JINDERERA BEARINGS IS OPEN

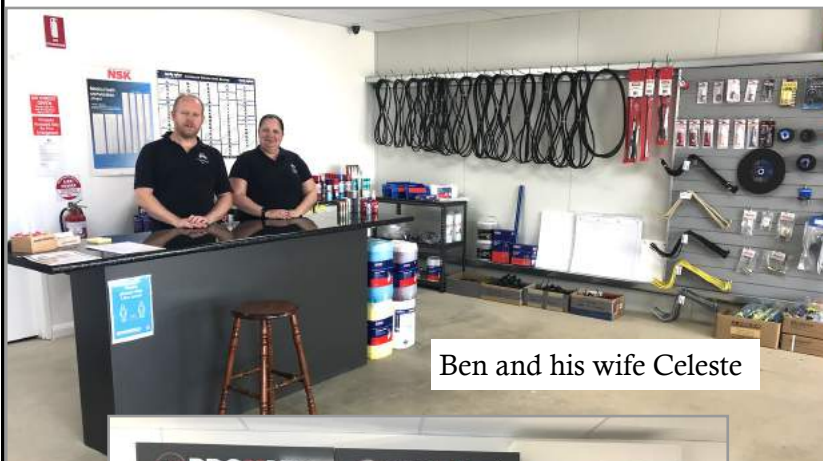

Shop 3/95 Urana Road (Next door to the Post Office)

After 25 plus years in the spare parts industry, local resident, Ben Gilcrist along with his wife Celeste saw a need for a local provider of parts for bearings and other industrial supplies for farm and mower maintenance.

Ben said their aim is to provide a one stop shop for bearings, mower and other industrial supplies.

They found the ideal location in the re-conditioned shops next to the Post Office. Ben and Celeste invite you to drop in and check out what they have available.

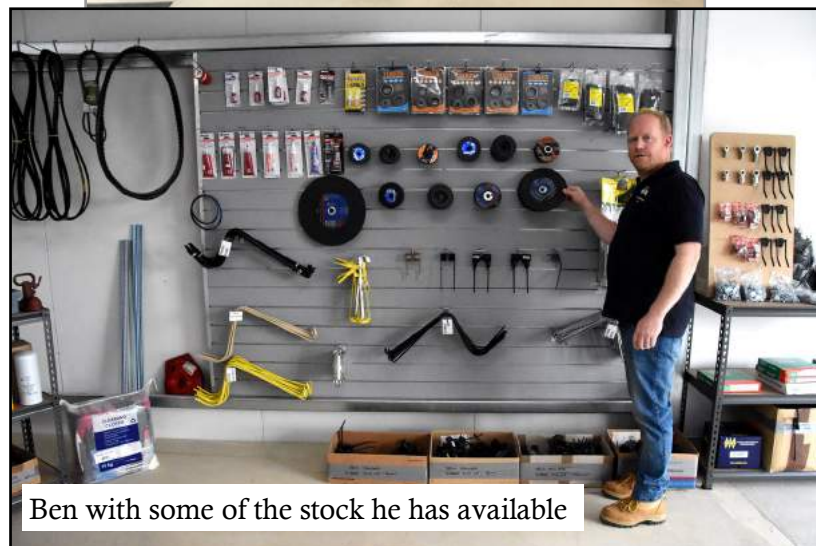

Ben says he is ordering more stock all the time and if they don't have what you want then they will order it for you.

The members of the Rural Care Link Committee have been very busy this past month making sure that the policies and procedures of the organisation are up to date and suitable for this growing organisation. Jonathon Howard, the new President, along with Greg Finster, Committee Member, has worked tirelessly pulling policies together and together they have done a superb job. Each member of the Committee has been allocated a job, which is keeping everyone busy.

Colleen Lord, Vice-President, is the Welfare Support person along with being the Op Shop Coordinator, Elaine Maling is the Organisation's dedicated Secretary, with Michelle Greness our trusty Treasurer, who are keeping the organisation on track. Jenny O'Neill is busy as the Carer Coordinator and has her hands full organising events etc., Greg Finster has a big job as editor of the "Jindera News", as has Mark Ridgeway who is our main man when it comes to Information Technology. Kathleen Carman has been working on reorganising the Library at the Op Shop, which is a big job, as the library will have new shelves and a new look by the end of the year.

