## Burrumbuttock Anzac Service 2025

Burrum's Anzac Service was well attended again this year, with Mother Nature providing a perfect Autumn day.

Proceedings were lead by Christine Nesbit who did a fantastic job, supported by Joseph Nesbit, Pastor Christian Fandrich and the Scots School Pipe Band.

Wreaths were laid at the Cenotaph by representatives of Greater Hume Council, Red Cross, St Pauls College And Burrumbuttock Public School. Flag duties were sincerely executed by Luke Corrigan.

Burrumbuttock Public School students delivered a very moving presentation after having researched the background of a poem written by Santina Lizzio entitled "Animals of War". They told us stories they had learned about animals like the Pidgeon, Dog, Camel and Horse who had also played a part during war times and concluded by sharing in the recital of the poem.

### ANIMALS OF WAR by Santina Lizzio

Their blood stained the land, as they served with pride,  
A duty to their master, they stood side by side.  
From the sky to the sea, through vast open land,  
Together they fought—both animal and man.

They flew through the sky as messengers on wing,  
Dodging bombs and bullets for salvation to bring  
Their wings did strain 'till their hearts near burst,  
They flew day and night, never fearing the worst.

They walked together midst a bomb spangled field,  
Both dog and handler neither one would yield.  
The bond and the friendships they shared through war,  
Will live and be remembered for ever more.

Through the sand so fine they lolloped to the fore,  
They're the ships of the desert, the Camel Corp.  
Over hills and through valleys the line did twine,  
As they carried their loads to the firing line.

Into combat they rode both man and steed,  
Through the fear of battle they were a special breed.  
The mateship of horse and rider was strong,  
Made the parting in death seem so heartless and wrong.

As beasts of burden they were put to the test,  
With hearts filled with anguish they gave their best.  
They died where they fell while the others pulled on,  
Are they lost in life's story, can we still hear their song?

The theatre of war—hell for animal and man,  
Whatever the cost they cannot understand.  
So remember them kindly as you walk through life,  
For they too served proudly to help make things right.

**LEST WE FORGET**

## **150th Celebrations**

### **4<sup>th</sup> - 5<sup>th</sup> October 2025**

Hello

Residents of Burrumbuttock,

We trust that you have already locked away in your diaries October 4 & 5 for this momentous occasion. Organisers are full steam ahead endeavouring to see the event as the BIGGEST in the history of our community.

At present there are many fundraising events running around town and we sincerely appreciate your patronage of such events. **We are determined to make the weekend as user friendly on your family budgets as possible**, hence the need for fundraising. The only event that will cost over the weekend will be the Fashion Parade on the Saturday afternoon. This will be a ticketed event as the audience will be treated to some special food and beverages to add to the ambiance of the occasion.

Our budget for fundraising sits between \$20k and \$30k. Some major expenses that we will incur between now and October include: Closing of streets for the parade, Professional Traffic control, Bush Dance Band, Insurance, MC expenses, Printing and stationary, History Book expenses – and printing, Venue hire, Lighting and audio visual displays (and professionals to operate), Equipment hire and the list goes on.....

**The 150 team are thankful for the support given by Jason & April at the Farmers Inn**, allowing us to have Friday night fundraiser raffles. The winners of the Easter raffle were: Load of wood – Daryl Klein, Seafood tray – P. Eddy, Meat tray – Anastasia Brynt, Chocolate hamper – Mel Roberts.

**Sunday May 4 is the Classic Car Day in the Beautiful Gardens of 'The Elms'** (see details opposite).

Coming up on **Sunday May 11 is a Bunnings BBQ** and again your support by way of help on the day is essential to seeing many hands making light work.

**Saturday May 31<sup>st</sup>, we are having a cake and produce stall at the Jindera IGA** with funding from this being allocated to the Bush/Barn Dance band expenses – on the Saturday evening. We will be seeking donations of cakes/slices & produce for this stall and ask that together our community generosity will support this event. Our aim is to raise \$1000-1200, and tick the dance expenses off the list, to enable an evening of free entertainment.

**The school is compiling a recipe book** encompassing the previous two Burrumbuttock Community Recipe books plus more. You can add photos or video footage to your recipe. Email recipes to Burrumbuttock Public School: [burrumbutt-p.school@det.nsw.edu.au](mailto:burrumbutt-p.school@det.nsw.edu.au) For more info on the recipe book phone the school on 60293253. Dust off your favourites, whip them up for the cake stall on the 31<sup>st</sup> and add them to the recipe book ensuring your contribution to the Burrumbuttock community is in black & white!!!

