Dear Evelyn Arnold

Planning proposal (PP-2024-1832) to amend Greater Hume Local Environmental Plan 2012

I am writing in response to the planning proposal you have forwarded to the Minister under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) received on 6 January 2025 in respect of the planning proposal to rezone and reduce minimum lot size provisions at Culcairn-Holbrook Road, Morven.

As delegate of the Minister for Planning and Public Spaces, I have determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

I have also agreed, as delegate of the Secretary, the inconsistency of the planning proposal with applicable directions of the Minister under section 9.1 of the Act, 9.1 Rural Zones, and 9.2 Rural Lands are justified or of minor significance in accordance with the terms of the Directions.

Council may still need to obtain the agreement of the Secretary to comply with the requirements of relevant applicable directions of the Minister under section 9.1 of the Act 4.1 Flooding. Council should ensure this occurs prior to public exhibition.

Considering the nature of the planning proposal I have determined that Council may exercise local plan-making authority functions in relation to the planning proposal.

The proposed local environmental plan (LEP) is to be finalised on or before 24 November 2025. Council should aim to commence the exhibition of the planning proposal as soon as possible.

Parliamentary Counsel's Office is not responsible for the drafting of map-only amendments to LEPs. Requests for legal drafting for map-only amendments must instead be sent to mapinstrument.drafting@dpie.nsw.gov.au. The Southern, Western and Macarthur Team should be copied into the request at westernregion@planning.nsw.gov.au. The request must include the drafting instruction template, planning proposal and Gateway determination.

The NSW Government has committed to reduce the time taken to complete LEPs. To meet these commitments, the Minister may appoint an alternate planning proposal authority if Council does not meet the timeframes outlined in the gateway determination.

The Department's categorisation of planning proposals in the *Local Environmental Plan Making Guideline* (Department of Planning, Housing and Infrastructure, August 2023) is supported by category specific timeframes for satisfaction of conditions and authority and Government agency referrals, consultation, and responses. Compliance with milestones will be monitored by the Department to ensure planning proposals are progressing as required.

Should you have any enquiries about this matter, I have arranged for Bec Martin to assist you. Ms Martin can be contacted on 02 5852 6810.

Yours sincerely

10/2/2025
