## GREATER HUME COUNCIL MOVES TO 3 BIN SYSTEM IN 2024

Greater Hume Council will next year move to introduce a 3 bin kerbside system as part of its new 10 year waste and recycling contract with Cleanaway. The move aligns Greater Hume with the majority of councils in the region who already collect food and garden (FOGO) waste through the system since 2015. The additional bin introduction has been funded through the NSW Environmental Protection Agency to provide education and information to transition to the new system.

In June 2021, the NSW Government mandated the implementation of a Food Organics Garden Organics (FOGO) collection service for all Councils by 2030.

This means all residents who already have a domestic waste collection and recycling service will be provided with a third "green lidded" bin in the lead up to July 2024. This will ultimately provide residents with greater resources for waste disposal in a sustainable manner.

To successfully implement these changes, Greater Hume Council will utilise the \$205,000 of funding to conduct extensive community education through utilizing the Halve Waste education program in the lead up to the launch and to continue to support residents in the future...*cont. page 5*

**CULCAIRN GARDEN CLUB:  
THE YEAR IN REVIEW PART 2**

Here are some more of the highlights of another busy year at the Culcairn Garden Club.

**Culcairn Garden Club exhibit, Culcairn Show**

Each year, a different theme is chosen and Garden Club members contribute items for display from their own gardens. This year, the exhibit was called “A taste of the Orient”. Rhonda and Tony Iorfino provided several of their beautiful bonsai as the centrepiece of the exhibit. Members added Oriental plants, flowers and ornaments to create a beautiful display.

**Culcairn Show prizes**

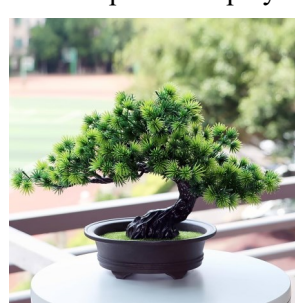

As in previous years, the Garden Club made a donation for the 3 categories of children’s prizes and for the Memorial Trophy at the Culcairn Show.

**Show and Tell**

At most meetings, members or guest speakers share their gardening knowledge or experiences in a session called “Show and tell”. There have been several highlights this year.

**Melbourne Flower & Garden Show, Exhibition Buildings, Melbourne**

Betty Scheetz visited the annual Melbourne International Flower and Garden Show at Exhibition Buildings, Melbourne. Betty thought the exhibition of floral displays which reproduced paintings was outstanding. The display gardens, designed and built by professional landscapers and horticultural students, were excellent and creative. There were a number of workshops and displays available. A day well spent!

**Bonsai**

Tony and Rhonda Iorfino shared their passion and love for bonsai and their extensive experience gained through the years. They explained the principles of selecting suitable plants, how to prune the plants to gain a pleasing shape and the general care. They

displayed several of their own bonsai, discussing their successes and failures and provided several handouts on bonsai.

**Gardenesque garden show at Albury Botanical Gardens**

Betty Scheetz also enjoyed visiting the annual Gardenesque garden show at Albury Botanic Gardens, where there were a number of interesting stalls and workshops. The Botanical Garden was looking its best, despite changeable weather. The popular guest of honour was Costa from Gardening Australia.

**Culcairn Garden Club**

The Culcairn Garden Club recently celebrated its 75th anniversary. The Club meets on the first Sunday of the month, between 2- 4pm, with an afternoon tea after the meeting. New faces are always very welcome. If you would like to join us, please contact Lolita Landman, President, on either 0429 660 450 or lolita12265@hotmail.com

**A MEALS ON WHEELS CHRISTMAS**

We celebrated Christmas with all our friends at the Holbrook RS club last Friday 8th December. The people who use our services, volunteers and staff from Culcairn, Holbrook, Jindera, and Walla Walla joined in the celebration and fun. Our very grateful thanks to the children and teachers from St Patricks and Holbrook Public schools for coming to entertain us with their musical numbers. They brought so much happiness to the room. Also, our thanks to Herb Simpfendorfer from Walla who entertained us with some musical items.

Our annual Christmas Hamper raffle was drawn on Friday 8<sup>th</sup> December during the Twilight Shopping Event. I can’t tell you who the lucky were because it hadn’t been drawn at time of the Oasis going to press. We have 3 giant hampers this year, all thanks to very generous support from our volunteers and the Holbrook community.

Gentle Exercises finish for the year on Thursday 14<sup>th</sup> December and will recommence after school holidays. Seniors Gentle Aqua is running on Tuesday mornings at 10am at the Holbrook Pool.

## CULCAIRN COINS FOR CANCER UPDATE

As of the latest collection in October the Culcairn Coins for Cancer boxes have raised over \$1000 this year bringing our total since their inception into Culcairn businesses in May 2021 to \$3130- not bad for a small community like Culcairn.

Sadly we lost one of our best sources with the closing in August of the Newsagency which had raised about \$600 through that time. Many thanks to Ken and Jan for 'hosting' a collection box. Shortly after it was set up a gentleman came in with a bag of coins he wanted to offload. How good is that! The good news is that the Gerogery

Hotel agreed to take over the homeless box.