And of course, there will always be room for you to join one of our sub-committees and help empower us with both your local knowledge and some extra muscle as we bring all the planned activities together on the day.

To know more, or to get involved, please contact **Marion Vile**

**0425 852 702, Ash Lindner 0458 293 328, or Fiona Schulz 0402 330 556** or email: [burrumbuttock150@gmail.com](mailto:burrumbuttock150@gmail.com) or **Facebook Burrum150**

You can help showcase the amazing community of Burrumbuttock and our rich history, as we tell the story of "From Then to Now".

**Stop Press:** *As this year marks 80 years since the end of WW2, we are aiming to finish off the weekend on the Sunday lunchtime with a re-enactment of the (primary school boy) town bell ringer on horseback doing his duty by notifying the community that the war was over, - involving some of his descendants. Interestingly.... A very young Ray Hall was trained for this occasion to notify the community of pending air raids but fortunately this was not required.*

### **Invitation:**

#### **Classic Car Show and Concert**

Rev up your plans for Sunday 4<sup>th</sup> May! (see opposite) We have invited classic car enthusiasts from multiple clubs in the local region to bring their loved and valuable cars to display them in the rambling country garden of the farming property, "The Elms", Walla Walla.

Join us for a relaxing day to wander around the garden and view the cars, with ample time to purchase a drink from the bar and a delicious boxed lunch or a sausage or steak from the barbecue.

Then casually sit around a water feature performance-space on haybales (or feel free to bring your own chairs to this area) and enjoy a two hour live concert by Phillip Stone and his band "The Hipnotics" playing favourite Rock and Roll songs from the Sixties and Seventies.

This is a great way to enjoy an easy and informal family day, or celebrate an early Mother's Day.

All proceeds are going towards the Burrumbuttock 150<sup>th</sup> Celebration weekend in October.

**Food and beverages available:** Barbecue, Delicious boxed lunch, Full bar facility, Tea/ coffee/ sweet treats.

#### **Directions:**

- From Walla, turn west at Lieschke's Garage onto Queen Street, which becomes the Walla West Road.
- Follow the road until the end of the bitumen, turning left at a "Y" junction, following signs "Walla West Rd".
- Continue to a "T" intersection, turning right, sign posted "Walla West Rd".
- Follow the road to the top of the hill, onto "The Elms Lane" (sign posted).
- The driveway to the house is on the left, a stone faced ramp, where there will be marshals to assist with further directions.

## Graham Beesley

Graham Beesley celebrated his 90<sup>th</sup> Birthday on 14 April. He was a former Editor of the Burrumbuttock Bulletin and a dedicated volunteer on many Committees, especially his Pigeon Club.

Graham currently lives in a Retirement Village and keeps himself active as the Editor of the Village Bulletin and attending many of their events.

Graham and his wife Maureen both have very fond memories of their time living in Burrumbuttock and are pictured below with their family at his birthday party.

# BURRUMBUTTOCK PUBLIC SCHOOL

Personal Best for All

During term 1, the students have been studying the solar system for science.

Banksia have made a rocket to launch off to the planets. On Friday the 11<sup>th</sup> families were invited to the school to watch Banksia launch their rocket off to the planets. It was 'Out of this world!'. Waratah (the aliens) made short presentations about the planets. After the rocket launch, parents and students shared space themed food for afternoon tea. Thank you very much to all the families who attended!

## Rocket Launch

## Family Golf Day

On Monday the 7<sup>th</sup> of April, all Burrumbuttock Public School students, staff and parents attended our Family Golf Day at the Howlong Golf Resort for the students to present all the great golf skills they have learnt over the terms golf lessons!

The students and families enjoyed 9 holes of golf, putting practise, driving range and the golf simulator provided by Cade golf NSW. A massive THANK YOU to Cade and the Howlong Golf Resort staff, Paul and Cassandra and volunteers for the day! It was a fantastic day! 🏌️ ⛳️ 🌳

A big thank you to all the parents and families who attended the day too.

Check out the QR to watch our short clip presenting our family Golf Day out!

## 150 years of Burrum Cookbook

As part of the Burrumbuttock 150th celebrations the Burrumbuttock Public School are compiling a recipe book that will encompass the aromas from the Kitchens of Burrumbuttock - from 'Then to Now'.

