FOR NOT-FOR-PROFIT ORGANISATIONS, COMMUNITY GROUPS, AND OTHER
CHARITABLE ORGANISATIONS POLICY

Report prepared by Director Environment & Planning - Colin Kane and Town Planner – Gayan Wickramasinghe

### **REASON FOR REPORT**

From time to time, Council receive requests from the general public to waive or refund fees associated with the lodgement of applications for development. These include Development Applications (DAs hereafter), Complying Development Certificates (CDCs hereafter), and post-determination applications (ie Construction Certificates and Occupation Certificates) under the Environmental Planning and Assessment Act 1979 (EP&A Act hereafter), and Section 68 Approvals under the Local Government Act 1993 (LG Act hereafter). This report presents for Council consideration of a draft policy for refunding of fees associated with above mentioned applications and waiving of fees for Not-for-Profit Organisations, community groups and other charitable organisations.

### REFERENCE TO DELIVERY PLAN

Nil

### **DISCUSSION**

As noted above, Council periodically receives requests from the general public to waive or refund fees associated with development applications and post-determination applications under the EP&A Act 1979 and S68 Approval under the LG Act 1993. Currently, Council staff do not have a mechanism to determine the dollar amount to be refunded in the event that the application is withdrawn before its determination. It is noted that Council staff have, in the past, sought Council's opinion to waive fees associated with applications lodged by Not-for-Profit Organisations, community groups, and other charitable organisations. It was noticed that these exemptions would not be applied to similar future applications and a Council resolution would be required for any future exemptions.

Therefore, this policy will provide a basis for Council's decision-making regarding the refunding and waiving of fees associated with the aforementioned applications. Additionally, it will also seek delegation from Council to authorise the Director of Planning and Environment or their delegate to process the refund, while waiving fees for Not-For-Profit Organisations, community groups and other charitable organisations will only be authorised by the General Manager (or their delegate).

Section 253 and 254 of the Environmental Planning and Assessment Regulation 2021 (EP&A Reg hereafter) contain provisions related to waiving and refunding of fees associated with approval under the EP&A Act 1979 whilst Section 610E of the LG Act 1993 outlines the process associated with waiving or reducing of fees associated with approval under that Act. Council staff have investigated other Council's policies and procedures related to this matter.

To meet the above requirements and enhance transparency in decision-making regarding the refunding and waiving of fees associated with applications for various developments, a draft 'Refund of Application Fees and Waiver of Fees for Not-For-Profit Organisations, Community Groups, and Other Charitable Organisations Policy' has been prepared and is contained in **ANNEXURE 1**.

### **BUDGET IMPLICATIONS**

Finalisation of the draft policy can be undertaken with Council internal staff.

### CONCLUSION

The draft policy establishes the process for refunding and waiving fees associated with applications for various developments, aiming to enhance Council's decision-making process in alignment with other councils in the Riverina Murray region.

### **RECOMMENDATION**

### Council resolves:

- 1. That draft policy 'Refund of Application Fees and Waiver of Fees for Not-For-Profit Organisations, Community Groups, and Other Charitable Organisations' be exhibited for community input for twenty-eight (28) days, to allow for its adoption as required by Section 160 of the Local Government Act 1993.
- 2. If any submissions are received, a supplementary report be tabled. In the event no submissions are received, the policy be adopted and published on Council's website.

### **GOVERNANCE**

### 1 LOCALS ROADS AND COMMUNITY INFRASTRUCTURE PROGRAM ROUND 4 GENERAL PROJECTS ALLOCATIONS

Report prepared by General Manager - Evelyn Arnold

### **REASON FOR REPORT**

The purpose of the report is to determine the priority projects for funding under Local Roads and Community Infrastructure Program (LRCIP) Round 4.

### REFERENCE TO DELIVERY PLAN ACTION

CSP Strategy N2 Our road and transport network is maintained and accessible.

Initiative N2.1.1 Implement asset management and renewal programs in accordance

with adopted budgets and capital works programs.

