## Rural Care Link Carers Support Group News

We look forward to meeting at The Fox & Brew on the **3rd Tuesday of each month** this year, for **Morning Tea at 10.30 am**. Peer support, respite and information sharing is the focus of the Carer Group.

This year will also include an outing with the Border Carer Reference Group, Carer Week celebratory activities, a Movie at the Cinema, art and music in our lovely Jindera Village Green. Please call the Coordinator, Vickie, prior to attending to check details.

Being a Carer is an often-unrecognised role. If you have any queries, would like to attend the group or know of someone else in our community who would benefit from attending please make contact. There is no obligation to attend every month as we realise that life is very busy, especially if you are caring for someone who has extra needs. The Carer Group is here to support you and offer you some brief respite from your role as needed.

Please call **Vickie Priscina** -

**Carer Group Co-Ordinator on**

Burrumbuttock's Got Talent

Community Concert

Burrumbuttock Public Hall

A Gala night of Family Entertainment!

☑ Local talent

☑ School Children's items

☑ Preschoolers' items

☑ Dance

☑ Singing

**'BURRUMBUTTOCK'S GOT TALENT' 2024****CALL FOR ITEMS!****'Burrumbuttock's Got Talent' will be held on Friday 28th June 2024 at 7 pm****at the Public Hall**, as a fundraiser for the Burrumbuttock 150th celebrations which are in October 2025.

This Community Concert has been a highlight event on the Burrumbuttock calendar since 2005. Normally held every second year, it has had a five year break - so we are well and truly ready for a night of local fun and entertainment!

The school and preschool children have already started enthusiastically planning their items. All we need now are more items from the community.

We are looking for anyone or groups who:

- ◆ Can perform comedy
- ◆ Sing
- ◆ Can do tricks
- ◆ Dance
- ◆ Tell good jokes
- ◆ Play an instrument
- ◆ Recite poetry
- ◆ Have an idea for a funny segment  
eg. Footballers doing a ballet, Tennis club skit
- ◆ Want to have a go at performing in front of a supportive audience

Thank You!!

**KINDNESS IN ACTION** (editor's reflection) On a recent walk to the Burrum Store with grandchildren on bikes and me in my electric wheelchair I was grateful for the help Norm offered to assist me to get in and out of the store and to post a parcel. As someone who experiences PTSD (post traumatic stress disorder) from time to time, a non-rush approach and encouraging words mean a lot. As we were leaving the store, Norm said to the kids "you look after Nana because she looks after you" - the eldest grandchild raced off on his bike and I said to the younger one you can catch up to your brother - to my surprise he said "no Nana", I heard what that man said, to look after you and so I was "looked after" all the way home, as he walked by my side - THANKS NORM - words are important and teaching our kids to be kind and thoughtful.

## **Why meeting was held “Know your neighbour”**

Over the years Burrumbuttock has slowly changed—our older residents have either moved or died and land sold or subdivided and new houses built.

This has changed the way we connect with each other as a community, how we welcome new people in the community and provide information which is up-to-date and accessible to all.

In previous times, the older generations, often farming wives offered delicious morning or afternoon teas for newcomers and were usually available for community get-togethers and participators in the community. We still have many hard working volunteers for which we are grateful.

Burrumbuttock is still noted for its sporting activities which are a valuable part of the community but there is a **gap** for people who are not actively involved in sports or other organisations—Wirraminna has become a popular recreational or volunteer outlet for some. It is heart warming to see younger families coming into Burrum as well as retirees and seniors.

Discussion around how these changes have impacted the community have led to some interesting ideas which we thought we would share, not least of which is the digital times we now live in—Burrum get ready for facebook!!!!!!!!!!

Please feel free to offer other ideas as well. We acknowledge the contributions of many past and present residents over the years that have made Burrum a wonderful place to live.

Editor.

## IDEAS

**Burrumbuttock Bulletin** - free distribution, more sponsorship needed. Cost per print run? \$165 per printing for 45 hard copies. Would be more if it was letter-dropped for whole community.