Your assistance is required as we would like to include your family favourites.

Please type your recipe and **email it to the school**.

Be sure to include your Name.

**Closing date for recipes is June 30.**

Any questions, concerns, or if you need help, contact

Burrumbuttock Public School Phone: (02)60293253

Email: [burrumbutt-p.school@det.nsw.edu.au](mailto:burrumbutt-p.school@det.nsw.edu.au)

## Golf clinic with Cade

In Week 10, Burrumbuttock Public School students were lucky enough to get a visit from Cade from Golf NSW. Cade ran through the correct techniques for playing golf in a net golfing stimulator. Cade also took the students through an Ambrose golfing course where they all were split into groups and played. This clinic gave the students and the teachers the extra training and practise we needed for our Family Golf Day on Monday the 6<sup>th</sup> of April. Thank you, Cade, for running such a fantastic golf clinic for the students!

## Easter scripture service Easter hat parade

On Thursday the 10<sup>th</sup> of April, the Burrumbuttock students walked up to the Burrumbuttock Church for an Easter scripture service with Pastor Christian. Many thanks to Pastor Christian for organising this service and involving the students.

Following this, the students walked to the Burrumbuttock Pre-school to attend an Easter Hat Parade with the Pre-school students. All the hats looked amazing! Thank you to the Pre-school for letting us join in the Easter Hat Parade. It was eggcellent!

## Dance performance

During term 1, Burrumbuttock students have had Beth from Empower Dance Academy visit our school every Wednesday to teach us all the techniques of dance and build a dance for each class.

On Wednesday the 9<sup>th</sup> of April the students presented the dances that they created to their families that they had created with Beth over the term! The students dancing and participation was amazing! Well done students and THANK YOU so much Beth!

Burrumbuttock Public School | Personal Best For All

Howlong Road Burrumbuttock, NSW, 2642 | T: 02 6029 3253 | E: [burrumbutt-p.school@det.nsw.edu.au](mailto:burrumbutt-p.school@det.nsw.edu.au)

# Burrumbuttock Preschool

We hope that everyone had a fun and safe Easter break.

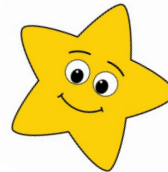

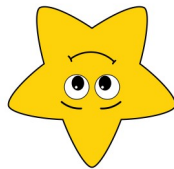

We finished the term with some Easter Activities including a visit from the Burrum Public School for an Easter Hat Parade. Jasmin set up some activities for us including hunting for Easter items in the trough.

We found 35 items hidden in the crepe paper so lots of counting involved! We also all got involved in a treasure hunt, taking turns, listening to a clue and then searching for the egg in the yard. We then combined all of our eggs to get out letters and spell out the message Happy Easter (sneaking in letter recognition skills with the fun of hunting for eggs).

**PIE DRIVE:** our annual pie drive with yummy pies available from the Holbrook Bakery is on again, please contact us via 0483 186 371 or email [burrumpreschool@bigpond.com](mailto:burrumpreschool@bigpond.com) for an order form asap.

**Please also contact us if you would like to come and check out the Preschool in regards to enrolling your child!**

## Wirraminna News

Wirraminna includes large areas of native gardens, a dam and natural woodland which we are working to restore to its original pre-settlement condition. This means that the wildlife habitat is improving. The tree canopy has increased as we planted many different species of Eucalypt, suitable for smaller gardens, and larger trees representing the vegetation of areas further west and north like several species of Casuarina, large wattles, and Cypress Pines. The shrub understorey habitat is provided by the wide variety of non local native shrubs in the garden beds, and more local species around the dam and in the farm shelter belt. The open areas are becoming more and more dominated by native grasses. The ponds and the dam have a lot of marginal vegetation of rushes and sedges.

All this native vegetation is accompanied by a very diverse range of insects and spiders, So with the addition to a range of seeds and fruits, there is a banquet for visiting and resident birds, and lizards. An important feature of good bird and lizard habitat is that it should be "messy". The ground should be covered with dry leaves and bark where insects can live, and native grasses should be able to grow and have seed heads for the finches. Dead branches on shrubs and trees are also important, as a perch and lookout post for birds during their hunt for food. This also makes it easier to see them.

Some bird species are permanent residents while others come and go. During any visit to Wirraminna, there is always a chance to see a bird you haven't seen before. Very often some species are more easily heard rather than seen, and there is almost always something calling in the tree tops. We have a list of species that have been recorded at Wirraminna and an even greater number, approaching 200, that have been recorded in and around Burrumbuttock, thanks to Dave Watson's skills, any

of which may be seen at Wirraminna on a lucky day.

Birds that can almost always be seen include Magpies, Grey Shrike Thrushes, Willy Wagtails, Superb Blue Wrens, Red-browed and Double-barred Finches, Grey Fantails, Magpie Larks, Crested Pigeons, Galahs, Striated Pardalotes and White-plumed Honeyeaters. On the dam, Black Dusks, Grey Teal, and Moorhens come and go, herons and ibis are frequently seen and cormorants are often hunting fish.

At this time of year, the summer visitors, like the Sacred Kingfisher, Rainbow Bee-eater and the Dollarbird have probably moved north, while the Currawongs and the robins may be moving in.

In recent years some new birds have moved in which were not about 20-30 years ago. King parrots have become regular residents, possibly as a result of the changing conditions in their usual habitat in the forests further east, Crimson Rosellas are also more common. They appear to find that the habitat in Burrumbuttock suits them very well.

A pamphlet listing the birds that can potentially be seen at Wirraminna is usually available in the entrance shelter.

Finch Nests

# Proposed Culcairn to Corowa Rail Trail

written by Françoise McPherson

It is proposed to turn the disused railway line from Culcairn to Corowa into a recreational shared cycling/walking trail i.e. a rail trail which excludes all motorised transport. This rail trail would deliver on many points raised in the GHC 2025-2035 Strategic Plan that was released recently. Currently this 76 km route within Greater Hume and Federal Council areas is a weed-infested eyesore and a fire hazard but if turned into a rail trail, it would be an economic asset to Culcairn, Walla Walla, Burrumbuttock, Brocklesby, Balldale, Hopefield and Corowa. It has been well documented from the many other rail trails (133 and counting) already in operation around Australia that rail trails attract thousands of visitors each per year which gives rise to new business and tourism opportunities. Rail trails are mainly funded by State Government followed by Federal Govt grants and smaller community and regional development grants. Local councils typically contribute only a small amount e.g. they may pay for the feasibility study. Businesses and community groups also contribute some funding or volunteers.

New opportunities include accommodation options for visitors such as caravan parks adding cabins, farm stays and bed & breakfast options. Agritourism options are many

include farm tours, farmgate sales, showcasing historic farm building and vintage machinery, diversifying into rare breeds of livestock, planting mazes of corn or sunflower plants instead of hedges and so on. Businesses in towns benefit from rail trail visitors because the visitors will be spending money on food and drinks which could mean extra staff employed to enable longer opening hours of pubs, cafes or new hospitality ventures are created. Bike-specific ventures include bike rentals, bike repair shops and guided cycling tours. Rail trails have free entry but visitors tend to spend money along the trail. Obviously, the more there is to see and do along a rail trail to enhance the cycling/walking experience, the longer visitors will stay or they will return later. Towns and villages which currently don't have anything to attract visitors may be encouraged to paint their silos, create a new festival or come up with other tourism ideas to put their town on the tourism radar. Rail trails connect towns, not only physically through the trail but by coming together in fundraising and volunteers being

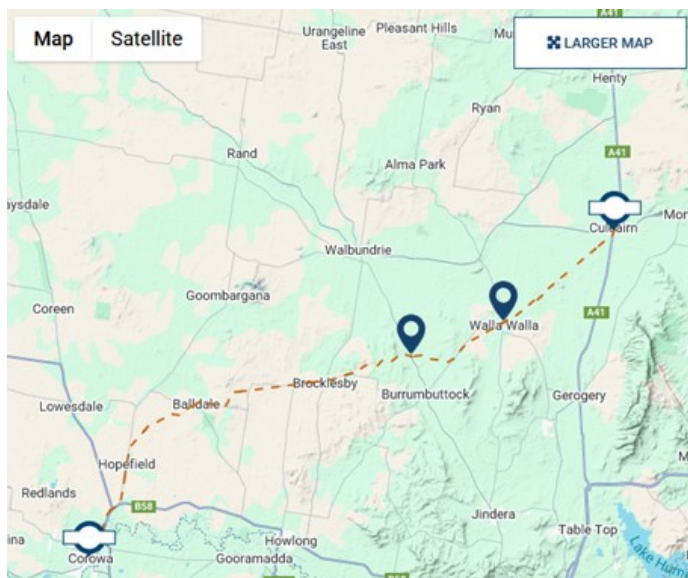

involved in beautifying the trail, planting trees for wildlife corridors and shade, restoring historic railway station remnants, creating information signs and so on.