Another act of generosity came from Culcairn Foodworks when they donated the money they received for their superseded shelves to the Cancer Centre. They could have put it towards a nice Christmas breakup spree. The money instead, along with all the money collected, will be used to bring a little relief and 'sunshine' to those doing it tough in the Albury Wodonga Cancer Centre. That should warm everyone's hearts.

Many thanks Culcairn, and visitors, for your generous support. Let's keep it going in 2024 and let's pray 'cash' will never be a thing of the past.

Blessings for a happy and healthy Christmas and New Year.

We cannot believe that we are in December already. Today we have had a visit from our friends from the public school and we have spent a lovely time making paper chains.

They look beautiful and make our home look very festive.

Next week we will welcome our family and friends into the facility for our Christmas party.

There will be turkey and ham with our favourite salads as well as several delicious sweets and treats.

There may even be a surprise visit from Santa.

All residents and staff wish all our friends from the community a very merry Christmas and a safe new year.

If you would like to become a volunteer here we would love to hear from you. There is always something fun to do.

## GREATER HUME COUNCIL MOVES TO 3 BIN SYSTEM IN 2024

*Article continued...*

A significant benefit associated with FOGO is the reduction in the amount of waste going to landfill. Neighbouring councils reduced their waste to landfill by 50% through the introduction of this system in 2015.

Ms Arnold added that when food and garden waste ends up in landfill, it releases methane gas into the atmosphere which is approximately 23 times more harmful to the environment than CO<sub>2</sub>.

“By diverting these products and turning them into compost that can be reused on farms and in gardens, the introduction of this service will greatly contribute to a reduction in the negative environmental effects caused by our landfill.”

“Jindera Public School was the recipient of some lovely compost processed from the green lidded bin in the re-

gion and able to be returned to our parks and gardens rather than landfilled.

Diverting our FOGO from landfilling will also assist us in progressing towards meeting some of the other mandates set by the NSW Government, such as the 80% waste diversion targets (2030) and the CO<sub>2</sub> Net zero reduction targets (2050),” she said.

Ms Arnold said that the introduction of FOGO would mark a significant milestone for Council to work towards a more environmentally friendly and sustainable long-term waste and recycling strategy.

“I am pleased that Council could come to an agreement regarding this important matter” she said. “Our residents can be assured that they will be supported to make these household changes through the Halve Waste team and advertising in the lead up to the service changes.

### INVICTUS

Out of the night that covers me,  
Black as the pit from pole to pole,  
I thank whatever gods may be  
For my unconquerable soul.

In the fell clutch of circumstance  
I have not winced nor cried aloud.  
Under the bludgeonings of chance  
My head is bloody, but unbowed.

Beyond this place of wrath and tears  
Looms but the Horror of the shade,  
And yet the menace of the years  
Finds and shall find me unafraid.

It matters not how strait the gate,  
How charged with punishments the scroll,  
I am the master of my fate,  
I am the captain of my soul.

~William Earnest Henley

### LIFE LESSONS

An old man lived in the village. He was one of the most unfortunate people in the world. The whole village was tired of him; he was always gloomy, he constantly complained and was always in a bad mood.