### **DISCUSSION**

The Federal Government in the last round of stimulus funding has allocated \$1,294,190 to Greater Hume to invest in community projects.

Following several workshops Council developed a Community Project Investment Criteria to assist in evaluating the projects. At the ordinary meeting of Council in November 2023, Council resolved to allocate funds to the following projects detailed in table 1 below.

Project	Budget Request	Recommendation to Fund
Culcairn Football Lights	\$22,000	\$22,000
Whitebox Woodlands	\$50,000	\$50,000
Wallace Street Footpath	\$85,000	\$85,000
Bowler Street Footpath	\$95,000	\$95,000
Jindera Netball Facility	\$150,000	\$150,000
Toilets		
Brocklesby Tennis Club	\$35,000	\$35,000
Playground Henty Show	\$50,000	\$50,000
Grounds		
Burrumbuttock Multipurpose	\$230,000	\$230,000
Community Centre		
Culcairn Shire Office and	\$100,000	\$100,000
Memorial Hall		
Walbundrie Recreation	\$230,000	\$230,000
Ground Oval Bitumen		
Total		\$1,047,000
Unallocated		\$247,190

**Table 1: Allocated Projects from November** 

### LOCAL ROADS AND COMMUNITY INFRASTRUCTURE PROGRAM ROUND 4 GENERAL PROJECTS ALLOCATIONS [CONT'D]

This left the amount of \$247,190 unallocated. Using the same Community Investment Criteria the following projects (Table 2) are recommended to expend the remaining funds.

Project	Budget Request	Recommendation to Fund		
Walla Walla Netball Court	\$22,000	\$22,000		
Resurface				
Burrumbuttock Walking	\$225,190	\$225,190		
Track				
Total		\$247,190		

**Table 2: Recommended Projects** 

In deciding on these projects a number of factors were considered including;

- 1. Had the project been identified as a community priority?
- 2. Was the project intergenerational?
- 3. Did it support social, economic and tourism?
- 4. Could it support operational budget savings?
- 5. Was there any matching funding or contribution?
- 6. Was it going to be accessible to the community?
- 7. Did the project demonstrate energy efficiency?
- 8. Was it supported by a strategic plan?
- 9. Was the project shovel ready? Funding needs to be expended by June 30 2025.

### **BUDGET IMPLICATION**

There would be no budget implications as the project allocations are capped at the LRCIP contribution.

### CONCLUSION

The LRCI program presents a unique opportunity for Council to support a number of priority projects across Greater Hume Shire. Allowing for some excellent outcomes that will have a far reaching positive impact on our community.

### **RECOMMENDATION**

That Council adopt the following projects to allocate the remaining funds for LRCIP Round 4;

Project	Budget Request	Recommendation to Fund
Walla Walla Netball Court	\$22,000	\$22,000
Resurface		
Burrumbuttock Walking	\$225,190	\$225,190
Track		
Total		\$247,190

### CORPORATE AND COMMUNITY SERVICES

1. <u>DRAFT DELIVERY PROGRAM, OPERATIONAL PLAN AND RESOURCING</u> STRATEGY

Report prepared by Chief Financial Officer - Dean Hart

### **REASON FOR REPORT**

This report seeks approval for public exhibition of the draft Delivery Program 2022-2026 incorporating draft Operational Plan 2024-2025, budget 2024-25, and draft Fees and Charges 2024-2025.

### REFERENCE TO DELIVERY PLAN ACTION

Objective Our leadership and communication cultivate confidence in our decision making

CSP Strategy L3.1 Undertake integrated, long-term planning and decision making, reflective of community needs, resources and aspirations

### DISCUSSION

Council is required to undertake corporate planning and reporting activities in accordance with the Local Government Act 1993, the Local Government (General) Regulation 2021, and the NSW Government's Integrated Planning and Reporting Guidelines and Handbook 2021, also referred to as the IP&R framework in this report. Under this legislation, Council is required to:

- engage with the community to review and prepare a revised 10-year Community Strategic
   Plan every four years, and before 30 June in the year following the election of a new Council
- prepare a 10-year Resourcing Strategy, reviewed every four years
- prepare a four-year Delivery Program for the term of elected Council, and review annually
- prepare an annual Operational Plan including budget and Fees and Charges
- publicly exhibit all of these documents for at least 28 days and invite submissions.