Rail trails are a tourism magnet for visiting cyclists/pedestrians but they also provide a safe place to exercise for locals. Last year, there were 38 cyclists and 167 pedestrians killed on roads in Australia. We aim to have a sealed surface which would mean it is all inclusive. Therefore, unlike gravel trails that are only suitable for mountain bikes and which are high maintenance, a sealed trail is suitable

for all types of bikes (including children's tricycles), as well as wheelchairs, wheely walkers, prams and strollers. In addition, rail trails can be used by schools for cross-country carnivals; a football club can do training runs there instead of running around a muddy oval and some have been used for fundraising efforts. These efforts include hosting fun runs, bike races of various distances or orienteering challenges. Bird watchers are also enthusiastic users of rail trails as they are a safe quiet environment to do so. Bridge enthusiasts are also drawn to rail trails and we have 7 trestle bridges.

We have formed a subcommittee and we welcome any new members who would have a vested interest in this rail trail such as business owners, walkers and cyclists. So far, we have made contact with Rail Trails Australia for their guidance and we have created a vision statement that has

been sent to councillors for both Federal and Greater Hume Councils as well as Justin Clancy and Sussan Ley. Feedback has been positive from both councils and we welcome suggestions and ideas to make it happen.

If you want to join the rail trail subcommittee and/or donate money to this worthwhile cause, please contact [c2crailtrail@gmail.com](mailto:c2crailtrail@gmail.com).

**\*\* While rail trails cost a lot of money to construct, it must be remembered that this is a one-off cost and rail trails generate more than a million tourism dollars each year for decades to come!**

## Carer Support Group

Not everyone recognises themselves as a Carer, but if you are, or someone you know is looking after a partner, relative or friend who has a disability, illness, mental illness or who is aged, please contact us so that you/they can be offered support by people in a similar situation.

Peer support, respite & information sharing is the focus of the Carer Group.

The group usually meets monthly on the **3rd Tuesday** of each month in Jindera and sometimes venues elsewhere.

For more information call **Vickie Priscina** - Carer Group Co-Ordinator on **0428 406 060**.

## Other RCL Services

Rural Care Link Inc. (RCL) provides assistance to people experiencing hardship who are living in communities within the Greater Hume Council area.

Food & essentials support can be offered to people in need by contacting the RCL Office. Please see contact details below. Your confidentiality is assured.

RCL offers yearly grants to the local Primary Schools of Jindera, Gerogery, Walbundrie and Burrumbuttock, to support disadvantaged students as determined by the Principals of those schools.

RCL has also supported the "Learn to Swim" programs in conjunction with the schools, to help children who have been recognised as needing extra support in this area.

RCL has provided Pool Season Passes to families who would normally not be able to access their local pools during summer.

### HOW DO WE FUND THIS WORK?

The lifeblood of Rural Care Link Inc. is their very successful, and Australia Day Award Winning Op Shop!

Please support this wonderful little retail outlet when in Jindera. You will always find a bargain or a unique treasure displayed meticulously by the staff. Many unique items and collectables are also advertised on their Op Shop Facebook Page, so you may like to follow them there.

The Op Shop is run entirely by volunteers, and are always looking for more helpers, so please call them if you have some spare time to offer.

### OP SHOP HOURS

Tuesday—Friday 10am to 4pm  
(closed for lunch 1pm to 1.45pm)

**Ph: 6026 3001**

### RCL OFFICE HOURS

Tuesday—Thursday 9am to 2.30pm

**Ph: 0475 594 073**

## Football Report

Hello Sainters,

The football season is well under way and we all seem to be finding our feet. It has been a great start for our football teams from our eager little Auskickers through to our senior squad.

A real highlight for me has been seeing the numbers at training at Burrumbuttock on a Thursday evening. All our junior and senior players have been sharing the ground and over 100 footballers of all ages are running around together for half an hour or so. This solidifies the approach of the current committee to foster players from within and really focus upon our junior footballing programs. I hope it is a focus that all Hume League clubs are embracing as without junior footballers engaging in the sport a club's longevity will surely be jeopardised.

Results have been really pleasing on the park. Our under 14s went down narrowly in Round 1 and bounced back with a convincing win in Round 2. The under 17s had a nail-biting victory in Round 1 which had their two rookie coaches pondering their decision to join the coaching ranks. They followed up with a commanding victory in Round 2. The reserves scraped a draw in Round 1 thanks to an after the siren shot from Joel "hamstrung" Felmingham. They bounced back emphatically in Round 2. Our senior team had a nervous round 1 victory followed by a 186-point win in Round 2 and will hopefully continue to gel and improve as the season progresses.

We have two more home games at Burrumbuttock against Lockhart and the Billabong Crows before games move back to Brocklesby for a few rounds.

Life for all grades will get harder in coming weeks but it is important to keep a smile on our faces and enjoy the amazing community that we have.

*Three colours - Two towns - One club—Go Sainters!*

Tim Doherty  
Brock Burrum Saints Football Club President

## Netball Report

Hi Saints!

If you can smell the deep heat, that must mean the season has started!

The netball club is off the flyer this season, with all of our junior and senior teams having varying levels of success. It just goes to show how much effort and hard work everyone put into their preseason, as it's really paying off now.

Our U11's have started the season perfectly with 3 wins out of 3 games. Not only have they won their games, but they have been very dominant in every game they have played. They are currently sitting top of their ladder, with a percentage of 1111.1! Incredible!

The U13s had a great start to their season, with a convincing win against Culcairn. This was followed by a tough couple of games against Magpies and Lockhart. They are sitting 5<sup>th</sup> on their ladder, with the next few games sure to separate the top 6!

The U15s had 2 great wins in the opening to their season. They were then challenged by Lockhart in a thrilling game, unfortunately going down by 4 goals. They are 4<sup>th</sup> on the ladder, but will hopefully have some percentage boosting games in the next few weeks.

The U17s came out firing in their first 2 matches, walloping Culcairn and Magpies. They came up against an extremely experienced and skilled team in Lockhart in round 3, and Lockhart were just too good. It gives the girls a good idea of the benchmark of the competition and where they need to be moving forward. They are 5<sup>th</sup> on the ladder with some challenging matches coming up.

C Res have also come out of the gates fired up, winning the 3 from 3! They have been pushed by their opponents, but they have the speed and experience which has helped them in defeating Culcairn, Magpies and Lockhart. They are sitting 2<sup>nd</sup> on the ladder, just one spot behind Osborne.

C grade are also 3 from 3! None of the wins have been easy so far, and they have really had to work it, but the hard work being put in on a Thursday night training have really been paying off. They are 2<sup>nd</sup> on their ladder, with some percentage boosting games hopefully in the next few weeks!

B grade are again undefeated! Even when they are missing players, they have the fitness and the experience to hold onto their lead to secure the win! They are sitting top of the ladder, just in front of Billabong Crows. I cant wait to see that match up!

A grade round up our undefeated senior netball teams! With an awesome mix of experience and youth, they've bested every team they've played so far. The A grade competition is going to be an interesting one I think this year. The girls are sitting 3<sup>rd</sup> on the ladder, just behind Jindera and Billabong Crows.

We have had quite a few special milestone games already this season, but none quite as special as Tahnee Flower's Milestone game. Tahnee played her 250<sup>th</sup> game as a Saint recently, showing off a successful netball career with bags of Best and Fairests and finals appearances. We're so proud of the player and club member Tahnee has become. Thanks for all your years of dedication Tahnee, here is to another 250 games in the future!

We recently had our Players Auction night at the Burrum Hall, which was a massive success! The netball groups made more than they ever have before, with the overall football and netball total breaking previous records! Above all of that, the casseroles were fire.

That's about it from me  
Go Saints!

Bec Livermore

# BUSH BOUND PAINT & PASTRIES AT WIRRAMINNA

Join us for a lovely morning at Wirraminna! Paint a canvas of wildflowers & butterflies with local artist Mikayla Heir, while enjoying a lovely morning tea with friends.

 **Sunday 4<sup>th</sup> May 2025**  
**9:00am to 11:00am**

**Wirraminna Environmental  
Education Centre**  
**Howlong Rd, Burrumbuttock NSW**

Cost: \$75.00 (all materials are included, morning tea also provided)

Registration is essential! Please RSVP at:
