OVERALL BUDGET REVIEW

Detailed below is a full review on a functional basis with comments. The commentary below provides an explanation of major variances (greater than \$5,000).

GOVERNANCE & ADMINISTRATION

Function and comment	Projected Budget Variance \$	Amount Carried Forward
Elected Members Expenses		
Satisfactory. Training costs lower than budget.	+6,168	17,000
Risk Management Satisfactory. Risk Management Incentive Rebates added to reserve to fund current and future risk management activities and resources.	Nil	Nil
Governance, Corporate Services Administration and Customer Service Centres Overall Corporate Services Administration costs exceeded budget. Cleaning costs across all of Council's offices exceeded budget estimates by \$31k. Electricity costs also exceeded budget by \$10k. The impact of excessive cleaning and electricity costs have largely been mitigated in the 2018/2019 and future budgets through the negotiation of a new cleaning contract (refer report to June 2018 council Meeting) and the installation of solar panels at the Jindera Community Hub and Culcairn Office (completed) and Holbrook Office (to be completed during 2018/2019). Additional costs were also incurred during the Infrastructure Revaluation Project which was required to be undertaken as part of the 2017/2018 financial reporting process.	-14,019	47,447

Function and comment	Projected Budget Variance \$	Amount Carried Forward
Information Technology Services Satisfactory. Provision has be made for the recouping of a significant overpayment of data communication costs as a result of billing errors over the past two years. Recovery actions are proceeding in order to fully recover the overpaid amount.	162	Nil
Employment On-Costs Final reconciliation of Employment on-costs and Engineering overhead recoveries reconciled and net surplus of overhead recoveries has not been completed and will be finalised during preparation of the financial statements. However, it is evident that Recruitment Expenses were higher than anticipated as a result of the implementation of significant restructures of the Engineering and Corporate & Community Services departments with each restructure resulting extensive recruitment activity and advertising costs.	-16,934	Nil
Engineering Administration Engineering Administration salaries exceeded budget primarily to staff not taking their full allocation of leave. Overall other costs satisfactory. A final reconciliation of On cost recovery generated through works will be undertaken during preparation of the financial statements and if possible transferred to Works Warranty Reserve.	-4,641	Nil
Depot Administration and Maintenance The final costs of the new works depot at Holbrook exceeded budget by \$61k. Additional fire safety works were undertaken such as hose reels. Also, additional works were completed for records storage to facilitate improved corporate records management processes.	-58,322	Nil

HEALTH SERVICES

Function and comment	Projected Budget Variance \$	Amount Carried Forward
Health Administration Satisfactory. Additional revenue received from Licences and Permits. TOTAL HEALTH SERVICES	32,691	13,218

Function and comment	Projected Budget Variance \$	Amount Carried Forward
Waste Management Income from loose fill asbestos fees brought to account and taken to reserve. Actual tipping fees and other income exceeded budget estimates. Noxious Animals & Insects Satisfactory	1,564	Nil
Noxious Plants Satisfactory. The carried forward works will be subject to further review following completion of the 2017/2018 Weed Action Plan reporting requirements and may be adjusted.	52,478	Nil
Riverina Noxious Weeds Satisfactory. Ac Councillors would be aware, Council's management of the Riverina & Murray Regional Weeds Project concluded 30 June 2018 with management transferring to Murray and Riverina LLS.	Nil	Nil