**Action:** Find out how many would be needed for whole community from store.  
A lot of people look online these days -

### **Burrumbuttock Community page on Facebook is needed:**

Ask for services e.g. plumber, electrical etc. Power outages

Social get together, Working bees

Jobs needed to be done, etc

### **Could post Burrum Bulletin on the Facebook page**

**Louise Habermann to be administrator?**

**Action: Plan to launch Facebook page in June** after advertising has happened in May/June Bulletins, notices at shop etc.

**Community Forum** - has 74 email addresses, few newcomers on list. How do we get more?

**Fire risk data base** re vulnerable people in the community - data was collected several years ago but seemingly no follow-up action.

### **Food pantry cupboard**

Supplies - fresh eggs, other non- perishables, tins, surplus fruit and vegetables, short of an item for people who can't get to town, honesty system

Could have a cabinet at back of Hall with these items?

### **List of community contacts needed in case of emergencies**

Pub can be a great place to meet locals - people will travel for a good meal.

Walbundrie pub is a great country pub

**Connecting people with similar interests** – Information from these meetings could be an insert in the Bulletin or on facebook

eg. Beekeepers locally discovered! Mick Leahy, Sue Saunders, Carolyn Kabore, Syd Churcher.

### **If people feel a bit isolated, there are few places to go to meet in Burrumbuttock.**

Could have a social get together at Pub. - have a lunch, book it in,

Meet at Wirraminna for a cuppa, cake.

**Playgroup** - does it exist now?

**Burrumbuttock Information Booklet** – newcomers' booklet updated in 2016 by **Community Forum**

**Burrumbuttock Quality Living' pamphlet** also could be a display folder A4 so sheets could be added

Leave it at the shop so when newcomers arrive they are handed the **Welcome pack**, advertise it in the shop window?

Could give a small native plant to newcomers or voucher from Wirraminna?

**Action:** Jan and Michelle to review documents together

**Next meeting: Monday 3 June 2024**

**Meeting Closed: 9pm**

## Garden Chat

Ok gardening folk May is here, and the mornings are cooler, but the days are very pleasant.

Deciduous trees are turning and autumn leaves are hitting the deck and the garden is starting to go into its dormant period as we approach the colder months, but there is plenty to do and prepare to get our gardens Winter ready.

Whilst an array of coloured leaves can look attractive laying across our lawns don't leave them there too long as they will block out any sunlight to your lawn particularly as they get wet and settle down. It's a good time to gather them up and start preparing your mulch for spreading later in the season, or if you can rake or blow them into your garden beds this will help retain moisture and reduce weed growth but remember not to smother your emerging bulbs. Talking bulbs May is the month for planting your Spring bulbs.

May is an ideal month to reflect on your garden what has worked well, what can I change do I need to move plants around or prepare area's where I want to plant any bare rooted trees. It's also a good month to decide on any minor landscaping changes that can be done over the cooler months ready for the spring growing season.

### Jobs for May

- ◆ Generally, tidy up your garden beds, cut back old growth on your plants and shrubs but leave any structural pruning for June and remember don't prune your roses until August to avoid any frosts burning off new shoots.
- ◆ Now that you have tidied up your garden beds and as moisture levels increase it's a good time to spread good clean mulch, such as sugar cane in your garden beds and around trees and shrubs.
- ◆ Garden tool maintenance. With plenty of pruning ahead make sure your pruners and secateurs are clean, sharp and in good working order.
- Make sure any hand tools with wooden handles are free from nasty splinters, a quick sand with some coarse sand paper will do the job.
- It's a good time to get your mower serviced or do it yourself, change blades, filters, plugs and oil.

## Vegies to plant

Onions, snow peas, garlic mixed lettuce, broccolini, spring onions ,leek, celery, rhubarb crowns and jerusalem artichokes

Also you can give Brassicas a crack this month with broccoli, cabbage, cauliflower and brussels sprouts.

Bare rooted Fruit Trees

Decide if you are planting any new bare rooted fruit tress and start preparing the ground now

good organic matter some mulch and moisture will set you up for success.

Personal Best for All

## Burrumbuttock compete at State Swimming in Sydney

Congratulations to Charlotte, Lucy, Georgia and Taylor, who all swam in Sydney at the NSWPSA Championship.

Lucy was magnificent in the water, swimming in 3 individual swimming races and the relay. Charlotte, Georgia and Taylor were also impressive with their laps in the relay race.

Burrumbuttock Public School are proud of you all.

## Our Community Connections

During the month of April we have been grateful for the connections that we have within our local and extended communities. The opportunities that have presented and will continue to present are of educational, social, emotional and/or physical benefit to our students and also have a significant positive impact on mental health and wellbeing. Enjoy our photos!

## **Brock Burrum Football Club**

Well, what an interesting lead up to the season we have had at the Brocklesby Burrumbuttock Saints Football Netball Club. Firstly, we would love to thank all our outgoing coaches from last year.

Peter Cook retired late in November last year due to family commitments (congratulations on his daughter being called up to State Level in the soccer and we wish her all the best). Cookie did a great job with our seniors over the past couple of years leading our Senior Team into the finals for our thirteenth and fourteenth consecutive years. Especially last year when he inspired his troops after losing their first five games and languishing down the bottom of the ladder, to winning the next eight games straight and then beating a very fancied Howlong in the Elimination Final. The next week unfortunately in the Semi Final our boys were beaten by the Rand Walbundrie Walla Giants after two of our main ball winners collided in the centre of the ground (clashing heads) in the first few seconds of the match. The boys fought on gallantly but went down by 59 points.

Also, a big thank you also to Braden Eddy who mentored our U17s to within a few straight kicks of a premiership last year. For those who followed our 2023 U17s closely it was a great year to watch our up-and-coming juniors develop into a formidable team. Braden had a huge part in the development of these boys, many of them having been coached by him since the U14s. Braden has been coaching juniors at our club for the past 7 years and his ability to communicate and impart his knowledge on these young men is second to none. Braden has decided on a well-earned rest and has taken on the role of Junior Development and Liaison Officer at our club and is also assisting our senior coach Darcy I'Anson.

Darcy has taken up the Senior Coaching role, not long before the start of the season and we all wish (this favourite son and club legend) all the best for the 2024 Season.

As far as our Reserves are concerned Danny Williams has again put up his hand to coach (at this rate he will beat Kevins Sheedy's coaching record at Essendon). Danny does a fantastic job in the hardest job in country football (chasing up reserves players week in week out) and not only that, is fast closing in on playing his 250 th game for the club (a feat not many can emulate).

The U17s (like our seniors) lost their appointed coach due to work commitments and our Local Councillor Ash Lindner saw a need and volunteered to take on the job. Ash in his first year is doing a great job with the boys and we wish them all the best for the upcoming season.

Alex Takle is once again coaching our U14s. Alex is one of the best junior coaches in the district getting called up to coach many school teams and last year's Hume League u14s side. Good luck Alex, we are now you have a "grand plan" for your boys and looking forward to a great year.

Also don't forget our two most important coaches at the club, the two Schilg boys, Luke and Jordan who are our Auskick co-ordinators. They have attracted young hopeful footballers (both male and female) to our Auskick Centre and welcome any children that would like to come and have a try (no obligation – and free). They "train" on Thursday nights before the seniors at 5.30 and get a free sausage in bread after training has finished. The underlying focus is for the kids to have fun and learn a little bit about footy along the way.

We can't wait to see all our supports at our home games to show off our new senior recruits. We have been

As a local community club, every year we try to ensure that we are doing our bit to help with local issues. Last year we focused on educating our teenage members regarding “Drive to stay alive” which was well received by both the teens and their parents. This year we are planning on “A Big Freeze” event at our home game at Brocklesby on the 1st June to help raise funds to help in the fight against MND (Motor Neurone Disease). We are also running a “Fight MND raffle” to be drawn on that day. Tickets are only \$5 each and can be purchased at any of our home games. Anyone who could help the cause by selling a book of raffle tickets for us can contact Taki Griparis on 0428 407 117 for more details. Your help would be much appreciated.

We will also be involved in the Hume Leagues Mental Health round next week at Osborne. All the boys (and girls) will be wearing odd socks to show their support and help raise awareness of this important issue. As a club we are also hoping to run an information presentation/session later in the year for our players, supporters, and the local community to help do our bit.

