INTERIM 2021/2022 QUARTERLY BUDGET REVIEW AS AT 31 MARCH 2022

Report prepared by Chief Financial Officer – Dean Hart

REASON FOR REPORT

To present the Interim Budget Review as at 31 March 2022 in accordance with Section 203 of the Local Government (General) Regulation 2005.

REFERENCE TO DELIVERY PLAN ACTION

Not Applicable – legislative requirement

DISCUSSION

The Interim Budget Review as at 31 March 2022 is included as an annexure for Councillors' perusal. The Budget Review, as presented, indicates that the projected 2021/22 cash surplus will be \$91,292 which represents a negative movement of \$7,974 on the budget surplus of \$99,267 as at 31 December, 2021.

Whilst the overall budget movement of \$7,974 is minimal there are however a number of significant variances where additional budget allocations have been made to particular areas of operation and offset by reductions in other areas, for example;

WATER AND SEWERAGE

General income and expenditure figures appear to be satisfactory.

SUMMARY

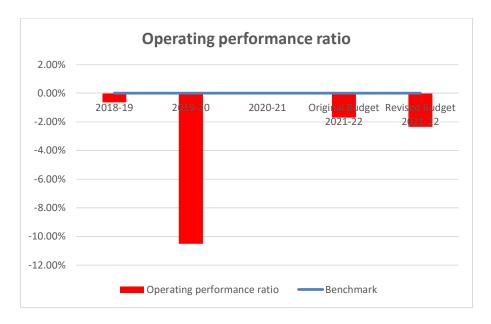

Council's overall budget position has deteriorated slightly as a result of the additional budget allocation to a number of areas, however, it is pleasing that a surplus budget position of \$91,292 is still predicted as at 31 March 2022. As has been the case in previous years, management will continue to monitor all income and expenditure areas closely to ensure budget integrity is maintained at year end.

Shown below are a number of Council's financial indicators as at 31 March 2022. These indicators are consistent with those reported in Council's Annual Financial Statement.

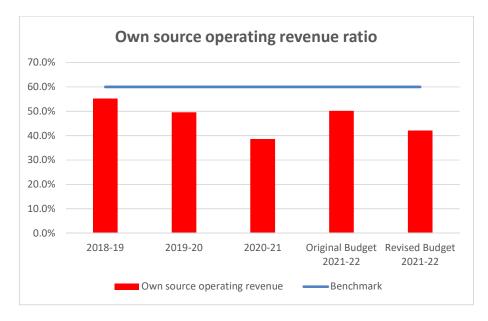

RECOMMENDATION

That Council note and approve the Interim Budget Review Statement as at 31 March 2022.

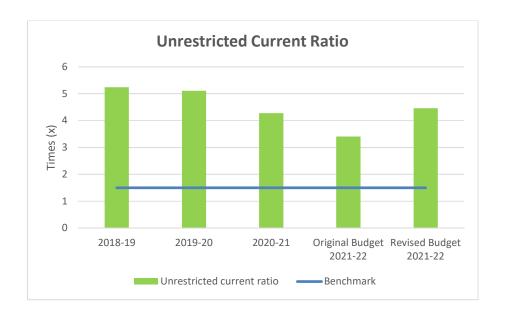

KEY FINANCIAL INDICATORS

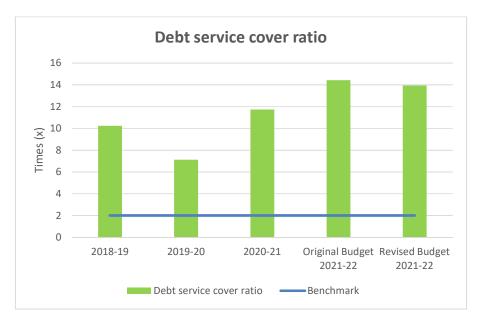

This ratio measures Council's achievement of containing operating expenditure within operating revenue.

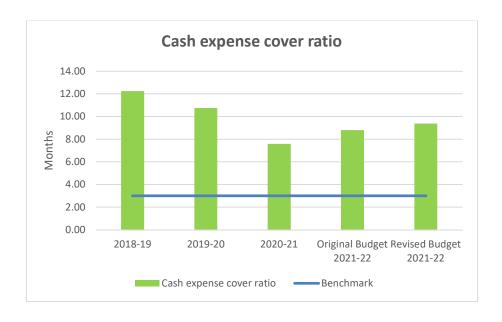

This ratio measure fiscal flexibility. It is the degree of reliance on external funding sources such as operating grants and contributions. It should be noted that the benchmark 60% is unlikely to be achieved In rural councils such as Greater Hume Council due to their heavy reliance on grants and contributions due to their large area and small populations.

This ratio assesses the adequacy of Council's working capital and its ability to satisfy its obligations in the short term for the unrestricted activities of Council.

This ratio measures the availability of operating cash to service debt, Including interest, principal and lease payments.

This liquidity ratio indicates the number of months Council can continue to pay for its immediate expenses without additional cash inflow.

The following statement is made in accordance with Clause 203(2) of the local Government (General) Regulations 2005.

It is my opinion that the Quarterly Budget Review Statement for Greater Hume Council for the quarter ended 31-March-2022 indicates that Council's projected financial position at 30-June-2022 will be satisfactory at year end, having regard to the projected estimates of income and expenditure and the original budgeted income and expenditure.
