CULCAIRN WELCOMES HOME A STAR: lilysh Retallick Returns

On Tuesday night 15th April, Culcairn came alive as nearly 300 locals and visitors gathered to celebrate the incredible success of our very own Lilysh Retallick, who was recently crowned runner-up on Australian Idol 2025. The event, held in the heart of town, was filled with pride, joy and community spirit as Lilysh returned home to a hero's welcome.

Lilysh captivated the crowd with a heartfelt and engaging interview, sharing her journey through the competition, the challenges and highlights behind the scenes, and the personal growth she experienced along the way. She spoke warmly about how excited she was to be back in Culcairn and

expressed her sincere gratitude for the love and support shown by the local community throughout her Idol journey.

The event was a true community effort, and we extend a huge thank you to everyone who made the evening such a success. In particular, sincere thanks go to the Culcairn Lions Club for running a fantastic barbecue, and to Greater Hume Council — especially Mayor Lea Parker, Greg Blackie, Betty Chaloner, and all the dedicated council staff who managed the logistics, including the road closure and event infrastructure.

We also thank Fire and Rescue NSW, SES, and the many friends and supporters who lent a hand behind the scenes. Your help made all the difference. The energy on the night was electric. From autographs and selfies to sizzling Lilysh sausages and smiling faces, it was a celebration that reminded us all of the strength and heart of our small town. Culcairn showed up in force to support one of our brightest young stars — and we couldn't be prouder.

Congratulations once again to Lilysh. Your talent, humility and courage have inspired us all, and we can't wait to see what's next.

SUCCESSFUL OPEN DAY

It was a pleasure to be able to host an event to welcome Doctor Toby to Culcairn and give the opportunity for people of our community and surrounds to meet our new doctor and have a tour of the Mediclinic facility located at 23 Balfour Street Culcairn.

The event on Saturday 11th of April saw a nice sized crowd through the doors and we were grateful for a fine sunny day for a good chat and some photos out the front. Doctor Toby and his wife Chinelo and Fiona (Administration Manager for the clinic), as well as Dr Marguerite Harb who joins Dr Toby as a GP at the Mediclinic, were happy to meet people of the community and chat about what the clinic has to offer.

We had a visit also from Justin Clancy our local MP and would like to thank Justin for coming along to support the initiative of new medical services for our community. Cr Lea Parker (Mayor of Greater Hume Council) sent her apologies for not being able to attend the event although she is also in support of the initiative, thank you Lea. Thank you also to all those who came along, we hope you find this healthcare facility meets your needs and provides value to the community.

It is fantastic to have the new medical general practice, Culcairn Mediclinic, now available and the Culcairn Local Health Advisory Committee wish Dr Toby and his team all the very best for the future.

CULCAIRN TOWN TENNIS CLUB

Culcairn Town Tennis Club finished a successful year of Tennis by winning the Grand Final in Section 3b against Howlong Spiders on 22nd March 2025.

This was an outstanding achievement considering the club was about to fold at the beginning of the season due to lack of support.

Our Section 4 team played well all year and managed to finish in 5th place.

At our open afternoon and BBQ, the President Jesse McElhinney presented the following awards and thanked everyone for their contribution over the season with a special thank you to Michelle Forrest for all her work in organising both teams.

Jesse McElhinney won the men's award for the most consistent player in Section 3b winning the Gary Barber Trophy.

Broady Thomas won the women's award for the most consistent player in Section 3b winning the Wendy Howard Trophy.

Graham Barber won the men's award for the most consistent player in Section 4 winning the Paul Biti Trophy

Indy Hill won the women's award for the most consistent player in Section 4 winning the Kaye Barber Trophy.

Michelle Forrest was awarded a Certificate for the most valuable player in the finals series.

Michaela Adams and Jacob Lindley were also awarded Certificates for their outstanding Sportsmanship on and off the court and Rick Meyers received a Certificate for Volunteer of the year for his dedication and hard work for the club.

Our season commences again in October so if anyone is interested in playing competition tennis of a Saturday, please text Jesse on 0474 764 591.

SECTION 3B PREMIERS

Grand Final def Howlong 12 sets 90 games to 4 sets 41 Winning Team Left to Right Keith McElhinney, Jesse McElhinney, Bec Lyons, Kaycee Thomas, Broady Thomas, Michelle Forrest (C), Jorja Lee, Michaela Adams, Andrew Fagan, Rick Meyers.

