### Purpose

This policy enables payment of a meeting fee and reasonable reimbursement of expenses to independent Audit, Risk and Improvement Committee (ARIC) members. The policy details the support made available to ARIC members to enable the Committee to function effectively and efficiently.

The aim of the policy ensures accountability, transparency and seeks to align ARIC expenses and facilities with community expectations. Payment of a meeting fee and the reimbursement of expenses to independent members should be at a level to attract suitably qualified and experienced independent committee members, but at a level that is affordable by Council.

The policy has been prepared in accordance with the *Local Government Act 1993* (the Act) and the *Local Government (General) Regulation 2021* (the Regulation). Reference has been made to the Office of Local Government's Guidelines for the payment of expenses and provision of facilities to Mayors and Members in NSW and the Risk Management & Internal Audit Guidelines issued by the Office of Local Government.

ARIC Independent Members have the option to receive remuneration and the reimbursement of expenses, or members can decline to receive payment. Should an independent member not wish to receive remuneration or the reimbursement of expense the independent member should advise the Manager Risk and Governance of this decision in writing.

## Policy Content

### Objective

The objectives of this policy are to:

- ensure that fair remuneration is provided to independent ARIC members, recognising the increased responsibility of the position of Chairperson in the operations of the Committee.
- ensure that accountability and transparency applies to the reimbursement of expenses.

### Private Benefit

Committee members must not obtain private benefit from any expense or facility provided under this policy. Incidental private use of Council equipment and facilities by the members may occur from time to time such as photocopying or making a telephone call. Such incidental private use does not require a compensatory payment back to Council.

The Committee should avoid obtaining any greater private benefit than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, the Committee member must reimburse the council.

### Meeting Fee Payment

Meeting fees are payable to independent members of the ARIC only. Fees payable for Greater Hume Council elected members (Councillors) are determined by a Council resolution. It is this resolution of Council that will determine the meeting fee payable to the individual independent members of ARIC.

### Meeting Fee for ARIC Chairperson

At the ARIC meeting of 29 October 2024, it was recommended to Council that the ARIC Chairperson be remunerated at the amount equivalent to the standard monthly payment for a Greater Hume Council Councillor for each ARIC meeting attended by the ARIC Chairperson.

### Meeting Fee for ARIC Independent Members

At the ARIC meeting of 29 October 2024, it was resolved to recommend to Council that independent ARIC members be remunerated at the amount of 75% of the standard monthly payment for a Greater Hume Council Councillor, for each ARIC meeting attended by the independent ARIC member.

Refer to June/July Council Meeting Minutes for current rates.

### Travel Allowance for ARIC Independent Members

Where an Independent Committee Member attends an ARIC Ordinary or Special Meeting in person they are entitled to receive a travel allowance for a personal car that is claimable using the following formula. If an independent member has a petrol or diesel vehicle the reimbursement will be distance divided by 100, multiplied by 8 Litres of fuel per hundred kilometres, multiplied by the weekly average for either diesel or petrol based on the NSW State Average for the week prior to the ARIC meeting [www.aip.com.au/pricing](http://www.aip.com.au/pricing). For example - (700 kilometres divided by 100) x 8 x \$2.00 = \$112.00. If an independent member has a hybrid vehicle or an electric vehicle, reimbursement will be by negotiation.

### Superannuation

Councils are obliged under the *Superannuation Guarantee (Administration) Act*, 1992 to make compulsory superannuation guarantee contributions on behalf of Audit, Risk and Improvement Committee Chairpersons and independent members where they are remunerated. Superannuation contributions will be paid at the same rate that applies to Council employees to their nominated approved Superannuation Fund.

### Attendance at events

Attendance at conferences, professional development, or travel for ARIC business by independent members is to be approved in advance by the Chairperson of the Committee. If the Chairperson intends to attend an event, the Chairperson should seek concurrence from the General Manager.

Approval for professional development activities is subject to a prior written request to either the Chairperson or the General Manager outlining:

- details of the proposed professional development
- relevance of the topics and presenters to current council and ARIC priorities and business and the exercise of committee duties
- cost of the conference or seminar; and
- available budget.

Councillor committee members should have ARIC matters listed in their professional development plan.

### Spouse or Partner Expenses

No spouse or partner expenses are payable for ARIC members. Individual Committee members are required to meet all expenses incurred by spouse or partner in attending conferences and seminars.

### General Expenses

All expenses provided under this policy will be for a purpose specific to the functions of the ARIC. Allowances for general expenses are not permitted under this policy.

### General travel arrangements and expenses to attend ordinary or special meetings of ARIC or attend other events

All travel by members should be undertaken using the most direct route and the most practicable and economical mode of transport. ARIC members seeking to be reimbursed for use of a private vehicle must keep a record and include details of the travel on their claim form including the date, distance and purpose of travel being claimed. Where distances or practicality prevents travel by motor vehicle and attendance by remote access such as Zoom or Teams is not available, the Chairperson or the General Manager will give consideration to paying for either a return first class travel by rail or return economy class airfare together with taxi fares to and from the closest railway station or airport. Where road travel is required/chosen by the independent member and where the drive time is over 6 hours one way then the independent member will be provided with 1 night accommodation and a meal allowance. The provision of 1 night accommodation supports Council's duty of care to members – generally the meal allowance will be \$75 per night with accommodation being the actual cost incurred but limited to \$200.00 per night.

### Overseas and interstate travel expenses

Council will not provide overseas travel for independent members of the Committee. The Chairperson or the General Manager will make an informed decision if a member requests interstate travel. The members seeking approval for any interstate travel must submit a business case to support their request.

The business case should include:

- objectives to be achieved by attending, including an explanation of how by attending the knowledge gained will assist ARIC but also align with current Council priorities and business
- who is to take part in the travel
- duration and itinerary of travel
- a detailed budget including a statement of any amounts expected to be reimbursed by the participant/s.
- for air travel that is reimbursed, members will not accrue points from the airline's frequent flyer program as this is considered a private benefit.

### Travel expenses not paid by Council

Council will not pay or reimburse the cost for any penalty notices arising from travel using either a Council vehicle or a personal vehicle the cost shall be borne by the ARIC member or the Council staff member driving the vehicle at the time.

### Incidental expenses

Where independent members attend events, incidental expenses may be authorised for reimbursement by the Chairperson or the General Manager.
