INTERIM 2022/2023 QUARTERLY BUDGET REVIEW AS AT 30 SEPTEMBER 2022

Report prepared by Chief Financial Officer – Dean Hart

REASON FOR REPORT

To present the Interim Budget Review as at 30 September 2022 in accordance with Section 203 of the Local Government (General) Regulation 2005.

REFERENCE TO DELIVERY PLAN ACTION

Not Applicable – legislative requirement

DISCUSSION

The interim budget review as at 30 September 2022 is included as an annexure for Councillors' perusal. The budget review, as presented, indicates that the projected 2022/2023 cash surplus will be \$44,468 which represents an improvement of \$5,810 on the original estimated surplus of \$38,658.

As Councillors would be aware, interest rates have been increasing steadily over recent months resulting in improved investment options for Council's investment portfolio. A minor adjustment has been made to the budget as at 30 September 2022 to reflect the improved investment position. Further improvements to Council's income from investments can be expected for the remainder of the financial year thereby providing an opportunity to meet additional expenditure, if required, whilst maintaining overall budget integrity.

Councillors should also note that the Financial Assistance Grant (FAG) for 2022 / 2023 was indexed at 4.7% which is significantly higher than the budget estimate resulting in an estimated overall increase in funding of \$317,753. The estimated additional revenue has been taken to reserve pending notification of the final FAG amount. A further report will be presented to Council when final figures have been determined.

UNCOMPLETED WORKS AND UNEXPENDED GRANTS CARRIED FORWARD

The budget has been adjusted to bring forward uncompleted works and unexpended grants (where required) as approved by Council as part of the 30 June 2022 budget review.

WATER AND SEWERAGE

General income and expenditure figures appear to be satisfactory.

SUMMARY

Council's overall budget position has improved as at 30 September 2022 with a surplus of \$44,468 predicted.

It should be noted that this review is for one quarter only further adjustments will be necessary as the year progresses. The budget also includes a number of projects which will require additional funding to be sourced if they are to proceed. Some of this may need to come from own sourced funding which will impact on the reported surplus.

Shown below are a number of Council's financial indicators as at 30 September 2022. These indicators are consistent with those reported in Council's Annual Financial Statement.

RECOMMENDATION

That Council note and approve the Interim Budget Review Statement as at 30 September 2022.

This ratio measures Council’s achievement of containing operating expenditure within operating revenue.

This ratio measure fiscal flexibility. It is the degree of reliance on external funding sources such as operating grants and contributions. It should be noted that the benchmark 60% is unlikely to be achieved In rural councils such as Greater Hume Council due to their heavy reliance on grants and contributions due to their large area and small populations.

This ratio assesses the adequacy of Council's working capital and its ability to satisfy obligations in the short term for the unrestricted activities of Council.

This ratio measures the availability of operating cash to service debt, including interest, principal and lease payments.

This liquidity ratio indicates the number of months Council can continue to pay for its immediate expenses without additional cash inflow.