HEALTH SHARE EMPLOYEE MATTHEW RODWELL

Matthew has directly improved staff and Resident morale with supporting our use of his gym locally. Matthew also is able to provide treatments on site for our local community.

"I've been a part of the Culcairn community for the past six years and have spent the last four working with HealthShare at Culcairn MPS.

Everyone has been incredibly welcoming, and I'm grateful to be involved in a town that values health and well-being.

As a qualified massage therapist, I also provide treatment at Culcairn MPS, supporting the community in more ways than one.

After recently opening up the gym I was honoured to also be involved in the recent award received by Culcairn MPS for the collaboration of the gym program, which has been a fantastic addition to our town.

The gym has opened up great opportunities for everyone, including the local high school, which now uses it for their sports program.

With a background in competitive bodybuilding and powerlifting, I've had the privilege of competing at multiple world championships.

I've always enjoyed pushing my limits, which is why I'm currently training for an Ironman—embracing the challenge and continuing to grow in both fitness and endurance."

IN YOUR GARDEN

Still warm and dry lovely Autumn weather. Some rain soon would be a welcome blessing.

Deciduous leaves make good mulch .To make collection easy, use a leaf vacuum. put into compost piles and add a handful of Blood and Bone. Water in well.

Colour up your garden with pots of annuals--snapdragons, lobelia pansies. Old wheelbarrows work well too as they are moveable.

Continue to plant Spring flowering bulbs. Stick the coloured plastic name tags in the ground, with the bulbs and then you will know what is planted where!

Camellias are coming into bloom now. Both Sasanqua and larger Japonica varieties are popular and come in amazing sizes and colours.

As the weather cools off , bottlebrush(Callistemon) are attracting native birds to feed. More beautiful colours in the garden. Time also to sow Garlic .It can

be used raw or cooked and is a great flavour enhancer.

Mothers day: most mums love flowers in some form .While fresh bunches are beautiful, a pot of colour will last much longer, some exotic dried arrangements are available too.

Winter vegies should be growing well with the weather still being so warm .Keep watering and fertilizing. still time to plant spinach, broad beans ,kale, peas, lettuce and cabbage. Prepare ground for bare rooted roses .Still too early to prune roses yet.

Hoping for rain, enjoy your garden, Margaret Pumpa

WILL YOU BE THERE

Now that we have grown old,
Don't look at us with eyes so cold.
We often seem like strangers now,
Unsure of what to do somehow.
But we were once as young as you,
And watched you grow your whole life through.
We shared a love that gave you life,
And were always there in times of strife.
From a babe in arms, through childhood,
We taught you everything we could.
With many cuddles and laughter bright,
We kept you safe both day and night.
We did our best to pull you through,
And keep our family spirit true.
But oh – how the years have flown,
Now you have children of your own.
No longer Mum and Dad we're called,
Its Gran and Pop we're known to all
Our hair is grey with silver lights,
And the chill of winter really bites.
Who will be there to help us out,
When we can no longer get about.
As our memories fade and things look bleak,
And we often find it hard to speak.
Will you be there to help us through,
When we ask – 'who are you?'.
Don't put us out of sight or out of mind,
For we could never have left you behind.
Please be our strength with love that's grown,
Throughout the years, as we have shown.
We need you now, to lend a helping hand,
As we draw nearer to our final stand.

Culcairn Show 4th Oct 2025:

An interview with a first-time exhibitor

How did you become involved? As a 'newbie' to town it was a chance to meet people. I came across the information stall down town and decided to participate by entering an article or item in one of the many Show Pavilion categories.

Why did you enter articles in the show? As a child I loved going to the Royal Easter Show and seeing the farm animals and displays of crafts and cakes. At Culcairn Show I was fulfilling a long-held dream. Contributing entries into the show was also a way of connecting into the community.

What is it like to exhibit an article for the first time? There seemed a lot of rules to follow. This is done to make it a level playing field for all contributors. It's important to get your entry form in early and know that most articles or items need to be in early. All this is detailed in the show booklet (also known as the Show Schedule).

What did you exhibit and what was the cost? I entered the photography, cake, flower and cooking sections. I chose to pay membership and get a gate pass with 10 free entries in the pavilion.

Did you win? How did that make you feel? Yes, I did, but I don't like to brag! I felt very pleased and could not wait to post it on social media.

Is there anything you would like to add? I would encourage everyone to check out the show Facebook page @culcairnsgruculturalshow and website www.culcairnshowsociety.org.au.

Email culcairnshowsociety@gmail.com or

(02) 6029 8683 and leave a message.

Have a go! It is fun!

LIGHT HORSE RIDE CAPTIVATES CULCAIRN CROWD

Culcairn was proud to welcome a stirring tribute to Australia's military history on Thursday, 13th March, as two riders from the Chauvel Australian Light Horse Commemorative Ride trotted into town, fully outfitted in authentic World War I uniforms.

Held beneath the leafy canopy of trees along Railway Parade, the event drew around 50 enthusiastic community members, who gathered to witness this living tribute to the bravery and spirit of the Australian Light Horse Brigade

In the shadow of the old station and silos, the riders delivered a compelling and informative speech on the history of the Light Horse—Australia's mounted infantry regiments that played a significant role in the Boer War and both World Wars. The talk covered their origins, missions, and the legacy they left not only on the battlefield but in the hearts of generations to come. "We want to bring this history back to life," one rider shared, "and we're inviting people from each community to tell us their family stories connected to the Light Horse."

Locals were encouraged to come forward with any stories, photos, or memorabilia relating to family members who served with the Light Horse. These contributions will help enrich the collection at the planned Light Horse Museum in Seymour, Victoria, and support the addition of names to the Wagga Cenotaph—an ongoing project to honour Riverina and South West Slopes Light Horsemen.

The Culcairn stop is part of a broader commemorative trail following the route of the original Chauvel Border Light Horse units, helping reconnect towns and people to this proud chapter of our shared history. The Culcairn Community Development Committee thanks all who attended and especially the riders for their powerful storytelling and dedication to keeping the Light Horse legacy alive.

UPGRADE FOR THE PLANTERS IN BALFOUR ST & RAILWAY PDE

Late last year, Sharon Wonson became aware that Hume Bank was offering grants for community improvement projects. Sharon, on behalf of the Culcairn Oasis, submitted a proposal for funding a community garden project. Her proposal was successful. After discussion within the Oasis team, it was decided that the grant money would best benefit the community if it was spent on revitalising the planters in Balfour St and Railway Pde.. Council were approached about this proposal and are happy with this beautification initiative.

Lots of advice has been taken to help in the planning for this project. The horticulturalists at Peards Wodonga were approached and freely provided advice. They made recommendations about which plants would be best for the very different growing conditions of full sun and deep shade. The plants which have been recommended and chosen have pretty flowers. When they're not in flower, the different types of foliage and leaf colours will give colour and interest. The planters will also be refreshed with a mixture of new garden soil and soil conditioner and also will be mulched.

When is this going to happen? Probably over a couple of weekends in late May.

Many thanks are owed to Sharon for taking the initiative and securing the grant and to Hume Bank for generously providing the community grant.

David Gilmore and Helen Montgomery

Another month down at the Bowlo with plenty on offer again in May.

Social Bowls has had a great start with some good old-fashioned banter between the visitors and members that have come since its restart, all you need to do is call the club on 6029 8461 by 1.30pm on the day to register with play commencing at 2pm & it's only \$5 to play so come and give it a roll.

Want to win \$10,000 cash? Yep you read that right ,Our Golden Bowl only has 300 tickets up for grabs @ \$100 each so why not grab yours to go into the draw. Grand draw will be Sunday 7TH December. There are 15 other cash prizes to be won too.

Call 6029 8461 for more info and payment options available.

Our Friday Raffles have increased and are now even bigger with more on offer and along with Happy Hour now from 5pm until 9pm. Tickets on sale from 7pm, Raffle starts at 8pm. That's now over \$1000 in cash and prizes to be won every Friday night. Our Member's Draw is now twice a week, with Friday still at 9pm after our raffles and now there is a Sunday Draw at 5pm. So, double the cham

A huge thank you to the following businesses for their continued support:

The Culcairn Butcher, Culcairn Foodworks, Culcairn Pharmacy, Border Markets & Kennys Chinese & Australian Restaurant.

