Jindera helps celebrate Grandparents Day

What a wonderful turn out for Grandparents Day Playgroup at Jindera Hub in October.

The children were so excited to share the morning with their grandparents and special people. It was lovely to watch the beautiful interactions and see the children play, create, spend time together with those special people in their lives, and take a photo to capture the memory.

Thank you to our wonderful Grandparents and special people for coming, we hope you realise the very important role you play in the lives of our children, families, educators and keeping our communities healthy.

We also celebrated Children's Week, and National Health Education Week.

We know children's health starts with healthy communities, communities that support families and offer safe places for children to play and socialise.

Jindera Hits the Road with the
JINDERA WALKABOUT™
WELLNESS PROGRAM

Please note change of time

*Join this fun, easy, motivational exercise program
that is cost effective and works.*

*For those wanting a total body workout they
can add walking poles to their walk (available
on loan at each walk or bring your own).*

*Walking poles reduce stress on joints, provide
extra balance, burn up to 40% more calories
and use 90% of total body muscle.*

*This 30 minute walking program may be
just right for you as it suits all levels of fitness
(walk at your own pace).*

Sessions are: 8am, Fridays

Starting: 1st November 2019

Meet outside The Hub, 83 Urana Street, Jindera.

Contact Rural Care Link for further details:

Phone: 02 6026 3001 Mob: 0475594073

Email: communitydevelopment@ruralcarelink.org.au

The Hub, 83 Urana Street, Jindera NSW 2642

*Do you have an interest in the work of
Rural Care Link in the Greater Hume Community.*

**ARE YOU INTERESTED IN JOINING
OUR MANAGEMENT COMMITTEE?**

- ★ We meet once a month at the Jindera Hub.
- ★ We are a Committee of eight whose function is to work with our Volunteers in the Opportunity Shop which is our major source of funds.
- ★ We employ a Community Development Officer who organises a variety of workshops and community activities
- ★ We provide support and referrals to community members in need
- ★ We publish the Jindera News and manage the annual Jindera Garage Sale.

Our Annual General Meeting is scheduled to be held in March, 2020.

If you are interested in possibly joining us, please contact our Chairman, Peter Knight (0435 957931), Deputy Chairman, Colleen Lord (0429 960616) or Secretary, Denise Knight (0411 282320) and we can provide any information you might need.

IS LOOKING FOR A NEW EDITOR

The current editor/coordinator will be stepping down in March 2020.

This is a great opportunity for someone who has the Jindera community at heart and wants to further community spirit by informing people about what's happening in their neighbourhood.

Ideally you would have or be able to attain the following:

- familiar with Microsoft Publisher or similar software & the production of multi-page newsletters
- oversee the monthly production of the Jindera News
- liaise with local clubs and community groups regarding news items
- liaise with customers by helping with and quoting for advertising space
- assist in sourcing and editing local stories for inclusion
- make decisions regarding the inclusion of ads, news items and photos for publication
- work with the assistant editor/compiler
- produce a monthly billing sheet for the Rural Care Link Treasurer

The Jindera News is published at the end of each month and the final production is printed by a local printer. There are 11 editions each year as there is no January edition.

This role of editor/coordinator works under the auspices of Rural Care Link and requires you to be a member of the Rural Care Link management committee. This is effectively an autonomous role presenting a multi-page local newsletter with the need to make independent decisions regarding published content.

If you have been wanting to get involved in the community and this style of community service is something you feel you could do, please contact the editor to discuss the role, at: jinderanews@ruralcarelink.org.au

Jindera Red Cross

The monthly Red Cross meeting was held on Tuesday, 1st October 2019 at 1.30pm.

Numerous item of interest were discussed including the final arrangements for Blumes Fashion Sales. Blumes Fashion Sale was held on Monday, October 28th at the Lutheran Church Hall, Jindera. During the morning Blumes displayed their latest Summer Fashions followed by a light luncheon and the fun of the lucky door prizes.

Initiations were received from other branches to Red Cross events.

★ Due to the Melbourne Cup being held on our November meeting day the meeting will be held at 10am at the School of Arts hall.

Rob, a farmer in NSW who's been struggling to keep his livestock healthy during the drought.

\$11.5 million in donations have helped Aussie farmers

the NSW Red Cross office recently reported.

All funds raised for our Help Aussie Farmers Appeal have now been distributed to farmers and their families in drought-affected parts of Australia.

A total of 7,452 grants of up to \$3,000 were distributed and they have helped farming families relieve financial stress caused by the drought.

Families used these grants to pay for essentials such as household bills and rates, to cover school fees and vehicle costs and to pay for groceries.

Grants were provided through our distribution partners: the Country Women's Association (NSW, Qld and SA), Rural Business Support (SA) and Rural Financial Counselling Service (Vic).

In the last 12 months we responded to 48 emergencies, from drought to bushfires and house fires, floods, cyclones and acts of violence.

New Wellness Program Supporting People Recovering From Cancer

With the support of Dr Bailey Lang, (Osteopath and Exercise Physiologist, from Sports & Spinal, Albury), Sophie Rohde, (Exercise Physiologist, from Kinetic Medicine), and Colleen Wilson-Lord OAM, Rural Care Link Inc will have exercise classes for cancer survivors twice a week at the Hub in Jindera.

These classes will be especially designed to assist with recovery and support wellbeing during and after treatment. The exercises will allow the body to start to repair and re-build the immune system. The exercise programs will be designed for each individual person attending the class based on muscle strength, mobility, and flexibility.

Depending on the type of cancer you have or had, the team can create an individualised program to assist your body into recovery. Everyone must have an assessment before commencing, so bookings need to be made to see one of the Exercise Physiologists.

There are only 12 places, so don't delay.

Classes will be on a **Tuesday & Friday**, commencing **Tues 12 and Fri 15 November 2019 for 10 weeks.**

To book in for an assessment, ring **Rural Care Link** on **(02) 6026 3001, Mob: 0475594073**, drop in to the **Jindera Hub, 83 Urana St, Jindera**, or email communitydevelopment@ruralcarelink.org.au

Jindera CWA News

NOVEMBER 2019.

A big surprise for Virginia Morey when Group President, Genevieve Knobel presented her with CWA Life Membership. Virginia has been a long time active member of CWA and held many positions in that time, to top it all Virginia will be celebrating her 90th birthday in November. **Congratulations Virginia.**

Jindera Branch held their Annual General Meeting on 2nd October. New Committee Office Bearers are:- President (Bev Blair), Secretary (Olivia Hanel), Treasurer (Heather Collis), International (Helen Palmer), Publicity (Helen Glachan), Cultural (Margaret McMaster), Handicraft (Virginia Morey), Land Cookery (Narell Tassell), Flowers/Gardening (Mary Fielder).

Seven Jindera members attended the Murray Group AGM held at Corowa on 17th October. The new Murray Group President is Lyn Buck (Member of Albury Evening Branch). **Jindera was awarded the "Rita Ross Trophy" for the most active branch and Mary Fielder won the "Jelbart Trophy" for her lovely flower arrangement.**

The 6th November meeting will decide our Christmas breakup. New members are welcome.

Yours in CWA Friendship,
Bev. Blair.
Publicity Officer.

Presentation of Life Membership to Virginia Morey.

JINDERA COMMUNITY FORUM

Next Meeting is at the **Jindera Community Hub** (entry via rear door) on

***** **Tuesday, 19 November 2019** *****

at 7:30pm

Come and join a group of locals who are interested in our community and its people, and who would like to help improve the facilities our community offers to both visitors and residents alike.

Recreation Path—The recreation path is gaining momentum thanks especially to Cheryl Ingrey and her fellow bike riders. They have made their presence known, and have successfully convinced Greater Hume Council to re-instate the concept of a recreation path from Albury to Jindera, which had been abandoned by the Council some years ago.

Discussions with Albury City Council, and with local member Justin Clancy MP have taken place, and we hope that the concept will come to fruition this time.

Recreation Ground—The Skate Park has now been completed and is well and truly in use. It is great to see so many younger residents of Jindera utilising the park, especially during the school holidays. Toilet facilities are also being provided in close proximity.

The next proposed development will be an Adventure Playground, with further developments planned for the coming years. Details of the overall master plan of the recreation ground are available from the Jindera Community Hub.

Last meeting for 2019—Our November meeting is the last for the year, having been postponed from October. If anyone has an issue they would like discussed, please contact the Forum by email or contact Kathy Anderson on 6026 3391.

Jindera 150th Celebrations—The last of the paving is completed and the new Jindera heritage signs have been erected, with the remainder of funds in the 150th account having now been donated to Rural Care Link. We thank all who helped with the celebrations, those who supported the fundraising efforts, those who attended the events, and those associated with the construction of the commemorative structures. It was a memorable event in 2018, following which we now have a lasting legacy.

Last term was jam-packed with all sorts of activities. Fathers and sons went on a weekend camp to Harrierville. The older boys started off with a long bike ride and the younger boys went panning for gold. Over the weekend they enjoyed a bush walk and many other activities.

We farewelled our year 12 students at the end of the term and wish them well in their HSC Exams.

Term 4 is off to a wonderful start and is looking very busy. We held our annual Fete on Saturday 26th October and it was a wonderful day. We thank all the businesses who were able to donate some goods and vouchers.

Our school production of "Into the Woods" is coming up towards the end of the term on Friday 22nd and Saturday 23rd November. Our students and teachers have been working very hard on this performance. It's looking like it will be a very enjoyable couple of nights.

The Year 7 Maths class were given the task to investigate Mathematics in a variety of places. The students chose to research Mathematics in the natural world, the built environment or to find out about famous mathematicians, ancient number systems and calculating machines. Some students decided to create their own mathematical board game.

SAINT MARY MACKILLOP COLLEGE PRESENTS

The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; and Jack, who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse. Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results.

COST:

\$10 per student,

\$20 per adult or

\$50 for a family (2 adults and three children or 1 adult and four children)

Term 3 ended with our whole School Concert in the final week of term. The school hall was packed to full capacity and parents were entertained by some very talented students who displayed their musical, drama and dance skills.

Well done to staff and students for great costumes and performances on the night.

TEDDY BEAR'S PICNIC

We had a glorious sunny day for our Teddy Bear's picnic and lots of fun was had by all. The children enjoyed a picnic, play and craft but the bear hunt was the highlight of the day!

This term, the 1/2 class have been focusing on being environmentally friendly. This has been inspired by their NUDE FOOD lunch boxes. They have been conscientiously picking up any rubbish in the playground.

On Monday when they celebrated birthdays with ice blocks and freddo frogs for a treat, they recycled the pop sticks and ensured the plastic wrappers went into the correct bin.

The Year 3/4 students have been gathering data about the foods in our lunchboxes. They used the data to investigate healthy options and sustainable food production.

To start the term Year 5/6 had some 'Breaking News' to open their PBL Unit on Space. If humans weren't able to survive on Earth anymore, students have to find out where else in space we could live and how.

They completed a Hexagon Map which is a brainstorm of questions they have about space, research stations and human survival on other planets.

JINDERA

· PIONEER MUSEUM ·

This month, as Spring has erupted after our cold September, the museum members have been busy with the grounds and garden. A fabulous group of folk added to the paving at the back of the shop, extending this area to at least twice the size it was. This area always failed to grow grass and was dusty in summer or muddy in winter, so this is a great addition. Thank-you to Kevin Albert who assisted and supervised, as he did with the 150th anniversary paving. Thank-you also to those folk who were encouraged to assist even though they are not members of the museum; thank-you to those members who also encouraged them and assisted themselves.

The Spring High Tea that was held on Sunday 20th October was another great success, with many great comments and much appreciation for a lovely day. The day was well supported with 90 guests attending. It is difficult to know if the weather will allow us to have guests in the garden, but the wind slowed and the day ended up being quite lovely, allowing guests to sit and enjoy the garden atmosphere. A fabulous spread was again provided by the catering ladies and friends of the museum. Thank-you to all who assisted in anyway to make the day such a great success.

The museum members are looking to add a working steam engine shed to the display area and design work and placement ideas are underway. Some changes will need to be made around the machinery area to accommodate the new structure and a whole of site plan for the area will need to be developed. This was a recommendation of the strategic planning process that was undertaken in August and it is hoped we will be able to get this underway in the near future. Fundraising is underway and donations for this project are always welcome.

A new brochure for the museum will be available by the start of November and we will place this at various locations within the township to encourage our local residents to visit. Coming up to the Christmas and holiday season many locals will have visiting family and friends and the museum is an ideal local highlight to show to visitors. This can be incorporated with the Jindera Heritage Walk

which provides information on many of the local businesses and locations within the township over 100 years ago. The heritage of the town is something as residents we can all be very proud of.

On Sunday 3rd November the museum will host the Murray Valley Sanctuary Refugee Group major fund raiser for the year. This group help to provide airfares for those who are seeking to relocate to this area. The day will be full of wonderful events for family and friends; African dancing and singing, local band Whiteline, children's games and activities, food will be available for sale and the bar will operate from 12 noon to 4 pm. No BYO alcohol is permitted. Come and celebrate the Sanctuary's 15th birthday with us; all proceeds from the day will go to this worthy cause. Tickets can be purchased prior through Trybooking.

The museum will again host their Twilight Tours in late November. On Friday 29th and Saturday 30th November small groups of 10-12 will be taken to various locations around the museum and be provided with some story or entertainment of the pioneer era. Tours will be run at 30 minute intervals commencing at 7 pm each evening. Booking for these can be done on line via Trybooking.

Our Christmas Wreath making workshop will again be held on Sunday 15th December. This is a great activity for both adults and children, but numbers are strictly limited. It is an ideal opportunity to make a unique gift or to produce a beautiful Christmas wreath to adorn your home. Refreshments will be served at the end of the workshop. Booking again is available on line via Try Booking. Details can also be found on our Facebook page or via our website.

— — — — —

This past week we have received the sad news that another of our direct descendants of PC Wagner and a life member of the museum, has passed away. Barry Funk was brother to Sheila Klein and the son of Ted and Edna Funk who were founding members of the museum, Edna was grand-daughter to PC Wagner.

Barry's funeral was held in Jindera on the 24th October. Our sincere sympathy is extended to his wife Gayle, also a life member of the museum, their family and Barry's extended family within our community.

[f jinderapioneermuseum](https://www.facebook.com/jinderapioneermuseum)

When did you last visit the Museum?

In response to a Notice of Motion submitted by Cr Lea Parker, Council resolved to form a committee to look at the formation of a promotional group for the benefit of the Greater Hume Council area.

Council received a presentation from Brad Brohun of Crowe regarding the audit of the 2018/2019 Financial Statements.

Council authorised the General Manager to provide owners consent to make the development application for the Culcairn Solar Farm which involves laying of a cable in Cummings Road and unmade Council dedicated roads.

Council will place on public exhibition the draft Local Strategic Planning Statement which is a document that sets the framework for Greater Hume Council's economic, social and environmental land use needs over the next 20 years. The Greater Hume LSPS is a succinct and easy to understand document that permits Greater Hume community members to contribute and understand the future direction of land use in their area. It identifies nine planning priorities and explains how each of these are to be delivered, monitored and reported upon.

Amendments to the Environmental Planning and Assessment Act 1979 introduced a requirement that Council prepare a Community Participation Plan (CPP) which will explain how a planning authority such as Greater Hume Council will engage with the community across their planning functions. Council resolved to exhibit the Plan for a minimum period of 28 days.

Interested community members can view the above mentioned planning documents on Council's website or view copies at Council offices.

Subject to the concurrence of Department of Planning, Infrastructure and Environment, Council will approve a dwelling entitlement on land on Walla Walla Jindera Road, Walla Walla subject to 28 conditions of approval. Council's resolution follows an earlier Notice of Motion by Cr Knight and subsequent Council report and resolution in relation to the legitimacy of the request to remove restrictions imposed by the former Hume Shire under 88B of the Conveyancing Act 1919 which prevented the erection of a dwelling on the subject land.

Council agreed to refund \$793 to the Holbrook Early Learning Centre for DA and construction certificate fees for the covered walkway and pergola.

Council resolved to not accede to the request to make a financial contribution towards the traffic management costs for the 2020 Holbrook Triathlon, on the basis that it would create a precedent for other events held across the shire.

Council resolved to continue the current drought relief package to residents until 30 June 2020. Those residents whose residence are not able to be connected to reticulated water supply will be eligible to access Council operated standpipes at Jindera, Burrumbuttock, Brocklesby, Gerogery and Culcairn. Eligible residents can obtain an electronic key with potable water supplied to them at the reduced rate of \$1.70/kl. Also contractors delivering potable water to residents of Council will be charged \$1.70/kl for water delivered for domestic use. Information is available on Council's website or contact Council.

Council will call for expressions of interest to lease a 20ha parcel of Council for the purpose of grazing in Baird Street, Culcairn for a minimum period of 24 months commencing 1 February 2020. This will advertised in the near future.

Council received a report on the progress of the Henty Rail Crossing Project, a \$7.2M project funded by Australian and NSW governments and Council. Due to the size of the project, GHD Pty Ltd has been appointed to manage the project on behalf of Council. At this stage, Council is aiming to complete the project by December 2020, subject to the timing for the approval and construction of the rail components of the project. Other preliminary works also to start in November involving fencing and tree removal. Olympic Highway re-alignment road works will commence in January. Council also resolved to accept a proposal from Riverina Water for the construction of 1.1km of 300 mm water main to commence during November.

Council accepted a tender in the amount of \$167,685 (excl GST) from Hurst Earthmoving to undertake kerb and drainage works in Hume Street, Holbrook.

Council accepted a tender in the amount of \$165,900 (excl GST) from AP Delaney & Co to undertake kerb, drainage and associated roadworks in Market Street, Walla Walla.

Council has appointed NSW Electoral Commission to conduct the next local government election timed for Saturday 12 September 2020.

The next Council meeting will be held on 20 November at Henty.

Meeting agendas and minutes are available for viewing at any time on Council's website or in person at any Greater Hume Customer Service Office.

GETTING ACTIVE IN JINDERA

Jindera residents who would like to be more active are invited to attend a new gentle exercise classes on Fridays at 10am at the Community Hub 83 Urana St Jindera.

The classes will be run by volunteer Ruth Dunn. Ruth has been trained by Murrumbidgee Local Health District to lead the gentle exercise class.

Murrumbidgee Local Health District is supporting volunteers to provide low cost exercise opportunities.

"Gentle Exercise is a great way to improve your balance and flexibility in a friendly social setting. Everyone is welcome to come and join in" said Ruth.

Murrumbidgee Local Health District Health Promotion Officer, Adelle Kennedy said, "We know the importance of regular physical activity to maintain good health and the class is ideal for people who have always thought about getting involved in gentle exercise, and the classes are run in a very friendly environment."

Participants are asked to bring a gold coin donation per class to assist with program running costs.

For more information about the Gentle Exercise class in Jindera please contact Ruth Dunn on 6026 3806.

For any other information about any physical activity classes provided by Murrumbidgee Local Health District please contact Adelle Kennedy Health Promotion Officer on 0409 781 326 or visit www.activeandhealthy.nsw.gov.au.

JINDERA RECREATION RESERVE COMMITTEE

This voluntary committee is made up of members of the user groups plus the three schools and a council representative. If you want to make any suggestions please feel free to contact Mary-Lynne Hayes (Chairperson) at the Jindera PO or ring Jenny O'Neill (Sec/Treasurer) ph: 0438263417

SKATE PARK UPDATE

As most of you would have noticed the new skatepark is up and running. It is very pleasing to see how well patronised it is and especially looking at the wide age range who are there. Thank you to those users who are keeping the area tidy by not dropping rubbish everywhere or picking it up when they see it.

There is more work to be done in the next couple of weeks ie; the toilet will be operational, seats, shelter and tables will be erected.

Official Opening **SAVE THE DATE!!!!**

This will take place on Sunday Dec 8th. More information will be provided closer to that weekend.

PRIMITIVE CAMPING/ DOG OFF LEASH AREA

Our Rec. Reserve is very popular with caravanners who spend money in our village and support the local businesses. Now that the skate park is open and the three signs that are up listing the conditions of use contradict each other in relation to dogs being off leash, the committee will be discussing with Council possible solutions to the problem. We will keep you updated via the Jindera Facebook page and the December Jindera News.

STARTS - Wednesday 4th September, 7.00 pm

Greater Hume Shire Solar Plant Awareness Group

Residents

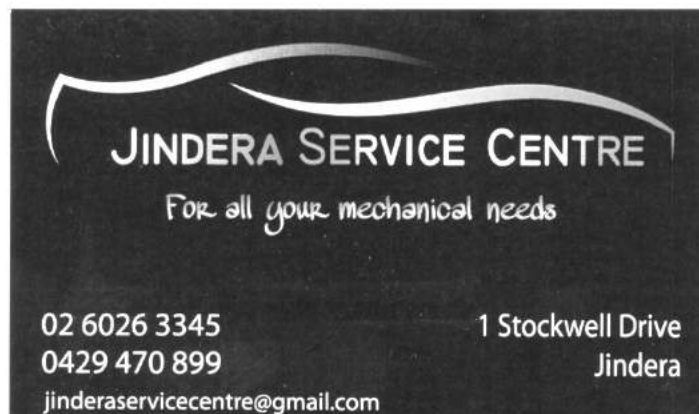

There are prime agricultural land areas in Greater Hume Shire that are being targeted for four proposed large-scale solar plants, on farmland that generate a high gross value of agricultural productivity in our shire. The solar plants are planned with two on the outskirts of Jindera (Glenellen), one at Walla Walla and Culcairn, they have a minimum size collectively of 2739ha or 6768 acres, and all dwarf the townships nearby.

We are not against solar renewable energy, and we recognise the importance of renewables for our future generations, we need better planning to avoid conflict of land usage and investing in infrastructure that uses areas not as productive and offering those landowners an opportunity to earn an income on their lands.

The Jindera Solar Plant (519ha) Environment Impact Statement has now come on Public Exhibition from 16 October until the 13 November giving residents the opportunity to have their say with a submission by either online or by post. On the 7 November there will also be an opportunity to attend the Jindera Hub with the NSW Department of Planning and Environment so please attend for further information concerning this proposal.

We recognise the importance of solar but Prime agricultural land is equally as important and should be protected when locating these proposed solar plants. <http://www.planningportal.nsw.gov.au/major-projects/project/9811>

JINDERA ANGLER'S CLUB Inc.

The September weigh in was extremely well attended however the results were a tad ordinary with a record number of

donuts handed out for fishing without troubling the scorers.

Wayne Polley and super crew fished hard down the river however only managed several Carp, Zol Peli won the biggest bag with 2 small redfin, Lazlo snared a nice size yellowbelly.

Junior Josh Bradbury weighed his 1st fish in with our club, a very nice yellowbelly 47cm long.

We also had the privilege of assisting Sandra Moll with the catering of the Moll Clearing sale and the anglers were kept very busy keeping the bacon and egg rolls, hamburgers and snags and drinks up to the large crowd.

The anglers club also welcomes new members the Bradbury clan, Shane, Christine, Ben and Josh, Wayne Polley and mates Daniel McIntosh and Paul as well as Kevin Young and his family.

At the time of writing the anglers club will also be spending a full day at Bunnings with the proceeds going toward \$2,000 worth of cod fingerlings being released at the 12 mile reserve on the Murray river in December.

Our last outing and closed fishing competition was held at Blowering Dam on the weekend of 18th, 19th and 20th October, 15 anglers and 6 boats worked really hard in very windy conditions.

Possibly in hindsight sleeping during the day and fishing all night as land based anglers would have seen greater rewards as locals who fished all night were rewarded with some magnificent metre plus cod and yellowbelly.

Kerrie Lynch won the ladies trophy for best fish a nice 48cm yellowbelly caught on the troll with a 20cm imitation brown trout, Lazslo Pelinee won the biggest fish with a nice 40cm reddie and brother Zol got best bag with 2 nice redfin 33 and 37cm with a catch and release cod of 55.15 cod.

Despite a lack of fish weighed in the scenery, birds and wildlife was magic, the campfire terrific and all who attended had a great weekend.

Next fishing comp will be an open comp on the weekend 15th, 16th and 17th November, commencing at 5pm Friday with the weigh in at our clubhouse at 5pm on Sunday 17th Nov.

SAVE THE DATE

Christmas Comp and **Christmas Party**, commencing Friday night, 6th December from 5pm with the weigh in at the clubhouse at 2pm on Sunday, 8th December.

A Gourmet Christmas luncheon/Dinner will follow the weigh in at 2.30pm.

Next club meeting will be in December (possibly 2nd Friday, 13th December) depending on Jindera Christmas Carol catering.

Tight lines! ...

... remember the fisher who fishes longest doesn't necessarily get the fish or not.

.....

New members information / orientation / Induction

***free drink and snacks night is on
Friday 22nd November, from 5.30pm.***

We will reveal all the Anglers Club workings, rules and everything you need to know as to how to get the best from your local angling club.

Bring a friend the more the merrier!

.....

Jindera Anglers preparing to tackle the fish at Blowering Dam

Farms exempt from tax amendment says Senator Perin Davey

NSW Nationals Senator Perin Davey says the Government has responded to concerns that farmers and investors who lease agricultural land would be hit by new taxes through proposed changes to federal income tax assessment legislation.

The *Treasury Laws Amendment (2019 Tax Integrity and Other Measures No. 1) Bill 2019* proposed to change tax deductions applicable to vacant land to prevent land banking and encourage development of housing, but Senator Davey raised concerns that agricultural land will be caught in the definition of vacant land.

"When I took on this role, I made a commitment that I would look at all legislation through the lens of regional NSW, which is something we in the Nationals do, day in and day out," Senator Davey said.

"This legislation as originally drafted was a classic case of a law written with good intent, but failed to identify the unintended consequences on regional Australians.

Senator Davey said there are many farmers who lease all or part of their farmland either through lease farming arrangements or as part of their business succession planning.

"Without the clear legal exemptions there was too much of a grey area to satisfy me. I had received different advice from stakeholders and that is not a good enough assurance for the farmers and farming families that I represent," she said.

"I am pleased the responsible minister, Assistant Treasurer Michael Sukkar MP, responded to my concerns and we now have amendments to specifically exempt land used for primary production or land leased to carry on a business.

"This is a win for farmers who can continue to lease their land and legitimately claim costs of holding that land as a tax deduction."

Blowering Comp winners, Peli and Peli with a couple of nice reddie

Shammie and Paul discussing tactics around the fire

Josh Bradbury with a good yella caught last comp at the weir

Presentation Night is on Friday, 8th November 2019

Commencing at 7.30pm with a gourmet Roast Dinner prepared by renowned international Chef Philippe, this will be followed by the official club presentation of our champion golfers trophies for the 2019 season.

All members and Friends are most welcome and bookings may be made to Judy Gray on 0418617385 or David Gray on 0427808395 or any committee person.

The ladies have had their Annual General Meeting and we would like to congratulate this years office bearers, Elizabeth Hehir - President, Virginia Ebert - Vice President, Sandra Kilo -Secretary/treasurer, Heather Chaston - Captain and Roz McMillan - handicapper.

We wish all the ladies a successful 2020.

Apology must be extended also to Vets 2019 Champion, Frank Shannon who was not recognized in previous news. This is two years in a row for Frank so we wish him luck in 2020 getting his hattrick of victories.

FRIDAY NIGHT 9 HOLE CHOOK RUN

Is on every Friday Night with a 4.30 to 5.30 tee off, this is a great 9 hole, very social hit and suitable for all levels of golfers.

Visitors and non or thinking about playing golf are most welcome.

VETS GOLF

Vets golf is played every Wednesday morning with a 9 hole comp, tee off time 8.30 for 9.00am.

You don't have to be a golfer or old to play & women & beginners are most welcome to play the 9 hole event.

PENNANT GOLF

Jindera is playing in the Murray District Golf Association Handicap Section of the Summer Pennant Comp. Whilst wins have been allusive, the golfers representing Jindera are doing themselves and the club proud, results a 5-0 loss to Thurgoona, we were a little underprepared for that match, however we narrowly lost to Howlong 2 to 1 with 2 draws, and again narrow loss to Culcairn 3-2. Best players have been Bob Sheeran and Brenton Polkinghorne. Jindera will be hosting the next round on Sunday, 3rd November.

Working bee will be held on Saturday, 2nd November, to prepare the course for the Pennant Event, hopefully we will have some rain in the mean time as the course is really looking for a good drink of water.

Results