In 2022 Council adopted the Community Strategic Plan 2022-2032 "live a greater life" and associated Delivery Program 2022-2026 and Resourcing Strategy 2022-2032.

The Delivery Program 2022-2026 has been updated to include the draft Operational Plan 2024-2025 and associated budget and is included as **ANNEXURE 2**.

### Delivery Program incorporating Operational Plan, budget and fees and charges

The Delivery Program and the Operational Plan have been prepared as a combined document. Both are structured around the same four focus areas of the Community Strategic Plan.

The Delivery Program is a four-year plan that covers the term of an elected council and is reviewed annually. It includes strategies based on what Council can achieve over the next four years to bring us closer to the community's objectives outlined in the Community Strategic Plan. Financial projections for the Delivery Program use a combination of detailed project and program information and assumptions.

Due to the postponement of the 2020 local government elections to December 2021, the term of the current elected Council will be two years and nine months instead of the usual four-year term. The Local Government Act 1993 still requires the new Delivery Program to cover a four-year period i.e. 2022-2026.

The Operational Plan includes a list of actions and projects Council will undertake and aligns with the strategies of the Delivery Program. It incorporates an annual budget and projections for the term of

### DRAFT DELIVERY PROGRAM, OPERATIONAL PLAN AND RESOURCING STRATEGY [CONT'D]

the Delivery Program. The annual budget is determined from detailed information of projects and programs that are expected to be delivered within the 2024-2025 financial year and is connected to actions in the Operational Plan.

The fees and charges for various Council services are reviewed annually. Changes to fees and charges for 2024-2025 are included in the annual budget.

### **Draft Budget 2024–2025**

Highlights of the draft 2024–2025 budget include:

- \$50m total budget (excluding depreciation)
- Projected surplus of \$11,593 for 2024 2025
- \$21m capital works program
- \$7.15m for road, bridge and footpath projects
- \$6.97m for water and sewer projects
- \$4.70m for flood mitigation projects

### **BUDGET IMPLICATION**

All costs associated with preparing the draft IP&R documents have been met from existing budget allocations.

### CONCLUSION

Council is required to undertake corporate planning and reporting activities in accordance with the Local Government Act 1993, the Local Government (General) Regulation 2021, and the NSW Government's Integrated Planning and Reporting Guidelines and Handbook 2021.

The draft Delivery Program 2022-2026 incorporating draft Operational Plan 2024-2025, budget 2024-2025, and draft Fees & Charges 2024-2025 have been prepared and it is recommended that the documents be placed on exhibition and that Council accepts submissions until Friday 17 May 2024.

### **RECOMMENDATION**

That:

- 1. Council places the Delivery Program 2022-2026 incorporating draft Operational Plan 2024-2025, budget 2024-2025, and draft Fees and Charges 2024-2025 on public exhibition and accepts submissions until Friday 17 May 2024
- 2. Staff prepare a further report outlining the outcomes of the public exhibition for presentation at the June 2024 Council Meeting

### **ENGINEERING**

### 1. PROVISION OF FOOTPATH, BOWLER STREET, HOLBROOK

Report prepared by Engineering Admin Officer - Amanda Williams

### **REASON FOR REPORT**

To inform Councillors of the response from landowners following their notification of apportioned contributions for the construction of a new concrete footpath in Bowler Street, Holbrook.

### REFERENCE TO DELIVERY PLAN ACTION

CSP Strategy N2 Our road and transport network is maintained and accessible

Initiative N2.1.1. Implement asset management and renewal programs in accordance with

adopted budgets and capital works programs.

### **DISCUSSION**

This project is a part of the Local Roads and Community Infrastructure Program.

This project was endorsed by council at the February 2024 Council meeting to receive funding, and upon confirmation of the funding landowners were notified of the amount of their contribution to the project s per Council policy.

The proposed works include the construction of a 1.5m footpath on the northern side of Bowler Street from Croft Street to Railway Street for approximately 340m.

A plan of the proposed works below:

As required by Council policy landowners are required contribute to the construction of new a footpath adjacent to their property.

Following the Council meeting landowners were notified via letter, mailed on the 1 March 2024 of the amount of their contribution to the project.

### PROVISION OF FOOTPATH, BOWLER STREET, HOLBROOK [CONT'D]

A table showing the current estimated rates used to calculate the landowners contributions is **ENCLOSED SEPARATELY 1** for Councillors information.

Two submissions were received from a landowners regarding the proposed charges. The submissions are **ANNEXURE 3**.

As per Council policy the submission is to be considered by Council prior to making a decision to proceed with the project.

Management has considered that as the Holbrook community prioritised the construction of the footpath with Council only receiving two objections then it is considered that a majority of the landowners and residents support the construction of the project.

Council had previously received a letter in November 2023, from a Mercy Health Care worker on behalf of a resident requesting a footpath in Bowler St Holbrook, to enable powered wheelchair access. See **ANNEXURE 3.** 

### **BUDGET IMPLICATION**

Project is fully funded by Local Roads and Community Infrastructure Program and Landowner Contributions.

### CONCLUSION

The project scope has been costed and apportioned to show landowner estimated contribution costs.

There was two submissions received from landowners regarding the contribution scheme.

### **RECOMMENDATION**

- 1. That Council adopt the scheme as detailed and arrange for construction to proceed.
- 2. That the landowners be notified of the intention to proceed with the scheme as previously advised.

### 2. TENDER TL 02 - 2023/24 BRIDGE WIDENING WANTAGONG CREEK

### Report prepared by Works Engineer – Andrew Walls

### **REASON FOR REPORT**

To consider tenders for the civil construction of widening the existing bridge over Wantagong Creek, Wantagong.

### REFERENCE TO DELIVERY PLAN ACTION

CSP Strategy N2 Our road and transport network is maintained and accessible

Initiative N2.1.1. Implement asset management and renewal programs in accordance with

adopted budgets and capital works programs.

### DISCUSSION

This project is part of the Council delivery program. The scope covers widening of the existing bridge over Wantagong Creek.

Jingellic Road provides the main access between Holbrook and Jingellic. It is a significant tourist and logging route in addition to the normal local traffic. This bridge has been structurally assessed in recent years and was found to be structurally sound. However the structure suffers from a narrow deck that does not conform to modern standards.

The deck widening proposed is designed to protect against 1 in 100 year storm events, provide safe pavement widths and provide for HML traffic into the future.

Advertisements were placed in the Border Mail and on Tenderlink.

Tenders closed on Tuesday 5th March 2024. Two tenders were received via the Tenderlink portal.

The following tenders were received and are listed in alphabetical order.

Company	Tender Price (excluding GST)
Goldex Civil P/L	\$ 1,468,533.82 excl GST
Waratah Constructions P/L	\$ 1,746,926.00 excl GST

The Bill of Quantities issued for this tender contained an error.

The tender submitted by Goldex Civil P/L made allowances for this error. However, the construction methodology proposed by Goldex Civil P/L involved closing Jingellic Road for a period of 12 days. This would involve significant traffic diversions. The tender documents called for 24 hour access to be maintained making the Goldex Civil P/L technically non-conforming.

Goldex Civil P/L were requested to submit an alternative conforming tender.

The tender submitted by Waratah Constructions P/L did not allow for the error in the Bill of Quantities and also contained mathematical errors.

Waratah Constructions were requested to submit a revised tender with the errors rectified.

### TENDER TL 02 – 2023/24 BRIDGE WIDENING WANTAGONG CREEK [CONT'D]

The revised tender prices were received and are listed in alphabetical order.

Company	Revised Price (excluding GST)
Goldex Civil P/L	\$ 1,655,377.50 excl GST
Waratah Constructions P/L	\$ 1,701,325.00 excl GST

Neither Goldex Civil P/L nor Waratah Constructions P/L have previously carried out works for Council. An assessment of both companies were undertaken by <u>Equifax-Corporate Scorecard</u> to provide an evaluation of their financial capacity to undertake this contract.

