2nd September**. Book early to avoid disappointment..

Helping with Fruit Cake Draw

Lorraine and Teonie thanks for your support making this Stall Successful!

Another excited winner **Eliz and Peter McLaren** won the lovely boiled Fruit Cake that Teonie made for us in her spare time. - Well done Teonie!

Community Garden Stall

What fabulous people we have in Jindera supporting the Community Garden, where one day your Child or Grandchildren might be playing a part in this Garden and continue on being creative and we will have an interesting and colourful Garden.

We were very happy with our takings and now can buy some shrubs or fruit trees. Well done everyone for helping on our stall one way or another.

We had beautiful yummy cakes turning up for our stall and everyone made it a very social morning, ...
 ... lots of recipe conversations.

Young Hannah enjoyed her morning giving us a hand and learning the "ropes" well done Hannah, thanks heaps!

Wood Raffle Draw

Helping with the draw of the wood was Lorraine and John.

Oh my Gosh ... we had a Very Very happy Winner. **Daryl Klien** was so excited.

Very glad you won the wood Daryl, you have always supported us with the raffle tickets.

Thanks

Save - Save - Save

We have started to Collect and save **SEEDS**.

It is important to let one Vegetable or Flower go to seed at the end of the season.

Ask your neighbours or friends to help you save or swap.

These seeds come from Sydney way and I was lucky to meet a "Malta" family when camping ... they have a huge vegetable garden and were generous enough to mail them down to us.

Thank you everyone who have given me seeds, we are ready to plant them as soon as the weather improves a little.

Recipes

If anyone has a good easy recipe for cake stalls, please email them to me : jinderacommunitygarden@gmail.com

We all know how Jenny O'Neill's Jelly Cakes are a hit. Now we have Cheryl Ingrey with her tasty sponges, Lorraine and Shaun Morgan have proved that with "dial a Cheryl". And we have Teone who shows her talents with that lovely Boiled Fruit Cake (see above).

All the Cakes these lovely ladies made were a masterpiece
Thanks Heaps Everyone!

Now it's going to be a challenge for me to use some of my Cake Recipes and be creative.

This upside-down Orange Cake (see right) was very delicious. Thanks, Gary Fielder, for the oranges.

You will save stacks of money when you shop locally in Jindera.

Well, winter is just about done and dusted – according to the calendar anyway – however there is still plenty of wet weather golf to had yet

With spring arriving next week, the Sunday comp tee time will revert to 8.30/9.00 am start.

“Monthly Medal” winners to date include – **August** – Men’s Greg Preston.

AND ... don’t forget, we are now running a “9 Hole” comp in conjunction with the normal 18 hole Sunday comp for those who only wish to play 9 holes – handicap is not required and scores will go towards getting a handicap. Tee times follow the usual Sunday comp.

Friday Chook Run is still running, although tee time is now **3.30/4.00pm** in order to beat the dark. You can also play earlier in the week if you wish, just find a partner, play your round and place card and \$5.00 under the door.

Some VERY good news on the grant front – we have been fortunate enough to win a grant to upgrade our irrigation system, which will include the installation of a 220,000 litre colourbond tank, new electric pump, piping and sprinklers.

The grant was provided through the “Department of Responsible Gambling and Alcohol”, where a portion of taxes collected from the industry are reinvested to the community through grants.

We expect actual work on the course to begin around early November.

Our annual Tournament will be held on **Saturday and Sunday, the 10th and 11th of September.**

Saturday is Mens, Ladies and Mixed 2 Ball Ambrose, whilst Sunday is an MDGA sponsored mens scratch and handicap event.

Enquiries to “admin@jindergolfclub.com”

This is always a great day, cost for Saturdays 2 Ball Ambrose is \$25.00/player including great prizes and BBQ lunch. Sunday is \$35.00, with more great prizes and lunch. So, if you are just looking for a fun day out, then grab a partner and register for Saturday’s event. For the more serious golfers, Sunday’s men’s comp is also an MDGA points event.

The club has just purchased an electric golf cart for hire by members and visitors. For bookings, contact us via email.

In the meantime, current comps are as follows: -

★**Sunday – Men’s 18/9 holes**, event according to calendar on website Tee-off 8.30/9.00. (11.30/12.00 from June)

★**Wednesday – VETS 9 Holes**, Stableford (unless notified differently) Tee-off 8.30/9.00

★**Friday – Chook Run – 9 Holes**, Open to all, Tee-Off Currently 3.00/3.30, can also be played throughout the week – Play your game, place cards – signed and verified by partner with \$5.00 in an envelope and slide under the door.

Membership

To join our great community golf club, simply download a membership form from our website or request one via email, email it back and pay via eftpos.

Cost of membership this month has been reduced by \$10.00 to \$90.00 plus GST (\$100 inc.)

JINDERA ANGLERS CLUB INC.

Lot of water has and is going under the bridge since our last fishing report, (*and some over the bridge*) the great news is the lakes and river system should be freshened up and the high water is exactly what our native fish require to breed successfully.

It is also amazing the amount of ash and filth still coming out of the hills and down the upper Murray since the 2019 fires.

What's been happening at Jindera Anglers fishing Club ... June and July saw successful fishing comps and July we held the Annual General Meeting and 2022 Presentation Day.

The clubs committee remains the same with Wade Morey President, Barry BJ Birmingham VP, Wayne Polley, Secretary and Brian Shannon Treasurer, and Shane Bradbury weighmaster/chief measurer.

The presentation day was well attended and after a sumptuous meal, huge raffle, the presentations were awarded, the digits (little tackers was dominated by the Kalina boys) Matty winning biggest redfin, most redfin and largest cod 98cm nearly as big as him and Lochie not to be outdone won best yellow belly 50.5cm. Junior winner for most redfin and best redfin went to Ben Bradbury.

Ladies trophy winners were Amber Lee with a great Murray cod 84cm, best yellowbelly went to Kerrie Lynch 55cm, best redfin was won by Kylie Shannon and was also crowned Lady Fisher of the Year.

Mens trophies were won by Kevin Brown with a monster Murray cod 115cm, Best redfin was won by Brian Shannon with a 45cm beauty, Best yellowbelly 65cm went to Jason Boyd, Best trout was won by Leif Wikman with a 61cm beauty. Most Murray cod was won by Kevin Brown, most redfin was Jason Boyd, most yellowbelly was won by Brendan Kalina and most trout went to Jason Boyd.

FISHERPERSON of the YEAR was won by Laszlo Peli and doughnut winner for 2022 by just a tad from lots of others was Kevin Brown..... bad luck Mr. Lavis, must have been close.

The major raffle for rod and reel was won by Trevor Brown, runner up and sunglass's winner was Dave McCauley and third prize went to BJ Barry Birmingham.

Last fishing comp held was on the last weekend of July with a lot of our anglers taking to the waterways, didget Harvey was out and about with some redfin, mum Clare Davenport caught a 40cm redfin and a bag of 10 good redfin, Clare won the ladies best fish narrowly from Kirsty Taylor & Naomi Lieschke.

Laszlo Peli won the best fish with a 55cm yellowbelly and Leif Wikman won the best bag with 3380 of redfin. Congratulations to all our doughnut winners, Wade, Alex, Jason and Chris.

Next fishing comp is an Open Comp on the weekend starting 26th August at 4pm and the weigh-in at the clubhouse at 4pm on Sunday. Anglers are reminded that the SWAA COMP is on this weekend at KIFFENS Reserve on Lake Mulwala commencing midday Friday for a 12 noon weigh-in on Sunday, 28th AUGUST.

Note: Cod season and crayfish season end on Wednesday 31st August.

Next general meeting is on Friday, 9th September, at 5.30pm at the clubhouse.

Next fishing comp will be held on the last weekend of the month and is an Open Comp.