The opening of the Office has been very exciting as this Office has been closed for many months. The Office will now be open on Tuesdays, from 11.00

am to 3.00 pm. The Office will be manned by a volunteer, Vickie Priscina. Vickie will be working on the numerous projects including the "What's on in Jindera" flyer. She would love you to call in and say "Hello", as that was what was so special about having the Office open. It is the "doorway" to Rural Care. If you miss seeing Vickie on a Tuesday, there are lots of brochures and information available outside the Office.

Over the past few months Rural Care Link has also been endeavouring to bring back to Jindera, a counsellor, as the committee could see that this was a great service to Jindera in the past, with many community members using this service. It is hoped that by the next edition of the "Jindera News" there will be some good news on when this service will be back.

So, as you can see, the Committee hasn't been idle, and the members are all working very hard to give the community the best service they can.

Don't forget if you need **Welfare Support**, then please contact Colleen Lord on 0429 960 616 or leave a message and she will get back to you as soon as possible.

Jindera News is published monthly (except January) by Rural Care Link Inc. All profits from advertising and donations are used to support the activities of Rural Care Link Inc. Contributions and advertisements are invited from groups and individuals and should be negotiated with and forwarded to the Editor. The editorial team reserves the right not to publish any article or to modify the presentation to suit the style of the newsletter.

NEEDS YOUR HELP

WE ARE LOOKING FOR A NEW COMMUNITY MINDED EDITOR

The current editor/coordinator will soon be stepping down from this volunteer position. This is a great opportunity for someone who has the Jindera community at heart and wants to further community spirit by informing people about what's happening in our neighbourhood.

Ideally you would have or be able to attain the following:

- familiar with Microsoft Publisher or similar software & the production of multi-page newsletters
- liaise with local clubs and community groups regarding news items
- liaise with customers by helping with and quoting for advertising space
- assist in sourcing and editing local stories for inclusion
- make decisions regarding the inclusion of ads, news items and photos for publication
- work with the volunteer assistant editor/compiler
- produce a monthly billing sheet for the Rural Care Link Treasurer

The Jindera News is published at the end of each month and the final production is printed by a local printer. There are 11 editions each year as there is no January edition.

This volunteer role of editor/coordinator works under the auspices of Rural Care Link and requires you to be a volunteer member of the Rural Care Link management committee.

If you have been wanting to get involved in the community and this style of volunteer community service is something you feel you could do, please contact the editor to discuss the role, at:

jinderanews@ruralcarelink.org.au

Jindera CWA News

It was great to welcome two new members and an interested visitor to our Annual General Meeting held on 7th October, 2020 in the School of Arts Hall. Guest speaker Alice Glachan gave a power-point talk on the extension to the Hilltop Cancer Centre. It was most informative and Albury is very fortunate to have this facility for cancer patients and their family when they come to Albury for treatment.

CWA new committee Office Bearers for 2021, President (Bev. Blair), Secretary (Olivia Hanel), Treasurer (Heather Collis), International (Christine McIntyre), Publicity (Bev. Blair), Cultural (Margaret McMaster), Handicraft (Virginia Morey), Land Cookery (Narell Tassell), Flower/Gardening (Mary Fielder). Vice Presidents, Helen Glachan and Judy Steer.

Three Jindera Members attended the Murray Group AGM in the CWA rooms at Albury on 8th October, considering the small number of meetings Jindera Branch has held this year we were delighted to receive the "Rita Ross Trophy for the most active branch".

*Presentation of Rita Ross Trophy by Janet Kemp
L = R Janet Kemp, Margaret McMaster, Judy Steer, Olivia Hanel.*

OUR NEXT MEETING IS WEDNESDAY,
2ND NOVEMBER.

Yours in CWA Friendship and Fellowship.
Bev. Blair.
President.