An extract from the respective assessment results are **ENCLOSED SEPARATELY 2** for Councillors information. Based on the assessment results, Waratah Constructions will be the recommended tenderer.

Mr Gavin Walker from Waratah Constructions P/L attended a post-tender telephone interview where it was confirmed that he was satisfied that they have the personnel and equipment to complete the project to the required standard in a safe manner.

Mr Walker indicated that fabrication of the pre-stressed concrete elements of the structure will be completed in September 2024. On-site works can commence in June/July 2024. These dates would be appropriate to this project in order to avoid environmental control restrictions and high creek flows. An expected completion date in December 2024 is the programmed completion date however given the nature of these works the progress of construction will be heavily weather dependant.

A table of the apportionment used to assess the tenders is **ENCLOSED SEPARATELY 3** for Councillors information.

A drawing of the proposed works is **ENCLOSED SEPARATELY 3** for Councillors information.

### **BUDGET IMPLICATION**

The tender price of \$1,701,325.00 (excl GST) is consistent with the engineers' estimate and within a remaining budget of \$1,742,000.00.

### **CONCLUSION**

Two tenders were received for the Bridge Widening Wantagong Creek project. Both tenders were considered.

The tender submitted by Waratah Constructions P/L has been assessed to be suitable for the intended purpose and there is no technical or practical reason to conclude that Waratah Constructions P/L are not capable of completing the contract to the required standard and within a reasonable timeframe.

### **RECOMMENDATION**

That:

- 1. the tender submitted by Waratah Constructions P/L for tender TL02 2023/2024 for the Bridge Widening Wantagong Creek for \$1,701,325.00 (excl. GST) be accepted.
- 2. the unsuccessful tenderers be notified.
- 3. the General Manager and the Mayor be authorised to execute contract documentation with Waratah Constructions P/L under the Common Seal of Council.

### REFERENCE TO DELIVERY PLAN ACTION

Objective We lead a vibrant, connected and inclusive community

Outcome 1.1 Leadership and advocacy is demonstrated and encouraged in our communities

### DISCUSSION

In accordance with the Local Government Act 1993, the Responsible Accountant must present to Council monthly, the status of the investments held by Council. The Responsible Accountant must detail the investments held, and their compliance with both internal policy and external regulation under the Ministerial Order of Investments.

In accordance with the recommendations made by the Office of Local Government (OLG) Investment Policy Guidelines published in June 2010, the monthly Investments Reports are attached to the Council investment report. This allows a stand-alone report to be published on Council's website for the public to view without having to peruse the Council meeting agenda for the relevant meeting.

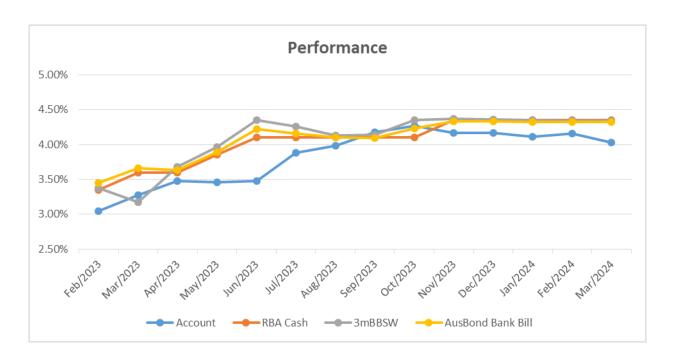

Councillors should note that Council has engaged an external investment manager, Curve Securities, to source appropriate investment opportunities with the aim of transitioning Council's investment portfolio to meet the investment parameters as detailed in Council's revised Investment Policy. Curve Securities will work with Council to ensure that Council's overall investment portfolio is diversified across a wider spectrum of approved financial institutions thereby achieving improved security and asset protection. It should be noted that each individual investment is still held directly by Council with each financial institution.