Euchre is here every Wednesday from 1pm its only \$2 to play. Experienced and learners all welcome. Play starts at 1pm.

Kenny & Helen are back from some rest and relaxation so why not pop in for a \$15 Lunch meal every Wednesday to Friday or dinner Wednesday to Sunday from 6pm.

Club Memberships are coming up for renewal and what better way to support the club and its continued opening than renewing or becoming a new member, its only \$15 a year and the membership discounts and offers more than covers the cost.

Probus – April Update

The Next Step – Henty's Disability

Personal Support Service

The Henty/Culcairn Probus group held its April meeting on April 9th at the Henty Community Centre. Longtime Henty resident Julie Colley gave the "5 Minute" presentation describing growing up in Newcastle where her father worked as an engineer for BHP and her mother was a nurse. Julie and her siblings had many outdoor experiences as children, and the family spent a lot of time at the beach in summer. Julie trained as a Music and English teacher at the Newcastle Conservatorium of Music and Newcastle Teachers College.

April's keynote speaker was Dylan Harrison (Hore), who, with his wife Rachael, founded **The Next Step** in March 2022 as a disability personal support service located in Henty. It is the only such service located between Albury and Wagga Wagga. The business began with one client but has expanded rapidly as families within the Greater Hume Shire who have a child with a disability, learnt of the services offered. Dylan's brother Daniel quickly joined the staff and now the organisation has 13 active support workers, of whom all but two live locally. **The Next Step** has 30-40 actively involved clients. Recently, through a working relationship with Henty Respite Trust, Avondale Place has become the hub for **The Next Step's** work.

As noted on its website **The Next Step's** "mission is to empower individuals living with disabilities, to live a fulfilling and meaningful life. Our mission is to create new and equal opportunities, to build life skills, friendships and improve overall capacity. We plan to do this by connecting with community, and providing quality fun-filled, group-centred and person-centred programs."

Programming has grown over the past three years and **The Next Step** now provides activities in the following areas: Community Access, Assistance with Daily Life, Short Term Respite at Avondale Place, Road to Independence Activities subsidised by Henty Respite Trust, Social Activities on Friday nights and Saturday, Social excursions for one or two days, Car Washing, and Aged Care Support. Those of us who patronise Henty's coffee shop in the morning regularly see the happy disposition of **The Next Step** participants as they gather to begin their daily activities.

If you are retired or semi-retired, Probus may be the social group for you. Contact Beryl Meyer at 0427 293 147 for more information. Our next meeting is Wednesday, May 14, at 10 am at the Culcairn Bowling Club.

CULCAIRN GARDEN CLUB

A working bee was held on Election Day morning to do a clean-up of the Valda Hensel Garden on the side of Albury Rd. 11 members rolled up their sleeves and conscientiously pruned, dug and weeded.

The 'Remembrance Stone' with its quiet seating area was tidied up and the sprouting yuccas on the far corner no longer block the view of motorists exiting the viaduct. Cris McPaul also opened the Men's Shed for a most welcome cuppa.

Well done and many thanks to all who attended.

Our May 18th meeting will be at a member's garden full of chrysanthemums, we will be meeting in front of the post office at 1:30 to go there together. Our June 8th meeting will be lunch at the Culcairn Pub.

PROPOSED CULCAIRN TO COROWA RAIL TRAIL

written by Françoise McPherson

It is proposed to turn the disused railway line from Culcairn to Corowa into a recreational shared cycling/walking trail i.e. a rail trail which excludes all motorised transport. This rail trail would deliver on many points raised in the GHC 2025-2035 strategic plan that was released recently.

Currently this 76 km route within Greater Hume and Federal Council areas is a weed-infested eyesore and a fire hazard but if turned into a rail trail, it would be an economic asset to Culcairn, Walla Walla, Burrumbuttock, Brocklesby, Balldale, Hopefield and Corowa. It has been well documented from the many other rail trails (133 and counting) already in operation around Australia (as well as in New Zealand and Taiwan) that rail trails attract thousands of visitors each per year which gives rise to new business and tourism opportunities

How can I be involved? If you want to join the rail trail subcommittee and/or donate money to this worthwhile cause, please contact us on C2CrailTrail@gmail.com.