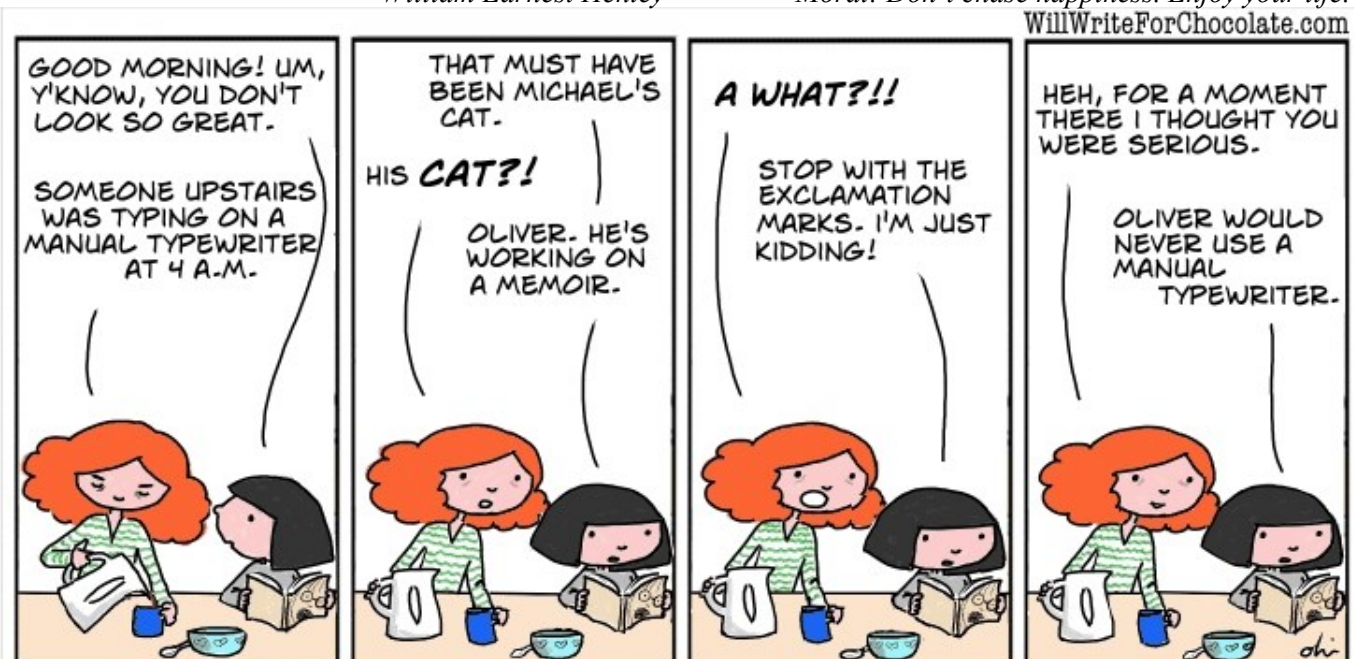

The longer he lived, the more bile he was becoming and the more poisonous were his words. People avoided him because his misfortune became contagious. It was even unnatural and insulting to be happy next to him. He created the feeling of unhappiness in others. But one day, when he turned eighty years old, an incredible thing happened. Instantly everyone started hearing the rumour: “The Old Man is happy today, he doesn’t complain about anything, smiles, and even his face is freshened up.”

The whole village gathered. The old man was asked: “What happened to you?”

“Nothing special. Eighty years I’ve been chasing happiness, and it was useless. And then I decided to live without happiness and just enjoy life. That’s why I’m happy now.”

*Moral: Don't chase happiness. Enjoy your life.*

The Fischer Community Leadership Program (FCLP) will be running in Greater Hume Council in 2024, with the program to be delivered twice over the year. The first delivery of the program will run as a new, two-day immersive workshop on Friday 21st and Saturday 22nd March in Culcairn.

The program aims to enable and empower leadership within the community from the grassroots up. The focus is to develop leadership skills and create a group of community leaders that are equipped to take action and make a difference.

The immersive format will be hands-on, experiential, and focus on practical learning. Participants will be introduced to the skills, knowledge, and mindset needed for community leadership, as well as the requirements of a community project.

It is best suited to those who are:

- Interested in making a difference in their community.
- Current or emerging community leaders, including:
- Captains, coaches and other sporting leaders,
- Local committee leaders
- Emergency services volunteers
- People wanting to make a difference in their community.

In addition to the two full day workshop, a further 4-hour session will be delivered in person, and 2 x 1 hour sessions will be delivered by Zoom, providing mentoring and guidance. Participants are also encouraged to come together for a local dinner after the first program day, to build relationships and strengthen their networks.

The program is delivered by Alpine Valleys Community Leadership in partnership with Federation and Greater Hume Councils, auspice by the Border Trust, and made possible by the grant funding from the New South Wales Government Stronger Country Communities Fund Round 5. Through this funding, the participation cost is \$60. Further information and applications can be made via: <https://avclp.org.au/fischer-community-leadership-program/>

## HENTY-CULCAIRN PROBUS

Met at Culcairn Bowling Club on Wednesday 8th November 2023.

Our President Yvonne Booth OAM welcomed us all, including our Greater Hume Councillor Doug Meyer OAM, Deputy Chairman for Riverina Water.

Two new members, Lois Biti and Pam Schulz were presented with their Probus Badges.

We have been sending beautiful bears and baby clothes and heat bags to Peter Mac. We give thanks to those who have made items and helped to deliver them to this good cause.

Yvonne has told us of a beanie competition being arranged for next June, intending to assist the Seaman's mission. More information to follow after Christmas.

Our five minute speaker was See Gain.

See was born in Malaysia. See was the youngest of five children, raised by her mother working in the family bookshop, after her father had died at enemy hands.

See studied nursing in England and now cares for family.

Yvonne presented See with a Probus pen as a token of our thank you for a most interesting speech.

Our main speaker was Brenton from Riverina Water. He came with a helper to set up a slide show.

Brenton told of being part of a team of people being sent to Nepal as volunteers to Rotary projects in Nepal, for three weeks. The team ranged in age from eighteen to eighty years, with leaders from Albury. The project was to turn a three-storey building into dormitory rooms for nursing students. A most worthwhile sharing of information on Nepal and on the good work being done there by Rotary and lots of volunteers.

Brenton was presented with our Probus pen as a thank you for telling us about a most amazing experience.

Our Christmas meeting is to be lunch at Henty on Wednesday 13th December.

11.30 for a 12.00 start.

Cost is \$25 and bookings must be made with Yvonne Booth or Kevin Fogarty, unless you have already signed to attend.

We will be meeting the second Wednesday of January at Henty, 9.30 for a 10.00am start

Hope to see you there after happy celebrations of Christmas and New Year.

Yvonne's thought for the day

The only way to have a friend is to be a friend.
