Rural Care Link Carers Support Group News

We look forward to meeting at The Fox & Brew on the **3rd Tuesday of each month** this year, for **Morning Tea at 10.30 am**. Peer support, respite and information sharing is the focus of the Carer Group.

This year will also include an outing with the Border Carer Reference Group, Carer Week celebratory activities, a Movie at the Cinema, art and music in our lovely Jindera Village Green. Please call the Coordinator, Vickie, prior to attending to check details.

Being a Carer is an often-unrecognised role. If you have any queries, would like to attend the group or know of someone else in our community who would benefit from attending please make contact. There is no obligation to attend every month as we realise that life is very busy, especially if you are caring for someone who has extra needs. The Carer Group is here to support you and offer you some brief respite from your role as needed.

Please call **Vickie Priscina** -

**Carer Group Co-Ordinator on
0428 406 060** for more information.

FARMERS INN HOTEL CHANGES PUBLICANS

Since its humble beginnings in 1880 Farmers Inn has seen many publicans come and go—a popular “watering hole” for farmers and towns people.

Farewell Mardi and thankyou for the 17 years you have provided Burrum with a place to meet and relax and share a few drinks and laughs. Covid19 provided a few challenges but you persevered with your “open window” for take aways—thankyou for your perseverance in serving the community.

Welcome to the new publicans - hope to catch up in the next

Burrumbuttock's Got Talent' Community Concert 2024

It's Showtime again! On Friday 28 th June at 7pm!

The Burrumbuttock Variety Community concert started in 2005 and has been held every second year until 2020 when Covid put a stop to it. After a five year break, everyone is really keen to revitalise the event which is always such a crowd-pleaser. This year will be the ninth concert for the community.

Each concert has raised money for community and Hall facilities.

Funds raised this year from entry takings and a raffle will go towards

Burrumbuttock's 150 th celebrations which are happening in October 2025.

The concert involves primary and preschool children, sporting groups, teenagers and adults. It has become a wonderful cultural opportunity for all ages to perform in front of a supportive audience, bringing parents, grandparents, and community members together for a fun evening of entertainment.

We ask people to bring a plate for supper afterwards – to reward the performers, and a chance for everyone to get together and share their reflections of the performances.

There is good heating in the Hall and supper room, so we hope to see you there!

Burrum walking track upgrade approved by Council

The Burrumbuttock Community Forum addressed Councillors at the public forum section of the Greater Hume Council meeting held at Holbrook on Wednesday

17th April regarding the need to upgrade the Burrum walking track along Urana Road. There was further discussion and Mayor Tony Quinn endorsed the project with a well-worded closing argument.

Councillors voted favourably to proceed with the work which will cost \$230,000.

This will mean that a sealed path will be constructed for access by all including prams, wheel-chairs and other mobility aids. There will be some vegetation clearance needed for the project but replacement plants will be planted.

We thank the Greater Hume Council for the improvement in public amenity that this project will make to our village. We are very grateful for their support in backing this project which has been top of our community project priority list for many years.

Farm Business Management Workshop

Holbrook RSL Club, Holbrook

4 and 5 June 2024, 8.30am - 4.00pm

Farm Business Management is an essential part of any farm business. In 2023 the Basics were covered. Now it's time to dig a little deeper to distinguish between 'paper' and 'real' farm business performance.

Murray Local Land Services is hosting a two-day Farm Business Management workshop in Holbrook.

Also suitable for new participants, these two-day workshops will help participants develop a greater and clearer understanding of farm business performance analysis using a 'model' farm. Day two will revolve around participants utilising their own data to develop high level financial performance indicators. A key outcome will be enabling participants to move away from the 'tax' mindset to a 'management decisions' one when thinking about farm finances.

PRESENTER

Paul Blackshaw is a farm business consultant with Meridian Agriculture in North East Victoria. Paul provides farm financial analysis, benchmarking, business performance, and succession planning

Topics to be covered

- Summary of performance measures
- How to analyse performance (using a model farm data)
- Understanding and interpreting the financial performance of a farm

A maximum of 15 participants per workshop has been set to ensure a great learning environment.