OP SHOP NEWS

It's been wonderful this month to be feeling the warmer weather coming. It has given the volunteers at the shop the opportunity to bringing out the new summer stock. Although light on children's wear, the shop is still well stocked with women's tops and dresses. The men's wear still has a good variety and there are lots to choose from on the bric-a-brac shelves.

Donations are slowly coming in and the volunteers are very grateful to those who leave the donations **inside the shop**. No donations will be accepted if left at the old bin with the chain around it outside the shop. The only donations that are being accepted are those that come into the shop and left in the trolley or with the staff.

Covid restrictions are still in place, which means that all donated clothing has to be hung on racks in the sun if possible for 24 hours before coming into the shop. We hope that by doing this we are protecting our customers as much as possible. We are following all the procedures that the government has set down for retail shops, which still includes hand sanitisation, signing in, and not coming into the shop if you have a cold or sniffle.

The staff members at the shop are now wearing their green aprons so that you can recognise them quickly. Everyone has a name tag, so say "hello" and introduce yourself if you haven't met before.

Please note that we have two racks of lovely summer

clothes out the front of the shop. We also have some really great summer dresses inside the shop, so come in and have a good look around.

Judy Cole. Lee Howard. Jenny O'Neill and Maria Waslander

The staff members love having fun, so if you came into the Op Shop last Saturday, (Halloween), you would have seen the staff getting into the swing of the theme.

I am sure they will be dressing up for Melbourne Cup day as well.

Looking forward to seeing you all during November.

It's now time to buy those Christmas decorations or gifts.

Till next month, *Colleen Lord*, OP Shop Coordinator.

Rare Visitors to Jindera Wetlands

Yesterday, October 28 I had just finished marking where a second bench seat is to be placed in Jindera Wetlands when I noticed some unusual water-birds swimming in the nearby large dam along with a half-dozen Wood-ducks.

Suspecting that they were Magpie Geese I took this photo, consulted my Bird Book, and 2 Friends of Jindera Wetlands with more knowledge about birds than I have and they confirmed my suspicion.

Magpie Geese are in their abundance in the Top End of Australia but are **rarely seen** "down south"! So we are able to record them in our list of birds as Rare Visitors to Jindera Wetlands.

So, if you find yourself seated in one of our bench seats overlooking Jindera Wetlands & Woodlands and look over your shoulder, you may be lucky and see a Magpie Goose!

JINDERA RURAL FIRE BRIGADE

A new season

Fire season commences officially on November 1. For all practical purposes that means NO fires/burning-off without a permit.

A cooler and wetter start to the season than last year. Our farmers are generally looking happier and much fuller dams on properties mean that local brigades are generally better prepared this year for those fires which will inevitably eventuate.

We can only hope that the 2020/21 season continues in this vein but there is no guarantee and so it's important for us all to prepare for the possibility of worse times later in the season.

Tree Fire at Pony Club

The Brigade recently attended a tree fire opposite the Pony Club which provided a timely reminder of the need to be prepared and act quickly to minimise risks. The Captain has pointed out that the tree had started to burn down into the roots and once that happens it can smoulder for weeks underground, unnoticed until a hot summers day.

Clean up around your premises

So, while your brigade is preparing for the season with equipment checks and training, we need all landholders to clean up brush and leaf litter as well as combustible materials close to their houses. So please attend to this if you haven't done so already.

AGM

The Jindera Brigade Annual General Meeting was held at the Station on Tuesday 6th October 2020. Covid protocols were followed with the meeting being held in the truck bay area to ensure appropriate separation

The following positions were confirmed:

| | |
|------------------------------|---|
| Captain | Graham Yensch |
| Senior Deputy Captain | Matthew Hicks |
| Deputy Captains | Harry Glaw, Cameron Thompson, Lyle Harding, Grant Tollis, Terry Doyle, Mark Briese. |
| President | Ray Rose |
| Secretary/Treasurer | Mark Briese |
| Training Officer | Margaret Wehner |
| Equipment Officer | Grant Tollis |

New Members

Like all organisations, it is important to ensure regeneration in our Brigade and the Captain is pleased to

see a number of new members in training to join crews this season.

Concreting the Car Park

A \$10,000 grant from the Rural Fire Service has gone towards concreting the new section of the rear station car park. The new work has been completed and the fact that the Brigade gets good value for money can be seen from the results - clearly visible from Urana Street.

We look forward to completing the job but will have to wait until more funds become available.

The sign

As we advised last month, the Captain has decided that we should not risk another year without this important community asset and financial reserves are being set aside provide the sign which will provide highly visible real-time emergency and community information - hopefully in time for the height of the season.

Watch this space. There remains work to be done.

Pre-Season Dinner: Friday 6th November

Member's and their families are reminded that the pre-season dinner and catch up will be held at the station from 6:30pm on Friday, 6 November. Again, Covid safe practises will be maintained with service in the truck bay area.

As usual, there will be no food shortage with Roast Meat, cutlery and plates supplied and we ask each family to bring a salad &/or sweet to share.

Captain's Tour - Saturday 21 November

This year the Captain's tour will depart Jindera Station at 7:15 am to join other Brigades at Splitters Creek Station at 7.45 am.

The tour will be back at Jindera by noon in time for afternoon sports.

(Members remember to pack a small morning tea/smoko)

Maintenance

A quick reminder to members that maintenance is being held every second Saturday at the Station with the next scheduled for 7 November at 8.00am.

Looking forward to a safe festive season

Cheers
NAFA

School Grounds Improvements

We are moving along with our upgrade and maintenance of St John's. We believe these improvements will help to set a standard of excellence that will support those same levels of excellence we strive for with student learning. It is worth noting that these external improvements, whilst exciting, are secondary to the energy, commitment and investment we place on directly supporting our students in the classroom. Our school board members in collaboration with our staff team, are committed to ensuring every decision we make at our school, is to benefit our students.

Year 5/6 Project Based Learning (PBL)

This week we kicked off the 5/6 PBL unit which uses the concepts of scientific forces. We began the week with a visit from the Jamaican Bobsled Team and then went on a virtual rollercoaster ride.

We have been conducting scientific experiments to gain the skills we will need to become engineers of technology.

TRANSITION DAY KINDERGARTEN 2021

We welcomed our excited 2021 Kinder Team to their new school on Wednesday. To have our new students so happy and energetic reinforces how much our staff love their job! It also highlights how important it is to create a positive and safe environment for learning. Our priority at St John's is the well-being of all of our students and it is an area we have invested in via staff professional development throughout 2020. We are committed to creating inspirational learning environments where we connect children to learning experiences that result in deep, purposeful learning. We can't wait to see our 2021 Kindy Team begin their learning journey at STJLS. Their potential is endless...

BOOK WEEK PARADE

We always have a great time during Book Week Parade and this year was no exception. We saw some inventive, creative costumes from both staff and students, and a good assortment of favourite book characters. We love books at St John's.

Greater
Hume
Council

Regional Activators Alliance to inspire population shift into regional Australia

The Regional Australia Institute (RAI) today officially launched the Regional Activators Alliance (RAA), a new body designed to create a national awareness campaign aimed at driving population shift into regional and rural Australia.

Greater Hume Council is one of 37 organisations to take up the opportunity to join the alliance.

Greater Hume Council decision to join the alliance was underpinned by a recognition that in order to grow and be sustainable, Council must attract new residents and achieve new business growth into the local government area.

“Council is determined to take the steps to revitalise our communities, welcome visitors, grow our economy and promote our affordable lifestyle and liveability benefits. Joining the alliance means that Greater Hume Council will be a part of the narrative for this very important campaign and allows our Council to create touch points with a national audience” said Mayor, Councillor Heather Wilton.

With a paradigm shift in life work balance accelerated by the Covid-19 pandemic creating an upended definition of place of work, to an acceptance that working anywhere, or working from home is not only possible it is a new reality.

Council sees participation in the alliance as a valuable platform to position Greater Hume as an ideal place to live and work, and one not to be missed as the regional and rural renaissance of Australia emerges, added Mayor Wilton

Regional Australia Institute CEO Liz Ritchie said “Today, I am delighted to welcome Greater Hume Council to the RAA table, I know that their passion, insights and knowledge will be invaluable and will help to amplify the campaign reach.

This campaign is a once in a lifetime impact project. Promoting Regional Australia is a shared responsibility, and RAA members will be at the forefront of this powerful national movement to change the narrative”, Ms Ritchie said.

JINDERA

• PIONEER MUSEUM •

As the warmer weather approaches and with the ongoing showers, the museum garden is looking wonderful, an ideal spot to bring your lunch and enjoy the peacefulness the museum provides.

Have a look around at the wonderful new display of stained glass from 'Valetta' – the original home of Dr Woods of Albury, also doctor to many residents of Jindera. Valetta was demolished to make way for the Civic Centre and the museum was fortunate to acquire some of the stained glass and the beautiful staircase from this historic building.

Thanks to the engineering prowess of Paul and David the stained-glass doors and windows have been placed in the shop gallery to take full advantage of the daylight from the windows and doors. It is well worth a look to view these beautiful doors and windows, some that are hand painted. They make a spectacular feature in the gallery and the additional natural light created by having the large doors open also aids the other exhibits.

Work continues on the 'Working Machines' shed with it now nearly full to capacity. A few operational additions and a little more landscaping and we will be able to open the doors to the general public. This will definitely be by December, so there will be new and interesting things to bring your holiday visitors to see.

Due to present circumstances we have decided to postpone the official opening until 21st March next year. We hope to hold our Lost Trades Day on the same day, so it will be a big day with plenty to see and be involved in.

We will again hold our Christmas Wreath making workshop at the museum on Sunday 13th December, so get in early to book a spot.

This year we are going to introduce a Christmas wrapping and decoration workshop. This will be held on Friday 27th November starting at 6 pm.

Wine and cheese will be served, so come along for a giggle and learn some new skills.

Bookings for both workshops can be made via Trybooking.

Don't forget we are open every day from 10 am to 4 pm and we have some great activities for children.

The Tea Room is open every Sunday from 11am to 4 pm with weekly specials (see our Facebook page) and of course, our famous Devonshire Teas, cakes and slices.

These home-made delights are well worth a visit

Jindera Pool News!

We are now counting down until the opening of the pool on the 14th of November!

The Pool Committee have already been busy working with Council on tweaking the opening hours to **increase opening hours on weekends.**

We will now be opening at 1pm consistently on Saturdays AND Sundays throughout the season.

In addition to our late closings on Fridays and Saturdays of 8pm, you now have more opportunities to plan a gathering for lunch or dinner down at the pool.

Bec and Lee-Ann will be running the kiosk again this year – either purchase something from the range of food on offer, or BYO and use our free barbeque facilities.

The Committee is also delighted to have our **\$100,000 NSW Government Stronger Communities Grant** fully spent. In addition to the new solar heating installed last summer, we now have **solar**

blankets. It is hoped that these assets will work together to maintain a comfortable water temperature throughout the season. Our shade sails and umbrellas provide sun-safe places for people to relax.

In addition to the access steps, a **hoist** has now been installed. A wheelchair is also available to use on the ramp or hoist – just ask the lifeguard. If you know anyone who has difficulty with pool access, please invite them to use our facility. Prior notice would be appreciated so that we can organise for a second person to assist with transfers if required.

January *Learn to Swim* classes are already heavily booked, and Kim Dibben will be running swimming lessons again on Saturdays.

Council have a **Covid Safe Plan** in place to ensure we all feel confident attending the pool in these uncertain times.

As always information about events or updates are available on our facebook site or call the pool on 60 263 900.

Greater Hume Council Swimming Pool Opening Hours and Admission Fees 2020/2021

Season Tickets (can be purchased from Greater Hume Council's Customer Service Centres)

| | | |
|---------------------------|---|----------|
| Family | (2 nominated Adults & Children 18 yrs & under) | \$160.00 |
| Single Adult | (1 Adult only) | \$90.00 |
| Pension Family | (2 Adults Eligible for Pension & Children 18 yrs & under) | \$110.00 |
| Pension Single OR Child | (1 Adult Pensioner OR Child 18 yrs & under) | \$50.00 |
| Replacement for Lost Card | (any type) | \$5.10 |

All season ticket prices will be discounted by 50% if purchased after 17 January 2021.

Daily Admission Prices

| | |
|---------------------------------|--------|
| Adult | \$3.50 |

A COVID 19 Safety Plan has been developed by Greater Hume Council to create and maintain a safe environment for all users of Greater Hume swimming pools. The plan follows the current COVID-19 Public Health Orders, and also manage risks to staff and other people (users) in accordance with Work Health and Safety laws. For more information contact Greater Hume Council on 1300 653 538.

Morning swims at Jindera are held from 6:00 am to 7:00 am Tuesday to Friday (Dec to Feb).

Pool Inflatable Schedule 2020/21 on Sundays yet to be advised.

ALL POOLS ARE CLOSED ON 25 DECEMBER 2020

COVID-19 restrictions have changed the way Council can run its monthly meeting.

Members of the public were not able to attend the meeting in person but the meeting was recorded and available for viewing on Council's website <https://bit.ly/35uKFxX>

Council will continue to hold the monthly meetings at Holbrook Library Complex while COVID restrictions are enforced. Residents can bring forward issues to the council by providing a written statement, which is distributed to councillors and read out prior to the commencement of the meeting. Statements should be provided by 5pm on the day preceding the meeting.

Business dealt with at the meeting included:

Council received a presentation from Council's external auditor regarding the financial statements to 30 June 2020. Council was the 11th General Purpose Council to submit the financial statements to the Office of Local Government.

Council approved a change of use for a property on Yankee Crossing Rd, Henty from a bulk grain storage to metal fabrication business, subject to conditions.

Council resolved to apply for funding via the Bush-fire Community Recovery and Resilience grant which will include a small community grants program, commercial catering equipment for the proposed Holbrook Sporting Complex Amenities Building, lining the ceiling of Lankeys Creek Hall, four satellite phones and provision towards PA system at the Jingellic Pavilion and flood lighting at the Jingellic Hub.

Council also received several reports regarding the closure of unused roads across the shire and took steps

to renew unused road leases.

Council resolved to accept a submission from Essential Energy to upgrade 863 streetlights across the shire to LED lighting, which will provide brighter lighting in streets and a significant energy saving going forward.

Received as a matter of urgency, Council agreed to forward correspondence to management of The Daily Advertiser asking that newspaper organisation to consider making that publication available at the same time of day as that of The Border Mail.

Council received an update report of Council's response to the Coronavirus COVID-19 pandemic and its impact on operations.

Meeting agendas and minutes are available for viewing at any time on Council's website.

Go to www.greaterhume.nsw.gov.au for all your Council information such as contact information, to lodge a customer request, news, events, development applications and forms, careers, waste and recycling, library and community services, works and projects, business and investment, grants, youth, Council meetings agendas and minutes, children services, water and waste water, pet registrations, your rates, have your say and so much more.

If you have friends and family visiting go to www.visitgreaterhume.com.au to be inspired and plan your day with lots of suggested tours and activities.

Cr Heather Wilton Mayor
greaterhume.nsw.gov.au

Regional Winner Emily Jones, NSW Trainee of the Year

Greater Hume Council would like to congratulate Youth Officer, Emily Jones who was announced as the 2020 NSW Trainee of the Year. One of six state finalists, Emily took out the top award for the NSW Training Awards in Trainee of the Year category.

Emily was named as the Trainee of the Year in the Riverina Region and winning the State award is recognition of the opportunities traineeships can provide to people who want to remain in their local communities.

Greater Hume Council Mayor, Heather Wilton said, "We are very excited for Emily who has been an exceptional trainee and to be able to retain her as an employee and role model to other young people in our communities and our many other trainees is great for Greater Hume Council".

Emily was nominated for her Traineeship at Council in which she completed her Certificate IV in Library and Information Services through TAFE NSW. Emily started her Traineeship at the end of 2017 in the Library/Customer Service and Youth areas and has since success-

fully completed her traineeship and gained employment with Council in November 2019.

"Traineeships play an important role for Greater Hume Council in developing young locals to take on incredibly important roles within our communities. This recognition is testament to the quality of our work place in the support and the learning and skill development opportunities that are provided locally", Mayor Wilton said.

When asked why she chose to start her Traineeship with Council, Emily replied I've always wanted to help people. Being able to assist a community member who's struggling, confused or curious has given me so much job satisfaction. This traineeship has widened my understanding of all areas of community service. The contacts I've made, the relationships I've forged and the experiences I've gained will stay with me forever, especially the support that I have received from my manager Susan Kane."

Emily will now represent NSW as Trainee of the Year in the Australian Training Awards, the peak national awards that showcase best practice in vocational education and training (VET).

Jindera Country Golf Club

The grass is growing and the course looks great, thanks to our volunteers for their tireless work, at this time of the year the grass cutters are doing a magnificent job keeping both the fairways and the rough cut, neat and tidy.

Special thanks to David GT Briggs refuses to let the grass get away from him and I can assure David his work is appreciated by all the golfers, thanks also to Trevor Freeman for his mowing of the rough as well. *Great job guys*

Whilst the official golfing season has been completed, Annual Trophies awarded golf is and will continue throughout the Summer months.

Congratulations to Alex Clayton on winning the members draw \$130 and more recently Trevor Freeman winning \$30

GOLF CART for SALE, ONLY \$1000, petrol model, driven only by a little old lady on Sundays This is as cheap as, there is a catch, this well used cart has a few health issues and possibly may cost a further \$1000'ish to refurbish.

Annual Fees – after 20 years and numerous increased costs annual fees will rise to \$100 a year in 2021 for adult memberships, Juniors under 18 years of age is \$30 (there is no joining fee) each month after May cost for membership reduces by \$10 per month (eg. June 2021 \$90, July 2021 \$80) Annual Memberships are due in March each year.

Course signage – still some available at only \$200 for 18 months PHONE Stu 0412128979

JINDERA ANGLER'S CLUB Inc.

October has been a typical Spring month with 4 seasons in a day and unfortunately generally on a fishing comp weekend, wind, cold and rain have been the challenge.

The good news is that the fishing has been great with most members putting in the time being rewarded with yellowbelly and some good sized redfin. Less talented fishos (Chris) have mainly reduced the carp population.

Members are reminded that the Clubs competitions new minimum redfin size is 25cm up from 23cm, and for competitions, fillets will not be accepted, except as a bribe to el presidente'.

Been a couple of fishing comps since the last newsletter, the Open Comp held on the weekend at the end of September was well attended with the best fish going to Lazslo Peli with a nice yella 52cm, Laz also had redfin the biggest was 30cm. The biggest bag of fish for the comp went to Shane Boyd with a bag of trout of 221.3cm, Leif Wilkman had 2 trout 45 and 42, Shane had 3 trout, 38, 40, and 43cm all other fishos received doughnuts for their efforts.

Last comp held was on 23, 24 and 25th October, the weather was wet and windy, best fish went to Brian Shannon 60cm yella, biggest bag was won by Boydy 217.2cm, Leif had yellas and reddies 199cm, Laz had a 41cm yella and a bag of fillets, Kylie Shannon had a nice redfin and donuts went to Shane, Chris, Wade and Kylie S.

The club also hosted the SWAA general meeting on Sunday, 1st November, thanks to Phil and Chel for their catering.

Next general meeting will be held at 5.30 on Friday, 7th November at 5.30 and the next Comp will be an Open Comp held from Friday 13th November starting at 5pm with the weigh-in at the clubhouse on Sunday 9th at 5pm sharp, late entries will be disappointed.

Our next major event will be cod opening comp commencing on Friday, 4th December at 5pm with the weigh-in on Sunday at 2pm. We will also be holding our 2019/20 Presentations after the weigh-in, if you have caught a fish in the last 17 months better get along you may have a trophy to collect.

We will also be having our Christmas party and festive feast after weigh-in.

Note:- The Current Covid conditions of the time will apply to all events.

BJ Birmingham donated a defibrillator to our club.....great work BJ

Laszlo yella 41cm

Leif 3 yellas and 3 reddie bag 1990.5

Rod 2 nice trout

Sham 3 yellas. Biggest of 60cm.

Shane Kylie and Chris got 0 0 0