In other important news, our annual players Auction was held at the Burrumbuttock Hall last weekend. Another successful night for the club and a big thanks goes out to our Master of Ceremonies Jake Hill who ensured the night went smoothly and our two Auctioneers extraordinaire Harry Cozens and “Pottsy”. Of course, the most important duty of the night was the awarding of the “Charlie I’Anson – MasterChef Award” for the best casserole of the night. The competition was tight but wide open as last year’s winner was too scared to enter. This year the magnificent trophy went to Ned Shocking and his delectable Chicken casserole. Congratulations Ned!! Ned also explained that the recipe it is a tightly held family secret that has been passed down over many generations. We hope to be in the position to divulge the recipe, keep your eye out in future.

On a final note, Our Annual Ball will be held at the SS&A Club, upstairs in the Auditorium. Tickets for this event are harder to get than tickets to the Brownlow (and a lot cheaper). So, guys, dust off the old tuxedo, ladies blow the budget, buy a new dress, and come along and have the night of your life. A huge night is guaranteed, rumour has it the Co-President John Heagney is going to belt out his rendition of Frank Sinatra’s “I did it my way: LIVE!!! (accompanied by the Burrumbuttock Philharmonic Orchestra). Tickets are limited so why not get in early, organise a table and be able to brag to your friends that “I saw it, I was there”!!! All the best for 2024.

## AFLW Development Day

The Club held its first ever AFLW day on Sunday and it proved to be a huge success. Around 20 girls took place ranging in age from 12 through to their 30's.

The purpose of the day was to give females an opportunity to have a go at AFL – the game ALL Australians love. A massive thanks to all our netballers (and parents) for their support of this event. Many reluctantly agreed to have a go and by the end all admitted to having a great morning. The spectators at times were near deafened by the volume of high pitched squealing or infectious laughter, especially when pressure and tackles were applied during game time.

The success of the day was largely due to the professionalism of the Coaches. Thanks Mario, Adam and Emma from the AFLW Bushrangers, and our own Matt Seiter and Jarod Kosi. The event also would not have happened without the efforts of Caitlin and Simon from AFL NSW, and sponsors Andrea Lever – Ray White Albury North, and Shellie Graham – Albury Conveyancing

The day was an awesome opportunity to showcase the forward thinking and inclusivity of our amazing club.

Check out the Saints Facebook page for highlights.

## Wirraminna News

Wirraminna was completely transformed last Saturday night by the Murray Arts Limelight event. On the Wednesday before, many of the volunteers put in a big effort raking paths and making ready for the expected crowd. All Saturday Murray Arts moved in to transform the area between the Discovery Centre and the dam. More than 300 people came in the evening to find an extraordinary display of lights and activities. A magic place for children and a very happy evening.

It has been a long time coming, but we finally have a brochure describing our Resilience Garden. This is the area that was previously the Radiata Pine Nelder, the forestry planting of radiating trees rows that helps to establish the optimum spacing for timber production. This was an early project for the ANM Paper Mill, an early supporter of Wirraminna. The Pine trees gradually succumbed to drought and have been removed. In their place is a planting designed to demonstrate the plant communities that may be best adapted to the changing environment that we will experience as a result of climate change. It is predicted that our local climate will become more like that of the Forbes area, or districts to the west like Savernake. The brochure gives detailed information about the design of the planting and the species used. It will be available at the park entrance and at the shelter near the Nelder.

The seed collecting season has nearly finished and it has been a very productive year —25 species have been collected from the seed production area, some in quite small quantities, others like the everlastings and Wallaby grass have been very productive, and will allow us to distribute them across the grassland restoration area in the woodland. We will provide some species to nurseries to grow seedlings to increase our supply of plants. We have a few empty beds in the SPA, and so will be able to increase the range of species we can grow. This may include species that may be more climate resilient. Until now we have tried to use local seed, but are now having to rethink that approach.

## Brock-Burrum Big Freeze

On Saturday 1 June 2024 at  
Brocklesby Recreation Reserve at approx 4pm

At the conclusion of the senior game of football,  
Brocklesby Burrumbuttock Saints v Rand Walla Walbundrie Giants,  
we will be inviting local legends down an old-school metal slide  
into an ice bath

Hang around after the Big Freeze for food, a drink at the bar,  
drawing of the raffle and good ol' country friendship.

Our brave and bold sliders, possibly disguised by costume, include:
